Let the Summer of '98 Begin!

—Ron Bronson, Jr.

Yesterday at exactly 3:31pm, the 71st summer of fun at Camp Menominee began. Two bus loads of excited campers arrived at the friendly confines. After coming off the buses, the campers met their pumped counselors in Wasserman Hall, where the starting lineup for this year's cabins were announced by Camp Director STEVE KANEFSKY.

Campers then went on a scavenger hunt and after dinner picked their Big Ten activities. Those activities offered were Swimming, Megaphone, Basketball, Arts & Crafts, Football, Roller Hockey, Softball, Tennis, Archery, Riflery, Golf, Hardball, Windsurfing, Sailing and Volleyball.

"I signed up for hardball, because I have played it for a long time and I want to work on my pitching." said LOREN RUE of Cabin 14. AUSTIN NIETO of Cabin 10 said "he loves the rough contact of football."

Activities began today and will continue during the summer, along with other special activities for all campers.

MENOMINEE TENNIS HITS THE COURT

Need to work on your backhand, forehand or serve? Many of Menominee's rising tennis stars made their way to the Jim Wyeth tennis courts today for tips and practice on their games from **COURTNEY GAMBLE** and **KALIN ANASTASSON**. They are just two of the instructors here this summer to continue Menominee's dominance in tennis.

COURTNEY spent much of his lesson helping a camper focus on the ball, so that he can hit it. **KALIN** was helping several other campers fine tune their tennis games for upcoming matches this summer at Menominee. Also offered are private lessons for those campers who want individual attention on their tennis game. The signup sheet is outside on the door of the tennis shed.

So far, it looks as if we are going to be a tough team to beat. Keep up the hard work tennis players and **GO GREEN AND WHITE!**

TOUR OF MENOMINEE HOOKING THE BIG ONE

—Ryan Garcia and David Kornreich

Excited campers were up early in the morning, ready to start their Big Ten activities. Many of the campers were very familiar with their activities, while others were really eager to learn new sports. We took a tour around camp to see how they were doing.

First, we took a peak at **DAVID DAVIDSON** and **PHIL DEZERN** teaching the campers how to dribble and lay-up the basketballs. Next we saw a camper named **JASON** playing a game of tennis with his instructor **COURTNEY GAMBLE**. **JASON** even got a few shots past **COURTNEY**.

Next, we went to the soccer field. **JORDAN MARTONE** and his assistants were doing drills with campers. They should be good soccer players soon.

Lastly, we took a look at the volleyball court. There were campers practicing different techniques. After their practice, they played a short game.

Overall, today was a great day for campers and it should only get better.

—Adam S. Bellos

As with any sport, there are rules. The rules are for safety and to help you enjoy the sport or game that you are playing. Today, **ADAM ROMNECK'S** fishing class began with the basic lessons. "We don't begin fishing on the boats for about a week," said **ADAM**. This is so each camper better understands and has more fun.

If you follow the rules, you should have no problem "hooking the big one."

League Teams Announced

—Ron Bronson, Jr.

Today's rainy day wasn't enough to stop the announcement of this year's Menominee In-House Leagues teams. Campers signed up to participate in either Basketball, Hockey or Soccer.

This year's teams were announced by Menominee Basketball Association Commissioner DAVID DAVIDSON, Commissioner of the Menominee Intense Soccer League JORDAN MARTONE and TED ROTH, Commissioner of the Menominee Hockey League.

Play begins this week and rosters can be found on the bulletin board in the Mess Hall.

Playing in the Rain

—Ron Bronson, Jr.

Today's gloomy weather didn't mean doom for the gang at Camp Menominee today. During this morning's "rain delay", campers were split into their individual divisions and played different games.

The Juniors played an extremely intense game of "CAPTURE THE FLAG". The "Firebirds" of Cabin 3&5 were pitted against the "Tighty Whities" of 4&6. The Tighty Whities were ahead 2-0 in the best of five match, when the Firebirds came back with two unanswered wins to tie the series. Luckily for the Tighty Whities, Camp Program Director MARC BEERMANN announced that activities had ended just before the Firebirds converted for their third score, which would've won them the series.

The Intermediates played a great game of football, while the seniors played an exciting new game called "Speedball".

JUNIORS HARDBALL TEAM WIN SEASON OPENER

—Ryan Garza

Yesterday, the eight and nine year old hardball team defeated Eagle River Little League. The game was a mismatch of sorts, as our team played guys who were seven year olds. But it was good practice of sorts for our team, who had been put together only a few days ago.

Next up for the Soaring Eagles of Camp Menominee should be a tougher team, which will put our guys to a true test. Overall, we saw great sportsmanship displayed by our team. That made the game fun for both teams, regardless of the final result.

The winning cabins in each division were:

Cabin 4 in the Junior Division
Cabin 11 in the Intermediate Division
Cabin 14 in the Senior Division

Some of the highlights of the evening were Cabin 11's rendition of Taps and the amazing wonders of Ricky Kirsch's tongue rolling.

In the end, everyone was pretty amazed. MC COURTNEY GAMBLE did a great job of leading the event as well.

A weekly update from the
Menominee Intense Soccer League

—Carl Newman

The first day of MISL action was headlined by three exciting games. Game One was between England and Brazil. Brazil failed to capitalize on early pressure, with JOE KLEIN having his penalty saved by CHARLIE BAKER. England was caught upfield by a long ball late in the first half which LUKE STEIN crossed for SCOTT GOOD to finish at the back post. England never recovered from this and lost to Brazil 1-0.

Game two was a heartstopper. JOE KLEIN of England scored thirty-five seconds into the game, and while his team dominated the first half, Italy came back strong in the second half and tied up the game with a LUKE STEIN blast. A minute later, Italy scored the game winner.

Game three was England versus Italy ended tied at 1-1.

Campers spend Sunday in the North Woods **Menominee Open Gets Underway**

—Ron Bronson, Jr.

Menominee campers spent their Sunday afternoon searching the woods for the perfect campsite. Each Sunday evening this summer, they will go to their campsite for hot dogs cookouts with their cabinmates and counselors.

After finding the sites, many cabins marked and decorated their site to inform other cabins of their "claim."

"We had a lot of fun looking for our campsite," said one camper. After the cookouts were done, ice cream sundaes were served by counselors in the Mess Hall.

The Menominee Open Tennis Tournament began today with a nail biter in the fourteen and under division. JOE BABCOCK defeated BRIAN DEUTSCH six games to four. With the win, BABCOCK advanced to the quarter-finals against JOE KLEIN.

Waterpark Waterpark Splish Splash!

—By Jon Davidson, Ned Davies and Kevin Greenhill

Those were the first words heard by every Menominee camper yesterday morning as Camp Menominee took its show on the road to Rainbow Falls yesterday in Plover, Wisconsin.

There were lots of rides for the campers to choose from. Two of the most popular were the "Zero Gravity" ride and the wavepool. "Zero Gravity" was a huge ride that had two or three people get into a raft and go down then up a huge slide. Some people rode it three or four times. The wave pool was really popular, as it was always crowded. There were huge waves that came from the front of the pool to the back. Many people rented rafts to maneuver the waves, while other just swam in the water.

For lunch, we were treated to McDonalds. Hamburgers, Cheeseburgers and America's favorite fries were on the menu. After lunch, we tried some of the other things the park had to offer like Minature Golf and the Go-Kart track.

Around 2:30pm, we left the park for town day in Minocqua. Overall, it was a great day worth getting up early for.

THE LUCKY CANTEEN NUMBER IS 76

Menominee visits Minocqua

—Ron Bronson, Jr.

As if Rainbow Falls wasn't enough, Menominee's boys of summer took their road trip to the island city of Minocqua yesterday.

Campers were given their spending money upon leaving the bus and with their counselors were off to the streets of Minocqua.

Some of the popular stops were Book World, Baseball card shops and the arcade. Menominee's presence was shown in the good behavior of the campers while in town.

After shopping, most campers ate dinner at Alexander's Pizzeria. Alexander's also had more arcade games and a jukebox, for those campers with a few extra quarters left.

After dinner, we boarded the buses and headed back to camp. Exhausted, but jubilant to sing Menominee cheers and songs on the bus ride home. Another great camp day in the books at Menominee.

Chippewa ladies visit for a social

—David Kornreich

The ladies of Chippewa Ranch Camp made their way to the friendly confines of Camp Menominee on Monday evening in the pouring rain.

As the rain fell and the junior and intermediate ladies entered Wasserman Hall and the senior ladies made their way into the Mess Hall, it was pretty much a quiet afternoon.

But as the night progressed, the Chippewa ladies and the Menominee boys came out to the dance floor and danced the night away. The rain ended as the girls left and completed what was a great first social of the summer.

MONDI defeated KOHEN in thriller

In today's Menominee Open Tennis action, MIKE MONDI was up five games to one in his quarter-final match against ROB KOHEN and appeared to be headed easily to the semi-finals.

But, KOHEN rallied and came back to tie the match at five game apiece. In the tie-breaker, KOHEN led 6-1 and was just one point away from an amazing comeback, when MONDI won seven straight points to win the tie-breaker and the match 6-5 (8-6).

BRITISH AND AMERICAN '98 KICKS OFF

BRITISH AND AMERICAN '98 KICKS OFF

—David Kornreich

Last night after canteen, STEVE KANEFISKY, told the campers to go down and listen to his brother LARRY and KOZ play some tunes. They played two songs. Their third song was about the Americans fighting the British. STEVE told them to

stop in the middle of it. He said that there were a lot of British on the staff. He said "What should we do about it?" Then all the kids started cheering "B&A, B&A!" That began the intra-camp competition called British & American '98.

After that, everyone gathered into Wasserman Hall. We picked the teams by picking chips. Blue were American and Red were British.

Today, we did the Land Battles and the Water Battles. Everyone is looking forward to the ALL CAMP SQUIRTGUN FIGHT and MESSAGE TO GARCIA which will take place tomorrow.

Babcock advances to final

—Ron Bronson, Jr.

With his defeat of MATT SCHWARTZ today by a score of six games to four, JOE BABCOCK earned a spot in the fourteen and under division finals of the Menominee Open.

BABCOCK entered the tournament and drew a first round match, unlike some of the participants who recieved automatic byes to the quarter-final round. Undaunted, he has won his three matches en routh to this final and will face the winner of MIKE MONDI and DAVID EHRlich.

