The Final Awards Ceremony by Editor

Last night's awards ceremony was one that will always be remembered for six young men being awarded what they deserve and have worked hard for. There was an award for each of the Menominee traits, Spirit,

Leadership, Sportsmanship, Attitude, Determination and Heart. These six highly-valued CM characteristics help our campers become the best they can be, both at camp and throughout their lives. The individuals who won them went home with stunning trophies that they can keep and cherish forever.

THE NATE WASSERMAN AWARD WINNER IS....ETHAN WEISS!!!

Just as Ethan took his seat after coming up to the front of the stage to collect his trophy for Leadership, he was asked to come back up again because it was announced that he had won this year's Nate Wasserman Award. This is the most prestigious Menominee award. It exemplifies all of the 6 CM principles in one. Ethan Weiss is a good athlete, a good leader, and he will be a great counselor! Huge congratulations from the whole Menominee family!

DETERMINATION

The award for Determination was awarded to CIT, JARED LOIBEN. Jared has been coming to camp for 7 years and is always a determined competitor. Congratulations Jared!

HEART

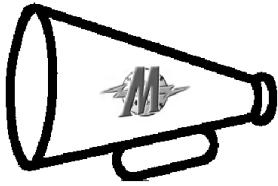

The award for Heart was awarded to CIT, REID KANTER. Reid has been coming to the Friendly Confines for eight summers now and he exemplifies the principle of heart in a very strong way. A well deserved award without a doubt!

SPIRIT

The award for Spirit was handed to CIT, Tyler Koehler-Davies aka "TKD!" This was TKD's fifth year at camp and his spirit and drive to succeed couldn't go unnoticed, especially this year. Congratulations TKD!

SPORTSMANSHIP

JAKE ZWEIG, also a CIT, was given the award for Sportsmanship. Jake has been attending camp for eight consecutive summers and he's an athlete who knows how to play a game like how a true sportsman should. Well done Jake!

ATTITUDE

This year was ADAM SAGERMAN's 7th year at camp and it was also his CIT year. Adam has the attitude that all "counselors in training" should have. He was awarded the award for Attitude last night. Well done Adam!

LEADERSHIP

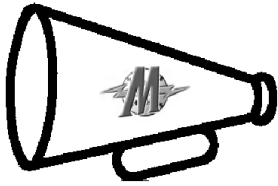

Ethan Weiss was handed the Leadership award this year. It was his 5th consecutive year, and as a CIT his leadership skills were always evident whilst he was doing sports or in the cabin with his counselors and campers. Congratulations Ethan.

CASINO NIGHT!

It had been a long day and everyone was getting ready to go to sleep. The day had consisted of the Twilight League Championships, packing, awards ceremonies, lots of good food had been eaten and swimming and it was that time where, we all needed sleep because we were exhausted but then, knowing that the following morning, would be the end of camp for another year was sad. Taps had been played and we then here, "ATTENTION ATTENTION CAMPERS AND COUNSELORS, ATTENTION ATTENTION!" STEVE announces there's CASINO NIGHT in the Mess Hall. Everybody raced to the Mess Hall to spend some last minute quality time with each other whilst playing their favorite Casino games and eating some Pizza! DAVID MIZOCK acted like the DJ and MAX FREED made the Pizzas. It was a bitter sweet evening, but we know we'll see each other again next year!
