2007 ANNUAL

WOW, what an experience this has been! We have both really enjoyed working on the Megaphone over the past 8 weeks and we would like to take this opportunity to personally thank everyone who has contributed in any way to the production of the Megaphone. It has been so rewarding for us both to see our efforts everyday in the cabins and here now in the annual. But the megaphone is nothing without you ; campers, counselors and other staff members. We would like to thank in particular Woody who has been an amazing editor and has saved us from making many a grammatical error! We hope you enjoy reading this annual as much as we did producing it and we hope that this annual helps you to remember the amazing summer of 2007. Here's to Menominee, hats off to thee!

WELCOME!

-The Editors

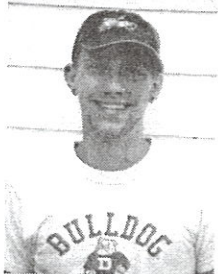

Hi every one and welcome back to The Northwoods for what is shaping up to be an awesome summer! All the staff here at Camp Menominee have been really looking forward to meeting new campers and welcoming back the old ones. We've all been working really hard to make this place great for the summer and we hope you agree that it is looking pretty excellent! We have some really fun activities lined up for you guys this summer so lets hope it will be one to remember! Happy Camping!

Father-Son Weekend!

This past weekend Camp Menominee was host to the father-son weekend which was a huge success! The weekend was filled with fun activities including; squirt gun fights, kick ball, hockey, wall climbing and riflery. The boys and their dads all had a great time although the dads left feeling a bit sore from all the fun and games! Many of the boys who came are returning today as campers and we hope they have even more fun.

Ice, Ice Baby!

It is the summer of ice! As you may have noticed we have a few additions to camp this year. If you haven't then take a look at the lake. Watch out Titanic because Camp Menominee has its very own Iceberg. Prepare to climb, jump, and slide. I can personally say it is a blast! Another frosty addition to camp this year is our new ice machine. It will now be easier to stay hydrated on those hot summer days ahead of us. And remember:

HYDRATE OR DIE!

WELCOME BACK TO ALL OUR CAMPERS!

World Famous

This year at camp we have campers from all over the U.S.A. and staff from all over the world! We have a huge number of boys coming from the Chicago area as well as from Arizona, California and Wisconsin!

So lets take a look at where are friendly group of counselors are from:

Camp Updates.

There are a few other things you may have noticed are new this year. We now have a gas tank down by the docks, I know this makes JEREMY KOHLENBRENER along with all of our boat drivers pretty excited! We have done a fair amount of landscaping and added a canopy over our BBQ. There is also a new bench between cabins 1 and 2, a new interior on the pontoon boat, and we did some work on the barn near the Al Lewis field.

Camp Care

This year we are welcoming our two new nurses JANIS WALCZAK from Illinois and SUSAN LEEGSTRA from Michigan. These two fun-loving ladies have 39 years experience between them so rest assured you will be safe in their very capable hands! They are both looking forward to meeting you all but hope you won't end up in their office too often!

Say Cheese!

-JON LAWSON-

Today in the first full day of camp! The campers all had chances to have their photos taken. Everyone wore their best smiles both inside and outside the lodge. Those campers who are staying for all 8 weeks did not need to have their individual photos taken but the ones who are staying for 4 weeks had the chance to have their very own portraits taken which I am sure everyone's parents will love!

A Rainy Arrival!

-JON LAWSON-

After a long, tiring trip the kids from Arizona finally arrived at Camp Menominee. When it started to rain everyone's bags got soaked and the campers got soaked too but even though it was raining we were all really glad to be at camp! After a great dinner of lasagna we all had a huge candy party in Wasserman Hall and then went to bed with our stomachs filled to the brim with candy! Even though it rained it was a fantastic first night!

Everyone get hyped up because Twilight League is returning to Camp Menominee... TOMORROW!

Musical Madness

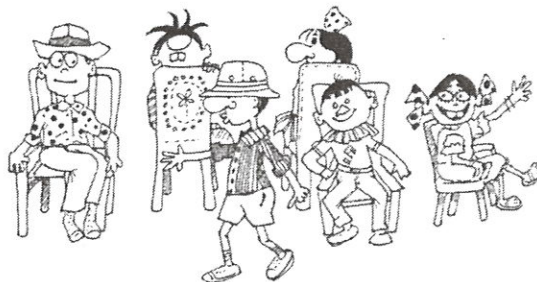

-The Editors-

We started off our first session this year with a good old fashioned game of musical chairs. We played two games, one with Juniors and Intermediates and one with Seniors. The Junior/Intermediate game got quite intense as the number of chairs drastically dropped but ERIC FIELD emerged the winner to a tremendous round of applause! Our senior game was even more dramatic and required a dance off to settle a tie at the finish. After some killer moves from both sides CLAYTON BUCHANON was the victor!

Fourths?!?

-The Editors-

Last night for supper we all got to feast on delicious lasagna! As the meal went on it became apparent just how popular the food is here at Menominee and just how hungry everyone was. Campers came up not just for seconds and thirds but fourths! With all this food it is surprising anyone had room for the candy...

Pour Some Sugar On Me!

-The Editors-

Wass' Hall went from a Rec center to a mad-house this evening as candy flew all around the building.

After gathering up all of our food, sweets, and drinks everyone rushed into Wass Hall and shared everything. STEVE let us all have 8 minutes to chow down as many sweets as we could without getting sick! After this historic evening candy will only be available during canteen!

Importance of Drinking Enough Water:

HYDRATE OR DIE!

-The Editors-

- 75% of Americans are chronically dehydrated.
- In 37% of Americans, the thirst mechanism is so weak that it is often mistaken for hunger.
- Even MILD dehydration will slow down one's metabolism as much as 3%.
- Lack of water is the #1 trigger of daytime fatigue.
- Preliminary research indicates that 8-10 glasses of water a day could significantly ease back and joint pain for up to 80% of sufferers.
- A mere 2% drop in body water can trigger fuzzy short-term memory, trouble with basic math, and difficulty focusing on the computer screen.

A VERY HAPPY BIRTHDAY TO
NATE GLESNE!!!!

Summer Sense

-The Editors-

Now that everyone has arrived we here at Camp Menominee feel it is important to remind everyone how to stay healthy this summer. Here are our top five summer health tips:

1. **HYDRATE!** Make sure you get plenty of water throughout the day. Without enough water you may get sick or suffer headaches which will make playing not so fun. So hydrate or die! And don't forget about that ice!
2. **SUNSCREEN!** Nobody wants to spend their summer with a painful sunburn so make sure you put plenty of sunscreen on even when it's not that sunny and more than just once a day so you don't get burnt.
3. **EAT WELL!** In order to have enough energy to play all day you need to have a decent breakfast, lunch, and dinner. So make sure during meal times you have plenty to eat, there is enough food to go around!
4. **STAY CLEAN!** Make sure you always wash your hands before meals and after using the restroom so you don't spread germs and risk getting sick. We also need to make sure we shower everyday with soap and shampoo.
5. **WEAR THE RIGHT CLOTHES!** Make sure you are wearing the right clothes for your activities and for the weather. This will help avoid injuries and colds!

Big Ten begins

-Eric Jackson-

Big Ten started yesterday afternoon which everyone was very excited about.

MATT OGLEDZINSKI started off the year with a fantastic game of hockey. AUSTIN SINGER decided to start off the year with a game of football. He entertained everyone with his jokes. We started off the activities with Illinois followed by North-western. And boy was it a blast!

Summer Splash!

-The Editors-

Now that everyone is settled, and camp has truly began we want to remind all you guys out there to complete your 12 laps down at the waterfront as soon as possible! If you are new and don't have any idea what I am talking about then listen up; if you want to do any of the many available activities down at the waterfront this summer or just want to have a go on our BRAND NEW ICEBERG, Then you MUST first complete 12 laps of the swimming area. Just talk to KOZ!

Twilight!

-Eric Jackson-

Last night, Twilight League started and everyone was very anxious to play their first game in almost a year. The games kept going until the last out of the game. BRANDON SCHWARTZ played an amazing game in the Intermediate league. JASON RUBINSTEIN kept the outfielders busy in his game. Every time he was up to bat he his ball zipped passed the players in the infield! It was a very great way to start off the Twilight league and the summer of 2007!