EHRlich defeated MARK PRESENT six games to four today. In the twelve and under division, JASON FELDGREBER defeated JOHN BAUMANN in their long awaited quarterfinal match six games to zero. He will next face ALEX DORN in the semi-finals, with the winner facing JAKE KLEIN in the final.

We're looking forward to going back next year and bringing the cup to Menominee.

THE BRITISH ARE LEADING THE BRITISH ARE LEADING

After the first full day of competition of "British & American '98", the British took a 2-1 lead today. The Water Events were taken by the British by a score of 13 1/2 to 11 1/2. The British completed the sweep by taking the Land Events by a score of 12 to 10. The Americans won the cheer competition to kick off the festivities last night. Some of the highlights of the day's festivities were Americans ALEX DORN and Overall Captain CHARLIE HOUSIAUX helping their cause in Water Hoops and Pass the Apple. The British were led by MIKE HARVEY, ROB KOHEN and Overall Captain HARRIS KEALEY. READY..SET.. CAPTAINS DUEL

Even for a first time camper, Captains Duel was an exciting time. Two people, water balloons and your teammates cheering you on.

This was the scenario late this morning, when USA Overall Captain **CHARLIE HOUSIAUX** and UK Overall Captain **HARRIS KEALEY** faced off to decide the winner of Captains' Duel '98.

While it look close for most of the duel, it took a few balloons, two rubber gloves full of water, two water balloons at a time and finally **ONE MORE BALLOON.**

In the end, the Americans took the two points and secured their lead heading to Message to Garcia.

MENOMINEE HOSTS THE META GIRLS

—Andrew Kershenbaum & C.J. Cohen

Saturday afternoon, after a tasty barbecue, it was time for some football. No, not that kind of football. Soccer!

The counselor ladies from Marimeta (with some of the their male staffers) and the guys from Menominee hit the near soccer pitch.

The Marimeta team held its own throughout today's lucky canteen is 39 the game, but saw few chances to actually attack our goal. The halftime score was a close 3-0.

That's when Menominee goalie **JORDAN MARTONE** decided to switch teams. Undaunted, the Green & White scored two more goals against **MARTONE** and finished the game at 5-0.

After the game, it was time to get down at the waterfront. A-Z Entertainment provided the tunes (and prizes) and we did the rest.

We ended the night watching the fireworks display courtesy of **KOZ**, it really was a great Fourth of July for everyone.

AMERICANS WIN!

--C.J. Cohen

In what proved to be probably the closest ever British & American competition at Menominee, one point separated the winning American squad and the squad representing the British.

It all came down to points and the Americans, with wins in the Cheer, All-Camp Squirtgun Fight and Captains' Duel ended up with twenty-six points to the British who ended up with twenty-five points. The British were able to muster wins in the Land and Water Events, as well as the all important Message to Garcia yesterday afternoon.

But it wasn't enough, as the Americans were able to push ahead by decisive victories in the All-Camp Squirtgun Fight by a margin of negative twelve points to six.

Overall, it was a great exhibition of sportsmanship and a whole lot of fun. In the end, this is more important and makes both teams winners.

Peanut Butter vs. Jelly

THE BATTLE BEGINS

—Ron Bronson, Jr.

As much of the camp embarked on their canoe trips, the rest of camp proceeded to flag raising like always on Monday morning. But that's where all the normal things ended. Counselors OLLIE CRICHTON and JOHNNY SCHATZ began to argue about whether Peanut Butter or Jelly was better on their sandwiches. After an intense weekend of British & American competition proved, it was time to draw the battle lines again and decide once and for all, which was better.

Camp Director STEVE KANEFSKY took the campers into Wasserman Hall to announce the start of this year's competition, campers found out their teams and off the battle fields we went. An added bonus was that counselors are also participating in these activities, so will Jelly rule or will Peanut Butter stick it to them? We shall see.

CAMP AGAWAK GIRLS VISIT THE FRIENDLY CONFINES

Monday night was a great one as the ladies from Camp Agawak came to the shores of Sand Lake for a social with the guys of Menominee. This one quite possibly topped the previous two; as Total Entertainment came to town and provided the music. From the start to the end, there was tons of fun for the entire crowd.

The evening included some fancy moves by the DJs and by our very own juniors. SAM STANCIEL, C.J. COHEN, CLAYTON & WESTON REESE, CAMERON GREENHILL and JAKE LASKY were among the party animals and all were from Cabin 3. Counselor JORDAN MARTONE displayed his knowledge of the movie "Grease", while COURTNEY GAMBLE tried to prove that New Zealanders can dance.

A charming night for all ended with cheers on both sides coming from Agawak and to

On the Pitch

— Carl Newman

The sun beats down onto the soccer field. Twenty-two players, sweat soaked and determined, face each other in a confrontation between the counselors of camps Menominee and Marimeta.

Coach of Menominee, YOGI TYRELL his nerves on edge with his team out for their first victory.

The game starts tensely, Menominee paces well, Marimeta tackling like their lives depended on it. Five minutes into the game the deadlock breaks with a NEWMAN header into the back of the net. The crowd goes wild! This is quickly followed by a goal from Alex, who is a member of the famed Menominee kitchen staff.

Menominee goes into halftime leading two goals up.

With confidence high, Menominee is able to switch around players. In all, twenty players had some part in the match. The second half saw goals from OLLIE CRICHTON, JAKE GOLDNER, JOHN RUSHMORE, ALEX LOFTY and RICKY KIRSCH, all put past Marimeta stand in goalkeeper, JORDAN MARTONE.

Special thanks to GENE FLECK for serving as referee.

TRIP WEEK SPECIAL

Before the end of the week, we'll all have experienced TRIP WEEK '98. Was it fun? Where did your cabin go? The Megaphone wants YOUR account of your cabin's trip. Articles will be published in a special Trip Week Edition of the Megaphone. So let the entire camp know how much fun YOUR cabin had!!

Peanut Butter takes the lead with win in British Bulldogs

The first competition in PB vs. Jelly was British Bulldogs. Competition Czar DAVID DAVIDSON announced that the teams would line up outside behind the BOB BENDER senior softball diamond and would compete in a first to three game series.

The Jelly took the first game in strong fashion as B&A British Captain HARRIS KEALEY, Ohio State's own YOGI TYRELL led the cause. But the lucky canteen number is 204 Peanut Butter rallied to take the next three games as BRETT GREENSPAN, MATT SCHWARTZ and Counselors JOSE BASAGOITI and team captain JONNY SHATZ led the way.

Peanut Butter triumphs in All-Camp Dodgeball

The Peanut Butter is having its way with the Jelly as they took a 3-0 series lead by winning All-Camp Dodgeball this morning.

First, the PB team took the Jelly to the limit and won the Juniors round of Dodgeball.

As if that wasn't enough, the Jelly couldn't quite keep up against the spread and lost in the Juniors & Intermediates round of competition.

To put the spreading on the bread, PB stuck it to the Jelly by winning the Counselor round, giving the Peanut Butter the win.

Stand-in Captain TED ROTH led the creamy side to victory along with help from ALEX DORN, JAKE LASKY and Counselor ANDREW BRYANT.

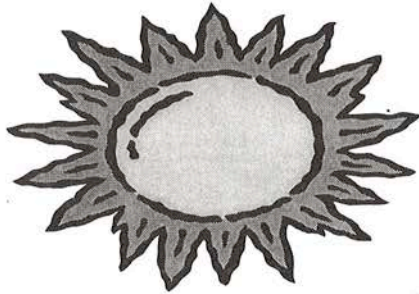

Peanut Butter inventor GEORGE WASHINGTON CARVER is smiling somewhere as the PB takes a commanding lead.

Cool Bases Nice Fight !

After Flag raising this morning, BEERS called everyone out to the senior diamond to check out the Brand New Hollywood Style Bases. On the first day of competing with another camp this summer, these new bases represent a whole new Menominee attitude of winning and sportsmanship. Mr. Steve Kanefsky, owner of the #1 Softball

Program in the Northwoods, personally hand picked these killer Bases. The only Nate representative in camp DAVID DAVIDSON had the honors of staking in third base, followed by the legendary man from Manitowac, KOZ at second base....and finally representing all the campers, THE SENIOR CABIN at first Base. After all the bases had been placed on the senior diamond, BEERS had everyone set to do a big Alvivo....But BARRY SCHWARTZ interrupted, begging for credit for measuring all the stakes for the bases.

“No Way, Goldner, Windjue, and GENE FLECK put those in .” Screamed RICKY KIRSH.

“ I CAN’ BELIEVE YOU DID THAT KIRSH ! “

The two tumble into a huge wrestling and shoving match...

SUN AND WIND CLASH

—Ron Bronson, Jr.

Yesterday began the Sun and Wind competition at Menominee. The intra-camp battle continued this morning with Creatively Acquire the Energy Source. The Sun team started off winning the first two games, led by team captain RICKY KIRSCH, with supporting roles by DAVID DAVIDSON, JAKE "I've got tons of numbers" FINE and CLAYTON REESE. Wind also displayed great spirit in their impression of Braveheart, when all the members of the team ran to the energy source. They were awarded five spirit points.

In a bonus ten point third game, the Wind was able to recover behind the effort of TED ROTH, JORDAN MARTONE and MAX THANHOUSER. Wind converted on five goals at one point in the game, to send the game into a sudden death final round.

In the sudden death, each team was able to register one point. Sun was able to overcome the Wind by scoring a five pointer and in the end was the better of the two teams.

Sun burns wind in Capture the Flag

—Gavin Spowage & Andrew Bender

It was a scorching 85 degrees and the sun was definitely shining not only in the sky, but also in this grueling head to head battle.

In a "best of nine" contest, the sun, led heroically by stand-in captain JAKE GOLDNER, quickly established a 1-0 lead through the great work of DAVID CHERNER. The second game was a tie. COREY GLAZER managed to scramble over the line with the flag just as the wind were doing likewise. The umpires' decision was a void game but the sun soon pressed home their dominance through a fine play by SCOTT SCHAFF to propel the sun to a 2-0 lead.

Special mention goes out to JOE KLEIN, MIKE MONDI & DANNY ROSEN for their intensity and never-say-die attitude during the game.

But it was DAVID CHERNER again who successful crossed the line, and consigned a sorry wind team to second place by a convincing score of 5-0.

