

The Menominee Megaphone

MEGAPHONE 2018 ANNUAL

Dear Menominee Family,

It is hard to believe that Menominee's 91st summer has come to an end. It only feels like yesterday when the campers raced off the Lamers buses and through the man-made tunnel of counselors. Camp has been full of energy from start to finish and it has been an absolute pleasure documenting this incredible summer, and being a part of so many fantastic moments and memories. King of the Camp, Twi-Light League, Sun and Wind, British and American, Big Ten, MCAA League Championships, Green and White, The Way ceremony and our win over Kawaga, completing a famous '3 PEAT', are just some of the highlights of the summer.

With so much going on around Camp on a daily basis, there was always something to document and write about. In this 2018 Megaphone Annual, I have tried my best to capture some of the most amazing moments from the summer, meaning you, the readers, can look back and relive the summer of 2018.

I would like to thank everyone who have helped create the Megaphone this summer. From writing articles to editing, interviewing to participating in Riddle of the Day, your input has helped create this Megaphone, your Megaphone.

The summer of 2018 may be over, but I hope you are able to look back and read through this Megaphone, and it makes you feel like you are back at Camp Menominee.

Many thanks,

Daniel Waite

THE ARRIVAL EDITION

TUESDAY JUNE 19, 2018

Ready. Set. Camp By Editor

Hello and welcome to everyone who is here at Camp Menominee for another summer of fun, sun, learning and development. This is our 91st year and we are ready to get started and make this summer the best one yet. The beautiful Northwoods of Wisconsin have, as usual, delivered such a beautiful setting for us so when you can, sit back and take it all in. We hope that every one of you are just as excited as we are and are ready to make memories that will last forever. **JASON** is back for his 16th summer in total and 4th as Camp owner. **JASON** will be joined by both **THOMAS CADLER** and **PAMELA ADLER**, who impressively have over 60 years of camp experience between them. **JEFF TOOMBS** is back as Assistant Director, **JOSH INGRAM** as Head Counselor and **JEREMY KOHLENBRENER** is once again with us as Waterfront Director.

Arrival By Editor

On Monday, the buses arrived a little ahead of schedule to a very excited and buoyant staff. The campers were met at the door of the bus with a tunnel that led towards Wasserman Hall. When in Wasserman Hall, all staff and campers were cheering and high-fiving as they were assigned into their cabins and had their photo taken. Just off the bus, 3rd year camper **RYAN WEIL** said he was "super excited for Camp" and 4th year camper **AARON PELTS** said he was "ecstatic". 1st year camper, **HUDSON DEUTSCH** said he "loved the celebration of everyone arriving at camp" whilst his step-brother **FIN DORAN** said he "could tell the summer ahead was going to be fun." After introductions were completed, the campers returned to their cabin where they could finish unpacking, before having health checks, writing mail and signing up for Big 10 activities.

Full of smiles for the start of Camp.

Jake very happy with his cake.

Dinner By Editor

After a long day of travelling, what better way to fill our stomachs and get to know each other a little better by having our first dinner of the summer together. Our amazing chefs **MIKE TAYLOR** and **MERCEDES CLARK** cooked some amazing burgers and hot dogs with fries. **ZACH FORMAN** could not wait to go for seconds as he shouted, "I love it." For deserts, a beautiful Vanilla cake was enjoyed by all campers and counselors. Some may have liked it a little more than others as there were "double dipper" chants for both **JONAH GAGERMAN** and **PEYTON PICUS**. Once all tables had been waited and ragged, we all gathered around to sing Happy Birthday to **JAKE FELDMAN** and present him with his birthday cake. During the Happy Birthday song, **PATRICK MCCORMICK** showed off his dance moves and produced the splits to wow everyone around. What a perfect way to end our first Camp dinner.

Capture the Flag By Editor

As is tradition at Camp Menominee, our evening activity on the first night of Camp was Capture the Flag. The cabins were divided into 'Team Erica' or 'Team Claire', named after our videographer and photographer. Team Erica were to wear green or dark coloured tops and Team Claire were to wear white tops. Both teams began with the same strategy;

Attitude Determination Heart Leadership Spirit Sportsmanship

have one counselor and two campers as their flag guards. Team Erica's flag guards were **ASHER DIAMOND** and **JACK BERGER**, while Team Claire's were **MATTHEW HARFIELD** and **MAX MASON**. Team Claire started the strongest, as they rushed together as a team and quickly got the flag back to their base. Team Claire led 2-0 and Team Erica knew they had to change their strategy. Team Erica huddled together and decided that they would halt the rush on the left side from Team Claire, whilst rushing themselves on the right side. This worked and after some brilliant running from **TYLER FIELD**, Team Erica tied the scores at 2-2. The game was tense going into the 5th and final game and both teams huddled together to discuss tactics. **RYAN MARTIN** produced some brilliant twists and turns to evade capture and charge towards the flag for Team Claire. This was unfortunately not enough as Team Erica completed their turnaround with the winning point being gained by counselor, **JOSH BROOKSBY**. Both teams demonstrated amazing sportsmanship by chanting congratulations towards each other and giving high fives and fist bumps. Team Erica win 3-2.

Capture the Flag showdown.

Camp Fire By Editor

Our late-night activity was an all camp Camp Fire held down at the waterfront. Thank you to **CJ ASHLEY** for helping create the fire, which the counselors and campers surrounded. **THOMAS CADLER** and **MIKE TAYLOR** kicked us off by playing, "Keep on the Sunny Side of Life", on their guitars. Everyone joined in with the song whilst **BEN KAPLAN**, **JAKE HOODACK** and **JACK WALTERS**, kept everyone laughing and smiling as they told a joke in between each chorus. **JACKSON WUSTNER**, **JOSH BROOKSBY** and **SHANE O'RIORDAN** were next to sing a song and wowed everyone with a fantastic rendition of Justin Bieber's 'Love Yourself'. During the song, many campers began joining in and even dancing along. Counselors **JOE VICKERS**, **JAKE JONES** and **JAKE CZUPEK** gave a speech about why they love camp and what camp means to them. This was a fantastic moment for many of our first-year campers and counselors to understand what it is that makes Camp so special. **JASON** finished the Camp Fire with a speech and summed up the Camp Fire perfectly by saying it was a "perfect evening in the Northwoods". Once **JASON** had finished, we ended the night with TAPS and headed back to our cabins. This marked the end of an amazing first day of Camp, with many more to come.

Time to settle around the Camp Fire.

Tom and Mike begin the Camp Fire with a song.

Meet the Editor By Editor

I would like to take this opportunity to introduce myself. My name is **DANIEL WAITE** and you will quickly realise from my accent that I am from across the pond, in England. I am 25 years old and this is the first time I have been to the USA. Experiencing the Camp lifestyle and the American way has always been something I wanted to do, so I am very excited to be here with you all at Camp Menominee. I currently work full time as an I.T. Business Analyst for Ford Credit Europe after finishing University 2 years ago with a Digital and Computer Forensics degree. You'll find me walking around camp, seeking out the latest stories and every so often, out on the Soccer field. I am confident that together we will produce an amazing Megaphone, full of lasting memories.

Stay Healthy this Summer

By Nurse Jen and Jacob Shefchik

We are so excited to be here at Camp Menominee for the first time! Whether you are here for the first time, or have been here for 10+ years, we want you to have a fun and safe summer. Here are some reminders to all of you to help you stay healthy and happy over the summer. Firstly, try to prevent the spread of colds and germs. You can do this by washing your hands for 20 seconds with soap and water and when coughing and sneezing, use a tissue or your elbow, not your hands. Secondly, you must keep hydrated to remain healthy. When you are running around in the heat, or even when it is not so hot, your body needs extra fluids. Please bring your water bottle with you to all activities and use it. Drink a lot of water! Thirdly, bug spray. Spray yourself or your clothes with your bug spray. Fourthly, apply sunscreen. Sunscreen should be applied several times a day. We do not want to see anyone miserable from a sunburn that could have easily been prevented. Lastly, we will be dispensing medications during meals and canteen. If you need anything during other times, please find one of us and we will fix you up and get you back out to your activities as soon as we can. Let's all have a SAFE and HEALTHY summer! Nurse Jen and Jake.

Big 10 Activities

By Jonah Gagerman and Benji Soren

Big 10 Junior Basketball was notably impressive due to the hard work of **CARTER KLEIN**, **JOSH NAMORDI** and the rest of the juniors out at the Mike Dunleavy Jr courts. The juniors went through warmups and then drills such as 3-man weave, 2 line layups and a 1 vs 1 drill. **ISAIAH COLLIER** was seen splashing 3's and showing off his impressive ball handling, whilst **COOPER BORNSTEIN** shut down his opponenets when he was on defense. Overall, it was a great practice and everyone played very well.

Ready to receive the Basketball.

Congratulations

By Editor

At Camp Menominee, we like to recognize our campers for some of the amazing things they do. Yesterday at lunch, **RYAN WILLIAMS** gave his congratulations to **RYAN MARTIN** for completing his first lap of the lake in water-skiing whilst **EVAN KOTTER** praised **ISAIAH GOLDSMITH** for catching his first fish. Lastly, congratulations to **MAX AGINS** for successfully sailing out to the middle of the lake, turning around and coming back to shore. When speaking to Max, he said before he went out he thought "this is going to go very wrong" but once he had returned he said "I am really happy it went well because I promised my dad I would try learn to sail at Camp." Well done to all our campers on their achievements.

On the first day of Big 10 activities, the intermediates played softball out at BBSD and Diamond 2. The campers practiced base running, fielding and a little bit of hitting. Whilst practicing fielding, **CONNOR HIRSCHTRITT** impressed with the bat and hit a home run while **HENRY MILLER** and **AARON PELTS** made several great plays in the field. All of the guys showed a lot of intensity and energy, foreshadowing a great year of intermediate softball at CM.

Explaining the art of base running.

Twi-Light League Begins By Ethan Weiss

'Twas a beautiful evening with clear skies at the friendly confines...a perfect night to begin Twi-Light League 2018! In typical **JEFF TOOMBS** form, a musical broke out in the mess hall accompanied by a strange flash mob of counselors dancing. To everyone's surprise, this was the beginning of TLL. After the teams were announced and scoresheets were grabbed from the office, "Centerfield" blared over the P.A. system and everybody hit the fields for game number one. In a Big Cat-esque performance, **ETHAN WEISS** sang the national anthem on the BBSD to begin the season. We saw great power hitting from **TODD LAZARUS** and spectacular plays in the field from **JAKE HOODACK** and **DYLAN SCHWARTZ**. Out on Diamond 4, we saw an incredible display of softball skill from **TYLER FIELD**, while **MARLIN STEWART** smoked a ball to deep left field for a homerun in his first career Twi-Light League at bat. Out on Al Lewis, **JACOB SCHNEIDER** and **BRADY WEISS** were battling it out on the mound. Overall, it was another spectacular start to what appears to be another great session of Twi-Light League.

Hats off for the National Anthem at BBSD.

Song and Cheer Night By Editor

The CM spirit was alive + well in Wasserman Hall this evening. Our Waterfront Director, **JEREMY** and the Senior Cabin had other plans however and led us into Wasserman Hall for the Song and Cheer Night. This was a perfect opportunity for our new counselors and campers to learn some of the Camp songs, "Menominee, Menominee", "Bright as a Sunburst" and "Alvevo." Despite not knowing many of the words, our new campers and counselors all showed their Camp Menominee spirit by singing along, stamping their feet and jumping up and down. Shout out to Senior Cabin:

TYLER LONGNECKER, CARTER CAMPBELL, MAXWELL MASON, ISAAC MILLER, ZACH AKIN and special mention to **KASE RATZLAFF** for leading "Down by the River", **JACK BEHAR** for "Fire Up", **SAM MYERTHALL** for "Boom Chika Boom" and **DANIEL MALIS** for wowing everybody with his CM spirit in "SCADOO."

Senior Cabin huddle before the start.

Everybody ready for Song and Cheer Night.

Canteen By Editor

Yesterday, after showers, all campers gathered on the benches around canteen. **JASON** and **JOSH** began a little role play of getting a drink from the vending machine. **JASON** then asked where he could get some juice before **JOSH GOODMAN** (Juice) popped out and shouted "It's the start of Canteen 2018" to a round of applause and cheering. The campers then lined up, by their canteen number for either a soda or candy. Lucky Canteen Number 54.

BRAYDEN SUBRIN waiting for his canteen.

Picture Day By David Fisher and Xander Schiller

Picture Day started with a morning of cabin clean-up, which Cabin 12 won. During clean-up, cabins were asked to come outside for their picture, showing their biggest smile. After finishing cabin pictures we were able to do general. **XANDER SCHILLER, DAVID FISHER, SAM GOODMAN** and **MAX BEERMAN** decided to get together and play with **JACK KAPLAN** because Jack's back was hurting. Once general had finished we went down to do our swim test and then called to the lodge for our individual pictures. Picture day was very exciting and we enjoyed being able to take pictures with our cabins.

Get to know the real King of the Camp

By Jack Forman and Xander Schiller

JONAH BROWN, aged nineteen, is enjoying his first year here at the friendly confines. Jonah was born and raised in St. Louis, Missouri and brings a new type of personality to Camp. The first-year counselor has fit in very well with his Cabin and has even dubbed himself "King Jonah." Jonah enjoys playing both basketball and football with his campers, but his favourite is football. While playing basketball with **JACK KAPLAN, MILES RACENSTEIN** and **RYDER SPECTOR**, Jonah loves listening to the well-known singer, Adele. 'King' Jonah has admitted that Adele is his guilty pleasure and especially loves singing along to her songs in the shower. At Camp, Jonah's favorite meal is a large bowl of Lucky Charms and a glass of grape juice.

Soccer Celebration Night (World Cup Edition) By Josh Ingram

Every year, one of camps favorite skit nights is Soccer Celebration Night. This one was going to be extra special however, because each cabin was given a World Cup team. The skit needed to celebrate cultural identity as well as a goal and would be judged on taste, humour, creativity, participation and originality. The Junior age division was dominated by Cabin 4's attempt at celebrating a Poland goal. **DRAKE ELMAN** painted his face with the Polish flag and did some great breakdancing moves. Well done to the rest of Cabin 4; **COOPER BORSTEIN, CHARLIE SANFORD, MARLON STEWART** and **BRAYDEN SUBRIN**. The intermediate age division was won by Cabin 8's attempt at celebrating an England goal by re-enacting the Royal Wedding. This featured a beautiful dress that Meghan Markle would have been proud of. Well done to Cabin 8; **SPENCER AUSLANDER, CHARLIE EISENBERG, AARON PELTS, RYAN WEIL, JACK BERGER, ASHER DIAMOND** and **THATCHER SCHILLER**. Finally, the Senior age division was won by Cabin 19. Although it was not a 'celebration', it did tell us some interesting facts about Columbia. Well done Cabin 19; **RYDER SPECTOR, SAM GOODMAN, MAX BEERMAN, DYLAN SCHWARTZ, JACK FORMAN, XANDER SCHILLER, BEN KAPLAN, JACK KAPLAN, JUSTIN CRASKO, EVAN PRISKER, JORDAN GENTNER, DAVID FISHER, MILES RACENSTEIN** and **ARI GOLDBERG**. An honourable mention to the CIT's in Cabin 13, with **LOGAN ROSENGARD** beautifully demonstrating Brazilian Salsa dancing.

Cabin 8 recreate the Royal Wedding and win the Intermediate age division.

Lucky Canteen Number By Editor

Throughout the Megaphone issues, there will be a lucky canteen number, which gives that person whose canteen it is another free canteen. Water-Skiing Successes By Editor

Yesterday at lunch, **JOE VICKERS** gave his congratulations to **ETHAN MANN** and **EMILIANO VAZQUEZ** for completing their first lap of the lake in water-skiing. Emiliano said it "felt awesome" to be recognised while Ethan said he was "very excited" and it was "good to do something I used to be scared of."

THE WHAT MADE YOUR DAY EDITION

FRIDAY JUNE 22, 2018

What Made Your Day? By CJ Ashley

Before taps, all counselors and campers gathered in Wasserman Hall to spend some time reflecting on another amazing day at the friendly confines. **JASON** kicked us off and discussed how what made his day was when **PATRICK MCCORMICK** made his birthday speech at lunch. Several different 'what made your day' followed as numerous counselors and campers took to the stage. **NATE BEERMANN's** day was made by successfully completing a tennis match with fellow camper, **ETHAN MANN**. **JOEY HOFFMAN's** highlight of the day came during the last two minutes of a competitive basketball game in the '12 and under' category in 'King of the Camp'. Finally, the most humorous moment came when counselor **JONAH BROWN** took to the stage. What made his day was taking multiple hard losses in basketball to his Cabin during general. **JONAH** demonstrated his amazing attitude and took this in his stride and was able to have another great day along with the rest of Green Nation.

Everybody laughing together in Wass Hall.

King of the Camp 12 and Under Newcomb By Jake Herman

The sun was peeking through the clouds on a picturesque Thursday at Camp Menominee. On the sand volleyball courts, the Thunderbirds took on the Dragons in Block 2 of King of the Camp. As the match began, the Dragons surged out into the lead thanks to their sturdy back line of **COLE ADAM** and **MAXWELL MASON**. However, as game one was threatening to get away from the Thunderbirds, they responded with a huge comeback to force a tie breaker. **JACK BERGER** and his spiking ability made the difference as the T'birds took the first set. In set two, **DRAKE ELMAN** and **CHARLIER EISENBERG** helped the Thunderbirds continue their momentum and take an early lead. However, **RYAN WEIL** and **KHAIRI BROWN** led the Dragons to fight back to once again leave us deadlocked in a tie. The game winning moment was produced by **CHARLIE SANFORD** as he made a great diving catch, taking a face full of sand in the process. This propelled the Thunderbirds to a 2-0 victory. Great game everyone, including coaches **ISAAC WEISS** and **ADAM BALTZ**.

Birthday Speech By Editor

Yesterday, our youngest camper **PATRICK MCCORMICK** turned 7. Testament to **PATRICK's** attitude as he did not want to make this all about himself. Instead, **PATRICK** confidently stepped into the middle of the Mess Hall to thank all his friends, counselors and staff for making his day special and tell everyone how happy he was to celebrate his birthday at such an amazing place.

Time for a birthday speech.

The New Jordan Spieth By Editor

JACOB BROWN has taken to golf like a duck to water. At lunch, **TOMAS CADLER** stepped up to the P.A to inform all campers and counselors of **JACOB's** achievements. It was the first time **JACOB** had ever hit a golf ball and he was hooked from that first swing. **JACOB** improved throughout his lesson and by the end, had successfully won a chipping contest against Tom. **JACOB** has already said that he will be back for more lessons with **TOM**

and will be asking his parents for golf lessons after Camp.

JACOB smiles as **TOM** lists **JACOB's** golfing achievements.

World Cup Scavenger Hunt By Editor

World Cup fever is high in Camp at the moment, so Program Manager **ETHAN WEISS** and Head Counselor **JOSH INGRAM** decided to create a World Cup edition of the CM favourite 'Scavenger Hunt'. **ETHAN** and **JOSH** hid 20 different country's flags around camp for each cabin to try find. To find each flag, teams were given a sheet of paper with clues to their location and each flag would be worth different points depending on their distance from Wass Hall. **RAY DONG** was able to unriddle several clues to help his cabin race towards the flags. **JACKSON MERCHANT** worked extremely well with his cabin to ensure they stayed together as a team and did not lose any points for splitting up. There were several different tactics on show throughout the scavenger hunt. Cabin 3's **ZACHARY FORMAN** began working through the riddles in order whereas Cabin 10 decided to go for the flags that were furthest away from Wass Hall. This tactic proved to be the decisive act as once all points were tallied, Cabin 10 won by a single point. Well done Cabin 10; **ANDREW MARKS, BEN KITE, JAKE FELDMAN, ERIC GOODMAN, JEREMY BACH, MICKY RACENSTEIN** and **BECKETT NELSON**. 1st – Cabin 10 with 21 points. 2nd – Cabin 15 with 20 points. 3rd – Cabin 6 and Cabin 18 with 13 points.

Teamwork is the key to success.

skills, **DASH WINDLE** and **AARON PELTS** demonstrated their agility and **XANDER SCHILLER, BRADY WEISS, BRADY KAY** and **BEN LAZARUS** had perfect control skills. Shout out to **CONNOR HIRSCHTRITT** for winning a free canteen for hitting a cone on the other side of the court. **CONNOR** hit it so hard it almost went over the fence into the courts behind. Thank you to all campers for having a positive attitude towards Tennis and a willingness to learn. LUCKY CANTEEN 143.

Success By Editor

Completing your first lap around the lake in water-skiing is a monumental achievement. It takes skill, determination, the right attitude and spirit to keep getting back up to try again. Yesterday **PAMELA ADER** congratulated **CHARLIE SANFORD** on completing his first lap to a round of applause by all counselors and campers. Well done **CHARLIE**.

THE BIG BROTHER LITTLE BROTHER EDITION

SATURDAY JUNE 23, 2018

Big Brother Little Brother Fortnite By Xander Schiller and Adam Phelps

The sun was shining on a beautiful evening at Camp Menominee as we got ready to play our first Big Brother / Little Brother event of the summer. Fortnite is a very popular online game which many of our campers love to play. Therefore, Program Manager **ETHAN WEISS** and counselor **JAKE HERMAN** created "Menominee Fortnite," a real-life adaptation of the popular game which they knew our campers would enjoy. Campers paired into groups of two or three (these were their 'brothers') and were to attempt to eliminate other teams by squirting them with squirt bottles. As the game began, the teams had the opportunity to have one minute of looting. **MAX BEERMANN** made a quick start and looted a number of squirt bottles. Meanwhile, **JORDAN GETNER** and **ZACH FORMAN** both gained squirt bottles and were ready to begin the Battle Royale. As the game began, **CADE COLBY** was stocking up on loot at 'The Way' before **XANDER SCHILLER** came up behind him and eliminated him. Throughout the game, counselors created a moving "storm" which, if caught inside, would put a camper at risk of elimination. As the game entered its closing stages, **JACK FORMAN** was eliminated despite producing some amazing swiftness and adept water gun shooting skills. **JACOB SCHNEIDER** and **AUGGIE FLICK** were the winners with **JACOB** acknowledging that their successful strategy was "camping and riding the storm." Commiserations to **PAYTON PICUS** who came in a close runner-up. Well done to all Menominee Fortnite teams for such an awesome game.

Horse Racing Night By Josh Namordi and Adam Phelps

After canteen, the Senior Cabin ended a perfect day in the Northwoods by hosting the CM favorite, Horse Racing night. The Senior Cabin were to be the "horses" while our youngest campers (Cabins 3 and 4) dressed in their craziest outfits and become the "jockeys." **DRAKE ELMAN**, **FIN DORAN**, **BRAYDEN SUBRIN**, **HUDSON DEUSTCH**, **COOPER BORSTEIN** and **CHARLIE SANFORD** impressed as jockeys and were all competing for the win within their race. **ZACH** wore his chicken hat and an XXL shirt he borrowed from one of the counselors, **BRAYDEN** wore an octopus hat, **COOPER** wore a dragon onesie and many of the other jockeys wore shorts and pants on their head. All other cabins were to send a representative from their cabin to 'bet' on the winning horse in each round. The winning cabin would be the cabin

Place your bets.

who finished with most money at the end of all rounds. Each cabin began with \$600 and thanks to a brilliant idea by **JONAH GAGERMAN**, Cabin 6 split their money across all horses to maximise profits. After the races had begun, rumours began to spread that the CIT's, led by **JAKE HOODACK** and **TODD LAZARUS** were bribing the Senior Cabin with food for inside information. This was to be in vain however, as when all monies were counted and verified, the winners were Cabin 6 with \$7.3million. Cabin 17 came in a close second with \$7.16million and Cabin 15 finished third with \$4.1million. Congratulations to the winners, Cabin 6; **OWEN MCCORMICK**, **FINN FELDMAN**, **MAX AGINS**, **JACKSON MERCHANT**, **ISAIAH COLLIER**, **JOSH NAMORDI** and **CARTER KLEIN**.

