Green and White 2014 by Editor

Green and White got off to an awesome start this summer. On Sunday 27th July, we were all getting ready to go to bed after The Way. Just as everybody was getting comfortable in bed after choosing jobs, the boys from cabin 18 started calling us down to the water-front for an urgent announcement. We were all panicking and wondering what it could be because we had already done Taps with STEVE. RYDER SPECTOR, JACOB KUMIN and BENJIE FRIEDMAN were all heard speculating whether or not it was the official start of Green and White. We all ventured down to the benches down at the water front and STEVE said, "WELCOME TO THE START OF GREEN AND WHITE 2014!" We all cheered as loud as we could. STEVE then went on to explain how this year's will be different to every other year. This year's teams have been picked so brothers and cousins can be together and another twist was that the team you're in will be the team you will be throughout your whole Menominee career. The captains for both teams-the boys from cabin 18-then read out the names of the campers and counselors who are in team Green and whoever's in team White.

SIMON literally 30ft up in a tree!" The game played last was between the counselors from both teams. Games of Basketball, Soccer and Softball were played. The White team won all three. "It was interesting watching the British counselors playing Basketball and trying their hardest to win because they're not used to playing it like us Americans are. At Soccer it switched though and the British counselors were evidently better and knew a lot more about the game than the American counselors!" said ADAM SAGERMAN. NATE BEERMANN, HARRISON HOFFMAN and JOEY HOFFMAN were heard chanting "GO GREEN, GO WHITE!" SAM MAETZOLD said after the Soccer game, "I gave it my all and even though my team, the White team won, it was a definitely a challenge for me because this is a game I just don't play." STEVEN EDGE, DREW HOLLINS and ANDY SCHOFIELD played like professionals and the crowds watching were very impressed. ETHAN WEISS was heard saying "Yeh Steve, you're really good!"

Cement Signing by Editor

On the morning of 28th July, the campers were awoken by a loud truck. They all assumed it would be the laundry being collected but when they finally managed to get out of bed to go to breakfast, they could see that ANDY SCHOFIELD, TOM FEDERLEY and GERARDO were leveling the new cement where this year's signatures would be signed. The rookie campers were all excited, ELLIOTT ZELKEN said, "I want to write my name big so everyone can see it!" NOAH LAZARUS who has been coming here for over 5 years said "Even now, I think it's a fantastic experience. My name will be on camp grounds forever!" Some campers were going a little overboard though. GAVIN BRAMWIT said "ISAAC MILLER, KASE RATZLAFF and LOUIS

KANTER wrote their names so big, I had just a little room for me to write my name, I managed to do it though and I was happy with the end results." Some of the campers and counselors were asked to write the names in of any campers who had left, LEVI PASIKOV said, "DAVE HARRISON, my counselor, asked me to write in ELI and JACOB SHERMAN's names in and I think I did a pretty good job fitting all our names in." Lucky Canteen Number 117. The first year counselors were also excited about putting their names in. KEVIN CRONIN went all out on his name making it bold with a pattern going through the letters, and STEVEN EDGE used his Arts and Craft expertise to perfectly write the names of the counselors and CIT's in his cabin in a straight line.

WINNING CABINS GO TO DQ!

The two cabins who won cabin clean-up and received 50 points went to DQ yesterday! REMMINGTON DOYLE, WILL FRIEDMAN, DOMINIC HAMILTON, NICOLAS PUJOLAS, JACK SACKS and ZACH ZELMAN from Cabin 15 went with Cabin 5's ROBBY BRINGAS, TYLER BORSTEIN, JACK KAPLAN, JAKE MATLES, ALEX MELESHKO, LEO NECHELES, GRIFFIN BRAMWIT and JEREMY ZELKEN. Counselors HARJ AULAKH, KEVIN CRONIN, ANDREW BLECHMAN and TAYLOR BEAUSEIGNEUR all took charge to get the campers to DQ and place their orders. LEO NECHELES said, "I love how the budget of \$3.50 was more than enough for us all to have what we want. It was fun hanging out with the counselors too!" and JEREMY ZELKEN said, "The hard work paid off. I got myself the Chips AHOY Blizzard, it was so delicious!"
