Welcoming Message from the Director.

It's Menominee's 75th Birthday this year & I'm glad that we're all here to be a part of it.

We've got a great team here this year & with you guys, whether regular visitors or new faces to Menominee, I know that we're going to have a great 75th birthday & enjoyable summer.

There's no better place than the North of Wisconsin or more beautiful sight, than the green & white.

Every summer we raise the level on all fronts & I know that this is going to be another one of those years.

Let's enjoy this time together that we have. Every day that passes, is one day less.

Be safe this summer & enjoy yourself. I dare anyone not to have fun here, especially with our new CLIMBING WALL!

STEVE KANEFSKY, Camp Director

Summer Starts Now!

The Editor.

Welcome, or welcome back to camp Menominee for this, the summer of 2002.

For the first timers here to camp, a special welcome to you & a Yay Rah Rah! For those returning for another summer of fun in the sun, no doubt you may have already noticed some changes around camp on your arrival. One of the biggest & best additions to Camp is the CLIMBING WALL next to AL LEWIS FIELD. This is something that we are all excited about (Especially STEVE. Try to count how many times he mentions it this summer...). This is just another feather in Menominee's cap of activities. There's an excellent group of counselors this year, so take the opportunity to meet them. Let's also not forget that this is Menominee's 75 year! We're all now a part of history, Kia Kaha!

Hi Ho, Hi Ho, A Climbing We Shall Go...

By Chris Atkinson

The wall, also known as Kanefsky Tower, is situated by the AL LEWIS BASEBALL FIELD. It is a star scratching 50 feet high & can accommodate up to eight climbers at any one time.

It is comprised of four faces of varying difficulty:

- Easy Climb
- Hard Climb
- Jungle Gym
- The Ultimate Ladder

All shall pose a challenge to any fearless mountaineers & needless to say, this shall be a fantastic activity to participate in.

The Wall was built by & constructed by a company called ERI, who as well as being extremely professional, were also a great bunch of guys. My highlight of the Menominee climbing experience is of course (drum roll please...), the zippy do da, ZIP LINE. This can reach speeds of over mach five. Not only will this be the fastest & most gravity defying ride this summer, it shall also be one of the safest.

The main principal of the CLIMBING WALL is safety. All campers must be aware of dangerous situations that can arise. No one, campers or counselors, can use the CLIMBING WALL or ZIP LINE until they have completed the SAFETY INDUCTION COURSE.

The instructors at the wall are: CHRIS ATKINSON (head of climbing), ANDY ARMER, ANDREW CRICHTON, NATHAN GLESNE, MICHAEL SWEET & of course, MR JEFFERY TOOMBS.

The CLIMBING WALL & ZIP LINE is a great asset to Camp Menominee & I hope all campers enjoy it this summer.

Climb on, zip on & have fun.

The Mess Hall, Suddenly Not So Messy.

THE EDITOR

After an absence of nine years Mr AARON MAY has finally come back to Menominee. He is potentially the most important man at camp given his role of Mon General of the Mess Hall.

The Mess Hall has undergone some changes since last summer. The kitchen has been completely revamped with the original appliances from 1947 being replaced!

Not only is it the appliances that have changed, but you can also expect a new colorful cuisine to keep those energy levels up.

For those returning, please be aware of the new Mess Hall Procedures (which you shall be told) & try not to burn yourself on our new chafing dishes.

For your BBQ requirements, a new BBQ area has also been created.

You can expect to eat well this summer. Just how well, is up to you.

A tip from me: Don't eat & then climb. What goes up, very suddenly comes back down!

Big Ten Edition

Big Ten Sign Up.

By Yens Haag

One of the first "activities" at Camp 2002 was the Big Ten sign up in the Mess Hall led by DAVID SCHWARTZ. Most campers chose the "traditional" activities like basketball, tennis, volleyball, and of course softball. However, some campers will be testing activities like the new climbing wall, megaphone, golf, swimming, and hardball. The campers learnt the different names of our periods: Illinois, Northwestern, Michigan, Indiana, Ohio State, and Wisconsin. DANIEL HOTZMAN chose football for Michigan, FRANKIE COHEN basketball. BEN CHALFIE is going to try out golf during Illinois and Northwestern, and ZACH ROTHBERG hockey during Illinois. A great many fun activities are ahead of us. HAVE FUN!

Is This the End of Softball?

The Editor

Last night during the Big Ten sign up, Menominee Softball took a huge step backwards. Michigan softball was almost cancelled, but EVAN KOZIL proved to be the savior, by filling the last spot. DAVID SCHWARTZ was sweating profusely and PETER EHRLICH began to lose faith in his fellow man, until EVAN KOZIL 'stepped up to the plate'.

The big challenge to softball this year came from swimming, sailing and water skiing, not to mention the huge amount of interest in the new climbing wall.

STEVE was some what concerned at the lack of interest for softball, given Menominee's long standing and strong participation.

A lot of interest will now be placed on Menominee Softball, to see if it can remain at its high standard.

LASTING IMPRESSION: Live the life you love, love the life you live.

Lapping it up.

By Alex Sloan

On the second day of camp some of the campers did their twelve laps back and forth or they could have done four triangles to go waterskiing, tubing, knee boarding etc in the deep part of Sand Lake. BRIAN HORWICH said that "the first three triangles were easy then it got hard towards the end". I'm looking forward to do my laps to go waterskiing.

Got those bags unpacked?

Water Skiing.

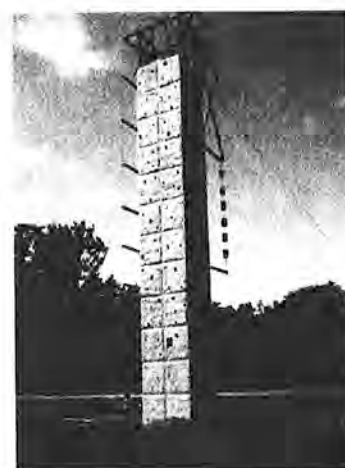

By Ian Perrett

It wasn't exactly the best conditions for water skiing today, but there were still plenty of boys lining up to give it a try, which was great to see. Only a couple of campers were lucky enough to have a go due to the limited time available. A little skiing and tubing was done and DANNY ABOSCH had a great run on the kneeboard. Lucky canteen number seven. He's expected to turn professional next year.

First Camper to Scale the 'Thunder Wall!'

By Mike Sweet

The stage was set for a historic moment. All other campers had headed back to the compound. A silence fell over the area around the wall. ADAM GUNDERSHEIMER was scaling the wall closet to the Service Road with ANDREW CRICHTON belaying him to keep safe. CHRIS ATKINSON and NATHAN GLESNE were also watching the historic event. ADAM seemed right in his element as he scaled the wall as easily as he could walk down the street. With ANDREW'S guidance, ADAM climbed all the way up and touched the top, making him the first Menominee camper to scale the wall. ADAM only climbed one of the four different walls! Who will be the first camper to scale the remaining three? Will it be you?!

Kanefsky Tower. One of the most impressive sights you shall see this summer.

Due to some minor technical difficulties, we were unable to provide you with a picture of MR BARRY SCHWARTZ for his Counselor Profile. So for you viewing pleasure...

Zippping Down the Line

By Danny Abosch

During Indiana on Thursday afternoon, DANNY ABOSCH became the first camper ever to use the zip line, which starts at the top of KANEFSKY Tower and runs directly over Al Lewis Field.

After Climbing to the top of KANEFSKY Tower, DANNY clipped on to the zip line. After shouting and signaling that everything was in place, DANNY jumped off the side of the tower, strongly holding onto the rope as he soared over Al Lewis Field.

ADAM GUNDERSHEIMER, who two days earlier became the first camper to climb to the top of one of the sides of the tower, also tried the zip line in the afternoon general. He said that it was "awesome." ADAM also said, "It's a little scary when you're up there, because it looks a lot higher than fifty feet. But once you jump, it's really cool."

MBA Game goes into Overtime

By Jens Haag

After a long, hard fought game, the Mavericks came out victorious in their Intermediate match-up against the Wizards.

BRIAN MILLER, the MVP from the previous two years had a great game with both point scoring and assists. JAKE SCHOFROCK showed great skills and DAVID WEITZMAN produced a smooth jump shot. For their opponents, the Wizards, ERIC BRUNNER had an outstanding game contributing lots of rebounds. DUSTIN MASSEL showed his great 'point guard' skills and look out for his smooth cross over move. SHAWN LEVINE was unlucky from the three-point line, but had a solid defensive game. Lucky canteen number one hundred and ninety seven. The Mavericks were down by two points with fifteen seconds left of regular time, but BRIAN MILLER scored a twice and was then fouled, but missed the bonus shot. The game went into overtime with both teams playing well, but it was the Mavericks who ran out winners 30 - 26.

Menominee's new Spider men. (From left to right) NATHAN COHEN, JUSTIN RICHARDS and STEVIE LINCOLN. About to scale KANEFSKY Tower (our new climbing wall).

CABIN CLEANUP WINNERS:

Congratulations to Cabin Nine (CRISTOPHER CISZYNSKI, JOSHUA JANKELOW, JUSTIN RICHARDS, CODY SHEAR, BRIAN HORWICH, AARON HOOGSTRATEN, JAKE SHLOFROCK, VICTOR RUDO, MICHAEL ABOSCH, JOSH SYLVAN) for winning the American League, and Cabin Fourteen (CONNOR GERENCSEK, JEREMY POPPER, NATHANIEL GREENSPAN, DANNY CHAIMOVITZ, NATHANIEL MUELLER, AARON GILES, BRIAN KIRSCHBAUM, JAKE FREED) who tied with Cabin Seventeen (BENJAMIN CHALFIE, ELLIOT ANDRE, GARRETT KARP, DAVID CHODAK, JACOB BECKERMAN, C.J. Junior MFL

By Sean Hennick

It was a dark, stormy night at the Menominee Bowl on Friday night, perfect FOOTBALL weather. Two epic battles took place with Oklahoma taking on Arizona and the match-up of Miami and Notre Dame. It took coach MIKE SWEET and his Wildcats, three overtimes to hold off coach MATT FEINSTEIN and his Sooners, before they could come away with the win. The game featured an amazing highlight by JASON WENK who picked off an interception and returned it for a 100 yard touchdown, sending the game into overtime. However JACOB HOCKMAN led the Wildcats well with three touchdowns to give them victory.

The second match of the night featured a battle of sum of the game's finest coaches/quarterbacks in Notre Dame's MATT SCHWARTZ and Miami's SCOTT MARCUS. The Canes and Irish traded touchdown for touchdown throughout the entire match. However MATT ANDRE and the Irish were too tough down the stretch, and despite a courageous effort from SAM WEINSTEIN, were able to hold off the Canes.

Final scores: Arizona 70 - Oklahoma 63
Norte Dame 49 - Miami 35

Menominee Tennis Doubles Sign up

By Neil Chiplen

The Menominee tennis doubles challenge ladder will begin next week. Teams will be comprised of two campers whose combined age at the beginning of camp is equal to, or less than, twenty-five years. Campers are encouraged to sign up at the tennis courts during General. There will be no advantage scoring in the games to in order to provide quick results. Menominee and USPTA tennis coach LEE LIBBY will oversee the tournament.

MISL Senior Soccer League

Action

By Adam Gundersheimer

Two games were held last night in the MISL.

South Korea played Japan while Senegal played Turkey.

South Korea did it easy against Japan running out eventual winners by five goals to one. In the other game of the night, it went down to the wire with a penalty shootout.

The shootout proved to be a tense affair with MAX FREED scoring for Senegal and JAKE LASKY for Turkey.

But it was COREY KATZ who rammed home the winner for Turkey, who won the shootout two goals to one.

Sitting on the Dock of the Bay

By Victor Rudo

There was a minor incident yesterday (Friday) when the center dock at the waterfront began to bend and then leaned thirty degrees to the left. Waterfront Director KOZ stated "every so often when water gets on the dock it slips. We've now raised it back into position and it's perfectly safe." Another steel plate was also used to fix this. We can continue to have a safe summer in the water.

NO CAMPERS OR COUNSELORS WERE INJURED IN THIS INCIDENT.

Make Your Own Campfire Night

By Garrett Karp

On Friday night, Menominee had its first ever "Make Your Own Campfire Night."

As DAVID SCHWARTZ said, "it's a chance for you to be engraved into Menominee campfire history!" Each cabin had to think of an idea for a campfire and present it to the rest of the camp in a two-minute presentation. The winners were judged on creativity, originality and participation. Lucky canteen number one hundred and seventeen. The judging panel of PETER ERLICH and DAVID SCHWARTZ decided on three finalists, who were voted off by the cheering of everyone in Wasserman Hall. The cheering had to be repeated without the finalist cabins cheering because the first vote was to close. The three finalist cabins were Cabin Seven (Menominee Through the Ages), Cabin Eight (Change the Ending to a Movie), and Cabin Thirteen (Menominee, Behind the Cheers). The winning cabin was Cabin Eight (ELI GREENSPAN, KEVIN DANN, ETHAN STIENBERG, STEVIE LINCOLN, NATHAN COHEN, MICHAEL HERRING, JASON SCHAUER, EVAN WOLFSON, JESS WEINSTEIN, ELLIOT ROSEN). Cabin Eight won double free canteen and a new campfire known as 'The Cabin Eight Campfire.' The next campfire in Wasserman Hall will be the first 'Cabin Eight Campfire.'

CABIN CLEAN UP WINNERS:

Congratulations to Cabin Ten (NICHOLAS FERRARO II, ADAM ROSENBLUM, DAVID WEITZMAN, JONAH SIGEL-EPSTEIN, JOSH SACKS, ALEX PRYBELL, ADAM RUBIN, RORY DUSHMAN, SAMUEL SHAPIRO, SAM JORDAN, MICHAEL MORETSKY) for winning the American League and Cabin Twelve (STEVEN KAROFF, JORDAN MELLOVITZ, CAMERON POTER, DANIEL BERKOWITZ, JACOB KALNITZ, ROSS FESTENSTEIN, JAKE RAGINS, ZACK ELLMAN, DANIEL GORDON, JORDAN BRANDWEIN, JASON GORDON, DAVID BETTS, COREY KATZ) for winning the National League.

Water Park, Water Park - Splish, Splash

By Elliot Rosen

On the morning of June 23, 2002 all the campers were sleeping even counselors named RUE.

But all of a sudden they were awoken. This was the day that Camp Menominee was going to Rainbow Falls Water Park and then Minocqua.

First stop, the water park which seemed to take an eternity to get to, more for those who stayed awake during the trip, but it was all worth while. JESS WEINSTEIN went down the 360 foot water slide "it looked slow, but went really fast." In all we spent four hours at the water park, sliding, swimming, go-karting and mini golfing, remembering to slop on sunscreen regularly.

After Rainbow Falls it was onto Minocqua. All campers used their time in town well, with only a few choosing to phone their parents back home. EVAN WOLFSON said "time goes by so fast, you don't have time to call your parents." While in Minocqua some chose to focus their time on more mini golf, arcades, shopping or eating their way through the late afternoon.

FRANKIE ARABIA, MICHAEL HARRIS and NATHAN GLESNE all had solid, fun filled days. MICHAEL was still buzzing from the Water Park; "the two things that I liked at the water park were Zero Gravity and the water slide." Lucky canteen number sixty eight. NATHAN was also a fan of the Zero Gravity ride, "my favorite ride was Zero Gravity, but I was disappointed when I couldn't touch the top with my foot." FRANKIE was just happy eating.

At 7.30pm campers and counselors made the trip back to Menominee, and a good night's rest. ELI GREENSPAN summed the day up well "the Water Park was fun, especially with good friends on a beautiful day."

Derby Clash

By Steven Stopforth

The stage was set for a historic 104 Merseyside Derby between Everton and Liverpool in the MISL. Due to the building of the new Anfield Stadium, the fixture was held at the Menominee Soccer Pitch. The game lived up to all expectations, filled with some great pieces of play both individually and through team buildup.

Liverpool opened the scoring early on in the first half when AARON GILES rifled home a shot. AARON then claimed a second to give Liverpool a two – nil halftime lead.

The second half, fueled by an inspirational team talk by coach GRAHAM LITTLEJOHN, saw Everton come out blazing. They scored two quick goals, the first a ‘poachers goal’ by AARON KACEL, the second a controversial penalty scored by JORDAN SILVER. Everton then took the win with JESS WEINSTEIN scoring an amazing individual goal.

The game was fair and well played. There was only one offside and no fouls which was awesome to see. Final score, Everton 3 – Liverpool 2.

Doubles Tournament is on!

By Victor Rudo

The Tennis Doubles Tournament kicked off earlier today during Illinois big ten activity.

