

We Will Show You The Way By Editor JAMES ROBERTS

Last night was the first time this summer we had the special ceremony known as ‘The Way’. This is a tradition close to everyone’s hearts here at Menominee, a time for reflection and celebration of what we have done this week. (It normally occurs on a Sunday evening, although due to some inclement weather we moved it to last night instead). As we finished off Twilight League and had our other nightly rituals by showering and getting Canteen, it was time to head out to The Way. As we walked from the Canteen to the far side of the soccer pitches, we did so in silence. This is the best opportunity of the week to take a moment to reflect on everything that has happened during that week, and how much fun has been had. As we arrived at The Way, we were met with an incredible fire made by our CIT’s including **ALEC GAU** and **KASE RATZLAFF**. The subject of this week’s ceremony was one of the Menominee traits, Attitude. Here is what Gavin Bramwit had to say about Attitude: “Attitude, it has a major impact in our everyday lives at camp. The way you carry yourself through victory or defeat affects not only you, but all those around. Having a positive and mature mindset is crucial when dealing with any situation in and out of camp.

What Attitude Means To Us By Editor JAMES ROBERTS

Last night at our first Way ceremony, we put our focus on one of the core traits of the Menominee way, Attitude. Every week at the way, we recognise a Menominee value and reflect on how it has positively influenced us that week. Last night at The Way, CIT **GAVIN BRAMWIT** spoke about what attitude means to him at camp and why it is so important. It was great to see an older member of the Menominee family capture the audience, as younger members paid attention to everything he was saying and clearly showed that they want to learn how to be a successful Menominee man. Here is what he said: “Attitude, it has a major impact in our everyday lives at camp. The way you carry yourself through victory or defeat affects not only you, but all those around you. Having a positive and mature mindset is crucial when dealing with any situation, in or out of camp”. The following eight individuals displayed a positive attitude this past week at camp and were recognised at The Way, Congratulations to you all: **ELI NAMORDI, SIMON MANN, MAX AGINS, NOAH WEISS, RYAN MARTIN, XANDER SCHILLER, SHANE SAUNDERS** and **ZACH QUEN**.

The Sun and Wind Saga Continues By Josh ‘Juice’

Goodman

The jam-packed day two of Sun and Wind began with ‘Runners and Chasers’, a classic all-camp game. The objective of the game is for the running team to go for as long as possible without being tagged by the chasers. Team Wind member **BRADY KAY** showed us his juking skills, while **CALLUM SYDENHAM** offering blistering pace, **BRETT WEISS** showing off his ability and why he is considered a veteran of the game. Team Sun were a different team to that of yesterday, laser focused and ready to win. Special mention to **LOUIE KANTER** and **GAVIN BRAMWIT** for giving Team Sun the inspiration they needed. However, it just wasn’t enough to beat Team Wind as the Sun came up two minutes short Team Sun still had enough time for

Big smiles for Team Wind after their victory.

redemption, though, as the second activity played was the 'Pursuit Relay'. [This game consists of every member of the team running half a lap around the soccer field, in a relay style fashion. The quickest team wins]. Stars of this event include awesome speed from Intermediates **TYLER FIELD** and **RYAN WEIL**, and counselor **JONNY BLOOM**. It was Team Sun who were able to enjoy the sweet taste of victory for the first time in this competition coming away with a three person lead. Both teams showed great attitude and determination in these challenging events.

Rainbow Over Sand Lake

By Editor **JAMES ROBERTS**

After a day full of awesome activities, sunny skies and some of the best liquid sunshine around, we got an insight into why the North Woods is one of the best places to be, by showing us its beauty with an incredible rainbow over Sand Lake. Times like these are the perfect opportunity to really appreciate the place we get to spend our summer, and to not take any second of it for granted. The Friendly Confines really is the best place to be, right here at Camp Menominee!