SUN & WIND SPELLING BEE

—Johnny Schatz

Yesterday, all campers and counselors gathered into Wass Hall for the 1998 Sun and Wind Spelling Bee.

After being chosen by their respective captains, two representatives from each age division participated on behalf of their teams. The captains also chose two counselors to represent their respective teams.

It was a lopsided bee and the sun emerged victorious with TED BRENNER, ADAM LANGLEY, GRADY CHAMBERS, DENNIS PARAD and BRANDON WEISS spelling words correctly. PHIL DEZERN spelled his word correctly, and defeated his opponent. JORDAN MARTONE was the lucky canteen number is 108 lone bright spot for the wind, by spelling his word correctly to earn the only point of the night for the wind who suffered a seven to one loss.

12 AND UNDER BEAT INTERLOCHEN

—Loren Rue

A one-sided game it was as the twelve and under Soaring Eagles of Menominee defeated in a basketball game. As the first quarter started, BRIAN DEUTSCH showed excellent heads up basketball. Halfway through the first, starter STEVE SIGESMUND was replaced by MIKE HARVEY who made a couple shots. At the end of the first quarter the score was fourteen to zero in favor of Menominee.

A minute into the second, the Soaring Eagles had already scored four more points. An amazing effort was put in by A.J. SWEET, who had a good shooting day. Also, great effort was put in by JARED ANDRE as the half camp to a close. At the half, the score was twenty to two in favor of Menominee.

At the beginning of the third quarter, KENNY BRENNER and JON DAVIDSON made incredible three pointers. Great defensive skills were shown by SONNY SARANOW. SONNY also had a couple of good lay-ups. By the end of the third quarter, the score was thirty-one to six Menominee.

At the beginning of the fourth, great rebounding skills were shown by BRANDT YOUNG and like always teamwork and effort by all the players was present throughout the game.

In the end, the Menominee boys proved too tough for their opponents from Interlochen. A good effort from all sides. The final score was thirty-five to twelve.

The Soaring Eagles of Menominee got off to a quick start, with KRIS TRINDL scoring in the first half. Menominee managed to score two other goals in the period, while starting goalie JOE KLEIN gave up his only goal of the game to end the first half at three goals to one in favor of Menominee.

Early in the second half, with JEFF LYLES in goal, SCOTT LASKY and ADAM LANGLEY who pitched in with a hat trick. Other goal scorers were COREY GLAZER, GRADY CHAMBERS and BRETT GREENSPAN.

Final score was eight to one in favor of Menominee. It was a great day for the green and white.

The Sun team won the 1998 Sun and Wind Competition. They won one more event than the Wind. The score was four events to three. The Sun won the British Bulldogs, Spelling Bee, Creatively Acquire the Energy Source, and Capture the Flag. The Wind won both silent meals and the Cheer-Off. Both teams tried their hardest but most of the events the Sun won were won by a highly marginal amount. It was a great effort by both teams, especially the spirit shown by the Wind team.

In the end, the Sun proved to be too strong a challenge.

My Menominee Summer

—Cameron Greenhill

This is my first year at camp and it was a lot of fun, because we got to play a lot of baseball with JOSH WINDJUE.

Also, you get to play hockey and it is very fun. The soccer field is really big. I played on the Chicago Fire and it was cool!

You get to go swimming and tubing with KOZ. He is the waterfront director. You get to go fishing and water-skiing with JAY. (BURTON)

We went to the waterpark(Waterpark, Waterpark, Splish, Splash...) and we had McDonalds for lunch. After the waterpark, we went into town. We got to buy our own things in town and we ate pizza and played video games. It was very, very fun!

We have a lot of socials with girls camps and we get to dance. It is sort of embarrassing, but you get used to it.

I had a fun summer. I am going to tell all my friends to come to this camp next year with me.

HEAT WIN TITLE

—Koby Stern

In the Atlantic Division Championship between the Miami Heat and Orlando Magic, it was a battle between old foes. During the regular season, the Heat swept the Magic in both of the two games that the teams played.

The undefeated (7-0) regular season champions, the Heat endured the loss of many key players during the season. But with the late season acquisition of BEN CHALFIE before the trading deadline and the late free agent signing of ANDREW BAUER; Captain GRADY CHAMBERS and his squad remained focused.

In the first half, the Magic kept the game close with their duo of JUDAH KLEIN and ANDREW KERSHENBAUM. But the Heat rallied led by Atlantic Division MVP favorite GRADY CHAMBERS. At the end of the first half, the Heat were ahead by fourteen.

In the second half, the Heat pulled away led by the sharpshooting of ANDREW BAUER and MAX "M.J." JACOBSON. BEN CHALFIE pitched in with four points. JUDAH KLEIN tried to rally his team behind him, but in the end the Heat proved too strong and are the NBA's 1998 Atlantic Division Champions.

The Heat celebrated by dousing their General Manager RON BRONSON, JR. with water after the game.

CAMPFIRE ENDS FIRST SESSION

Some of Camp Menominee's campers ended their summer at camp last night at a campfire by Sand Lake. The campfire was led by Director STEVE KANEFSKY, who gave an inspirational speech reflecting on our first four weeks here at Menominee. We sang songs and just enjoyed the night with many of our friends who we will not see until next summer. It was an enjoyable time for everyone, including the counselors who were allowed to go to bed early at the conclusion of the campfire. A great end to a great four weeks. Here's to an even better upcoming four weeks!

CAMP HOLDS OFF-BEAT ACTIVITIES WEEKEND

—Ron Bronson, Jr.

With most of the camp gone due to parent visitation, the rest of camp has had a special opportunity to participate in activities that wouldn't ordinarily take place during a normal Menominee weekend.

GAVIN SPOWAGE announced yesterday that we would play games from different countries. These games are ones that most campers many not be too familiar with.

The day started off with some Cricket, Touch Rugby and Handball. Each of the activities went off really well and were well recieved by all the campers.

After dinner, everyone headed to the near soccer pitch for another popular foriegn game. Not soccer, but Australian Rules Football. An extremely fun contest had two teams of counselors and campers competing against one another. A highly successful start to what promises to be an extremely fun weekend at Menominee.

SECOND SESSION BLASTS OFF

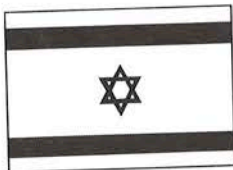

—Adam Bellos & Koby Stern

The second session of the Awesome Summer of '98 began yesterday afternoon, as two buses rolled in with about eighty pumped up campers ready to dive right in to this summer's activities.

When the buses arrived, the campers packed into Wasserman Hall to hear their cabin assignments. Each cabin then went on their ritual scavenger hunt around camp, to get their new cabinmates familiar with the camp compound.

After a BBQ style dinner, the rotation began. New campers were really looking forward to signing up for Big Ten activities. Most of them being first year campers, they asked lots of questions.

After signups and an all-camp meeting, each cabin had its candy party. During which we had Ask the Director. Following that, we all went to bed. A great start to what promises to be an awesome second half.

ISRAEL WINS QUADRATHON

—Al Ellis

Considering the heat, everyone put in a huge effort for Menominee's first every "Quadrathon". No pentathlon as we ran out of time, but still we had four thoroughly enjoyable events with ten rather unusual nations (good names by the way) taking each other on in Archery, Riflery, Cross Country running and swimming.

Led by New Zealand croquet legend, COURTNEY GAMBLE, Mongolia got off to a cracking start with the highest score in Archery, while the Israelis led by part-time gladiator and country singer SKIP NELSON came away with the riflery event in fine style. ICELAND showed their viking spirit and won the running leg, lead around the course by Crazy CARL NEWMAN. BILLY NARDINI surprised everyone and came close to toppling the favored Englishman in the final sprint to the line.

The swim was a closely contested battle with the Jamaicans revealing their gills to take what was to be the final event of the afternoon. Each event illustrated the strengths and weakness of all the competitors and it was the Israelies taht came through in all disciplines to win the day with consistent placing in all events. The results were very close, as Zaire took second and Mongolia took the bronze. Iceland finished fourth, while the USA came in fifth. Jamaica took sixth, Vatican City placed 7th, Tonga came in 8th, Japan in 9th and Holland 10th.

GLADIATORS EVENT ENDS OFF-BEAT WEEKEND

—David Davidson

The sun came up at the friendly confines like it does on everyday, but on July 18th would be no ordinary day. As the camp of less than forty campers were lead into Wasserman Hall, GAVIN SPOWAGE announced a new activity that would known as Menominee Gladiators.

A takeoff of the popular American Gladiators television show, the counselor committee set up five new events. The day started with a pillow fight version of the joust. Followed by powerball, assault & the wall all follwed.

After the handicaps were figured out DAVID DAVIDSON sent the contenders to a winner take all obstacle course known as The Eliminator. When the race was over and the dust settled, BRETT GREENSPAN won the junior division, JARED ANDRE won the intermediate division and BILLY NARDINI won the senior division. Special kudos goes out to gladiators Nil8r (SKIP NELSON) and Mad Swede (HENRIK MALMGREN).

All of the camper contenders and the counselor gladiators had a day that will next be forgotten.

On the Pitch...

—Carl Newman

The Menominee Intense Soccer League '98 season was settled in dramatic fashion, both senior and juniors providing thrill and spills.

The eventual winners for the juniors were the Chicago Fire, after a close contest in the final with the Colorado Rapids. KRIS TRINDL and DREW ISRAEL were magnificent for the Rapids; BRETT GREENSPAN and MAX THANHOUSER were awesome for the Fire. The tie was settled by the irrepresible GRADY CHAMBERS from the penalty spot.

The seniors game provided excitment up the final seconds. The contest had remained tied at 1-1 up until the last minute. Goals scored by BILLY NARDINI of England and DAVID NOFTSYER of Italy. SCOTT GOOD broke Italian hearts with only a minute to go, smashing the ball past COURTNEY GAMBLE and NARDINI capped an awesome display in midfield with a power-driver to make it a 3-1 final score.

Overall, it was a fine evening for everyone. A night that we'll always remember.

Big Ten Activities Kickoff

—Eric Anstadt, David Cohen and Matt Saltzman

Yesterday, the second session campers started their fun-filled day of Big Ten activities. The day began with Illinois and Northwestern activities, that were selected the previous night at Big Ten signups. Some of the more popular activities were hockey, football, basketball and baseball.