The winners of today’s match ups were the pairings of: JESS WEINSTEIN and EVAN WOLFSON, KEVIN DANN and BRIAN SCHULZ, STEVIE LINCOLN and AARON SCHENKER, TYLER BOUDART and ISAAC KLEIN. There were some exciting matches as well as some thrilling upsets. The duo of STEVIE LINCOLN and AARON SCHENKER got off to a strong start beating their opponents six matches to one. The tournament is now on, and it’s a race to place!

Heat out Paced

By Jens Haag

The Pacers won the first game of the Junior Basketball League, led by awesome point guards LANDON MASSEL and JASON WENK. The Pacers outscored the Heat with PRESTON WILSON and GABE HORWICH contributing well. The Pacers displayed a great team offense and all its players fought well throughout the whole game. SAMUEL EICHNER of the Heat deserves extra remarks for his great passing abilities.

In other MBA action the Nuggets got home against the Warriors in a tight match. MATT ANDRE, MATTHEW SCHNEIDER, and JOSEPH EICHNER were standout players on for the Nuggets. Final score, Nuggets 30 – Warriors 27.

CHIPPA WHO?!

By Maxx Zomick

Yes gentlemen, I think you will agree that last night we had an excellent social with the ladies of Camp Chippewa. Within our own Mess Hall beats were pumping out from D.J. Famous and his 'Bizarre Entertainment' team. Lucky canteen #48. Everyone was certainly enjoying dancing to his tunes and helping to raise the temperature of the mess hall, especially campers like ELLIOT ROSEN, HOWARD GILMAN, JASON WENK and LANDON MASSEL. Even some of our own counselors such as NATHAN GLESNE, DAVID SCHWARTZ and ANGUS "GOOSE" STEWART were busting their own moves on the dance area, showing everyone how it was done. Our guys and their girls hung out for the night in the Mess Hall or around the canteen area. Everyone was able to make new friends and see some that they knew from back home and school, being able to talk about their excellent week so far in camp and what they might look forward to doing for the rest of camp. Everyone was impressed with getting their free canteen during the social! So big thanks to the canteen-czars for organizing that.

By Tyler Boudart and Landon Massel.

TYLER BOUDART and LANDON MASSEL, during their climbing wall activity became the first campers in their age group to climb all the way to the 8th step of Kanefsky Tower. They have got higher on the Menominee ladder than any other 10 year olds who have tried the wall. The key for them was helping each other out. The climbing wall is awesome and we are very happy and excited that Steve added it to camp for us this year, Thanks STEVE.

TRIP WEEKS HERE

By Victor Rudo.

After flag raising this morning, STEVE KANESKY launched trip week by announcing in Wasserman Hall the days and destinations of each Cabins trip.

First to go tomorrow morning will be # 13 who are going White Water Rafting. At the same time #1 will depart to go to Minnesota to watch the White Sox play the Twins. Cabins 17,16,12 and 2 will leave tomorrow at 6:30pm for the Dells, returning on Friday evening.

Thursday sees # 8,9,10 paddle in their canoes to the camp site for a nights stay, returning Friday.

Then # 11,14,15 leave Saturday on their two night canoe trip returning Monday.

The last cabins to go on their trip will be #3 and 4 , who leave on Monday via motor coach for a night up at the Copper Falls.

Enjoy your trips everyone!

MENOMINEE AND KAWAGA WILL COMPETE AGAIN!

By Elliot Rosen

After we had eaten our lunch STEVE started his usual speeches. Today was a special day because we had a visitor. Sitting next to STEVE was Kawagas' new director TAZ. After huge applause and a standing ovation, TAZ stood to address us all. He reflected STEVE'S sentiments by telling of us how proud he is to see the rich history of Kawaga and Menominee being rekindled. STEVE and TAZ had sat during the meal discussing how they had both been at the same Kawaga/Menominee softball game as camper and counselor and they fondly relived the plays of the game. Both STEVE and TAZ share a love of camp and all that it stands for and like the past they have shared they aim to also share a future. Lets hope this is a sign of a great, brighter future for our Kawaga/Menominee competitions.

2002 Pepsi and Coke Challenge

By Elliot Rosen

It was 8.00 p.m. and all the campers were sitting in the canteen area, as counselor SEAN HENNICK had hailed us over the loud speaker to meet there. It sounded as though he was mad at us, as he stated how dirty the canteen area was and how much of a disgrace it was. CHRIS ATKINSON kicked the Pepsi machine yelling, "it's all the stupid Pepsi machine's fault!" ANDREW CRICHTON comforted the Pepsi machine before punching the Coke machine shouting "Pepsi is the best and Coke stinks!" Woody then calmed the heated tensions down with some wise words; "there's only one way to settle this, and that's to hold a Pepsi versus Coke challenge." Thus introducing the 2002 Pepsi Versus Coke Challenge.

The first challenge was the great Counselor Hunt. Counselors hid anyway and everywhere within the friendly confines of Menominee. The young campers, having been divided by random into the teams of Pepsi and Coke, donned their long pants and long shirts and began the great hunt.

Counselors hid everywhere imaginable, some proving to be impossible to find.

After an exhaustive search, it was Coke who had the first victory. Coke may have won this battle, but who will win the war?

Coke is Better than Pepsi

By Chris Atkinson

Long Live Coca Cola!

Here are ten reasons why coke is better than Pepsi.

- 1- The color of the can is can is red. Red is better than blue.
- 2- Coke tastes better!
- 3- Coke is the original Cola.
- 4- Coke used to put illegal substances in it's drink.
- 5- Coke doesn't need B Spears to advertise it, (it sells itself).
- 6- Coke is the official sponsor of World Cup 2002 and many other large sporting events.
- 7- Coke sounds cooler than Pepsi.
- 8- Coke has more variety. There's; Classic Coke, Vanilla Coke, Cherry Coke, Diet Coke and Caffeine Free Coke.
- 9- Coke has more fizz than Pepsi.
- 10- The last, and by far most important reason, because CHRIS is the captain of Coke and ANDREW is the captain of Pepsi.

Coke V's Pepsi

By Andrew Crichton

A certain 'Coke man' attacked my beautiful Pepsi machine, which made me very unhappy. Then he poured his disgusting Coke all over me. This now means WAR! Coke is going down! My Pepsi team is so hot, and we're going to beat Coke so badly, they're going to go out of business. GO PEPSI!

Crouching Tiger, Hidden Dodge Ball

By The Editor

The wet sky of yesterday broke into the warmth of this morning. As the campers rose for breakfast, cleaned and polished their cabins with toothbrushes, they had no idea of the carnage that lay ahead.

At Wasserman Hall WOODY announced another challenge in the great 2002 Pepsi Versus Coke Challenge. Dodge ball.

This was held next to the golf and soccer pitch. The two Cola teams faced off in five epic battles. Bodies flew and men screamed in terror, as it rained rubber balls, and scenes from Gladiator were reenacted.

In Game One, representing their respected team were Cabins Three, Four, Five and Six. Pepsi were put in the circle of death first. With balls screaming pasts their ears, the Pepsi side managed to last one minute and thirty-seven seconds. With hopes high, Coke were soon brought back down to earth, as they were bundled out after only fifty-seven seconds.

Game Two saw Pepsi send Coke into bat first. The teams being represented by Cabins Seven, Eight, Nine and Ten. Coke ran and rolled, managing to set a time of one minute and three seconds. But with JORDAN SILVER ducking and diving like a lightweight boxer, Pepsi eclipsed Coke's time with their own of one minute and twenty-one seconds.

The Third and possible deciding game. If Pepsi won, Coke could only play out game four for pride. If Coke won, there was still everything to play for.

Coke set their best time of one minute and twenty-nine seconds with their team of Cabins eleven, fourteen and fifteen. Would it be enough?

DAVID LAZAR had other thoughts as he stretched out Pepsi's winning margin with a gracious display of dodging, to the time of two minutes and thirty-seven seconds. Lucky canteen number one hundred and thirty-two. Pepsi had won this event.

The Fourth Game was an all Coke versus all Pepsi affair. Pride was on the line for the Coke boys. Reminiscent of Hulk Hogan's comeback, Coke fought back and set the morning's best time of four minutes and fifty-nine seconds. One second under the cut off time of five minutes.

But as in the three previous games, Pepsi showed their domination of this event with ANDY BEST one of the Pepsi men still standing after five minutes.

The fifth and final game saw the counselors placed in the firing line. Coke finally broke their drought with a deserved win against Pepsi, having the least number of counselors remaining after five minutes.

Final score: Pepsi 4 - Coke 1

Members of Team Coke prepare to do battle with their Cola Enemies. It's a classic battle of good versus evil. The only question remains.... Who is good, and who is evil?

CABIN CLEAN UP WINNERS:

Congratulations to Cabin Eleven (ALEX JACOBS, HENRY ESTES, ERIC BRUNNER, DUSTIN MASSEL, ANDY BEST, DAVID LAZAR, AARON KACEL) for winning the American League and Cabin Seventeen (BENJAMIN CHALFIE, ELLIOT ANDRE, GARRETT KARP, DAVID CHODAK, JACOB BECKERMAN, C.J. Runners and Chasers

By The Editor

Another hour, another challenge in the great 2002 Pepsi and Coke Challenge.

Alien-like to those who had never played it before, once again the two teams of Pepsi and Coke were divided in a crucial match up, with the series level at one all.

Great footwork and a sharp turn of speed were required for this fleet footed event. A combination of chess and tag. SHAWN LEVINE was a standout chaser for Pepsi, counting for numerous Coke runners.

The battle wasn't just on the field, as the two captains clashed on the sideline, with CHRIS ATKINSON manhandling ANDREW CRICHTON with ease.

The two teams had to wait until dinner last night for the outcome. With a total time difference of twenty nine seconds (allowing for penalty points and spirit points), Pepsi were declared the winners.

This means that Pepsi is leading the overall competition, by two events to one.

Coke Wins, Coke Wins!

By The Editor

Team Coke has brought itself back into the great challenge with a narrow victory over Pepsi, at Frisbee-golf.

Coke started well with HOWARD GILMAN starting for them, against Pepsi's own, DANNY CHAIMOVITZ. They teams were neck and neck after the first round, but it was Pepsi who led at the half way stage.

This continued to be the case right up to the last hole, but it was SAUL JACOBS who snatched victory from the hands of defeat for the Coke boys.

This competition is far from over.

The Big Twelve

By Brian Horwich

This morning after the Pepsi and Coke challenge, JUSTIN RICHARDS of Cabin Nine, swam his twelve laps.

This eleven year old power swimmer didn't believe his friend AARON HOOGSTRATEN, when he said "when you put your mind to it, you can do anything."

After JUSTIN finished his laps, he charged into his cabin announcing the great news to his fellow cabin mates. He also later admitted to AARON that what he had said earlier, really worked for him.

Speed Ball Radar.

By Brian Horwich

This morning during the Coke and Pepsi Challenge, we played a game called Speed Ball.

Speed Ball is a fast moving, chaotic game, in which you use balls to try and score either goals, or field goals. At the beginning of the game, the balls are launched into the air, and players try to catch them. You can run with the ball only if you catch it. If you don't, you may dribble the ball (football style).

All the games played today were all very well played, with Pepsi coming out overall victors of this event. Final score; seven games to nil, in Pepsi's favor.

Some happy Menominee campers, about to engage in another Cola battle!

The Odyssey

By Aaron Schenker, Jordan Silver, Danny Gubin and Matt Feinstein

As the campers from cabins five, six and seven, pushed off from the beautiful shores of Sand Lake, they could not help but be incredibly excited for the upcoming trip, and the possibilities of what lay ahead.

Soon they were canoeing faster than a speeding bullet, toward their campsite an hour and a half away. As everyone pulled into the campsite, they prepared for a beautiful night of camping under the stars. Lucky canteen number one hundred and thirty. The campers enjoyed s'mores over the fire and then went to their tents for a well deserved nights rest.

The next morning, everyone awoke bright an early to begin canoeing for another couple of hours until reaching the two bridges. Some choose to end their journey there, but ANDY AMER, JEFF GORDON, BRETT BOUDART, JORDAN SILVER, ALEC SCHWARTZ, JUSTIN GURTZ and ZACHARY CARAS chose to continue downstream for a while longer. The stunning scenery amazed ANDY AMER.

A great time was had by all.

Trivia Bowl

By The Editor

Last night's challenge put towards Coke and Pepsi was a Trivia Competition.

Thus far all the activities had been of a physical nature. Now came the chance to find out who was the smarter team.

First into the 'mastermind' chairs were ISAAC KLEIN for Pepsi, and DANIEL HOLTZMAN for Coke.

After a grueling, brain torturing round of questions, the scores were tied at four apiece. Some of the 'easier' questions proved to actually be the most difficult, as brains froze and palms sweated. The deciding questions were put forward to the two Gladiators, with DANIEL HOLTZMAN answering it correctly and taking round one for the Coke team.

The intelligence of LANDON MASSEL gave round two to Coke, as he swept aside his questions with ease.

By the time it came to Round Three, Coke were applauding victory. SAM BLOCK gave them just that, when he won the third and final round. Coke had pulled out an absolute stunner, winning all three rounds and leveling the overall competition at three events apiece.

Back to Nature

By James Wesson

It was a beautiful June 26th afternoon as Cabins Five, Six and Seven left on their canoe trip from Menominee waterfront.

PRESTON SULL, ALEX LOIBEN and ALEX SLOAN were in my canoe. We were the first canoe to cross to the other side of the lake, where KOZ was waiting for us. We all got out of our canoes and saw, many for the first time, a snapping turtles. She was protecting the eggs that she had just laid, and there were obvious signs that previous eggs had been eaten. We all then got back into our canoes and paddled to the other side of the dam, and down towards our campsite. We were all getting our sleeping bags ready when MATT FEINSTEIN fell into a rather large puddle. When the fire was lit, we all roasted marshmallows. It was about this time that STEVE came out to wish us all a good night.

In the morning after breakfast and taking in the view, we got back into our canoes and set off again. After a long slow paddle we met KOZ again and feasted on some peanut butter and jelly sandwiches. Some then chose to continue canoeing, while others took a ride

back to camp with KOZ. Lucky canteen number nineteen. We all enjoyed two very good days, and all looked forward to our return to Menominee and our beds that awaited us. We trust that you had as much fun or your trip, as we all did on ours.

No Retreat, No Surrender

By The Editor

The 2002 Coke and Pepsi Challenge had fully divided Camp Menominee during the past two days.

The time was right for Capture the Flag.

After an informative session on the rules of the game courtesy of MIKE SWEET and MATT SCHWARTZ, all the remaining campers and counselors headed out to the battle ground next to the golf course.

The series was well and truly alive at three all, and Pepsi fancied themselves to pick up another win, but Coke had ideas of their own...

Game one of eleven to be played and Coke immediately launched an all out attack on Pepsi's flag. DANNY GUBIN and SAM BLOCK combined well to give Coke the early advantage with the first win.

The second game was over even quicker as Coke won back to back.

Pepsi changed their tactics for game three. But while they managed to grab Coke's flag, this left the door open for Coke to pick up another win and begin to run riot.

Coke, who then needed only one more victory to win the event, won both the fourth and fifth games. Pepsi needed to win an unprecedented six games in a row. The gods began to smile as Pepsi won game six. Now charged after their first victory, Pepsi won the next two games taking the score to five versus three.

Their mini revival continued winning game nine and then game ten. The stage was set. Would it be the greatest ever comeback in capture the flag history at Menominee? Or would Coke find their form and grab the series lead? The game lasted for sometime as the two teams raced back and forth looking for openings in the other's defense.

But, as in every fairytale a miracle did happen, and Pepsi, with an outstanding contribution from BRIAN MILLER pulled off it's sixth win in a row to take the score to six games to Coke's five.

Coke can take some heart out of their performance and the manner in which both teams competed.

The Mystery Tour

By Andres Navas

"Have you been on a canoe trip?"

"I'm on the best canoe."

"We're going to win!" These were some of the things that A.J. SPECTOR, PRESTON SULT and JACOB HOCKMAN all said, as we set out on our paddling adventure. Paddling could be quite hard work, but everyone in the canoe did their job and worked as a team.

Everyone was very excited about getting the best tent when we arrived, and toasting marshmallows over the fire that night. Some choose to stay up and swap stories, while others went straight to bed, to be ready for the next day ahead.

For some of the campers, this was the first time that they had ever slept in a tent, under the stars.

The next morning all the campers were tired, but that didn't effect fun that we had or how excellent they all were.

This trip was the best idea ever!

More Fun and More Sun

By Danny Abosch and Garrett Karp

Thursday, June 27th. Destination: Noah's Ark.

The thirteen-year-olds of Camp Menominee set out to America's largest water park for the time of their lives. The park features a variety of rides including 'Dark Voyage' and 'Stingray'. 'Dark Voyage' is a long pitch-black, speed, raft ride. 'Stingray' was just like 'Zero Gravity' at Rainbow Falls. DAVID CHODAK said "Dark Voyage was cool because your next move was unpredictable as you zipped through the dark ride." GARRETT KARP said "Stingray was cool because on the drop, you loose your stomach, like being on a roller coaster."

