Movie Skit Night by Sam Goodman, Jack Forman and Benji Friedman

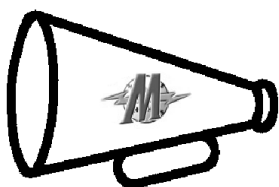

On the evening of the 18th July, we were all called into Wass Hall after Flag for second session's Movie Skit Night. It was announced at lunch that this would be happening and it received a great response by us all. We all spent every spare moment we could with our cabins to practice and perfect our roles in our skits. Cabin 3 did "Space Jam"; Cabin 4 did "Jurassic Park" which was funny because JEREMY ZELKIN and

GRIFFIN BRAMWIT played a father and son role very seriously. Cabin 5 did "Planet of the Apes" and ANDREW BLECHMAN had the whole hall laughing with his random vocal adlibs as the "ape translator" whilst interviewing the "Fishbein Ape" played by ROBBIE BRINGAS and a "Richard Ape" played by JAMES POPLAWSKI who couldn't speak English very well. Cabin 6 did "Happy Gilmore" with MAX BEERMAN as Happy Gilmore. Cabin 7 did "The Purge' of Camp Menominee" and they had pillow fights. Cabin 8 did "Frozen" (we were all waiting for at least one cabin to do Frozen) and all sang "Let it go" at the end and all received an "awww" by the audience. Cabin

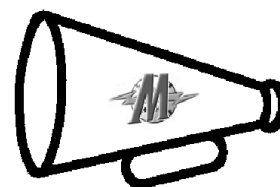

14 did "Finding Nemo" with a very, very funny "Fishbein Fish Attack" and they dressed appropriately, as well in the color orange to match the main character Nemo. Cabin 15 did "The Avengers" with WILL FRIEDMAN playing Jake Fishbein with some hilarious lines. Cabin 16 did a debate between Fishbein and a previous counselor called Alex Sykes, who was quite popular with all the campers. Fishbein surprisingly won the debate! Cabin 10 did "Miracle" where they passed a basketball around to each other and not a tennis ball. Cabin 12 did TERRY 'TJ' JONES's Bar Mitzvah with Avenger characters and some of TJ's lines were hilarious. Cabin 13 did a skit on the movie "Titanic." It was hilarious watching the boys act out the iconic "I'm flying" scene.

Finally, cabin 18 did their skit. It was so awesome. They did the movie "Pitch Perfect," MAX SHAPIRO was giving the late Michael Jackson a run for his money with his smooth criminal-like dance-moves. JUSTIN OLSON sung his heart out and all the boys did such a good, well coordinated dance routine whilst singing to Miley's song "Party in the USA" which is slowly becoming a camp favorite again, especially when we're all in the Mess Hall. It was clear that they put a lot of time and effort in to it. The winners were cabin 5 and of course cabin 18 for the older boys categories. It was great fun and it showed how well we can all work with each other.

Archery by Dave Harrison

Second session Archery is underway and is a popular activity amongst the campers. The targets and arrows are fresh and ready to be used. LEVI PASIKOV who shoots with his own bow, is a lean archer and has eyes like a hawk to hit the bulls eye. The bows that MORGAN BROOKS uses are called the Bandit bow and the Bear bow; he always seems enthusiastic and upbeat when he comes over for Final Four. JOSH HANSON and JEREMY ZELKEN are beginners to the activity and use the Panda bow to shoot their bows. GRANT

HOEGLER from cabin 7 said, "I find Archery fun and challenging." ROBBIE BRINGAS from cabin 5 said "The feeling I get when shooting my target is so good" and AIDEN CAMPBELL from cabin 4 said, "I find it fun and interesting. I know Archery has been around since the 1500s, it's a very traditional sport and it has a lot of history behind it. Lucky Canteen Number 100. I like many aspects of it!" Counselors JAKE FISHBIEN, JOSH INGRAM, DAVID MUNZER and DAVE HARRISON are preparing the campers for a competition and providing fun whilst doing it. They are all experts in the sport and know what they're doing.

Weather Report

Tomorrow it will be 81F. It will be the hottest day at camp so far! There could be showers but with that temperature, I'm sure we will be just fine!