Many first year campers like SAM SHERMAN were really eager to get out and try new things. "I really wanted to play shuffleboard during general, with my counselor." The next few days of Big Ten should be refreshing for lots of campers who have spent their summers inside at home.

CONEHEADS NIP TRIBE IN SLUGFEST 23-21

In afternoon Junior Twi-League action, the Coneheads faced off against the Tribe of Judah. Both teams entered the game with a loss and wanted to badly get a win.

Behind the offensive effort of **BRETT GREENSPAN** who hit for the cycle and went seven for seven in the game, the Tribe went ahead into the top of the seventh by a score of nineteen to fourteen.

But the timely hitting of the Coneheads and their force **ELLIOT ANDRE** came back with **ANDRE's** grand slam in the top of the seventh. **ANDREW BAUER** chipped in with a homer the Coneheads, who are lead by **C.J. COHEN**.

In the end, the Tribe tried to rally. But it wasn't enough as they fell short two runs.

JOCKEYS OVER JUDAH'S TRIBE 14-9

In Junior Twi-League action, Jacobson's Jockeys got out to an early 5-0 lead in the first, led by **GRADY CHAMBERS**. But the Tribe of Judah, with captain **JUDAH KLEIN** at the helm, scored four runs in the top of the sixth to take the lead. In the bottom of the sixth captain **MAX JACOBSON** hit a grand slam to seal it for the Jockeys and gave them their first win of the season.

BEN AUERBACH and **ALEX DORN** were four for five. **DORN** also homered in the game for the Tribe. **BEN CHALFIE** and **ANDREW BAUER** helped the Jockeys with key hits.

I MISSED THE BUS

—Daniel Rosen

All ready to go to the Birch Knoll social, I began to watch one of my favorite movies. Distracted by "Good Will Hunting", I missed the call for the buses, which was taking us to the social.

HENRIK MALMGREN, another viewer of the movie, asked me when the buses were coming. I replied, "you'll know when they make the announcement." Being paranoid as always, I checked to see if the buses were at camp yet. Looking out of the large window, I saw an empty camp and no buses. I missed the bus.

Luckily for me, **STEVE** and **BEERS** had not left yet. They were leaving for the social in forty minutes.

In the meantime, **DAVE RHODE** and **BEERS** made a phone call to Birch Knoll looking for my counselor **JAY BURTON**. That was because it is **JAY's** responsibility to check if our entire cabin got on the bus. When **JAY** got to the phone, **DAVE** asked if I had gotten on the bus. **JAY** replied with a yes. **DAVE** then told him to go find me. After five minutes of not spotting me, he realized that I was not there.

In the end, I rode to the social with **STEVE** and **BEERS**. Better than taking the bus, especially because I got Dairy Queen on **STEVE**.

I'm glad I finally ended up at the social, because it turned out to be one of the best socials ever.

TWI-LIGHT LEAGUE '98 KICKS OFF

—Ron Bronson, Jr.

At around one o'clock this morning, STEVE played what appeared to be some type of wakeup music. But when we all got up (at least most of us), it was still dark outside. Some people were instantly reminded of the "WATERPARK WATERPARK, SPLISH SPLASH", of the first session of camp. But the announcement was the start of the 1998 Twi-Light League season at Camp Menominee.

After all the campers shuffled into Wasserman Hall, STEVE announced the commissioners of each division. PHIL DEZERN and BARRY SCHWARTZ in the junior league. DAVID DAVIDSON in the Intermediate league and JAKE GOLDNER and TED ROTH in the senior league. Then each team captain was announced, along with their rosters.

STEVE then announced that league play would begin today with every team playing within their division rivals at least once. LET'S PLAY BALL!!

PRACTICAL JOKERS EDITION

"STAMP OUT SPIRIT SAYS S.O.S."

The Stamp Out Spirit Organization struck today in what some are calling a flagrant violation of the Menominee-Kawaga cease fire. A band of raiders, armed and hooded, burst into the Mess Hall near the conclusion of breakfast and held several persons at gun point. There are conflicting stories of what the terrorists actually said, but it is very clear that they are attempting to destroy Menominee's fighting spirit. Peace talks in Eagle River have been suspended indefinitely and both camps are drawing a hard line toward any further discussions.

Up to the minute details are sketchy, but it seems that DAWN OLSON, (Now DAWN KLEIN) of Infirmary fame, was abducted and STEVE KLEIN severely wounded in an attempt to save her. GLENN KLEIN, Steve's brother was questioned as to why he had made no attempt to save Miss OLSON (the two are rumored to be romantically involved). "Until I have my first cup of coffee I'm totally useless," was his only reply. When pressed about Camp Menominee's lax security he had no comment and was quickly hustled away by his press agent. The attack today closely followed a similar but less destructive one yesterday morning in which a number of Solo cups were horribly mangled. Political analysts close to the situation say these flare-ups are an annual things and are generally associated with the heat and mosquitoes. Precautions against any further assaults are being implemented and a new 24 hour guard is being posted at both camp entrances. Authorities are unconvinced however and another raid is expected at any moment. The mood in camp is upbeat and uptempo, very alive, rigorous, enthusiastic and happy. The S.O.S. will have to work very hard to destroy the spirit that had made Camp Menominee famous. Long Live Menominee!!!

MY CABIN ACTIVITIES

—Ben Chalfie

On Sunday, Cabin Three had its' weekly cabin activities. We first played a card game that we learned during our camping trip. **ANDREW KERSHENBAUM** and I won the doubles round. After that, we went outside and played a game of cabin manhunt. My team was with **MIKE HIRSCH, JAKE LASKY** and **ANDREW KERSHENBAUM**. We beat my counselor **RON BRONSON, JR.**'s team of **C.J. COHEN** and **BRETT GREENSPAN**. We had very fun time. I can't wait to play again!

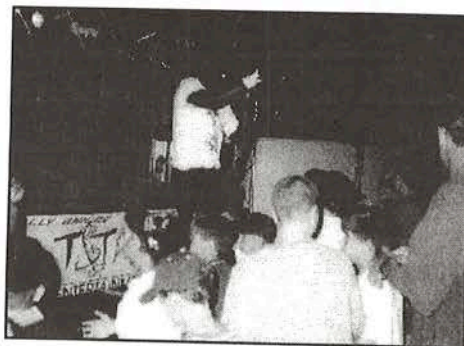

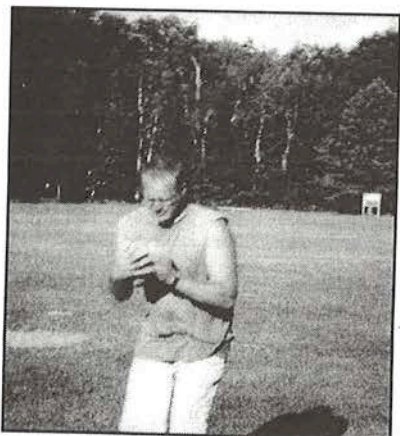

EVENING AT BIRCH KNOLL

—Eric Anstadt, David Cohen and Alex Dorn

Last night, the Menominee Screaming Eagles Tour '98 traveled to Camp Birch Knoll for a social. Total Entertainment provided the music for what everyone agrees was the best social thus far in 1998.

The ladies of Birch Knoll were enthusiastic on the dance floor and were matched by their Menominee counterparts. **SAMMY CARL** was one of the more consummate party goer, choosing conversation over dancing the night away. Other campers like **C.J. COHEN, KOBY STERN** and **JAKE LASKY** found themselves jumping all over the gymnastics equipment in the dance hall where the social was held. When the night came to an end, the Menominee boys were sorry to go. Another fine social in the books.

OPENING DAY '98

—Ron Bronson, Jr.

The smell of hot dogs. Peanuts and cracker jacks. Yes, that's right. It's opening day at the friendly confines. Can the first place team actually win a title this year? Will KRIS TRINDL, JAKE LASKY and JUDAH KLEIN make a run at Roger Maris' homerun record?

Will SIDER's RESEQUEL TROPICS continue to carry the torch passed on by previous TROPICS squads? The 1998 season is full of questions, stay tuned to the MEGAPHONE for the answers!

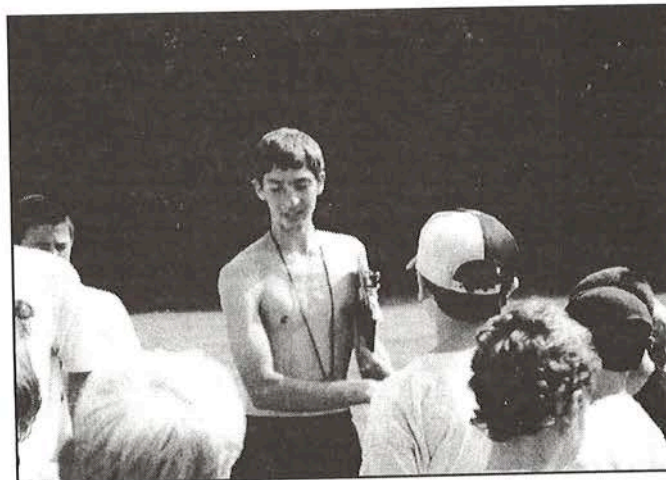

SCHAFF'S TEAM SOAR TO THEIR FIRST WIN

—Eric Anstadt and David Cohen

In Senior Twi-League action, SCOTT SCHAFF's Team finally notched a win with their defeat of ELMO's ECTO COOLER by a score of 14-2. Led by JEFF DAVIDSON, the Seamen were able to capitalize on the many opportunities left by the Ecto Cooler defense.

On the offensive side, ROBERT SHERMAN had a huge triple to help start a rally and DAVID COHEN pitched in with a few key base hits.

To the Ecto Cooler's credit, MIKE "I won the Menominee Open" MONDI and BRETT STEIN helped to try and stop the bleeding. But it proved not to be enough, as the Seamen powered their way to victory!

TENNIS IS MENOMINEE'S PASTIME

—Ron Bronson, Jr.

A tournament signup sheet revealed that Menominee is a tennis mecca, with over one-third of the camp indicating that they enjoy playing tennis, along with a majority of the counselors on staff saying the same.

With KALIN ANASTASSOV at the helm, Menominee tennis is on the rise.