Keeping Camp Running By Editor

Keeping our Camp running on a daily basis is not an easy task. Our fantastic caretakers this year; **CRAIG DOBSON** and **JOSEPH STAPLETON** have been working hard to make camp look perfect for the summer ahead, including setting up a new beach volleyball court. **ANDREA VARGAS** is our friendly cabin housekeeper and we welcome **DAISY STEINER** back to the administration team.

Five Tips to a Clean Cabin By Editor and Owen McCormick

After finishing 1st in their division four days in a row in Cabin Clean-up, Cabin 6's **OWEN MCCORMICK** had some top tips to help all other cabins improve their scores:

1. Make your bed as soon as you get up, so you do not need to do it in cleanup time and can spend more time on more harder jobs.
2. When doing your cleaning jobs, focus and do not get distracted.
3. Divide jobs between all cabin members so all areas are being cleaned.
4. Volunteer to help others if you finish your job earlier than them.
5. Ask your counselors to provide encouragement and motivation because this helps you feel good about the job you are doing.

Eat Well. Grow Strong By Editor

Being at Camp is tiring so make sure you get your rest and eat well. Cooking our meals this summer will be **MIKE TAYLOR** and **MERCEDES CLARK**. While in the mess hall, you may bump into one of our lovely kitchen staff; **CHRIS KOPKE**, **JESUS GARCIA RAMON**, **NATHALI TORRES ISLAS** or **JOSE MEDINA VILLEGAS**, so please make sure you scrape your plates and clean your tables to help them with their job. Lastly, before all meals, please ensure you wash your hands and use the hand sanitiser that will be provided to you by the men on line.

THE ATTITUDE EDITION

MONDAY JUNE 25, 2018

Menominee Way Trait Week One: Attitude By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls The Menominee Way. This week, the CIT's decided to discuss 'Attitude.'

"Attitude: A positive attitude does not mean ignoring life's troubles. It just means being an optimist and looking for the good in things, rather than being a pessimist and concentrating on the bad in things. Sometimes your perspective can make all the difference in the world. The following 8 individuals embody this trait."

CIT's presenting The Way.

Congratulations to the following individuals who were honored for their exemplary attitude.

PATRICK MCCORMICK was recognized for his ability to find the positive in every scenario. **PATRICK** can always be found dancing around the Camp and doing the splits and his attitude is infectious. He demonstrates an amazing attitude and willingness to become involved in all sports he participates in, even if he is not on the winning team.

CARTER KLEIN is a second-year camper and already shows the Menominee attitude and knowledge that would be expected of someone with a lot more experience. He can always be found encouraging his friends during activities with amazing passion.

ASHER DIAMOND is a very athletically gifted camper. His attitude is demonstrated through the encouragement he gives to both older and younger campers. When in a team situation, he is always helping all campers to become involved, regardless of their ability and encourages them to try their best.

HENRY MILLER. This is **HENRY's** third year at the friendly confines and his attitude is demonstrated through everything he does every day. He can always be seen scoring goals out at soccer or swinging for the fences in softball and it is **HENRY's** infectious smile that is helping brighten everyone's day.

JACK KAPLAN. Due to his back injury, it would have been easy for **JACK** to have returned to Camp later in the summer once he was fully healed. However, his attitude has brought him back. **JACK** has not let this injury hold him back and despite not being able to play the sports he loves, he is always found encouraging his team from the side.

ZACH AKIN is a first-year camper here at CM. His attitude has been demonstrated through taking his leadership role in the Senior Cabin to the next level. **ZACH** loves to help younger campers and genuinely cares about them. He has a smile that you can see for miles and really enjoys the Camp atmosphere.

JAKE JONES. After a brief hiatus, this is **JAKE's** fourth year here at CM. **JAKE** can always be seen helping campers with softball, hockey or football. No matter whether it is a close game, a big win or a defeating loss, **JAKE** can be always be seen with a smile on his face and encouraging others to do the same.

ADAM BALTZ. As a first year counselor it can be very tough. Adam however, took his role as a Senior Cabin counselor within his stride and is continually encouraging his kids, whether that be down at the fishing docks or on the water front. His volleyball skills have taken CM to the next level and he thoroughly enjoys everything he does.

Menominee Key Log Ceremony By Editor

After the CIT's presented The Way, **PAMELA ADLER** led the Key Log Ceremony. The Menominee Key Log ceremony began nine years ago thanks to **PAM** and **THOMAS C ADLER**. Wisconsin is famous for logging throughout the 1800's and 1900's. During that period, loggers tied thousands of logs together and floated them down the Wisconsin river. Of these thousands of logs, there was one which bound them all together – called the 'Key Log.' This one log would need to be pulled to release the others down the river. At Camp, any counselor, camper or staff can throw a log into

Attitude Determination Heart Leadership Spirit Sportsmanship

the Camp Fire as a tribute to those who have done something, which they feel should be recognized. Throughout the ceremony, over 30 individuals stood in front of the Camp Fire and recognized counselors, campers, cabins, parents, staff and Menominee firsts in a very peaceful and pleasant way to end our first week at Camp.

Menominee on Ice By Jeff Toombs

Over 20 CM Campers hit the Ice in Rhinelander yesterday. **DRAKE ELMAN** and **ISAIAH COLLIER** were early to sign up for this awesome Lazy Day Sunday addition. The campers were hustled into an early lunch by CIT's **JAKE HOODACK**, **TODD LAZARUS**, **LOGAN ROSENGARD** and **JOEY FINFER**. Fed and ready for the bus ride, **JOEY HOFFMAN** and **COOPER SPECTOR** chose the music play-list for the on-ice escapades. A Cabin 14 favorite "Stacy's Mom" had **JONAH** and **FINN FELDMAN** "flossing" on skates. First time skaters, **JESSE KAPLAN** and **ISAIAH GOLDSMITH** were soon cruising the rink with the help of the veteran skaters **JACKSON MERCHANT** and **LUKE LESHIN**. The boys all had a blast and **DASH WINDLE** even went home with an official "Rhinelander Hodags" puck! Thanks again to **JASON** and Rhinelander Ice Association.

3-on-3 at General By Ryan Weil, Charlie Eisenberg and Ethan Weiss

'Twas a warm day at the friendly confines. The 12 and unders finished up a little King of the Camp basketball out at the Dunleavy Courts. Campers **RYAN WEIL**, **AARON PELTS**, **CHARLIE EISENBERG** and **ASHER DIAMOND** along with counselors **ETHAN WEISS** and **BENJIE SOREN** stayed at the courts for general. They split into teams of 3 and started the game. The first team was **ETHAN**, **CHARLIE** and **RYAN** whilst team 2 consisted of **BENJIE**, **ASHER** and **AARON**. The game started off with **ETHAN** and **RYAN** getting some quick buckets. However, team 2 was not done yet and they made a nice comeback to take an 11-9 lead. But, with some good passing, **CHARLIE**, **RYAN**, and **ETHAN** retook the lead. On the assist by **RYAN**, **CHARLIE** was able to hit a 3 pointer to make the score 20-15. **ASHER** was able to hit a nice step-back jumper off a great pass from **AARON**, but with good teamwork, Team 1 was able to take the W. The teams shook hands in traditional Menominee fashion after what was a great way to start off an afternoon general.

Chippewa Social By Editor

On a sunny Saturday, **JASON** stood up in the Mess Hall to give his usual lunch time announcements. Little did the Campers know, the last announcement **JASON** was going to make was to inform everyone about a pajama themed social night with Chippewa Ranch Camp. Once afternoon activities had been completed, the campers hastily made their way to the showers and began planning what they would wear. Many of our campers dressed in their pajamas, while some of our older campers and counselors sported jerseys. While at the social, **PATRICK MCCORMICK** and **MARLON STEWART** drew in large crowds as they began dancing, **JAKE HOODACK** and **JONAH GAGERMAN** were extremely excited to see their sisters, **ELI FELDMAN** allowed many girls to write their phone numbers up and down his arms and **JACKSON WUSTNER** and **SHANE O'RIORDAN** showed off their singing voices. It was a great social allowing many of our campers to see their sisters, cousins and friends and we thank **JASON** and the Chippewa staff for organizing.

THE WATERFRONT EDITION

TUESDAY JUNE 26, 2018

Morning Water-Skiing By Jake Feldman and Micky Racenstein

JAKE FELDMAN, FINN FELDMAN, GABE UNZEK, NOAH UNZEK, AIDEN SOLOMON, MICKY RACENSTEIN, CHARLIE RATTERMAN and JACK BERGER with driver **BLAIR FELDMAN** and water-ski instructor **COLLEEN FELDMAN** would all come out at 6:00am each morning to Sand Lake to water-ski. The group would come to the glass-like water to ski for fun, learn new tricks and techniques from **COLLEEN** and improve their skills. They each set goals for themselves, such as dropping a ski, making sharp or cuts across the wake and by the end of the week, each skier became better and more talented than they were at the start. Once the campers had completed their lesson, **COLLEEN** would show everyone the different tricks you can do whilst water-skiing. She would slalom, barefoot ski and lean against the boat to cross both wakes extremely fast. When **COLLEEN** finished, everyone would go into Koz's house for a hot shower, so they are ready to start their day. Although **COLLEEN** and **BLAIR** had to leave yesterday, every camper had the opportunity to become a better skier under their leadership and we thank them for that. It will be fun to continue becoming a better water-skier during generals.

Riding the waves early in the day.

New Song and Cheer Night By Editor

At lunch, **JASON** approached the P.A to address the entire camp regarding a CM favorite and annual skit night, New Song and Cheer night. This is a perfect opportunity for our counselors and campers to become creative and demonstrate their CM spirit. This was going to be an extra special skit, as each cabin knew that if it was loved by the other cabins then there was a good chance it would become a Camp Menominee favorite. Cabin 3's **FIN DORAN** began the night with a chant about his love of the camp as a junior. Cabin 6's counselor **JONAH GAGERMAN** led a chant with his campers

whose counselor **ADAM PHELPS** produced a rap/chant masterpiece. Everybody loved the chant and once the results were announced, they were cheered on for an encore. Congratulations to Cabin 4; **COOPER BORSTEIN, DRAKE ELMAN, CHARLIE SANFORD, MARLON STEWART and BRAYDEN SUBRIN**. Special mention to the CIT's who created their own spin of Iceland's "Skol" chant with the Gator Chomp, which will no doubt be a CM favourite throughout the summer ahead.

about being "green and white", Cabin 7, led by **SAM ROSEN, JACK WALTERS** and **JACOB MASKIN** created a chant for our competitive rivals. Cabin 15 produced a CM rendition of "Ireland, Ireland", created by their Irish counselor **SHANE O'RIORDAN** and Cabin 10, led by **ANDREW MARKS** and **BEN KITE** created a chant about how "loud and bright" our campers were. The winners of New Song and Cheer Night were Cabin 4,

Five Tips to Stay Safe at the Waterfront By Josh Namordi and Jeremy Kohlenbrener

In **JEREMY**'s two years as Waterfront Director at Camp Menominee, he has picked up several tips on how to stay safe and healthy at the waterfront.

JOSH interviewed **JEREMY** to learn the keys to keeping safe:

1. Swimming: always swim with a buddy and make sure you check in and out with your buddy on the buddy board.
2. Water-skiing and Tubing: have a good fitting life jacket with two or more straps and make sure you cannot pull the life jacket above your head. Lucky Canteen 58.
3. Fishing: always know where your fishing hook is.
4. Boats and Kayaks: always make sure you can see Camp.
5. Shower House: always bring a towel and wear flip flops.

Another busy day at the Waterfront.

Time to Fish By Editor

Whether it is out on the lake or on the dock, fishing is probably one of our most

relaxing sports at camp. However, it still requires skill, determination and a willingness to stick with something until you complete the task (reel in the fish). Yesterday at lunch **ADAM BALTZ** informed everyone that every day, **ADAM**, **STEVEN LUTZ** and **EVAN KOTTER** will be rewarding the persons who manage to catch the first fish of the day and those who catch the biggest and most fish of the day. Congratulations to **BEN LAZARUS** for catching the first fish of the day and **ANDREW MARKS** for catching the biggest fish of the day and the most fish of the day. **ANDREW** won the chance to wear the much sought-after fish hat as reward.

Andrew happy with the fish hat.

Feldman Week By Pamela Adler

"Early risers catch the world waking and see its true colors." – Bernie Toupin

Early risers also get full advantage of the beauty and calm of Sand Lake. CM had the great fortune of having **COLLEEN FELDMAN** and **BLAIR FELDMAN** (parents of **JONAH FELDMAN**, 12 and **FINN FELDMAN**, 10) at the friendly confines for a whole week. During their stay, they ran water-ski and sailing clinics. Every morning, eager boys woke at the early hour of 6:00am to practice their skiing, get tutorials and learn new skills. Colleen's enthusiasm for the sport was clearly infectious. The following boys have improved in everything from a 2-ski to

GABE UNZEK, **AIDEN SOLOMON**, **MICKY RACENSTEIN**, **JONAH FELDMAN**, **CHARLIE RATTERMAN**, **NOAH UNZEK**, **JOEY HOFFMAN** and **FINN FELDMAN**.

Sand Lake and **BLAIR** were also host to the magic and peacefulness of non-motorized lake sport. During Big-10 activities and Generals, **BLAIR** taught our guys to skipper the Sunfish and Hobie cat-sailboats. There is nothing better than feeling the wind on your face and manning your own boat. Way to go: **ELI FELDMAN**, **DANIEL SHAMAH** and **JORDAN GENTNER**. The campers, staff and admin thank **COLLEEN** and **BLAIR** for their hard work, passion, love of camp and of course, their expertise on the water.

Menominee Squares By CJ Ashley

Get Creative in Arts and Crafts By Adam Phelps

This year at Camp Menominee, Arts and Crafts have become very popular. Many of our boys have a great time painting signs, using clay and creating several projects which can be used throughout Camp. During Big-10 activities, **BEN LAZARUS, JON WOOL, COOPER SPECTOR and RYAN MARTIN** made a new sign for the Arts and Crafts wall. Some of the projects campers are working on includes rock animals, slime, papier-mache models and creating items for CM use, such as targets, arrowheads for The Way and new signs. **JADEN DONSKY, SAM ROSEN and JACK GREENFIELD** are currently working on a new project - creating a board game called "Stone Age" where clay figures compete with one another. As the boys create their new board game, they will be using clay, paint and wood. While some projects were thought out

beforehand, the boys have the freedom to create whatever they would like in Arts and Crafts, therefore allowing our campers to show off their creativity aspect and have a sense of ownership and leadership of the project they are working on. Everyone is welcome into Arts and Crafts so please come join in during any general period.

THE SUN AND WIND EDITION

THURSDAY JUNE 28, 2018

The Beginning of Sun and Wind By Editor

It was just before 1pm on a beautiful day at CM. The sun was shining and we were just finishing up our "Happy Birthday" chants for **JACKSON WUSTNER**, **JESSE KAPLAN**, **TODD LAZARUS** and **JESUS GARCIA-RAMON** when suddenly, a pre-planned scuffle broke out in the Mess Hall between counselors **CJ ASHLEY** and **DWAYNE O'DE FREITAS**. Everyone looked on in disbelief and were told to sit back in their seats as both were escorted outside by head counselor **JOSH INGRAM**. The scuffle continued outside as **JASON** rushed outside to help keep the situation under control. This did not seem to work as the arguments continued so **CJ** tackled **DWAYNE** to the ground. Nobody quite knew what they were seeing as **JASON** dragged both individuals back inside to make an example of them. However, to much applause and cheering, **JASON** announced that this scuffle was actually the start of the annual Sun and Wind competition. **CJ** was named as the team captain for the Sun team, whilst **DWAYNE** was named team captain for the Wind team. The competition of mother nature had begun.

Celebrations at the start of Sun v Wind

Creatively Acquire stalemate

Creatively Acquire By Editor

The first Sun v Wind event was Creatively Acquire out on Woody's pitch. Everybody was asked to line up on youngest to oldest and was then given a number. Once your number was called you would race to the middle to pick up the 'Energy Source' and would try bring it back to your starting point without being tagged. **BEN KAPLAN** and **HENRY MILLER** demonstrated some fantastic running for the Sun team, while **EVAN KOTTER** put in a stand out performance in his counselor v counselor matchup. For the Wind team, Lucky Canteen 162 **ETHAN MANN** and **ERIC GOODMAN** showed the intelligence required during creatively acquire and **ADAM BALTZ** showed his strength by successfully shielding the energy source from those around. In the best of 3 event, team Wind came out on top 2-0 after taking the games 21-18 and 11-6 respectfully.

Tug of War By Editor

Tug of War was a best of 3 event split by age divisions. First up were the combined age divisions of Juniors and Intermediates. In a very tough back and forth battle, the Sun team took a 2-0 victory, much thanks to the pulling efforts from **AIDEN ZANOWSKI** and **JACKSON MERCHANT**. Next up was the Senior matchup and once again there seemed to be no separating the teams. After a minute of pulling with no signs of a winner, **JOEY FINFER** decided to take charge and end the contest. **JOEY** turned and placed the rope on his shoulder and began charging forward as hard as he could. This made all the difference in both matches as the Sun team once again took a 2-0 victory. Last up were the counselors. Going into this matchup, the Sun team were worried due to **CRISTIAN 'THOR' LADISLAU** standing in the anchor position for the Wind team. The Sun team were right to be worried as despite a positive start in both matchups, Thor put his foot down and began charging, making all the difference. Wind win the event 2-0.

Rug Pile By Editor

The final Sun v Wind event of the day was Rug Pile. Painted on the floor was a 7ft x 5ft box in which each team had to try fit their entire team into. Wind were first up and began placing younger campers on the shoulders of older boys and squeezing into the box. Once again **CRISTIAN LADISLAU** took charge and lifted two campers onto his shoulders. When the box looked full, campers led by **BRAYDEN SUBRIN**, began crawling into the box through peoples legs. Once complete, the Sun team matched the strategy of that from the Wind team. **ZACH FORMAN** climbed onto one of the counselors backs whilst **ASHER DIAMOND** began crawling into the gaps. Team Wind took the win due to having less team members outside of the box.

Where is Joey Matgous? By Nate Beermann

Twenty minutes after Taps, Cabin 14 and Cabin 15 surprised Cabins 3 and 4 by waking them up and informing them that CIT **JOEY MATGOUS** was missing and they were all going to sneak out and find him. After searching around **JOEY's** bed Cabins 3 and 4 found a clue to **JOEY's** location. It was at this moment the Cabins knew that they would only find **JOEY** if they completed the scavenger hunt. The first clue led to the Gaga pit, which had a further clue leading to the Mike Dunleavey Jr courts. On the way to the courts everyone had to quickly duck and hide as **COOPER BORSTEIN** saw an oncoming car on the Service Road. From the basketball courts, the cabins were led a few more places before going to the Canteen, where the final clue was hidden. The final clue led all cabins to the fire pit where they found **JOEY MATGOUS** and counselors **JOSH GOODMAN**, **ADAM PHELPS** and **DAN WAITE** sat around a burning fire with S'mores. **ZACHARY FORMAN** said this was one of the best surprises he has ever had, while **MARLON STEWART** and **BRAYDEN SUBRIN** could not help themselves and went back for more S'mores. Thank you to **JASON**, **JEFF TOOMBS**, Cabin 14: **NATE BEERMANN**, **JOEY HOFFMAN**, **BRADY KAY**, **HENRY MILLER**, **BRADY WEISS**, **PEYTON PICUS**, **COOPER SPECTOR** and **JACOB SCHNEIDER** and Cabin 15: **JESSE KAPLAN**, **JON WOOL**, **BEN LAZARUS**, **RAY DONG**, **ETHAN MANN**, **RYAN MARTIN** and **MILES PROVUS** for organizing a fantastic surprise sneak out for Cabins 3 and 4.

Eggcelent Time at the Egg Drop By Editor

Yesterday, as dinner ended, **JOSH INGRAM** took to the P.A system to inform all counselors and campers that we would be competing as a Cabin in the Egg Drop competition. Cabins headed out into the forests to build a shelter that would secure their egg from the 50ft drop off the top of the climbing wall. It is not often that the climbing wall is beaten, however all cabins felt quietly confident as they approached the wall. First up was Cabin 3. **FIN DORAN** carried their creation to the basket which was lifted high to counselor **NIAL INGRAM** at the top of the wall. The crowd began counting down from 5 and then **NIAL** let the egg shelter go. As expected by most, the bark, moss, leaves and sand was no match for the wall and the egg splatted. Next up were Cabins 4 and 5, however much like Cabin 3 – the wall won and the egg splatted. Cabin 6 approached the wall and felt very confident in their chances as **JOSH NAMORDI** was heard saying there was “no way their egg would splat”. However, much like all previous Cabins, their egg splatted and left yellow yolk on the mat. Cabins 7, 8 and 10 all fared no better and saw their egg drop to the floor and splat despite the prayers of **SAM ROSEN**, **LUKE MASON**, **CHARLIE EISENBERG** and **BECKETT NELSON**. Despite some elaborate egg shelter creations, the wall was in a relentless mood as Cabins 12, 14, 15 and 16 all succumbed to its height. There were only two cabins left and next up was Cabin 17. Their creation was a leaf basket wrapped up in stems so could float. As **NIAL** let go, the egg shelter floated down and gently hit the ground. **JOSH** unwrapped the shelter to find the egg secure in the middle with no cracks. Out broke celebration as a Cabin had finally ‘beat the wall’. Commiserations to Cabin 9 who accidentally cracked their egg before the wall drop and Cabin 19, who were disqualified for hard boiling their egg. Congratulations Cabin 17; **EMILIANO VAZQUEZ**, **CONNOR HIRSCHTRITT**, **COLE ADAM**, **AIDEN PATRUNO**, **KHAIRI BROWN**, **DASH WINDLE** and **BEN FLICK**.

12 and Under Archery By Jake Goodman

Menominee 174, Timberlane 165

The twelve and under Menominee archery team fought a hard and close battle against a very good Timberlane team. Menominee's first shooter, **ISAIAH GOLDSMITH** fired his arrows confidently into the target. Although **ISAIAH** was shooting extremely well, Menominee were trailing Timberlane by five points. **MILES PROVUS** was next up for Menominee and as he walked up to the line to shoot, he knew that he needed to shoot extremely well to overturn the deficit. Not only did he accomplish this, but **MILES** led Menominee into a twelve point lead. With Timberlane's best shooter up next, **BEN FLICK** stepped up for Team Menominee. **BEN** produced some amazing shooting to hold and as we went into the last two rounds of shooting, the two camps were tied. Being an experienced shooter, **JACK WALTERS** secured a nine point lead after his shootout leaving **CHASE ENGEL** to step up to the line to secure the win. **CHASE** did just that as he tied with his opponent and gave Team Menominee a nine point win in the archery event.

12 and Under Basketball By Isaac and Brett Weiss

Menominee 43, Timberlane 13

It was a beautiful afternoon full of sunshine when Menominee stepped onto the basketball courts at Timberlane. At the beginning of the game, CM jumped out to an early lead due to stellar scoring from **DANIEL SHAMAH**, **JACOB SCHNEIDER** and **ASHER DIAMOND**. **DANIEL** was the standout player throughout the game as he also played great on the defensive end, racking up multiple steals. In the later stages of the game

13 and Over Tennis By Josh Goodman

Menominee 5, Timberlane 0

The 13 and overs from CM had a great time competing against their opposition from Timberlane. The first match to complete was that of **AIDEN SOLOMON**, who defeated his opponent 8-3. This great news was quickly followed by an 8-1 victory for **LOGAN ROSENGARD** and **ANDREW MARKS** in their doubles two matchup. The momentum was with Menominee at this point and they were hoping this would continue through the remaining three matches. Each match finished with a theme of suspense as each came down to a tiebreaker. **SAM GOODMAN** and **RYDER SPECTOR**

Stretching for every ball

recovered from an early deficit to narrowly win the final tiebreaker 7-5. **DANIEL MALIS** was proclaimed the victor of his singles one match after a nail-biting tiebreaker which was back and forth. **DANIEL** won the tiebreaker 7-5. Lastly, the final match of the afternoon featured **CHARLIE RATTERMAN**, who was able to edge out his competition in the decider 7-4. The future of CM Tennis seems to be brighter than ever.

