THE SING EDITION

TUESDAY AUGUST 7, 2018

## The Green and White Sing 2018 By Editor

The Sing is one of the most sacred and important traditions here at CM, and last night both teams sang their hearts out and made the camp proud. Each team performed a four-song medley consisting of “Fill a Stein,” “To Menominee we Sing,” “Menominee, Menominee,”

and a unique fight song for their team. Each team selected a theme, and the team captains delivered a speech on their themes. First to sing were the White team, who selected the theme, ‘Equality.’ To show this equality, each row wore a different colored shirt to show that everyone is both different and the same at the same time and deserve equality.

The Green team’s theme was ‘Individuality’ and showed this by wearing the clothing that best defines them as an individual. Once both teams had sung, the CIT’s and counselors approached the stage to lighten the mood, and sing the songs they created, in fancy dress. In the end, the Green team won by a score of 3-2. Both teams sang their best throughout and can be proud of keeping the CM singing tradition alive.

## The Menominee Masters By Thomas C Adler

Sunday morning, five boys were escorted by **ETHAN WEISS** and **THOMAS C ADLER** to the Menominee Masters. The Masters, held at beautiful Plum Lake Golf Course, had five participants, including **TODD LAZARUS, JAKE HOODACK, BENJIE GAU, JOEY HOFFMAN,** and **BEN MANN**. There were no Vegas odds on favorites and this was a completely even field. The script could not have been written any better as **JOEY** and **BEN** were tied going into the last hole, with the other three players two shots behind. **BEN** showed ice in his veins as he drove the fairway, hit an iron just off the green, and chipped within four feet. **JOEY** had already tapped in for a five and **BEN** needed his putt to win the coveted Menominee green jacket. And his iced veins prevailed as he rolled his Titlist in the centre of the cup. Wow, what a win but what a gracious winner. Everyone congratulated **BEN** in the true Menominee fashion of good sportsmanship. **BEN**’s name will be engraved on the jacket along with all the names preceding him. Congratulations to all the contestants – Cathy’s ice cream for all.

## Midnight Manhunt

By Editor

After a busy day in the beautiful town of Minocqua, the CM boys were expecting to get the buses back to Camp for Taps and bed. However, Green and White coordinators **ETHAN WEISS** and **BRANDON PTASZNIK** had a surprise in store for the green nation and as the buses rolled in, everybody could see a circle of flames, signalling the start of the Green and White favorite – Midnight Manhunt. As the boys stepped off the buses, they raced towards their cabins to get ready, before meeting in Wass Hall. The aim of the game was to take it in turns to go on offense and survive a twenty-five minute time limit without being squirted by the defending team. While on offense, campers could either hide and gain one point for

or try get into the 'ring of fire' to gain their team five points. The White team were on offense first and some good running and dodging from **ADAM STEIN** drew in several defenders, allowing others to make it into the ring without being squirted. Good hiding from **DYLAN FLETCHER** and **BRODY SHEFREN** ensured that they gained a point for their team. The Green team were next on offense and adopted the strategy to all attack from the start to reach the ring. This strategy did not work however, due to good ring guarding from captain **JACK BEHAR** and **LOGAN ROSENGARD**, managing to squirt most of the Green team. When the dust settled, and points were tallied, the White teams' defense were the difference in the game and helped their team to a 28-13 victory.