Each period class is participating in doubles tournaments this week, as well as another singles tournament draw already set up.

The staff at the JIM WYETH courts includes RAY STRENGTH, DAVID CHERNER, COURTNEY GAMBLE, JOSE BASAGOITI and AL ELLIS. Campers interested in private lessons are welcomed to visit the courts during generals or to talk to any of the instructors.

Peak Performers

In the Junior League, JUDAH KLEIN lead the league batting .667 after twenty-one at-bats. BRETT GREENSPAN hit for the cycle and is batting .500. JAKE LASKY had his first three homer game of the season.

In the Senior League, ERIC "HOUSE" ISRAEL had a homer and ten runs batted in, on opening day. BRAD ROSS is hitting .857 after fourteen at-bats leading the senior circuit. DANIEL "SKIPPY" ROSEN already has three triples, while MICHEAL GOLDSTEIN is hitting .727. so far this season.

Imitation Night starts

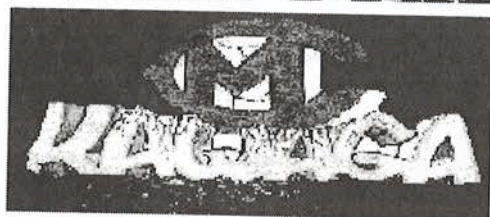

—Eric Anstadt, Ryan Arkin, David Cohen, Alex Dorn & Sam Sherman
The Juniors skits began with a imitation of the television show "SOUTH PARK", which was one of the best junior skits of the evening. Cabin Four did a spoof of cabin cleanup and announcements from STEVE. Cabin Five did an impression of a counselor meeting. Cabin Six did an impression of the senior cabin.

Intermediates started off with Cabin Seven, which did a Seinfeld spoof called "Stevefeld". It was really funny. Cabin Eight did a spoof of Twi-Light League day. Cabin Nine did Jerry Springer.

Tonight, the rest of the Intermediates and Senior cabins will put on their skits. The winners will be announced in all division as well.

CAMP KAWAGA INVADES THE FRIENDLY CONFINES

—Ben Chalfie and Mike Meltzer

Last night, Menominee was invaded by Camp Kawaga. The two camps faced off in a counselor basketball game. The Kawaga fans were loud enough to wake up our entire camp, as tons of Menominee campers headed toward the far basketball court to watch the game.

JOHNNY SCHATZ and SKIP NELSON helped to lead Team Menominee. With the support of the entire camp, the Green and White hung tough through the whole game.

In the end, this meant much more to all of us than wins and losses. Last night's game was a test of what it means to be part of the Menominee family.

It doesn't matter how many years you've been at camp, we feel it the moment we join a group of our peers. The Menominee spirit is in each of us, and that above all is what was displayed during last night's game.

EHRlich PITCHES A GEM

—Ron Bronson, Jr.

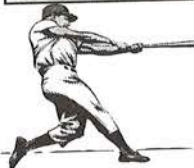

Going into the game against Camp Timberlane on Friday afternoon, Twelve and under hardball coach JOSH WINDJUE, thought his team of excellence would perform well; but the end result far exceeded what he could have imagined.

Starting pitcher DAVID EHRlich pitched a no-hitter, retiring thirteen batters by strikeout. "Simply an amazing show of athleticism and sportsmanship", says Coach WINDJUE.

Helping to add offense in the game was MATT TIER who had a triple, JOE KLEIN with two runs batted in and two runs scored.

MICKEY KATZ added to the excitement for the Menominee bench by hitting a grand slam. Katz had five runs batted in on the day.

Overall, Menominee played a fine game across the board. But rather than shove this awesome victory in the faces of their opponent, the players were true to the Menominee spirit and were gentlemen throughout the game.

Twilight BIG Hitters!!

—Eric Anstadt, Ryan Arkin, David Cohen, Alex Dorn and Sam Sherman
In Junior Twilight League ANDREW BAUER, JAKE LASKY, NOAH FELDMAN, JUDAH KLEIN and KRIS TRINDL are dominating the games.

In Intermediate Twilight League DREW ISRAEL, MAX THANHOUSER, JOE KLEIN, ZACH DAAN and RANDY FELDMAN are helping their teams with some big hits.

In Senior Twilight League, BRAD ROSS had two Grand Slams in one game. BILLY NARDINI, MICHAEL GORSKY and ERIC "House" ISRAEL are helping to power their clubs over the opposition.

Imitation Night Was A Hit!

—Eric Anstadt, David Cohen, Matt Saltzman, Dan Trauten

Wass Hall was filled with laughter as each cabin performed. The Juniors started off first with imitations of SOUTH PARK. Others included the JERRY SPRINGER SHOW and imitations of Camp Menominee's counselors.

Cabin 11's skit was hilarious and there was no doubt that it was the lucky canteen number is 153 best of the intermediates!!!

Senior cabins imitations were the most popular. Cabin 15's skit was incredibly funny about ERIN DAVIDSON's life at Camp Menominee. This imitation won them a pizza party.

Juniors: Cabin 6

Intermediates: Cabin 11

Seniors: Cabin 15

Thirteen and over squad wins

13-6

—Ron Bronson, Jr.

The Thirteen and over hardball team completed the sweep of Camp Timberlane with a 13-6 victory at Al Lewis Field.

Menominee jumped out in the bottom of the first with six runs. MIKE WEINER knocked in two hits, MATT FINDER had a double and DOUG LEVIN had two hits in the game.

Starting Pitcher MICHEAL GORSKY gave up a few runs early in the game, but cruised in the last few innings and found his location.

ROBERT SHERMAN showed off his gun at second base on more than one occasion and Coach DAVID DAVIDSON was intense throughout the game.

Closer PETER EHRLICH came on in the last inning and retired the side. A great win for the boys from summer from Menominee.

Counselors beat Kawaga Edition

COUNSELORS BEAT KAWAGA

—CARL NEWMAN

On a scorching Sunday, 26th of July, Menominee soccer rolled over Kawaga, with four classic goals.

The green and white warriors of Menominee restored pride into a camp that had taken setbacks in softball and basketball.

The Menominee defense was put to the test early by a robust Kawaga offense. Defenders GAVIN SPOWAGE and SKIP NELSON held firm, while goalkeeper JORDAN MARTONE chewed away a Kawaga free-kick with a super-human save. Quickly the Green and White settled and starting to play their familiar passing game.

OLLIE CRICHTON capitalized on a mis-hap in the Kawaga defense to blast a ferocious drive into the net sending the Menominee fans crazy.

The second half was all Menominee. Motivated by a half-time speech by STEVE KANEFISKY, the home team turned in an awesome forty-five minutes. One minute into the second half they were already ahead 2-0. ALLEN ELLIS curled in the corner for CARL NEWMAN to head into the Kawaga net. ALEX SZOBO of the kitchen staff soon made it 3-0 with a magician's touch over the keeper.

Late in the second half, CARL NEWMAN was issued a red card for a foul to a Kawaga player. This did not put a downer into the Menominee hearts as SZABO scored his second goal of the afternoon and JOHN RUSHMORE came close to scoring number five. Later in the game, RAMI replaced JORDAN MARTONE in goal and after the game commented that, "Jordan and I, we are bad fisherman. We have nothing in our net."

MENOMINEE GETS PAST CHIPPEWA 4-3

—Matt Cooper

The game between Menominee's 12 and under boys and Chippewa's 13 and under girls began soon after their van arrived on campus. Both squads were intense and ready for a difficult battle.

The boys started strong in the first part of the game. Then, Menominee found an opening and FERNANDO DURAN scored a goal, assisted by KRIS TRINDL and MATT COOPER. The crowd went wild.

The score was 1-0 Menominee. We were controlling the tempo when a Chippewa player got open on a breakaway and scored on a wide open net. Soon after, they scored again. Then the score was 2-1 Chippewa.

The second half of play turned out to be even. The goalie from Chippewa stopped everything, and they score again on a nice centering ball. Time was running short, but second later FERNANDO scored his second fantastic goal of the game. The score was 3-2 Chippewa and things didn't look good for Menominee.

Just minutes later BRAD CAPITANI scored on a shot which bounced over the Chippewa goalie's head. The score was tied at the end of the second half and sent the game into penalty kicks.

Chippewa was first in a best of five kick round. They scored, but Menominee matched it with an offering by FERNANDO DURAN. Chippewa's second shot was stopped by our goalie, JOE KLEIN. BRAD CAPITANI scored on our third try to make it 2-1 Menominee. Chippewa missed their third shot, which was saved again.

BRETT GREENSPAN narrowly missed the post on his low kick. The score was still 2-1. If Chippewa missed this shot, we would win. She lined up to kick and it went wide!

The crowd rushed on to the pitch, as Menominee narrowly won a well played game by both teams. Congratulations Green and White!

COUNSELORS HOOPS SQUAD BEATS INTERLAKEN

—Ron Bronson, Jr.

Last night, the counselors hoop squad played against Camp Interlaken. In the first half, the Interlaken squad got ahead of Menominee and led by ten at halftime.

But led by JOHNNY SCHATZ, the Menominee team got ahead with eight minutes to go in the game.

JOSH WINDJUE, PHIL DEZERN and ANDREW BENDER all pitched in the effort, to keep Menominee ahead.

With less than a minute to go, Interlaken came got to within four points of the Menominee lead.

But with execution and behind the coaching of SKIP NELSON, the team was able to rally and got past Interlaken 63-57.

BLOCKBUSTER DEAL SENDS FELDMAN, SOLOW TO TRIBE

—As reported by ESPN

In a blockbuster deal that was agreed to late yesterday afternoon, The Tribe of Judah sent Outfielder JAKE NEUMAN to JACOBSON'S JOCKEYS for Infielder DREW SOLOW. The other part of the deal sent Outfielder BEN AUERBACH to SIDER'S RESEQUEL TROPICS, who currently reside in first place for heavy hitter NOAH FELDMAN.

"This deal is good for both teams", said Tribe GM RON BRONSON, JR. who had no part in making the trades. "We are committed to putting a quality team on the field our fans.", BRONSON added.

The Tribe who started off yesterday 0-7 were in need of a spark and FELDMAN and SOLOW will provide it. NOAH FELDMAN was hitting around .714 on the season with at least four homers. DREW SOLOW is known for his outstanding defense and his ability to get on base.