At 8.00 p.m. Menominee arrived at the Tommy Bartlett Thrill Show, to catch an 8.30 p.m. performance.

After the first half of the show there was a comedian-juggler. JEFF TOOMBS laughter was easily recognizable over the rest of the crowds as the juggler repetitively stated his slogan "you like it? I'll do it again!" Other acts included gymnasts, Hawaiian dancers, and a laser light/water show. Aqua, the water skiing clown was the favorite act for many, including ZACK ELLMAN. ZACK, who was very touched by the clown, said "he was great. He lifted our souls and made us better people." ELLIOT ANDRE had a more modest opinion "he was extremely funny. He was also nice enough to sign my shirt."

After a long day we all went to bed, to rest up for the journey back to camp the next day.

Yesterday afternoon I organized a Shuffleboard Tournament.

The rules are: only two people can play at one time, and the first person to thirty points wins, and you advance to the next round. By the end of yesterday's afternoon General, sixty-three competitors had signed up.

The overall winner of the event receives two free canteens.

The Dells, the Dells...

By Alexander Burgess

Today was possibly the greatest day ever.

It started out with a wonderful early morning breakfast, followed by a three-hour trip in either a coach or one of the camp's vans. Two hours into the trip, we stopped at McDonalds for lunch and then continued on.

Before I knew it, we arrived at Pleasant View Motel. I was in room forty-nine, where I then got changed.

From the motel we all went to a water park. There were tons of waterslides. My favorite one had a large drop in it. After a few hours there, we went back to the motel, showered and changed our clothes for dinner at an all-you-can-eat salad, pasta and pizza buffet.

After dinner we were going to go to the Big Chief, but then changed our minds and decided to go into town instead.

It was one fantastic day that I will never forget.

The Relay

By The Editor

The rules were simple. First, run down into the water and completely immerse yourself. After your entire team has completed this, you then had to shoot a basket attached to one of the docks. If you missed the first time, you had to keep going until you made it. Lastly, the great egg toss. Forming one long line, an egg had to be thrown from one end to the other, without it touching the ground. Sounds simple, but it wasn't...

Pepsi and Coke were both lead by their captains in the first event, 'The Immersing'. ANDREW CRICHTON got the early lead for his Pepsi team, with Coke not far behind.

The lead changed a few times, but it was Pepsi who always seemed to have the upper hand.

Campers from both sides threw themselves into the water, none threatening the perfect 'High Board Diving' score, from the 1988 Seoul Olympics.

As the relay sectioned finished, Pepsi were still in the lead. Shooting baskets can be difficult at the best of times and trying to shoot them in water doesn't make it any easier. Coke managed to regain some ground though, despite Pepsi having the 'friendly basket' that seemed to magnetically pull the ball into the hoop.

As both sides scrambled to get their egg from one end of their line to the other, it was neck and neck. Sadly Coke dropped theirs meaning that they had to restart, giving Pepsi the win.

Spirit points were given to Coke however, for CHRIS ATKINSON drinking the sponsors' product at the end.

Another challenge over as Pepsi rebuild their lead.

**We would like to congratulate all campers on their participation
and the manner in which they have carried out the current Coke

COKE VERSUS PEPSI UPDATE.

By The Assistant Editor

The battle of the soda titans boiled over in the summer heat this morning. Both teams hungry for victory stood opposite each other armed with brooms and a keen sense of aim as they dared to play the new price is right inspired game of PLINKO

A game where each player stands before nature, his fellow camper and a natural decline and then promptly rolls a basketball down a hill where it zigs and zags through a maze of upturned stools and then hopefully rolls through the legs of a counselor who is marked with value points. A game so genius that it could only have been invented by an American television show.

The course of the ball was dictated by the thrower and no two ball ever rolled the same. Some rolled so slow that you could grow a beard while watching them while others careened through the course so fast we nearly had to call in gene to douse out the flames.

Many speculate that it's all in the wrist. Some say the elbow and the thinking men of the game claim that it's all about the symmetry but on the day the laws of gravity and the gods of sport seemed to favor TEAM PEPSI who proved once again that they are a mighty force to be reckoned with scoring an impressive 611 against TEAM COKE'S equally impressive 560. Both teams should be commended on their level of sportsmanship.

ATTENTION!! ATTENTION!!

The following is the activity scores for the COKE versus PEPSI. It appears PEPSI is sneaking ahead once again in this tightly fought competition ,beating COKE 6- 4. Well done to both of the teams who have played hard and had fun in the process.

By The Assistant Editor

The morning sun is hotter than the freshly baked bagels these days and as the day progresses it gets hotter and hotter so let's not loose our heads this summer and remember a few important things. Sunscreen. This is a high priority guys! We need to get as much of that good stuff on us and don't forget, the stronger the better. Water that's super important fella's. Dehydration can sneak up on you in a heartbeat and do a lot of damage to your health so if you want to stay healthy and happy this summer get some of GENE'S tasty canteen water into you and try to always carry a water bottle. Row, Row, Row Your Boat

By The Editor.

Destination unknown.

But we had to paddle a long way to get there. Cabins Eleven, Fourteen and Fifteen set off on their three-day canoe trip on Friday night. We had all heard from the other cabins about their trips and how much fun they had been so we were all amping to go on ours. The first leg was relatively sedate with only two minor incidents. The first happened when the canoe guided by NEIL CHIPLIN tipped over, thankfully it was the only one and the other incident occurred when the canoe steered by RAY ADAIR was a whopping forty minutes late. We were all relieved to get to the site and a lot of us were surprised to find out that we were not as fit as we had thought. Bags were unpacked and all the tents were claimed and soon everyone was keen for a good night's rest. The s'mores soon started flowing. After the s'mores, campers had a chance to try their hand at Shakespeare, by telling stories 'round the old campfire.' After a slow start, everyone soon had a tale to tell, from SETH LEVIN to SHAWN LEVINE.

When the stories began to be repetitive, we fell into our tents and stretched out on the unforgiving ground for some sleep. Lucky canteen number ninety five.

KOZ awoke us around 8 a.m. the next day. We had the longest part of the journey ahead of us. An hour later our campsite was cleared and we had begun paddling. The leg seemed slightly easier, as now the campers were more familiar with the canoes and how to handle them. We jostled and jived for positions. It wasn't quite the 'America's Cup' (which is now New Zealand's cup), but an impressive display of boating skills none the less. WOODY, KEN CRAWFORD and KOZ met us at our first rest stop. The peanut butter and jelly sandwiches were a big hit, even for those who are not regular consumers of such a delicacy.

Lead by Sergeant CRAWFORD we all then marched to the go-karts to tear up the track. BRIAN MILLER was 'JEFF GORDON like' as he glided around the circuit. Others weren't so graceful as there were a few bumps and scrapes.

After we had all had our two turns, it was time to head back to our sturdy ships and continue our travels. The wind was against us as we struggled up Rainbow Flowage. We tried to keep as far to the right as possible, or risk the strength sapping of the wind. We were just under halfway when KOZ motored into view, telling us all to turn back. Not far ahead the waves had reached fearsome heights, fueled by the wind. KOZ was shocked by how bad it was, saying that "this was the first time I have ever sent a canoe trip back." Our disappointment of not reaching our day's destination was soon overshadowed by the fact that we now had the current and wind in our favor. Relaxing became the key word of the afternoon.

WOODY collected us from our starting point and drove us to our new campsite. Tents were soon erected and that night's meal of hot dogs scoffed down. The counselors were quick to fall asleep.

The much beloved AARON MAY surprised us all by arriving to make breakfast for us all, on the last day. Scrambled eggs, bacon and hash browns never tasted so good.

After breakfast and with the campsite broken in record time, we headed off on the last leg of our adventure. This was to be the shortest, but also the most exciting with rapids to negotiate. HENRY ESTES and CONNOR GRENCSEK showed their skill and maturity by guiding their canoes. Everyone survived the rapids with only one mishap, which was rescued by GRAHAM LITTLEJOHN. As we all pulled into shore for the final time, it was with a sense of accomplishment and relief.

We made it!

Kawaga Regatta 2002

By Scott Marcus

It was a hot one, almost too hot. Almost too hot for the average man, but not for FERNANDO COMACHO and SCOTT MARCUS, the Menominee Sailing Team's two coaches, ZACK DANN, ADAM BELLOS, JOE KLEIN, JASON FELDGREBER, KOBY STERN and KARSTEN GERENCSEK, Menominee's very own sailing team. After a quick bite to eat at KANEFSKY'S café, this famed team of experienced sailors was off to Camp Kawaga to make history. While Kawaga's terrain was foreign to Menominee's crew, the team showed no problems adapting. The first leg of the race belonged to Menominee. ZACK DANN and KOBY STERN led the pack, while JOE KLEIN and ADAM BELLOS followed closely.

As the pack started to open up, KARSTEN 'SUNSHINE' GERENCSEK and JASON FELDGREBER made their move. They flirted with first place so much that second place got jealous. But in the end, the other teams were too tough to overcome.

Overall Menominee showed great poise and endurance.

Great job guys.

Tennis Tournament

By Neil Chiplen

The home leg of the TENNIS Tournament against Kawaga began with the Under 11 Singles. ALEX BLOCK was victorious 6-5 in the opening match, with STEVIE LINCOLN also giving a spirited performance. AARON SCHENKLER won his opening match and JORDAN SILVER was unlucky. In the doubles section, Kawaga took all three games, winning the Under Eleven Section 5-2. Menominee doubles player DANNY GUBIN emphasized the friendly, competitive nature of the tournament with his remark "normally I would be mad (because I lost), but it was fun."

Kawaga had the better of the Under 16 Section, taking all 7 matches. The members of the Menominee Team must be credited for their effort and perseverance as they faced a strong opposition. Kawaga only dropped one game in one match, against JASON FELDGREBER. JASON'S was the match of the day, as it was decided by several crucial points. JASON deserves great credit for his sportsmanship, in one game he gave his Kawaga opponent the benefit of the doubt for a line call, when he forced 'break point' to trail 5-3. This exemplified the qualities of sportsmanship as well as the effort that was prevalent this afternoon.

Copper Falls, the Epic

By Steve Stopforth

The epic journey to Copper Falls for Cabins Three and Four began at 10.21 on Monday morning. Thirteen courageous campers and seven counselors took to the open road. After a quick stop for Subway sandwiches and a drink, we pulled into the Copper Falls National Park. The campers set up the campsite, with some tents more structurally sound than others. Shortly after the campsite was fully erected, the group endeavored to walk the dreaded walk! Taking in the view of the awesome waterfalls, the children were ecstatic. After the awe inspiring views, some well deserved water fun was indulged. JONAH SHEAR, ISSAC KLEIN and SAM LAZAR were the kings of the lake. In the evening the campers had a B.B.Q cookout, which was really tasty with JEFF TOOMBS'S very well done burgers. Lucky canteen number one hundred and sixty four. The campers also ate s'mores, and s'mores of s'mores.

After some evening tent maintenance, the stage was set for a game of SOFTBALL between Cabin Three and Cabin Four. Cabin Four showed everyone how to play, with MATT SCHNEIDER, JORDAN GREENSPAN and SAM GILES all scoring highly for their respective cabin.

Everyone slept well that night.

On the journey home the children sang songs and talked about their courageous efforts over the past twenty-four hours. They relaxed with a Big Mac and a Coke on the road.

Cheers and a big thanks to STEVE from everyone for letting us all go on this great trip!

British Versus America

By The Editor

Lured out under false pretenses, all the inhabitants of Camp Menominee went down to the water front this morning to have an all camp photo. As we all shuffled into line, a majestic vessel pulled into shore with two canoes. A madman onboard with bad teeth and his trousers pulled up to his armpits began to rant and rave about the virtues of being English.

What could all this mean?

The English then seized STEVE and dragged him kicking and screaming onboard. But from the bottom of Sand Lake, two American commandos climbed aboard and rescued STEVE. The battle lines had been drawn. It was time to take off the gloves as British versus America began!

The first event was the Captains' Water-balloon Duel. ISSAC KLEIN and SAM LAZAR got things underway, with ISSAC KLEIN narrowly taking the win for his fellow Americans.

SETH LEVIN and NATHANIEL MUELLER then charged at each other like Rhinos on the Kalahari Plain.

SETH LEVIN bashed his way to victory for the Americans in the Intermediate Section. Things then got even messier with the double captains match. When all was said and done, DAVID SCHWARTZ called it "one of the greatest captains' duels I've ever seen." The British bounced back to claim their first win.

The overall team captain of America; BEN THOMPSON and the British; STEVEN ZUCKER then squared off. It was prolonged, wet and exciting, with STEVEN ZUCKER doing the Queen proud and winning the first event for the British.

13A Basketball Result

By Jacob Kalnitz

Yesterday the Menominee 13A BASKETBALL team suited up to play Camp Ojibwa.

The boys played hard through the whole game, testing the taller Ojibwa side. BRETT GREENSPAN and

JORDAN MELLOVITZ worked well together at guard when needed.

STEVEN KAROFF and DUSTIN BERNSTEIN were standout players for the team with some

inspiring plays. DAVID WEIL and JACOB

KALNITZ worked hard down low, while JORDAN EPSTEIN played well at small forward.

The Menominee men played hard and fair. The result today wasn't in our favor, but we showed Ojibwa how to play the Menominee Way.

All Quiet on the Western Front

By The Editor.

British versus America, second event. The squirt gun fight.

The objective was simple; remain standing after thirty minutes.

The Americans launched a pincher movement aimed at the British heart. The Americans had a number of 'kamikaze' fighters in their ranks, whose orders were to squirt at all costs. The British managed to hold out against the long sustained attack from the Americans, before launching a counter offensive of their own that would have made Montgomery proud. The dye flew as young men were cut down in their prime. Screams of "the British are coming, the British are coming!" filled the air. As the last minutes approached, the remaining British forces launched one last brave offensive movement against the now weak American defense. Though outnumbered, the Americans fought off the front foot and repelled the red tide. In the end it was the Americans who claimed the victory and stood tall over a war torn golf course in Menominee.

Shuffle Board Tournament

By Alex Sloan

The Shuffleboard tournament has been doing great, and most of the competitors have played their games. ERIC MASON has already been involved in three matches. Unfortunately there have been a number of forfeits. One of the best Shuffleboard players in camp is WOODY. Could WOODY be Menominee's shuffleboard king?

CABIN CLEAN UP WINNERS;

12A Softball

By Dustin Massel and David Lazar

The players on this team of semi-professionals facing the might of Ojibwa were: DAVID LAZAR pitching, ERIC BRUNNER first base, BRIAN KIRSCHBAUM second base, DUSTIN MASSEL third base, SETH LEVIN short stop, NATHANIEL MUELLER short center, CONNOR GERENCSEK right field, SHAWN LEVINE center, BRIAN MILLER left field and EVAN COHEN catcher. The first innings was held at zero all with amazing efforts by all, resulting in a three up and three down. In the second innings DAVID LAZAR pitched us out of trouble, with some wonderful deliveries. DUSTIN MASSEL took a marvelous reflex catch with everyone else backing up well. ERIC BRUNNER was responsible for a double in the fourth inning that drove in three runs. In the final inning it was all locked up at four all. Unfortunately the scoreboard records a final score of six to five in Ojibwa's favor, but both SCOTT MARCUS and MATT FEINSTEIN were proud of our effort saying "even though the scoreboard said we lost, we still played together as a team." BRITISH WIN, BRITISH WIN!

With a total score of two events to one, the unpopular British side won this year's annual British Versus America competition. It was a fantastic competition, with everyone entering into the spirit of the event. For one Summer Camp in the North Woods, the British had a reason to celebrate the fourth of July.

Message to Garcia

By Danny Abosch

The third and final event of British versus America took place yesterday afternoon.

The score was tied at one event each, making this a winner take all event. The Americans started out on the offensive. The object of the game is to get from the golf course to the other side of Old Counselors Road, without being squirted by the defense. The American's offensive plan was to have four groups: one in the woods, one in the gully, one by the lake and one small group of three that were worth more points. Only two Americans that attacked from the gully rush, managed to score.

The British offensive plan was to divide their forces into two groups, and launch attacks from the Health Club, led by STEVEN ZUCKER and a gully rush, led by ADAM BELLOS. The British were very successful with JUDAH KLEIN, ADAM BERZON and JORDAN MELLOVITZ leading the way.

With penalty points included, the British won with a final score of 18 to 1.

American Scorer: JASON BERG (worth 1 point).

British Scorers: AARON SCHENKER, CONNER GERENCSEK, DANIEL BERKOWITZ, DUSTIN MASSEL (worth one point), ADAM BERZON, JORDAN MELLOVITZ (worth two points), JUDAH KLEIN, ADAM BERZON (worth five points).

