Dance Night By Editor

Last night after flag, the cabins were called into Wasserman Hall to take part in a skit favourite - Dance Night. **JASON** had earlier announced that all cabins would need to create a dance routine and dance along to any song of their choice. There would be three winners, one for each age division. In the junior division, Cabin 4 began proceedings, dancing along to MC Hammer's 'U Can't Touch This'. **DRAKE ELMAN** was the main dancer in the middle of the group and as the song played, he would have a dance off with his other cabin members and beat them as 'they could not touch his dancing ability'. Cabin 5 were next up and went wild dancing along with 'Wild Ones' by Flo Rida. Special mention to **TYLER FIELD** who danced in the wildest way he possible could and showed he really was a 'wild one.' Cabin 6 followed dancing along to the themetune of childrens television show, Mickey Mouse Clubhouse. **JOSH NAMORDI** and **JACKSON MERCHANT** dressed up in their funniest outfits and danced around together while the other cabin members showed off some crazy dance moves. In the intermediate division, Cabin 7 stood in a line and sang 'Head, Shoulders, Knees and Toes' while dancing along touching the body parts in order. Once this dance routine had concluded, **SAM ROSEN** showed off his breakdancing skills with a head stand. Cabin 8 impressed with mimicking the official dance video to 'Single Ladies' by Beyonce. **JACK BERGER** and **THATCHER SCHILLER** had near-perfect movement and showed exactly how Beyonce flicked her hand. Cabin 17, led by their Irish counselor **GERARD WELTON** produced a flawless Irish dance - 'Riverdance.' Stand out performers, who at times looked like Irish nationals with their dance moves were **COLE ADAM** and **BEN FLICK**. Cabin 14, danced along to the club-classic 'Turbulence' by Steve Aoki. The campers, dressed in all black, huddled around **NATE BEERMANN** as the beat began to become faster and the music began to grow louder. Once the music dropped, **NATE** quickly took off his black jacket displaying a bright colourful tshirt, sending the cabin into a crazy dance. Cabin 15 began with a dance to 'Barbie Girl' in which everybody quickly noticed one of their campers was missing. This was all part of the plan however as the music cut to 'Pony' by Ginuwine and out came **HARRY STEINER** dressed in just braces and some long pants. As he danced a little more he ripped his pants off to be just in swimming shorts, much to the laughter and surprise of the onlooking audience. Cabin 16's **DRAEDYN SANFORD** took the lead for his cabin dancing along to 'ABC' by Jackson 5 as the rest of his cabin stood back and clicked along with the music. Finally the senior division took to the stage and first to dance was Cabin 9. Cabin 9 was able to lift the whole audience to their feet and join in as they lifted **CIT JOEY MATGOUS** high into the air on his chair and danced around to 'Hava Nagila.' Cabin 10 were next to take the stage which began with **BEN KITE** telling a joke. Once the joke was over the cabin 10 campers danced along to in their craziest way possible to **PSYs** 'Gangnam Style.' Cabin 12 took to the stage with an unusual dance routine. World Cup Viewing Party By Editor

Usually a technology-free zone, camp allowed for this rare moment due to the importance of the game. Many of our international staff are from England and are feeling confident going into their semi-final matchup against Croatia, so it was good for them to get a glimpse of their potential finale opponents. All campers and counselors really enjoyed the game before getting back into their KOC activities and technology free camp.

The penultimate act for the evening was Cabin 19 whom, led by **XANDER SCHILLER** danced along to LMFAOs' 'Sexy and I Know It.' As the song progressed, **XANDER** began to slowly build up the intensity by slowly lifting his top before taking it off and swining it around his head. Finally, senior cabin took to the stage dancing along slowly to 'Lift Yourself' by **KANYE WEST**. This did not last long however as the song was cut short by "SCADOO" and an ensuing mosh pit.