-Michael Malis-

Yesterday after we lowered the flag we played 'Let's Make A Deal' in Wasserman Hall. Boy were there a lot of strange costumes! There were a ton of great prizes to be won. There were even a few free canteens! ALEXANDER GRAYSON won Cabin 6 a pizza party! CARLO FAVA won Cabin 13 a breakfast at McDonalds! ADAM CURWIN was lucky enough to win FIVE free Canteens! Some were not as lucky...winning things like a can of Sam's favorite dog food! All in all it was an amazing night with a lot of fantastic prizes and of course a ton of fun!

Rain Mayhem Mystery

-Michael Malis-

Yesterday during Bear it started to rain and we were sent back to our cabins. By the time the rain stopped it was time for Buffalo. Then in the middle of the activity it started to drizzle, then rain again. Everyone was running back and fourth thanks to the short spurts of rain. When it finally stopped raining it was too late, Buffalo was over!

It was a stormy start to MCAA, lets all hope it was not only the first but the last time that it happens!

Summer Is Here!

-Sam Walczak-

Today was the first day of summer! This means we should all expect it to be a lot hotter outside from now on. Today is also the longest day of the year. With temperatures on the rise and summer hitting hard hopefully no activities will be rained out from here on. The lucky canteen number is 18. Since today was such a hot day, you should remember to wear sunscreen because it will probably be getting hotter as the month of June goes on and even hotter in July. Get ready for some heat because it is coming our way!

REMINDER!

ALL CAMPERS SHOULD GET OUT TO THE WOODS TO FIND THEIR CAMPSITE BEFORE ALL THE GOOD ONES ARE TAKEN! AND REMEMBER WEAR LONG PANTS, LONGSLEEVED SHIRTS, A HAT, AND CLOSED-TOED SHOES.

- British vs. American
- Green vs. White
- Sun vs. Wind
- Town Day
- Junior, Intermediate, and Senior trips
- Making new friends
- Great memories!

-Sam Walczak
& Eric Jackson-

Here is today's report on one of last night's intermediate twilight league games: CLAYTON BUCHANON'S team faced off against AUSTIN SINGER'S team. SINGER'S team beat BUCHANON'S team 13-4.

HERE ARE THE DETAILS:

game didn't start off too well for CLAYTON as he gave up seven runs in the first inning. When it was their turn to bat, ALLEN NAPADOV only gave up three runs, cutting the lead to four. Later on in the game JASON RUBINSTEIN made a phenomenal diving catch in foul territory by first base he also hit like a beast on the plate. In the top of the seventh inning, DAVID DONTISIS made a very acrobatic catch at second base which turned into a double play. Overall it was a good game but the bigger team turned out ahead.

Menominee vs. Ojibwa

-The Editors-

Hey guys, get hyped because it's that time of year again! Time for us to BEAT OJIBAWA! We are playing them tomorrow and this year we want everyone to bring their A game so that means a good night's sleep and drinking plenty of water tonight and tomorrow to keep hydrated as well as to maintain energy levels. Every camper is playing and some of you lucky people get to go deep into Ojibwa territory and play at Ojibwa. In return we are hosting a few teams from the opposition so be nice before we beat them! We are competing against them in Basketball, Volleyball and of course Softball and from all the intensive training we have witnessed today, it looks like it is going to be a day to remember. Come on guys let's make this happen, **BEAT OJIBWA!**

Don't Bug Me!

-The Editors-

Now the summer has officially begun we feel it is our responsibility as the editors to remind you about bugs! Here at Camp Menominee we are lucky enough to live next to a beautiful lake and a great forest! However, bugs love these places just as much as we do so there are lots of them around to annoy us! So to prevent being pestered by creepy crawlies everyone should remember to put bug repellent on outside, NOT in the cabin, turn their lights off because bugs just love lights (this helps save electricity as well), NO CANDY in the cabin because just like us, bugs enjoy candy! (That's why it's a camp rule) and finally NO LITTERING, not only does it attract bugs it makes our wonderful camp look like a huge trash can!

ASK THE EDITORS!

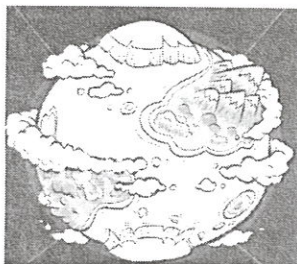

Our first question is in. REID KANTER of Cabin #4 asked:

How old is the Earth?

Happy Birthday to Alex Block! Hope you have a great day!

Well REID, we put our heads together and did some thinking. After much deliberation we realized we didn't know how old the Earth was, so we set off to figure it out! We got up early this morning and headed off to the wilds of Ecuador. You see we figured if you can cut a tree trunk and count the rings to find out how old a tree is...why couldn't we do the same with the Earth? We cut it in half; each counted the rings, and compared our results. We came up with an answer...12! But something about that just didn't seem right. After asking a few locals (called Ecuadorians...or so they told us) we came up with a math formula to calculate the exact answer.

$$\text{Space} + \text{Temperature} \times \text{Seasons} - (\text{Species of Birds} \div 3)$$

After plugging in all the numbers we figured it out! 4.55 billion years. Wow I didn't think anything was older than my Great Aunt Doris!!

Soccer Success

-Chris Price-Morgan-

Yesterday during Longhorn I witnessed an incredible game of intermediate soccer between Cardiff City and Ipswich Town. It was a very close game throughout but eventually Ipswich town won 10 goals to 9. Star player of the winning team was JAKE HAITH who scored 7 of the 10 goals that won this momentous game, though this wouldn't have been possible without the tireless efforts from his team mates SAM ENGEL and WILLIAM HILKERT. However Cardiff city put up a strong fight with players JACKSON HARRIS, JAKE FISHMAN, IAN WOLFF and CORY SINGER helping to make this soccer match

It's New. It's Interesting. It's Campfire?

-Phil Bice-

Last night we all experienced a very new Campfire. We were all called into Wass Hall over the loudspeaker; only this time there was an interesting twist. The announcement said that this Campfire was special and a surprise. As we all entered Wass Hall questions flooded our brains, and everyone wished the Editors would show up to answer them all. Sitting on the benches, awaiting our surprise we were wondering: Will we get prizes? Will there be food? Will STEVE come in to introduce some new dude? When we were all about to explode with excitement and wonder our questions were answered...PACKAGES! I guess this was a surprise actually as we are not meant to be getting packages this year. Of course not everyone was lucky enough to receive a package at last night's Campfire, but those of us who didn't had a blast too! We got to see what everyone else got, and WOODY told us all a story/joke about a frog with some crazy ideas. What will our next Campfire hold in store for us all?

Senior and CIT Volleyball

-Chris Price-Morgan-

It has been a great day for sport here at Camp Menominee today, especially volleyball. The Senior/CIT game didn't end too well for us but it was still an awesome game! JAKE SHLOFROCK made some really powerful shots and ERIC SILVERMAN put up a solid defense, giving some great deflective shots. PJ DAVIDSON kept the ball moving and fought tirelessly to keep it on the other side of the net. The final score was 2-0 to Ojibwa but the Menominee boys never let up and more importantly they showed some really good sportsmanship!

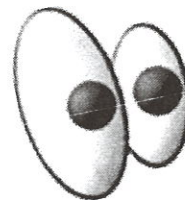

Int. Volleyball B

-Phil Bice-

We lost our Intermediate Volleyball B game early this afternoon but it sure was intense! We got through two of the three rounds both with a score of 21-12 Ojibwa. Our guys played hard though and with excellent teamwork. They kept the communication up throughout the entire game and held their heads high. The game was great to watch with ALEX SYKES making amazing plays all game, way to keep the ball in the court! During the first round AARON FRISCHMAN took a dive to save the ball, what an amazing play! The second round was intense; the scores were neck-and-neck through most of the game. JACK BARCH and I sat on the sidelines shaking with excitement as we kept score. When the final score was posted we didn't come out on top, but we did have a lot of fun!

ASK THE EDITORS!

BJÖRN LARSOW of Cabin #17 asked:

Why is the sky blue?