Warming up before the game

13 and Over Soccer By Josh Ingram

Menominee 1, Timberlane 7

The Timberlane competition is always one of my favorite days of Camp. A day of healthy competition and most importantly, sportsmanship. The morning started with Timberlane soccer practice on Woody's pitch, where every player gave 100% and could not wait for the afternoons events. 2pm rolled around and the Timberlane busses arrived. Soccer was the first event on the schedule so everybody was mentally and physically prepared. The boys in green started off strong with a long-range effort from **ISAAC MILLER** and some brick-wall defending from **TYLER LONGNECKER**. The deadlock was broken in the 11th minute when a Timberlane player beat **JAKE HOODACK** on the right-hand side. Timberlane went

on to score two more before **ISAAC** hit home a penalty for CM. 1-3 at the half. After half time the floodgates unfortunately opened for CM as a very talented Timberlane ran out 7-1 winners. Keep your heads held high and better luck next time boys!

12 and Under Football By Adam Baltz

Menominee 41, Timberlane 13

The 12 and under football team defeated Timberlane with the help of excellent coaching and play calling from **ETHAN MANN**. Two early TD's from **JACK BERGER** and **AIDEN PATRUNO** gave Menominee a 14-0 lead. Timberlane, however came back and closed the gap to just a single point and trailed 14-13 as the end of the half approached. **JAKE FELDMAN** connected with **BRADY KAY** for a TD as time expired leaving Menominee leading 21-13 at the half. At the start of the second half, Menominee continued where they left off as **JAKE** connected with **AIDEN** for a TD on the opening possession of the second half. On the following drive, **THATCHER SCHILLER** picked off Timberlane's QB for a pick 6 TD to make it 35-13. Late into the fourth quarter **BRADY** threw for another touchdown as he connected with **JACK**, leaving the final score 41-13.

Counselor Softball v Ojibwa By Benjie Soren

Menominee 8, Timberlane 7

The Menominee counselors went into Ojibwa looking for back to back wins against the opposing camp. The men in green started off quickly with three runs in the first innings and then forcing three outs with the first three Ojibwa batters. **ADAM BALTZ** and **BRETT WEISS** were looking very comfortable out in the field as Green Nation held a shutout throughout the third innings. CM added three more runs to lead 6-0 at the top of the fourth. However, in the fourth innings the Ojibwa batters woke up and scored big leaving the game tied 6-6. Despite the tough innings, **ETHAN WEISS** and **JASON** made sure Menominee kept their cool as they entered the fifth inning. This seemed to work as Menominee demonstrated their defensive prowess once again and held Ojibwa scoreless throughout the fifth and sixth innings. Meanwhile, CM added two more runs creating a 8-6 lead going into the bottom of the seventh and knew that they would need to play well to hold on for the win. In the seventh, Ojibwa scored one run to trail 8-7. In the last moments of the game, Ojibwa were on 2 outs but had the game tying run on third base and the winning run on first base. Lucky canteen 88. However, Ojibwa were unable to capitalise on this good positioning as some brilliant pitching from **BENJIE SOREN** forced the Ojibwa batter to only hit the ball to short centre where **JAKE JONES** was there to catch the ball and win the game. Menominee softball proved once again why they are the best in the Northwoods.

THE ROOKIE EDITION

MONDAY JULY 2, 2018

Goodbye, Rookies By Editor

Yesterday marked the last day for our CM first session two week rookie program. First year campers are given the opportunity to test out camp by going for two weeks. For many first year campers, the idea of overnight camping is daunting, but the rookie program allows them to test the waters before fully committing to a session (or two) at camp. We are sad to say goodbye to each and every rookie and hope they thoroughly enjoyed their time here at the friendly confines, but our campers, counselors and cabin friends will always remember them for the following reasons:

AIDEN SOLOMON (Cabin 9) always had a good positive attitude towards every activity and general period. **AIDEN** always had a smile on his face and kept Cabin 5 smiling by asking as many questions as possible. **AIDEN** liked to keep cool and was often found standing in front of the fan in his cabin during rest periods.

BODI JOHNSON (Cabin 5). When I asked Cabin 5 “what one thing will you remember BODI for”, they all answered immediately with one word – basketball. **BODI** loved basketball and was consistently found out on the basketball courts shooting hoops and practicing his dribbling and skills.

JACOB WERNICK (Cabin 9) will be remembered by his cabin for consistently making everybody laugh. **JACOB** welcomed his whole cabin into the cabin everytime they walked in and it is this friendly behaviour that will be missed here at the friendly confines.

JACK WALTERS (Cabin 7) loved his sports. **JACK** and Camp Menominee was therefore a match made in heaven. **JACK's** cabin will remember him for being able to get involved with every single activity that CM had to offer, despite only being here for a short two weeks.

AIDEN ZANOWSKI (Cabin 5) had a love for hockey like no other. **AIDEN** was also extremely gifted at hockey and impressed his cabin and other counselors and campers regularly with his attitude towards hockey. He was not afraid to help other newer hockey players learn how to improve and this will be missed at CM.

OWEN MCCORMICK (Cabin 6) will be remembered for making the game winning catch in Ultimate Frisbee against Timberlane. The game was back and forth and both teams looked very strong but **OWEN** pulled off an amazing catch which gave CM the win and helped the 12 and unders to remain undefeated.

PATRICK MCCORMICK (Cabin 3) will remember Patrick for one thing in particular – the splits. **PATRICK** always seemed to be showing off his moves and his infectious attitude will be sorely missed. **PATRICK** was a fit at CM from day 1 and this was one of the reasons he was acknowledged in ‘The Way’ and ‘The Attitude Edition’.

13 and Over Baseball By Jake Herman

Menominee 4, Timberlane 5

Out on Al Lewis' field, the Menominee men took on Timberlane in a friendly game of baseball. Coaches **TOM ADLER** and **JAKE HERMAN** gave **ERIC GOODMAN** the nod as starting pitches and he did not disappoint, striking out four Timberlane batters within two innings of work. **JOEY FINFER** pitched admirably in relief but missed opportunities at the plate put CM in a 5-0 hold heading into the final inning. In typical Menominee fashion, the men in green did not give up. **MAX BEERMANN**, **JACK KAPLAN** and **ERIC GOODMAN** all reached base and with the deficit down to

Sliding into home

5-1, **TODD LAZARUS** gashed a 3-run single to centre field. With the score now 5-4, the Menominee magic ran out and Timberlane narrowly escaped with victory. It was truly an exciting finish and a game that CM could have won. However, all players involved should be proud of their effort, including **RYDER SPECTOR** and **LOGAN ROSENGARD** who snagged fly balls in the outfield and **JAKE HOODACK** who was sturdy behind the plate.

12 and Under Soccer By Sam Miller and Editor

Menominee 6, Timberlane 4

It was a hot afternoon out on Camp Timberlane's soccer pitch, but the 12 and Under Menominee soccer team were able to persevere and record a 6-4 victory over a strong Timberlane side. Menominee started the better off, looking dangerous on the attack and strong in defence. **HENRY MILLER** opened the scoring in the game after good work down the left side from CM. Timberlane quickly responded however and scored to tie the game 1-1. **HENRY** and **FIN DORAN** scored two quick fire goals for CM to open a 3-1 lead midway into the first half. **HENRY's** goal was a wonderful free kick from the half way line, while **FIN's** was a fantastic solo goal, running past 4 defenders before firing into the top of the net. **JACOB MASKIN** added a fourth goal in the half for Menominee as the Green and Whites looked unstoppable. Disaster struck however, as within the last five minutes of the half, CM saw their 4-1 lead evaporate and end the half tied 4-4. In the second half **DRAEDYN SANFORD** anchored the back line and **JOEY HOFFMAN** protected the net as CM managed to keep a clean sheet. **HENRY** completed his hat-trick and gave CM the lead half way through the second half and in the later stages, **JACOB** added Menominee's sixth and final goal of the game. Special thanks to **JOE GG** for helping officiating a great match. Congratulations Team Menominee on a very impressive 6-4 win.

12 and Under Baseball By Josh Namordi

Menominee 7, Timberlane 7

The 12 and Under Menominee baseball team entered the game knowing that a win would complete a clean sweep of activities for the 12 and unders. They had a strong lineup including **DANIEL SHAMAH**, **JOSH NAMORDI** and **LEXX MALKIN**. **DANIEL** led the team through the first two innings as CM took a commanding 6-0 lead. Unfortunately, Timberlane came back into the game and held Menominee to zero runs for the next few innings. By the bottom of the fifth, Timberlane had shortened the deficit to 6-2 with a two run triple but CM was still looking in a good position to win the game thanks to some fantastic fielding and catching from **CHARLIE EISENBERG** and **THATCHER SCHILLER**. Menominee's **BRAEDYN SUBRIN** added another run and their first since the second inning, in the sixth to extend the lead to 7-2. Due to a limited amount of time, it was agreed between the Timberlane coach and Menominee coach, **JAKE JONES** that the last inning of the game would only have one out rather than the standard three. Menominee was up first and despite striking out, knew they had a healthy five run lead so just needed one final display of good fielding to secure the win. Timberlane's first batter hit a home run to cut the lead to 7-3 and this was followed by some good batting which left Timberlane with bases loaded. Some good pitching left the Timberlane batter on two strikes before he hit a grand slam trying the game at 7-7. It was a disappointing end to the game but Menominee can take pride in their fielding and batting efforts.

THE SPIRIT EDITION

WEDNESDAY JULY 4, 2018

Menominee Way Trait Week Two: Spirit By Editor

Due to a broken finger, **JASON** was unable to be with us on Sunday and it did not feel right having The Way without our leader. Therefore, for one time only, the CIT's presented The Way on Tuesday night. This ceremony highlights a specific pillar of the six characteristics our camp calls The Menominee Way. This week, the CIT's discussed 'Spirit.'

"Spirit: A good or high spirit exemplifies what it means to be a part of Team Menominee. Many people believe spirit is only seen at an older age when you have more influence over your peers, however spirit can be seen at all ages, shapes or sizes. The following 8 individuals display what it takes to have a positive spirit at camp."

Congratulations to the following individuals who were honored for their exemplary spirit.

MARLON STEWART was recognized due to his ability to show the camp spirit and adaptation to camp life which would be expected of an experienced camper. **MARLON** is consistently found dancing around at all socials and opportunities and it is this CM spirit that Menominee thrives on.

TYLER FIELD demonstrates his CM spirit at every opportunity he gets. **TYLER** consistently encourages his team mates in Twi-Light League and is loud and encouraging within Wasserman Hall and the Mess Hall.

AARON PELTS. **AARON** is an athletically gifted young lad who is always cheering on his team, no matter what competition or event he is participating in. Despite being young, **AARON** shows his spirit for CM by starting numerous cheers and chants in Wass Hall and the Mess Hall.

ETHAN MANN. Despite having stitches, **ETHAN** battles through these and shows his love for CM and his spirit by always being energetic and giving 100% in all activities. It is this sort of spirit which will help others around him drive forward and learn.

RYDER SPECTOR was recognized for his spirit as he is always found picking up his teammates during King of the Camp, even if they are not winning. **RYDER** is also not afraid to become involved and is recognized for having a loud and powerful voice in the Mess Hall during cheers.

DANIEL MALLIS. **DANIEL** demonstrated his spirit with his loud and spirited performance of "SCADOO" during Song and Cheer night. His performance began camp on a high note and brought everyone to their feet in applause.

ISAAC WEISS was a key member of the counselor softball team win over Ojibwa. **ISAAC** showed his spirit by firing up his fellow counselors and by going 3 for 3 during the game.

BENJIE SOREN showed his spirit by being able to keep calm during the counselor softball win over Ojibwa. **BENJIE** kept the teams' spirits high even when on occasions it looked like Ojibwa could overturn their deficit.

Wind Win! By Editor

Going into the final event, the Wind and Sun were tied at 2-2 and knew that it was going to be a winner takes all scenario in the battle of mother nature. The final event was 'Runners and Chasers' and the aim of the game was to have a member of the team enter a large square out on the athletic fields and spend as long as they could in the square without being tagged. Once that person was tagged, they would sit in that exact position and the next person would go. As the game went on, the harder it became to be tagged due to the amount of bodies sat on the floor. Big shout out to Team Sun's **HENRY MILLER** and **JASON PLOTKIN** for their swift, agile movements and to Team Wind's **TYLER FIELD** and **ETHAN MANN** for demonstrating their speed and quick thinking to escape the

Talk strategy before the final Sun and Wind event

tag. Once the timings were calculated, the winners were Team Wind who lasted 16m58s in the box, whereas Team Sun lasted 15m39s. Congratulations Wind team.

British and American By Jake Herman

On Monday night in the Mess Hall, dinner was wrapping up and all campers and counselors had a full stomach thanks to some amazing hot dogs and burgers. Everyone was expecting a typical CM evening of Twi-Light League to ensue, but instead Head Counselor **JOSH INGRAM** approached the mic and announced that we would spend the evening playing... Cricket?! A sea of moans and groans swept across the Mess Hall as the CIT's and **JEREMY** led chants for the camp to do anything other than this British sport. British counselors soon stood up with self-fashioned "muskets" and took control of the Mess Hall for a compulsory performance of "God Save the Queen." **JOSH** even held **JASON** captive so he could not intervene! However, American counselors soon stormed into the Mess Hall to restore order, including **MARC GOODMAN** channeling his inner George Washington crossing the Delaware. Much to the delight of a confused camp, this whole performance was the start of British and American 2018. **SAM MYERTHALL** was announced as the overall captain for the British team while **TYLER LONGNECKER** leads the American team. Can history repeat itself for the Americans, or will the British have their "finest hours"? Let the games begin!

MARC with some of his team

D-Day By CJ Ashley

The first event in the British and American showdown was the Menominee version of D-Day. The objective of the game was for the team on offense to reach the scoring line behind the cabin compound, which was monitored by **JACOB CZUPEK** and **CHARLIE PRICE** without being squirted with water by the defensemen or blasted with water balloons by grenadiers atop Wasserman Hall. The name of the game mirrors that of the World War II invasion on the French beaches, known as D-Day due to the fact that the offensive team have to climb the hill from Sand Lake to score points. Scoring proved to be very hard to come by at first for both teams as many of our campers fell at the hands of the squirt bottles. The British adopted a strategy of rushing from all directions, led by **RYAN MARTIN** and **MILES PROVUS**. However, the Americans had split all angles well and eliminated most of the British quite quickly thanks to some great squirting from **JESSE KAPLAN**. The Americans however used a different strategy thanks to the quick thinking of **BEN LAZARUS** and **JACOB SCHNEIDER** as they decided to rush as a team while, unaware to the British, leaving men behind for a second rush. This second rush proved to be crucial and when the dust settled, the Americans comfortably took victory by a score of 13-3.

Squirting fun during D-Day

Cabin 19 during Song Night

Song Night By Joe Vickers

On Monday night, everybody was called into Wass Hall for another amazing skit night – Song Night. Cabins were informed at lunch that they would be required to change the lyrics of a song and make the song Menominee related. In the junior division **FIN DORAN** and **DRAKE ELMAN** helped Cabin 4 take the win after recreated the well known 'Havana' song. Well done to the rest of Cabin 4 for their amazing performance: **COOPER BORSTEIN**, **CHARLIE SANFORD**, **MARLON STEWART**, **BRAYDEN SUBRN**, **HUDSON DEUTSCH** and **ZACH FORMAN**. In the intermediate division, Cabin 8 took the win after an amazing recreation of the Zac Brown Band's 'Homegrown.' Congratulations Cabin 8 – **SPENCER AUSLANDER**, **CHARLIE EISENBERG**, **AARON PELTS**, **RYAN WEIL**, **JACK BERGER**, **ASHER DIAMOND** and **THATCHER SCHILLER**. Lastly in the senior division, Cabin 19 won after creatively producing 'Koz's America'. During the performance **XANDER SCHILLER** sat at the front of the stage in shades bobbing his head entertaining everyone watching and giving Cabin 19 the edge in this funny and entertaining performance. Congratulations to rest of Cabin 19: **RYDER SPECTOR**, **SAM GOODMAN**, **MAX BEERMAN**, **DYLAN SCHWARTZ**, **JACK FORMAN**, **BEN KAPLAN**, **JACK KAPLAN**, **JUSTIN CRASKO**, **EVAN PRITISKER**, **JORDAN GENTNER**, **DAVID FISHER**, **MILES RACENSTEIN** and **ARI GOLDBERG**. The night was a great success with every cabin using their imagination to recreate a well known song. Special shoutout to Cabin 17 for their standout performance, recreating The Scripts 'Hall of Fame'.

THE BRITISH AND AMERICANS EDITION

THURSDAY JULY 5, 2018

BRITISH 4, AMERICAN 3

Message to Garcia By Jake Goodman and Editor

After an fun-filled couple of days, the British came out on top in a very close B&A 2018. Going into the last event, the teams were tied at 3-3 and much like our previous inter-camp competition, Sun and Wind, we were in another winner takes all scenario. The last event of the competition would be Message to Garcia. We have many traditions here at Camp Menominee and one of them is playing Message to Garcia on the fourth of July. In Message to Garcia one team is on offense and one team is on defense. The team on offense tries to cross from the line on the service road to the line on OCR without getting squirted by the defending team. **ELI FELDMAN** produced a stand out display on defense, squirting numerous opposition attackers. **DASH WINDLE** and **BEN FLICK** managed to evade being squirted on a number of occasions due to their speed and **JAKE REINHARDT** was able to sneak past a number of defensive players. When reading out the final results, Program Director **ETHAN WEISS** said "this is the closest British and American result I have seen in my nine years at Camp." Congratulations to both teams for making B&A 2018 the best one yet and congratulations to the British team and captain **SAM MYERTHALL** for winning Message to Garcia 18-17 and taking the overall B&A victory.

Land and Water By Adam Phelps

The boys at CM participated in eight different activities in the Land and Water event. The campers were split up within their age group and would participate in four activities on land and four on water. The land activities included Dizzy Izzy's, tug of war, a wheelbarrow race and circle dodgeball. The water activities included fill the canoe, the sweatshirt relay, potato on a spoon relay and the greasy watermelon game (with a rugby ball). In the 12 and under age category, the American team took the win in the water section thanks to wins in greasy watermelon and the sweatshirt relay, led by **LEXX MALKIN** and **JOSH NAMORDI**. The British however took the land portion of the event after winning tug of war, the wheelbarrow race and circle dodgeball. **DRAKE ELMAN** and **TYLER FIELD** were the stand out performers in circle dodgeball thanks to their swift movements and brilliant dodging. In the 13 and over age category, the American team dominated both land and water and can thank their captain **TYLER LONGNECKER** for leading the charge. **QUINN KNEWOW** and **JACK BEHAR** produced stand out performances within the water activities which helped America take the overall victory in the Land and Water event.

Revere's Ride By Sam Miller and Isaac Weiss

After an exciting first day of British and American 2018 action all of our campers were ready to get into bed with the exception of our seniors, who were waiting to play this year's edition of Revere's Ride. The objective of this game, is to unscramble a famous quote from the time of the American Revolution based on letters gathered from various locations around camp. The locations of these letters are hidden and they must be found by decoding a clue. A special shoutout to **AUGIE FLICK** for his ability to quickly solve some of the locations and to **TODD LAZARUS**, **DANIEL MALIS** and **ISAAC MILLER** for successfully solving the final quote: "We must all hang together or most assuredly we shall all hang separately" – Benjamin Franklin, which helped the British team take victory after two hours of late night fun.

Counselor Volleyball v Kawaga

By Zach Sosnow and Editor
Menominee 2, Kawaga 0 (25-11, 25-11)

It was a beautiful sunny afternoon at CM. During rest period most of the camp descended onto the sand volleyball court behind Cabins 3 and 4 to watch our counselors go toe to toe against Kawaga. Menominee were looking for back to back wins against the opposing camp and were feeling very confident thanks to the newest addition to the team – **ADAM BALTZ**, who had spent the previous two days teaching positioning and movement on the court during play and service. Menominee took an early commanding lead and led 7-2 thanks to some fantastic serves from **MARC GOODMAN** and great setting from **BENJIE SOREN**. The counselors were setting a great example to our campers as they were putting on a fantastic display of teamwork and sportsmanship throughout the game. As the first set came to an end, the Menominee team were working extremely well together and were sharing the workload between all players to keep Kawaga guessing. **ETHAN WEISS** and **ISAAC WEISS** were doing a brilliant job of blocking shots and spiking the ball and eventually worked together to gain the final point needed to take the first set 25-11. Lucky Canteen Number 76. Going into the second set, Menominee pilled on the pressure and maintained their momentum as they raced out to an 8-1 lead. **JEREMY KOHLENBRENER** was doing a fantastic job of keeping the team motivated and ensuring they kept their heads in the game even if they dropped a point. At 12-4, Kawaga floated the ball towards the Menominee side of the net and as they did **BRETT WEISS** leaped up to spike the ball hard into the ground. This once again sent the watching campers into a new chant of “BRETT WEISS, BRETT WEISS has a great spike”. Menominee kept up the pressure and were soon at match point which was rightly won by **ADAM BALTZ**, who led Menominee to the convincing win.

Once the sky became dark, everybody headed towards the waterfront for the fireworks display, which mesmerized the crowd. Once the fireworks concluded, everybody sang Marimeta's goodnight song and 'Taps'. This was a perfect way to conclude the 4th July and we thank the girls for their hospitality.

4th of July Social

By Editor

To celebrate the 4th of July, Camp Marimeta were kind enough to invite the Menominee boys over for a night of socializing and fireworks. As the boys arrived, the girls were singing and dancing and you could see that both camps had dressed in their best American themed attire to celebrate Independence Day. **LUKE MASON** was wearing an American themed face mask, **DRAKE ELMAN**

King of the Camp Swim Meet

By Marc Goodman

It was a windy day out on Sand Lake for the second ever edition of the King of the Camp Swim Meet. With the tough conditions, all four teams knew they would need to show their best swimming. In the 12 and under age division

RAY DONG came in first in the 50m backstroke for the Phoenix, but it was the Dragons who took the 200m relay thanks to **FINN FELDMAN**, **JONAH FELDMAN**, **JACK WALTERS** and **LEXX MALKIN**. In the 13 and over age division, the Dragons took the 50m breaststroke and backstroke thanks to strong efforts from **DANIEL MALIS** and **CHARLIE RATTERMAN**. The Dragons and Phoenix swam a close race in the relay with it coming down to the anchors, **AUGIE FLICK** and **CHARLIE**. The dragons won by a hair and took overall first place in the swim meet.

THE DETERMINATION EDITION

MONDAY JULY 9, 2018

Menominee Way Trait Week Three: Determination By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls The Menominee Way. This week, the CIT's decided to discuss 'Determination.'

"Determination: Determination is persevering towards a difficult goal despite obstacles. Determination is simply not giving up no matter how hard things. Determination is going until your legs lose feeling, until your arms break, until your head feels like it is about to explode. Determination is fighting until you have achieved your goal."

Congratulations to the following individuals who were honored for their exemplary determination

TYLER LONGNECKER. As a senior cabin member, **TYLER** has a lot of responsibility on his shoulders. As a British and American captain, he led his team to several victories and despite the result not being in his favor, that did not stop **TYLER** from being determined to continue with his responsibility as a senior cabin member. **TYLER** has many activities coming up and it will be his determination in the coming weeks that will help him through these.