TRIBE WINS FIRST OF THE SEASON

—Brett Greenspan

Going into yesterday's game with MAX JACOBSON's Jockeys the Tribe of Judah were really excited to win a game.

But first, they needed to take their newly acquired players in NOAH FELDMAN and DREW SOLOW and glue together a victory.

In the top of the second with no score, BRETT GREENSPAN hit his third homerun of the season to make the score 3-0 Tribe.

The Jockeys were able to get close by scoring two runs to get within one. But, in the top of the fourth inning BRETT GREENSPAN was at it again with yet another homer.

NOAH FELDMAN pulled his weight by going three for four with two doubles. DREW SOLOW pitched in with a double and an amazing grab to save a run late in the game.

JUDAH KLEIN kept up his form going three for four and drove in a few runs. For the Jockeys GRADY CHAMBERS was excellent in the field, showing his gold glove on more than one occasion. MAX JACOBSON also did well. Newly acquired JAKE NEUMAN hit a triple against his former club.

But it wasn't enough, as the Tribe of Judah finally won their first of the season by a score of 6-5.

TROPHY GOES TO WILMETTE!!

In one of the best played and most exciting Twi-Light League Championship Playoffs in Menominee History, Kanefsky's Team and Pelts' Pirates came away as champions of their respective leagues.

JOHN PELTS' team needed the entire five games to defeat Scotty's Eyes, as Marland's bunch refused to quit. Future Twi-Light League teams who have trouble in the regular season should take note of the Pelts' success story—going from the cellar during the regular season, to take it all once the playoffs started.

In the series for third place, Dirtball's Dirtpeople made the league's flipflop in the standings complete as they topped Chason's Champs two games to one in the best of three playoff.

The senior championship was decided between two best friends. STEVE KANESKY and MITCH MALKUS. It took all five games and an eleven run inning in the fifth to do it, but Kanefsky's Team trophied Malkus' Egg Fu Yong for the title. One important sidelight to the game was the fact that STEVE never played in a game the whole championship playoffs. He had broken his arm weeks before, but decided to stay at camp. Because he realized that even with a broken limb, being at Menominee was better than returning back to the city. And he was rewarded with a great performance from his ballclub which went right along with the superior leadership

DAY IS DONE..... GREEN AND WHITE KICKS OFF

—Eric Anstadt, Ron Bronson, Jr. and David Cohen

At the completion of movie night, STEVE KANEFSKY led the camp in Taps; at what appeared to be the end of our long day. Suddenly, a descendant of the Menominee Indians walked into Wasserman Hall and talked to the campers. He talked about the grounds of camp being those of the Menominee Indians and how we are to defend these grounds against intruders.

He then told all the campers and counselors to proceed outside to the second softball diamond for a ceremony in honor of his ancestors. Everyone ran out of Wass Hall expecting to receive their jerseys for Kawaga, but they ended up seeing a row of long candles set up for the ceremony that he mentioned.

After we all arrived, he told us that we must divide into two groups and compete against each other. Then everyone shouted GREEN AND WHITE!!!

Following that, each camper was informed of what team that they were on. As their names were called, the Indian painted green or white paint on their noses to let them know what team they were on.

After the teams were set, he led the entire group in taps. The day was really done.

16 & UNDER BASKETBALL CRUISES

—Loren Rue

The sixteen and under basketball squad visited Camp Interlaken on Tuesday. Behind the effort of **SCOTT SCHAFF** who had a double-double in the game, Menominee soared to a 42-28 victory. **SCHAFF** had twelve points, four assists, five blocks and eleven rebounds in the victory. **JON SIEGEL** added a big ten points and eight boards against the Interlaken club. Menominee won behind its strong rebounding, as we outrebounded Interlaken 19 to 2. Coach **PHIL DEZERN**'s team took his advice early and the game and kept working hard throughout.

DOUG LEVIN added eight points and six rebounds. **MIKE WEINER** had six rebounds. The game was a great tuneup and gave the team a chance to work together as a unit.

13 & UNDER BASKETBALL WINS

The Thirteen and under basketball team defeated the guys from Camp Interlaken Thursday 40-18 here at the friendly confines.

Coach **JOHN RUSHMORE**'s team was poised from the beginning making shots from short range and from long.

JON SIDER led the team with fourteen points, with eleven coming in the second half. **BILLY NARDINI** had eight big points most of his also coming in the second half, when Menominee pulled away and started playing a more effective gameplan.

MIKE MONDI, **SCOTT MARCUS**, **MIKE GORSKY** and **TODD GUSTAFSON** also pitched in the scoring effort to push Menominee to victory.

11 AND UNDER SOCCER FALLS TO INTERLAKEN

—Ron Bronson, Jr.

The Menominee eleven and under soccer squad lost to Camp Interlaken Tuesday 2-1.

The team was down early 1-0 on a shot that got past **JAKE KLEIN**. But **KRIS TRINDL** took an amazing shot from eighteen yards out, that got over the goalkeeper's head to make the score 1-1.

But in the second half, Interlaken got another chance and took it as they got a free kick past **KLEIN**. That made the score 2-1 and that's how it ended. A great effort for the Menominee squad, they should fare better in their next match.

SOCIALS GALORE

—Ron Bronson, Jr.

With the ceremony starting Green and White on Wednesday night, everyone pretty much expected Thursday's picture day extravaganza to end with the first event in 1998 Green and White.

Instead, STEVE announced last night that instead of All-Camp Vroom, that we would be having a social with Camp Marimeta. The juniors went to Marimeta, while the Intermediates and Seniors stayed at camp and entertained the Meta girls.

The social at Menominee had music and dancing as usual. Along with a special twist, a marshmallow roast. The guys who went to Marimeta said they had a great time dancing with their junior counterparts.

As if that wasn't enough, STEVE announced this morning that there would be an all-camp meeting after cleanup. Everyone then poured into Wass Hall and was told that today was Coca-Cola Awareness Day and that a sixty foot truck would enter the grounds and be providing among other things, free soda. In addition, the ladies of Camp Birch Knoll would be joining us for an afternoon social!!

The second social of the double-header started this morning and began with free frisbees, tee-shirts and more being thrown off the the Coke truck. There was a counselor volleyball game between Birch Knoll and the guys from Menominee and every camp showed, just by the expressions on their faces that this was certainly the best social of the summer.

At the end of the social, Menominee guys cheered the Coca-Cola workers and bid the girls farewell. A pleasant way to start the day.

13&UNDER TENNIS FALL IN CLOSE MATCH 4-3

—Ron Bronson, Jr.

Menominee entered today's first event against Kawaga this morning here at the friendly confines.

The Thirteen and Under Tennis Match started off well, with Menominee getting victories in early with SAMMY CARL taking his first singles match eight games to three. JON SIDER AND MIKE MONDI won their third doubles match cruising eight games to three as well. To take the first round tri-fecta, JEREMY EMER won his match at second singles by a score of eight to three.

But that's when crisis struck. Menominee lost second doubles headed up by a valiant tandem of BRANT YOUNG and ROB KOHEN by a score of six games to eight. DAVID EHRLICH and JOE KLEIN couldn't get past Kawaga, as they dropped first doubles five games to eight.

In the two deciding matches, SCOTT MARCUS was up four games to love, when Kawaga rallied back and won eight unanswered games to tie the series at 3-3.

In the decisive match, KENNY BRENNER kept up with Kawaga the entire match. But wasn't able to rally back from an early deficit, the match score was five games to eight. With the win, Kawaga took their first point in the competition by winning the match overall 4-3. Great effort by the Menominee squad.

13&UNDER HOCKEY FALLS 4-0

—David Cohen & Eric Anastadt

The Thirteen and under hockey squad faced off against Kawaga this afternoon here at the friendly confines. The team faced an intense Kawaga squad and the final result showed who wanted to win the game more.

In the end, stellar goalkeeping by JUSTIN DREXLER couldn't stop the Kawaga team as Menominee fell short of the mark and lost to Kawaga by a score of four goals to zero.

WEINER BEATS KAWAGA

—Ron Bronson, Jr.

Menominee first singles star MICHEAL WEINER shut down the Kawaga first singles player in the sixteen and under tennis match held at Kawaga this morning.

WEINER was the lone bright spot for the boys from Menominee, as Kawaga won the other six matches and took the entire match by a score of six to one.

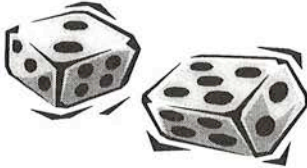

Nonetheless, it was a great effort on the part of the Menominee team and we're proud of the hard work they put into the match.

11 AND UNDER TENNIS GIVES IT THEIR ALL

—Ron Bronson, Jr.

In a valiant effort, the eleven and under tennis team dropped six matches to Kawaga and lost six to one. The first doubles tandem of **BRETT GREENSPAN** and **ANDREW BAUER** provided a bright spot for Menominee in winning their match. It was a tough loss, but the Menominee squad gave it their all.

Doris's Palace Hosts Casino Night

—Dan Trauten

Saturday night Menominee hosted Casino Night '98. The campfire was run by the Senior Cabin and was an absolute blast. Each cabin was given an even amount of chips to split among its members. The games included were Spin the Lazy Susan, Black Jack, Poker, Coupe, Roulette, and Guts.

For those campers who had 100 dollars in chips were invited to play Black Jack in the High Stakes room. **CABIN 13** ended up with the largest amount of chips, earning them a pizza party. It was a fine evening for all!

VICTORY TO GREENS IN VROOM!

—Eric Anstadt and David Cohen

To kickoff the 1998 Green and White competition, Vroom was a hit once again. Developed by former counselor, **MATT VROOMAN**, Vroom is a game that takes part of Capture the Flag combined with other rules that make the game more complicated. Vroom has a large playing field, different color squirt bottles and jerseys.

This event easily went to the Greens. Led by overall captains **ZACK ELMAN** and **DOUG LEVIN**, the lucky canteen number is 44 Greens made their way through the woods to capture the four flags hidden by the whites. **MIKE CERAULO**, **JON SIDER**, and **STEVEN SIGESMUND** also contributed to this victory.

The Whites kept fighting back but struggled with their strategies. Overall, it was a great start for the 1998 Green and White competition and were sure the whites will come back fighting hard next event.

