Let's Get Social!

By Editors

What could be better than fried Oreos, popcorn and dancing with the ladies of Chippewa Ranch Camp? On Saturday night, the boys of Menominee piled into camp vans to head over to Chippewa for our first social of the season. The Chippewa ladies were very accommodating. They were ready with games, food and awesome music. Campers from both camps were mixing and mingling quite well. DANIEL MALIS ran into some girls from his school. MATT HEIL got multiple phone numbers! JOHNATHON MOKHTARZADEH was a hit with the ladies, especially after telling them that he is from Los Angeles. Socials are a good opportunity for the Menominee men to show everyone how classy they are, and this one was no different. Chippewa were frying up Oreos for everyone to enjoy and WILLIAM SIMKINS politely let the ladies budge him in line—what a gentleman! Everyone danced and talked as the day came to an end. A couple of Chippewa girls were roaming around, selecting guys to play the 'dating game.' It was a huge hit! Eventually, it was time for us to pack up and return to the Friendly Confines. All in all, it was a lovely night over on Dam Lake!

Prime Time T.M.C.

By Ethan Weiss

Twas a beautiful and sunny lazy day at the Friendly Confines, a perfect day for some Primetime activities. Everything in camp is open as long as you are with a counselor. One of the said activities was the inaugural meeting of the Tanning Music Club, also known as the TMC. As could be predicted by the name, the TMC engages in tanning at various places around camp while listening to music. Led by ETHAN WEISS and JUSTIN SCHOENEMAN, the original members GAVIN BRAMWIT, KASE RATZLAFF, and ETHAN MOKHTARZADEH were quickly joined by other guys, including AARON PELTS and JAKE HOROWITZ. After an appropriate number of flips, so as to roast each side evenly, the TMC, after much deliberation due to the seemingly freezing cold water, moved the meeting out to the trampoline to continue our tanning. The TMC will meet again at the next Primetime. According to a poll of all the Marimeta campers and staff, 99% of them said that they like their men more tan. Therefore, we strongly encourage you to join us at the next Prime Time for some tanning and music by the lake.

Junior/Inter. Twilight League Update

By Editors

The quality of play out at Junior/Intermediate Twilight League through the first three games of the season has been extraordinary. DAVID FISHER'S team holds the top spot in the league standings with a 3-0 record. First year campers IAN POGANY and JONAH FRIEDMAN have been a vital part to the left side of the infield, not allowing any balls to get through. Slugger, JACK FORMAN, has been killing it at the plate and at first base, too. CHARLIE RATTERMAN'S and HOLDEN SUERING'S teams have records of 2-1 thus far.

Newcomer HENRY CHABOT of HOLDEN'S team has taken the Twilight League world by storm with his incredible fielding ability and exceptional power. DYLAN SCHWARTZ'S and JORDAN GENTNER'S teams are tied for 4th place with records of 1-2. GENTNER'S team, a mix of young and experienced campers, has all the tools to make a run at the Twilight League championship later in the session. Cabin 3 representatives EMMITT KREZ and ELI FRIEDMAN have improved each game in important roles for GENTNER'S team. SAM GOODMAN'S team finds themselves at the bottom of the standings, but don't sleep on this team. With former Junior Twilight League MVP RYDER SPECTOR on the squad, the ceiling for this team could be the highest of them all. Three games in, all these team look like they could win the first session championship. It's going to be a fun ride to the finals!

Movie Night

By Editors

The Juniors and Intermediates gathered in Wasserman Hall and the Seniors in the lodge for the summer's first movie night! The younger kids watched The Minions, while the older kids watched the catchy Pitch Perfect 2. BRADY WEISS raved about The Minions movie, saying that it was one of the best animated movies he has ever seen. CHASE WEIMAN, an avid fan of the first Pitch Perfect, said that the sequel was even better. Overall, the campers enjoyed a relaxing and fun period during the movie night!
