## Skit Night: Menominee at the Movies

Skit night is a hilarious feature at Menominee, and for the second time this summer skit night was announced again! To the joy of all campers, skit night was to be held that very evening, and theme was Movie Imitation, that included Menominee in some form. Cabin 3 decided to take on the massive task of the Transformers series, and came up with the character ideas of MegaSteve and BumbleBar! The winners of the Juniors were Cabin 5, who came up with their imitation of Fight Club. It left the crowd bursting with laughter, and nearly all counselors were poked fun at. They went head-to-head against each other in Fight Club battles, and the funniest had to be when CADEN OLSON as CONOR MURPHY battled DANIEL MALIS as DAVID HULSTEDT. ROBBIE APPELBAUM and DAVID MIZOCK were also impersonated by LEVI 'LEVICE' PASIKOV and SAM KOGEN. The winners of the Senior age division was Cabin 11, who decided to do an amusing skit of The Hunger Games. JUSTIN OLSON played a hysterical version of JACOB 'BALLS' BARSTACK, and JONAH WEISS played the interview. Counselors and staff were mocked in good taste, and it's a huge contribution to why they won the senior age division. Even MIRO was featured in the skit, and was crowned winner of The Hunger Games. Cabin 18 performed a series of clips from different movies in a compilation type production, that was strung together in a spectacular fashion! The CITs had their shot at a skit, and decided to pick a great movie to base theirs on, 21 Jump Street. NATE FRIEFELD decided to take on the role of KOZ, and was granting people their wishes. TAYLOR BEAUSINGER was waiting for CHIN to get him some water for his medication, but had to wait for three hours and still didn't get his water! Cabin 8 won the intermediate division, with the help of counselors TOM MARINE and ROBBIE APPELBAUM. All in all, it was a very successful skit night, and each skit night so far has been progressively more funny!

## Hit it or Quit it

It was a beautiful morning for Michigan Softball for Final Four. Everybody hustled out to the Bob Bender Senior Diamond to show off their skills.

CHASE McBRIDE and DANIEL DRISCOLL pitched great in the scrimmage, putting their match experience and skill into practice. ETHAN SAKS was positioned at first base, and had made a couple of extraordinary stops during the practice match that took place. MAX ZLATNIKOV was another player pushing the boundaries at the BBSD, both in terms of skill and literally. His hitting abilities shone through, when he made a home run by smashing the ball to right field. Base running is always key in Softball, and a promising talent is SAM MILLER, who showed both agility and great leadership skills. They say that one of the best attributes a player can hold is sportsmanship, and the players out on BBSD weren't short of that at all. JONATHAN LAZARUS and ROSS FISHER both played the field really well, and hit like no other. Third base player AIDEN BRAMWIT also played his best, and had a great game. In the true Menominee way, at the end of the game everybody huddled in for cheers. MAX RUSS finished cheers with "On the color green, Menominee"

## Pursuing Par at Golf

On a wonderful Saturday morning, with the breeze blowing and the sun shining, a few campers took to the golf course to practice their putting. It was a great day to be playing golf!

JAKE FISHBEIN, ADAM SAGERMAN, GABE NEWMAN and JONNY LISS were out on the course playing golf, trying to improve their skills. It wasn't a free game, there were 4 free canteens on the table for them if they did well. TOM ADLER was the first person to hit the ball on the green. However, ADAM SAGERMAN was next in line. He was second closest to the hole after the second hit, and wasn't too far off either. JAKE FISHBEIN hit his third shot, but unluckily it landed right next to the hole instead of inside it. He did manage to hit it in on his fourth go though. Trailing just behind, JONNY LISS hit the golf ball onto the putting green on his third try. On his fourth go, he got the ball in the hole. TOM ADLER was also experiencing the same luck as JONNY, and also made it on his fourth go.

The campers were having a great time and were enjoying themselves. Although nobody won a free canteen, everybody was happy with their performance.

## Fun Down at the Waterfront

By BENJI FRIEDMAN

At the waterfront, I got on a paddleboard and decided to go boating. I was going out into the lake when suddenly it became very windy, and the water became choppy. I saw MAX BEERMANN close-by along with LEVI 'LEVICE' PASIKOV paddling on a raft board near the shore. Whilst trying to paddle towards me, MAX fell off of the raft, and LEVI and I were roaring with laughter. However, MAX wasn't too impressed, so he ended up shaking my paddleboard, to which I responded by a fake shove with my oar. He flinched and we both started laughing. It was a great laugh, and explains why the waterfront can be so popular!