13A BASKETBALL GETS PAST KAWAGA

—David Davidson

A group of winless twelve and thirteen year olds stepped onto the far basketball court with a lot of confidence. Although the Menominee hoopsters were shorter and younger than many of their opponents, it didn't lessen their belief that they could win their first event of the day. Led by STEVE SIGESMUND and JON SIDER, Menominee played smothering defense and perfect execution on the offensive side. BILLY NARDINI, MICHEAL GORSKY and ROB PLETICHA were the other starters. After about thirty-five minutes of solid play ROB and MICHEAL both had to leave. ROB into foul trouble and MICHEAL got hurt. So, SCOTT MARCUS and TODD GUSTAFSON picked up the slack and brought added intensity. When all was said and done these players, the rest of the team and coaches ALEX LOFTY and DAVID "Nate '96" DAVIDSON emerged as twenty-five point victors by a score of fifty four to twenty six.

I would like to thank all of our players for being great players and great sports. When Kawaga players tried to start fights, our players stepped away and beat them on the court. Thank you 13A!

16A SOFTBALL FIGHTS KAWAGA TO THE END

—Ron Bronson, Jr.

The 16A Softball squad coached by JAKE GOLDNER and STEVE KANEFISKY headed into their game against Kawaga poised to make a statement. And they did just that.

Led by MICHEAL WEINER, PETER EHRLICH and DANIEL "Skippy" ROSEN, the team was ahead of Kawaga going into the bottom of the sixth inning by a score of 4-2.

But timely hitting by a powerful Kawaga team, put the Braves ahead five to four in the top of the seventh. Menominee had a man in scoring position with two outs, but Kawaga's defense didn't quit and was able to stop Menominee from coming back and Kawaga won the game. Great job by the 16A team.

11B SOFTBALL BEATS KAWAGA 6-5

—Ron Bronson, Jr.

Going into the 11B Softball game against Kawaga, the Soaring Eagles of Menominee hadn't won an event the entire morning of competition at Kawaga.

The 11B Softball team coached by ANDREW BENDER and BARRY SCHWARTZ had their team poised to win at all costs.

Menominee was down heading into the bottom of the lucky canteen number is 99 second inning when KRIS TRINDL and DREW SOLOW helped lead their team to a lead.

Heading into the bottom half of the seventh inning, Menominee led Kawaga 6-3. But behind Kawaga's own rally in that inning, they narrowed the score to 6-5 with two outs. Pitcher DANNY BIONDI was able to hold them at bay, as the final batter grounded out and the celebration began. A great win for all the 11B players and their coaches.

13A SOFTBALL TRIUMPHS OVER KAWAGA

—Ted Roth

The 13A Softball team headed into yesterday's game with Kawaga looking to settle the score.

Menominee did a great job on offense as STEVE SIGESMUND, BILLY NARDINI and MICHEAL GORSKY all homered in the game. That helped Menominee set up for their drive in the bottom of the seventh, when TODD GUSTAFSON had the game winning hit and DREW ISRAEL scored to take the game for Menominee 15-14. Coaches DAVID DAVIDSON and TED ROTH were especially proud of the club in the victory. Special kudos go out to umpire KEVIN MORK held cool during a situation in the game when a Kawaga player spat in his face during an verbal exchange.

11B SOCCER FALLS IN SHOOTOUT

—Ron Bronson, Jr.

In the 11B Soccer matchup at Kawaga yesterday afternoon, Menominee held the Braves of Kawaga scoreless behind the stellar goalkeeping of JAKE KLEIN.

But in the shootout period, Kawaga was up 2-0 and ended up winning the game on a ball that hit the post and was ruled a goal. Nevertheless, it was a great game for Captain BEN CHALFIE's team. Coaches COURTNEY GAMBLE and BARRY SCHWARTZ are commended for their hard work with the players in this great showing for Menominee.

TOWN DAY '98

—Ron Bronson, Jr. and David Cohen

At lunch yesterday, STEVE got in front of the mic and told everyone that today was TOWN DAY '98! (and he was really serious!)

The buses arrived in Minocqua at around 3pm and it was off the stores! Menominee was all around town and the boys of summer were having a blast.

Dairy Queen, Book World, Monkey Business and the Arcade were some the popular spots to shop during the afternoon. For dinner, everyone feasted at Alexander's Pizza.

After the pizza feast and a quick check to make sure everyone was still together, we went to see the annual Min-Aqua-Bats waterski show at the Aqua Bowl on Lake Minocqua.

It was a great show and everyone enjoyed it. Unfortunetly for the Menominee crowd, there were no PHIL STERNHELL sightings.

Nevertheless, it was an enjoyable evening for everyone.

TRIBE KNOCKS OFF SIDER'S TROPICS 10-5

—Ron Bronson, Jr.

The Tribe of Judah led by Captain JUDAH KLEIN entered their game with Sider's Resequel Tropics with the league's worst record at 2-8. But this was a different squad than the one that lost seven straight games before winning their first.

That was evident in the final score, as the Tribe won their second straight game over the Junior Twi-Light League's top team, 10-5. JUDAH KLEIN was three for four and increased his batting average to a league best .794, while ELI GREENSPAN had two clutch hits when the Tribe batted around the order in the bottom of the sixth.

Also having good days was DREW SOLOW, who once again solidified his chances of winning a gold glove by his stellar work at shortstop. For the Tropics, JAKE LASKY had a standing up triple to help start a rally in the top of the seventh. But it proved not to be enough as the Tribe showed that they're a much better team than they were in the beginning of the season, with great defense from all sides.

GREENS WIN COUNSELOR HUNT

—David Cohen

On Thursday morning, the entire camp assembled into Wasserman Hall for the 1998 Green and White Counselor Hunt.

Each counselor was given a point value for how many years they've been at CM. Then each counselor was given fifteen minutes to find a hiding spot, which included in trees, in the woods or behind the shed at Al Lewis Field.

When it was all said and done, the Greens won the Counselor Hunt by a score of 163-146. It was a great adventure for both counselors and campers alike. The difference in the score may have just been with the Greens finding MARC BEERMANN who has been at camp for fifteen years.

What Happened?

So you're probably wondering, what happened to the Megaphone masthead?

Well, thanks to a little modern technology, we've brought back the masthead from the late 1970's for a special appearance.

UP CLOSE AND PRYING

Today, we meet the man behind the voice, MARC BEERMANN. Marc hails from Highland Park, as do the majority of the campers. MARC asked me to mention that his favorite counselors are GREG RABOVSKY and HOWIE FRIEDMAN. His favorite CIT is DAVID HARRIS. He digs softball and water skiing. In the lucky canteen number is 120 off season, he likes school and especially math. When he is older, he would like to be an orthodontist. Marc went through a lot to aid in the preparation of this article, and we'd hate to see his effort go unrewarded, but unfortunately, we overspent our meager budget when rewarding JEFF BENJAMIN for his UP CLOSE and PRYING. So Marc, a thank you is all you'll receive.

MENOMINEE MASTERS TAKES FLIGHT

—Ron Bronson, Jr.

The 1998 Menominee Masters golf tournament got underway this morning with over fifteen competitors participating at Menominee Meadows Golf Course.

The leaders of each age group at the end of competition will advance to the final round, which will take place at the Eagle River Golf Club on Monday.

The greens were especially deep for many of the competitors and led to higher scores for some of the players.

Who will take the green jacket in '98? Can ROSS GREENSPAN hold on to the lead? Will PAT DE LA BERRA claim it for Mexico? Will ROBERT GOLDBLATT make a charge for the green jacket? Stay tuned as the exciting tournament has just begun.

Green & White Activities Trifecta Afternoon

—Ron Bronson, Jr.

This afternoon was dubbed the "Green and White Triple Trifecta" Afternoon by Ted Roth, with three activities all for Green and White '98.

The first was at the waterfront and consisted of competitors hitting fungoes closest to the canoes, the closer the ball goes, the better off your team is.

The second was lighting at the basketball court with PHIL DEZERN and ALEX LOFTY. This is probably the most popular game at camp among campers, so Green and White stakes make it even more interesting.

The third event of the trifecta is "Score a goal on MARTONE." That's right, it's the campers turn to score a goal on Counselor soccer team goalie (and starting goalie for Western Illinois University) JORDAN MARTONE.

Overall, it should be an exciting and interesting afternoon for all. Results will be posted in the next edition of the Megaphone.

GREENSPAN WINS THE MASTERS

—ESPN News

It was a win for the ages. A young man who played as an amateur in his first masters last year, took off like a Tiger and ran away with the final round at Eagle River Golf Course this morning.

Firing at the flag and with a hot putter, ROSS "Putting" GREENSPAN left into the history books and etched his name there and upon the championship green jacket.

Finishing second by eight strokes was MATT "Kuchar" Cooper, who was heard saying, "It just wasn't my day." MATT suffered from a failing putter. ROBERT "Daly" GOLDBLATT had the distance to compete, but his short game just couldn't get clicking.

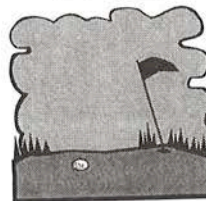

Tournament Director SKIP NELSON stated "It was a great tournament. It was a dead heat coming into today and it was anyone's tournament to win.

There were some great shots out there, but the shot of the day had to have been COOPER's seven-iron into hole four. (he left it a mere five feet away) It was an amazing shot!

We're happy with this year's competition, with great sponsors like Gene's Canteen Water and Kanefsky's Bail Bonds. We are looking forward to next year where Greenspan will be looking to defend his title. "

GREENSPAN fired a record tying round of seventy-one. (23-48). COOPER was second with seventy-nine and GOLDBLATT third with a total of eighty-one.

Menominee Monopoly

—Eric Anstadt

Monday Morning signaled the return of Menominee Monopoly to the friendly confines. Counselors were set up all over the camp compound, along with spaces. Each group was led by a counselor who rolled a die and campers were human game pieces.

Each team continued on the path, and the final results were based on the team that had the best overall time in the game. So each group had to answer their trivia questions at counselor stops quickly and accurately or they were sent to do obstacles like leapfrog over one another or sing "Al Vivo" Kawaga style.

In the end, those groups that actually followed the whole course enjoyed the game and had a lot of fun with it.

The results will be announced tonight in Wasserman Hall.

THE CEMENT RITUAL '98

—Ron Bronson, Jr.