Fourth of July Celebration

By The Editor

Campers and counselors had been building up for this during the past couple of days. Those of us who aren't American were especially keen to take part in this celebration and immerse ourselves with some true American culture.

We were privileged to have the girls from Marimeta come to Menominee to join in the festivities. Two friendly games of SOFTBALL were played, with keeping score coming in way down the list. After the SOFTBALL matches, both camps headed down to the lake front to enjoy the entertainment provided by 'A-Z.' It's d.j.'s soon had the lake front jumping as both camps got into the full swing of things and got the party started.

After dancing most of the night away and as dusk turned into night, it was time for the firework display. We all settled down on the embankment behind KOZ's House, and were treated to a riveting pyrotechnic display. There were "ooohs" and "aaahs" all round as the sky lit up in spectacular fashion.

Thanks STEVE and everyone else who made this night happen.

Can we have a fourth of July next month?

Timberlane Competition

By The Editor

Menominee and Timberlane engaged in TENNIS, BASEBALL, RIFLERY and ARCHERY today, with events split between the two camps.

Menominee's finest gun slingers won the event held here 104 to 93, with MICHAEL GLICKSBERG, ADAM GUNDERSHEIMER, COLIN ALLAN and CAMERON POTER making up the winning team.

ADAM GUNDERSHEIMER topped the scoring with 32.

In the other sharp shooting event, Menominee won the ARCHERY competition with a score of 387 to 216.

DANIEL BERKOWITZ topped scored with 103 from a possible score of 120.

DAVID EHRLICH pitched three scoreless innings as well as notching up 12 strikeouts with a combination of fastballs and changeups in the BASEBALL game held at Al Lewis. Menominee were in the driver's seat from the first inning with a four run lead. The fourth inning proved to be too much for Timberlane as Menominee rattled up another ten. To Timberlane's credit they came out swing at the end with two beautiful clean hits. Final score: Menominee 14 to Timberlane's 3.

Things were a lot closer on the TENNIS courts with the doubles match of DANNY SCHWARTZ and DAVID CHODAK the match of the round. DANNY and DAVID were down by two match points at one stage only to bounce back and lead by two. The match then went to a tiebreaker with our boys coming out on top. Score of eight all; with the tiebreaker being won 7 to 4.

MICHAEL RUEDA and BRETT GREENSPAN also won their doubles clash, with JASON FELDGREBER playing some brilliant shots only to be narrowly beaten. DAVID SUROVY also played well. The third doubles match was called a draw.

It was a pleasure to have Timberlane here, as echoed by all those who competed in today's events.

Thought for the day: JEFF MONGER.

Kawaga Nets Menominee

By Garrett Karp and The Editor

The pre-game atmosphere from Menominee right up until tip-off was worth a ten-point lead. STEVEN ZUCKER, KOBY STERN, MICHAEL RUEDA, ADAM BELLOS, JAKE KLEIN, JASON FELDGREBER and JOE KLEIN fired up the crowd until the point of being voiceless. The counselors' BASKETBALL match between Kawaga and Menominee was always going to be a heated one.

NEIL CHIPLIN started the scoring with his first shot. Menominee then struck trouble with it's shooting as shots failed to drop. 'Super-sub' SEAN HENNICK brought precision to the court as his impact was felt straight away with crisp passing, clean lay-ups and some good baskets. Kawaga had plenty of defenses though and had a five-point lead at the end of the first quarter with a score of 13 to 8.

In the second quarter Menominee began to have numerous fouls called against them, giving Kawaga every opportunity to extend their lead.

Kawaga did throw a number of 'bricks' with STEVE STOPFORTH quipping "with the amount of bricks they (Kawaga) are throwing, they'll be able to build a house."

At the half, Kawaga had extended their lead with a score of 32 to 20. Menominee was still in the match, but needed to curb the penalty count and improve their shooting percentage.

JOE KERWIN came alive in the third quarter and began to revive hopes of a comeback. His feet began to dance and player support picked up. Menominee still continued to give away an all manner of fouls, which in turn stifled their defensive attitude, making them seemingly unwilling to commit in case of conceding free throws. Kawaga were still leading by the end of the third quarter 47 to 28.

Things began threatening to boil over in the final quarter as more players hit the ground. Credit must be given to the officials, one being our own 'water guru' KOZ, from keeping the game on track. JENS (Big Smooth) HAAG was still playing his heart out and had been leading from the front all night. Despite the best attempts from the Menominee counselors and AARON MAY trying valiantly to lift his side, Kawaga had the lead and game at the

MHL Junior League Action

By The Editor

The concrete was running fast and true in last night's MHL game between the Flyers coached by NIGEL CROWE and the Capitals coached by RAY ADAIR.

It turned out to be ERIC MASON's 'benefit night' though as he controlled the game from start to finish. ERIC had one in the net for the Flyers within a matter of seconds from the start. JOSEPH EICHNER followed up with a second not long after, and things began to look grim for the Capital men. ERIC then took control with a simply superb individual effort that would make ESPN's 'Plays of the Week.' Down by three, the Capitals managed to string some attack together, only to have that man ERIC MASON clean up and then take it to the other side of town and bag it for his third. After a long sustained attacking period, the Flyers rammed home another; ERIC with his fourth and the Flyers had the match. It was fitting that the match ended with yet another ERIC MASON goal, taking his personal tally to five, with the final score: The Flyers 7 to The Capitals 0.

MBA Intermediate Action

By Neil Chiplen

The dynamic duo of BRIAN MILLER and JAKE SHLOFROCK ensured that the Mavericks continued their winning streak, this time at the expense of the Grizzlies. The Mavericks fast break, run and gun style was too much for the Grizzlies as they ran out winners 52 to 25.

DAVID WEITZMAN and ADAM RUBIN controlled the backboards for the Mav's, alongside solid defender MATTHEW KAUFMAN and all-rounder MATTHEW SLAVIN. The Grizzlies offered resistance through the outside shooting of SETH LEVIN and guard play of DAVID LAZAR. The Grizzlies could not break down the 3-2 zone defense of the Mav's, while the Mavericks displayed a superb command of fundamental BASKETBALL. The highlight of the Mavericks game was the maximum effort they put in to achieve the result.

Celtics Spellbind Wizards

By Mike Bunting

On a heat bathed center court, the Celtics played the Wizards last night. The BASKETBALL was fast and extremely intense with the Celtics clinging on to a 24 to 20 victory. There were outstanding performers on both sides. JESS WEINSTEIN sealed the game for the Celtics with six points in a row, with this being made possible by some outstanding defense from JEFF SPECKS for the Wizards. DANNY GUBIN was brilliant in both defense and attack, but it was the Celtics who provided the magic last night.

Dolphins Trampled by Rams

By Fernando Comacho

An epic battle at the FOOTBALL field happened yesterday when the Rams collided against the Dolphins. The Rams got the scoreboard underway, only to have the Dolphins mount a comeback and tie things up at 28 all. The Dolphins then let a great opportunity literally slip through their fingers with a missed pass. The Rams awoke from their slumber and began to cut loose running out eventual winners 77 to 42. DAVEED ERICKSON made some great runs with BENJAMIN CHALFIE pulling off some great receptions. JACOB BECKERMAN made some awesome blitzes and rushed well and quarterback JAKE LASKY led his side to victory with precision passing. ELLIOT ANDRE fought until the end for his Dolphins team, refusing to give in.

In another MFL match, the Cardinals were too big for the Giants 77 to 7. KARSTEN GERENCSEK was the chief destroyer with four touchdowns of his own. BRETT GREENSPAN wasn't far behind, scoring three. DAVID EHRLICH tried hard all night for the Giants without being rewarded.

Packers Wrap up Bears

By Chris Carpenter

The Packers edged out the bears in MFL action last night. JOE and JUDAH KLEIN scored five of the Packer's touchdowns between them, with ZACH ROTHBERG scoring the other. CONRADE HURST also had a fine defensive game pulling off one interception. ZACK DANN playing quarterback for the Bears threw two touchdown passes to MATTHEW DOPPELT, and two to MICHAEL WORSEK. ZACK also managed to run one in from a kick return. As well as his two touchdowns, MATTHEW DOPPELT also picked off two interceptions, but it wasn't enough, as the Packer's scored in the last minute to win 42 to 35.

SUN VERSUS WIND The Elements Erupt

By The Editor

We were all a little late to flag raising this morning, some more so than others. NATHAN GLESNE turned a dark shade of purple when he spotted JEFF MONGER dawdling along. NATHAN began to scream at JEFF telling him in no uncertain manner to 'pull finger' and what it was we were trying to do. JEFF told NATHAN to get off his back, and we all thought that NATHAN did need to calm down somewhat.

The flag was raised and as the camp waited to be dismissed NATHAN once again remarked to JEFF. They rushed at each other, and all their fellow counselors ran in to keep them apart. Bodies were literally thrown to the ground as these grown men banged their chest and marked their territory. Finally they were brought apart and order was restored. There was only one way to settle this, and firstly we could ask what started it all?!

It was time for SUN VERSUS WIND!

Team lists were distributed as all the campers and counselors piled into Wasserman Hall. NATHAN GLESNE was named Wind Captain with deputy MATT SCHWARTZ. JEFF MONGER as Sun Captain with his second-in-charge; SCOTT MARCUS. This event is made even more special by the fact that counselors are on either team as well. This event will truly divide the camp in two.

The first event was capture the Energy Source.

The two teams stood on the opposing goal lines on the number one FOOTBALL pitch and were numbered accordingly. As random numbers were called, Carl Lewis (or Linford Christie for the English), took on a variety of forms with combatants screaming to the halfway mark to claim the energy source. The Sun team won the first game with a score of 21 to 13. Sun then streaked ahead in the start of the second match, at one point leading 7 to 1. But the Windy men fought back well and reclaimed the lead 10 to 9. The final score of 21 to 16 was a triumph for Wind, who dug down deep and made the plays needed. After lunch it was time for the final game, and

To crown the first event winner.

It was neck and neck midway through the match. The Sun team then made a small break, with Wind committing to some silly plays that cost them dearly. But as the old cliché goes, "it was a game of two halves" as Wind began to pick up the pace and blew the Sun away, winning the final match and first event 23 to 20.

Sun Versus Wind: Capture the Flag

By The Editor

Wind had claimed the first event, and were riding a fast moving cloud into the second.

The Sun side needed to come out from behind their cloud and put their bodies on the line in Capture the Flag. After a spirited performance in Capture the Energy Source, Counselor ANDREW CRICHTON was one man being watched very closely. This however did not stop ANDREW's Sun side from winning the first match with some clever team work.

Wind's defense was a lot more organized in the second, as well as runners being able to release prisoners when required. Liken to the Rebel's attack on the Death Star, Wind threw everything and everyone at the cause and were rewarded. It was one game all going into the third.

Heads were down and tongues were out. It was a hot day and everyone had been running for most of it. Final match, scores tied, the Wind team up by one event.

Sun started out well, but were slowly rounded up and with their numbers dwindling Wind were able to make advances. Lucky canteen number two hundred and fifteen. The Sun side showed a lot of spirit, but it was Wind cheering at the end, winning the event two games to one and now leading the series two—nil.

Both sides will have to keep their running shoes on with tomorrow's events now proving crucial for Sun to bring themselves back into contention for this year's title.

Rams Maul Bears

By Jim Walsh

The St Louis Rams took home the victory in their MFL match against the Chicago Bears on Saturday night.

The Rams ran in six touchdowns to two, with JAKE KLEIN being supported well by his team as he scored three touchdowns, with one intercept. BEN CHALFIE had the honor of scoring the last touchdown, with this game always belonging to St Louis with a final score of 42 to 14.

MBA League Action

By Matt Feinstein and Mike Sweet

In the first game of Saturday's afternoon doubleheader, the Nuggets, coached by MATT FEINSTEIN, took the court against the Heat, coached by MIKE SWEET. The ensuing battle was a long, hard fought one that would take all participants to the brink of exhaustion. MATT ANDRE got the game off to a quick start for the Nuggets, who held a comfortable lead by the end of the first quarter. JORDAN HORWICH's intensity on the court, rivaling that of a hungry wolf stalking his prey, produced three steals in the second quarter for the Nuggets, who continued to cruise with a comfortable lead. But the Heat would not budge, and just as the afternoon sun rose above the clouds and shined down on the near court, the Heat answered the call. SAMUEL EICHNER, not to be confused with identical twin brother JOSEPH EICHNER, started hitting shots from all over the court to pull the Heat close. PRESTON SULT was a monster down low for the Heat as well. By the end of the third quarter, the Nuggets were clinging to a two-point lead. But then MATT ANDRE checked back in, plowing all obstacles in his team's way and helping the Nuggets begin to pull away. Each team scored back and forth a few times, but when referee NATE GLESNE's whistle blew to end the game, the scoreboard signaled a Nuggets victory, 28 to 24.

In the second game of the doubleheader the seniors took the court, with the Rockets facing off against the Spurs. The Spurs took the lead from the beginning and, unfortunately for the Rockets, stubbornly refused to surrender it. Lefty ROSS NEUMAN had a stellar game for the Spurs, scoring 21 points on a slew of slashes to the basket and long range three-point bombs. DOUG JORDAN led the way for the Rockets with 15 points, but unfortunately his efforts were not enough. The Spurs also had strong play by ELLIOT ANDRE and strong talking by KOBY "Technical" STERN, which allowed them to ride off into the sunset with a comfortable 46 to 28 victory.

Menominee Derby 2002

By The Editor

It was a Bookies nightmare last night, as some of the finest runners in the North Woods represented their respective teams in last night's Pursuit Relay.

The objective was simple enough; be the first team to have every member complete a circuit and be waiting at the end, sitting 'Indian style.'

JUDAH KLEIN showed his get up and go for the Sun team with an earth pounding circuit. NATE GREENSPAN and DAVID LAZAR were two other Sun members who pushed the speed limit for their side. The Wind team was at somewhat of a disadvantage with four members having to run a lap twice due to a lack of numbers. MATT SCHWARTZ ran his back to back, in order to gain a good lead for Wind. SETH LEVIN also showed a great turn of speed with a high action.

Despite personal bests being recorded for JEFF MONGER and his merry men, the Wind team won with the flying Welshman WAYNE DAVIS running anchor and his second lap.

With heavy thighs and tired chests the day was over, with Wind leading the standings three events to one.

Lunch has never been so good. Yesterday's lunch was yet another event in this year's Sun versus Wind competition. The Silent Lunch was challenging for all participants who normally enjoy and engage in the friendly banter of their mornings activities with fellow cabin members.

Both teams were dressed to kill, wearing their 'Sunday best' as they entered the Mess Hall. Each team had one side allocated and had to obey the one rule, absolute and complete silence throughout the meal. The Men on Line were greeted with a multitude of signs with please and thank you written on separate sides.

This soon became tiresome for them, but manners like this have no doubt not been scene in quite a while.

Both teams did extremely well, but there can only be one winner. The Sun team took home the victory, but the Wind men can be pleased with their efforts, as this was one event that was extremely hard to call.

Silence truly is golden.

As promised yesterday, here's FEINY!

British Bulldog

By The Editor

The first event of day two's Sun and Wind events was a good old fashion game of British Bulldog.

NATHAN GLESNE lead by example with the all important rock-paper-scissors duel to pick starting ends.

Every contestant was to have a long sock protruding from the back of their pants (shirts tucked in). Whoever was a designated 'Bulldog' had to eliminate opposing players by removing their sock before they reached the other side of the FOOTBALL field. Any sort of sock shielding or fending was not allowed.

Sun always looked comfortable in game one, where speed was not necessarily the most important ingredient. The twinkling of toes was a key requirement as well as a keen eye for gaps in defensive lines.

Sun won the first game of the best of three with a score of 25 to 21.

Wind picked up it's game in the second match but were still beaten 27 to 24.

Penalty points then crept into Wind's game as they conceded four in the final match. Knowing that Sun had already won this event, Wind were unable to regain any pride with Sun taking the clean sweep with a final match score of 40 to 36.

Menominee Impossible

By Elliot Rosen

"Everybody, stop what you're doing and listen. Your mission is to find the nine plates hidden all over camp. The Double 0 agents are Double 0 TOOMBS and Double 0 SCHWARTZ. They will each give you clues to start you off on your secret mission. This message will self-destruct in 5...4...3..." These were the instructions as given by Mr DAVID SCHWARTZ. Both teams headed to their bases with their allocated Double 0 agent, and were then divided into 'task forces' (every 'task force' had to complete their search in order for their team to finish) and waited for the start.

It was the Sun team who managed to crack all of their clues and locate the missing plates, giving them another victory and the overall series win by four events to three, after also winning the afternoon's Manhunt event. Congratulations to JEFF MONGER and his side for their efforts.