Well BJOERN that sure is an easy one. Basically to understand why the sky is blue you need to know a few simple things first:

1. Transmitted light (from the sun, light bulbs, fire, etc) is made up of a spectrum of colors.
2. The longest wavelengths of light are on the red end of the spectrum and the shortest wavelengths are on the blue/violet end of the spectrum
3. When transmitted light such as sunlight enters our atmosphere it collides with the oxygen and nitrogen atoms.

After you understand those three things the answer is simple...if you have a color wheel and start on the color green (the ground), then move directly across to its compliment (red), next move two colors to the left (violet), then move three colors to the right (orange), finally go to its compliment (blue), you have it! In the Color Reflection Conduction Broadcasting Formula (compliment, 2 left, 3 right, compliment) the ground reflects its Conduction Broadcasting Opposite Color which in this case is blue. Or in other words: When transmitted light such as sunlight enters our atmosphere it collides with the oxygen and nitrogen atoms. The color with the shorter wavelength is scattered more by this collision. Because violet and blue are the shortest wavelengths the sky appears to be violet / blue. But because our eyes are more sensitive to blue light than they are to violet light, we perceive the sky as blue.

Campfire With Koz!

-The Editors-

Last night everyone had the pleasure of enjoying a special campfire hosted by Mr. DENNIS KOZLOSKI (KOZ), our waterfront director. We all gathered together; then sat back and relaxed while we listened to KOZ sing songs. The most popular hit last night was "Time of Your Life" by Greenday which everyone joined in and sang along to at the top of their voices! KOZ's beautiful voice made for a wonderful evening! Let's hope it is not the last time this will happen.

-Ross Festenstein-

It was a game for the ages, legendary players like KEVIN DANN, KEVIN WEINSTEIN, SAM BLOCK, ALEX LOIBEN and BRIAN SCHULTZ took the near court by storm and put on a show. From KEVIN DANN'S fade away jumper to start the game to HARRY BEHM'S sharpshooting at the free throw line. The 9th and 10th grade C Basketball Team showed they could play with the NBA draft picks from Ojibwa. COREY PASCAL played some great defense, CHAD GOLDSTEIN dribbled circles around his opponents and SAM BLOCK hit two huge shots. BRANDON RUBIN displayed the type of sportsmanship everyone should emulate while DENNIS IVANOV used the bling from his earring to distract the players from Ojibwa. To the teams surprise the score did not end in Menominee's favor, but fun was had by all, especially ALEX BLOCK and ALEX LOIBEN who never stopped smiling.

Not even six feet tall 14 year olds could intimidate the Menominee 8th grade A Volleyball Team as they walked onto the court on Saturday afternoon. Clear underdogs from the start, these boys never gave up, fighting back to only lose the first game 18-21, although the second game wasn't as close. Players such as ROBBIE APPLEBAUM, DYLAN KRAMER and MAXX ZOMICK worked really hard, JACOB LEIB and JAKE LEVINE kept right in the game all the way through and JOSH LACHOT served every ball like it was his last. The lucky canteen number is 47. It is these traits that made this team a winner at heart, despite the final outcome. The Menominee men stood together and in the end that is what counts, Great job guys!

Grade 8 A Team Softball

-Max Freed-

Determination, Teamwork and Heart; these were some of the important traits of the 8th grade A team Softball Team. Outstanding preparation by the 10 players and 2 coaches had the team ready for the game. After giving up two runs in the first inning, Menominee rose to the occasion. JACOB LEIB got on base and was driven in along with ROBBIE APPLEBAUM by CHRIS SEFFREN. After that, Camp Menominee did not lose control of the score for the remainder of the game. SCOTT FENTON and JOSH LACHOT used their speed on the base paths to our advantage and scored a countless number of runs. MAXX ZOMICK was sensational on the field at the short center position. JORDAN HORWICH called an excellent game behind the plate. MAX FORMAN was a beast, consistently lining the ball to all parts of the field. However, it was DYLAN KRAMER and EVEN COHEN who stole the show. DYLAN was brilliant on the mound, allowing four and walking nobody. DYLAN worked his way out of tough situations to keep Ojibwa in check. EVEN COHEN was unreal at third base; Ojibwa hit shots his way continuously but EVEN fielded them with ease. Don't even get me started on his hitting; he was out of his mind! AJ SWEET and I could not be more proud of our team, Way to go fellas!

Grades 2,3,4 and 5 A Team Softball

-Nate Clifton-

Although Menominee lost 4-3 their 'never say die' attitude kept them in this game until the very end. With BRANDON SCHWARTZ pitching strikes with almost every ball, the boys from Camp Menominee remained in a positive frame of mind. JAKE FISHMAN also provided a spark of inspiration with a great catch in center field. Though the result of the game may have been controversial, with CODY FLANZER and SCOTT SHARFMAN making considerable hits, this group of boys can still be very proud of their performance!

Grades 9 & 10 C Softball Team

-Jesper Perik-

On this beautiful Saturday afternoon we played the 9th & 10th Grade C Softball Team from Ojibwa. The first two innings did not go as planned due in part to good hitting on their side. Ojibwa scored 12 runs in the first inning. The second inning was much better, although Ojibwa scored 7 runs, our fielding was much improved from the beginning of the game. From the 3rd inning on, we rocked! Our fielding was pretty much perfect with left fielder ALEX LOIBEN playing like an all-star, catching fly ball after fly ball. In the bottom of the 3rd we came through with huge hits. HARRY BEHM hit a monster 3 run homer to left-center field and DENNIS IVANOV had a RBI-double. In the 4th and 5th inning Ojibwa only scored one run thanks to great pitching by TYLER BOUDART. Although we lost 20-4 in the end, I must say that Team Menominee, led by catcher JASON SCHWARTZ, showed some great sportsmanship and respect for the Ojibwa Team.

Grades 6 & 7 C Team Volleyball

-Nick Holtzman-

Menominee C Team Volleyball put on a fighting display against Ojibwa on Saturday. With an all-star crew containing AUSTIN SCHWARTZ, AARON EVELETH, WESTON HAMILTON, JOSH ROSENBLAT, DAVID DONTISIS, and COLE NEUMAN giving it their all. With an immeasurable contribution from the bench by DANIEL GASSEL, NICK MYER, JASON ROBINSTEIN, ZACK EGGLAR, BEN HELLER, and JON LAWSON. However, even with an all-star cast, Menominee lost the first game 21 to 12. In the second game Menominee put up a great fight and gave Ojibwa a run for their money. Unfortunately this still was not enough and Menominee lost this game as well. All in all everyone had a blast competing and playing volleyball...and that's what really matters!

Grade 8 C team Basketball

-Björn Larsow-

It was a lovely sunny day on the basketball center court. It was easy to see how excited team Menominee were to get the game underway. The team started with JASON WEBER, DAVID MUNZER, ZACHARY WOLF, JAKE ALLEN AND JAKE LEVINE. During the game the coaches switched players several times. The players ARRON FRISCHMAN, STEVEN MILLER, ETHAN RITZ and DAVID MIZOCK came into the game quickly. Even though the other team dominated the game, team Menominee never lost their spirit. They tried to make as many baskets as they could and had a lot of fun playing. The attitude was wonderful, the players did great!

Grade 8 C Team softball

-Daniel Gasgoine-

The grade 8 C Softball Team gathered to play Ojibwa with high hopes after beating the A team in practice the day before. Unfortunately it wasn't to be. There were some solid performances especially from AARON FISHMAN in left field and he was always sprinting between bases. The lucky canteen number is 185. DAVID MUNZER was awesome on the home plate and always looked dangerous with the bat. Even though the score wasn't in our favor everyone put in 100% and did Menominee proud. Nice one guys!

Ask the Editors

Our question today comes from Nurse Janis who asked:

"Why is the lake rusty colored?"

Well Nurse Janis, I believe the answer lies deep in the forgotten ruins of Ol' Del Passo, Mexico. So your tireless pair of editors set out to Mexico to seek the truth behind the rusty water! We climbed deep into the old Mexican ruins and came across an ancient text. Our PhD's in Ancient Mexican Tribal Language finally came in handy as we found the answer we sought. It read: "*El lago sand es el moho coloreado debido a bacterias del hierro que ha recolectado en el agua. Debido a estos depósitos que aparece el lago un color ish-marro'n rojo.*" Which roughly translates to say that Sand Lake is rust colored because of iron bacteria which has gathered in the water. Because of these deposits the lake appears a redish-brown color.

