## **13 and over Volleyball storms the beach courts of Interlaken by David Mizock**

Playing on the sand Volleyball court, the boys of Menominee started off hot. With solid play from MAX ZLATIKOV, JARED LOIBEN, JAKE ZWEIG and REID KANTER

Menominee secured a close game win, 25-17. “The sand really is a game changer. It forces you to re-evaluate the way you play the game” said team captain ETHAN WEISS. In game two, the game was intense as ace servers MAX PTASZNIK and DANIEL DRISCOLL kept Menominee close to the aggressive-playing Interlaken. “I cannot remember a more intense game in my life!” BRETT WEISS was overhead saying. As the game closed in at 21-21,

bump masters JAKE CZUPEK and BENJIE SOREN helped establish Menominee dominance and kept the men in green close the entire time. With the game at 24-25 in favor of Interlaken, ISAAC WEISS was heard yelling “Let’s go boys! Side out here and let’s get to serving!” After some intense side-outs in which by-stander, CHASE WEIMAN proclaimed a “Game of the ages, with rallies that the volleyball gods would approves of,” Interlaken closed out an impressive game two, 32-30. ZACH HOTT exclaimed “It was a hard fought battle and it was an honor being part of a legendary match.” Game three started out in Menominee’s favor 2-1. Interlaken then pulled out a solid rally, taking up a 7-2 lead, and it wasn’t until DANIEL BEN-ISVY uttered an earth shattering cry of “You can do it green, let’s get this back!” that Menominee pulled the game back into a 7-7 tie. After some more intense rallies, Menominee kept it close, but never were really able to establish a lead. “They’re really tough, keeping us on our toes the entire game so far” MAX PTASZNIK panted after a solid serving streak abruptly ended. Menominee made one final push, but the tough defense of Interlaken got the best of the men in green, as CM fell in game three, 25-23. “I am proud of the way they played. They showed what the Menominee way is all about.” MAX WEINGARDT said after the defeat. Even though they didn’t come out on top they played great, good job green!

## **16 and under Camp Menominee Vs Camp Interlaken Soccer game by Nick Wadham**

The morning of the 9th June saw campers come and try out for the senior soccer team. With the sun out, the team was able to hustle in boys from around the camp. Many internationals made the journey out to the soccer field to help the dream team coaching of ANDY SCHOFIELD and NICK WADHAM. Specials thanks go to DREW HOLLINS, DAVE HARRISON, BEN MAJOR and JOSH INGRAM for their eagle eyes and help with crowd control, while KEVIN CRONIN was offering personal training to the senior boys.

With only 35 minutes of training time allocated, the campers quickly hustled into a game. After the campers loaded up on carbohydrates provided to us by the kitchen, the boys crammed into the vehicles and began the voyage to Camp Interlaken. When we arrived,

the boys congregated outside and awaited direction. The Soccer team followed the tennis squad out to the tennis courts, located adjacent to the soccer fields. With an all girls line-up for Interlaken tennis, the boys were captivated by their tennis skills. As the tennis tournament was coming to a close, the boys made their way out onto the field to begin warming up. The starting whistle blew and Interlaken began the game. Lucky

Canteen Number 108. The first half began in good spirits with both teams playing hard and making attempts on the opposition goal. It was clear from the start that it would take an extraordinary shot to make it past the hands of the Interlaken keeper. Some quality attempts were made in the first half by speedster

MAX SHAPIRO as well as MAX ENGEL and LEVI SCHULMAN. After some communication errors, Interlaken went 1-0 up at half time. The second half began and it was a better start for the CM team.

ETHAN WAGMAN made an impact in midfield, NOAH LAZARUS was strong on left wing and RYAN BLUM, JOSH BELGRAD, BRANDON BELGRAD and KYLE GOLDMAN were making impacts from the bench. SAM MILLER, NOAH BEN-ISVY and ADAM SAGERMAN played the game with tremendous sportsmanship and are a credit to the camp and its values. At 2-0 down in the second half, it was going to take a free-kick shot on goal to get past their keeper. This came from the golden boots of none other than JACK RATTERMAN with an amazing passing shot to make it 2-1. Unfortunately the Interlaken team was stronger on the day and won the battle 3-1. Thanks must go to the whole team for fighting through and playing the game in a good fashion.

### Counselor Softball Vs Timberlane by David Mizock

After some struggling with a lock, the lights came on and the teams took the field. After Timberlane scored two runs to start the game, Menominee responded with three runs, with hits from DAVID MIZOCK, ANDREW BLECHMAN and KEVIN CRONIN. Great fielding by JACOB CHORCHES and NICK WADHAM kept the score 3-2 in favor of Menominee after the top of the second inning. Through the bottom of the inning, hitting by JUSTIN SCHOENEMAN and JAKE FISHBEIN brought the score to a 5-2 Menominee lead. In the top of the third, the CM bats came alive. ROBBIE APPELBAUM, JOSH INGRAM and TAYLOR BEAUSEIGNEUR led the attack in what would result in a seven run inning, putting Menominee up 12-4 after three solid innings of play. Due to the lack of run support Timberlane was receiving, newly acquired sluggers, SAM MAETZOLD, ANDY SCHOFIELD and TERRY JONES slapped some runs in for the opposing team, bringing the game to a respectable 12-6 after four innings. With solid hitting and great pitching by the 12 inch pitching king ANDREW BLECHMAN, Menominee were able to maintain a solid lead and lock down on defense. With a final score of 19-8 the men in green took home the win and all had a great time doing so.
