Cabin Feud

By Editors

What happens when you combine one of the most popular game shows with Menominee? You get the evening campfire of Cabin Feud! Led by Steve Harvey (NOAH LAZARUS) and Steve Harvey (ETHAN WEISS), two cabins competed against each other in two out of three games. The Harveys explained that the rules were exactly the same as the television game, and all the campers were eager to get started. Cabins 3 and 5 faced off in the first match up of the night. JESSE KAPLAN, MATT HEIL and the rest of Cabin 5 swept the points in the first question about people at camp in the 10-year club. ELI FRIEDMAN did a great job of keeping Cabin 3 close, but Cabin 5 proved to be too much in the end. In the second match up of the night, Cabins 6 and 10 battled it out on the Wass Hall stage. MILES RACENSTEIN'S knowledge of sports proved to be a major help to Cabin 10 for the question about what professional sports teams apparel are most worn at camp. BRADY WEISS and the rest of Cabin 6 tried their best, but ultimately lost in the third game. Next, it was time for a 12-year-old duel: Cabins 12 and 13. JACK FORMAN led the Cabin 13 side to a victory in one of the games, but stellar answers from MAX BEERMANN and CHARLIE RATTERMAN on the opposing side made it hard for Cabin 13 to get a chance to steal the points and the game. The penultimate game featured Cabin 16 and 17. Though it was a hotly contested battle, JUSTIN SCHOENEMAN proved to be the difference in a Cabin 16 win in the third game. Senior Cabin split up to face one another in the final game of the night. ISAAC WEISS and SAM MILLER'S knowledge of the TV game translated over to the cabin feud edition, where they got answers after answer correct. Big thanks to the Harvey's for the work they put into running this evening's campfire!

Social with Digits!

By Jake McDermott and Will Simkins

Yesterday Camp Menominee went to Agawak for a social. The social was a beach party! There were slides, snow cones and trampball. In cabin 5, as usual, there was a contest for who could get the most number at the social. Everyone thought that they were going to win, but there could only be one winner. JAKE MCDERMOTT ended up taking the top prize with a stunning five phone numbers! The overall competition, though, was won by Cabin 3 representative EMMITT KREZ with seven numbers! Now that is what we call social!

CITs Take the Dells

By Jake Herman

Early Monday morning, the CITs and counselors JOSH INGRAM and DWAYNE O'DE FREITAS headed to the beautiful Wisconsin Dells. After a stop at McDonald's, we rolled up to Mount Olympus theme park in the early afternoon. JACKSON WEIL, JAKE CZUPEK, JAKE HERMAN, MAX ZLATNIKOV, DWAYNE and JOSH flocked straight to the roller coasters as we worked our way from least to most exciting and crazy rides. After a quick stop at the hotel, we cooled off at the Mount Olympus Waterpark, complete with plunge-slides and a huge wave pool where ROSS FISHER and MAX WEINGARDT spent most of their time. After a delicious dinner of wings and burgers, courtesy of JASON, we hit the links at the pirate-themed mini golf course. JACKSON WEIL and JAKE HERMAN engaged in a competitive round, with JACKSON edging him out by two strokes. Meanwhile, JOSH INGRAM struggled mightily, missing putts left and right and losing many balls to the treacherous water hazards. He was not alone, though, as MAX ZLATNIKOV took a whopping 9 strokes on one hole! The next day, we went to the amazing Noah's Ark Waterpark, the largest waterpark in the USA. JAKE CZUPEK, JOSH and DWAYNE fearlessly rode the "Scorpion's Tail," which includes the floor dropping out from under you and a loop. ROSS FISHER and the other CITs preferred the slightly less severe, but still fun "Black Anaconda" and "Time Warp" rides. MAX WEINGARDT and company also enjoyed floating in the lazy river, even when WEINGARDT'S tube tipped over. Thank you to JASON and WOODY for an unforgettable trip!

Agawak Beach Party Social

By Ethan Weiss

'Twas a beautiful afternoon at CM; a perfect day for a beach party social with Camp Agawak! After putting on our best beach attire, the boys headed over for a fun day in the sun with the ladies. Upon arrival, some boys and girls went to the slip and slide while others stayed down at the waterfront to enjoy the lake and maybe a snow cone or two. CHARLIE RATTERMAN and XANDER SCHILLER were rockin the slip and slide while BEN KAPLAN and EMMITT KREZ killed it down at the waterfront. After a while, the groups rotated and the seniors went down to the lake while the juniors got their turn at the slip and slide. Despite their age group being on a trip, CHASE WEIMAN and ISAAC WEISS were mixing it up and could be seen having a great time in the lake. JAKE MCDERMOTT racked up the phone numbers while JUSTIN SCHOENEMAN and JOSH KRAVITZ bumped the music from the KWAK radio booth. All in all, it was a great social and a great day.