The Game of the Century

By Nathan Glesne

Who would have known when the Nuggets and Warriors squared off, that the game would go into seven overtimes?! The game started off with the Nuggets MATT ANDRE and the Warriors HOWARD GILMAN scoring back and forth. The game would remain close at 18 to 15 with the Nuggets leading, when ERIC MASON hit a three-point shot to send the game into its' first overtime. With two seconds left in the second overtime, JORDAN GREENSPAN hit a shot to tie the game for the Nuggets and send the game into its third overtime. As the crowd gathered, a defensive exhibition was put on by both teams, allowing no points to be scored in the next three overtimes. Finally in the seventh an penultimate overtime DYLAN KRAMER hit the game winning free-throw to win the match 23 to 22 for the Nuggets.

But this is just the first match in a three game series. Let's hope the next two games are just as exciting!

Hamilton Bombs Saskatchewan in MFL Over Time

By Fernando Camacho

In a very fast paced game, Hamilton won by 5 touchdowns to 4 against Saskatchewan, with an excellent pass by BRIAN KIRSCHBAUM received by SAM SHAPIRO on the 4th down to win it. This was after the MFL Commissioner had sent the game into Sudden Death. With excellent passes from NATHAN GREENSPAN, a touchdown from JASON SCHAIDER, and an excellent all-round performance by STEVIE LINCOLN, Hamilton put on an amazing display of aerial plays and runs. It is also worth mentioning the passes and receptions made by SHAWN LEVINE. This victory really makes up for Hamilton's previous 7 to 1 touchdown loss. The other teams should be taking note. Way to go Hamilton!

Senior MHL

By Neil Chiplen

DUSTIN BERSTEIN led the Tar Heels through to the second round of the MHL playoffs with a superb five-goal performance against the Sioux. JASON GORDON managed to score two in reply for the Sioux. The Tar Heels also benefit from a goal scored via a wicked deflection in their 6 to 2 win. Goalie BEN THOMPSON made several point-blank saves in an effort to keep his side in the game, but was unable to stem the Tar Heels onslaught. At the other end, goalie JASON KRAWETZ made some important saves to keep his team on track.

Merseyside Derby

By Mike Bunting

In a tightly contested Mersey Derby, Everton came out on top 4 to 2. Everton fell behind early to Liverpool when JORDAN SILVER struck twice. The deficit looked to be too great until SAM BLOCK moved into Everton's offensive formation and scored a hat-trick. NATHANIEL GREENSPAN sealed the victory with a goal his efforts deserved. DANNY GUBIN made some excellent saves for his Liverpool side, and helped to keep the score down.

Sooners Versus Cyclones

By David Ashburner

Due to a late start to the match, there was only time for one inning in this important game. The Cyclones coached by CHRIS CARPENTER, batted first and managed to score two runs off their one inning, due to some good catching by DANNY FISHER. The Sooners coached by DAVID ASHBURNER, soon scored the required runs in convincing fashion with some good outfield hits. Final score: Sooners 3 to the Cyclones 2.

Junior MLB

By Gus Stewart

ISSAC KLEIN approached the box like a starving eagle approaching his prey. Hunger was in his eye's. The hunger for glory and victory. JEFF MONGER pitched hard, but the little KLIEN exploded with a line drive that brought two runners home. MATT ANDRE hit a fly-ball high and over second base, only to have it fall slightly short of a grand slam. Excellent fielding by JEREMY POTER and SAMMY DUBBS helped the score to a 'head holding high' victory for the Huskers by 5 to 1 over the Longhorns.

Senegal Versus Japan

By Mike Bunting

Once again Senegal proved their growing reputation is deserved. Ben Thompson was a rock at the back with ROSS FESTENSTEIN creating the spark for the 7 goals. JUDAH 'netted' 3 times and DANNY BERKOWITZ 's clinical finishing gained him a hat-trick. JACOB KLEIN scored the consolation goal for Japan, making the final score; Senegal 7 to Japan 1. Lucky canteen number seventy six. Senegal now march into the final where it's going to take a lot to stop them being crowned champions.

Welcome Back!

For all the new and old campers welcome back to Camp Menominee, for the second session.

In the first session we had a full camp competition against Ojibwa and Timberlane. British and America battled things out as well as Sun versus Wind and the great Coke versus Pepsi Challenge for 2002.

In the second session we can look forward to some spirited competition against Kawaga, Twilight League and the play to be performed with the lovely ladies from Chippewa.

This is the only second session for 2002, so let's make it a good one!

The Rules of Life.

By Joe Klein

It was July the 6th and the camp was called us into Wasserman Hall. After the usual goings on, STEVE then remarked on how well a job the C.I.T's were doing, and asked us all to stand up front. This was so he could surprise us all with.... All-Star game tickets! Naturally the C.I.T's were suddenly the envy of the entire camp. The best trip ever officially started that following Monday, as STEVE and all the C.I.T's headed out to Milwaukee. After being dropped off at our hotel and grabbing a bite to eat, we headed out to beautiful Miller Park for the Home Run Derby. The Home Run Derby was unreal, with the likes of Sammy Sosa hitting bombs left and right. The longest hit of the night was an unbelievable shot of 526 feet. I asked the question, 'how good is Sosa?' JARED ANDRE commented on Sosa's natural hitting ability. The final was between Sosa and Giambi. Giambi won this event easily with Sosa only jacking one over the wall. The C.I.T's and STEVE had an unreal time watching these guys hit.

On Tuesday as we were at Fun Fest, STEVE was having brunch with Dave Stewart. At Fun Fest they have

BASEBALL games, which both JARED ANDRE and MAX FREED were very fond of. There were also players from the Woman's League signing autographs as well as tons of different exhibits. There were batting cages and a facility that would show how fast you could pitch. ZACK DANN clocked up a pitch of 78-mph. DAVID EHRlich pitched a fast 70-mph and JOE KLEIN

59-mph. JOE admitted "I didn't want to make the other guys feel bad, so I didn't throw my hardest." (JOE has been clocked at 85-mph). That night the C.I.T.'s and STEVE had the All-Star Game. The pre-game show as worth the price of admission alone. "It was like a great preview to a movie, where you forget what movie you were going to see", said JARED ANDRE. The game was incredible, everything you could have dreamed of and more. During the game we all brought STEVE a bat and had it monogrammed and cased to thank him, and to also remind him of this great night. Lucky canteen number one hundred and eight.

At the top of the 8th inning STEVE's parent's and his uncle left, and the C.I.T.'s took their place on the first baseline. It was sitting here where we all managed to get our arms on the Jumbo Tron. After the game was called (resulting in a tied game for only the second time ever), we rushed back to the hotel to prepare for a 'Lazy Day' Wednesday. When we did manage to all get up, we then went to a Mall and met up with A.J. SWEET for lunch. After lunch it was time to be on our way back to the friendly confines of Camp Menominee. We would like to thank STEVE for the best trip of our lives, and remember; whatever you heard is probably true.

My Experience at Camp Menominee

By Henry Estes

At first when I came to camp, I didn't know if it would be cool or not.

Last night when I went to bed I realized how cool it really is here, and how many great friends I have made. Now, as we're getting ready to go back home, I know that when you have second thoughts about something but you do it anyway, chances are that it always results in a great outcome.

Go Menominee, Beat Kawaga!

By The Editor

Everyone at Menominee is excited about the upcoming sporting fixtures against Kawaga this weekend. STEVE made the announcement to the Camp on Sunday, that Menominee and Kawaga will be playing each other in SOCCER, BASKETBALL and SOFTBALL. The games shall be spread over a two-week period with a total of 27 events taking place during this time.

This Friday at Menominee there shall be 11 and under A/B/C SOCCER, 11 and under A/B/C/D BASKETBALL and 11 and under A/B/C/D SOFTBALL.

Next Sunday at Menominee there shall be 13 and under A/B SOCCER, 13 and under A/B/C/D BASKETBALL and 13 and under A/B/C/D SOFTBALL.

Kawaga shall be hosting the 16 and under A/B SOCCER, 16 and under A/B BASKETBALL and the 16 and under A/B SOFTBALL, on Sunday the 28th of July.

During the next two weeks, the Big Ten shall play a huge roll in laying the foundations for who is selected for the various teams, as well as being a training session for those players chosen.

The entire camp of Menominee shall be taken to Kawaga to watch these events and cheer for their camp.

As JEFF TOOMBS said "the day has come!"

Everyone at Menominee should be excited at this proposal. It has been sometime since the two camps competed on such a scale against each other, as now both STEVE and TAZ are working on healing old wounds.

The manner in which these games are played shall also go a long way to help this.

Let's make these upcoming days, ones to remember.

Monday morning's Big Ten FISHING class started out like any other first day. The safety talk was given and everyone learnt how to cast a fishing rod. We then headed out over Sand Lake on the pontoon boat to do some fishing. After a short time MAX LONDON suddenly had a bite. After a short struggle, MAX managed to get the fish into the boat and in doing so, became the first camper to catch a fish this summer. It was a six inch Blue Gill. Congratulations to MAX LONDON for catching the first fish of 2002.

'Beat Kawaga' Team Practice

By Jason Schaidler

Yesterday night after dinner, STEVE announced the first 'Beat Kawaga' team practices. The intermediates geared up for SOFTBALL and went out to Bob Bender. The campers were split into four groups and went out to fields 1 to 4 with coaches MIKE SWEET, BARRY SCHWARTZ, DAVID SCHWARTZ, and PETER EHRLICH. After practicing in-groups, they were split into four new teams and played live games. During the games, ELI GREENSPAN did a great job on the mound, along with CAMERON GREENHILL hitting a homerun and MIKEY LEVIN making great defensive plays. Throughout the practice, everyone was hitting, throwing, and running like they wanted to make the team. Our chances of beating Kawaga will be great if we play like last night.

Congratulations everyone for the way you all handled photo day.

It was hot and uncomfortable, but we all got through it.

LET'S GET THIS PARTY STARTED.

By Today's Special Guest Editor.

It might not surprise you to know that roughly Two hundred pounds of hair gel, Three Thousand Liters of Deodorant and accumulated about Six hundred man hours were spent grooming in front of the mirror in preparation for last night's awesome, sizzling social with the lovely Camp Agawak.

We were to learn about the social early in the day, so as the temperature rose so did our expectations.

Thousands of questions raced through our heads, "what would they be like" were some "will I find true love" was another and most importantly "will we still get canteen?" was the last. Finally the clock struck the leaving we all scampered down to the buses in our "Sunday Best" or at least our "Saturday nearly as goods" and with a turn of the Ignition Camp Menominee for the boys was on its way towards good times and pretty girls.

Upon arrival we were greeted warmly with mint fresh smiles and an array of yummy cookies for all to feast upon. Our boys acted like the picture perfect portraits of gentleman around the ladies, wowing them with smooth words and ghetto fabulous, roof raising moves on the dance floor. Funk soul brother SAUL JACOBS proved he could cut a mean rug and set the dance floor on fire when he ventured over to a feisty Agawak counselor named CHERRIE. did he win her heart? You might have to ask him that yourself. But the JOHN TRAVOLTA AWARD for best new dancer would clearly have to go to our European dynamo, JENS HAAG.

You busted a move and shook his booty so fine that a rash of JENS HAAG impersonators began to spring up in a line behind him. Which now begs the question, would the real JENS HAAG please stand up, please stand up?

As the sun set the heat rose upon the tennis courts. Girls volleyed looks at the boys. The boys lobbied smiles back and a rally of fun began. At one point a circle formed and the braver members of both camps entered to strut their stuff, ALEC SCHWARTZ made everyone laugh with his random and totally insane stomping.

The in house D.J. spun the hits that spun the hips around and around. The line up included everyone's favorite angry white rapper Emin Emin and English crooner CRAIG DAVID.

The night wrapped up, too early for some, but everyone agreed that even though it seemed a little short it was still as sweet as any canteen.

A big heartfelt happy birthday goes out to CORY GAINES on this glorious day. F.Y.I. CORY turns a very impressive 13 today

WE NEED YOU!!

A public service announcement.

We stand like soldiers, teeth laden with dirt and clenched shut, wildness in our eyes and big booming pride in our heart, for we know what time it is. We know that with each passing second we draw closer to our goal, victory, we know we want to beat them. We know we will beat them and we know how we are gonna beat them.

We are MENOMINEE BOYS and if we stand together we can defeat KAWAGA with our eye's shut and our big green hands tied behind Our backs.

So the time has come and teams are being chosen. Every division knows in their heart that when they hit that field they have the spirit and the heart to out shine this summer sun. Guts, determination, energy, talent, and sportsmanship are our ammunition against this common age old enemy. So if you are not part of a team by now then race chanting from your cabin and join any and every sport you can. The front line needs you now.

CABIN CLEAN UP WINNERS

Congratulations to cabins TWO and NINE who both scored an amazing NINETY NINE in clean up this morning. So a big round of applause to the following campers. LOUIS COHN, NOAH FELDMAN, ADAM GOLDMAN, DOUGLAS MACK, CAMERON POTER, DREW SOLOW, MARK WOLFSON in CABIN TWO and from the ranks of CABIN NINE lets keep the applause going for JASON BERG, JAKE BERLOW, ROSS FELDGREBER, JOSH GREEN, BOBBY FORHMAN, MATT KERBIS, JEREMY KOHLENBRENER, JASON KRWETZ, ADAM LEVY, ZACH ROTHBERG and as the clean up beaver RYAN WOLIN. Well done guys you are one step closer to godliness and dairy queen.

HARDCORE SOFTBALL.

By the Assistant to the Assistant Editor

As the blistering sun bore down from above the men of MENOMINEE strutted valiantly up to the BOB BENDER SENIOR DIAMOND to begin what some may call a clash of the titans and others do call the seniors versus the counselors softball game. Pumped up and ready for action both teams took their respective places and the battle royale began. Pitching for the counselors was the veteran's veteran KOZ who's limber arm and "bulging biceps" made for some pretty exciting pitches. The seniors played like rabid dogs possessed cutting the ball through the blades of grass in the outfield like lasers. As the game reached the half way mark the counselors strategy took a slight diversion when they changed the line up to accommodate all their players. A fair decision that exemplified the sportsmanship that this camp embraces.

JUDAH KLIEN sustained a slight injury when a ball made it's way at a rapid pace into his chest, both he and the rest of us breathed a sigh of relief when he popped back up soon after alive and with no real damage done. MAX FREED proved himself to be a budding MVP as he went 1-2 and got a double. Then out of nowhere like a hurricane in a trailer park in Texas the game shifted and the counselors came back in the top of the last inning hitting four runs to tie the game to four a piece.

Twilight League Starts

By The Editor

As everyone filled into the Mess Hall, in the camp's usually orderly fashion, we all couldn't help but wonder why Menominee's own pocket size 'Arnold Schwarzenegger', BARRY SCHWARTZ, was standing on top of the piano in full SOFTBALL attire. BARRY held his position and took different poses for well over an hour as the rest of us all ate and discussed the day's events.

Finally, when STEVE came to the microphone he paused and asked the motionless SCHWARTZ, what it was that he was doing? "I just wanted to see what it was like to be the world's best trophy", was BARRY's reply. "I only have one other thing to say KANEFSKY. It's the start of Twilight League! To the sound of this, the Mess Hall erupted into pandemonium, as all the campers had been waiting for this, since their arrival.

The Commissioners for the three divisions were announced in Wasserman Hall. MATT FEINSTEIN—Junior Commissioner, SCOTT MARCUS—Intermediate Commissioner and BARRY SCHWARTZ—Senior Commissioner.

The teams were then announced, and before you could say "I want to play second base", the Twilight League season for 2002 was under way.

Menominee Versus Kawaga, Day One Competition

By The Editor

The first event in this year's Menominee Versus Kawaga Competition was **11 & under B SOCCER**. Early on ISSAC KLEIN proved difficult for Kawaga to pass in defense, with JORDAN GREENSPAN creating chances in the center. Unfortunately for Menominee, it was Kawaga who struck first, with a good goal resulting from an earlier mistake. This was to be the only score in the first half, with Kawaga having most of the possession.

Kawaga came out firing in the second half, and scored a solid second goal with a simple draw & pass move, pulling the keeper out of play. Menominee then gifted a third with a wild pass in front of their own goal. The initial shot hit the upright, but Kawaga followed through & scored off the rebound. ALEX SLOAN was aggressive in defense, but despite this, Kawaga scored a deserved

fourth, showing great skill and relentless pressure. Final score; Kawaga 4 to Menominee 0

11 & under A SOCCER: Kawaga wasted no time in getting the second match started, going one nil up in the opening few minutes. This despite an excellent save from keeper SAM BLOCK within the first few seconds of the game. Kawaga then controlled the centre field, & successfully choked any Menominee attack that began to take shape. The goalkeeping prowess of SAM BLOCK helped to keep Menominee in the game, & despite gaining more possession, Kawaga scored a second & looked in control. Missed tackles then cost Menominee once again, as Kawaga scored through a good strike. The fourth and final Kawaga goal came courtesy of a free kick that sailed over the top of Menominee's defensive wall. Final score; Kawaga 4 to Menominee 0. Kawaga also won the third and final game in this age group, **11 & under C SOCCER**. With the scored tied at nil all at full time, Kawaga won the penalty shoot out by two goals.

