11&U Football Championship

MAX WEISS makes a run with the ball during the 11&U football games

Out on Al Lewis, we had an absolute stunner for the 11 and under football Midsummer Madness championship. A battle between Ohio State and Miami began. With Ohio State starting on offense, **REID PARKS** led the team down to the goal line with jukes and spin moves. But the Miami defense held strong and stopped Ohio state on 4th down. With all the momentum leaning towards Miami, **THEO JAREMCHUCK** took the 1st play on offense all the way to the house, taking Miami up one score. But that clearly didn't upset Ohio State

enough, as they marched down the field and **BENJI CAHAN** channeled his inner 'Julio Jones' toe tapping in the corner of the end zone for an Ohio State touchdown. With the game tied, the Ohio State defense prevailed once again and held Miami to a four and out. With the game still tied, Ohio State decided it was time to pull out their secret weapon, **DAYNE SCHNEIDER**. **REID PARKS** rolled out to the right, scanned the field, and released a missile that soared through the air right into **DAYNE's** breadbasket for another score. With Ohio State up a score, they kept the momentum with another huge stop on defense. But this time, Miami rushers **STANLEY SIDER** and **LOGAN SILVER** had enough of Ohio State marching down the field and decided to take matters into their own hands. The double trouble young emerging stars ripped through the blocks and got to the quarterback with ease. But once again the Ohio State rush tactics stayed strong. During this drive there was not anything the Miami defense could have done, as **REID PARKS** continued to make his 11&U MVP campaign stronger by running the full field for an Ohio State touchdown. Going into the half it was 20-8 Ohio state, but Miami had no intention of giving up. Right out of the half, Miami wide receiver **BEAU DAVIDSON** converted on a clutch 4th down to keep Miami's hopes alive leading to a touchdown. Another Miami stop left the ball in their hands, down 8 with only a minute to go. Miami and star-studded coach **RYAN MARTIN** knew that the

game was not over and he was determined to win. Miami marched down the field and found themselves on the last play of the game with 20 yards to the end zone. With the game on the line, **RYAN MARTIN** drew up a beautiful play that had no chance of failing, the ball zipped through the air and the spectators could not do anything but stare in awe. When Miami needed a hero, no-one else but **TOBIN CYNOWSKI** answered the call. TOUCHDOWN! Miami went crazy and was acting as though they won the game. But wait, Miami still needed a two-point conversion to tie the game. With Ohio State backs against the ropes, the ball was snapped and at the speed of light, **REID PARKS** surprise rushed the quarterback and got the sack. The game is over and Ohio State wins at the buzzer. Man, oh man, what a match! This game will go down in the Menominee history books!

16&U Ultimate Championship

by Brady Kay

The sun was radiating on a hot Saturday afternoon. But that did not stop Miami and Kansas 16 and unders from having a highly contested ultimate frisbee championship. The game started with a bang as **TYLER FIELD** threw the frisbee the length of the field to **RUSSEL ROSENTHAL** who was on the other end to get the first score of the game for Kansas. Miami did not back down however as **CHASE KAPLAN** found **JONAH THOMPSON** to level the scoring. Kansas would continue to strike back as **TYLER FIELD** missed **JORDAN STEIN** to get KU the lead back. After one more score by **TY** and **JORDAN STEIN**, the score was 3-2 Kansas at the half. Unfortunately for KU, their leader, **TYLER FIELD** had to relieve his bowels during halftime and that bled into the second half. This allowed **CHASE KAPLAN** and Co. to get two quick scores to give Miami a 4-3 lead. Then after reemerging from his cabin, **TY** was ready to lead his team to victory. That was exactly what he did as Kansas took control of the rest of the game, scoring five straight to win the

game and the ultimate championship by a score of 8-4. This included scores by **BENNY GOLDBERG**, **JACKSON FLAUM**, and **ELI MUTNIK**. Kansas also showed competence on defense thanks to the help of **NOAH KUNDER** and **LINCOLN DOWLING**'s defensive intensity. All around it was a hard-fought game between both teams. The shaking of hands after it was done showed the amount of respect they had for each other. KU players largely credited **BRADY KAY** for the victory with his positive attitude and energy providing them the support they needed to win the game. With the help of this championship, Kansas managed to take the back-to-back Midsummer Madness overall victory, proving the dominance of **DREW BENJAMIN** and those Rock Chalk Jayhawks.
