Menominee Way Trait Week Five: Sportsmanship By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls, 'The Menominee Way.' This week, the CIT's decided to discuss 'Sportsmanship.'

"Sportsmanship: Good sportsmanship is when teammates, opponents, coaches and officials treat each other with respect. Sportsmanship is a style and an attitude: it can have a positive influence on everyone around you. Good sportsmanship builds teamwork, character and teaches respect, honor, discipline, resilience and perseverance."

Congratulations to the following individuals who were honored for their exemplary sportsmanship.

DYLAN PELTS. Whilst it is only **DYLAN's** first year at the Friendly Confines, he has shown great sportsmanship throughout his activities. **DYLAN's** sportsmanship and positive attitude on and off the field helps not only himself but all of his teammates around him.

EMMETT KREZ. **EMMETT** is in his second year at Camp Menominee and you will always see him being a great sport on the courts. This past week, **EMMETT** could be seen cheering on the boys in green through every win and loss. Despite being in a competition, **EMMETT** kept friendly relations with opponents during and after the games.

EASTON NEWMAN has jumped into the Menominee way with ease, despite it being his first year. Throughout Twilight League **EASTON** plays with a smile on his face and during the Kawaga competition, **EASTON** cheered on CM instead of putting the other camp down and was first to lead cheers and say good game.

HARRISON HOFFMAN. In **HARRISON's** fifth year at camp, he is always seen picking up his teammates in a loss and keeping momentum and spirits high during a victory. During the Kawaga competition, **HARRISON** was always the first one to shake hands with the opposition and made a point of shaking the coaches hands too.

WILL PRICE. As a member of Senior Cabin, many of our younger campers look up to him. Thankfully, **WILL** is a good example of how to be a good sport. **WILL** can be seen playing his hardest until the end of all his sports and after cheers, high-fiving and congratulating his entire team with a smile on his face, even if the result did not go his way.

GAVIN BRAMWIT. In his ninth year at Camp Menominee, he has exhibited nothing more than his attitude and respect. **GAVIN** was a key member of the Menominee team this week vs Kawaga and was a great sport throughout, congratulating his teammates on every win and picking them up after a loss.

JOE VICKERS has made a huge impact on everyone he has come across at camp, despite it being his first year at the Friendly Confines. Although sometimes quiet, **JOE** can be seen helping the kids get around the lake for their first time or displaying great sportsmanship out on Woody's pitch.

PAMELA ADLER. There are no words to describe what **PAM** means to CM. **PAM** has brought all her camp knowledge from Chippewa and truly makes camp a better place. **PAM** is always seen shouting someone's name when they get up on Ski's for the first time and is a crucial part of the camp and an exemplary member of the CM community.

Honour Cabin: **CABIN 10**

At the end of the week, **JASON** honours a specific cabin for best demonstrating the six CM characteristics throughout that week. This week's winners were **CABIN 10**. Cabin 10 have thrived under the leadership of their counselors and demonstrated the characteristics throughout the Kawaga competition and intra-camp competitions. Congratulations **LEO NECHELES, JACK FORMAN, JACK KAPLAN, ARI GOLDBERG, JUSTIN CRASKO, COLTAN GAGE** and **JAKE JONES**.

Marimeta Social By Editor

There is no better way to spend a Friday night other than hosting a social for your sister camp. That is exactly what the boys did on Friday as they welcomed the girls from Camp Marimeta for a social in front of beautiful Sand Lake. As the girls arrived and walked down the hill, the boys were dressed to impress, playing games and dancing to music. **DYLAN**

FLETCHER and **DRAKE ELMAN** took the opportunity to see their sisters and **ZACH FIELD** and **JACK BERGER** spent the night catching up with old friends. **DYLAN PELTS** and **JJ BARBER** tied in seeing who could get the most girls numbers and spent the night showing their friends, while **DYLAN FLETCHER** played frisbee with his new friends. Lucky Canteen Number 35. After a night of laughter, the boys waved the girls off and we thank Marimeta for visiting and look forward to future socials.

Counselor Softball v Kawaga By Brett Weiss

Menominee 17, Kawaga 8

The CM staff had a lot of pressure on them as they headed to Minocqua to play Kawaga in the counselor softball game. They had defeated Kawaga in counselor volleyball and basketball and the softball team were faced with the tough task of completing the perfect summer. The men in green got the bats going early, scoring six runs in the top of the first inning thanks to **ETHAN WEISS**, **ISAAC WEISS** and **JEREMY KOHLENBRENER**. Team Menominee continued their dominance throughout the game, not giving up the lead once. Steller pitching by **BENJIE SOREN** and great fielding by **MARC GOODMAN** and **JAKE JONES** kept Kawaga from scoring runs. In the fifth inning, **MATT LAZARUS** came up to bat and crushed a two-run

Camper Counselor Switch Day By Editor

The Senior Cabin nominates two parties: the Bob Bender Party and the Al Lewis Party and hold a town hall style meeting to see which party is elected. The meeting began with opening statements from the two