11 & under D BASKETBALL: Kawaga started things off with the first basket, & managed to keep Menominee from scoring one of their own until the third quarter. It was 16 to nil at half-time, with Menominee yet to put up a shot. SAUL JACOBS was a man possessed, as he tried to inspire the rest of his team. Menominee began to come alive in the third quarter, taking the score to 16 to 6. Unfortunately as players from both sides hit the court, Menominee couldn't keep the pace up, only scoring two more points in the final quarter, but reversing things & keeping Kawaga scoreless in the entire second half. Final score; Kawaga 16 to Menominee 8

11 & under C BASKETBALL: The score was a nail biting 12 to 11 in favor of Kawaga, going into the final quarter. MICHAEL PHILLIPS scored 10 of the 11 points for Menominee, & was superb in general play. Unfortunately STEVEN's efforts weren't enough to secure the win as Kawaga held on in the final quarter. Final score; Kawaga 12 to Menominee 11.

11 & under B BASKETBALL: Kawaga had a narrow lead at the end of the first quarter, 6 to four. Menominee showed a lot more intensity in this match, only trailing by three at the half, with the score of 10 to 7. ELI GREENSPAN and SAM BLOCK were strong for Menominee, but Kawaga began to pull away, leading 17 to 9 at the three quarter mark. The last quarter was a slow affair, but Kawaga once again managed to hold on against a spirited comeback. Final score; Kawaga 19 to Menominee 13.

11 & under A BASKETBALL: Menominee hadn't had a win going into this fixture & were desperate for a result. Rewards come to those who wait, & Menominee had to wait until the last action of the match when SEAN BARDOS sunk the winning basket to give the A boy's a deserved win. Not only was it Menominee's first win, but also the most tense of matches played in either sport today, with just one point separating the two sides. Final score; Menominee 10 to Kawaga 9

Lazar Sneaks in Against Levin

By The Editor

The first match of the 2002 Twilight League season was held in St Germain (or the far extremities of the number two soccer pitch) for both these sides.

DAVID LAZAR's side were put into bat first by SETH LEVIN and his merry men. Despite a team talk that made little or no sense from Kiwi Coach RAY ADAIR, LAZAR's side put the first points on the board when ERIC SHAMBERG was brought in from a hit by ANDREW NISSEN. The score remained one to nothing through the early stages of the match, with ALEX WAGMAN taking a screamer of a catch to dismiss DAVID LAZAR in the second inning. ANDREW NISSEN then put another one on the board for LAZAR, giving them a two—nothing lead. SETH LEVIN started to lead by example, with a 'stand up triple' in the fifth. SETH was then batted home for his side's first score, with ETHAN STEINBERG sparking a comeback, as well as consecutive hits from SCOTT WILSON and JASON RICE.

The score was poised at four to three with the final inning to play. LAZAR managed to score one more in their last bat, leaving it for LEVIN to chase. Unfortunately LEVIN hadn't counted on the brilliant ground fielding of ERIC SHAMBERG, who counted for all three LEVIN outs, with returns to first base.

SETH LEVIN was unlucky, pitching and hitting well, with two hits—one run and one R.B.I. But it was the 'ERIC SHAMBERG Show' as he clocked up a personal haul of two runs from four bats—three hits and one R.B.I.

Final score: LAZAR 5 to LEVIN 3

11 & under C Softball

By Michael Bunting

Kawaga took a strong lead early on though their excellent hitting and solid fielding. However, Menominee never gave up, showing good team spirit with some good pitching by ERIC MASON and catching by SAM GILES. The team should be praised for their courage and continual effort throughout the game despite the 13-7 result and hopefully have all learnt from the experience.

By Grant Spathis

In only the second win of the day against Camp Kawaga, 11 & under D SOFTBALL won 11-10. This was through some great pitching from JOSH SYLVIN with great support coming from the rest of the lineup, as everyone hit one RBI. JOSH also batted well with three hits. GRANT SPATHIS went 3-5 with two RBI's (the only player to hit more than one RBI). The game went back and forth, with Kawaga taking an early lead but Menominee fought back and held off a late rally by Kawaga.

11 & under B Softball

By: Eli Greenspan

It was a hot afternoon. Coach's JEFF TOOMBS and MATT FIENSTEIN said "Play hard, and you will win. The only way you will lose is if you have errors and pitch walks." The first inning was a one two three with great plays from ELI GREENSPAN, DILLON PROPP and A.J. SPECTOR. The second inning was riddled with errors, as Kawaga scored 11 runs. Coach JEFF TOOMBS said "What would you rather have, a few runs, seven runs?" We said seven and stepped up to the plate. Through the order Menominee scored

Kawaga were set up well with two runs scored in both the first and third inning. Despite the best attempts of The Menominee A team, Kawaga had all the answers. MATT ANDRE took an outstanding catch at short center in the bottom of the sixth inning, but it was too late to change things as Kawaga had done enough to win.

Final score; Kawaga 5 to Menominee 0

Team Surovy, oh What a Team!

By Chris Atkinson

A youthful team full of spirit, passion and pride, seems to be the perfect combination for a title challenging Senior SOFTBALL team. Only one problem, an English Manager.

But have no fears team SUROVY, Mr Chris Atkinson LOVES SOFTBALL, and after the first winning display of the 2002 Twilight League, he has no hesitations in taking his team to victory! Lucky canteen number two hundred and sixty four.

CAMERON FINDLATER took some amazing catches and SAMMY DUBS pulling off a perfect impersonation of Babe Ruth's batting stance. For his side, A.J. SPECTOR hit a huge triple, with SAM TEPER scoring a double. Another night of great Twilight League action!

Lincoln Rocks Greenhill

By Stevie Lincoln

When STEVIE LINCOLN and CAMERON GREENHILL's Twilight teams played last night, it was expected to be a good game. MIKEY LEVIN had a good game, drawing a lot of walks.

JARED GOLDEN had a great game, almost hitting the cycle. Also helping out the team was SEAN BARDOS with a home run. ZACH BERNES and STEVIE LINCOLN made some great plays, with MATT BAUER showing some powerful hitting for LINCOLN. The batting of CODY SHEAR and JAKE FREED was solid and dominant throughout the whole game, allowing only two people on base in the entire match. CAMERON GREENHILL in the fourth inning, called the game and forfeited.

Menominee Versus Kawaga, 13B Basketball

By Jens Haag

Going into the match, our key word was 'intensity'. What made this particular game so special, was that we played really aggressively, and with 100% passion and intensity for the entire game.

Our defense was tremendous, and a couple of steals at the start of the game by ROSS NEUMAN and ADAM BERZON gave us a small lead. We had a great game under the boards, and ELLIOT ANDRE and STEVEN KLEIN showed early, that the loose balls were ours. Team captain BLAKE 'The Bladé' LEVIT, entered the game with a great attitude and with a three-pointer in the third quarter, we started a new run of scoring. Also on the team were JASON BLANCK, ALEXANDER BURGESS, ZACH BERNIS, JOSH BERNIS, MATT KERBIS, ROSS FELDGREBER and BEN CHALFIE. This was an awesome game. You gave it your all, and I'm proud of you. Great effort!

Final score; Menominee 24 to Kawaga 23

The Perfect Storm

By The Editor and Assistant Editor

As all four SOFTBALL games were in their early stages on Sunday, and more importantly, as Kawaga began to feel Menominee's wrath, the heavens became shrouded in a swirling dark cloud. Lucky canteen number one hundred and twelve. This could only mean one thing, rain.

The order was given and people ran for cover, just before the eye of the great storm awoke. We were trapped like rats in our cabins, as winds reached speeds of up to 60 miles per hour. The standard Sunday 'Hot dog Cookout' became a 'cook-in' as all the cabins ate rough, in comfort. As soon as the storm came it chose to leave. The gust was a bust, and all the campers enjoyed their first non-naked shower for 2002.

Social With Marimeta

By Alex Schwartz

The social last night was a blast. We had A-Z Entertainment with Suave as the DJ, it made things even better. The counselor's dress code was Getto/Hip, but we'll get back to that later. There were a lot of prizes handed out last night for dancing (not all went to JENS HAAG), but one person that deserved the visor the most was JEFF TOOMBS. For his dancing/kitchen blender efforts, JEFF was awarded the 'John Travolta' dance award. As the far as the counselor dress code went, JEFF TOOMBS was once again in fashion. But it was MATT SCWHARTZ who put everyone to shame with his 'ripping' effort. All the boys from Menominee enjoyed dancing the night away with the lovely girls from Marimeta. Another great social, and another night of memories.

Menominee Versus Chi

By The Editor

Although arriving a staggering two hours late for today's planned events, Camp Chi were off to a great start in the first event of the day, the SWIMMING Leg.

A mixed camp of boys and girls, Chi proved to be too strong for Menominee, across the board in all SWIMMING events. Only JOE KLEIN in the freestyle-free relay and BRAD CAPITANI in the fly, showed any resistance, as the rest were sunk by Chi. Given Menominee's recent activities and continuing competition with Kawaga, this event had the makings of a testing time for Menominee. Some of the events being played are also not regular fixtures here at Menominee and despite the eagerness to do well and memories of last year, respect must be given to the campers from Chi.

Final SWIMMING result total; Chi 46 to Menominee 9

Tennis Action

By Neil Chiplen

Menominee's doubles players turned up the heat this afternoon as they swept Camp Chi. Top seeds DAVID SUROVY and BRETT GREENSPAN, second seeds JOSH GOLDMAN and JOSH GREEN, and third seeds RYAN WOLIN and MATT

DOPPELT all recorded 6 to 1 victories. DAVID EHRLICH and ROSS GREENSPAN contested in the match of the day against two young ladies from Chi, winning a tense tie-break.

JORDAN KRINSKY and DANNY SAWYER sprinted to victory in the singles, whilst top seed

JASON FELDGREBER lost on a tie break.

Menominee Versus Chi, Soccer

By Steven Stopforth

Due to the delayed kick-off, the Menominee players were even more fired up for this game.

Menominee started with a standard 4-4-2 formation, with JOE KLEIN in between the sticks.

Center midfield man JARED ANDRE opened the scoring, midway into the first half, with a surging run from the middle of the park.

Menominee's play mainly came from the creative feet of BRAD CAPITANI, on the right flank.

Chi fought back and never let their heads drop, however with Menominee's second and third goals coming from ROSS GREENSPAN and SONNY SARANOW, Chi were killed off.

Final score; Menominee 3 to Chi 0

CABIN CLEAN UP WINNERS

Why does Donald Duck wear a towel when he comes out of the shower, when he doesn't usually wear any pants?

Menominee Hockey Versus Camp Chi

By Brad Stein

After much begging, the HOCKEY players of Menominee were finally granted their wish, a competitive HOCKEY match against another camp. They made this one count.

The game began with the momentum in favor of Camp Chi, with the pack constantly in Menominee's defensive zone. But with JUDAH KLEIN in goal, Chi could not make it count. The game didn't remain stagnant for long, as DUSTY BERNSTEIN put the first goal of the game past the Chi goalie.

In the second period, Menominee continued its' strong defensive play with the help of BRAD CAPITANI, JOE KLEIN and DANNY SIDER. Menominee broke the silence again with DREW SOLOW placing the puck in the top-shelf of the Chi goal.

In the third period, Camp Chi came back strong and tied the game two-all. The match headed into sudden death overtime. The overtime period ended without either side scoring. Referee JEFF TOOMBS made the ruling that the game would go into a shoot-out, with the first unanswered shot losing. Chi had the first shot which was successful. With the pressure of the result on his shoulders DUSTY BERNSTEIN kept Menominee alive in scoring his second goal. JUDAH KLEIN then repelled anything and everything that came at him in goal, and despite Menominee being halted at the other end, the fifth shooter DREW SOLOW scored his second goal, and got the result.

Intermediate Extravaganza

By Jason Schaider and Brett Boudart

Last night in Twi-Light League, MATT ANDRE s team and DAVID LAZAR s team battled at diamond eight. In the first inning, JUSTIN DEMBO hit a two-run homer to give MATT ANDRE s team the lead. CHASE BERMAN pitched well for MATT ANDRE s side, with the rotating pitchers on DAVID LAZAR s team, walking a lot of batters home and gifting at least six runs. The lead changed early in the game with LAZAR s side up by five with a score of 7 to 2, but in the sixth inning, MATT ANDRE s team took the lead and won it. SAM HEFTER was a joy to watch, as he put on a great exhibition of clean, powerful hitting. Final Score; MATT ANDRE s Team 17(3-1) to DAVID LAZAR s Team 8(2-2).

The Great Game

By Isaac Klein and The Editor

A.J. SPECTOR's side showed a spectacular performance against the workman like team of ERIC MASON last night in Junior Twi-light League action.

ERIC MASON's side shot out to an early lead with JACOB HOCKMAN and ERIC MASON batting well.

JEREMY POTER also struck some clean hits, and batted beyond his size.

MASON's men became stagnant and were slowly reeled in by the hitting of A.J. SPECTOR, ISAAC KLEIN, ALEX SLOAN and SAM TEPER hitting a home run. SAM GILES and JORDAN GREENSPAN both made great catches for SPECTOR in the deep. Lucky canteen number fifty.

It was a great come from behind victory for A.J. SPECTOR's side, just scrapping home by two.

Final score; A.J. SPECTOR 12 to ERIC MASON 10

CABIN CLEAN UP WINNERS:

Imitation Night 2002

By Garret Karp

Wednesday during lunch, STEVE announced that tonight would be Imitation Night! It started with a skit from Cabin Three with the theme 'What Would Counselors be Without CM?' It showed BARRY SCHWARTZ as a security guard, LOREN RUE as a pizza delivery guy, WOODY as Prime Minister, and STEVE as a Wal-Mart Manager.

Cabin Four (Junior Division winners) re-enacted what MATT SCHWARTZ taped on his video camera at camp this year. Cabin Six performed 'Five Moments in Menominee History', that we wish never happened. MATT SCHWARTZ's DoC's Run campaign made the top five spot. In the Intermediate Division, Cabin 14 won. DANNY CHAIMOVITZ was the host of a show that had many Menominee counselors. SETH LEVIN was the best in camp when it came to interviewing his counselor, JIM WALSH.

In the Senior Division, Cabin 10 showed their impression of STEVE interviewing new staff for positions at camp. CORY GAINES did a great impression of JENS HAAG being interviewed (happy birthday JENS!). Cabin 19 performed a short skit with JUDAH KLEIN and BRETT STARKOPF the leading lights. They performed a song together titled 'Kawaga for the Girls'. Too bad Song Night was last week!

MICHAEL RUEDA and rest of the Senior Cabin racked up the Senior Division win by relating a host of TV Shows to the KLEIN family. MICHAEL RUEDA did a great job of imitating JOE KLEIN.

The winners were decided immediately after the C.I.T's left the stage. All the winners received a free canteen for their efforts.

The zip line was the most fun thing that I have ever done! I was the first camper to go down the zip line in the second session. I climbed 50ft up the ladder with CHRIS ATKINSON belaying me. I finally reached the top and was strapped into the zip line. I learnt the commands and after the final instruction, I leaned forward and zipped down the zip line. When I was riding I felt the wind rushing at my face until I stopped right over the ladder and I was let down from the line. I am so glad that I chose ROCK CLIMBING for my Illinois activity. I HIGHLY advise everyone to come out to the wall and try the zip line.

Birch Knoll Social

By: Garrett Karp

At dinner last night STEVE announced that we would be having a social with Camp Birch Knoll! He also said that KOZ and the C.I.T.'s would be leading the entertainment for the evening, and mentioned for all those with a sweet tooth, that we would have canteen during the social.

As the buses from Birch Knoll arrived, people talked outside as the C.I.T.'s tried to herd everyone into the Mess Hall. They entered only to see KOZ dancing with the kitchen staff. A welcoming invitation?

The C.I.T.'s (ZACK DANN, JOE KLEIN, DAVID EHRLICH, MAX FREED, JARED ANDRE, BRAD CAPITANI, and SONNY SARANOW), played a variety of songs from artists such as Eminem, The Strokes, Jay Z, Nelly, Guns N Roses, and a host of others. Who needs' A to Z, when you have the C.I.T.'s?

Later the C.I.T.'s opened up the canteen for Camp Birch Knoll and then for Menominee. Many campers from both camps hung around the canteen for the remainder of the night.

"The girls at this social were much more friendly than any of the other socials this year!" said SAM GILES.

