THE ROOKIE EDITION

MONDAY JULY 2, 2018

## Goodbye, Rookies By Editor

Yesterday marked the last day for our CM first session two week rookie program. First year campers are given the opportunity to test out camp by going for two weeks. For many first year campers, the idea of overnight camping is daunting, but the rookie program allows them to test the waters before fully committing to a session (or two) at camp. We are sad to say goodbye to each and every rookie and hope they thoroughly enjoyed their time here at the friendly confines, but our campers, counselors and cabin friends will always remember them for the following reasons:

**AIDEN SOLOMON** (Cabin 9) always had a good positive attitude towards every activity and general period. **AIDEN** always had a smile on his face and kept Cabin 5 smiling by asking as many questions as possible. **AIDEN** liked to keep cool and was often found standing in front of the fan in his cabin during rest periods.

**BODI JOHNSON** (Cabin 5). When I asked Cabin 5 “what one thing will you remember BODI for”, they all answered immediately with one word – basketball. **BODI** loved basketball and was consistently found out on the basketball courts shooting hoops and practicing his dribbling and skills.

**JACOB WERNICK** (Cabin 9) will be remembered by his cabin for consistently making everybody laugh. **JACOB** welcomed his whole cabin into the cabin everytime they walked in and it is this friendly behaviour that will be missed here at the friendly confines.

**JACK WALTERS** (Cabin 7) loved his sports. **JACK** and Camp Menominee was therefore a match made in heaven. **JACK's** cabin will remember him for being able to get involved with every single activity that CM had to offer, despite only being here for a short two weeks.

**AIDEN ZANOWSKI** (Cabin 5) had a love for hockey like no other. **AIDEN** was also extremely gifted at hockey and impressed his cabin and other counselors and campers regularly with his attitude towards hockey. He was not afraid to help other newer hockey players learn how to improve and this will be missed at CM.

**OWEN MCCORMICK** (Cabin 6) will be remembered for making the game winning catch in Ultimate Frisbee against Timberlane. The game was back and forth and both teams looked very strong but **OWEN** pulled off an amazing catch which gave CM the win and helped the 12 and unders to remain undefeated.

**PATRICK MCCORMICK** (Cabin 3) will remember Patrick for one thing in particular – the splits. **PATRICK** always seemed to be showing off his moves and his infectious attitude will be sorely missed. **PATRICK** was a fit at CM from day 1 and this was one of the reasons he was acknowledged in ‘The Way’ and ‘The Attitude Edition’.

## 13 and Over Baseball By Jake Herman

Menominee 4, Timberlane 5

Out on Al Lewis’ field, the Menominee men took on Timberlane in a friendly game of baseball. Coaches **TOM ADLER** and **JAKE HERMAN** gave **ERIC GOODMAN** the nod as starting pitcher and he did not disappoint, striking out four Timberlane batters within two innings of work. **JOEY FINFER** pitched admirably in relief but missed opportunities at the plate put CM in a 5-0 hold heading into the final inning. In typical Menominee fashion, the men in green did not give up. **MAX BEERMANN**, **JACK KAPLAN** and **ERIC GOODMAN** all reached base and with the deficit down to

Sliding into home

5-1, **TODD LAZARUS** gashed a 3-run single to centre field. With the score now 5-4, the Menominee magic ran out and Timberlane narrowly escaped with victory. It was truly an exciting finish and a game that CM could have won. However, all players involved should be proud of their effort, including **RYDER SPECTOR** and **LOGAN ROSENGARD** who snagged fly balls in the outfield and **JAKE HOODACK** who was sturdy behind the plate.

## 12 and Under Soccer

By Sam Miller and Editor

Menominee 6, Timberlane 4

It was a hot afternoon out on Camp Timberlane's soccer pitch, but the 12 and Under Menominee soccer team were able to persevere and record a 6-4 victory over a strong Timberlane side. Menominee started the better off, looking dangerous on the attack and strong in defence. **HENRY MILLER** opened the scoring in the game after good work down the left side from CM. Timberlane quickly responded however and scored to tie the game 1-1. **HENRY** and **FIN DORAN** scored two quick fire goals for CM to open a 3-1 lead midway into the first half. **HENRY's** goal was a wonderful free kick from the half way line, while **FIN's** was a fantastic solo goal, running past 4 defenders before firing into the top of the net. **JACOB MASKIN** added a fourth goal in the half for Menominee as the Green and Whites looked unstoppable. Disaster struck however, as within the last five minutes of the half, CM saw their 4-1 lead evaporate and end the half tied 4-4. In the second half **DRAEDYN SANFORD** anchored the back line and **JOEY HOFFMAN** protected the net as CM managed to keep a clean sheet. **HENRY** completed his hat-trick and gave CM the lead half way through the second half and in the later stages, **JACOB** added Menominee's sixth and final goal of the game. Special thanks to **JOE GG** for helping officiating a great match. Congratulations Team Menominee on a very impressive 6-4 win.

Menominee 7, Timberlane 7

The 12 and Under Menominee baseball team entered the game knowing that a win would complete a clean sweep of activities for the 12 and unders. They had a strong lineup including **DANIEL SHAMAH**, **JOSH NAMORDI** and **LEXX MALKIN**. **DANIEL** led the team through the first two innings as CM took a commanding 6-0 lead. Unfortunately, Timberlane came back into the game and held Menominee to zero runs for the next few innings. By the bottom of the fifth, Timberlane had shortened the deficit to 6-2 with a two run triple but CM was still looking in a good position to win the game thanks to some fantastic fielding and catching from **CHARLIE EISENBERG** and **THATCHER SCHILLER**. Menominee's **BRAEDYN SUBRIN** added another run and their first since the second inning, in the sixth to extend the lead to 7-2. Due to a limited amount of time, it was agreed between the Timberlane coach and Menominee coach, **JAKE JONES** that the last inning of the game would only have one out rather than the standard three. Menominee was up first and despite striking out, knew they had a healthy five run lead so just needed one final display of good fielding to secure the win. Timberlane's first batter hit a home run to cut the lead to 7-3 and this was followed by some good batting which left Timberlane with bases loaded. Some good pitching left the Timberlane batter on two strikes before he hit a grand slam trying the game at 7-7. It was a disappointing end to the game but Menominee can take pride in their fielding and batting efforts.
