First Session Rockband by Harris

Greenbaum and Remy Weiman

First session Rockband 2021 was a blast! After lowering flag for the night, all of the campers, counselors, and those CITs flooded into Wass Hall to meet **TOM ADLER, CHEF MIKE TAYLOR, HARRIS GREENBAUM,**

TOM ADLER performing "Menominee Shoes."

and **CARTER PARKS** playing "Keep on the Sunny Side" – a campfire classic. **TOM'S** original "Menominee Shoes" was next, where **TOM** hops along the stage in his Menominee green Converse shoes. The crowd cheered for **TOM**, and then **CHEF MIKE** as he took it away on the guitar. Following their act, **CARTER PARKS** performed "Before You Go" on the piano and sang along with it. It was a great performance, and the crowd erupted again for **CARTER**. **LIAM WEISSMAN** and **REMY WEIMAN** were up next with a piano duet of "Heart and Soul." **MIKE TAYLOR** then went on stage to perform an original piece of his, followed by the kitchen staff who joined him in his performance. The crowd loved it and sang along with them. **HARRIS**

cracked a few jokes in between each performance and even squeezed in a brief music lesson about where the notes on a piano are located. **JACK FORMAN**, a Rockband veteran, came up to perform "Vienna" by Billy Joel, which was instantly a hit with the crowd. In the final solo act of the night, **LEXX MALKIN** performed his classic "Fly Me to the Moon" by Frank Sinatra. In an unexpected turn of events, the Senior Cabin had prepared a performance of Kanye West's "Runaway". **JACKSON HEISE** was unbelievable on the piano, navigating the keys like a master pianist. **BRADY WEISS** and **RYAN MARTIN** performed the vocals, even rapping a few verses themselves. We can't forget **JACOB SCHNEIDER** and **ETHAN MANN**, who performed some inspiring backup vocals. First session Rockband 2021 was a huge hit and shows just how many talented individuals are here at CM.

The Start of Senior Twilight

League Playoffs by Micah Blum

After dinner, Senior Twilight League Commissioner **BRETT WEISS** announced the start of the playoffs! Team Neider and team Kay both received byes to the semi-finals, while the third seed – Team Picus – and the fourth seed – Team Wool – faced off against each other in the quarter-finals on Diamond Two. On the Bob Bender Senior Diamond, the four seed – Team Heise – and the fifth seed – Team Kaplan – were matched up. Team Picus got off to a quick start, with Rookie of the Year frontrunner **MAX AGINS** hitting a home run on his first at-bat. However, that would be the only success Team Picus had that game, going down with only one run on the board to Team Wool. Team Wool, with the newly acquired **ASHER DIAMOND**, cruised to an easy victory winning 4 – 1 and going on to defeat Team Picus in their best three out of five series. On Diamond Two, Team Heise made quick work of Team Kaplan in the series, advancing to the semi-finals in the process. Team Kaplan lost one of their best players – **JACK CARTER** – due to a knee injury. They ended up losing 12 – 1 and continued to get worked in the series. The playoffs have been great so far!

16A vs. Counselor Soccer Game

by Jack Carter

During rest period, the best camper soccer players and best counselor soccer players played against each other out on Woody's Pitch. **RYDER SPECTOR** and **MICAH BLUM** coached the 16A team, while **ZACH 'ZEKE' QUEN** coached the counselors. The game started, and 16A got off to a hot start. **FINN DORAN** scored the first goal and all of the campers went crazy. Later on, **JACK FORMAN** scored a goal for the counselors, tying the game at 1 – 1. There was a corner kick for the 16A team, and **JASON NEIDER** went to the corner flag to take the kick. The ball soared through the air and **RYAN MARTIN** crossed over and went for a header...GOOOOAAAALLLLL!!! The game didn't last long after that and 16A took the victory! It was a great game all around and the counselors will definitely be looking to rematch second session with some new additions to their roster.

Swim the Lake by Jon Wool

It was 7:30 in the morning when fourteen brave campers gathered at the waterfront to swim the lake. Their objective was to swim all the way from one side of Sand Lake to the other. **JASON, JEREMY,** and **BENJI GAU** watched as they all took part in the challenge. To everyone's surprise, the water wasn't that cold! **JON WOOL** and **MILES PROVUS** jumped in first and second respectively. Soon after, everyone jumped in the lake as they began to swim back to The Friendly Confines. **JON** finished first with a time of 27 minutes, with **REMY WEIMAN** following close behind with 33 minutes. Great job to everyone who participated!