The team took the field looking for a win. They had strong pitching from REID KANTER. Also we had some great fielding from SHANE KIRSHNER, JARED LEVINE and MAX ENGEL. The men in green played long and hard looking to get a win but unfortunately the game did not go as planned. However, we never gave up and we played the Menominee way. Great job guys!

The team took to the court with intensity unseen by anyone in the history of Menominee. Led by great play from AUSTIN SCHWARTZ, WILL HILKERT and ALEX ROSENBLUM this dream team quickly took the lead. Outstanding play from FRANK COHEN only added to that lead and when the half time whistle blew Menominee was up. The second half started with Menominee dominating the play with some awesome defense from COLE NEUMAN and ZACK EGGLER. With a few seconds left Ojibwa took the lead and when the game came to an end the men in green walked from the court with their heads held high even though the final score was not in our favor. Great job everyone!

-Ross Feldgreber-

Our confident boys in green walked on to the court only to see opponents twice their size. It was like the loony tunes facing the aliens in Space Jam! Ojibwa took an early lead but the Menominee green never gave up. JACKSON HARRIS, JAKE FISHMAN and JAKE HAITH fought valiantly for rebounds down low even though they were outmatched in height. In the second half JARED LEVINE, MAX ENGEL and SHANE KIRSHNER gave a big spirit boost coming off the bench with fire and intensity. They did everything they could to help the team out. The leader of the team, CODY FLANZER, put the team on his back, trying to mount a comeback, but unfortunately it was a little too late. All the players put in an extreme effort and I am proud of them all!

TRIP WEEK!

Wisconsin Dells

-Jon Lawson-

On Monday June 25 cabins 9 and 10 went to the Wisconsin Dells. After a long and hot trip we stopped at McDonalds to have lunch before arriving at our motel. Once everyone had unpacked we went to a water park called Family Land. After we got there we got our wristbands to go into the park and we got into groups; JORDAN CURWIN and SAM WALCZAK were in my group. After a few hours at the water park we went back to our motel. Everybody washed up and we went to an all you can eat buffet. (Yum!) When everyone had eaten all they could, we went back to our motel and went to sleep. The next morning we went to Noah's Ark Water Park. My group went on the Plunge, the Time Warp, the Stingray, the Bermuda Triangle, the Dark voyager, and the slides at Paradise Lagoon. My favorite ride was definitely the Plunge! Then we went to the motel to get ready for dinner which was at a pizza place. After pizza we went to a show where a person was doing flips on water skis and juggling. It was awesome! After the show we went to our motel to sleep. On the last day we went to Family Land and went go-carting and to ride the roller coasters. After a couple of fun filled hours at Family land, we got on the bus and headed back to camp. Wow, what a trip!

It was a beautiful day for a competition as the boys in green took to the court for their first event of the day, basketball. A ferocious defensive attack by the Menominee boys, led by CAMERON RUBIN, ALLEN NAPADOV, and JOEY ZINSKY, was put out in the first half. The halftime score was 5-2 in favor of Menominee and the boys looked unstoppable. The scoring began to pick up in the second half for both teams, but JEFF GOLDBERG and JOSH ROSENBLAT were scoring for Menominee to keep it close. The score remained close as the fourth quarter dwindled to an end, but two big free-throws by an Ojibwa player put Menominee down three points with five seconds left on the clock. Team Menominee set up a last second prayer-shot that just rimmed out for the tie. It was a great fight and a disappointing loss, but I am proud of the effort and intensity of every player on the team.

Trip week!

This week in Menominee we have had trip week! Every camper has been on a trip whether it be to Copper Falls, Minneapolis, the Wisconsin Dells or on a canoe trip. Our reporters have been close at hand to document everything that happened, both on the trips and back here at camp during this exciting week!

Meet the Rookies!

-The Editors-

This weekend we have a few visitors at beautiful Camp Menominee, the Rookies! They will be here over the next few days to experience the great activities, awesome food and wonderful people here at our camp. They have already caused quite a stir at Twilight league and I am sure they will have loads of fun. So everyone make them feel welcome and hopefully they will all return next year as fully fledged campers!

Wisconsin Dells part. 2

-EZE (Eric Jackson) -

For trip week, the seniors went to the Wisconsin Dells. The bus ride was long, hot and anything that got in the buses way didn't stand much of a chance! The first day some of the kids went to Mount Olympus which was an amusement park. As we entered, we saw a humongous rollercoaster called Hades. ISSAC KLEIN, FRANKIE COHEN, and JASON RUBENSTEIN spent most of their time on this ride. The next day, the campers went to Noah's Ark which is a water and theme park. A water ride called Point of No Return was just as big as Hades and LENNY BLOOM, WYATT ROSE, and JOSH EGGLEER got on this ride multiple times. The lucky canteen number is 133. That night, Marimeta pulled in and the boys had a mini social with the girls. As the trip ended, the campers went back to Mount Olympus one last time and CLAYTON BUCHANAN, CARLO FAVA, and JONAH SHEAR spent all their time on none other than Hades.

Fun in the Sun

-The Editors-

Campers on trips haven't been the only ones having loads of fun this week. We here at Menominee have also been causing quite a splash! The weather has been scorching this past week so as a treat for those not on trips we have had completely open waterfronts, capture the flag and perhaps most fun of all Slip and Slide! Kids were slipping and sliding everywhere. It was truly a crazy sight to behold as kids came skidding across the plastic and hurtling on to the grass! The sound of insane giggling filled the air. MITCHELL KANTAROVICH said "it was so much fun" and BRANDON SHWARTZ also had a blast.

Slip and Slide provided some major soapy fun that can rival any water slide at the Wisconsin Dells!

Famous Trip Week Part 1

-David Meyer-

On Monday, the 2nd year seniors went off on their fabulous trip to Minneapolis. And I must say, the four and a half hour bus ride was well worth it for the final destination. When we got to the Super 8 motel (which was pretty nice for a motel) we all unpacked and got ready for the Twins game against the Toronto Bluejays. When we got to the stadium, the view was unbelievable! The stadium was huge and the game was fantastic even though the Twins lost. After the game we headed back to the motel and got a good nights rest for the day ahead of us. Look out for the next issue for the Famous trip week part 2!

The shores of Sand Lake were just waiting for this event. The globe was buzzing with chatter of its arrival. The Camp Menominee Sand Castle contest was underway! The competition was fierce as people jockeyed for a share of the buckets and the sand. Cabins 16 and 17 canoe trip

-Josh Rosenblat-

As trip week opened cabins 16 and 17 set off on their 2 night canoe trip. KOZ dropped us off in Eagle River to begin our journey. There were four canoes in total. In the cabin 16 canoes were NATE BLOCK, VICRAM SHANKER, WILL HILKERT, SAM ENGEL and NATE HOFFMAN. In the cabin 17 canoes were NICK MEYER, IAN WOLF, BEN MALAMET, ZACK EGGLE, COLE NEUMAN and myself. For the first part of the trip we paddled along for about 3 hours until we reached the campsite. After setting up the campsite with the help of KOZ we walked across the road to Denayers Supper Club. Once our stomachs were full we told stories and made s'mores around the campfire. The next morning we canoed for a while until we reached a dam, We had a very short portage and then continued on with our voyage for 3 more hours when we stopped for a lunch of peanut butter and jelly sandwiches. During lunch ZACK EGGLE caught a fish. The lucky canteen number is 171. After another hour of canoeing we reached KOZ who pulled us out, then STEVE and BARI appeared to take us to our campsite, or so we thought. They actually took us go-carting! This was followed by a spot of 'floating' on the lake, where we saw a toad and a water snake. Everyone had a blast. When everyone had recovered from the excitement we had hot dogs and s'mores around the campfire, by now everyone was ready for bed but because of the thunder and lightning STEVE and BARI were forced to take us back to camp where, thankfully, we had long hot showers and a good night's rest. In the morning we went on KOZ' famous rapids. After some time on the rapids we came to our final destination. Everyone had a great time and many memories were formed that will never be forgotten.