JOSH BROOKSBY. **JOSH** was on the canoe trip with cabins 7, 8 and 17 this week. You could always see the look of determination of **JOSH's** face that he wanted to get around that next turn or reach his destination. After creating a strong bond with his cabin, he was moved to cabin 17. Instead of complaining, **JOSH** was determined to improve his camp experience. This is what makes **JOSH** a great addition to the Menominee family.

BRAYDEN SUBRIN always gives his all during Big 10 and KOC activities. He is a fantastic example to not only the first years but to all campers around, despite only being a first year camper himself. **BRAYDEN's** determination to give it his all is infectious and you can always find him with rosy cheeks pushing through every boundary to improve.

SAM GOODMAN has been determined to be a positive member of the Menominee family, throughout camp so far. At Mall of America this past week, **SAM** was confident enough to try new activities and travel outside of his comfort zone. **SAM's** determination to reach goals and break boundaries is remarkable and a great influence on his peers.

CHARLIE EISENBERG had a rough start to the canoe trip. However, he persevered through and successfully made it back to camp. **CHARLIE** can be found on the basketball courts and the softball fields, determined to help carry his team to a victory. It is **CHARLIE's** determination that enables him to complete anything that he sets his mind to.

DRAEDYN SANFORD was tasked with going on a canoe trip during trip week. On the way back, the canoe only had two paddles and **DRAEDYN** did not let this stand in his way and instead took the lead and was determined to keep pushing despite the choppy weather and tough conditions to make it safely back to camp with the rest of his crew.

COOPER BORSTEIN was recognized due to his determination to keep those around him busy, happy and having fun. During trip week, **COOPER** created a game for all juniors to play, which encouraged all campers to keep out of their cabins and was inclusive of everybody. It is this determination which will makes **COOPER** the perfect CM camper.

MARC GOODMAN. This is **MARC's** third year at the friendly confines. **MARC** consistently displays his passion for camp, whether it is on the volleyball court or on the softball field. Any time **MARC** plays as part of a counselor sports team, you can see his hard work and determination. **MARC** is also leading the King of the Camp event – sometimes his effort goes unnoticed, yet despite this, he is determined to make sure team Menominee has a good experience.

Honour Cabin: CABIN 7

At the end of each session, **JASON** honours a specific cabin for best demonstrating the six CM characteristics throughout that session. The first session winners were **CABIN 7**. Despite their age and lack of experience on some cabins, their ability to embody the six characteristics has not gone unnoticed and it is thanks to great counselors and their leadership this cabin has thrived at camp. Congratulations **MATTHEW HARFIELD, SAM ROSEN, JACK GREENFIELD, LUKE MASON, NOAH UNZEK, ELI FELDMAN, FINN FELDMAN, JACOB MASKIN, JOE VICKERS** and **JAKE GOODMAN**.

Loving the sights of the falls

Copper Falls Trip By Editor

On Friday morning, the junior campers knew they were going on a trip but where they were going was a surprise, even to the counselors. Everybody was extremely excited as **JASON** announced they would be taking the bus to go visit the waterfalls at Copper Falls, hike around the trail and then finish on the beach. The campers quickly finished their breakfast, packed their bags and loaded the bus with a range of chants and songs. On arrival, the boys ate their packed lunch before

beginning an hour hike on the trail taking in the beautiful sights of the falls and their surrounding rapids. **CARTER KLEIN** could be heard saying the sights were "spectacular" while **FIN DORAN** and **HUDSON DEUTSCH** said they wished they "could spend longer at the falls." Special shout out to **COOPER BORSTEIN** who, after falling on the trail, got straight back up, brushed himself down and kept going with no complaints – a true warrior. Once the juniors had taken in the wonders of the falls, they took the short journey down to the beach to spend a half hour in the water splashing around and doing 'chicken fights.' Congratulations to **JACKSON MERCHANT** and **RAY OUTRAM** for winning most of their duals. This capped off a very busy and wonderful trip as most of the campers slept the whole journey home. Thanks to **JASON** for organizing an amazing day trip.

Minneapolis Trip By Sam Maetzold

Over the past few weeks, the senior age division have become more and more excited, counting down to the annual Minneapolis trip. The 14-year-olds got off to a great start, setting off ahead of schedule, just after breakfast on Thursday morning. After a short 4-hour trek to the great state of Minnesota, the first stop was the Minnesota Twins game, where the campers, led by **MAX BEERMAN**, **JASON PLOTKIN** and **JONAH FRIEDMAN** made an unforgettable memory by chanting left fielder Eddie Rosario's name and getting a shout out back from him. The game ended in a victory for the Twins and the campers enjoyed the remainder of the evening relaxing and talking about memorable moments from the game. The following day began with a trip to the amusement park, Valleyfair, in which the campers were able to enjoy spending time on the many different rides and activities. **QUINN KLENOW** was the outstanding performer at the 3-point contest while **JACK FORMAN** and **JORDAN GENTNER** enjoyed the many rides the park had to offer. The last activity and highlight of the trip was the Mall of America. Counselor **JONAH BROWN** won a pair of Jordan Shoes after successfully beating the game 'Keymaster.' **SAM GOODMAN** confidently tested his skills at several new activities and **XANDER SCHILLER** and **DAVID FISHER** had a lot of fun travelling round the many different shops the mall has. The trip was great fun and will always be remembered. Thanks to **JASON** for organising an amazing trip filled with new memories.

Northwoods Childrens Museum Trip By Editor

On Saturday morning, the junior campers woke up to another surprise – a second consecutive day trip - this time to the Northwoods Childrens Museum. On arrival the campers spent time dressing up, catching fish, shopping for groceries, building wooden buildings and shooting hoops. **ZACH FORMAN** made everybody laugh as he dressed in a wedding gown, **BRAYDEN SUBRIN** had fun racing fish and **LUKE MASON** caught three fish in one cast. The campers had a lot of fun at the museum and impressed with staff by cleaning up after themselves.

To finish the day, the campers spent time in a park playing kick ball, with **TYLER FIELD** and **JACK BERGER** kicking multiple home runs.

Whitewater Rafting Trip By Adam Baltz

The 2018 senior cabin whitewater rafting trip was an incredible success. The senior cabin members left the friendly confines on Thursday morning after a healthy breakfast and first embarked on a trip down the Peshtigo River. This trip included 6 rapids ranging from level one to level four rapids. During this voyage, the seniors were all in single person rafts and dared each other to test their skills on the level four rapids. That night everyone enjoyed hamburgers and watermelon, thanks to grillmasters **MARC GOODMAN** and **ADAM BALTZ**. On Friday morning, the senior cabin departed for the Menominee River rafting trip and

on arrival were split into two rafts. Raft one was

captained by **JACK BEHAR** while raft two was captained by **TYLER LONGNECKER**. This rafting trip included six intense rapids, the most ferocious of which was level four Piers Gorge. Once the rafting trip had concluded, senior cabin traveled to Green Bay for the night where they spent it relaxing and led by **ZACH AKIN** and **ISAAC MILLER**, discussed some of the great memories they had created. The final day of the trip began with a stop at Lambeau Field, home of the Green Bay Packers. Once the tour had finished, the seniors continued on their drive back to camp, of course stopping at Goodwill on the way. Many thanks to **JASON** and the rest of the admin team for organizing such an amazing trip, which will be remembered for years to come.

Wisconsin Dells Trip By Jake Jones

The trip to the Wisconsin Dells quickly became one of the best trips the campers had ever been on. On Thursday morning, the 13 year olds set off on the three hour journey to the Wisconsin Dells. First stop on the trip was to Mt. Olympus, a theme park with many large rollercoasters and go-karts. **JAKE FELDMAN** quickly claimed that the go-karts were "the best I had ever been on." **JACK MYERTHALL** and **AUGIE FLICK** had lots of fun going down the larger rides and convincing the others to join them. Thursday night ended with a relaxing evening, allowing the campers to rest after their busy day. On the second day of the trip, the cabins went to Noah's Ark, an

amazing waterpark that offered a range of water slides and lazy rivers. **GABE UNZEK** led cabins 9 and 10 down 'The Point of no Return' – a sky-high waterslide that no one would have gone down if it was not for **GABE's** leadership and convincing. Lucky canteen number 125. **BEN KITE** thoroughly enjoyed himself at the waterpark and was already looking forward to going back again one day. On Saturday, the cabins began their trip home with **MICKY RACENSTEIN** excitedly telling stories of the different rides and games they had been on. Thank you to **JASON** for sending the cabins on a great trip to the dells. All campers arrived back to camp on Saturday afternoon with large smiles on their faces and many stories to tell.

Town Day By Editor

As is Camp Menominee tradition, on the last Sunday of the session all campers and staff spent the afternoon in the town of Minocqua. The campers were treated to a beautiful day of sun as they entered stores such as Toyland, Book World and BJ's Sportshop. Shout out to **ELI FRIEDMAN** for getting the 'purchase of the day' with a \$6 stuffed panda and to **ISAIAH GOLDSMITH** for being kind enough to buy his English counselor, **RYAN WILLIAMS** a \$4 England hat for him to wear during the World Cup. Shop favorites included the All

FELDMAN and **XANDER SCHILLER** tried the range of jerky on offer and Packerland, where **JACOB MASKIN** and **FIN DORAN** spun the \$1 wheel of prizes multiple times. As the afternoon sun shined bright, many of our campers took the chance to play mini-golf with **FINN FELDMAN** taking the win in his group of six. **NOAH UNZEK** enjoyed the snow cones that were on offer while **ZACH SOSNOW** and **ARI GOLDBERG** enjoyed the candy they bought at one of the many candy shops. As the afternoon came to a close, our campers enjoyed the delicacies the Minocqua restaurants had to offer. **JACK FORMAN** and **ZACH FORMAN** raved about the sushi they had at Kobe

Sushi while **MARLON STEWART**, **TYLER FIELD**, **JOSH NAMORDI** and **SAM ROSEN** all enjoyed the pizza on offer at Alexander's Pizza. Once eaten, our campers gather at Alexander's Pizza to play arcade games before travelling to the Aqua Bowl Arena to watch the Min-Aqua Bats Ski Show. All campers and staff took part in the Menominee tradition of loud chants at the ski show and were amazed by the many stunts the performers had to offer. A great day out was had by all, ending with **ISAIAH COLLIER** leading a number of our campers to get their face painted by the two comedic face painters at the ski show.

Canoe Trips By Sam Miller and Jake Herman

On Thursday and Friday afternoon, cabins 7, 8, 14, 15, 16 and 17 all departed on a two-day, one-night canoe trip. Thursday afternoon saw the departure of cabins 7, 8 and 17 while on Friday afternoon, cabins 14, 15 and 16's departed. Both trips ran a very similar schedule and after just over an hour of canoeing, the cabins arrived at their campsite for the evening. For the rest of the night, cabins spent time settling into their new 'home', building a fire and enjoying tin-foil dinners with assorted meats and vegetables. **JOEY HOFFMAN** selflessly brought five hammocks from his Bar Mitzvah for cabins 14, 15 and 16 to relax on and **ISAAC WEISS** led a water-balloon toss, which was ultimately won by the duo of **RYAN MARTIN** and **DANIEL SHAMAH**. Later in the evening, both trips enjoyed S'mores around an excellent fire. The fire was built by **DRAEDYN SANFORD**, **PEYTON PICUS**, **HARRY STEINER** and **JACOB SCHNEIDER** for cabins 14, 15 and 16 while **JACK BERGER**, **EMILIANO VAZQUEZ** and **LUKE MASON** all helped create the fire for cabins 7, 8 and 17. The next morning, the boys woke up to a surprise – Chef **RICK** had arrived at their campsites to make pirate-style eggs and potatoes. When asked why these were pirate-style, chef **RICK** told the campers them this was because the camp site they were staying at used to be called 'pirates landing'. Once the campers had finished breakfast, they walked to the local mini-golf place where they enjoyed a round of golf and an ice cream. **RYAN WEIL**, **ASHER DIAMOND** and **RAY DONG** all demonstrated their putting skills and will be the men to beat next time there is a mini-golf trip. Before the campers made their way back to camp, **ETHAN MANN**, **BEN LAZARUS** and **JACOB BROWN** led the way for cabins 14, 15 and 16 as the campers jumped off a bridge into the water below, rounding off an amazing canoeing trip. Thanks to all cabins for making both canoe trips extra special and a special shout out to the CIT's and **MAX WEINGARDT** for all their help.

THE SKIT NIGHT EDITION

WEDNESDAY JULY 11, 2018

Dance Night By Editor

Last night after flag, the cabins were called into Wasserman Hall to take part in a skit favourite - Dance Night. **JASON** had earlier announced that all cabins would need to create a dance routine and dance along to any song of their choice. There would be three winners, one for each age division. In the junior division, Cabin 4 began proceedings, dancing along to MC Hammer's 'U Can't Touch This'. **DRAKE ELMAN** was the main dancer in the middle of the group and as the song played, he would have a dance off with his other cabin members and beat them as 'they could not touch his dancing ability'. Cabin 5 were next up and went wild dancing along with 'Wild Ones' by Flo Rida. Special mention to **TYLER FIELD** who danced in the wildest way he possible could and showed he really was a 'wild one.' Cabin 6 followed dancing along to the themetune of childrens television show, Mickey Mouse Clubhouse. **JOSH NAMORDI** and **JACKSON MERCHANT** dressed up in their funniest outfits and danced around together while the other cabin members showed off some crazy dance moves. In the intermediate division, Cabin 7 stood in a line and sang 'Head, Shoulders, Knees and Toes' while dancing along touching the body parts in order. Once this dance routine had concluded, **SAM ROSEN** showed off his breakdancing skills with a head stand. Cabin 8 impressed with mimicking the official dance video to 'Single Ladies' by Beyonce. **JACK BERGER** and **THATCHER SCHILLER** had near-perfect movement and showed exactly how Beyonce flicked her hand. Cabin 17, led by their Irish counselor **GERARD WELTON** produced a flawless Irish dance - 'Riverdance.' Stand out performers, who at times looked like Irish nationals with their dance moves were **COLE ADAM** and **BEN FLICK**. Cabin 14, danced along to the club-classic 'Turbulence' by Steve Aoki. The campers, dressed in all black, huddled around **NATE BEERMANN** as the beat began to become faster and the music began to grow louder. Once the music dropped, **NATE** quickly took off his black jacket displaying a bright colourful tshirt, sending the cabin into a crazy dance. Cabin 15 began with a dance to 'Barbie Girl' in which everybody quickly noticed one of their campers was missing. This was all part of the plan however as the music cut to 'Pony' by Ginuwine and out came **HARRY STEINER** dressed in just braces and some long pants. As he danced a little more he ripped his pants off to be just in swimming shorts, much to the laughter and surprise of the onlooking audience. Cabin 16's **DRAEDYN SANFORD** took the lead for his cabin dancing along to 'ABC' by Jackson 5 as the rest of his cabin stood back and clicked along with the music. Finally the senior division took to the stage and first to dance was Cabin 9. Cabin 9 was able to lift the whole audience to their feet and join in as they lifted CIT **JOEY MATGOUS** high into the air on his chair and danced around to 'Hava Nagila.' Cabin 10 were next to take the stage which began with **BEN KITE** telling a joke. Once the joke was over the cabin 10 campers danced along to in their craziest way possible to PSY's 'Gangnam Style.' Cabin 12 took to the stage with an unusual dance routine. They stood in a line and following **CHARLIE RATTERMAN's** lead, began

World Cup Viewing Party By Editor

During rest period, Head Counselor **JOSH INGRAM** arranged for campers and counselors to watch the World Cup semi-final match between Belgium and France. Usually a technology-free zone, camp allowed for this rare moment due to the importance of the game. Many of our international staff are from England and are feeling confident going into their semi-final matchup against Croatia, so it was good for them to get a glimpse of their potential finale opponents. All campers and counselors really enjoyed the game before getting back into their KOC activities and technology free camp.

As he danced a little more he ripped his pants off to be just in swimming shorts, much to the laughter and surprise of the onlooking audience. Cabin 16's **DRAEDYN SANFORD** took the lead for his cabin dancing along to 'ABC' by Jackson 5 as the rest of his cabin stood back and clicked along with the music. Cabin 12 took to the stage with an unusual dance routine. They stood in a line and following **CHARLIE RATTERMAN's** lead, began

raising their hands in order like a wave, whilst playing some sounds from the waves in the sea. The penultimate act for the evening was Cabin 19 whom, led by **XANDER SCHILLER** danced along to LMFAOs' 'Sexy and I Know It.' As the song progressed, **XANDER** began to slowly build up the intensity by slowly lifting his top before taking it off and swining it around his head. Finally, senior cabin took to the stage dancing along slowly to 'Lift Yourself' by **KANYE WEST**. This did not last long however as the song was cut short by "SCADOO" and an ensuing mosh pit. Once the judges; **ERICA BAKER**, **SAM MILLER** and host for the evening, **ISAAC WEISS** had reached a verdict, **ISAAC** announced that the winners of the junior division was cabin 6: **CARTER KLEIN, MAX AGINS, JACKSON MERCHANT, ISAIAH COLLIER** and **JOSH NAMORDI**, the intermediate age division was cabin 15: **JESSE KAPLAN, JON WOOL, BEN LAZARUS, HARRY STEINER, RAY DONG, ETHAN MANN, RYAN MARTIN** and **MILES PROVUS** and the senior age division was cabin 19: **RYDER SPECTOR, SAM GOODMAN, MAX BEERMAN, DYLAN SCHWARTZ, JACK FORMAN, XANDER SCHILLER, BEN KAPLAN, JACK KAPLAN, JUSTIN CRASKO, EVAN PRISKER, JORDAN GENTNER, DAVID FISHER, MILES RACENSTEIN** and **ARI GOLDBERG**. Into the Home Stretch By Editor

As we enter the last few days of the first session, the Twi-Light League and KOC race to the finish line are beginning to heat up. In Twi-Light League, the current leaders are the **FELDMAN FISHIES** in the junior division, **YERI's YEETERS** in the intermediate division and **TEAM RATZLAFF** in the senior division. All 3 divisions are still extremely tight and could be won by any team. In the race for the KOC goblet the current leaders are the Dragons. They are closely followed by the Phoenix and Knights. Despite being last, the Thunderbirds still have many points to play for and could be a key factor in the final result.

THE DRAGONS ARE KINGS EDITION

THURSDAY JULY 12, 2018

King of the Camp Finale By Editor

King of the Camp began with four teams ready to battle it for the goblet. The Rhinelander Phoenix, St. Germain Dragons, Eagle River Knights and Oneida County Thunderbirds were all within a chance of winning, yet only one team could come out on top. After a number of competitive days in all sports CM has to offer, the Dragons prevailed, closely followed by the reigning champions the Phoenix and a resilient Knights. Going into Championship Wednesday, the Dragons had a 95 point lead over the Phoenix but there were over 250 points on the line and any team could still win. **JACK BERGER** ran the show in the Newcomb final for the Thunderbirds, scoring over 25 points alone and **HENRY MILLER** scored the winning soccer goal for the Phoenix. The Phoenix were having a strong final day thanks to their senior captain **KASE RATZLAFF** leading the charge and had cut the Dragons lead to 55 points going into the last few finals. The Phoenix could still win if they won their remaining finals and the Dragons lost theirs. This did not go to plan however and in the final event of KOC, the 13 and over Phoenix basketball team were beaten by the Knights under the lights on the Mike Dunleavy Jr court. After a full session of King of the Camp competition, it is only appropriate that awards are given out to recognize players who are invaluable to their respective teams. In the 12 and under age division, **AARON PELTS** won the MVP for football, **HENRY MILLER** won the MVP for soccer, **CONOR HIRSCHTRITT** won the MVP for hockey, **JACK BERGER** won the MVP for Newcomb and the MVP for basketball and all-around MVP was won by **ASHER DIAMOND**. In the 13 and over age division, **JACK FORMAN** won the MVP for hockey and football, **RYAN FIRMIN** won the MVP for volleyball, the MVP for soccer was won by **JAKE HOODACK** and the basketball and all-around MVP was won by **KASE RATZLAFF**. Come back next year to see if the Dragons can retain their championship or if another team will bring home the goblet. Congratulations to all MVP's and KOC champions – St. Germain Dragons.

12 and Under KOC Hockey Final By Jon Wool

It was the Knights vs the Dragons. Both teams were battling it out for what would be the best 12 and under hockey championship in Menominee history. The first half started with a goalie's duel. **DANIEL SHAMAH** and **PAYTON PICUS** were making dazzling saves. By the end of the first half it was still tied 0-0. Early in the second half, **RYAN WEIL** won a battle against the boards, passed the puck to **CONNOR HIRSCHTRITT**, who takes it all the way and scores the first goal of the game. The Knights soon responded with a pass from **ASHER DIAMOND** to **BRADY KAY** and a fantastic finish. The game remained tied and went into overtime, where neither team could not get past the other teams defense. In the shootout, **CONNOR** shot first for the Dragons, scoring via the crossbar. The Knights were up next and missed due to a great save by **PEYTON**. It was left to **COLE ADAM** to seal victory and the KOC win for the Dragons with a stellar goal. The 12 and under hockey team has a bright future ahead.

THE FINAL EDITION OF THE FIRST SESSION

FRIDAY JULY 13, 2018

Junior Twi-Light League By Benji Soren

The regular season champions, **FINN FELDMAN's** team (Feldman's Fishies) took game one Thursday night. However, Dansky's Thunder showed up Friday, with MVP **CARTER KLEIN** leading the charge. **BRAYDEN SUBRIN** and **JADEN DONSKY** were efficient on both sides of the ball as the Thunder took a 3-1 lead. The Fishies showed a sign of hope as rookie of the year **MAX AGINS** and **TYLER FIELD** led their team to a game five victory. But, the Thunder were not to be beaten and took the sixth game and the series 4-2. Everyone played their heart out but congratulations to the champions – Team Donsky.

Intermediate Twi-Light League By Jake Herman

The Intermediate Twi-Light League playoffs were exciting from the start to end. **HENRY MILLER's** team (Yuri's Yeeters) came back after losing game 1 of their best-of-3 semi-final against **BRADY KAY's** team and surged into the Championship game. **MILES PROVUS's** team (Provus' Pretty Pink Ponies) swept aside **JON WOOL's** team in their semi-final matchup after coming from behind to win an exciting game two. In the Championship game, defense set the tone as the runs came at a premium the entire series. Game one was a back-and-forth affair. Clutch hits by **ASHER DIAMOND** and **EMILIANO VAZQUEZ** gave each team the late runs they needed to force an extra innings with the score tied 4-4. In the end, it was the aggressive base running and timely hits by

COOPER SPECTOR and **JOEY HOFFMAN** that led **PROVUS's** team to a 9-inning victory by the score of 5-4. The strong defense carried over into an intense second game, as the score remained 0-0 through four innings of play. In the fourth inning, Web Gem winner **HENRY MILLER** showed off his range of third base, thwarting a potential rally for **PROVUS's** team. **DANIEL SHAMAH** then drove in the go-ahead run with a sacrifice fly to put **MILLER's** team ahead 1-0. **PROVUS's** team responded emphatically however, with three runs in the bottom of the fifth, fuelled by the bats of **COLE ADAM**, **ISAIAH GOLDSMITH** and **ASHER DIAMOND**. From there, pitcher **HARRY STEINER** slammed the door shut with excellent pitching and leadership that earned him the MVP. **PROVUS's** team held strong to win the game 4-1 and capture the Intermediate Twi-Light League Championship. Well done to both teams and congratulations to Team Provus.