As the night wound down, the crowd shifted from the basketball court, the Mess Hall and lastly to the busses. The counselors and C.I.T.'s had a hard job of moving everyone one way.

Then, after what seemed like a few minutes, WOODY made the announcement that the social was over and the girls had to board the buses home. He also mentioned that the boys could escort the girls to the buses, but not go on them! Goodnight ladies.

Thanks again to the C.I.T.'s and KOZ for another great social.

BEAT KAWAGA!

By The Editor

Guess who's back, back again. Kawaga's back, beat them again...

Yes gentlemen that's right. Tomorrow sees the continuation of those rain interrupted SOFTBALL games from last Sunday. Our likely lads have been sharpening their skills all this week, in an effort to put Kawaga to the sword. Everyone at Menominee needs to be cheering like it's 1999, and giving their full support to our boys.

Sunday sees our entire camp travel to 'their house', for the 16 and under matches. We need to make sure that we make tomorrow's matches count.

Runners at the Ready

By Scott Sarson

Preparations for this year's Doc's Run began this week, with an encouraging number of willing participants stepping forward to attempt the 4 1/2 mile 'jog' within the surroundings of Sugar Camp.

Led by event veteran WOODY, both campers and counselors alike, have taken to the highways and woodlands around camp in an effort to shape up and set personal bests, or just to be able to complete the event. With last year's winner not present, many participants will have a keen eye on becoming the new champion of 2002. Of the C.I.T's BRAD CAPITANI is looking in fine form and will be a contender, whilst JAKE LASKY also seems to be progressing well, and will be striving for a high placed finish. MIKE BUNTING and WAYNE DAVIS will be among the 'Race Day Favorites' from this year's counselor group, as well as our very own WOODY who should never be ruled out.

As race day approaches, the practices are essential for those wanting to complete the great Doc's Run. Good luck to all those competing, and don't forget to stay hydrated!

Menominee With The Comeback!

BY Alex Sloan

When the 13 and under's took the field, Menominee need to win all four SOFTBALL games. We led in three of the matches, with only the 'A' game not in our favor. But with the end of all four matches, Menominee had triumphed and brought the overall event score down to a narrow lead for Kawaga by 12 events to 9.

Everything hinges on Sunday and the Senior Division. How badly do you want to beat Kawaga and win this?

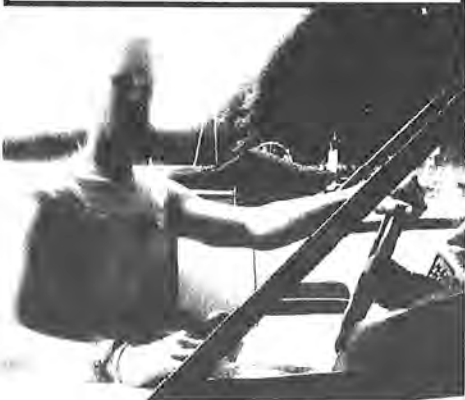

Kawaga Came, Saw, and we Conquered!

By The Editor

The rain interrupted SOFTBALL matches from last Sunday, were finally finished here at Menominee today.

In the 13C and Under match, Menominee had a lead of four to nil at the top of the third inning, with Kawaga at bat, one on and one out. Kawaga got the game, and their half of the scoreboard underway, scoring one at the top of the third and reducing the deficit to three. SETH LEVIN managed to make it as far as third base for Menominee in our third inning, as Kawaga showed great attributes in the field. JEREMY KOLENBRENER then began to fire up, as he pitched sensationally well, counting for numerous Kawaga scalps. 15 TO 12

By The Editor

That was the final result in Kawaga's favor at the end of yesterday's games held at Kawaga. Of the 27 events played, Kawaga won fifteen and took this year's title. Menominee can be proud of the effort that all it's competitors gave. The Senior Division can stand up tall after splitting yesterday's six events, three-apiece. There were inspirational moments from the likes of ZACK DANN and ANDY COHEN, as well as absolute commitment to the cause from JOE KLEIN.

The score doesn't reflect how close things really were.

16B Basketball

By Jens Haag

It turned out to be exactly the kind of game we had foreseen: a battle where the hardest working team would win.

JOE KLEIN set the tone early (two weeks ago as a matter of fact), with some great rebounds and sacrificing defense. Menominee took an early lead, but Kawaga came back through some great shooting. JAKE KLEIN and ANDY COHEN also played their heart s out with key steals and breakaway lay-ups. STEVEN ZUCKER racked up a personal point tally, as well as contributing some good rebounds. STEVEN was ably supported by MAX FREED. JORDAN KRINSKY showed great intensity and worked hard through the entire match. ANDY COHEN was hot from the line, making all of his five shots.

But it was free-throws that decided the game. JAKE KLEIN netted a free-throw with seven seconds to go, giving Menominee a 32 to 28 lead, and the winning result.

Yet another fine chapter in Menominee BASKETBALL.

Kawaga Competition

By, Alex Sloan, Alex Schwartz, Eric Mason, Saul Jacobs

Yesterday for the first time in three years, Menominee went to Kawaga. It was quite an experience going to Kawaga after this layoff to compete. All of camp Menominee cheered during the games, and everyone who played, played their hardest, but the overall outcome was not in our favor. Our heart's go out to JOE KLEIN especially, and the rest of the athletes that played against Kawaga yesterday. When we all arrived back at Menominee from Kawaga, everyone was called into Wasserman Hall. STEVE awarded JOE KLEIN his Menominee staff shirt that had JOE'S blood on it. This shirt symbolizing the effort that Menominee and JOE put into all the games played against Kawaga. Thanks STEVE and TAZ for rekindling this tradition, and special thanks to GLENN KLEIN for the effort he put in to helping Menominee prepare for this event. Lucky canteen number one hundred and sixty. We'll get them next year!

Swimming the Lake

By Fernando Camacho

Wow! What an incredible performance by all of the swimmers who took part in the annual 'Swim the Lake.' Woody announced the event, and 29 swimmers gave up Prime Time to compete in it. It took seven shuttles across the Sand Lake, to transport all the swimmers and event staff. The swim itself went smoothly with only three abandonment's. After only 24 minutes and 35 seconds, the first swimmer (a first year camper), with the fourth best time in history, ENRIQUE CYMET from Mexico reached our waterfront. ENRIQUE was followed very closely by Counselors NIGEL CROW (24 min and 39 sec) and MICHAEL BUNTING (32 min and 28 sec). JOHN COHEN was just edged out of third place by MICHAEL with a great time of 32 min and 54 sec.

An excellent event, that saw everyone get home safely. Congratulations to all the swimmers and Waterfront Staff for their excellent work.

The Chippewa Regatta

By Graeme Littlejohn

The Menominee sailing squad entered into another regatta on Friday, and expectations were high after Menominee's stunning win at Nicolet last week. The squad of BRETT BOUDART, JAKE FREED, ALEC SCHWARTZ, ZACH ROTHBERG, HERSH FRIED AND NICKY KONOWITZ, did not disappoint.

In a race comprising of 19 vessels from five different camps, competing over a very tough and long course, Menominee finished second, fifth and ninth respectively. BRETT BOUDART and HERSH FRIED were in the second placed boat, just behind first place, despite hitting a tree on their way through the course! ZACH and ALEC paired in the fifth place boat, and battled hard for their spot, reaching as high as third place at one point. JAKE and NICKY also sailed well, to finish in the top ten.

A great time was had by all, especially coaches FERNANDO CAMACHO and GRAEME LITTLEJOHN, who watched the action unfold from a speed boat. A tough job, but someone had to do it!

INTER-LAKE-IT

By Mike Sweet, Scott Marcus, and Matt Schwartz.

As the Menominee Frisbee team started out from camp in the CM van, there was little confidence in a victorious return. Never before had a Menominee counselor team defeated Interlaken in their number one sport, Ultimate Frisbee, but today was different. The sun was shining, the grass was green, the sky was crystal clear and blue, and the wind was just right for something special to happen.

The Menominee men took the field and prepared for war. This was not going to be another pounding from the J.C.C. camp down the road. Menominee were off to a lightning quick start, with WOODY, SCOTT MARCUS, and AARON MAY controlling the backfield and passing the disc up to some of the quickest attackers in the Northwoods. AARON MAY chucked up a prayer that had SAMMY SIEBERT's name written all over it. Sweet swinging SAMMY SIEBERT jumped higher than his two defenders and grabbed the Frisbee, landing squarely on his back in the end zone. The Interlaken All-Star Frisbee team stood stunned with mouths open as the Menominee Frisbee team went berserk over this quick and early lead. Due to more phenomenal passes and long throws from WOODY and SCOTT MARCUS, the Menominee Men kept the lead and the shut out. Highlights of the first game included a DAVID SCHWARTZ mid-air pass, that amazingly flew over all defenders and allowed SEAN '\$' HENNICK to pull a Cris Carter type catch in the back of the end zone, and an outstanding side arm throw from CHRIS 'The Hammer' CARPENTER traveled half the field and landed softly in the hands of the 'Chainsaw', MATT SCHWARTZ. The score at the end of the first game... Interlaken 0 to Menominee 13.

The Interlaken Team was furious. They vowed to win the second game and take back what pride had been stolen from them. They reached deep down into their Frisbee talent pool, developed from years of Frisbee golf, Ultimate, and Frisbee Blazing. Although Menominee kept up in pace with the Interlaken All-Star's for awhile, nothing could stand in their way of winning game two. A phenomenal no-look pass through four defenders

from JEFF 'Monger' MONGER reached a sprinting NATE GLESNE in the end zone to tie the game up at 4-4. Even with some great defensive plays, the Menominee Men lost game two, 13-5.

The miracle occurred in game three in the best of three series. More outstanding passes from WOODY, MARCUS, and MAY, allowed the MVP, MIKE SWEET, along with

SEAN 'Primetime' HENNICK and PETER 'PEARL' EHRLICH to score 10 touchdowns to Interlaken's eight. As Menominee was prepared to end the game, Interlaken quickly scored four unanswered touchdowns to take a 12-10 lead. The rules clearly state, however, that you must win by two. MIKE SWEET laid out for a PETER EHRLICH pass, and then PETER EHRLICH showed his skill and caught an amazing catch over his defenders. A third touchdown from WOODY that traveled the full length of the field to SCOTT MARCUS in the end zone gave, Menominee the lead. Destiny was met as AARON MAY chucked the prettiest pass in the history of Frisbee to MIKE 'Sweetness' SWEET for a jumping catch to end the game and give SWEET his 14th touchdown in the three games. The task was completed, the goal was reached, and history was made on this day at a camp called Interlaken. The Menominee team came home, laked it, and basked in the glory that is defeating Interlaken in Frisbee. Lucky canteen number thirty one.

Daylight, it's Alright, Don't Get Uptight

Today turned into tonight very early on, as Twilight League games were played this morning. Two full rounds were played before lunch, as all the teams competing march towards the playoffs, in their respective divisions.

DAVID LAZAR's side played their first match against CAMERON GREENHILL's. The game started with a hiss and a roar as the first batsman for each team scored a home run. DAVID LAZAR spanked the first ball he faced, for an easy run in. GREENHILL's side scored five easy runs in their first innings, through a combination of some lusty blows and poor fielding from the opposition. BUT SOFTBALL is a funny sport, and after their fifteen minutes of fame, GREENHILL's team were run down and overtaken by LAZAR's, with STEPHEN ZIGHELBOIM running in two with his home run and SAMUEL HEFTER swinging the bat three times, for three runs. DAVID LAZAR lead by example scoring three runs, with two coming from the second inning alone as LAZAR's side batted through the order in the second inning, picking up ten runs.

The game was called after the fourth inning with LAZAR's side winning 19 to 6.

The MVP went to STEPHEN ZIGHELBOIM who at three bats, scored two runs, one being a home run, and ran four in.

The Menominee Masters, 2002

By Mike Bunting

Finally it has started, the main event in the Menominee calendar. No not Green and White, but The Menominee Golf Masters for 2002!

Between now and Saturday is your chance to qualify to have a shot at the Green Jacket. All you need to do, is play a round of five holes with a counselor, and have him sign your score card. Any counselor can do this, especially GUS STEWART and MIKE BUNTING our resident pro's. The competitors with the lowest three rounds scored on the Menominee Links, will then playoff against each other in Eagle River for the Green Jacket. All equipment will be supplied, so anyone can enter. So just remember to keep your head down, swing through, and maybe you could turn out to be the next Tiger Woods, or even MIKE BUNTING.....

CABIN CLEAN UP WINNERS

VERY SNEAKY- GREEN AND WHITE BEGINS

By The Sub-Assistant to the Assistant Editor

As the black clouds loomed over head, the announcement to come into WASS HALL flooded through a cabins like a raging stream. Everyone with a look of slight confusion, made their way to their respective benches and sat "quietly" for WOODY to enter and lay our confusion to rest. As per usual WOODY spoke to us with the knowledge of a scholar, the wit of a playwright and the passion of DR. MARTIN LUTHER KING. He quickly rallied his troop of campers together for a blatant act of defiance, a sneak out, no a ENTIRE CAMP SNEAK OUT! With in minutes we reconvened in Wasserman Hall armed with flashlights and silence, and begun our trek up the Service Road towards the climbing wall. BOOM, a light hits us and a voice from the heavens bellows "where do you guys think you are going?" With this WOODY stammers looking for an excuse. STEVE cut him off and declares that GREEN and WHITE has begun! Everyone cheered, and wave of flashlights pierce the night sky and jerseys rain down upon us like debris in a tornado. Everybody scrambled looking for their jerseys. Nicknames are yelled into the night looking for an owner and soon enough we all have our jerseys and have formed an orderly single file line. WHITE TEAM is declared the winner of the JERSEY SCRAMBLE and as the flashlights shine like a beacon upon THE TOWER the Team Captains are announced. Among the select few are the *mighty* and *fighty* ADAM BELLOWS and the lean and mean KOBY STERN. In a rare sight we removed our hats and sing TAPS out under the stars and then retired to our beds to recharge our batteries for the next day of GREEN and WHITE.

VROOM VROOM!

By the Editor's Assistant

Bottles were at the ready, grenades stood waiting, the weapons of mass destruction lay unfound and the dye waited to be cast. The two teams standing on either side. MENOMINEE split down the middle and as JOE KLEIN let the buzzer ring out, the battle was on for the young and the slightly old. The woods next to Old Counselors Road, would be the location for many of the early rushes. Campers ran careening through the thick scrub and the uneven land with mad and capable enemies nipping at their heels.

WHITE started out strong gathering a lot of the flags early on in the piece and although GREEN was a strong and determined team they struggled to keep up with the WHITE onslaught. In the end it was JOHN KINSELA who captured the winning flag to bring TEAM WHITE victory with a score of Eight to Four, over the GREEN'S. After the dust cleared and the battle ground was emptied, the PURPLE HEART was awarded to ERIC MASON for his acts of bravery in the field. Lucky canteen number one hundred and fourteen.

16A : THE DYNASTY

By MAX FREED and SONNY SARANOW

The 16A softball game between Menominee and Kawaga has been a tradition for many years. Normally the competition itself comes down to this very game. This year however, the outcome of the competition was already decided but it didn't effect the 16A team from Menominee. Led by coaches PETER "The Clinic" EHRLICH and JEFF TOOMBS, the 16A team went into the game more focused then ever before. Both sides failed to score in the first inning. However, in the second inning Menominee scored a run to take the lead 1-0. When Kawaga came up to bat in the second inning, they quickly had men on base with nobody out. A Kawaga batter knocked both those runners in and ended up on second base. Two outs later, with a runner still on second, a Kawaga batsman hit a base hit to left field. SONNY SARANOW came up with the ball cleanly and gunned the ball to home plate where MAX FREED was ready and waiting. The throw was right on target and beat the runner by a good three feet, but the slide forced the ball to pop loose. As we later found out, on that play MAX broke his right thumb, but remained in the game. The runner was called safe but instinctively JOE KLEIN picked up the ball and tagged out the runner before touching home plate. In the end, TAZ had no other choice to call him safe. At the end of the second inning Menominee was down 3-1. Menominee then tied the game up with two runs in the fourth inning. It was not until the sixth inning that the tie would be broken. In the top of the sixth MAX FREED led off with a shot to left, that was good for a single. Next up was big bad ZACK DANN. The second pitch ZACK faced was pulverized over the left field's head, which no man would be able to reach. It was hit so far that there was no play at the plate and ZACK scored easily with a two-run home run, giving Menominee a 5-3 lead. Menominee would not look back but only forward to victory. In the bottom of the sixth, some spectacular defensive play by DAVID EHRLICH and ANDY COHEN lead to a 1-2-3 inning. Menominee was kept scoreless in the top of the seventh and were left three outs away from victory. The first man up for Kawaga in the bottom of the seventh, hit a hard ground ball to ANDREW BAUER at second base who easily threw him out at first. Two outs to victory. The next man up hit a line shot right to SONNY SARANOW in left for out number two. One out to victory. The next man up hit one just out of SONNY's reach in left field, that lead to a double. Calmly JOE KLEIN got the next man to ground out to JARED ANDRE at shortstop for the final out of the game. JORDAN KRINSKY and JASON FELDGRABER displayed some spectacular hitting throughout the game. Menominee may not have won the competition, but we were able to leave Kawaga with a sense of accomplishment. Final score; Menominee 5 to Kawaga 3.