This morning during general the annual ritual of signing the cement commenced. This year's signing took place in front of the soda machines by the canteen.

It was also a special moment for STEVE KANEFISKY, as it was his first year signing the cement as the owner of the camp. Each cabin took their turn at signing the cement, each inscribing their names and thus leaving their mark on Menominee forever.

"It was a really special moment", said C.J. COHEN who is in his first full summer at camp.

After the cabins signed, many campers and counselors stood and looked at the cement for a moment. Reflecting on the summer that was truly "The Awesome Summer of 1998".

WHITES WIN SING

—Ron Bronson, Jr.

In a tight Green and White Competition, the Sing would give the winning team a boost going into today's Green and White Relay. It would also give the winning team an edge in the overall competition.

After much practice, both teams took to the stage in what TED ROTH called "One of the best sings I've ever seen". The White Team led by Captains MATT HOLLANDER, JEFF DAVIDSON and DANIEL "Skippy" ROSEN, dedicated their sing to legendary Chicago Cubs Broadcaster Harry Caray and each member of their team wore white Menominee shirts and patches that resembles those of the Chicago Cubs players with a caricature of Caray. The whites did a great job, all team members were poised through the entire sing.

The Greens began with speeches by overall captains JON SIEGEL, BRETT STEIN and DOUG LEVIN. The Greens and their theme was on dynasties and that of the Chicago Bulls. SIEGEL's speech was easily the best of the evening and the Green team did an excellent job.

After both teams sang, the counselors got up and did their song. Some of the more outrageous outfits were those of RAY STRENGTH, "CRAZY" CARL NEWMAN, GAVIN SPOWAGE, AL ELLIS and COURTNEY GAMBLE. Each of the counselors wore some crazy costume or outfit.

But in the end by a decision of three to two, the Mighty White Team were declared the winners. An excellent night for all. After the winner were declared, both teams were treated to Dairy Queen Blizzards in the Mess Hall.

Special Thanks to JIM "BUZZ" WYETH who played piano for the sing.

TRIBE WINS FOURTH STRAIGHT

—Ron Bronson, Jr.

After starting the season with seven straight losses, the Tribe of Judah has won five of its last six games. That was after the Tribe defeated Cohen's Crazy Coneheads in a ten inning battle 10-9.

The teams entered the seventh tied and couldn't break the tie. Heading into the eighth inning, the Coneheads scored two runs. But the Tribe battled back and was able to get two as well. The Tribe managed to get out of the top of the tenth without a problem.

BRETT GREENSPAN had two homers and the game winning hit. NOAH FELDMAN broke out of a long slump and hit two homers, his first as a member of the Tribe and won the game 10-9. The Tribe still finished the regular season in last place, but they enter the playoffs as the hottest team in the league.

MENOMINEE'S FIVE YEAR SONG

Here's to Camp Menominee,

Ever loyal to our Camp, Menominee.

WHITES WIN RELAY!

—David Cohen

Going into the All-Camp Relay, the White Team was up by one event, the sing. The relay is worth more points than the sing so that means which ever team wins the relay, would win Green and White '98.

When the horn was blown to start, JUDAH KLEIN crawled from the flag pole to Bob Bender Senior Diamond extremely fast to give the Green Team a lead. That lead just wasn't enough as the Mighty White team kept fighting back. The green team was leading by a couple minutes but as it cam down to the end, the Whites took a lead.

The White's built a very well-built fire that gave them the momentum to win it. The Greens were a little behind. When the water boiled, the Greens lined up for the balloon toss. After two hours of relay, they balloions came down to a one-man difference. But the Greens dropped th eballoon and had to start over. The Whites finished off very stromg. The White overall captains, DANIEL "Skippy" ROSEN, MATT HOLLANDER, and JEFF DAVIDSON were very happy at the outcome. The White team laked it.

See You in '99 Edition

SEE YOU IN '99

—Ron Bronson, Jr.

Well, it's that time. The Awesome Summer of '98 has come to the near end.

It seems just like yesterday that the senior cabin was waking the whole camp for "Waterpark Waterpark, Splish, Splash" or Captains' Duel during B&A '98.

We will remember it all. The Americans triumphing in B&A '98, Socials with camps Chippewa, Birch Knoll, Marimeta and Agawak. The Inagural Peanut Butter and Jelly competition. Trip Week '98, Dina Mia Pizza for Breakfast, MBA, MHL, MISL and Twi-Light Leagues. Menominee Intense Foosball League and so much more!!

Being in my first year at Menominee, I never imagined that it would nearly as good. They told me that I'd been in for summer of my life and couldn't fathom it. But now that it's almost over, my decision to be a Menominee counselor couldn't have been a better choice.

I hope your summer has been as truly AWESOME as mine. See you in '99!!

ECTO COOLER WINS THE TROPHY!!

Holding true to the myth (or fact, however you see it) that the last place team always finishes first, Elmo's Ecto Cooler captured the STEVE EHRlich Trophy after finishing the regular season in last place. They were able to defeat the top three teams in the senior league, to take home the trophy.

Simply dominating in the playoffs, they were able to get past BERCO'S INVALIDS to win the championship in the championship series.

With only one all-star on the team, (Cy Young candidate KENNY BRENNER) team effort was simply the key to victory. The Ehrlich trophy returns to Highland Park as ZACK ELMAN takes home the senior championship in '98.

SIGGY'S SLUGGERS TAKE IT ALL

In the Intermediate Twi-Light League, J'ANDRE'S JUMPING JELLYBEANS led by Captain JARED ANDRE, had a 2-1 series heading into Game Three. But SIGGY'S SLUGGERS led by Captain STEVE SIGESMUND and FERNANDO DURAN, never backed down.

They did what no one expected and won the 1998 Intermediate League Championship by winning the final three games of the series for the title.

Never backing down and not quitting did it all for this team, and is a testament to other teams in the future with the same situation.

Congratulations to GM OLLIE CRICHTON and all the members of the Slugger for a job well done!

TRIBE WIN IT ALL!

As predicted by their GM RON BRONSON, JR. at the start of the playoffs, the TRIBE OF JUDAH won the 1998 Junior Twi-Light League Championship. JUDAH KLEIN's team started off the regular season 0-7. After the acquisition of NOAH FELDMAN and DREW SOLOW, the team gained momentum and won eleven of their last twelve games including a sweep in both playoff series.

Throughout the season, the team fought with losing players due to leaving camp early and the offensive slump of second baseman NOAH FELDMAN. But through the stellar play of Third Baseman BRETT GREENSPAN and Captain JUDAH KLEIN, the team won its last four regular season games.

Into the playoffs, the team was focused from the start. Knocking off the first place JACOBSON'S JOCKEYS three straight games in the best of five semi-final series. They faced off against COHEN'S CONEHEADS for the title, led by ANDREW BAUER. But stellar play by JORDAN KRINSKY and BAUER wasn't enough as the Tribe, behind League MVP NOAH FELDMAN's .939 batting average in the playoffs was able to sweep the Coneheads and capture the GENE'S CANTEEN WATER PLAQUE as '98 Champions of Junior Twi-Light League.

A wonderful season for all. Special Thanks to Commissioners BARRY SCHWARTZ & PHIL DEZERN and all the umpires during the season.

WEINER IS NATE '98

—Ron Bronson, Jr.

As the final day of camp winded down, Twi-Light League Champions were crowned, awards were given and at last night's bonfire, a new Nate Wasserman Award winner joined the previous ten retired in the rafters at Menominee forever.

As we came to the fire, we sang songs and cheers for one last time. Then, after a series of speeches from TED ROTH, BARRY SCHWARTZ, DAVID "Nate '96" DAVIDSON, GLENN KLEIN and MARC BEERMANN; STEVE presented what everyone had been waiting for.

Described as a candidate who kept "popping up" in the discussions among the candidates for this year's award, the selection was a surprise in some sorts because of his status as a counselor-in-training, but the selection of MICHAEL WEINER as the winner of the Nate Wasserman Award couldn't have been a better choice.

A surprised and pleased WEINER received his jersey and STEVE showed the one that currently hangs in the Mess Hall among the others. His counterparts on the "Varsity" were equally satisfied, as was shown in their expressions after the announcement was made.

After the congratulations went around to MICHAEL "Nate '98" WEINER, we sang Phil-A-Stine and then sang Taps one last time. The summer is done and what a summer it has been.

 Back to Menominee, back to our friends.

(Chorus)

Spirits of many, bonded as one,
 Living together, under the sun!

ONE FOR ALL FOR MENOMINEE

(To the tune of "Do You Hear The People Sing"
from *LES MISEERABLES*)

Do you hear the voices ring,
Singing the praises of the men?
They are the voices of the
campers
Who will never quit again!

When the beating of your
hearts
Echoes the beating of the
drum,
One for all, and all for one,
For Menominee!

Will you stand and give a
cheer,
And make a vow again this
year?
Figh for victory
And make the effort for us here!

Take pride in the sight
Of the Green and White family!

Do you hear the voices ring,
Singing the praises of the men?
They are the voices of the campers
Who will never quit

GREEN AND WHITE TRADITIONAL SONGS

TRADITIONAL GREEN TEAM SONG (Sung to the tune of Yankee Doodle)

We are here to win tonight
And add this to our glory.
We've told you of our fame and fight
as we conclude our story.

Chorus:

Our team is the best of all
To Menomine we're true
Greens are always on the ball
In everything we do.

Greens will emphasize team play
In all our competition
We know we're going all the way
It proves we have ambition

(Chorus)

We end our song with hopes held high.
We've shown to you our power.
Greens lift your voices to the sky
In this your finest hour.

TRADITIONAL WHITE TEAM SONG *When Johnny Comes Marching Home*

The White team's marching on tonight
We'll win, we'll win.
We'll give the greens a mighty fight
To win, to win.
Our banner we will raise up high,
And let our voices reach the sky,
And we all will shout,
"The whites are marching on!"

On the courts and on the fields
We'll win, we'll win.
The men in white will never yield
To win, to win.
Our boys will try in all they do
In songs - in games - in the Relay, too.
And we all will shout,
"The Whites are marching on!"

The team is sure of victory
To win, to win.
Our spirit spells Menominee,
We'll win, we'll win.
Green or White,
We're sure of a job well done.
We'll try our best each and everyone,
And we all will shout,
"The Whites are marching on!"
