## The Social by Editor

At around 7:30pm on the 31st July, the boys got ready to make their way over to Camp Chippewa for another social. Camp Chippewa were the first camp we had a social with this summer during first session and we got on so well with the girls. Even at Kawaga's mega-social, we all hung with the Chippewa girls because they're just so friendly. Senior cabin made their way there on the Pontoon Boat. All of us were blown away by how nice the camp was. As soon as we walked in, you could see funky shaped roofs on some of their cabins. JACOB KUMIN said, "They look like houses from Lord of the Rings!" There were so many paths that we assumed were leading to some fun places too. The music was presented to us by the girls of Chippewa and they knew exactly what we listen too because pretty much every song they were playing, was a song that we all love. ADAM SAGERMAN, ETHAN WEISS, ANDREW MEHRHOLZ, TKD, JARED LOIBEN and JAKE ZWEIG were all seen at the front of the dance floor through-out the whole evening dancing away, at times even competing against some of the girls. MAX SHAPIRO was showing off his "MJ" style moves too, whilst hanging out with his friends from school back home who go to Chippewa. They had provided us with a football and a soccer ball assuming, because we're a boys camp, we would probably want to play a game with each other or with the girls. BENJIE SOREN, JACK FORMAN, JAKE JONES, WILL FRIEDMAN, ILIAN FARBMAN and MATTHEW GLASSBERG were all seen playing a game of football and BRADY WEISS was seen playing soccer with some boys and girls. The talk of cookies had started from the moment we got into the vans to head over there. JACK KAPLAN and TY BORSTEIN were wondering if they would have chocolate chip cookies or not. They didn't just have cookies, they had...FRIED OREOS! These were a massive success with the boys so they all ran over the table where the girls were handing them out. TY BORSTEIN claimed he had 10, JACOB KUMIN said he had 3 and JOEY HOFFMAN said he had 4. Everybody was going on about them and HARJ AULAKH said he may have to speak to the kitchen staff about maybe making our own for dinner some day before we leave. As usual, many of the boys dressed to impress. SAM MILLER was wearing his counselors doo-rag. There was a small dance-off circle that got made as well. ROBBY BRINGAS and BECKETT DOYLE were seen shimmying away to some of our favorite songs this summer such as, "Fancy" by Iggy Azalea and "Problem" by Arianna Grande. DOMINIC HAMILTON was as usual dominating the dance floor too with his robotic style moves. Like all the other socials we've had with the girls camps, the boys were excited to catch up with their sisters. LOUIE and CHARLIE KANTER were seen hanging out with their sister and JAKE CZUPEK and ADAM HIRSCH were also seen hanging out with their sisters. There was also a dance competition on, where prizes could be won. TY BORSTEIN won a water bottle for his contribution. Counselors HARJ AULAKH, BEN MAJOR, TOM FALLON, SAM MAETZOLD, DREW HOLLINS and NICK WADHAM asked TOM and PAM ADLER if they could give them a personalized tour of Camp Chippewa because they both used to own the camp. They said it was so beautiful and the paths

led to some awesome spots. Lucky Canteen Number 110. It was a lovely evening and we all can't wait to see the girls again next year!

### What makes Camp more fun!

JACK KAPLAN from cabin 5 has had a great week. Not only did he win a trip to DQ for his participation in cabin clean-up every morning with his cabin, but he also won five free Canteens for reading five books, and with that came a pizza party for his cabin! Jack said, "It feels awesome!" when asked how he feels about all the things he's won. It just goes to show that if you work hard for something, you will be rewarded. We take reading very seriously here at camp and we think it's good to read before bedtime. Read for Fun is a program we have here where, if you read a full book, you fill out a Read for Fun sheet and you hand it into DAVID MUNZER who will then mark it and in return you will get a free canteen. If you read two books, you will get two free canteens and so on, up to the point where you get five because you'll then get five free canteens AND a pizza party for your cabin. Most of you know what the prices are for cabin clean-up. 50 points, gets you a trip to DQ! Jack Kaplan's hard work and contribution shows that it can be done, it's not difficult. There are still 5 days left at camp, why not read as many books as you can and get yourself some free canteens. Maybe you can take them on the bus ride back home? Good luck!

### 16C Volleyball by Jacob Barstack

The Menominee men stormed the beach for some 16C Volleyball Vs Kawaga early Thursday afternoon on the 24th July. Kawaga jumped to an early start with a 5-0 lead but the Menominee men quickly realized their composure thanks to some great leadership from CIT's ADAM SAGERMAN and TKD. The men in green made a nice comeback thanks to some great front row play from HUNTER ROBERTS and some nice digs from ETHAN WAGMAN, but Menominee at ultimately lost in the first game 21-14. CHARLIE PRICE got Menominee off to a great start in the second game with some great serves and spikes. After surviving another huge run from Kawaga the Menominee men fought back thanks to some great bumps and sets from JUSTIN OLSON. Although Menominee ended up losing the game 21-19, they still fought hard and everybody had lots of fun.
