THE CELEBRATION EDITION

FRIDAY JUNE 21, 2019

Soccer Celebration Night By RORY ANDERSON

On Thursday night we participated in our first official skit night led by **JOSH INGRAM**, **JAMES ROBERTS**, and myself, **RORY ANDERSON**. With the exception of the senior Cabin and the CITs, (they were on a night out) each cabin put together their perfect soccer celebration. Each cabin was judged by Menominee's judging criteria: taste, creativity, originality, humor, participation, and, of course, taste. A winner was chosen from every age group: Junior, Intermediate, and Senior. **NEO SCHNIDER**, **FIN DORAN** and **SIMON MANN**, members of cabin 5, helped secure the victory for the Junior age division. The Intermediate, lucky canteen number 7, age group did not have much competition when cabin 11 jumped on stage with their chests painted. This simple act proved that their enthusiasm for the skit night was off the charts, and it was nearly impossible to compete with this. Cabin 14, in the senior age group, did impress the judges with their celebration. **JACK MYERTHALL** and **CHASE ENGEL** went all out helping their cabin win for their age group. All the skits were wonderful and I hope everyone enjoyed participating.

Junior Twi-Light League By BENJIE SOREN

Twi-light league, the race for the trophies, is well underway. The Juniors have already showed some serious match-ups. Captains **BRAYDEN SUBRIN** and **FIN DORAN** have already led their teams to some solid wins. Team **DORAN** won game one after a strong performance from **AIDEN WAGNER** and **DRAKE ELMAN**. Game two saw **SUBRAN'S** team come to life

as **NEO SCHNIDER** and **DYLAN PELTS** hit some balls 'hard and on the ground', and a couple far into the outfield, scoring home-runs. Furthermore, **SIMON MANN** was a wall at first base in the last inning, catching every single ball thrown at him. Although the season is still young, it is shaping up to be a great one.

Arts and Crafts By Marcel Martinez-Vargas

This year at Menominee, our arts and crafts program is helping our campers to think and act as artists, 'makers' and designers. We explore them to work creatively and intelligently while using the proper elements of design. Campers are developing an appreciation and engagement in art, craft and design, as critical consumers and audiences and an understanding of its role in the creative and culture. **HUDSON DEUTSCH** has explored and tested his limits in what he can make. We have many projects to look forward to, such as making dreamcatchers, cardboard masks, experimenting with clay, and anything else that comes into the creative and wonderful minds of our campers. Senior Cabin campers, such as **RYAN FIRMIN, HENRY LEVIN** and **CADEN PERLMAN** have worked together recently to make signs out of wood to keep rules and order in their cabin. We have also made skateboards and birdhoThe creative minds of these campers are amazing and we are all excited to make a lot more art and crafts this summer.

Big 10 Hockey Day 1 By JAKE HOODACK

Out on the "hockey" rink or, as we call it at Camp Menominee, roller rink, about 23 Menominee men signed up for hockey Big 10 with the goal of improving their skills. To begin our first Big 10 practice, counselors **JACKSON WUSTNER** and I, asked some of the older guys to volunteer to help show the juniors some of their skills. **LUKE LESHIN** was first to volunteer, followed by both **MAX RUDLOPH** and **AIDEN ZANOWSKI**, teaching their hockey knowledge to the younger campers. The practice focused primarily on stick handling, a vital skill in hockey. The campers really seemed to understand the ideals **JACKSON**

and I laid out, and the importance of stickhandling. We ended the practice with a scrimmage of first to three goals. The campers lined up as they were numbered off one by one, separating into Team one and Team two. The game was tied two to two for quite a while. Finally, Team one broke through scoring the final goal, leaving them victorious. The first hockey Big 10 was a very useful period: everyone had fun and learned an important hockey skill.