Senior Twi-Light League By Brett Weiss

In Senior Twi-Light League, the playoffs started with a bang as **ISAAC MILLER's** team came out hot with their bats and defeated **TYLER LONGNECKER's** team to advance to the Championship. **JACK BEHAR's** team and **SAM MYERTHALL's** team batted in the first round. **JACK** played unbelievable in the field and led his team to victory. In the next round, **BEHAR** faced **RATSLAFF** and the winner would advance to the championship. **RATZLAFF** took game one due to some slugging at the plate by **HENRY CHABOT**, but **BEHAR** took game two due to **BEN ZELKEN's** walk off single, forcing a deciding third. Both teams battled hard to the end, but **RATZLAFF's** team pulled out to win, 8-6. This set the stage for a **RATZLAFF v MILLER** final. **MILLER's** strong bats continued to show with an eleven run first inning, led by a homerun from **ADAM MASSELLO**. **MILLER** won game one 24-5. Game two was no different as **MILLER's** team put up seven runs in the first inning. **RATZLAFF's** team offered some consolation but this was not enough to turn the tie on its head. Final score 12-4 to **MILLER's** team. Congratulations to the champions on their dominating display - Team Miller.

THE START OF THE SECOND SESSION EDITION

MONDAY JULY 16, 2018

Second Session Arrival By Editor

Yesterday marked the start of the second session and as usual we started with a bang. After a healthy breakfast, visiting weekend came to an end with all family members departing the friendly confines. All campers and staff were very excited for the second session and began chanting and cheering as not one, but two Lamers buses rolled in around 3pm. As the campers got off the bus, they ran through the traditional man-made tunnel of campers and counselors linking arms and round to the basketball court outside Wasserman Hall for the pep rally. Chants were started by the counselors and Senior Cabin, with experienced campers joining in and new campers getting their first experience of the spirit camp offers. **JASON** began reading out the counselor and camper names who ran to the middle of the court to greet their new cabin friends. It was a great way to begin the second session and we look forward to the many sports, surprises and great things still to come.

Capture the Flag By Editor

It would not be the first night of the session at Camp Menominee without Capture the Flag. As tradition, the cabins were divided into two teams - 'Team Rick' or 'Team Mike', named after two of our amazing chefs. Team Mike were to wear green or dark colored tops and Team Rick were to wear white tops. One of the best things about Capture the Flag is that all the counselors get involved. Both teams began with the same defensive strategy of defending the flag and not rushing until they saw a gap. **MAX MASON, ASHER DIAMOND, JACK KAPLAN** and **ALEX STELZER** all performed extremely well as flag guards, along with counselors **JOSH BROOKSBY** and **JOE VICKERS** but became overrun as many of the campers began taking more risks and running as a group. Team Rick started the stronger of the two teams as they managed to get many campers inside the safe zone. Team Mike saw this and began their charge for the flag. The first game became a race to the finish and see which team could get the flag back to their side of the field quicker. Some great decoy running and from **EMIL KESTENBAUM** and **TYLER FIELD** allowed Team Mike to throw the flag over the line to counselor **EVAN KOTTER**, to take the first game 1-0. Team Rick had to regroup and come up with a new strategy, which worked instantly as within a few minutes of the start of the second game, many of the campers

Team Mike discuss tactics

and counselors rushed together towards the flag. Both teams slowly moved the flag forward while **ENZO ROEHMER** and **OWEN FITZGERALD** were doing a good job of spearheading the attack for Team Mike. A quick pick up and run from a group of campers was enough to confuse Team Mike and tie the game at 1-1. Meanwhile, **MARC GOODMAN** thought he had taken the flag over the line for Team Mike and extended the lead to 2-0 but after a quick discussion amongst the CIT's, it was determined that **MARC** was tagged just short of the line and the teams would go to a winner takes all third and final game. As the third game began, both teams quickly rushed towards the flag and both defences were overrun by the speed at which they came. Some amazing running, ducking, dodging and sidesteps from **JACK FORMAN** took the flag past countless defenders and towards the line for Team Mike. Although **JACK** was tagged, he had done the hard work and a quick pick up and throw over the line to counselor **COLTAN GAGE** was enough to

Campers beat the counselors

give Team Mike the win 2-1. The CIT's began calling everyone in to give cheers but as they

did, a chorus of "one more game" erupted from the campers. The CIT's agreed but this game had a twist – it would be counselors vs campers. As the teams took their sides, there was a clear numbers advantage in the favour of the campers and this quickly showed as what seemed like hundreds of campers rushed towards the flag in unison. Despite the best defensive efforts of counselors **DAN WAITE**, **JOHNNY PAYNE** and **RYAN WILLIAMS**, there were too many campers and many reached the flag, forming a large circle around it. The camper's strategy worked as they all began sprinting in different directions, confusing the counselors and taking the flag over the line for the win. Capture

the Flag was a perfect way to begin the second session and congratulations to the campers for beating the counselors and Team Mike for winning 2-1.

Big 10 and Leagues By Thatcher Schiller

On the first day of second session, the campers sign up for both Big 10 activities and Leagues. These are fun activities that happen in the morning and afternoons. Big 10 are instructional periods that give campers the opportunity to learn new sports or get better at something they enjoy. **MAX BEERMAN** signed up for wrestling because he wrestles a lot at home while **WILLIAM MARTINEZ** signed up for tennis because it is a sport he wants to learn. In leagues, campers compete against each other in fun competitions. These leagues are a good way to challenge yourself against other campers who might be better than you. **EVAN KOTTER** will run the fishing competitions because he loves to fish so much and **TRUMAN MANKOWSKI** signed up in football because he wins competitions at home and wants to do the same at Camp Menominee.

Camp Fire By Editor

On a beautiful evening at the friendly confines all campers, counselors and staff gathered down at the waterfront for a real Camp Fire. The camp fire is a perfect way to take a step back from the non-stop first day and take in the beautiful surroundings the Northwoods has to offer. **THOMAS C ADLER** and **MILES PROVUS** entertained everyone around the camp fire by playing "Keep on the Sunny Side of Life" on their guitars. Between each chorus, **TOM** would pause and allow many of our counselors to tell a joke. **COOPER BORSTEIN**, **CHRIS KOPKE**, **MAX BEERMANN** and **BEN LAZARUS** made everybody smile and laugh with their jokes before **TOM** began playing and everybody began singing again. Following some inspiring speeches from counselors **ADAM BALTZ** and **JAKE HERMAN**, the Jackson 2 – **JACKSON WUSTNER** and **SHANE O'RIORDAN** treated us to a sing-a-long masterpiece. There was just enough time for **JASON** to end the night with a speech about why he loves camp and finally singing taps before all campers and counselors headed back to their cabins to write their cabin contracts and session goals.

THE LOUD AND PROUD EDITION

TUESDAY JULY 17, 2018

Louder and Prouder Song and Cheer Night

By Editor
Camp Menominee being at capacity can really make the difference. That difference was evident last night in Wasserman Hall when all campers packed in for Song and Cheer Night. The atmosphere was raucous from the start as **JEREMY KOHLENBRENER** began proceedings with the "Menominee, Menominee" song. Despite not knowing the words, the newer campers did their best to join in and began stamping their feet and cheering along. The campers and counselors had created a large circular group in the middle of Wass Hall as **JEREMY** continued to lead them into chorus after chorus of different songs. "Hail our Colors", "Hail to Menominee", "Bright as a Sunburst" and "To Menominee we sing" echoed around Wass Hall as the atmosphere continued to grow during each song. **JEREMY** wrapped up the songs

DANIEL MALIS leading SCADOO

for the night and asked everyone to take their seat. However, as he did, chants for the Senior Cabin began and they raced towards the stage to begin their cheers. All campers and counselors got to their feet and circled the stage as **KASE RATZLAFF** led "I went down to the River", **JACK BEHAR** led "Fire Up" and **SAM MYERTHALL** led "Boom Chika Boom." Before Taps there was just enough time to "unleash the beast" - **DANIEL MALIS** - to end the Camp Fire with a flawless display of "SCADOO." With 180 campers inside Wass Hall, the energy was high ahead of our competition against the camp from the west. Lucky Canteen 236. Once the cheers were finished, everyone took their seat to end the night with Taps. Thanks to **JEREMY**, the Senior Cabin: **JACK BEHAR**, **DANIEL MALIS**, **MAXWELL MASON**, **ISAAC MILLER**, **RYAN FIRMIN**, **KADEN LISKA**, **SAM STEINER**, **ALEX STELZER**, **GAVIN BRAMWIT**, **ALEX GAU**, **LOUIE KANTER**, **GEORGE NASSAR**,

Twilight League Surprise

By Editor
The start of Twilight League is often a surprise which many of our campers do not see coming. This year was no different as at dinner, to much cheering and happiness, Program Director **ETHAN WEISS** informed all campers that they would be competing in a sand castle building competition as a cabin, down at the waterfront. After dinner, all cabins made their way back to their cabins to change into suitable outfits for the sand and to discuss potential sand castle ideas. As the campers arrived at the waterfront both **ETHAN** and **MARC GOODMAN** were stood in the sand waiting to give a demonstration

As **MARC** continued to dig in the sand he hit something hard. **ETHAN SCHWARTZ** asked if **MARC** had “hit a water pipe” while other campers, led by **CHARLIE TAYLOR** and **ZACH FIELD** were trying to squeeze to the front to see what had been hit in the hole. **JEFF TOOMBS** approached the hole informing the campers that “it will probably be some rocks.” However, much to the shock of all, **MARC** pulled out a large piece of ice. After smashing the ice **MARC** held up what was inside – a softball, while shouting “it’s Twi-

After flag, all campers, counselors, kitchen staff and admin were called down to the waterfront, in cabin order, wearing either a green or white Menominee tshirt. As the cabins approached, they began discussing what funny faces they would pull and making sure their hair was in perfect shape. **JON WOOL** was discussing what funny face he was going to pull and slipped down the hill, laughing as he fell. **SIMON MANN** and **DRAKE ELMAN** raced down the hill looking forward to their cabin photo and **DYLAN FLETCHER** was still deciding whether he would wear his green or white Menominee top. First up was the cabin photos, where each cabin sat on the brown benches with their counselors stood behind. Once the cabin photos finished, the campers lined up from tallest to shortest. The shortest camper was **ZACH FORMAN** and the tallest was **CIT JAKE HOODACK**. As the bleachers filled up, the campers squeezed together to make sure everybody could fit. After the first photos were taken, everyone got ready for a funny photo. **JADEN DONSKY** pulled a funny face and **COOPER BORSTEIN** stuck his tongue out. The all camp photo was a huge success.

THE LIP SYNC EDITION

WEDNESDAY JULY 18, 2018

Lip Sync Night By Editor

CM skit nights are always the best. Last night was no different as our campers took to the Wasserman Hall stage to take part in Lip Sync Night. First up in the junior division were cabin 3, who selected "Watch Me" by Silento to lip sing and dance along to. **ZACH FORMAN** came running into the middle of the group in his sunglasses and began breakdancing when the song lyrics sang "ooh watch me, watch me." Next up were cabin 4 who began by singing the nursery rhyme "Old McDonald had a Farm" and **COOPER BORSTEIN** hoping around the stage. The song then broke into a rap version and the cabin began producing their funniest dancing while lip singing along. Cabin 5's performance began with the cabin lip singing "Baby" by Justin Bieber into sunscreen and bug spray bottles before their counselor **JOSH BROOKSBY** running into the middle, with his thumb in his mouth and began rolling around on his back, pretending to be a baby. Lastly up in the junior division was cabin 6 who, led by **TYLER FIELD** pretended to have a Menominee v Kawaga faceoff and lip sang along to "Take on Me" by A-Ha. When the dust settled, the only men left standing were the Menominee boys. When all winners were announced at the end, the winners of the Junior division were Cabin 5. Congratulations **DRAKE ELMAN, CHARLIE SANFORD, HARRISON KESTENBAUN, JORDAN STEIN, BRANDON JOHNSON, ENZO ROEHMER, JORDAN TOMLIN, ROBERT LOQUERCIO** and counselor, **JOSH BROOKSBY**. Next up was the intermediate division, kicked off by cabin 7. As the song started, they pulled up our South African counselor and judge, **DEAN ROGERS** and began lip singing along to the very popular song "Africa" by Toto. As the song hit the chorus and the lyrics "I bless the rains down in Africa", **LUKE MASON** poured water over **DEAN** to much laughter and applause from the onlooking audience. Cabin 8 were next up on the stage and began lip singing along to "Wrecking Ball" by Miley Cyrus. As they did, **AARON PELTS** entered the stage from the left-hand side and stood still like a wall. When the song broke into its chorus **JACK BERGER** came rolling onto the stage from the right, 'like a wrecking ball' and rolled into **AARON** knocking him off his feet. Following cabin 8 were cabin 17 who lip sang along with "Can't Stop the Feeling", led by **JASON ANDERSON**. **JASON's** brilliant dancing and lip singing had Wass Hall on their feet at the end giving a round of applause. Cabin 12 continued the laughter with a fantastic performance of "Stacy's Mom" by Fountains of Wayne, with **MILES PROVUS** playing along with the guitar. **COOPER SPECTOR** led the performance pretending to sing to 'Stacy.' As the song entered its chorus **HENRY MILLER** emerged from the right as Stacy's Mom to much laughter and applause from the crowd. Cabin 12 finished the song perfectly as **COOPER** grabbed **HENRY** to give him a little kiss. Cabin 13 took to the stage and produced their rendition of "Girl on Fire" by Alicia Keys. The boys stood in a line lip singing along and as the chorus began **HARRY STEINER** ran through the middle of them to tear his t-shirt off his back and become the lead singer. Cabin 11 followed with "Barbie Girl" by Aqua. **WILL SIMKINS** pretended to be the Barbie Girl and the remainder of the cabin surrounded him to dance along. Last up in the intermediate division was Cabin 19 who danced and lip sang to "Strip that Down" by Liam Payne. In a very funny performance, the boys had dressed up in what seemed like their whole wardrobe and began taking off layer after layer of clothes. When the results were announced, there was a special mention for Cabin 12, but the winners were Cabin 13: **ASHER BERMAN,**

Finally the senior division took to the stage, led by cabin 14 who lip sang and clicked along to "Take Me Home, Country Roads" by John Denver. **ZACH GOLDMAN** and **TOBEY BERKS** did an excellent job of getting the whole of Wass Hall to sing and click along with the cabin. Next up were cabin 15 who produced some of their best dancing and lip singing abilities along to "Mask Off" by Future, led by **EMILIO QUINTANAL**. The final cabin of the night was cabin 16 who began lip singing and dancing along to "All of the Lights" by Kanye West. As the chorus began building up, cabin 16 turned off the lights in Wass Hall so we were in complete darkness.

When the lyrics "turn up the lights" began, the lights flicked back on to leave their counselor **JONAH BROWN** in the centre of the stage alone, singing along with the chorus. As the song came to an end, his cabin returned to dance along to the music. Cabin 16 ended another fantastic CM skit night with best performance of the night and rightly took the win in the senior division. Congratulations to cabin 16: **RYDER SPECTOR, JOSH BARSKY, GAVIN PICKLIN, NATHAN DUBINSKY, ANDREW DRENNAN, CHARLIE DUMO, MAX KIRSCH, ZACH MEYERS, JEREMY ZELKEN**, their counselor **JONAH BROWN** and to all the other division winners.

Big 10 Michigan Skiing By Logan Rosengard

It was a sunny morning on Sand Lake and like most Big 10 periods, the waterfront was packed with first time skiers. Among the rookies was veteran skier **CHARLIE RATTERMAN**, tasked with helping the first timers get up and around the lake. **JORDAN GENTNER** was trying his best to slalom for his first time and despite struggling, never gave up. Meanwhile **MAX BEERMAN** had no trouble getting up and slaloming around the lake as if he was a professional. In another boat, **MAX MASON** was working on getting up on two skies for his first time, while **RYAN FIRMIN** got up with ease and tried to help **MAX** learn the technique required. Overall it was a great day on Sand Lake with campers showing their determination to succeed and willingness to help each other progress. There will be many more perfect waterfront days to come.

Counselor Basketball v Kawaga By Logan Rosengard

Menominee 28, Kawaga 24

As **JASON** told the camp this morning, it has been a while since the counselor basketball team had beaten Kawaga. That was well known amongst the Menominee boys and they set out to correct that fact. During the warmup, the seniors and CIT's who had travelled in support were heard singing CM cheers to hype the team up. As the first half got started, Menominee got the offense rolling with good shooting from **ETHAN WEISS**. This was matched by some brilliant defensive work from **ADAM BALTZ** and **ISAAC WEISS** to keep the score in Menominee's favour. At the half Menominee led a tight game 15-13 and CM knew they could win this. As the third quarter began, Kawaga were seeing plenty of the ball but the Menominee defense was holding strong and late into the third led 19-15. Some further good teamwork from **BRETT WEISS, BENJIE SOREN** and **JAKE JONES** put CM up 24-18 going into the fourth. At the start of the fourth, Kawaga clicked and brought the score back to 24-22. However, after a brief timeout and team talk from **THOMAS C ADLER** and **JASON**, Menominee were able to regain their composure. As the clock ran down, **MARC GOODMAN** managed to ice the game by making two free-throws and make the final score 28-24 Menominee. Congratulations to Menominee for taking the win. CM now lead Kawaga 2-0 in counselor sports and will be hoping this run can continue.

THE AGAWAK SOCIAL EDITION

FRIDAY JULY 20, 2018

Agawak Social By Erica Baker

Laughs were had and memories were made as the CM boys hosted the Agawak girls in a carnival themed social. Each cabin was tasked with creating their own carnival booth to help entertain the girls. Cabin 3's **JJ BARBER** and **ETHAN SCHWARTZ** had the idea to run a face painting and temporary tattoo stand, Cabin 4 ran a Bozo Buckets stand, Cabin 5 came up with the idea to do a ski ball with buckets game and Cabin 6 ran a fortune cube game, created by **JADEN DONSKY**. Cabin 7 decided to run a very popular carnival game of throwing beanbags at cans, Cabin 8, led by **CHARLIE EISENBERG** and **AARON PELTS** decided to run a "Guess our Weight" stand, with counselor **EVAN KOTTER** being the central figure. Cabin 9 decided to run a football through hoops game while Cabin 11 created their own truth and dare booth. Cabin 12's **HENRY MILLER** helped come up with the great idea of shooting ping pong balls off bottles with a squirt bottle and Cabin 13 recreated the very popular Battleships game. Cabin 14 created their own version of limbo, while cabin 15 led a balloon popping game. Cabin 17's **JASON ANDERSON** and **RYAN MCCORMICK** came up with a remake of the very popular college game and produced water pong and the media team also got involved, creating their very own "funny photo booth" stand. Finally, Cabin 18 produced the most popular carnival stand – speed dating. Campers from both CM and Agawak would go on a 1-minute 'speed-date' before rotating to the next chair. One of the biggest attractions of the carnival was the inflatable obstacle course. Kids and counselors alike enjoyed racing through the course, determining who was the fastest. Shout out to **JACK BERGER** and **COOPER BORSTEIN** for both performing extremely well in the obstacle course. Throughout the carnival, many prizes were given out at each stand, but **RYAN WEIL** had clearly had a good day on the stands and was seen running around with handfuls of his candy winnings. The carnival food was a huge success and this was shown as the line for the corndogs and funnel fries could have reached all the way down the service road. **CHARLIE PEACOCK** was seen enjoying his funnel fries with an American flag face paint and the biggest smile on his face. Even the counselors joined in on the faint painting fun - **JOE VICKERS** sported the Agawak popular cat whiskers and flowers design. The boys had an amazing time and put in a lot of effort and hard work to create the perfect carnival social for the girls.

Never ending food line

Big Brother, Little Brother Family Vacation By Jake Herman

Last night, campers took a break from their usual post-dinner Twi-Light League action as the Big Brother, Little Brother program kicked off. Twelve activities were set up around camp and each "family" of brothers made their way around to each. New campers were grouped together with returning campers who they got to know through fun questions

and activities throughout the night. So whether they were playing Kan Jam, Dizzy Izzy's or Knockout, each younger and newer camper got to know an experienced camper they can now look up to and lean on. Look out for more organized BBLB events in the future, but if you are in need of something to do during general, go find your big or little brother.

Cabin Feud By CJ Ashley

Last night in Wass Hall, the campers were treated to a game of Cabin Feud, which is played in the style of the hit gameshow 'Family Feud.' Our host for the evening was counselor **JAKE HERMAN**, assisted by Program Director, **ETHAN WEISS**. Cabins squared off 1v1 to try and uncover the top answers for various categories. Our campers had to use their quick-thinking skills, in which most rounds came down to the last answer on the board. In the junior division, cabin 3 went head to head with cabin 4 in a 'Favorite Meal' showdown. Despite buzzing first, cabin 4 were incorrect and left cabin 3 to take control. Despite good efforts, cabin 3 failed to capitalise and after three wrong answers it was left to cabin 4 to seal victory with the answer 'Hot Dogs and Burgers'. Well done cabin 4: **COOPER BORSTEIN, BENY GOLDBERG, SIMON MANN, THEODORE GALPER, ANDREW MORRIS, NEO SCHNEIDER, SAM WICK, EMIL KESTENBAUM and LEVI BLUM**.

In the other junior division match-up, cabin 6 overcame cabin 5 in a 'Most Popular activity during Cabin Activities' showdown. Despite answering correctly with 'Tramp Ball' cabin 5 were beaten with cabin 6's answer of 'waterfront'. Cabin 5 did have the chance to steal but with only one answer left on the board this was extremely difficult and after getting "Gaga Ball" incorrect, cabin 6 were the winners. Congratulations cabin 6: **TYLER FIELD, CHASE KAPLAN, BRODY SHEFREN, EAASTON NEWMAN, DANIEL GELFGAT, CHARIE TAYLOR, ELI FRIEDMAN and JADEN DONSKY**. Next up were the intermediates and a matchup between cabins 7 and 8. Cabin 7 quickly buzzed in for the question "What is something you use everyday at Camp" but answered incorrectly. After a few wrong answers, cabin 7 answered correctly and took control of the board. Despite having two strikes on the board, cabin 7 worked together to successfully answer "underwear" to take a clean sweep. Well done cabin 7: **MATTHEW HARFIELD, SAM ROSEN, JOSH PETERMAN, REED METZLER, EMMETT KREZ, LUKE MASON and LANDON DRAPATSKY**. Next up was a match between cabins 11 and 19, which was taken by cabin 19 thanks to cabin 11 being unable to steal when they had the chance. Congratulations cabin 19: **MATTHEW HEIL, DREW HERZBERG, CARTER ZIRLIN, DYLAN COHEN, JASON NEIDER, MICAH BLUM, JAKE MCDERMOTT, IAN POGANY, LIAD ZAMIR, RONEN SAREMBOCK, ELLIOTT ZELKEN, BODEN HOWELL, BEN LAZARUS and JESSE KAPLAN**. Next up was the match up between cabins 12 and 13 and despite successfully getting the top answer to "what is the most likely thing to be found on the cabin floor", cabin 13 elected to pass. This proved to be their downfall however as cabin 12 successfully answered the remaining answers and took the win. Well done cabin 12: **NATE BEERMANN, JOEY HOFFMAN, BRADY KAY, HENRY MILLER, BRADY WEISS, COOPER SPECTOR, JACOB SCHNEIDER, ETHAN MANN, RYAN MARTIN, MILES PROVUS, HARRISON HOFFMAN, JON WOOL and GRIFFIN BRAMWITT**. In an intermediate v senior clash, cabin 17 took on cabin 16. Cabin 16 answered quickest for the seniors and managed to correctly answer 4 of 5 answers. Cabin 17 had the chance to steal but unfortunately got it wrong and gave the win to the seniors. Well done cabin 16: **RYDER SPECTOR, JOSH BARSKY, GAVIN PICKLIN, NATHAN DUBINSKY, ANDREW DRENNAN, CHARLIE DUMO, MAX KIRSCH, ZACH MYERS and JEREMY ZELKEN**. As we entered the senior division, the questions became harder and about Menominee history. In the final three senior matchups, cabins 15, 2 and 18 all took victories over cabins 9, 10 and 14. Congratulations to cabin 15: **DREW BENJAMIN, NATE DUFFY, JAKE TOPEL, EMILIO QUINTANAL, SHANE KOEHLER-DAVIS, MICHAEL ABIANTOUN and DYLAN COHAN**, Cabin 2: **JAMES POPLAWSKI, MAX BEERMANN, QUINN KLENOW, CHARLES LACHMAN, MASON ARONAUER, HENRY CHABOT, JONAH FRIEDMAN, JAKE REINHARDT and COLE SOROSKY** and finally to Cabin 18: **JACK BEHAR, DANIEL MALIS, MAX MASON, ISAAC MILLER, RYAN FIRMIN, KADEN LISKA, SAM STEINER, ALEX STELZER, GAVIN BRAMWIT, ALEC GAU, LOUIE KANTER, GEORGE NASSAR, WILL PRICE, PETER GAU, NOAH DAVIES, JAMES MILLS, DANIEL WHITE, TYLER LONGNECKER, KASE RATZLAFF and SAM MYERTHALL**. Thanks to all for making Cabin Feud another CM skit night success.