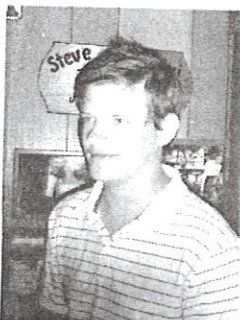

Famous Trip Week Part 2

-David Meyer-

When we woke up Tuesday, we got our swim suits on and went off to Valley Fair (a park with roller coasters and water rides). It was amazing! After we spent something like 7 hours there we went to the Mall of America. After shopping till we dropped and getting a bit of dinner in us we went back and shopped some more. The next day we got a little more shopping in and then headed back to Camp Menominee. This was the best trip ever!

ASK THE EDITORS!

ROB OLIVER of Cabin #11 asked:

Do American DVD's work in British DVD players?

Well ROB, this question definitely took a bit of thinking. We went out and bought a DVD and a DVD player from both the US and the UK. After the materials were at hand we went back to our science roots and did a bit of dissecting. After careful examination of all of the specimens innards we figured out the answer. NO! (for the most part) You see each DVD is imbedded with a Region Code (US 1, UK 2, China 6, etc.). The reason for this code is so that for example if the UK just finished showing a hit movie and wanted to begin showing it in the US but also wanted to put it out on DVD they could do so without Americans getting their hands on the movies and watching them while they were or before they were in US theatres. Now as you may have figured out every DVD player is also imbedded with a code; however the DVD player's code comes from the first DVD that is played in it. So after you play a DVD in a DVD player you can only play DVD's with that Region Code from then on, with a few exceptions: some DVD players allow you to change your Region Code up to 5 times and some DVD's do not have Region Codes (namely non-hit or non-popular films). So there you go. All of you from the other side of the pond...don't buy US DVD's or X Box/Playstation games as the same principle applies. PSP games are ok though.

Imitation Night!

-The Editors-

Last night for campfire we had a night of pure comedy; it was Imitation Night! Every cabin put on a great skit and Wass' Hall was full of laughter. A number of counselors fell victim to imitations including JUSTIN JAFFE, A.J. SWEET and even the megaphone editors got served. However, DANNY 'CHAIMO' was the true star of last night, he was imitated in all but one of the skits. Everyone was amazing, but there were three clear winners who had the whole room crying with laughter; Cabin 3 won the Junior prize, cabin 17 won the Intermediate prize and cabin 18 won it for the seniors. They all received free canteens for their troubles. The overall winners of the evening were cabin 17 who won a pizza party! Well done everyone and thanks for a hilarious night!

Bang Bang!

-Phil Bice-

We headed off to Timberlane yesterday for some sharp shooting. Five of our Menominee boys faced the famous Timberlane riflery crew and put up a tough fight. Our line up started with ERIC FIELD stepping up and proving he deserved the number one spot on the team with his amazing score which pushed Menominee into the lead. The shooting continued as JOSH HARRIS took his spot, shooting wonderfully despite having to use a foreign rifle. VIKRAM SHANKAR was able to maintain his composure even after playing an amazing baseball game only moments before heading down to the riflery range. The Lucky Canteen Number is 51. The competition was neck and neck as ADAM CURWIN took his position. It looked like Menominee would come out ahead with ADAM CURWIN getting a bulls-eye! Lastly SHANE KIRSHNER, our last competitor took aim against one of Timberlane's best shooters. In the end we lost by only 4 points!

GOOOOOOOOOOOOAL!!!

-Nick Corner-

On a cloudy July afternoon, the 13 and over's were involved in the first competitive soccer match of the summer of 2007. As expected we had a relatively scrappy start as neither side wanted to give away the early advantage. Fortunately Menominee were the

first to find their feet with ANDREW NISSEN pulling ahead with a delightful chip from outside the area leaving the keeper with little chance. Despite seeming to have control of the game Timberlane managed

to get back in the game with an equalizer. This woke Menominee up and within a few minutes ANDREW NISSEN had scored his second goal of the game assisted by some great work on the right from JACOB LIEB. The second half got off to a much brighter start with some good soccer from both sides however it was Menominee who struck first with a solid effort from NAT ROSEN. Menominee were now firmly in control. We surged forward in search of a fourth goal. It looked as if we had found that goal when a penalty was awarded however a good save from the Timberlane keeper denied JACOB LEIB. Despite this, Menominee kept their faith with a delightful cross/shot from ALEX BLOCK which foiled any Timberlane hopes for victory. the final score was 4-2 Well done guys!

Kawaga Spelled Backwards is AGAWAK!

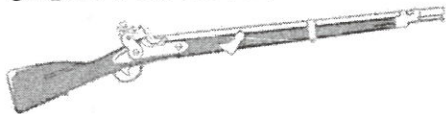

-Adrian Jackson-

Last night's social with Agawak was a HUGE success with Kasper K. providing us with a fantastic line up of songs and MCs. Most of the counselors also got involved with DAVID MILES and RICKY GAWTHORN dancing on stage. At one point in the evening the Agawak girls got on stage and were dancing to Sir Mix-a-lot's "I like Big Butts" although everyone agreed that the Agawak girls had very nice behinds. JARED LEVINE showed us some awesome dance moves which lead to a dance off between the two camps. We hope everyone had a great night and danced till they dropped!

Dance, Timberlane, Dance!

-Rob Oliver-

It was a showdown! Timberlane came to Menominee yesterday and after the smoke cleared, Menominee was standing tall with a final score of 178-155. DENNIS IVANOV and DAVID WEINBERGER fired some brilliant shots. DAVID MIZACK dealt a fantastic blow resulting in a significant lead at the end. The other shooters; ZACH WOLF, JACK BARCH, and HARRY BEHM were all there to help vaporize the opposition. A great slap on the back to MIKE STYRCULA for keeping the riflery fair and fun. GREAT JOB GUYS!

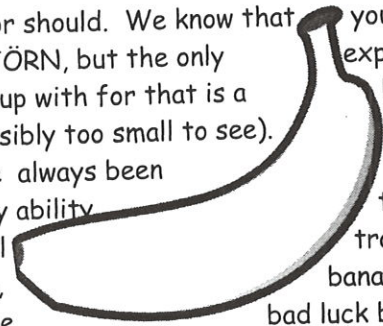

ASK THE EDITORS!

BJÖRN LARSOW of Cabin #17 asked:

Why do some bananas float in water and others don't?

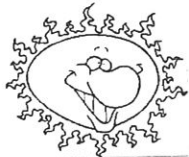

Well BJÖRN, first of all great question! This one definitely took a bit of thinking. After much research and experimentation we have come to a conclusion. All bananas float, or should. We know that you witnessed otherwise BJÖRN, but the only explanation we can come up with for that is a break in the peel (possibly too small to see). You see bananas have always been famous for their uncanny ability to float. Back when all travel was done by ship, bananas were thought to be bad luck because if a

ship had bananas on it and sank the bananas would be left floating on the surface of the water. Many ship captains, even to this day, will refuse anyone who has bananas because of the ridiculous superstition that has been built around them.

British and American

-The Editors-

As WOODY took the mic the revolution began.

A number of Brits rushed out of the Mess Hall,

gathered weapons and prepared to fight. As the British marched up the gully the Americans held their ground near the tennis courts. Just as it began to look as though the British might prevail STEVE rounded the corner. STEVE on his mighty Harley, American flag billowing majestically behind it, inspired the Americans who rallied forth and defeated the British. It certainly was an exciting start to Camp Menominee British and American Competition 2007. May the games begin!

INTERESTING Facts

- Great Britain is in fact made up of four small countries; England, Wales, Scotland and Northern Ireland.

