August 4th, 2016 – The Senior Cabin’s Night Off Issue

Senior Cabin’s night off by editor

The senior cabin was surprised to find out that they were able to have the evening off on Tuesday. They all rushed back to their cabin to get showered and wear their favourite outfits. PETE COLE, their cabin counselor, and HARJ ORLUKH were elected to be the two counselors who would drive them to whatever destination they wanted to go. CARLOS ANEZ, a counselor of theirs during first session, was on his night off and offered to tag along, which they all seemed very excited about the night ahead. Pete took the van and Harj drove the Land Cruiser, the “Shot guns” were chosen and off they went. First stop was Pitliks! After waiting in there for around ten minutes, it was decided that we would head straight into Rhinelander and go to the Chinese Buffet, of course. The music was on loud and it had been agreed that many of us would be watching a new horror movie out called, Lights Out. Also, while on the way to Rhinelander, some of the campers decided to go to Subway instead because they always end up going to the Chinese Buffet. We parked up and Pete took a few with him to Subway, and I took a few

me to the buffet. At the Chinese Buffet, you are not allowed to go up with your plate for seconds, the waiter will take your used plate, so you can then go up to the buffet and fill up your new plate with food for your second round. This is quite unusual we all found for a buffet. Anyway, BRETT WEISS and JONNY BLOOM started telling me, that the last time they were here with ANDREW BLECHMAN, Andrew dared ANDRES QUINTANAL to go up to the buffet as many times as he could with the same plate, and the more times he achieved this without getting caught, he would win a free canteen! Andres did it twice when Andrew was out with them once last night with me, although I didn’t dare him to do it, but it was really funny watching him look around to see if he was being watched. As soon we were done at the buffet, we all made our way to Wal-Mart to meet the rest of the campers and Pete. TODD LAZARUS and AIDAN BRAMIT bought some fun “Walkie-Talkies.” The third stop was, DQ! Pete drove everyone to DQ and we all got our favourites Blizzards and Milkshakes and then it was time, to make our way to the cinemas. We still had around twenty minutes of spare time, so in the cinemas there is an Arcade, so the boys all started playing games like “Pop-a-Shot,” that JOSH GOODMAN and MAX PTASZNIK did really well on and “Skee-Ball.” JONAH GAGERMAN won himself a dart board at the arcade with the tickets that he won too. Pete then informed everybody that it was 9:45pm and time for the movies to start so AIDAN BRAMIT, JONNY BLOOM, JOSH GOODMAN, TODD LAZARUS, SAM MILLER, MAX PTASZNIK and ISAAC WEISS went with Harj to watch “Light’s out” and Pete took NBI, JONAH GAGERMAN, JAKE GOODMAN, BRETT WEISS, BENJI SOREN, JOE MATGOUS, DANIEL GOLDSCHMIDT and ANDRES QUINTANAL to watch “Bad Moms.” It really was a fantastic night, the boys seemed extremely happy with the dinner they had, their purchases from Wal-mart, DQ and the movies. It was a pleasure hanging out with you guys!

Camper Interview

Name? Jack Behar

Cabin? 13

How many years have you been at CM? 4

What is your favourite moment at camp so far? Beating Kawaga

What is your favourite part of the day at camp? My favourite part of camp is Green and White. There are so many different games that we play in it, that are not really a sport, which I find so fun. I don't even play these games at home with my friends either so that adds to what makes this part of the day so great for me because I get to share these memories with my Menominee friends.

13A Volleyball against Kawaga by Taylor Beauseigneur

During the recent competition with Camp Kawaga, our CM 13A volleyball team bumped, set and spiked their way to victory. Despite not playing at our home camp, the team took to the court and was immediately focused and determined to win. TODD LAZARUS put the team on his back with some excellent setting, allowing teammate JACK BEHAR to hit the ball to Kawaga's side. KASE RATZLAFF fired some fast serves at Kawaga and won team Menominee

some valuable points. NIC PUJOLAS was crucial on defense, picking up every short ball that Kawaga put over the net. The green men could not pull out a win in the first game, but they came back fighting in the second. We went on a streak thanks to some great serves from GAVIN BRAMWITT. We functioned incredibly well as a team in the second game. The players' communication, encouragement and effort all helped us pull out a win. The third game was fought even harder. Lucky Canteen Number 21. Anyone could tell that the CM men wanted this win more than anything. We used the philosophy "let them make the mistakes," or L.T.M.T.M. for short, to help carry the momentum. And that they did--Kawaga had a tough time returning some well-placed hits. Menominee won the third game, subsequently winning the series. It was an honor to coach such a fine group of volleyball players.

Cement Names by editor

There are many traditions at camp that are still going strong and one of them is to sign our names in the cement for many more campers and counselors to see in the future. It was a hot, Monday morning and in front of cabin 10, TOM FEDERLEY and WILL KERR were waiting for every cabin to come on over to them and sign their names. Woody was announcing cabins one by one, just to avoid over 100 people being around that one area. RAYMOND DONG was very impressed with his neat writing and some campers and counselors were adding the number of years they've been at camp, next to their names like REID KANTER.
