A Day in Minocqua By Editor

On Sunday afternoon, the CM boys piled into buses to head into the town of Minocqua for the day. Much like first session's Town Day, the sun was shining, and the campers took full advantage, eating ice creams, playing mini-golf at Island City, and sitting outside comparing their purchases. Once the CM boys had eaten their dinner at places like Kobe Sushi or Alexander's Pizza, they filled the bleachers at the Min-Aqua Bats show. The boys loved the show and started many chants thanks to the leadership of **JACK BEHAR** and **RYAN FIRMIN**. **DYLAN PELTS** and **DYLAN FLETCHER** summed up the day perfectly by adding that this was one of their best days at camp. Thank you to **JASON** for organising.

Chippewa Sailing Regatta By Asher Berman

The group of eight assembled by **CHARLIE PRICE** and **JEREMY KOHLENBRENER** set off for Chippewa Ranch Camp on Friday morning. **ALEX STELZER**, **RYAN FIRMIN**, **GAVIN BRAMWIT** and **CHARLIE** were in the boats and towed three sunfishes over to Dam Lake. On arrival, we were greeted warmly by the Chippewa girls and began socializing with them and the Timberlane boys. Hamburgers and hotdogs were prepared for lunch by Chippewa before everybody took part in a beach party with karaoke, and received their sailing assignments. Once the race began, **ASHER BERMAN**, **JACK BERGER** and **LEO NECHELES** quickly became the three racers out in front. The race was going well and was tight for the first of two laps. Unfortunately, during the second lap, the racers were called back to shore due to the possibility of thunderstorms. Special shout-outs to **CADEN LISKA** for being very enthusiastic throughout the entire regatta, **WILL PRICE** for being part of the 'Cutest Cockpit' award, **JACK BERGER** for finishing in second place in the regatta, and to **CHARLIE** and **JEREMY** for helping organise an amazing day.

Bari's Biffs By Benjie Soren

The Green and White teams set out to play Bari's Biffs on Saturday. Two partners, usually a Junior and a Senior, or two Intermediates, work their way around Camp to find a counselor, who will give them a game or activity to complete. If the pair complete the activity, they get a completion mark. The catch is, the biffer's, with flour-filled socks, aim to hit the kids with the socks forcing them to be out. Once you are out, the pair will have to complete a 'punishment' task to get back in, such as trivia questions or sing-a-song. **ZACH FIELD** and **ZACH FORMAN** successfully managed to complete the wheel-barrow race in a quick time. **MASON AUSLANDER** successfully kicked a field goal and **LOUIE KANTER**, **ZACH BEN-ISVY**, and **BRADY WEISS** were just some of the people who managed to complete most of the activities around camp. At the end of the event, and after all scores had been counted, the White team took home the victory with a score of 420-260. Well done to all who took part and to the White team on another Green and White victory.

Chippewa Social By Editor

On Saturday evening, the boys were treated to their last social of the summer, with the Chippewa girls arriving. Unfortunately, due to the weather, the annual color run had to be cancelled, but this did not stop us having fun, as the 12&unders had a disco-party in Wass Hall, while the 13&overs had their party in the Mess Hall. By the end of the night the rain had subsided, and all campers merged together outside for some dancing and laughter. **JJ BARBER** had an amazing night with his sister, while many of our Senior Cabin boys had fun meeting some of the Chippewa girls. **MATTHEW HARFIELD** was excited to see his age division and some of his friends from home, and **DRAKE ELMAN** entertained the girls with his dancing.

Doc's Run By Editor

Dr. KENNY MILLER started Doc's Run many years ago to promote exercise and goal-setting at Camp Menominee. As tradition has it, on the last Sunday morning of Camp, Menominee campers, counselors and admin' took part in the 4.5mile run (or walk). The run began at the intersection of County Rd. O and Hwy. 70 and ended half way down the service road, near the Mike Dunleavy Jr. Courts. Lucky Canteen 136. This year saw a record number of participants, and in what **WOODY** believed was the first time ever, a camper 1-2-3, and the youngest ever winner (12years old). Well done to every individual who woke up and participated. As **DOC** said, "Everyone who participated is a winner!"