Senior Tennis at Kawaga

-Josh Green-

The 16 and under tennis squad drove over to Kawaga looking to get an early lead on the competition before it even

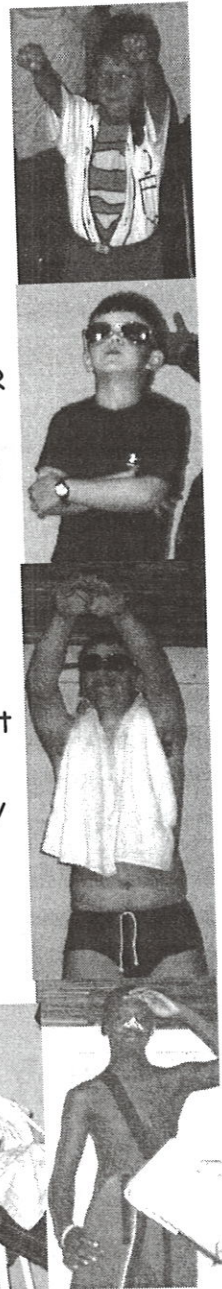

started. What followed was one of the most incredible finishes of all time. After Camp Menominee jumped out to an early lead, thanks to number one singles player AARON SCHENKER and the dynamic duo at number one doubles, ALEX BLOCK and VICTOR RUDO, it looked as if the men in green would easily be marching on to victory. Singles players ERIC SILVERMAN and JOSH SAWYER went down but not without putting up a fight. Number two doubles players JAKE LEVINE and MAXX ZOMICK lost a heartbreaking game in a tiebreaker. A big win from number four singles player JAKE ALLAN meant one thing, the score was tied 3-3. It was once again up to doubles to take control with CIT's JAKE SHLOFROCK and ELI GREENSPAN, a combo that had been playing at the Friendly Confines even before they can remember, stepping up to win. They realized a 2-1 lead in the Menominee vs. Kawaga competition was a stake, so they put their heads together to take 6 of the next 7 and come out victorious. Never before have I seen such a fitting end to such a perfect tennis career here at camp. These men, along with the other 8 guys who played should truly be recognized for their accomplishment. They were amazing!

Mannequin Mayhem!

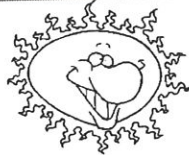

-The Editors-

British and American Competition got off to a crazy start last night with a game of Dress-Up Dress-Down. The match up began with MAX ENGEL for the Brits and JARED LEVINE for the Americans stepping on stage as our first mannequins. MAX ENGEL made an amazing superman earning the British one point, while JARED LEVINE gave a great CHAIMO impression. Next up was JAKE FISHMAN (British) and CODY FLANZER (American). CODY FLANZER held his pitchfork perfectly as a farmer, however JAKE FISHMAN made a convincing catcher (keeping stance without moving at all) scoring a second point for the British. This night was getting crazy but we realized it had just begun when CLAYTON BUCHANON (British) beat out ERIC JACKSON (American) with his amazing rendition of Foxy Cleopatra from Austin Powers, though ERIC's lifeguard costume provided tough competition. DAVID MIZOCK stepped up to attempt to reclaim the game for the Americans with his baby costume, complete with blanket, stuffed bear, and highchair. We all thought MIZOCK had it in the bag until DAVID MUNZER revealed his secret weapon, a Speedo! This was met by cheers from both the American and British side. Lastly we had Harry Potter played by ELLOIT KATZ for the British and JASON SCHWARTZ busting a move as a disco stud for the Americans. In the end the British swept the Americans from Wass' Hall with a spectacular win 5-0!

A Burst For Britain!

-Adrian Jackson-

Yesterday's water balloon

fight was a very exciting spectacle and a great way to kick-start the 4th of July. First up was MAX ENGEL who was representing Britain and JARED LEVINE representing America. MAX brilliantly dodged

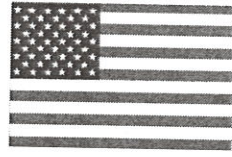

JARED'S first balloon and then soaked him; 1-0 to Britain. Next up was DAVID MIZOCK (American)

and DAVID MUNZER (Britain), a very close heat with both countries soaking each other in equal amounts. After that was CLAYTON BUCHANON (Britain) and ERIC JACKSON (American) having a breathtaking balloon fight. CLAYTON lost his balloon at one point but still managed to knock ERIC'S balloon out of his hand- great defense. Lastly was ELLIOT KATZ (Britain) and JASON SCHWARTZ (American) facing off against one another. There was great dodging and throwing from both sides, but Britain prevailed as the winner. A fantastic game!

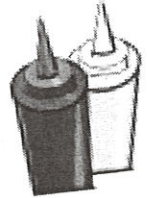

The winner of B & A Competition

2007 are the...

Squirt Gun Fun!

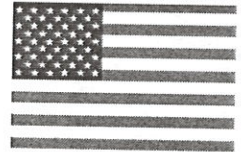

-David Knaggs-

With guns primed the excitement grew as the British/American battle began. With a tentative start, small groups from each team began to roam the plains in search of prey. Sporadic clashes burst out across the field. Each side encountered loses at the front whilst at the back the 30 pt. players were protected by loyal defenders. Although shots during freezes caused controversy, the main action came as EVAN COHEN (Britain's 30 pointer) was taken out by a sharp shooter. Following this success the Americans pushed on to victory. Although Britain lost, their team did Britain proud!

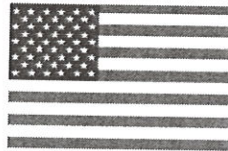

British Bulldog

-Michael Malis-

Yesterday at British Bulldog, America won 2-

1. In the first round, people were called out by numbers, America won this round. In the second round, people were called up for different things for example: being in the Five-Year Club. Both teams got over 21 but Britain came out with more points in the round. In the third and final round, everyone was called. After much craziness, America won!

Message to Garcia

-Jason Schwartz-

As B & A was coming to an end on the 4th of July, the British and Americans were neck and neck with only one event left, Message to Garcia! After a brief explanation of the game the British won Rock-Paper-Scissors, which meant they were first to be on the offensive. The British had two main rushes, but were stopped in the woods behind the Senior cabin. Next on offense were the Americans, who also had a large rush. Unlike the British however, they were not stopped and managed to get a message to Garcia, which increased their score. After all was said and done, the Americans won 52-29.

Maramita Social

-Grant Spathis-

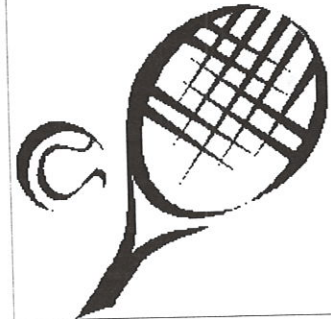

The social with Maramita started with a counselor softball game. While the counselors were defeated 6-4 it did not cause the social to go downhill. A-Z provided the music and entertainment; however they were not the only entertainment. The Senior cabin marched down to the lake in togas and proceeded to dance the night away. After everyone had enough of dancing, we made our way to the Soccer Pitch for an excellent fireworks display. After fireworks we went back to our cabins to get some sleep in preparation for Kawaga on Friday.

Head Start For Friday

-Ross Feldgreber-

Kawaga arrived at the Friendly Confines at around two o'clock. The men in green were awoken from their Real Rest Period and called out for their mission. That mission was to successfully defend out home tennis courts and get an early victory for Team Menominee. The first match to begin was number one singles, ALLEN NAPADOV, fought valiantly throughout the match and fell just short, losing 3-8 in an eight game pro set. The next match was number two singles. JOSH ROSENBLAT started the match 1-4 and dug down deep to try to mount a comeback. JOSH brought the score back to 5-6, and then almost at the point of exhaustion he faltered the last two games away. Our doubles team picked the Menominee Men up though. At one doubles match the cabin 13 teammates, JASON RUBINSTEIN and JORDAN GLENNON, showed their great tennis skills and poise leading the entire match to an 8-5 victory. Our two experienced Kawaga competitors, ZACH WALSH and ROBBIE APPLEBAUM, demolished their opponents in doubles winning 8-1. So now the overall score was 2-2 with three matches to go. At number three singles, SAM ENGEL played his usual flawless match defeating his opponent 8-3. At number four singles was BEN HELLER. His match started close with a tie at three games a piece. Then BEN transformed like Clark Kent in Superman and won the last five games winning the match 8-3. The last match played was number three doubles FRANKY COHEN and AUSTIN SCHWARTZ. It took the boys a little while to gather their nerves, being down 2-5. But after a few encouraging words from their coach, they won six of the last seven games, winning the match 8-6. All of the players played a great match, showing phenomenal intensity and heart. I can't wait to see what all of these boys have in store for us on Friday. BEAT KAWAGA!