THE FIVE YEAR NIGHT EDITION

SATURDAY JULY 21, 2018

Five Year Night By Editor

Each year, campers, counselors and staff are initiated into the Menominee's Five Year Club. There is a ceremony held in Wasserman Hall where existing members present Five Year jackets to the incoming initiates. Members are recognized for their long-lasting commitment to CM. The members of this club have learned to call the Friendly Confines their 'home away from home' and their love towards camp is unwavering. Each member of the Five Year club has made their own mark on camp and for this the Menominee family is forever grateful. Welcome to the Five Year Club.

THE LEADERSHIP EDITION

MONDAY JULY 23, 2018

Menominee Way Trait Week Four: Leadership By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls The Menominee Way. This week, the CIT's decided to discuss 'Leadership.'

"Leadership: Whether it's picking up trash off the ground or encouraging your team, leadership is an essential part of camp. A leader is someone who inspires others to work together for a purpose bigger than themselves, by putting the team first and setting a good example. Leaders can bring people together and mould kids into teams."

Congratulations to the following individuals who were honored for their exemplary leadership.

JEREMY KOHLENBRENER. JEREMY has been at camp for a number of years and has taken on one of the most important leadership roles here at camp – Waterfront Director. JEREMY leads from example at the waterfront and runs it extremely effectively, while allowing all to have fun in the process.

JACK BEHAR is the leader in the Senior Cabin. Whether he is out on the softball diamond or anywhere else on camp, everybody can see or here JACK and he will always be leading by example and demonstrating perfect Menominee leadership. JACK is a fantastic role model for the younger campers at Menominee.

JACK CARTER has always been a vocal leader, even from a young age. This is JACK's fourth year at the Friendly Confines and he has matured and become more of a leader, year on year.

LEO NECHELES. Despite being unable to play due to injury, this has not held LEO back and he can often be found cheering on his team from the side-lines. LEO has set a great example to the younger campers and shown them that you can also be a leader watching the game, instead of just being a leader on the field.

JACOB SCHNEIDER always leads in his cabin, in Twi-Light League and in every other sport he puts his mind to. JACOB has shown that he is able to lead the way in most sports and is a great role model to those around him and encourages others to try new things. JACOB will be at the forefront of the Kawaga competition, leading the way.

CHASE KAPLAN. Despite being his first year, CHASE has stepped up and shown his leadership within Twi-Light League. CHASE has been able to demonstrate his leadership through coaching others around him and helping others improve.

SIMON MANN has demonstrated his leadership through his all round attitude on camp. Despite only being young, SIMON is not afraid to start chants, lead his peers and cabin friends into new experiences or activities and SIMON is ready to lead by example in skit nights.

JAKE HERMAN. JAKE has always been a leader at camp. His coaching and leadership is beyond those around him and it is thanks to his ability to lead that the team around him succeed and wins championships. JAKE is not afraid to step up and lead leagues or other events at CM. His leadership is an example to his peers.

Paddleball Leagues By Adam Phelps

Campers are currently facing off head to head to be ranked and placed in tournament brackets later on in the session vs people their age or skill. In the senior division, **SAM GOODMAN** remains undefeated across all of his games. Despite being an intermediate, **EMMETT KREZ** has been another force and has defeated several opponents, including many seniors. In the junior division, **ROBERT LOQUERCIO** has been the defining force, defeating all other juniors in his league and is now willing to begin taking on the intermediates. **BRADY WEISS** and **HARRY STEINER** have both had commanding victories throughout their league campaigns so far and are hoping for a rematch of their King of the Camp paddleball championship game when the tournament begins. **HARRY** managed to take the win in the KOC final so **BRADY** will be hoping he is able to overturn that this time around. Good luck to all taking part.

Movie Night By Editor

After a day of fun in the rain, the campers showered, ate their canteen and descended on Wass Hall for another amazing skit night – Movie Night. First up were the juniors and Cabin 3 began proceedings with a retake of a scene from the film “Miracle”. CIT **LOGAN ROSENGARD** lined up the campers and made them run suicides when they answered incorrectly to “what is your job.” Each camper was pretending to be one of their counselors and provided funny answers of things they had done over the summer. Finally, **ZACH FORMAN** (playing **ADAM BALTZ**) ended the skit by correctly saying his job was to be “perfect.” Cabin 4 recreated a scene from “IT”, with **BENY GOLDBERG** being dragged into the sewers by **NEO SCHNEIDER**. The horror theme continued with cabin 5 as **DRAKE ELMAN** pretended to be Jason from Friday the 13th, killing many of his fellow campers. Last up in the junior division, cabin 6, produced the “Menominee Sandlot.” The campers were introduced out onto the stage, one by one and went through a question and answer session with CIT **JAKE HOODACK**. Each camper however was mimicking one of their counselors and gave tastful, but funny replies to the questions. The funniest impression was by **TYLER FIELD**, pretending to be **CRISTIAN LADISLAU**. When asked if he liked softball, **TYLER** shrugged his shoulders and instead showed off his impressive muscles and size. The juniors division was very close but the winners were announced as cabin 3. Well done **MASON AUSLANDER, JJ BARBER, DYLAN FLETCHER, DYLAN PELTS, ZACH FORMAN, ZACH FIELD, CHARLIE PEACOCK** and **ETHAN SCHWARTZ**. In the intermediate division, cabin 7 began with a remake of “Star Wars” – Star Cleaners. **SAM ROSEN** introduced the story behind the war. Each camper had given themselves a funny name, such as **LUKE MASON** – Darf Sweeper. Cabin 8 began with a retake of “The Incredibles” and **THATCHER SCHILLER** pretending to be Frozone, asking where his supersuit was – his Menominee jersey. Cabin 11 followed with a remake of dodgeball and trying to dodge traffic. The cabin then broke into the final showdown and used tennis balls to recreate the win for Average Joes. Cabin 12 followed and created their very own Menominee version of “Jumanji”.

“We want to see the show”

GEORGE as Pennywise

before being transformed into Jumanji and their alterego's, discussing their strengths and weaknesses. **JACOB SCHNEIDER** made the audience laugh a lot as he was transformed into 'scout master' **CHRIS KOPKE**. Next up was cabin 13 with a recreation of “Love Actually” scene where Mark tells Juliet he loves her on cards. Cabin 13 revamped this as a Menominee special and created their own cards, read by **HARRY STEINER**, about the love for camp. Cabin 19 were up next with their take on “Avengers Tryouts”, in which each camper pretended to be one of the counselors, while discussing what their superpowers were. Finally in the intermediate division was cabin 17 with “The Jason Anderson Show.” **JASON ANDERSON** was the host and created his own Jerry Springer-esque show to a loud applause and laughter from the audience. The winners were cabin 13: **ASHER BERMAN, ROWEN HARRISON, ZACH BEN-ISVY, JACK CARTER, BEN MILCH,**

ADAM STEIN, HARRY STEINER, NATHAN GELFGAT and **BENJAMIN TAYLOR**. Finally, in the senior age division, Cabin 14 began with a remake of the Lion King and showing ‘Simba’ to the onlooking lions. Cabin 15 created a three part “Star Wars” edition which included a Woody arrival back at camp and counselor **DWAYNE O'DE FREITAS**. Cabin 15 left the stage to a loud round of applause and laughter thanks to “Daddy **DWAYNE**.” Cabin 16 were up next and combined their Lion King soundtrack to an advert for Geico Car Insurance. Cabin 2 took to the stage next with **JAKE REINHARDT** taking the lead in a quick remake of “McFarland, USA.” Cabin 9 created their very own remake of “Rocky” called ‘Rocky with Asthma’ while Cabin 10 created their own version of “Finding Nemo” – “Finding Woody”. In this skit, **XANDER SCHILLER** asked each of the campers, who were playing counselors and admin where Woody was where they would give funny answers. The penultimate skit was by the Senior Cabin, with a recreation of “IT”. The campers, playing counselors, were shown their biggest fear by David ‘Pennywise’ Wood, portrayed by **GEORGE NASSAR**. This had the audience in a large amount of laughter and were deserved winners. Congratulations cabin 18: **JACK BEHAR, DANIEL MALIS, MAX MASON, ISAAC MILLER, RYAN FIRMIN, KADEN LISKA, SAM STEINER, ALEX STELZER, GAVIN BRAMWIT, ALEC GAU, LOUIE KANTER, GEORGE NASSAR, WILL PRICE, PETER GAU, NOAH DAVIES, JAMES MILLS, DANIEL WHITE, TYLER LONGNECKER, KASE RATZLAFF** and **SAM MYERTHALL**.

THE WE BEAT KAWAGA EDITION

WEDNESDAY JULY 25, 2018

MENOMINEE 43, KAWAGA 26

Three Peat! By Editor

We knew we could do it and we did do it! Summer had been building up to this and here we are – three years in a row. WE BEAT KAWAGA! CM had only spent two days prior to the competition practicing and after a tiring, jam-packed 69 events over two competitive days, the boys in green took victory and celebrated in Sand Lake last night. CM set the tone of the competition from day one and despite losing both hockey games, the 11&U's rallied back and finished the day 8-3, while sweeping soccer 3-0. Meanwhile, at CM the 13&U's and 16&U's continued the strong performances and pounced on every mistake Kawaga made. The 13&U's swept softball and football and the 16&U's held their heads high after strong battling performances in football and hockey. At the end of day one, CM were up 21-10 and had all of the momentum thanks to a fantastic 60-23 victory in wrestling. As we entered day two, Menominee knew they had to build on their momentum and continue to push for the victory as anything could still happen. The 13&U's headed over to the camp in the west and continued from where they left off taking basketball 3-2. As other scores filtered in, CM knew they had clinched victory and their third win in a row thanks to the 13&U soccer victory at Kawaga. CM did not stop to celebrate however and continued their push as the 11&U's swept basketball 4-0 and convincingly took softball 3-1. The 16&U's held their own at volleyball and basketball, tying both 2-2 before finishing the competition with victory in 16A softball, in front of the whole camp. Day two ended 22-16 in CM's favour, giving Menominee an overall resounding 43-26 victory. Congratulations to every single player, coach and official for helping propel CM to the win and a special shout out to **ETHAN WEISS** for helping organize a fantastic competition. Here's to three in a row!

11 and Under B Football By Jake Herman

Menominee 38, Kawaga 25

The 11B football game played at Camp Kawaga on day 1 of the competition was an instant classic that was surely one of the most exciting of the 69 events played over the past 2 days. The men in green came ready to play as they jumped out to a 12-0 first half lead. **ELI FRIEDMAN** did his best David Johnson impersonation out of the backfield by catching many screen passes that turned into huge plays, including the game's first touchdown. After being squelched by the CM defense on their first few drives, Kawaga made some adjustments and tied the score at 12-12 in the 3rd quarter. From there, the game opened up and a fury of scoring ensued. Quarterback **CHASE KAPLAN** threaded the needle on a long pass to **JASON NIEDER**, who slipped past his man to put the good guys up 19-12. After Kawaga responded and tied the game again, **CHASE** found tight end **NEO SCHNEIDER** wide open for a huge gain. As the third quarter ended, CM was in the red zone for a key 4th down. **CHASE** scrambled to avoid a weak Kawaga rush and found **JOSH PETERMAN** in the front corner of the end zone. **PETERMAN's** leaping catch put CM ahead 25-19. After a long drive, the host camp tied the game at 25-25 with 3 minutes remaining and lined up for a 1-point conversion. Coaches **JAKE HERMAN** and **JOSH GOODMAN** decided to send middle linebacker **CHARLIE EISENBERG** on a surprise blitz. **EISENBERG** sacked the Kawaga QB to keep the score tied. Lucky Canteen Number 31. This play would prove crucial, as CM was now able to milk the clock on their final possession. **CHASE KAPLAN** and co. led a very efficient drive all the way down to the 5 yard line for a 3rd and goal with 18 seconds to play. After a great block by **MICAH BLUM**, **CHASE** sprinted to his left towards the front corner of the end zone and extended the ball in for the go-ahead touchdown! With a 32-25 lead and 8 seconds left, CM's defense only had to stop Kawaga for one play. Cornerbacks **JASON NIEDER** and **EASTON NEWMAN** locked down their receivers, and a savvy rush by **ELI FRIEDMAN** forced a quick throw over the middle. The ball fluttered for a couple seconds and then found a home in the arms of **JESSE KAPLAN**, the QB spy who waited patiently all game for his highlight moment. **JESSE** returned the interception for a touchdown that ultimately sealed the game.

Menominee 3, Kawaga 1

The game began 11v11 on a very small pitch which made passing, dribbling and shooting extremely difficult. Kawaga had a goal disallowed early on as goalkeeper, **EMIL KESTENBAUM** was impeded when trying to take a goal kick. CM went on the attack and scored through a close range strike from **ELLIOTT ZELKEN**. The ball bounced around the Kawaga box before **ELLIOTT** took control of the ball and prodded the ball home to raucous celebration. Coaches **DANIEL WAITE** and **RYAN WILLIAMS** told the CM boys to keep pushing and it proved to be decisive as **TRUMAN MANKOWSKI** picked up the ball and hit the ball into the roof of the net giving their keeper no chance. CM led 2-0 at the half. In the second half, due to the small pitch the teams were reduced to 8v8. Some fantastic defensive blocks and clearances from **MATTHEW HARFIELD** and **DANIEL GELFGAT** kept the score at 2-0. **BRODY SHEFREN** came in as goalkeeper late in the game and despite conceding early on, made some fantastic saves and blocks to keep Kawaga out and the score at 2-1 CM. Kawaga had slowly come into the game after their goal but **ELLIOTT** had taken a captains role and dropped into defense to help his team. This impressive display of leadership helped as he consistently tackled and dispossessed the Kawaga strikers. As the clock began to tick down CM broke forward with midfielder and playmaker **SAM WICK** playing the ball through to **TRUMAN**. **TRUMAN** passed the ball past two defenders before running around them and striking the ball high into the net to make the score 3-1 and give CM the victory. Congratulations to all of the players on their fantastic performance and win.

Menominee 3, Kawaga 0

On a sunny Tuesday at Kawaga, the stage was set for the Menominee v Kawaga 13B soccer showdown. Both teams started nervy with a few misplaced passes but Menominee settled quicker. This was helped largely to **JAMES POPLAWSKI** and **GRIFFIN BRAMWITT** marshalling the defense and letting nothing through. On several occasions, CM nearly broke the deadlock with **JEREMY ZELKEN**, **BRADY WEISS** and **LUKE LARAMORE** all coming close. It looked like it would be all even going into half time until the 18th minute when a **BRADY**'s shot deflected off a Kawaga defender and into the net. Menominee led 1-0 at the half and had the momentum. The second half started at a fast pace, with Kawaga throwing men forward looking for the equalizer. **RYDER SPECTOR** did a fantastic job of breaking up the play from centre midfield and winning the ball back for CM. Kawaga came close a few more times but **ZACH MEYERS** held firm in goal. Menominee were becoming nervous with just the single goal lead until **BRADY WEISS** struck home a scrappy goal in the 10th minute of the half.

The game became much more open after that goal as CM were putting together some good counter-attacks. **LUKE** had more freedom to roam forward and forced Kawaga into a foul. **LUKE** picked himself up and delivered a perfect cross straight onto **GAVIN PICKLINS** head and into the net. 3-0 Menominee. As the seconds ticked down, coaches **SHANE O’RIORDAN** and **CHARLIE PRICE** began leading the excitement as the boys knew that this win would secure victory in the competition. After the final whistle and cheers, a flood of green rushed the pitch to celebrate the victory.

THE WE BEAT KAWAGA EDITION PART 2

THURSDAY JULY 26, 2018

16 and Under A Soccer By Editor

Menominee 0, Kawaga 0 (Kawaga win 4-2 on penalties)

The Menominee 16&U A soccer team took to the pitch looking for payback for losing on penalties for the previous two years. The game started at a quick tempo with both teams looking for an early goal. **HENRY CHABOT** was doing a brilliant job in goal, catching and saving every shot coming his way while **JACK FORMAN** and **JAKE REINHARDT** were perfectly marshalling the defense and ensuring all Kawaga attacks ended abruptly. Menominee's coaches, **NIAL INGRAM** and **JOSH INGRAM** had set CM up in a 4-4-2 diamond formation with **ISAAC MILLER** sitting in front of the defense picking up any loose balls in the middle of the field. This allowed **TJ MOCK** to roam freely on the ball and be the playmaker. This nearly worked for CM as **TJ** released **KASE RATZLAFF** through on goal before **KASE** narrowly dragged his shot wide. Menominee had started the stronger and full backs **RYAN FIRMIN** and **JOEY FINFER** continued to push higher up the field to pile the pressure on Kawaga. **JAKE HOODACK** went close to breaking the deadlock on a number of occasions, with his size and presence enough to worry their defense. Kawaga came into the game a little more as the game neared half time but the Menominee boys stuck to their positions well and were able to break down all attacks. Half time, 0-0. As the second half began, Kawaga went on the attack looking to force the opening goal. Some good defending from **RYAN FIRMIN** ensured that the shots they got away sailed high or wide of the net. **JAKE REINHARDT** was quickly putting in a man of the match performance as on several occasions he slid in well to dispossess and break down promising Kawaga counter-attacks. The second half became quite open and end-to-end as both teams pushed for the winner but neither team could break down the defense. Some good pressure from **JAKE HOODACK** forced their defense to panic and misplace a pass straight to **BEN ZELKEN**. **BEN's** shot was on target but well held by their keeper as **JAKE** followed in looking for any mistake. As the clock ran down, attacks were at a premium with neither team wanting to lose late on. Full time, 0-0. The game entered a ten-minute extra-time period in which tired legs were evident. The boys had fought all game but continued to run pushing for the winner. **WILL PRICE** ran passed Kawaga's tired defenders on numerous occasions and forced a final corner with seconds remaining. The corner was fizzed in and headed towards goal by **JAKE REINHARDT** but unfortunately went straight into the goalkeeper's hands. The final whistle blew and CM were back in a familiar position – penalties. Despite scoring the first two, Menominee went on to miss their third and fourth penalty kicks, allowing Kawaga to take the win. Despite the loss, the CM boys can hold their head high for leaving everything they had out on the pitch. We will get them next year!

Menominee 20, Kawaga 2

The 13&U D softball team were feeling confident as the camp from the west arrived. The game began with Kawaga selecting to bat first. **HARRISON HOFFMAN** pitched a stellar inning and struck their batters out one after the other, without a single run being scored. The pitcher from Kawaga could not match **HARRISON's** performance and did not throw a strike during his first inning. CM took advantage of this with coach **TOOMBS** telling the team to use the strategy of waiting for their first strike, so they could get their eye in before swinging. **ADRIAN WASHINGTON** did as coach said and was able to walk to first base as the Kawaga pitcher's struggles continued. Menominee used this strategy to their success throughout the match and scored

many runs early on. **BRADY KAY**, **JAKE MCDERMOTT** and **NOAH LAPOINTE** all added runs for Menominee, as they stretched their lead to over 10. In the top of the third, **WILL SIMKINS** left the game with a facial injury from a foul ball and CM showed their team spirit and togetherness by dedicated the remainder of their game to **WILL**. Everyone played with heart and showed the Menominee way throughout. Shout out to **EMILIO QUINTANAL** and **VINCENT CONTE** for amazing plays on defense, limiting Kawaga to only two runs the whole game. It was an awesome game with everyone getting a chance play. 13&U softball's future looks very promising and everyone is looking forward to next year.

Menominee 0, Kawaga 2 (18-21, 19-21)

The men in green faced off against Kawaga in a 13B volleyball showdown. Kawaga took an early lead, but a serving run by **MAX KIRSCH** quickly put Menominee ahead. Great setting by **ETHAN MANN** and **BRADY WEISS** set the tone for the rest of the game, with both players hustling for every second ball. **GAVIN PICKLIN** and **JOSH BARSKY** showed their will to win throughout the match despite Menominee narrowly losing the first set 18-21. **GAVIN** and **JOSH** could be found diving for every ball within their reach. Lucky Canteen Number 111. **COOPER SPECTOR** hustled for the ball in the back row, while **HENRY MILLER** played the best game he ever had, getting nearly every ball back over the net. Despite the valiant efforts, the men in green once again narrowly lost the second set 19-21 and ultimately the match. The boys should hold their heads high despite the defeat thanks to their effort.

Menominee 19, Kawaga 13

In the first block of the competition with the camp from the west, the 13A football squad looked to take an early lead and set the tone for the competition. Kawaga jumped out to an early lead after an interception for a touchdown. The Menominee boys started to fuse thanks to great leadership by **BRADY WEISS**. Thanks to an early interception by **GRIFFIN BRAMWITT** the team were able to score before the half. Even though the Menominee boys were down 13-6 at the half, they knew they could still win this and came out in the second half with a point to prove. Some great defense by **JAMES POPLAWSKI** proved to be the difference as he had two interceptions, which he returned for touchdowns. Menominee's defense held strong throughout the second half and stopped Kawaga from adding any points onto their first half tally. Menominee came out on top with a final score of 19-13 and should be proud of their determination to turn the game around in the second half.

Menominee 2, Kawaga 1 (ET)

The men in green sent out a starting eleven that played with great energy and nearly drew first blood on a number of close misses, including chances for **JONAH FRIEDMAN** and **KADEN LISKA**. Late in the first half, the Kawaga goalkeeper kicked a long ball forward that took an opportunistic bounce off the CM defenders and led to a Kawaga goal. As the halftime whistle blew, the men in green stayed upbeat despite trailing. CM knew they had gotten the better of the play and would soon break through if they continued to press. With about 15 minutes left, **JACK BEHAR** stepped up to take a free kick from about a third of the field away from the goal. **BEHAR** struck the ball and buried an absolute screamer into the top right corner past the outstretched arms of the helpless CK goalie. The equalizer energized Team Menominee, with **CHARLIE RATTERMAN** making many fearless tackles and winning 50/50 balls, keeping the ball in Kawaga's half. **LOUIE KANTER**, **MAX BEERMANN** and **DANIEL WHITE** all had golden chances to seal the game for CM but they were thwarted by Kawaga's goalie and a couple of unfortunate bounces. Kawaga earned a series of corners and a free kick from just outside the box as full time approached. Lucky Canteen Number 152. However, defenders **ADAM MASSELLO** and **CHARLIE RATTERMAN** cleared the ball away reliably and goalkeeper **GAVIN BRAMWIT** made an impressive save to his lower left to keep the score tied. Final score, 1-1 – extra time to commence. Barely a minute into extra time, the ball found its way to **DANIEL WHITE** on the top left edge of the box. **DANIEL** took a clever first touch, rounding the defender to create the space needed to blast a shot into the lower right corner of the net for the golden goal, sending CM into euphoric celebration. Shout out to every single player who played with immeasurable heart and hustle. A special shout out to **RYAN WILLIAMS** and **DEAN ROGERS** for officiating a very good game.

