First Session Junior Twi-Light League Championship

By **BENJIE SOREN**

In Junior Twi-Light League, Subrin's Meme Team battled Doran's Fishies in a best of seven series. On Wednesday night, the Meme Team took game one after strong contributions from **SIMON MANN** and **NEO SCHNEIDER**. Doran's team took game two after **FINN DORAN** and **DRAKE ELMAN** led the way with great hitting and fielding. In game three **BRAYDEN SUBRIN** led his team to victory, letting no balls get past him in left field, while also hitting home-runs at the plate. Game four went to Surbin's meme team putting the series at 3-1. **AIDEN WAGNER** led the Fishies to a seven run lead in game five, yet, the Meme Team came back to win game five, and with it, Junior Twi-Light League.

Keeping on the Sunnyside

By **ZACH FORMAN, ZACH FIELD, BENNY GOLDBERG** and **BRANDON JOHNSON**

Last night, the first night of the second session, all of CM went down to the lake for a beautiful campfire. During this camp fire, **MILES PROVUS** and **TOM ADLER** played a tune we all know as "Keep on the Sunnyside". Along with this song, comes a game. Either **MILES** or **TOM** calls on a different camper to share a funny, clean joke. Following the joke, everyone sings while the guitarists play "Keep on the Sunnyside". We heard jokes from **COOPER BORSTEIN, ROBERT LOQUERCIO, ADAM 'NURSE ON WHEELS' PLOTKI** and **MAURICIO ESPINOSA**. After we played the game, **JACKSON WUSTNER** performed Sweet Home Alabama. The campfire was finished off by speeches from counselors explaining how special camp is. **SAM MILLER** explained how here at camp, "the days feel like weeks, and the weeks feel like days", so we should all cherish every moment. **RYAN SERBIN** explained how, even though it is his first year, he already feels at home and how amazing camp friendships are. Lastly, we heard from **JASON** explaining how excited he is for the session to start.

Dance Night

By **JACK McCLUSKY**

What a spectacular night we had in Wasserman Hall for Dance Night! All the cabins created their own, original dance routine to a song of their choice, which they performed in front of the entire camp. And we sure did hear some classics. Cabin nine's routine to a Korean Pop song lucky canteen number 48 would have certainly had the *Dancing with the Stars* judges on their feet, as **TYLER FIELD, BRADY MYER,** and **RYAN SERBIN** strutted across the stage with elegant style. After long and careful deliberation, our three counselor judges announced the winners for Menominee's annual Dance Night. Cabin Four were victorious for the Junior Age Division, Cabin Ten held their own in the Intermediate Group, and Cabin Fourteen were dominant amongst the Seniors. Laughter abounded for the whole night, and we all cannot wait for a repeat of Dance Night during second session!

SECOND SESSION ARRIVAL By Editors CALEB SAKS & JACK SACKS

As the Lamers Buses arrived around 2:30 PM on Sunday, July 14th, campers on and off the bus were itching to reunite with their best friends for another four weeks of lasting memories. Campers swarmed into Wasserman Hall, where Jason proceeded to read off the cabin lists, as counselors and campers cheered and smiled for a photo. After everyone received their cabins, we all went around to different stations to get ready for the session. These stations were: letter writing to parents, goal setting, money for the bank, Big 10 sign-ups, leagues sign-ups, waterfront rules and health checks. It was a great start to an amazing session!