KAWAGA WRESTLING

-Brett Borre-

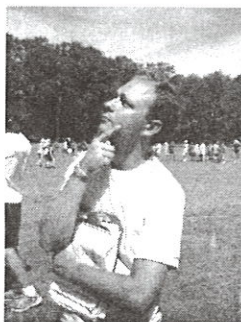

Yesterday we played an intense wrestling match against Kawaga. Although we lost the overall competition, we did not lose the wrestling portion. This is all thanks to some amazing Menominee Wrestlers. JAKE LEVINE was losing by 4 points but pinned the Kawaga wrestler. We were then tied 1-1. MILES BEAUSEIGNEUR was next, this was a short match. MILES took down Kawaga's wrestler in about 56 seconds. The score was 1-2. LENNY BLOOM was pumped and pinned a guy twice his size. Next was CHRIS SEFFREN. He got pinned but kept his head up. JAKE HOCKMAN took a beating on his head but was ok. Next up was DANNY GUBIN. He wasn't really wrestling; he used football tackles but still managed to pin Kawaga's wrestler. And at the end of the day, although we didn't beat Kawaga overall, KOZ got to walk home with the wrestling trophy.

11 & Under Hockey

-Brendon McMillan-

110% effort. That's what was displayed today by the 11 and under Hockey Team. Although they lost the game, every single player played with pride and determination. The boys were down 2-0 early on and stayed behind the whole match. They brought the game within reach by scoring 3 amazing goals, goal scorers were ADAM CURWIN with 1 and JAKE FISHMAN 3. Towards the end of the match the score was 5-3 to Kawaga and in a flurry of quick goals by the opposition the game score reached 8-4 to Kawaga. The score is not a true reflection of the game. ZACH and myself are extremely proud of the effort from the team and the way they played the game. We could not have asked for anything more from our boys and wish to congratulate them on an awesome match.

11 and under A team Football

-Jordan Stone-

It was an unfortunate and heart breaking loss for the 11 and under A team over at camp Kawaga. With BRANDON SCHWARTZ at the helm and WILEY "The Wild Cat" SHAPIRO playing offensive tackle like Gene Upshaw, it seemed like the men in green just couldn't lose. However, some unlucky interceptions on passes, set Team Menominee back a fair bit, which meant that for HARRISON ROTH, ZACK EGLER and CODY "Flanztastic" FLANZER a win was looking less hopeful. Fortunately with excellent optimism and leadership from AARON GOODMAN and a Quarter Back switch from SHWARTZ to EGLER the 11A 'Animals' were able to score a last minute touchdown, though it wasn't enough to win the game. The lucky canteen number is 164. A great effort all round.

13 and under B team Football

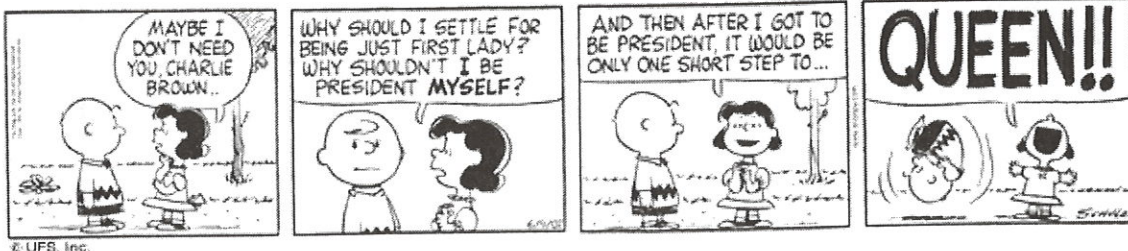

-Koby Stern-

The men from Menominee took the field ready to win. The game started off with a bang, with BLAKE GREEN throwing a long bomb to ERIC "EZE" JACKSON to put the team up 6-0. The Menominee defense was led by ALEX ROSENBLUM and LENNY BLOOM and along with RYAN SINGER and MILES BEAUSEIGNEUR we held Kawaga to no points in the first half. Towards the end of the first half BLAKE GREEN scored with a long touchdown run. The second half started with Camp Menominee scoring on a ZACK FISHMAN touchdown catch. Camp Menominee was now up 19-0. Kawaga came back to score one touchdown to make it 19-6 as we stopped the extra point. Stifling defense continued from MATT OGLEDZINSKI and JEFF GOLDBERG and huge offensive plays from DANNY HOLTZER. In the end Menominee came out on top 19-6 with awesome play by all. Great job guys, way to go!

13 and under swimming

-Nate Clifton-

It was a beautiful day down at Sand Lake. Everybody was energized after a great lunch and raring to go. There was a sense of anticipation in the air as the competitors took to the water. Front crawl, backstroke, breast stroke and the relay were the order of the day. Almost inevitably it came down to the relay. Only a couple of unlucky dock touches from MILES "BEAU BEAU" BEAUSEIGNEUR and ZACK 'THE FISH' FISHMAN stopped Menominee from claiming victory. A great effort from all, particularly NATE BLOCK, who pushed Kawaga right to the end.

The 11 and under swim team put in a great effort over at Kawaga. It was an incredibly close meet which Kawaga won 23-20, although the boys did Menominee proud against some strong competition. A huge well-done to MITCHELL KANTAROVICH, who burned the competition in his back stroke race. The Lucky Canteen Number is 74. Menominee also ruled the relay medley with a strong fight from SCOTT SHARFMAN, MITCHELL KANTAROVICH, ADAM CURWIN and AARON GOODMAN. Congratulations also go out to REID KANTER and SHANE KIRSHNER, our youngest members of the team.

FRANKY COHEN and JEREMY POTER played the roll of handler and CARLO FAVA and MILES BEAUSEIGNEUR

The 13 and under track meet was held at Menominee on a beautiful July 7th afternoon, and what a great event. First up was softball throw, Kawaga was in the lead until ROBBIE APPLEBAUM stepped up and threw the ball, hurtling Menominee into the lead. MILES BEAUSEIGNEUR stormed to victory in the 1600 and 800 meter events. JEFF GOLDBERG and ALEC ZEIDLER also contributed to our victory by winning the 400 and 200 meters respectively. It was a fantastic meet with a final score of 58-49 to Menominee.

Doc's Run

-Woody-

Doc's Run 2007! Thirty four runners lined up yesterday morning at the junction of 'O' and 70 to run the 4.5 miles back to camp. ALEX SYKES was the favorite, having won the race for the past two years and he did not disappoint. Campers outnumbered counselors and I'm happy to say that everyone who started the race completed the race. That would make them all winners in my book.

SYKES lead from start to finish. BRENDON MCMILLAN, a counselor from South Africa admitted he underestimated just how strong ALEX SYKES was. Although BRENDON finished second, he was almost six minutes behind the eventual race-winner.

Coming in third was JEFF GOLDBERG from Cabin 13 and a much improved run from JAKE LEVINE saw him take fifth. DANEIL GASSEL came in tenth, the first time he has been in the top ten and JAKE FISHMAN was a very creditable eighth. KOZ provided the water and NICK HOLTZMAN helped organize the whole event. Well done runners.

16 & Under Track & Field

-Ross Festenstein-

The 16 & under track team went to Kawaga and came away with a 19 point victory in blowout fashion. JAKE LEVINE started off with 3rd in the mile and then GRANT SPATHIS went through a grueling 800 meter race to take second. DANNY GUBIN - AKA the Northwood's fastest man- took first in the 50 and 100 with almost inhuman times. SAM BLOCK came off the DL with back, ankle and other injuries to take second in the 400 while KEVIN DANN, EVAN COHEN, and DAVID WEITZMAN embarrassed Kawaga's throwers by finishing 1st, 2nd and 3rd. ERIC SILVERMAN worked his tuchas off by running every race imaginable and helped the relay team of DANNY GUBIN, ANDREW NISSEN and SCOTT FENTON take first. MANDRE proved he is a man among boys by winning the broad jump as did ANDREW NISSEN who won the long jump. ETHAN STEINBERG was sad he could not make it but said he was "very impressed with the display of talent, a job well done"!

