Cabin 10 and 12 go to The Dells

by Tom Fallon

Third week at Camp Menominee and it was Trip week. CHRISTOPHER ANDERSON, JOEY FINFER, DANIEL GOLDSCHMIDT, JACK KLOEPEL, JOEY MATGOUS, MAX PTASZNIK, JACK SACKS, BENJIE SOREN, BRANDON BELGRAD, JOSH BELGRAD, NOAH BEN-ISVY, JAKE GOODMAN, JOSH GOODMAN, EVAN HASSON, ZACH HOTT, TODD LAZARUS, SAM MILLER, JACK RATTERMAN, CHASE WEISMAN, ISAAC WEISS and BRETT WEISS the campers from cabins ten and twelve, were lucky enough to visit the Wisconsin Dells. Early Monday morning on the 30th June, we were on the road. As soon as we arrived and checked in, it was a mad dash to get ready for the Mt. Olympus resort. After

organizing our groups for the afternoon, we all headed to the waterslides. Sadly the weather took an unfortunate turn and as the black thunder- clouds rolled in, we decided it was the end of our day at the Mt. Olympus resort. Everyone was excited to find out that we were going to Pizza Pub for dinner. After enjoying some delicious pizza we moved to DQ for some Ice Cream. We then headed back to our hotel to sleep. The next morning was to be our first and only full day at the park. So after having a high sugar breakfast, the boys and I were excited to get down to Noah's Ark; the largest water park in America. Some people couldn't get enough of some rides like TODD LAZARUS who rode the "Scorpion's Tail" 16 times! Many people quickly found their favorite ride, like CHRISTOPHER ANDERSON who was very fond of the "Black Anaconda."

Some of the boys preferred being in the company of some of the Marimeta girls that we bumped into, such as BRETT WEISS.

After an action packed day, some guys decided to head back to watch the USA World Cup game. After resting up and recovering from America losing, we all headed out to Culvers for dinner. After an appetizing dinner, we headed out to watch the Tommy Bartlett Water Show. Lucky Canteen Number 88. JOEY MATGOUS said it was an amazing show to watch and he will never forget it. The show ended and it was time to head back to the hotel to pack and get a good night's sleep, ready to commute back to camp the following day. On the third and final day, we had an extra long lie-in and went to "Dunkin' Doughnuts." We reached camp safe and sound. Overall it was an amazing trip. We all have such great things to say about the trip and we will never forget it DANIEL GOLDSCHMIDT said "They don't call it the water park capital of the world for nothing!"

WEATHER REPORT

Tomorrow's weather! 70 F

A high chance of a thunderstorm but it should mainly be dry and sunny. Do not forget to use sun screen, drink loads of water and use bug spray as humidity level will be at 56%!
