## Twilight League Reveal

by Nate Beermann

Good morning, Menominee! It's a great morning, but it's even better because it's **JON WOOL's** birthday today! The whole camp, including staff, were made to believe it really was his special day. In reality, real **JON** fans knew his birthday is on March 8<sup>th</sup>, which he famously shares with International Women's Day. Sorry to everyone who thought it was **JON's** birthday, but he really did appreciate all the birthday wishes. When camp was still under the false impression and ready to celebrate **JON's** birthday, **NATE BEERMANN** and **JACOB SCHNEIDER** had other plans. They claimed to not care about his birthday, then promptly shoved his face into his own birthday cake. Cabin 4 campers **BEAU DAVIDSON** and **SEBASTIAN ESPEJO** were shocked to see their counselor 'caked'. **JON** knew that there was only one way to settle this beef. It's Twilight League! Commissioners **JON, NATE,** and **JACOB** then announced the captains, such as **ELI BULMER** and **TONY NIKOLOV**, both of whom were ecstatic to (hopefully) lead their teams to victory during this session. Congrats' to all the captains. Let's play some softball!

**LOGAN ACKERMAN** and **HUXLEY EVANGELIST** surprised to see their counselor **JON WOOL** get 'caked'

## Afternoon Hockey Clinic

by Asher Berman

It was a great start to this summer's skill clinics out on the hockey rink. During the first camp General, those who braved the high temperatures and humidity were treated to a hockey clinic. The clinic was electrified with the additions of **BROOKS HANNES** and **OSTEN BIEN's** roller skates and high energy levels. The General was packed end-to-end with high-octane action where the players worked tirelessly on their passing skills. The clinic progressed with emphasis on the importance of accuracy and timing in passing skills. The players learned to perfect the fundamentals of hockey passing that will undoubtedly shine through during their competitive games. **ZACH FORMAN** demonstrated advanced techniques, inspiring his

teammates with his impressive placement and power. Overall, the clinic not only improved the players' technical skills but also gave a great start to the summer for the camp. Lucky Canteen is 127. The strong start set a tone for progress in hockey towards the competition with a camp to the west later in the summer.

## An Ultimate Twilight League Showdown by Jack Whiteman

**MASON AUSLANDER** readies a pitch on the mound while **FINN BULMER** stands further back, prepared to field the incoming ball

During the first round of Twilight League games, one match in the Senior age group stood out. The two teams battling it out on Al Lewis Field included Team **SIMON MANN** against Team **ANDREW MORRIS**. This game also stood as a clash of Australians as Team **MANN's** general manager **JOSH HARRIS** quickly declared a rivalry against the general manager of Team **MORRIS, JACK WHITEMAN**. It was off to a fantastic start for Team **MORRIS** as they flew in to a 9-0 lead in the first half-inning. Team **MANN**, however, persevered through the rough inning, refusing to back down. All-star players **LINCOLN DOWLING, ZACH FIELD,** and **SIMON MANN** put on a masterclass which

brought the score to 9-7 going into the bottom of the 5<sup>th</sup> inning. Some great key plays from **MILES MOORE** and **EVAN ROSENTHAL** scored an additional four runs for the Team **MORRIS**. With the game coming to a close in the 7<sup>th</sup> inning, the spirit and determination from Team **MANN** was electrifying the field and players, allowing them to squeeze out four runs. A quick 1-2-3 out half-inning then left Team **MORRIS** scoreless in the decider. With just one out left in the game, a heroic swing from **ZACH FIELD's** bat paired with **PAYTON ADISEK's** run to home plate secured the victory for Team **MANN**. Shoutout to all the players for showing us what Twilight League is all about!
