## Junior Twi-Light League Softball

By TERRY 'TJ' JONES

In the Junior Twi-Light league, it was a Softball extravaganza! All the action took place on Diamond 4, where ILIAN FARBMAN's team faced off against NOAH PODOLSKY's team. The action was pretty intense, with team FARBMAN getting off to a very early lead. The score was 9-3 at the time, with the help of NOAH BEN-ISVY and JOSH GOODMAN. However, the game was not over, and ETHAN HOTT along with SAM GOODMAN would not let their team go down without a fight. PODOLSKY's team got within three runs of the opposition, but unluckily that's the furthest that they would get. Clutch hits by LEVI PASIKOV and COOPER SPECTOR widened their ever-increasing lead, and team FARBMAN ended up winning the game in the rain. There were great catches, dives, home runs and high fives in last night's action, and I can't wait to see what's in store for the rest of Twilight League!

I'm currently on the lookout for people that are interested in being a part of the WMEN show, so if you think you can talk on the radio or at least want to try, please visit me in the Megaphone office and we can organize a really great show! I have also been DJ'ing for nearly two and a half years now, so those of you that are interesting in picking up that skill and incorporating it into the WMEN show, feel free to participate. I will be handing out WMEN sign up sheets to cabins very soon, so look out for those if you want to get involved!

## Basketball Bonanza

Basketball leagues got off to a great start on Wednesday, with both seniors and intermediates raring and eager to play. Firstly everyone started off with round robins to determine seedings for the upcoming tournaments. ETHAN WEISS led team Ronald McDonald to three victories. Nice work ETHAN! Next up, it was the intermediates turn. This time, BRETT WEISS and ZACH HOTT led team Vanessa Hudgens to a sting of victories over both team Hilary Duff and team Ashley Tisdale. Despite the hilarity of their team names, they all played a serious and competitive game. Some good overall play by JACK RATTERMAN helped the team win those vital games. In other basketball news, NOAH PODOLSKY pulled off the upset of the century, defeating counselor BEN ELLINGSON on an NBA-style three pointer, and earning himself a free canteen! "I really thought I had that game in the bag, but NOAH is just too good" commented ELLINGSON after his loss. "It's going to take me a while to get over this, I may never play basketball ever again". Great job to all players, who gave it their all. I can't wait for tournaments to start!

## The NBA Finals!

By BEN ELLINGSON

It was an amazing Game 7 between these two league giants as Miami Heat and the San Antonio Spurs locked horns for the final time this season. Both teams were on top form, however, only one came out victorious. Miami's LeBron James finished the match with a massive 37 points, getting 12 rebounds in the process! He went on to win the finals Most Valuable Player for the second year in a row. Dwayne Wade's contribution was also not to be missed, scoring 23 points in total and getting 10 rebounds. Over on the Spurs team, Tim Duncan had really pulled out all the stops by gaining his team 24 points. The match never really lacked intensity and was a great ending to a final match! A lot of campers watched the game, with the seniors inviting the junior cabin over to see the final match up. It was a fantastic atmosphere all round!
