## Speedball gets off to a flying start

It was raining, it was pouring, but of course there was no one snoring! After a thorough explanation by the legendary KOZ, the Seniors gathered on the near pitch whilst the Juniors flocked to the far pitch. The game itself is similar to a combination of soccer and basketball, along with a slight hint of American football.

The Juniors had the obstacle of long grass standing in their way on the playing field, which was a challenge to overcome. "Our strategy got thrown off a bit", TYLER BORSTEIN was heard saying. With some quick and smart plays by NOAH BEN-ISVY and ISAAC WEISS, the team bearing the pink wristbands took an early lead of 8-0. However, by the start of the second half, the non-wristband team had fought back, and their large lead had diminished to 12-6. With a six point game at stake, neither team could afford to slip up. Some points and steals by ETHAN HOTT and BRETT WEISS allowed the non-wristband team to surge back into the game, bringing the score to 14-10, a close 4 point gap. The pink wristbands then retaliated, and pulled away without looking back. With the final score being 20-12, the pink wristbands sealed the deal as the time expired.

Non-wristband team member TODD 'The Mighty' LAZARUS said: "My goal tending was backed by the effort of my teammates", and it really did reflect in the final score of the game. Great fun was had by all, so expect to see Speedball coming up once again very soon

## Primetime craftsmanship

The best kind of day is a lazy Sunday, and Primetime is always really enjoyable. Sunday's primetime activity was Arts & Crafts, along with ANDY PRATTENT, CHINMAY JAVERI, ZACH SCHWARTZ, CHASE WEIMAN and JAKE GOODMAN. We all had a lot of fun. ANDY was on a mission to get dried paint out of a tin can, that looked like it had been there for years, whilst CHIN was sitting and drawing some artwork. Once again, JAKE GOODMAN had managed to glue his hands together and ZACH was using hot glue to craft something out of nails. Whilst all this was going on, CHASE was too occupied with pushing a plunger to the ceiling, hoping it would stick.

Towards the end of primetime, CHIN painted a beautiful picture of a cat named 'Mr Cat'. You can find it hung up in the Arts & Crafts department, but please do not remove him! It was the most fun I've ever had in Arts & Crafts, and CHASE was dying with laughter when the extra paint from CHIN's picture made it look like 'Mr Cat' was crying!

## Floor-Hockey Gets Underway

The clouds in the sky are really thick, and the weather is overcast. The temperature is not too bad, however the clouds are spitting out rain, making some of the activities harder to play than others.

When we headed over to the floor-hockey rink, NOAH BEN-ISVY was seen playing. He came over and said that there was a really big-floor hockey tournament that he was practicing for, and that he was training hard for it. (Lucky canteen no. 110)

We found out that the floor hockey team were all training for matches against other camps, and everyone that was practicing would be competing against a camp like Kawaga. We hope they keep practicing so we can beat other camps. Go Menominee!