The Green & White Edition

Green And White

Despite Mother Nature interrupting the morning's planned events, Green and White continued yesterday afternoon with three cracking events.

The first event of the day's play was the Water Events. This was primarily one huge relay with the two teams broken into their respective age divisions. The events themselves consisted of: Power Dipping-Free Throw-Potato on a Spoon-Kayak Relay-Greasy Watermelon and Fill the Canoe. All events seemed to have a common theme of getting the participants as wet as possible. At the end of relay, and with the watermelon finally broken, GREEN was declared the winner by a score of 24 to 12.

Menominee Monopoly was slightly more sedate, but involved a lot of running for everyone concerned. The two sides were once again broken into groups, and sent on the course at staggered times. Teams that had former 'Dungeon Masters' were at an advantage, as the roll of the dice set the pace around the board. Properties weren't brought or sold, but the questions asked, such as 'name all the Nate Wasserman Award winners' proved to be too much for most. But with a winning margin of 6 minutes and 27 seconds, GREEN were victorious!

The last event was arguably the most fun, Dress Up. The two sides nominated campers to be dressed onstage by their fellow team-mates. Points were given for time and creativity. SAMMY DUBS (GREEN) looked superb in a SOFTBALL/BASEBALL ensemble, with what looked like a Babe Ruth pose to finish. MATT ANDRE'S (GREEN) rocker look was fantastic, with hair by Lenny Kravitz. Penalty points should have been taken however, as no real rocker ever did a 'disco pose.' ALEX SCHWARTZ (WHITE), looked at home on the range, the golf range that is, in his finest 'number ones.' The WHITE team then became practical, with a plumber who was 'slightly cheeky...' GREEN tried for spirit points, with what seemed to be a DAVID ASHBURNER junior. There must always be a winner of course, and leveling things up at three events each, WHITE took out the day's final event.

2002 Camp Menominee Tennis Invitational

By Neil Chiplen

The Green and Whites headed to the shores of beautiful Dam Lake, to participate in the annual Inter-camp Tennis Tournament, held at Camp Chippewa.

Menominee faced tough opposition from Deerhorn in the first match. DANNY SAWYER played a phenomenal match, and was unlucky to be defeated nine to seven. JORDAN KRINSKY and DAVID SUROVY both had days off and went down in their doubles match. JASON FELDGREBER battled hard but was out-muscled by a powerful opponent. The doubles team of MICHAEL RUEDA and BRETT GREENSPAN were victorious in the first round, but later lost in the final to a pairing from a camp near Minocqua. In between games the campers enjoyed swimming in Dam Lake, eating ice cream and the Chippewa hospitality.

Despite being pained to see Kawaga lift the trophy, Menominee had an awesome time and displayed true sportsmanship, friendly competitiveness and good behavior, that has been typical of this summer. Good effort guys.

The Editor's Editorial

By The Editor

Fun, drama, excitement, it's all been happening here at the MCG.

The past few days have dead set flown by with event after event, until the setting of the sun. Even this has proved eventful with natures own disco ball, the Northern Lights, lighting up the dark sky last night. What made it even better, was the price of admission.

Yesterday Menominee bore the brunt of a thirty minute storm (well so it seemed), as the sky turned feral and unleashed a torrential downpour that cut power to the camp. This isn't the first time that this has happened here this summer, but hopefully the last. Counselors and campers were caught in mid flight to the Mess Hall, and were then treated to a romantic, non candle lit lunch. Hand holding was not mandatory.

Today saw the annual Cement Writing, as each cabin took it's turn in inscribing names for prosperity. The procedure went smoothly, with no-one falling into 'Menominee's Walk of Fame.' Phew, one more week to go. I don't know if I can keep up!

The 16B Softball Team, consisted of STEVEN ZUCKER, ROSS GREENSPAN, JOSH GOLDMAN, BRETT SHAPIRO, JUDAH KLEIN, JUSTIN JAFFE, JOSH WEINSTEIN, BRAD CAPITANI, JAKE KLEIN and ROBBIE SCHWARTZ.

This victorious team was intense and ready to go. 16B was not going to accept a loss. The team was led by ROSS GREENSPAN, who pitched an awesome game, striking out two Kawaga batters and only walking a pair.

Kawaga was outplayed and most importantly out coached, as DAVID and BARRY SCHWARTZ led the 16B Softball team to victory. We drilled Kawaga into the ground on their own turf, and I was proud to coach a group of guys who wanted win so badly. In the past this team has been known as the 16B Bombers, but not anymore. 16B consists of SOFTBALL players, and we certainly proved that at Kawaga.

Always remember...Menominee SOFTBALL is #1!!!

Final score; Menominee 8 to Kawaga 4.

British Dominance of Doc's Run

By Mike Bunting

The day dawned fine and warm for the start of Doc's Run. Despite the fact it was a lazy day, there were 46 daring starters who lined up at the corner of Highways O and 70 at 8.00 am to begin the 4.5 mile road race through the beautiful North Woods back to camp.

It was an eagerly awaited race with all the runners having put in the hard work during training to complete the grueling task ahead. There was an impressive pace set early on by SCOTT SARSON and CHRIS HENDERS. SCOTT pulled away, keeping up a steady pace throughout, winning in a incredible time of 27mins 24secs. SCOTT proved he deserved his status as pre race favorite. CHRIS proved there is more to him than painting, when he powered home in second. BRAD CAPATANI was the first CIT home which was made furthermore sensational, after his asthma attack on Saturday. Our director proved he can still run coming 8th. The first camper JAKE LASKY, closely followed him running a steady pace over the four miles and finishing very strong. He definitely looks a contender to keep a medal in America next year. SAM WEINSTEIN did incredibly well to come home fifteenth, despite being a junior. ALLY SPOWAGE proved age was no barrier as he completed the run in 31st. Despite SCOTT winning, he was not the first to cross the finish line, with ROSS FELDGRABER rising and running at 5.30am so he could also compete in the Menominee Golf Masters.

There were far to many great performances to mention and credit must go to all runners who all put in 100% effort. Thanks must also go out to KOZ with his water team and the drivers who also offered encouragement throughout.

The Menominee Masters for 2002

By Gus Stewart

Teeing off at Eagle River Golf Course is a real pleasure at anytime. But to be in the presence of such esteem golfing company as ROSS FELDGREBER, SETH PAKULA and DANIEL KAPLIN, is an honor and a privilege, as it would be for anyone lucky enough to be playing with three Master s finalists.

The sky was the color of KOZ s hair, and the threat of rain was more serious than running out of chicken fingers at mealtime. But the determined few took to the water laden course with determination in their hearts and pontoons on their feet!

The first hole, a difficult par five, took its toll on all players, however it wasn't long until the nerves were beaten back and the player s true colors began to show. SETH PAKULA pulled off a bogie and a par on the next two holes, with ROSS and DAN just a few shots behind. Hole five, a short par three gave ROSS FELDGRABER a bogie and brought him back in with a chance of taking the glory. However it was to be a close relative of Tiger Woods, SETH PAKULA who produced a convincing victory with a score of 50, to become the Menominee Masters 2002 Champion, and winner of the prestigious Green Jacket. A well deserved victory for an excellent and well played competition.

Never before has the standard been so high.

GREEN and WHITE Field Day

By Danny Sider

On Saturday August 3rd, Camp Menominee was engulfed in the gigantic athletic competition called GREEN and WHITE Field Days. Three age groups, 11 & under, 13 & under and 16 & under on both teams played against each other in various sporting events. In the morning, Field Day was off to a close start. After the morning's events, the GREENS were up by one event. But it was a different story after lunch, with the WHITES coming back to lead by one event. After dinner came Senior SOFTBALL, possibly the most important event. But it was the WHITES who took control and won all four games for the final victory. During Field Day, the WHITE's 16 & under division swept all before them, winning every event they played.

Great fun was had by all, and we're now looking forward to next year's Field Day.

Town Day, Second Session

By The Editor

Once again the men from Menominee hit Minocqua to paint the town red.

Campers had been looking forward to this for sometime, and were ecstatic when STEVE announced it just before lunch.

The Minocqua shops had an influx of business as some chose to shop wisely, while others thought with their stomachs and fueled themselves on everything sweet.

After a good few hours of shopping, Menominee then headed down to the lake front to watch the Minocqua Bats, a local water-ski show. Those who thought they had the 'best seat in the house' didn't, when early on everyone seated on the rocks was sprayed by water-skiers. Lucky canteen number one hundred and fifty five.

Menominee made themselves noticed early on with some vocal cheering, as the troupe put on a great show of jumps and tricks.

But seemingly, as soon as we arrived, we left, with full stomachs and empty wallets.

Green and White Sing

By Alex Schwartz

Good job, to everyone who participate in the GREEN and WHITE Sing. The Sing is one of the most important events, and worth a large amount of points. Each team practiced hard and made full use of the time allowed. This showed when the two teams quietly organized themselves last night in Wasserman Hall, whether to sing or sitting quietly.

Judging was made exceptionally hard as the two sides each managed to sing in unison, under the guidance of the Senior Captains. WHITE was good, but GREEN was better, and it was they who had the reward for their hard work, and the effort that each team member put in to the overall team performance. Lucky canteen number seventy five.

In other events, WHITE won Sunday's (and GREEN and WHITES new event) Ghosts and Goblins, with an overall time of 41 minutes and 40 seconds.

Last night's Flashlight Hunt went down to the wire, with bonus points deciding the winner, the WHITE team.

Menominee Five Year Song

Here's to camp Menominee
May she live forever!
May we always faithful be,
And our bonds ne'er sever.
Though our troubles may be
nigh, Boys,
With our standards raised on
high, Boys,
We'll be loyal to Menominee.
Ever loyal to our camp,
Menominee.

FOUR YEAR PLAQUES

By Ally Spowage

Although now celebrating it's fourth year at Camp Menominee, the Four Year Pole did not receive a four-year plaque in 2002!

However, in addition to the traditional handshake from the owner, the following campers and counselors received their plaques on Sunday, before having them displayed for prosperity on the pole.

Could we be looking at a record number of inductees into the Five Year Club in 2003?

Relay

Summers at Menominee just wouldn't be complete without the annual fixture, of GREEN and WHITE.

This years competition was incredibly close fought, with a lot of results being decided upon by bonus or penalty points. Going into yesterday's penultimate event, each team still had a chance of winning this years competition. WHITE had won most of the major events, with GREEN picking up the minors. But this meant little as a confusing point scoring system saw each team racing neck and neck towards the title.

The final event was the All Camp Relay. Liken to triathlons, the All Camp Relay was immense with so many pitfalls for competitors. The starting point was the flagpole, with each team nominating one member to crawl to home plate on the Senior Diamond. There were a total of 51 relay events, which ranged from archery (two men must score 100 points), to wakeboarding around Sand Lake, making a bed from scratch, golf putting and the all important throwing of the water balloon up the hill.

The lead changed possession numerous times during the relay, with GREEN finally managing to pull away and take an unassailable lead. As the GREENS started their fire in one of the last events, WHITES

were still some distance behind. The GREEN fire roared into life, and then the unthinkable happened. For the first time in Relay history, the GREENS managed to get their water balloon up the hill to the flagpole, without it bursting! The WHITES were still sometime behind as the GREENS laked it, and savored their victory. Special thanks to DAVID SCHWARTZ and PETER EHRLICH for all their work.

Flash light Hunt 2002

By Jeff Toombs

On the high Scottish plains a man came down from the bluffs to deliver a message- A man may search through the darkness for what he cannot see, but give him a torch and we have a game for Menominee! The 2002 Green and White Flashlight Hunt is a game of skill and efficiency. Each team must search the Confines for hidden clues to a larger puzzle. Assisted by only a vague map and their cunning wit, both teams must race against each other and the clock to return to Home-Base with answers in hand. The White team had efficient runners in ANDREW BELSKY, JACK DUFFY and leader MICHAEL RUEDA. But the patience of Captain JASON FELDGREBER and the intelligence of DANIEL ABRAMSON and DAN KAPLAN, proved to be too much for the Whites. Although the final collected answers were in favor of the Greens with almost double the reported finds, many mistakes were made and they did not find the Bonus. The Whites successfully handed in many correct answers, as well as, finding the " in hiding" PETER EHRLICH, for the Bonus! This put them over the top and victors of the 2002 Green and White Flashlight Hunt. **Green 25pts to White 37pts**
Special Thanks to our favorite Scotsman ...Ally Spowage, for all his hard work and expert Scots-manship!
Hoots Ally!

SENIOR TWILIGHT LEAGUE FINAL

By The Editor

This year's Senior Division Final was played out between the team of JUSTIN JAFFE's and his Cabin 13 roommate, STEVEN ZUCKER.

Going into the second match of the three match final series, JAFFE's team had the upper hand. ZUCKER's side took to the field first, and gifted a three run lead straight away.

The fielding from JUSTIN JAFFE's side was superb, as ZUCKER's side was unable to bring anyone home. DAVID CHODAK showed ZUCKER how it should be done, with a sweet singing strike that brought two more home for JAFFE. JAFFE five to ZUCKER nil.

Their minds were simply not in the game, as captain STEVEN ZUCKER himself, was tagged out on first base after wandering off it in some sort of trance. JUSTIN JAFFE also showed some less than clear thinking, and was lucky to score off a seemingly suicidal run home from the relative safety of third base.

Josh Goldman had no such problems however, as his home run brought the score up to nine—nil. Crowd favorite HERSH FRIED showed great commitment, and it was appropriate that he brought up double figures for JAFFE with an R.B.I., as well as a subsequent run of his own.

Eleven runs was a huge mountain to climb, with seven of them coming from the fourth inning alone.

ZUCKER's team were still swinging, but could not find home plate. JAFFE pushed it out to 13—nil after five innings, and then 16—nil after six innings, helped by the powerful hitting coming from the bat of JOSH GOLDMAN. Lucky canteen number two hundred and eighty.

Lots of credit must be given to STEVEN ZUCKER's team, as they continued to play through the adverse score line, but were left unable to score a solitary run at the completion of their seven innings.

JUSTIN JAFFE 15 to STEVEN ZUCKER nil.

Team captain JUSTIN JAFFE presented the game ball to his pitcher ROSS FELDGREBER, who did a fantastic job on the mound. The winning side then screamed down to Sand Lake for a celebratory dip.

The trophy is on it's way to Florida, but one key amazing point was that the winning coach, Mr DAVID ASHBURNER is from South Africa. Do South Africans play SOFTBALL?

Congratulations to all those who took part in this years competition. See you again in 11 months.

Goodbye 2002, See You Next Year

By The Editor

Another year, and another summer here at Menominee have come to an end. Who would have thought that we would reach this point, especially those campers and counselors who were here for the full eight weeks? I can still remember unloading bags for the first session and trying not to look stupid every time I forgot someone's name. Well it's all been and done now, and in this the final edition of this year's Megaphone we shall honor all those mentioned, and award winners from last night..

It's been a blast, definitely a summer I'll never forget. For those of you who are here again next summer, I trust you'll enjoy yourselves. For those who aren't, you won't be forgotten. Goodbye 2002, roll on 2003.

THE MENOMINEE WALL OF PAIN

A new Menominee award was instigated last night by our lovely camp nurse LORRAINE, 'The Menominee Wall of Pain.' This is dedicated to all those who suffered some form of injury throughout the summer, here at the Friendly Confines. As LORRAINE herself said "the guys who got hurt, did it by giving their all to Menominee." So without further a due, this years winners (who received an inductee plaque as well as having their name listed on The Menominee Wall of Pain) are: MATT KERBIS, SAMMY WEINSTEIN, MAX FREED, DANNY FISHMAN, DREW SOLOW, SCOTT BACALAR, JAKE LASKY, ROSS GREENSPAN, ADAM BERZON, JUSTIN DEMBO, STEVE KANEFSKY.

NATE WASSERMAN

How fitting that this year's winner not only be part of the Menominee family, but part of a family that has had a long affiliation with Camp Menominee. His uncle has a prestigious trophy named after him, and his cousin is a well liked, key, and respected member of camp. Hard work and dedication pay off, and now have worked harder this year than the 2002 NATE WASSERMAN Award winner;

DAVID EHRlich.

The expression goes 'you get what you deserve', and DAVID is deserving of such an award. His jersey (EHRlich 02) shall hang next to the previous winners, and torch bearers. From everyone at Camp Menominee, congratulations DAVID!
