Social with Camp Agawak by Benji Friedman

On Wednesday the 16th July, we had a surprise social with Camp Agawak. It seemed like it was going to be a normal evening after dinner, Twilight League, Dip and Shower, Canteen, Wass Hall and Taps, but instead STEVE surprised us all by telling us we will be having a social with the girls from Agawak. The loudest cheer from the boys was heard which indicated they couldn't wait to welcome the girls to camp! We all had an hour to get showered and make ourselves look presentable. WOODY then confirmed the Agawak buses had arrived and we all ran down to the

waterfront where JONAH WEISS and DAVID RIBOT were DJing, ready to get the party started! MAX BEERMANN and I were in full socializing mode, we kept photo-bombing loads of the older girl's pictures. We then met so many new people by just going around and high-fiving them. The first highlight of the night was the cookies. BEN MAJOR and DREW HOLLINS carried huge trays from the Mess Hall with freshly baked cookies, it looked like they were getting attacked from some angles, but they didn't mind! Another highlight was the dance-circle that formed when Miley's "Party in the USA" was played and of course, CM favorite "Turn up for what" by DJ Snake & Lil Jon. ETHAN HOTT, NATE BEERMANN, DANIEL MALIS, COOPER SPECTOR, LEVI PASIKOV, BEN MAJOR, DAVE HARRISON, BRENDAN BELGRAD and TAYLOR BEAUSEIGNEUR owned the dance floor doing the dance routine for, another camp song, Wiggle!" TY BORSTIEN and DOMINIC HAMILTON showed the girls that they have no chance. We were trying to find HARJ AULAKH to join in after he won for us at the social we had with Camp Marimeta, but we couldn't find him! A truth or dare game was also played as well. MAX BEERMANN dared his brother Nate to go to some girls and act like a moose with JAKE ZWEIG's legendary Moose Hat. It was so funny because he actually did it and looked so serious while doing it. We all had such a great time and we can't wait for another one. Maybe we'll have a Mega-Social soon? Who knows!

Maintenance and Well-Being of Camp by Tom Fedderly

As a 10 year veteran at Camp Menominee, I'd like to reflect on the changes to camp that have been done to assure that all campers and staff stay safe and can enjoy their camping experience. If you have attended camp for any time you would see that the buildings have been updated with new floors, roofs and windows. The waterfront has also been updated and cleared too. Lucky Canteen Number 44. On a daily basis I enjoy the interaction with the campers. As I am making my rounds to check the cabins it is nice to see the excitement in their faces as they prepare to take the fields. I have a shed where all of my tools and equipment are, but I am never in there really as I have so much to do at Camp. I can be found cleaning the Tennis courts floor, or I could be fixing the electric wires in the cabins. If you do see

me though, do say hello! As a member of Camp Menominee, I look forward to my years of continued service to all.

Riflery by Max Shapiro

Riflery for me is one of the most fun things to do at camp. At Riflery you get five bullets and you have five targets. Before you start shooting you need to know some safety tips. You need to wear your headphones and glasses. The guns are loud and the noise can cause hearing damage. They can also emit debris and hot gas that could cause eye injury. For these reasons, shooting glasses and hearing protectors should be worn by shooters and spectators. Once you have done that you lay down on the matt.

Now you're ready to shoot! Your instructor will say "Lock, Load, Fire when you're ready!" and you're good to go. When I'm shooting, I usually hold my breath because it keeps the gun steady and helps towards getting a more accurate shot. I have been coming to Camp Menominee now for 8 years, and for all those years I have always done Riflery. The best I have ever gotten was a 48/50! It's a great feeling when you get a dead centre bull's eye. If you want to shoot Riflery and be good at it, come to the range. JACOB SIMON and TOM FALLON are the two counselors who normally run it. They are very helpful and know what they're talking about. I guarantee you will have loads of fun.

PICTURE DAY!

On the 16th July, we were all invited down to the waterfront after lunch to take the annual Camp Menominee 2014 picture. We were all asked to wear our green Menominee t shirts and were placed on chairs and benches. We all proudly smiled for the camera and we cannot wait to see the end results!

USELESS FACTS OF THE DAY!

- Elephants are the only mammals that can't jump.
- When snakes are born with two heads, they fight each other for food.
- The plastic things on the end of shoelaces are called aglets
