Chippewa Social

by Joey Hoffman

It was a long week at Camp Menominee. Lots of energy built up in the boys. As such, we thought it would be a great idea to send them off to Chippewa for a social. Based on the Mess Hall cheers the boys seemed to agree. Starting off with a **HOFFMAN** and **WEISS** family connection, **DORA** got great pictures with all our siblings and cousins at Chippewa. **ETHAN**, **SIMON** and **JULIA MANN** got to see each other for the first time in a few weeks and it was an amazing family reunion. The lovely ladies at Chippewa put on multiple stations including a 'ten cup knock over' station, 'dirt cups', A.K.A. pudding cups and a beverage table with sprite and lemonade. To top it off, they even had a table serving fresh mozzarella sticks. As usual, the Menominee boys had the time of their lives with six closures coming from the night. **TOM ADLER** got to visit his former camp and strolled around reminiscing on when he was in charge. That was a long time ago though, **TOM** owned Chippewa in an earlier stage of his 93 years of camping. He dressed in his old merch, and a few Chippewa girls

we're questioning who he was as a result. Overall, a fantastic event with Chippewa. Once again, we love our favorite girls' camp. Here's to many more with them.

Basketball by Derek Zivin

Last Wednesday, the Knights and the Phoenix played a nail-biting game of basketball out on the Dunleavy Courts. The first half of the match ended up as a defensive battle, but by halftime the Phoenix trailed by one point at a score of 10-9. While the Knights should have had an advantage here going into the second half, worries began to arise due to previous experiences the Knights have had on those Dunleavy Courts. That did not seem to affect the players much, as the Knights were able to take possession and score a three-point shot

early in the second half. The offense managed to steadily increase in the second half as more players ran out of energy and the defense got sloppy. With just two minutes left in the game, the score was tied 24-24. With less than a minute on the clock, the Knights made a fastbreak for the net, put one up, and scored. With that, the game ended 26-24 in favor of the Knights. We say it every year, but this year really is the year of the Knights. Huzzah!

Lip Sync Night 2024

by **Ryder Spector**

The speakers were out, and the music was blaring as we entered Wasserman Hall for Lip Sync Night 2024. Each cabin picked a song, made a dance, and lip-synced on stage. It started with the Junior cabins who each put on a show. It was a close race, but Cabin 5 came out on top with **JETT BRITTON** leading the way to victory in the middle of the 'Hora'. Next came the Intermediates, and as our largest age group at camp they had a lot of competition. **K'VYON STONER, JAXON HEISKELL** and **NOAH ROTHBART** put on a banger with 'Thuggish Ruggish Bone' by Bone Thugs-n-Harmony which managed to beat out every other Intermediate contender. We ended with the Seniors who each came up with a few very creative ideas, not all of which were executed just as well. Cabin 12

did 'Tequila' by The Champs and Cabin 13 did the Kahoot theme song as **MASON SEIFFER** acted as a student studying for his quiz. Although these ideas were creative, Cabin 15 couldn't be beaten. Following **MATHEW COBB's** performance of Soulja Boy's Crank That, it was already decided that no other cabin could best him. Every cabin came up with creative and funny ideas that made for a phenomenal Lip Sync Night. Thank you to everyone for showing out.
