Town Day by HARJ ORLUKH

It was the first town day of the summer for the Menominee boys. The campers were fired up, the buses got loaded and they were all ready to spend the day in the beautiful town of Minocqua. JOSH STONE and JOEY FINFER were dressed to impress for the bustling city streets. As the bus left, the perfect song at the perfect moment came on, "Cheerleader" by Omi, which is slowly becoming the song of the summer this year. Upon arriving, the groups split. Some, like LIAM WELSH O'HARE'S group, headed straight to the Sushi store. REID KANTER directed his group to Packerland Plus. Others headed to Island City Ice Cream, Book World or the granddaddy of them all Dan's Minocqua Fudge Shop where ISAAC MILLER and ISAAC WEISS purchased some goodies. Those stores, along with Toy Land and activities like miniature golf, remained very busy with the Menominee visitors throughout the afternoon. Like every year, everyone headed to Alexander's Pizza for dinner where JULIAN GANCMAN was seen playing a game of pool and JACK FORMAN was on the arcade machines. To finish the day off, we went over to the lake to watch the Min-Aqua Bats Water Ski Show. The campers definitely left their mark there by praising their favorite female skiers! BRETT WEISS and MAX PTASZNIK were heard saying the show was "great!" We all hopped back on to the bus to head home at 8pm. At this point everybody was tired after a long, energetic day. COOPER SPECTOR had bought himself basketball cards, JOEY HOFFMAN got himself a wallet and JACK FORMAN was seen playing with his new yo-yo. Some campers had their siblings in mind, like JAKE REINHARDT who bought his sister some earrings from Packerland Plus and JAKE HOODACK who purchased his sister a beautiful jewelry box.

JACK SACKS on Town Day:

"Town day first session 2015 was a success! My group enjoyed a great lunch at the Minocqua brewery followed by mini-golf, some shopping and unbelievable ice-cream from Island City. After we met up with the whole group and had some last minute pizza from Alexander's, we headed to the lake to witness the Minocqua-Bats Ski Show. Everyone enjoyed it as always! After we watched the show we headed back to camp where it was nice to be reunited with everyone again."

TYLER KOEHLER-DAVIS on Town Day:

"One clear goal for the Camp Menominee family of 2015 was to make it back to Island City Café for some great ice-cream! After a long day out on the town of Minocqua, the Menominee men, as always, left the place cleaner than we found it before heading back to the Friendly Confines."

First Menominee memory: In my first Sun & Wind competition in 2007, Ivan Rodriguez was our wind captain and we wore Togas for the silent meal!

Capture the Flag by COREY NEWHAM

Captain COREY NEWHAM assembled his Sun troops ready for a game of Capture the Flag. When lining up, the Wind team looked very promising with various Senior's known for their speed and agility. The Sun team outlined their planned tactics, with team-work being high on the list. The Wind looked like they were going to take an early lead when they captured the flag swiftly. They then tossed the flag over to captain SAM MAETZOLD who, unfortunately, dropped the flag before getting to the line. The Sun went straight back on the offence with their Junior's being a key part of the closing stages. The Sun team went on to take an unforgettable victory and make the overall Sun & Wind scores more interesting!

Pursuit Relay and Frisbee Relay by ANDREW BLECHMAN

The morning of July 13th started off with an old Sun & Wind classic; The Pursuit Relay. With the Sun team down 4-2 overall, they really needed to take command of the game. JUSTIN SCHOENEMAN set the tone for the Sun team with a great lap and hand-off combination in the initial stages. Next, speedster JULIAN GANCMAN built a lead for his team, putting them slightly ahead of their opposition. Throughout the mid-section of the relay, it was neck and neck with great performances from ROSS FISHER, CHARLIE KANTER and TOM SCOTT from with Wind team and MICHAELRAY DESOMBRE, NOAH LAZARUS and KASE RATZLAFF for the Sun team. In the end the Wind team proved too tough to defeat, with NATE FRIEFELD as the caboose, sprinting his team to victory. The Sun team were now desperate for a win and avoid an even bigger deficit. In the Frisbee relay, captain COREY NEWHAM devised the genius 'conga line' strategy. Hoping this would change the luck for his team. Once again, the game was too close to call early on with both sides pushing for the win. Big throws by TYLER K-DAVIS and ETHAN WAGMAN propelled the Sun team to a narrow victory in the end. The competition remains close with only a few events remaining. Its anybody's to take!

BRETT WEISS sprinting for glory

Midday Manhunt by JOSH SWALES

Yesterday saw the return of a camp favorite, Midday Manhunt! In the initial stages, Team Sun opted for a defensive style. They decided to hunt for the hidiers from team Wind to stop them getting into the safety ring. ETHAN WAGMAN and CALEB SACKS gave Sun a strong lead, along with a few others trying to make sure COREY'S men would come out on top. Team Wind came back strongly, while team Sun continued to fight back well, but only one team could be victorious. Eventually, team Wind were glorious after their hard work! Both sets of boys played a great game and showed great sportsmanship throughout, so well done to all of you! The best part about Sun & Wind is that even though it is competitive, we always remember to be friendly. Events like this help us to form new bonds and strengthen our skills working as a team, which is always a positive thing. Shout out to JACOB CHORCHES and ANDREW BLECHMAN for their hard work in organizing all the events.
