MENOMINEE VS TIMBERLANE by Editor

Friday 27th June was the day we played against Camp Timberlane. This is an annual event that involves almost all campers from both camps in a number of different sports such as Baseball, Soccer, Ultimate Frisbee, Flag Football, Riflery, Archery, Basketball and Tennis. It was such a fantastic day and all the campers seemed to have had a great time! The teams were set up in two groups, the 12 and under campers went to Timberlane and the 13 and over boys stayed here at Camp Menominee, and

their boys drive over to play on our grounds. In the end it was Timberlane who won us 9-7. Over the next couple of Megaphone editions I will be featuring articles that the counselors who were Referees, Coaches or Umpires wrote for me about what they thought of the games that they were in charge of.

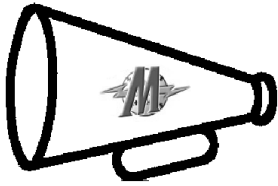

12 and under Soccer by Ben Major

The 12 and under Menominee boys travelled to Timberlane to play Soccer. It was such a competitive team and some excellent soccer was played however, we were defeated in the end as Timberlane won 13-10. Menominee's first goal came after KYLE MION-SPIESZ was fouled on the edge of the box after a good run. JACK BEHAR stepped up and rifled an awesome free kick in the top right of the goal. Our second goal was scored spectacularly by JACOB SMITH who weaved his way through the box and smashed a left footed shot into the top corner. Jacob then grabbed a second when JACK BEHAR ran through the opposition half and passed the ball to Jacob, who expertly finished under the goalkeeper. Special mentions go to JACK FORMAN, JAMES POPLAWSKI, BECKETT NELSON and ZACH BEN-ISVY who all made many important tackles and blocks against a fierce opposition attack. The boys can be proud of their efforts, as they never gave up on closing down the score line. Lucky Canteen Number 78. I'm sure going into the next game, the team will be more confident in getting a win for the mighty Green and Whites!

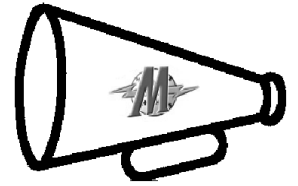

Ultimate Frisbee 12s and under by Kevin Cronin

After a seven inning thriller on the Baseball diamond (2-3 win for Camp Menominee), I made my way over to the soccer fields for a clash between the mighty men of Camp Menominee and the boys from Timberlane in Ultimate Frisbee. Although the match-up proved to be a bit of a one side affair on the scoreboard (15-1), the boys in green never gave up hope. JACOB SMITH from cabin three, found himself in Timberlane's end zone with a frisbee after completing a show-time shoe-string catch, and cashing in on Menominee's only score. Not far behind were HOLDEN SEURING and CHARLIE RATTERMAN pushing the energetic green attack. ZACH "Bat it down" BEN-ISVY was resilient on the defensive end, holding Timberlane to just 3 scores in the second half. When all was said and done, Menominee stood number two on the field, but still number one in our hearts.

13 and over's TENNIS by Eli Bernick

On a glorious afternoon the Menominee boys were ready to storm to victory on the hard courts. JOSH BELGRAD notched the first win of the day with a resounding 8-1 of his Timberlane counterpart. Unfortunately, ZACH HOTT and ISAAC WEISS didn't have as much luck but remained competitive even in defeat. LEVI SCHULMAN overcame some early mishaps as well. JOSH GOODMAN and DANIEL BEN-ISVY played tough, but fell short. REID KANTER, playing in the last singles match, swung the event towards Menominee's favor. Great Tennis played by talented boys. Well done guys!

12 and under TENNIS by Terry "TJ" Jones

It was a great day at Camp Timberlane. The sun was shining and Menominee were eager to play a little Tennis! The matches were very competitive and both camps came to play. LEVI PASIKOV dominated his opponent with an army of shots and took home the 8-2 win. At second singles ETHAN HASSON cruised by his opponent 8-0. The two doubles teams, however, weren't so lucky. ZACH POLISNER and SAM GOODMAN played a challenging match but Timberlane narrowly won us. JOSH KENNEDY and MICAH SCHULMAN also had a very competitive match, but again Timberlane narrowly won that as well. The match came down to CHARLIE RATTERMAN at third singles. Charlie was the man of the match and he brought home the win for Menominee 8-1. Great job guys! Way to fight to the end!

SUPER-FUN GENERAL by Benji Friedman

Just before General on the 28th June, I was hanging out with ELI BERNICK and playing Basketball. While talking about our cabins, the campers and the counselors we bumped into STEVEN EDGE at the Arts and Crafts room. We stopped by to say hi. General began, so we went over to the water front and decided to go kayaking. It was really wavy, so wavy in fact that Eli tipped over! We then went for a swim and saw JACK FORSYTHE. Jack asked us to triple up with him, and we ended up going down the slide, it was fun! I love spending time with Eli; we always have a great time.