Menominee 41, Kawaga 0

CM had taken two tough hockey losses in the first round of the competition and were really looking to bounce back during the second round, football. Kawaga started with the ball, but quickly punted after three stops by the CM defense, including a sack by **EMMETT KREZ**. Menominee got the ball back and on third down, **AARON PELTS** delivered a bomb to **JACK BERGER** deep down the side-line for a touchdown. Menominee did not stop there and begun to dominate the whole game. **AARON PELTS** threw a total of five touchdowns, **JACK BERGER** and **JACOB SCHNEIDER** both catching two and **RYAN WEIL** catching the other. **ASHER DIAMOND** performed exceptional on defense and got two interceptions. Menominee went on to win 41-0 in a dominating one-sided game! Well done boys!

After courageous efforts from **CHARLIE EISENBERG**, **HARRISON HOFFMAN**, **ELI FRIEDMAN**, **ASHER DIAMOND**, **COOPER SPECTOR** and **SETH SCHOR**, the overall score of the meet was 14-14. **HENRY LEVIN** stepped on the mat and found himself down 4-3 going into the third round. **HENRY** mustered up everything he had left and delivered a momentum swinging pin for CM! Following this match, it was all CM. Shout out to **JACK FORMAN** and **GAVIN BRAMWIT** for wrestling incredible matches and to **MAX**

BEERMANN, **TJ MOCK**, **JARED AGUILAR**, **HENRY CHABOT**, **JOEY FINFER**, **JACK BEHAR** and **JAKE HOODACK** for delivering pins for CM. By a final score of 60-23, it was an exhilarating win for CM heading into day 2 of the competition.

THE SPORTSMANSHIP EDITION

MONDAY JULY 30, 2018

Menominee Way Trait Week Five: Sportsmanship By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls, 'The Menominee Way.' This week, the CIT's decided to discuss 'Sportsmanship.'

"Sportsmanship: Good sportsmanship is when teammates, opponents, coaches and officials treat each other with respect. Sportsmanship is a style and an attitude: it can have a positive influence on everyone around you. Good sportsmanship builds teamwork, character and teaches respect, honor, discipline, resilience and perseverance."

Congratulations to the following individuals who were honored for their exemplary sportsmanship.

DYLAN PELTS. Whilst it is only **DYLAN's** first year at the Friendly Confines, he has shown great sportsmanship throughout his activities. **DYLAN's** sportsmanship and positive attitude on and off the field helps not only himself but all of his teammates around him.

EMMETT KREZ. **EMMETT** is in his second year at Camp Menominee and you will always see him being a great sport on the courts. This past week, **EMMETT** could be seen cheering on the boys in green through every win and loss. Despite being in a competition, **EMMETT** kept friendly relations with opponents during and after the games.

EASTON NEWMAN has jumped into the Menominee way with ease, despite it being his first year. Throughout Twilight League **EASTON** plays with a smile on his face and during the Kawaga competition, **EASTON** cheered on CM instead of putting the other camp down and was first to lead cheers and say good game.

HARRISON HOFFMAN. In **HARRISON's** fifth year at camp, he is always seen picking up his teammates in a loss and keeping momentum and spirits high during a victory. During the Kawaga competition, **HARRISON** was always the first one to shake hands with the opposition and made a point of shaking the coaches hands too.

WILL PRICE. As a member of Senior Cabin, many of our younger campers look up to him. Thankfully, **WILL** is a good example of how to be a good sport. **WILL** can be seen playing his hardest until the end of all his sports and after cheers, high-fiving and congratulating his entire team with a smile on his face, even if the result did not go his way.

GAVIN BRAMWIT. In his ninth year at Camp Menominee, he has exhibited nothing more than his attitude and respect. **GAVIN** was a key member of the Menominee team this week vs Kawaga and was a great sport throughout, congratulating his teammates on every win and picking them up after a loss.

JOE VICKERS has made a huge impact on everyone he has come across at camp, despite it being his first year at the Friendly Confines. Although sometimes quiet, **JOE** can be seen helping the kids get around the lake for their first time or displaying great sportsmanship out on Woody's pitch.

PAMELA ADLER. There are no words to describe what **PAM** means to CM. **PAM** has brought all her camp knowledge from Chippewa and truly makes camp a better place. **PAM** is always seen shouting someone's name when they get up on Ski's for the first time and is a crucial part of the camp and an exemplary member of the CM community.

Honour Cabin: **CABIN 10**

At the end of the week, **JASON** honours a specific cabin for best demonstrating the six CM characteristics throughout that week. This week's winners were **CABIN 10**. Cabin 10 have thrived under the leadership of their counselors and demonstrated the characteristics throughout the Kawaga competition and intra-camp competitions. Congratulations **LEO NECHELES, JACK FORMAN, JACK KAPLAN, ARI GOLDBERG, JUSTIN CRASKO, COLTAN GAGE** and **JAKE JONES**.

Marimeta Social By Editor

There is no better way to spend a Friday night other than hosting a social for your sister camp. That is exactly what the boys did on Friday as they welcomed the girls from Camp Marimeta for a social in front of beautiful Sand Lake. As the girls arrived and walked down the hill, the boys were dressed to impress, playing games and dancing to music. **DYLAN**

Attitude Determination Heart Leadership Spirit Sportsmanship

FLETCHER and **DRAKE ELMAN** took the opportunity to see their sisters and **ZACH FIELD** and **JACK BERGER** spent the night catching up with old friends. **DYLAN PELTS** and **JJ BARBER** tied in seeing who could get the most girls numbers and spent the night showing their friends, while **DYLAN FLETCHER** played frisbee with his new friends. Lucky Canteen Number 35. After a night of laughter, the boys waved the girls off and we thank Marimeta for visiting and look forward to future socials.

Counselor Softball v Kawaga By Brett Weiss

Menominee 17, Kawaga 8

The CM staff had a lot of pressure on them as they headed to Minocqua to play Kawaga in the counselor softball game. They had defeated Kawaga in counselor volleyball and basketball and the softball team were faced with the tough task of completing the perfect summer. The men in green got the bats going early, scoring six runs in the top of the first inning thanks to **ETHAN WEISS**, **ISAAC WEISS** and **JEREMY KOHLENBRENER**. Team Menominee continued their dominance throughout the game, not giving up the lead once. Steller pitching by **BENJIE SOREN** and great fielding by **MARC GOODMAN** and **JAKE JONES** kept Kawaga from scoring runs. In the fifth inning, **MATT LAZARUS** came up to bat and crushed a two-run

Camper Counselor Switch Day By Editor

As tradition, every year the Senior Cabin host camper-counselor switch day where campers become counselors, counselors become campers and the Senior Cabin become the administration. The Senior Cabin nominates two parties: the Bob Bender Party and the Al Lewis Party and hold a town hall style meeting to see which party is elected. The meeting began with opening statements from the two

nominees for **JASON: JACK BEHAR** and **ISAAC MILER**. The campaign videos for each party were shown, proposed schedules were announced and reporters (counselors) in the audience asked questions. In a tight election, the Bob Bender party came out victorious. **JACK BEHAR**, **ALEX STELZER**, **DANIEL MALIS**, **RYAN FIRMIN** and **KADEN LISKA** were to take on their administration duties the next day. In a huge success, the Bob Bender party delivered on their promises and began with a lazy day wake up before Twi-Light League and General. After an extended rest period, everyone took part in Creatively Acquire, before General, dinner, Capture the Flag and Casino Night. Throughout the day, **ZACH FORMAN**

was extremely excited to take over the role of counselor **DANIEL WAITE**, as he became the Megaphone editor for the day, while **JACK KAPLAN** took the role of counselor **JAKE JONES** extremely seriously and could be found in **JAKE's** hat.

TUESDAY JULY 31, 2018

It's Green and White! By Jake Herman

Last night after canteen, all campers and counselors were called down to the campfire on the shore of Sand Lake. When they arrived, it was clear that this was no ordinary camp fire. On the beach the white team were making a huge scene as they huddled around a fire celebrating their past victories, while **WOODY** boasted of their glory. However, the celebrations were short-lived as the Greens' past captains stormed the beach in their canoes, eager for revenge and armed with bats and water balloons. **JEFF TOOMBS** called a halt to the invasion just as the Greens stormed the beach and announced that there was only one way to settle this next chapter of the battle: It's Green and White 2018! The previous year's captains: **BEN ZELKEN, TODD LAZARUS, JAKE HOODACK** and **LOGAN ROSENGARD** nominated their respective teams' new leaders with inspiring speeches that talked about the strategic and athletic qualities each captain held and how these would make them a successful leader. Each new captain was then "branded" with their team color and letter in paint on their shoulder to ceremonially begin the storied tradition that is Green and White.

Cabin Wars Sneak Out By Adam Phelps

Sneak outs are always a fun way for counselors to 'sneak' their campers out of their cabins, often at night and go somewhere in camp to enjoy a cabin activity. Leading up to their sneak out, cabins 5 and 6 had been at "war", thanks to clever pre-planning from their counselors. There had been several instances where **JADEN DONSKY** and **ELI FRIEDMAN** had infiltrated cabin 5, ready to do battle. Likewise, **DRAKE ELMAN** and **ROBERT LOQUERCIO** had done the same and had looked to enter cabin 6 to try settle the battle and win the war. During the sneak out, neither cabin knew what was going to happen and neither knew that the other cabin was also involved in the sneak out. Cabin 5's counselor, **JOSH BROOKSBY**, woke his cabin up after Taps and led them out, past Woody's pitch to where 'The Way' ceremony is held. **JOSH** either gave his campers a plastic laser guns or a noodle as a sword and told them that they were going to attack Cabin 6 as they arrived and crash their sneak out. However, unknown to the campers, Cabin 6's counselors **ADAM PHELPS** and **RAY OUTRAM**, along with **MAX WEINGARDT** had woken their campers up ten minutes after Cabin 5 and had told them the same thing. Upon arriving at the fire pit, Cabin 6 encountered a sneak attack from Cabin 5. **TYLER FIELD** and **CHASE KAPLAN** had to defend themselves from **JORDAN TOMLIN** with swords while **JADEN DONSKY** was fending off an attack from **DRAKE ELMAN**. Both cabins fought one another with their 'weapons' before a truce was called by the counselors. Lucky Canteen Number 135. The cabins then came together to have S'Mores around the burning fire and settle their differences once and for all, while sharing stories and laughing about the fun they had. Like most sneak outs, this one small moment will be forever remembered between the boys in cabins 5 and 6 and looked back on with great memories. Thank you to all the boys for getting into their cabin war and enjoying the sneak out and to the admin for allowing the sneak out to take place.

Timberlane Competition By Editor

Yesterday afternoon, the 13 and over boys travelled to Timberlane and the 12 and under boys stayed at CM for the Timberlane competition. However, what is now seeming like a tradition, after only completing the first round of activities, the skies opened and rained heavy on both Camp Menominee and Camp Timberlane. Unfortunately, due to the weather and due to the possibility of thunderstorms, the competition had to be cancelled and the boys headed back to their respective camps. Despite the cancellation, well done to both camps for competing with perfect sportsmanship and attitude throughout the activities that were able to be completed and fingers crossed for better weather next time we have the chance to play Timberlane.

12 and Under Soccer By Sam Miller

Menominee 8, Timberlane 0

The 12 and under Menominee soccer squad took to Ingram's pitch with confidence on Monday vs a tough Camp Timberlane side. Menominee had fielded a strong starting eleven and felt comfortable from the first whistle. CM went straight on the attack and opened the scoring early thanks to a beautiful left-footed strike, over the head of the goalkeeper, by **LUKE LARAMORE**. **HENRY MILLER** once again stole the show and scored a hat trick, with two goals in the first half and one in the second. **TYLER FIELD** added to the scoresheet in the first half with a brilliant finish into the bottom corner of the goal, after a perfectly played through ball from playmaker **EMMETT KREZ**. **JASON NEIDER** added a fifth goal for CM before half time with a strong finish from just inside the box. Half time, CM 5 Timberlane 0. As the second half began, CM went on the attack once more and scored their sixth through **HENRY MILLER's** hat trick goal. **JASON NEIDER** continued the rout with his second of the game before **ADAM STEIN** put away a cheeky volley from just outside the box, making it 8-0. **ETHAN MANN**, **CHARLIE TAYLOR** and **ZACH BEN-ISVY** all played well in anchoring the strong Menominee defense. Well done to all players for playing in such a dominant performance.

JACOB SCHNEIDER's redemption

12 and Under Tennis By Coltan Gage

Menominee 5, Timberlane 1

The tennis matches between Camp Menominee and Camp Timberlane were all amazing to watch. **HARRISON HOFFMAN** put on a fantastic display of Tennis, making nearly every shot to the point where his opponent was struggling to make a return. **DYLAN COHEN** and **CARTER ZIRLIN** both played outstanding and overcame their opponents thanks to hard, but accurating serving. **JACOB SCHNEIDER** approached his doubles match with team mate **BRADY WEISS** with an air of confidence about him. **JACOB** had said that this match would be his "redemption" as he had lost his match against the camp from the west. **SCHNEIDER** and **WEISS** were too strong for their Timberlane counterparts and

easily took victory. In another doubles match, **SAM ROSEN** and **NATE BEERMANN** showed no mercy on their court and pounced on every loose ball to win 6-1. Lastly, **JJ BARBER** put in a valiant effort, narrowly losing his matchup. **JJ** battled hard in his first competitive game on the court for Menominee and showed that he will be a force in future years. Well done to everybody for showing great sportsmanship and representing Menominee in the right way.

THE GREEN AND WHITE EDITION PART 2

WEDNESDAY AUGUST 1, 2018

Vroom By Adam Phelps

The first Green and White event of the day was Vroom. The aim of the game was for each team to capture multiple flags that were hidden around camp and in the woods, without being tagged or sprayed with colored squirt bottles. Once each team captured a flag, they had to bring the flag to their side of camp. The camp was split down the service road with the White team defending the flags on the golf course side of camp and the Green team defends the flags on the cabin compound side of camp. As the game progressed, campers became immune from being sprayed by a certain color of water once they had been sent to jail for being squirted by that color. However, if one of the campers was squirted by black water then they would be seen to have 'black death' and would be jailed for the remainder of the game. **SIMON MANN** and **GEORGE NASSAR** both fell victim to the 'black death.' The White team took an early 1-0 lead; however, **GAVIN BRAMWIT** tied the game shortly after by capturing a flag for the Green team. **ISAAC MILLER** and **LOUIE KANTER** teamed up to help the White team capture a flag and make the score 2-1. Once again, their lead was not to last as **JACK FORMAN** helped the Green team tie the score 2-2, with eight minutes remaining. As time expired, the scores were still tied 2-2 so Vroom went into a golden capture round – the first team to capture the flag wins. In this round, **ISAAC MILLER** produced some fantastic dodging and running as he ran with the flag from Archery to within seven yards of the line. Despite being tagged and having to drop the flag, **BRADY WEISS** was on hand to pick up the flag and take it over the line to help the White team take the victory 3-2. The White team produced amazing teamwork throughout the game to help propel them to the win. The Green team were tough opponents and were unlucky not to win the game. Special shout-outs to **DANIEL MALIS** for his great assist to **JACK FORMAN** to tie the game, and to **EMMETT KREZ** for his exceptional defensive efforts.

The Search for Woody's Stick By Charlie Jacobs, Wyatt Baumeayer and Luke Laramore

WOODY looking glum without his much loved stick

On Sunday afternoon, **WOODY** announced that his famous stick was missing and offered a crème egg to anyone who found it. **NATE BEERMANN** was called up to the front of Wass Hall by **WOODY** to confirm, to the campers who had never had a crème egg before, how good they are. Many campers spent a short period of time looking for the stick, but **CHARLIE JACOBS**, **WYATT BAUMEYER** and **LUKE LARAMORE** made the hunt their mission. After twenty minutes of searching, most of the campers had given up the search, but **LUKE**, **WYATT** and **CHARLIE** were not to be beaten. They decided to head to the office where they found **JEREMY KOHLENBRENER**, **JASON** and **JOSH INGRAM**. The lads asked **JEREMY** if he had seen **WOODY's** stick to which he confirmed he had. A couple of minutes later **WOODY** arrived with his stick in his hand. Even though **LUKE**, **WYATT** and **CHARLIE** did not find the stick themselves, they were awarded a crème egg each for their perseverance and determination. The lads enjoyed eating their crème eggs in front of the camp in Wass Hall. It was worth the hunt.

Runners and Chasers By Sam Maetzold

On a hot and humid day at the Friendly Confines, the second Green and White competition event was just beginning, and the camp was beyond excited. Runners and Chasers is a game of strategy and speed. Each team takes it in turns to line up in a diagonal line in the marked box, while a member of the opposing team (the runner) enters the box. The

Attitude Determination Heart Leadership Spirit Sportsmanship

runner must last as long as he can within the box without being tagged. If the runner crosses the diagonal line of chasers to the other half of the box, then the current chaser must tag another chaser to continue the hunt. The White team had a good start thanks to the leadership and speed of **ISAAC MILLER**. **TYLER FIELD** had a great run for the White team, taking advantage of his speed advantage and lasting for over a minute before being tagged. However, the Green team were not to be beaten so easily and answered back thanks to **GAVIN BRAMWIT** leading the way. Shout out to **RYAN FIRMIN** and **ETHAN MANN** for both having strong runs and to **CHASE KAPLAN** for strong defense, quickly eliminating many opposing players. The Green team managed to last 21minutes and 9seconds before all being tagged and on any other day this time could have led them to victory. However, the White team took victory after lasting an impressive 24minutes and 40seconds. Well done to both teams for their efforts and strong running throughout.

State of the Union By Editor

After dinner, the campers got into their third Green and White event of the day – State of the Union. The aim of the game was for each team to attempt to squirt and eliminate members of the other team. For every player you squirted, you ensured that the opposition team did not gain one point for that camper lasting the whole game without being eliminated. Each team had a president (worth 20 points), vice president (worth 10), speaker (worth 5), treasurer (worth 3) and two generals (each worth 2) and attempted to ensure these campers survived the whole game to earn extra points. For the White team, the role of president was **EMMETT KREZ**, vice president was **ZACH GOLDMAN**, speaker was **HENRY MILLER**, treasurer was **GRIFFIN BRAMWIT** and generals were **ASHER DIAMOND** and **RYAN WEIL**. For the Green team, the role of president was **HARRISON HOFFMAN**, vice president was **AARON PELTS**, speaker was **ETHAN MANN**, treasurer was **JACK KAPLAN** and generals were **JACOB SCHNEIDER** and **CHASE KAPLAN**. Lucky Canteen Number 50. Throughout the game, both teams attacked the opposition to attempt to eliminate the presidents. **ARI GOLDBERG** and **SETH SCHOR** could be seen running around, eliminating many of the campers. **DYLAN PELTS** and **ZACH FIELD** worked together to efficiently eliminate several team Green members while **ZACH FORMAN** managed to go the whole game without being eliminated, earning the Green team an extra point. Once all late points, penalty points and squirt bottles points were calculated, the Green team were announced as victors with a 69-59 victory. Congratulations to the Green team.

MAX KIRSCH very happy during State of the Union

Mannequin Madness By Editor

The fourth and final Green and White event of the day was Mannequin Madness, showcased in Wass Hall. In this event, each team had to dress up 1 Junior, 1 Intermediate and 1 Senior in a theme of their choice. The campers whom would be dressed up had to remain still, as if they were a mannequin. The rest of the age division had to help dress the mannequins, in pairs of two and all campers had to participate. The Green team's theme was to showcase the hard-working women at CM, while the White team's theme was to showcase the famous rap group 'Migos.' First up were the Junior mannequins, **CHASE KAPLAN** for the Green team and **COOPER BORSTEIN** for the White team. **CHASE** was dressed up and placed in a pose as if he was the Camp Photographer **CLAIRE MARTIN**, while **COOPER** was dressed up and posed as 'Migos' rapper,

Quavo. Following the juniors, were the Intermediates. For the Green team, **JASON ANDERSON** was dressed up as the newest chef at Camp Menominee, **MERCEDES CLARK** and for the White team, **RYAN MARTIN** was dressed up as 'Migos' rapper, Offset. Last to take the stage and be dressed up as mannequins were the Seniors. For the White team, **ALEC GAU** was dressed up as 'Migos' rapper, Takeoff, while the Green team's **ALEX STELZER** dressed as **SIMMY**, a former member of the CM admin' team. After deliberation, judges **ETHAN WEISS** and **MARC GOODMAN** announced that by a score of 2-1, the winners of Mannequin Madness were the Green team. Well done Green team.

On Wednesday night, the campers participated in a CM skit favorite – Imitation Night. Tug of War By Editor

The teams descended on Woody's pitch for another Green and White event – a best of three Tug of War. First up were the Juniors and both teams matched each other's strategy of lining up on opposite sides of the rope to the man in front. For the White team, **ROBERT LOQUERCIO** stood in the anchor position, while **TYLER FIELD** and **CHARLIE SANFORD** stood at the front of the rope looking to dig their cleats in and help their team get off to a good start. On the Green team, **BRANDON JOHNSON** took to the anchor position and younger campers **ZACH FIELD** and **JJ BARBER** stood at the front of the rope. Having older campers at the front of the rope was a brilliant strategy for the White team as they took the first game with ease. The Green team mixed things up in the second game but this was to avail as once again the White team dug their feet in and pulled towards a 2-0 victory. In the Intermediate division, the White team's **DRAEDYN SANFORD** took to the anchor position, looking to outpull the Green team's anchor, **DREW HERZBERG**. The White team placed both **SPENCER AUSLANDER** and **MATTHEW HARFIELD** at the front of the rope, while the Green team placed **JACOB SCHNEIDER** and **JOEY HOFFMAN** at the front. Thanks to the leadership of **CHARLIE EISENBERG**, the Green team pulled to a convincing first round win. In the second round, **BRADY WEISS** took control for the White team and led his team in a hard-fought game. However, despite **BRADY's** leadership, **JACOB SCHNEIDER** put everything he had into pulling and helped his team to another victory and take the tie 2-0. Last up were the Seniors in a winner takes all scenario. The Green team placed **GAVIN BRAMWIT** in to the anchor position, while the White team used **JACK BEHAR**. Leading the pull from the front was **EMILIO QUINTANAL** and **JEREMY ZELKEN** for the Green team and **ISAAC MILLER** and **LEO NECHELES** for the White team. In the first round, the White team began their charge and easily pulled the Green team over the line. The Green team needed to change their tactic and did just this by moving **SHANE KOEHLER-DAVIS** to the front of the rope. This move seemed to work well as the Green team took the second game and tie the contest 1-1. As we headed into a winner takes all game, both teams stuck to their strategies and began pulling. In a very close game, neither team seemed to be making much progress, until **JACK BEHAR** dug his cleats into the ground and began pulling the White team forward. The White team were only two feet away from winning but the Green team were not to be beaten. They managed to gain some footing and began their charge, pulling the White team over the line, to much celebration. Congratulations to the Green team for taking the overall Tug of War victory and to all Seniors taking part in the amazing back-and-forth third game.

