## Tramp Ball is here!

Tramp Ball has finally arrived, and the new courts are looking great thanks to the hard work from TOM FEDDERLEY and JOSHUA BULL. STEVE declared the new courts open by cutting a green ribbon, and explained the rules to everyone. The trampolines are for Tramp Ball only, no flipping! The new sport adds to the variety of sport and activities that are here at Menominee, so make sure to choose it for General and try something new!

## Wakeboarding at the Waterfront!

By ANDY SCHOFIELD

Today at the waterfront, the activities were full of great fun and enjoyment, as well as a lot of amazing achievements! Veteran wakeboarder and skier ETHAN WAGMAN was sporting his skills like a professional, darting around the lake like nothing could stop him! An extra special mention goes out to both BRANDON PTASZNIK and JONAH JACOBS. Not only did they get up on two skis for the first time, but also went around the whole lake. Great job guys! I had the pleasure of accompanying the famous fisherman MAX WEINGARDT in the boat, hopefully he'll teach me a thing or two some day. I look forward to seeing many more awesome achievements like these all summer, and I'm really impressed by all the guys that joined us in the waterfront today. Go Menominee!

## Cabin Clean-up

For those of you who have been to Camp Menominee before, you'll know the importance of cabin clean-up. Every cabin is inspected by Nurse DAWN to make sure that everything is in great shape, and then marks it out of 100 based on separate categories. Cabins are marked on floors, beds, shelves, bathrooms and the grounds around the cabins. The cleanest cabin will get to take a trip to the wonderful Dairy Queen. What a treat! Make sure they're all clean if you want a trip to DQ! Congratulations to Cabin 13, scoring a massive 82 points today!

## Shootin' Hoops

By BEN ELLINGSON

Today at Basketball there was some fierce competition out in the courts, but some really close games were played and everyone gave it their all. JONAH JACOBS was showing his skills in the match, displaying good lay-ups to the hoop and smashing those three pointers. TODD LAZARUS also had his head in the game. He played some excellent mid-range jump shots and looked out for his teammates with some very well placed passes. If a teammate missed the hoop, NOAH LAZARUS was there to set it straight, and got a lot of vital rebound shots in the game. If dribbling skills were to be mentioned, then NOAH PODOLSKY was on top of his game. He dribbled through players and made some great shots too. Everyone on the court showed sportsmanship, which is always the best way to end a game in all circumstances!

## Campsite Crazy!

By TYLER BORSTEIN

Yesterday, our cabin (Cabin 4), went out into the woods and went looking for a campsite. As we were searching, we kept finding camps that other cabins had made in the years before. CHARLIE RATTERMAN, DYLAN SCHWARTZ, WALKER NELSON, SAM GOODMAN, ETHAN HOTT and BENJI FRIEDMAN were with me, alongside our counselors.

We managed to find a campsite that was quite close to the road, even though it was Cabin 5's campsite from 2005. We didn't really want to destroy it, so we decided we would upgrade it to make it look really good. We all decided to make a fort in the middle of the site, to hide in incase anything was nearby. ELI BERNICK thought it would be a great idea to make the number '4' out of sticks, so people would know its our campsite. CHARLIE RATTERMAN, DAVID HULSTEDT and CONOR MURPHY worked the hardest out of all of us and managed to do the most work in the time we had. I discovered a stick that looked exactly like a historical machine gun, but DAVID said I ought to put it on top of the fort to cover the gaps.

Just as we were really getting into building the campsite, Woody called out all lifeguards to the waterfront so CONOR had to go back, and we followed. Our campsite is looking awesome so far, and is the best out of all cabins. I can't wait to finish it!
