## **TWILIGHT LEAGUE! By the Editor**

What was a normal Monday lunch quickly turned interesting as ANDY SCHOFIELD AND TERRY JONES brought into the mess hall a thief, dressed head to toe in black. They had already captured him and tied up him with rope and covered his face with a black scarf. It was discovered that JUSTIN SCHOENEMAN was the thief that had been stealing all of Jason's balls. The purpose of this mini role-play was the official start of second session Twilight League. The teams were announced and the Mess Hall cleared as everyone returned to their cabins to prepare to play. Day one kick-started with HARRISON HOFFMAN and JOEY HOFFMAN'S team playing against each other, and COOPER SPECTOR and BRADY WEISS'S team playing together. Harrison and Brady's teams won. The intermediate teams that played against each other were JAMES POPLOWSKI'S vs JACK FORMAN'S, and ROBBY BRINGAS' vs JACK KAPLAN'S team. Robby's team and Jack's team were both victorious. As for senior Twilight league; Daniel Goldschmidt beat Johnny Bloom's team, NBI beat Todd Lazarus's team and Brett Weiss beat Aidan Bramwit's team.

## **Special Speeches! By the Editor**

Jason gave an official welcome speech to everyone at the camp fire. He said it always happens to be the perfect night to be down by the lake-front with a camp-fire on the first night of every session. He told the new campers that he can already feel a connection growing between them and the returning campers and that they will all become the future of Camp Menominee. WOODY also got a special shout-out for being here a total of 26 years!

DAVE THOMSON stood up and gave his appreciation to everyone as well during the camp-fire. He told us all that there have been times at camp that have been quite tough and challenging, but he has got through them all because the campers and the counselors around him have made him feel like he is at home and safe. He said he loves Camp Menominee so much and he is so excited to see what the next four weeks will bring. Secret Canteen Number 136.

BRANDON PTASZNIK finally stood up and told everyone a story regarding a 16A game against Kawaga. Menominee won the 16A Softball game against Kawaga last year and he said that, it felt like his family were around him and that's what made the win so special. He also made the new campers feel at ease by telling them that, he himself has been in their shoes once. He was so nervous when he got on that bus, travelling to a place so far away from his home in LA, but there have been no regrets since, and he has come back every year. This is his 8<sup>th</sup> summer and he misses the Friendly Confines all the time when he's back at home. He counts down the days for camp to start the following summer.

JEFF the chef gave a very powerful speech as well. KYLE GOLDMAN and NAVID RODD were particularly impressed. Jeff gave us all a history on Camp Menominee. This land we are on was owned by an Indian Tribe. They fought for this land and because of them we have these beautiful confines and our home away from home. He said they had a tradition, where they would look into the fire and chant "Howa."
