Timberlane Competition Edition.

Monday, 8th July 2013

## Soccer Spirit doesn't lapse at Menominee

The Timberlane competition got underway on Friday, and the guys who were playing soccer made their way out to the opposing camp. We sat down with our opposition and agreed to a few rules and regulations that the game would require, and then we were ready to start.

NOAH KROSNICK, TAYLOR BEAUSINGER, ANDREW BLECHMAN, DYLAN FRIEDMAN, ADAM SAGERMAN, JAKE CZUPEK, ETHAN WAGMAN and JACK MORAN started a heated soccer game. With the home turf advantage and their use of substitutions, Timberlane used their position to control the game. An early goal by them was declared offside by the referee, but they were soon piling on the pressure. Despite some hard-fought defensive work, the score was very soon 2-0 to Timberlane. Not letting the score get to him, ANDREW rallied the team on with his fantastic save against the home team. The team's spirits were lifted further when some skillful and vital plays by NATE FRIEFIELD, TOMMY BLASBURG, JARED LEVINE, MAX COHEN and CHARLIE KANTER pushed the team's determination further. With the team now reunited, and spirits being higher than ever, Menominee fought back hard and the score was soon 2-1. Kudos goes out to CHARLIE and DYLAN, who constantly pushed at the Timberlane defense, causing them to make countless errors. For a while, the Green and Whites were looking to pull off an amazing comeback and it seemed like nothing could diminish their game. ANDREW once again made another shocking save, which had continued the high level of enthusiasm and perseverance throughout the match. However, unfortunately the train came to a halt, and Timberlane clawed a goal in to bring the score to 3-1. It was unexpected but the guys learned a lot from the match. Who would have thought ANDREW was a world class goalkeeper! I'm sure we can get them next time with our full squad line up. A great game all-round. Lucky Canteen no. 34

ZACH HOTT and coach WILL MULHERN prepare for Timberlane

## Menominee Aim High For The Basket

The 16 and under Menominee basketball squad took to the 'court' at Timberlane, pumped up and ready to make a statement. After the first couple of possessions, we knew that it was time to ball.

ETHAN WEISS put the team on his back and scored twelve straight points to give the green and whites a big starting lead. ROSS FISHER was also a very valuable player, with his vital and important minutes off the bench to keep Menominee in the game. JUSTIN SCHOENEMAN and REID KANTER were hogs in the pressured zone defense. JOSH KRAVITZ and NOAH LAZARUS were amazing at pounding the boards, and CHARLIE KANTER alongside MAX COHEN showed great hustle throughout the duration of the game. We were ahead of Timberlane for the whole game. However, in the final thirty seconds, a few balls didn't bounce our way. The result was that Timberlane won a heartbreaking buzzer-beater.

Although we lost, I could not be more proud of our team's efforts, and I'm very excited for our team to compete some more this summer with other camps in the area.

*JACK BEHAR fends away the Timberlane softball hitters*

## Hitting on Away Grounds

It was on a trip to Timberlane that the softball pitch lit up with action when the Menominee boys came to visit. The sun was out and the boys were ready to claim victory once again. Team Green and White persevered to the Timberlane diamonds with their high-spirited chants and an important pre-match team-talk.

The first inning was about to take place, and ROSS FISHER managed to pull a 'Bill Buckner', but redeemed himself with the hidden ball trick that caught the Timberlaners completely off guard. The batting order was passed through two and a half times, and the team managed to score a total of five runs. To our advantage, we were lucky that the pitcher representing the opposition couldn't quite manage a consistent throw, which meant that all but three batters were able to walk to first base without a swing.

When it came to being on the field, CHASE McBRIDE was the star pitcher, and pitched some well paced balls to the person on strike. HARRISON COPOLOFF's efforts were also not to be overlooked, who was both third base and short stop. During the second innings, NOAH LAZARUS tried his best when pitching, but the score was just short of a victory. The final score, 7-6 to Timberlane, but we'll definitely win next time!

## Timberlane Soccer Woes

It was a blistering hot day, and a match was about to be underway on the Menominee soccer pitch for the under 12's. The Timberlane team stepped off the bus eager and ready to play and a cracker of a match followed. As the first half got underway, the Menominee Indians advanced in spectacular fashion. JAMES POPLAWSKI and BECKETT NELSON displayed excellent ball control, and made some key plays in the match. Taking Timberlane by surprise, ALEX FORMAN scored two stunning goals, getting the Menominee family ahead 2-0 as the first half came to a close. However, even though the Green and Whites were ahead at this stage, the second half proved to be different. A certain purple-shirted Timberlaner came out at the second half with guns a-blazing, which took the home team by surprise. He scored a hat-trick, which brought the score from 2-0 ahead to 3-2 down. Menominee weren't going to be taken down that easily, and a give-and-go between the two FORMAN brothers, ALEX and JACK, led to another goal being scored. This left the match at all square. With two minutes to spare in time, the purple-shirted dynamo struck yet again, scoring a goal that left the score at 4-3 to Timberlane. Unfortunately, Menominee had little time to respond to the goal and full time was called, favoring Timberlane by a goal. We'll get 'em next time

Menominee!

## The Menominee Big Hitters

The Menominee boys stepped onto the diamond of Al Lewis with a burning passion in their eyes. They were truly pumped up and ready, even when the Timberlane boys were getting off their bus. Menominee was eager and ready to play.

Getting the ball rolling was ETHAN HOTT, who led the team by showing off great vision at the plate. He also did a great job clearing the bases, with a grand slam at his second strike. BRETT WEISS displayed his pitching abilities, showing great enthusiasm and confidence at the mound. The whole team gave a great effort in the field and when taking to the bat. Taking one for the team was MAX 'BEERS' BEERMANN, who tanked a heater straight to his back. Good job of continuing with the game MAX, awesome team play.

All in all, both teams had shown outstanding effort, especially the Menominee boys. The team showed great sportsmanship, and gained a well deserved victory. The final score was 10-4 to Menominee, and the guys didn't leave without displaying their Menominee cheers at the end of the game.