Circle Dodgeball By CJ Ashley

What was supposed to be a night Twi-Light League, turned into a surprise Green and White event known as Circle Dodgeball, presented by **WOODY** and **JEREMY**. Circle Dodgeball is a twist on regular dodgeball where one team starts in the middle of a large circle and are surrounded by the opposing team instead of facing off on opposite sides of a court. The game is a lot tougher than traditional dodgeball because you do not know where the ball could be coming from. The action began with the counselors taking part in a demonstration game and was won by Cabin 4 counselor **JACKSON WUSTNER**, who stayed in the circle for an impressive 2minutes and 7seconds. During the first round, Intermediates **CHARLIE EISENBERG** and **HARRISON HOFFMAN** showed excellent skills to dodge the onslaught from the opposing White team and ultimately lead the Green team to victory. In the Senior division, we saw another competitive game as their experience proved to be vital. **SETH SCHOR** proved to be the ultimate dodger and was able to dodge ball after ball throw his way. After a whopping 3minutes and 15seconds, **SETH** was finally hit and eliminated but had shown his fight and determination and led the White team to victory. The Juniors were also able to get in on the action and in both of their games, the White team proved to be too strong, thanks to the leadership of captain **THEO GALPER**. The White team won the first game by over 1minute and 30seconds and won the second by 50seconds. Congratulations to all for taking party and playing with true determination, and to the Green team for taking the win.

SATURDAY AUGUST 4, 2018

League Championships Football By CJ Ashley

Yesterday morning, the campers continued with their MCAA League Championship action at CM with Jayhawk league. The Championship game featured the team led by **AARON PELTS** vs the team led by **JACOB SCHNEIDER**. The action started fast as **PELTS** connected with one of his receivers on a long touchdown pass to put his team up early. On defense, **PELTS** led his team to make multiple stops and take a commanding 19-6 lead as the game progressed. However, **JACOB SCHNEIDER** and his team were not to be beaten easily as **JACOB** made some key throws to **DREW HERZBERG** and **RYAN MARTIN** to help pull his team within one touchdown. The score stood at 25-19 to **PELTS** and **SCHNEIDER**'s team knew they needed a stop. However, **PELTS** demonstrated his excellent scrambling and throwing abilities and threw for another touchdown to receiver **MATTHEW HEIL** and seal a 40-27 victory, securing the MCAA Intermediate Football Championship.

Rock Band Night By Editor

On Thursday night, the boys took part in a Rock Band Night, hosted by counselor **JACKSON WUSTNER**. It was a great way to start another special Rock Band Night. Following this performance was **DRAEDYN SANFORD** who played a beautiful solo on Piano. **ZACH FORMAN** was next up on the stage and began singing and dancing to

Cement Signing By Editor

Every year, campers, administration, counselors and support staff all sign their name into the cement to commemorate the second session. Some of the English counselors: **JOHNNY PAYNE**, **DAN WAITE**, **JOE VICKERS** and **JOE GARRETT-GALLAGHER** added an English flag next to their name, while Cabin 3 added the phrase "little sunny" as a memory to a cabin joke. **MATTHEW HARFIELD** added his nickname next to his name and **JOSH PETERMAN** joined many of the campers and counselors by adding the number of years he has been at camp next to his name. Lucky Canteen Number 130. Special thanks to **CRAIG DOBSON**, **JOSEPH STAPLETON** and **MAX WEINGARDT** for laying the new cement and facilitating the event and to **JASON** for making this happen.

Counselors, campers, support staff and admin sign their names in the cement

Opening song: Menominee Shoes

'Barbie Girl.' **ZACH's** song choice was well received by the audience as they joined in, singing along. **DRAKE ELMAN** followed **ZACH** and once again treated the audience to a Piano solo. At the end everybody gave **DRAKE** a round of applause for his amazing performance. **MILES PROVUS** followed up from his opening performance with a guitar solo of 'Party in the USA' by Miley Cyrus. **COOPER BORSTEIN** once again created his own song which included lyrics of beating the camp from the west. **COOPER's** performance was loved by all and the audience clicked along to the beat. Counselor **ADAM PHELPS** received the standing ovation of the night as he approached the stage under his alter-ego; rapper 'YT'. **ADAM** proceeded to rap along to 'Without Me' by Eminem, adding

his own lyrics to the tune. Performances from **CHRIS KOPKE**, singing 'Wonderwall' by Oasis and piano solos from **BEN ZELKEN** and **GAVIN BRAMWIT** followed before a special performance from the kitchen staff. **MIKE TAYLOR** played the guitar as **VICTOR**, **NATHALI** and **ANDREA** sang a famous Mexican song. **DRAEDYN SANFORD** returned to the stage for his second performance of the night and beautifully sang 'Location' by Khalid before **JACKSON WUSTNER** played a solo on his electric guitar, while singing 'Naïve' by The Kooks. The final act of another amazing Rock Band Night was an extra special performance from **WOODY**, **JASON** and **JEFF**, leading everyone in an all-camp dance along to 'Blame it on the Boogie' by The Jackson 5.

Menominee Monopoly By Editor

The Green and White teams were split into smaller sub-teams and readied themselves for CM favorite Menominee Monopoly. The sub-teams were to roll a dice and move that amount of spaces around the Camp. As they moved around the camp the teams encountered tasks and counselors, who would give them a trivia question to answer, ranging from Nate Wasserman's year of birth to pitching a perfect game. If the campers answered correctly, they were free to move on, but if they answered incorrectly, they had to complete a punishment task. **NEO SCHNEIDER** was quick to help Cabin 3 and 4 White team moving forward by correctly answering 21 to the question; 'how many batters would a pitcher face if they pitched a perfect game'. **JACK CARTER** could not match **NEO's** correct answer and was therefore, was punished by having to go sing a chorus of 'Buttercup' to counselor **JAKE CZUPEK**. **JADEN DONSKY** correctly answered the question of how many years Mike Dunleavy Jr. attended Camp Menominee and **MICAH BLUM** shined for his team when asked about the Chicago Cubs pitchers. **HARRISON HOFFMAN** correctly answered the question on what year Nate Wasserman was born while the Senior Cabin Green team raced around the course, only getting two questions wrong. **TYLER FIELD** incorrectly answered last years' Senior Football MVP but redeemed himself by shooting a goal on the hockey rink. The White team completed the course in an impressive 30minutes and 56seconds. However, the Green team won with a blistering 28minutes and 3seconds.

Sock it to Me By CJ Ashley

In the British Bulldogs, Green and White showdown, the teams lined up on opposite sides of Woody's pitch in height order. Each team member had a long sock tucked into the back of their pants and were given a number. When their number was called they would either be on offense and attempt to cross the pitch without their sock being pulled by their opposing number, or be on defense and would attempt to stop their opponent from crossing the pitch by pulling his sock. **RYAN WEIL** made light work of the game, crossing the pitch untouched by any of the Green team adversaries. **DRAEDYN SANFORD** produced a fantastic display of twisting, turning and spinning his way out of trouble before eventually being stopped inches away from the line by Green team member **JASON NEIDER**. Green team member **ZACH FORMAN** produced a stand-out performance as he rode through three challenges before reaching the other side of the pitch. Shout out to **JACK FORMAN**, **HENRY MILLER** and **SETH SCHOR** for their amazing defensive work. When the dust settled, it was the White team who was able to claim victory with a final score of 35-30.

THE FINAL WEEKEND EDITION

MONDAY AUGUST 6, 2018

A Day in Minocqua By Editor

On Sunday afternoon, the CM boys piled into buses to head into the town of Minocqua for the day. Much like first session's Town Day, the sun was shining, and the campers took full advantage, eating ice creams, playing mini-golf at Island City, and sitting outside comparing their purchases. Once the CM boys had eaten their dinner at places like Kobe Sushi or Alexander's Pizza, they filled the bleachers at the Min-Aqua Bats show. The boys loved the show and started many chants thanks to the leadership of **JACK BEHAR** and **RYAN FIRMIN**. **DYLAN PELTS** and **DYLAN FLETCHER** summed up the day perfectly by adding that this was one of their best days at camp. Thank you to **JASON** for organising.

Chippewa Sailing Regatta By Asher Berman

The group of eight assembled by **CHARLIE PRICE** and **JEREMY KOHLENBRENER** set off for Chippewa Ranch Camp on Friday morning. **ALEX STELZER**, **RYAN FIRMIN**, **GAVIN BRAMWIT** and **CHARLIE** were in the boats and towed three sunfishes over to Dam Lake. On arrival, we were greeted warmly by the Chippewa girls and began socializing with them and the Timberlane boys. Hamburgers and hotdogs were prepared for lunch by Chippewa before everybody took part in a beach party with karaoke, and received their sailing assignments. Once the race began, **ASHER BERMAN**, **JACK BERGER** and **LEO NECHELES** quickly became the three racers out in front. The race was going well and was tight for the first of two laps. Unfortunately, during the second lap, the racers were called back to shore due to the possibility of thunderstorms. Special shout-outs to **CADEN LISKA** for being very enthusiastic throughout the entire regatta, **WILL PRICE** for being part of the 'Cutest Cockpit' award, **JACK BERGER** for finishing in second place in the regatta, and to **CHARLIE** and **JEREMY** for helping organise an amazing day.

JJ BARBER with his sister

Bari's Biffs By Benjie Soren

The Green and White teams set out to play Bari's Biffs on Saturday. Two partners, usually a Junior and a Senior, or two Intermediates, work their way around Camp to find a counselor, who will give them a game or activity to complete. If the pair complete the activity, they get a completion mark. The catch is, the biffer's, with flour-filled socks, aim to hit the kids with the socks forcing them to be out. Once you are out, the pair will have to complete a 'punishment' task to get back in, such as trivia questions or sing-a-song. **ZACH FIELD** and **ZACH FORMAN** successfully managed to complete the wheel-barrow race in a quick time. **MASON AUSLANDER** successfully kicked a field goal and **LOUIE KANTER**, **ZACH BEN-ISVY**, and **BRADY WEISS** were just some of the people who managed to complete most of the activities around camp. At the end of the event, and after all scores had been counted, the White team took home the victory with a score of 420-260. Well done to all who took part and to the White team on another Green and White victory.

Chippewa Social By Editor

On Saturday evening, the boys were treated to their last social of the summer, with the Chippewa girls arriving. Unfortunately, due to the weather, the annual color run had to be cancelled, but this did not stop us having fun, as the 12&unders had a disco-party in Wass Hall, while the 13&overs had their party in the Mess Hall. By the end of the night the rain had subsided, and all campers merged together outside for some dancing and laughter. **JJ BARBER** had an amazing night with his sister, while many of our Senior Cabin boys had fun meeting some of the Chippewa girls. **MATTHEW HARFIELD** was excited to see his age division and some of his friends from home, and **DRAKE ELMAN** entertained the girls with his dancing.

Doc's Run By Editor

Dr. KENNY MILLER started Doc's Run many years ago to promote exercise and goal-setting at Camp Menominee. As tradition has it, on the last Sunday morning of Camp, Menominee campers, counselors and admin' took part in the 4.5mile run (or walk). The run began at the intersection of County Rd. O and Hwy. 70 and ended half way down the service road, near the Mike Dunleavy Jr. Courts. Lucky Canteen 136. This year saw a record number of participants, and in what **WOODY** believed was the first time ever, a camper 1-2-3, and the youngest ever winner (12years old). Well done to every individual who woke up and participated. As **DOC** said, "Everyone who participated is a winner!"

THE SING EDITION

TUESDAY AUGUST 7, 2018

The Green and White Sing 2018 By Editor

The Sing is one of the most sacred and important traditions here at CM, and last night both teams sang their hearts out and made the camp proud. Each team performed a four-song medley consisting of "Fill a Stein," "To Menominee we Sing," "Menominee, Menominee,"

The White team sing their fight song

and a unique fight song for their team. Each team selected a theme, and the team captains delivered a speech on their themes. First to sing were the White team, who selected the theme, 'Equality.' To show this equality, each row wore a different colored shirt to show that everyone is both different and the same at the same time and deserve equality. The Green team's theme was 'Individuality' and showed this by wearing the clothing that best defines them as an individual. Once both teams had sung, the CIT's and counselors approached the stage to lighten the mood, and sing the songs they created, in fancy dress. In the end, the Green team won by a score of 3-2. Both teams sang their best throughout and can be proud of keeping the CM singing tradition alive.

The Menominee Masters By Thomas C Adler

Sunday morning, five boys were escorted by **ETHAN WEISS** and **THOMAS C ADLER** to the Menominee Masters. The Masters, held at beautiful Plum Lake Golf Course, had five participants, including **TODD LAZARUS**, **JAKE HOODACK**, **BENJIE GAU**, **JOEY HOFFMAN**, and **BEN MANN**. There were no Vegas odds on favorites and this was a completely even field. The script

The boys enjoy Cathy's as a treat

could not have been written any better as **JOEY** and **BEN** were tied going into the last hole, with the other three players two shots behind. **BEN** showed ice in his veins as he drove the fairway, hit an iron just off the green, and chipped within four feet. **JOEY** had already tapped in for a five and **BEN** needed his putt to win the coveted Menominee green jacket. And his iced veins prevailed as he rolled his Titlist in the centre of the cup. Wow, what a win but what a gracious winner. Everyone congratulated **BEN** in the true Menominee fashion of good sportsmanship. **BEN's** name will be engraved on the jacket along with all the names preceding him. Congratulations to all the contestants – Cathy's ice cream for all.

League Championships Paddleball

By Adam Phelps

Leading into the paddleball league championships, brackets were determined by age, ability and accumulated points over the 1v1 games leading up to the creation of the brackets. Within each league, there were both an A league and a B league champion, with many of the final scores being extremely close. In the Bear league period, **GAVIN PICKLIN** won the A league, beating **MICHAEL O'KEEFE** in an outstanding final, by a close score of 23-21. In the B league, **ASHER BERMAN** took the victory by beating **NATHAN VASS**. In the Buffalo league period, **ADAM STEIN** won the A league by winning another close match, beating **REED METZLER**, by a score of 22-20. **SAM ROSEN** cruised through the B league, beating **SAM WICK** in the final by a score of 21-8. In the A league in the Jayhawk league period, **LUKE LARAMORE** defeated **ALEC GAU** in the final by a score of 21-8 and **MATTHEW HARFIELD** clinched the B league by winning two of his three games over **NEO SCHNEIDER**. In the A league in the Longhorn league period, **QUINN KLENOW** defeated **MASON AUSLANDER** to win the league, while **DANIEL GELFGAT** overcame **COOPER BORSTEIN** to take the win in the B league. Finally, the Tiger league period hosted the largest number of competitors, which proved to be highly competitive throughout. Lucky canteen number 209. **DANIEL MALIS** won the A league, successfully beating **ALEX STELZER** in the final while **ZACH BEN-ISVY** won the largest league of all ten leagues, the tiger B league, by defeating **JACK CARTER** in the final by a score of 21-19. Paddleball leagues proved to be both fun and competitive throughout and congratulations to all champions and to all runners up for reaching the final.

Midnight Manhunt

By Editor

After a busy day in the beautiful town of Minocqua, the CM boys were expecting to get the buses back to Camp for Taps and bed. However, Green and White coordinators **ETHAN WEISS** and **BRANDON PTASZNIK** had a surprise in store for the green nation and as the buses rolled in, everybody could see a circle of flames, signalling the start of the Green and White favorite – Midnight Manhunt. As the boys stepped off the buses, they raced towards their cabins to get ready, before meeting in Wass Hall. The aim of the game was to take it in turns to go on offense and survive a twenty-five minute time limit without being squirted by the defending team. While on offense, campers could either hide and gain one point for

or try get into the 'ring of fire' to gain their team five points. The White team were on offense first and some good running and dodging from **ADAM STEIN** drew in several defenders, allowing others to make it into the ring without being squirted. Good hiding from **DYLAN FLETCHER** and **BRODY SHEFREN** ensured that they gained a point for their team. The Green team were next on offense and adopted the strategy to all attack from the start to reach the ring. This strategy did not work however, due to good ring guarding from captain **JACK BEHAR** and **LOGAN ROSENGARD**, managing to squirt most of the Green team. When the dust settled, and points were tallied, the White teams' defense were the difference in the game and helped their team to a 28-13 victory.

THE HEART EDITION

WEDNESDAY AUGUST 8, 2018

Menominee Way Trait Week Six: Heart By Editor

Due to Town Day on Sunday, The Way was postponed for a few days. Therefore, for one time only, the CIT's presented The Way on Tuesday night. This ceremony highlights a specific pillar of the six characteristics our camp calls, 'The Menominee Way.' This week, the CIT's decided to discuss 'Heart.'

"Heart: The difference between cheering or putting your soul into something. One with heart does not simply play to win, but plays to compete. Having heart is not just to play for yourself but play beyond yourself for a higher goal. One team may not be as skilled as another, but heart can be a gamechanger to lift the weaker team above."

Congratulations to the following individuals who were honored for their exemplary heart around camp.

MATTHEW HARFIELD. In **MATTHEW's** third year at camp, he displays his infectious love for camp every day. From cheering on his teammates during Green and White, to being the clown of the cabin, it is easy to see how much of an impact he has on the people around him.

DYLAN COHEN. While it may only be **DYLAN's** second year at CM, **DYLAN** can be seen playing his heart out, not only for himself, but also for his team. While **DYLAN's** actions during activities show his love for camp, his friendly attitude towards other campers and passion to learn more about camp also makes a difference around the friendly confines.

HARRISON KESTENBAUM is in his first year at the friendly confines and already shows the heart needed to be a notable figure at camp. To have heart, you need to show dedication to camp and all of it's functions, something he does daily. You will always see **HARRISON** putting in effort in all activities, even on the side-line supporting his team.

JACK FORMAN. **JACK's** veteran presence this year at the friendly confines has been felt by all. From building a victorious fire to cap off Green and White, to playing out for the fly ball in left field, his heart towards camp is indescribable. **JACK** approaches all challenges in his path with a hard-fought battle.

RYAN FIRMIN is a veteran at camp and in his six years, **RYAN** has done a great job showing his passion and dedication to Menominee, through every cheer he starts. As a Green team captain, **RYAN** was given the task of leading his team. During the competition, he stepped up immensely and has put all his passion and heart into being a captain.

MARC GOODMAN. In **MARC's** third year at camp Menominee, he consistently displays his love for camp. Whether he is out at football or running the league championships, he always demonstrates why he is such an integral part of camp and why camp Menominee needs **MARC**.

DANIEL WAITE is in his first year at camp and has taken on the role of the Megaphone editor. That is a role only a person who really cares about camp would take, and succeed in. Throughout the summer, **DAN** has been tasked to provide an issue to read nearly every day. That is a lot of responsibility for one guy, but he has handled it perfectly.

WOODY. **WOODY's** unconditional love for camp shines bright every day. Year after year, international staff come and go due to everyone's busy lives around the world. However, **WOODY** puts everything aside to come 'home,' to camp. **WOODY's** lack of presence this summer was felt by all, and we are thrilled to have him back. His daily work ethic and soft spot for CM proves to be unlike any other. As if nothing had happened, **WOODY** jumped right back into his role at camp which cannot be replicated by any single person. The Menominee family should forever be grateful for the unimaginable love **WOODY** has for camp and the thousands of people he has positively impacted.

Honour Cabin:

At the end of the week, **JASON** honours a specific cabin for best demonstrating the six CM characteristics throughout that week. This week's winners were the **CIT's**. Every day, the CIT's have demonstrated their love for camp through leading activities, cheering on their peers, putting everything they had into Green and White, and building amazing fires each week at The Way. They are an asset to CM and will be fantastic junior counselors next year. Congratulations **JAKE HOODACK, LOGAN ROSENGARD, BENJIE GAU, TODD LAZARUS, BEN ZELKEN** and **JOEY MATGOUS**.

White Win By Editor

After an incredible eight days of Green and White, split over 19 competitive events, the **WHITE** team were announced victorious, in Wass Hall, with a very tight score of 2220-1850. Once the winners were announced **JASON** said that this "could be the first time ever that a team has lost both the Sing and the Relay, but still won Green and White." Leading into the Sing and the Relay, the White team had won an impressive 11 of 17 events and unknown to them, had already built up a large enough lead to clinch victory. Despite being behind, the Green team never gave up, thanks to amazing leadership from captains **DANIEL MALIS, GAVIN BRAMWIT** and **RYAN FIRMIN**. The captains rallied their team to an amazing victory in the Relay and celebrated in the lake with their brothers. White team captains **JACK BEHAR, LOUIE KANTER** and **ISAAC MILLER** helped motivate their defeated team to the finish line in the Relay and led the team to the lake for celebration of their amazing efforts throughout Green and White. Congratulations to every single camper and CIT for taking part in this amazing competition and to the winning team: the White team.

Greens Take the Relay By Editor

Yesterday afternoon, was the final event of Green and White: The All-Camp Relay! 53 events stood between each team and popping the balloon on the flag pole, outside Wass Hall. The events ranged from completing chin ups to running around bases, playing tetherball and paddleball to rowing out to the landing of the bridge at Dam Lake, building a fire and boiling water to a relay in Frisbee golf and from potato and spoon races to climbing the climbing wall. Shout-outs to **BENJIE GAU**, for giving the Green team the lead during the rowing event, **JACK BERGER** for quickly winning his matchup in tetherball, **ASHER BERMAN** for climbing the climbing wall in just over a minute, which allowed the Green team to reduce the deficit, and **MASON AUSLANDER** for hitting a bullseye in archery with his first shot. Leading into the second to last event, building a fire and boiling water, the teams were neck and neck. **TODD LAZARUS** and last years'

The Green team captains seal victory by bursting the balloon on the flag pole

Relay fire building winner, **JACK FORMAN**, worked together to create an incredible fire. In what **JASON** called the "best fire he had ever seen in a Relay", **TODD** and **JACK** managed to boil the water in under 2 minutes and give the Green team the lead, leading into the final event: balloon toss up the hill to the flag pole. Despite dropping the balloon twice early on, the Green team got into a rhythm, thanks to the aid of captains **DANIEL MALIS, GAVIN BRAMWIT** and **RYAN FIRMIN** and quickly raced up the hill with the balloon, before the captains popped the balloon together and gave the Green team victory in 2:42:23. Lucky Canteen 71. The White team fought well throughout, refusing to give up, and managing to complete the Relay in 2:51:31. Congratulations to both teams for taking part in an incredible Relay.

THE AWARDS NIGHT EDITION

THURSDAY AUGUST 9, 2018

Awards Night By Editor

The final night of Camp had arrived, and despite it being a happy-sad occasion due to knowing we were leaving in the morning, Awards Night was a perfect way to end the summer, and a perfect way to recognize the campers. Due to the number of awards being presented, the award ceremony began early with several awards being presented at the end of the banquet, in the Mess Hall. After a short break to finish Twi-Light League finals, the award ceremony continued down at the camp fire by the waterfront, before heading back to the Mess Hall due to the liquid sun. Finally, the honor and Nate Wasserman awards were presented in Wass Hall. **JASON** decided to change things this year and instead of presenting awards for each of the individual Menominee traits, he decided to award an overall Junior honor camper, an overall Intermediate honor camper and an overall Senior honor camper, who demonstrated all six of the Menominee traits. Finally, the Nate Wasserman award of the night is awarded to the camper who best exemplifies all six traits of the Menominee Way. Congratulations to everybody who won an award.

Nate Wasserman Award: **JAKE HOODACK**

JAKE has impressed throughout this summer. **JAKE** is genuine, happy, has camp spirit running through his veins and is an overall great guy and leader. He is a fantastic example to those around him and was always the first to cheer on his team. Congratulations **JAKE** on this well-deserved award.

Junior Honour Camper: **CHASE KAPLAN**

CHASE is in his first year at the Friendly Confines and seems to do everything with a smile on his face. The staff consistently provided feedback to **JASON** about how great **CHASE** was both on and off the field. On the field, **CHASE** is an incredible athlete and is a fantastic role-model to his peers. Congratulations **CHASE**.

Intermediate Honour Camper: **ETHAN MANN**

ETHAN does everything at Camp with a huge smile on his face. Despite being asked multiple times to switch teams against the camp from the west or during Green and White, he never complained and did so with that huge smile. He is loved within his cabin by both campers and counselors. Congratulations **ETHAN**.

Senior Honour Camper – **JACK BEHAR**

JACK was an incredible leader throughout camp. He was a role model in everything he did and took on the huge responsibility of being a Green and White captain, in which he excelled. CM are excited to see where he will go next year as a CIT. Congratulations **JACK**.