11 & Under Track & Field

-Ross Festenstein-

The boys in green came out ready to put up a fight. CODY FLANZER and JAKE FISHMAN came in 2nd and 3rd in the 800 as did ZACK EGGLE and ADAM CURWIN in the long jump. FISHMAN and EGGLE also grabbed top place finishes in the 50 and 100 meter respectively. IAN KIRSHNER took 3rd in the softball throw and JAKE HAITH took 3rd in the 200. After getting 2nd in the 400 CODY FLANZER capped of the day by helping ADAM CURWIN, AARON GOODMAN, ZACK EGGLE, and JAKE FISHMAN in the relay. Great job guys and keep running!

13 & Under B Volleyball

-Ross Feldgreber-

It was a beautiful, sunny day as the Menominee Men took the court. The team was lead by CLAYTON BUCHANON and CAMERON RUBIN. In the blink of an eye Menominee lost the first game and had dug ourselves into a deep hole. Menominee came alive in the second game with great serving from AUSTIN SCHWARTZ who got seven straight. AUSTIN SINGER had some key spikes giving Menominee a second game win. Then the third match began. The Men in Green got an early lead and never looked back. With big spikes and passes by ZACK WALSH, JOSH ROSENBLAT and LENNY BLOOM Menominee won the third game and the match! The lucky canteen number is 169. There was great effort and intensity and it was a pleasure to coach all the players on the team.

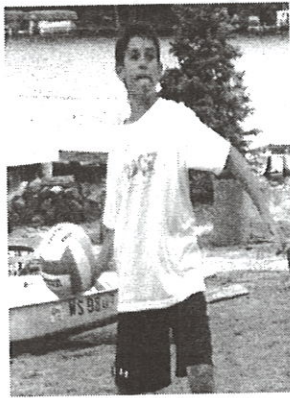

11 & Under B Newcomb -Björn Larsow-

It was a hot sunny day and the 11 and Under B Newcomb Team couldn't wait to face the Kawaga Team. You could feel the excitement of the crowd when the game

started and everyone cheered like crazy. We saw some good throws from HARRISON ROTH and AARON GOODMAN as well as some amazing catches from ELLIOT REIBMAN and JAKE FISHMAN. Team Menominee lost the first set however they didn't give up and won

the second set. The final set started and the crowd got nervous but the team kept their cool, especially ALEXANDER GRAYSON and RYAN GORHAM. It was an exhilarating set and in the end the right team won,

The second half was tough for our boys and slowly the Kawaga team started to control the game. Sun vs. Wind

-Ivan Rodriguez-

The Sun!! The Wind!! It was a gorgeous day for the Sun vs. Wind competition. The morning started off with an Academy Award winning performance. To kick off the festivities and to gather everybody's attention myself and RICKY 'THE ROCKET' GAWTHORN got into a full blown argument in front of Wass' Hall.

While it was only an act it definitely got everyone's eyes opened. The Wind started out strong by winning the first round of Capture the Flag with the help of CARLO FAVA'S gazelle-like speed which kept the Sun team on their toes. In the second round the Sun team put their focus on defense and protecting their front line. This was successful thanks to MAX ENGEL, ALEX SYKES, and ALEC ZEIDLER. The Suns shone brightly however during the Silent Lunch. AARON

GOODMAN and BRANDON SCHWARTZ thoroughly impressed the senior staff with their sharp looking togas. Although the suns won the Silent Lunch challenge the Winds looked quite impressive as well in their formal attire. The next event was an all camp clean up which the Sun won. However, it was a short lived victory for the Wind came from behind to win the All Camp Knock-Out Game though CLAYTON BUCHANON gave his all to fend them off. It all came down to Bombardment which the Suns ended up winning. It was a wonderful day and a great Menominee tradition carried on!

Ask The Editors!

RICHARD PILLINGER from cabin 5 asked: How hot is the Sun?

Well RICHARD, to find your answer we looted the kitchen for a meat thermometer and jumped onto the Menominee Space Rocket (designed and built by KOZ himself). After traveling around 93 million miles and putting on our sunglasses and sunscreen (which you can find in the lodge if you don't have any left) we took our readings. We discovered that the outer layer is 11,000°F (or for you Brits 6,000°C) and the core is around 27,000,000°F (15,000,000°C). Wow, that's pretty hot...after today's weather that doesn't sound too bad!

16 & Under B Volleyball

-Josh Green-

It was like nothing I have ever seen; 16 B Volleyball was a win for the ages. With CIT's DAVID WEITZMAN and ELI GREENSPAN leading the way for the last time, I knew this team was in good hands. From the start the Menominee Men knew they were in for a battle after losing the first game 14-25.

Then it was time for a change with JACOB LEIB and ALEX BLOCK steady setting to front row 'maniacs' MAXX ZOMICK and DYLAN KRAMER. The Menominee Men were right back in it forcing a third game. After being down 3-10 and having many spectators counting them out of it the Men in Green made a comeback they will never forget. The canteen number is 172. JOSH LACHOT and SAM WEINSTEIN bumped Menominee all the way to the final score of 15-13. This game is one that will be talked about forever, proving that you should never give up. What a great way to have started off the day!

13 & Under C Football

-Jeremy Kohlenbrener-

There comes a time in every man's life when he must ask himself a question; ask not what your country can do for you, ask if you can work canteen.

That was not on the minds of the 13 & Under C Football Team when they came together to play the Kawaga 13 & Under C Football Team. Kawaga got ahead quickly and although some great play was shown by JONAH SHEAR, ISSAAC 'SCOBO' KLEIN, JORDAN GLENNEN, AND JEREMY 'J-PO' POTER who all fought valiantly to gain control of the game. After an amazing play that included spectacular catches and some great moves by CARLO FAVA and AUSTIN SCHWARTZ Menominee were on the scoreboard.

However, the Men in Green were no match for the Kawaga boys.

Regatta at Kawaga

Last weeks scorching sun and occasional winds provided the perfect conditions for a spot of sailing. So our gallant men from Menominee set off on a voyage to Kawaga to compete in a Regatta against a host of other local camps. ERIC FIELD, SETH DEUSER, ALEX MALAMET and BEN MALAMET were among the crew members captained by our very own KOZ and RICK COURSON. Everyone did a great job and tried their very best to sail to victory. After a long days sailing we took 5th place. Great job guys!

On a beautiful Friday morning we played football against Kawaga. From the beginning things were looking tricky for team Menominee. The Kawaga team were bigger, stronger and faster but our guys powered through with determination and never gave up. QB ERIC FIELD kept the team's heads up and kept battling against the Kawaga team. In the last quarter things started to improve for Menominee, ERIC FIELD scored an amazing touchdown and there was some amazing play from RYLAN KRAMER and NATHAN FRIEFIELD as well as some major effort from SHANE KIRSHNER and REID KANTER. By the end of the game the core was not in the teams favor but Menominee showed some great sportsmanship and kept pushing all the way to the end. Well done guys!

The game started very evenly. Kawaga were matching every score Menominee could put together. With great defense from ZACK ESSLER, HARRISON ROTH and ERIC FIELD, we made sure Kawaga didn't pull away. RYLAN KRAMER played great offence and defense. His intense play kept us in the game. With some great throws and fast running by JAKE HAITH and IAN KIRSHNER, Menominee pulled away and achieved victory.

11 & under A Newcomb

-Mike Styrcula-

As a referee for the 11 & under A Newcomb team I noticed teamwork beyond almost anything I have witnessed. No one held onto the ball for themselves. Instead, everyone was passing the ball at least twice. This was especially true for ZACK ESSLER, BRANDON SCHWARTZ and IAN KIRSHNER who were constantly passing between each other. MITCHELL KANTAROVICH and SCOTT SHARFMAN made some powerful throws which aided their team. I was very impressed at the attitude and spirit of the team. JACKSON HARRIS and CODY FLANZER in particular showed great team spirit. Nobody was put down but instead were picked up by their team mates when they missed a play or did not get the ball over the net. Although they lost the game, they went home winners. Every one of the boys had a smile on their faces.

16 & Under A Football

-Rick Courson-

It was a fine day at Kawaga and the team was determined to win the game. Even though we practiced hard the cards were not in our favor. JAKE SHLOFROCK made some amazing catches; The Kawaga Team seemed to be able to read every play we could throw at them. MATT ANDRE played some great football and DANNY GUBIN and KEVIN DANN proved they were A-Team material. The game went into a college style over-time: Kawaga stopped us at the 2 yard line. Kawaga pulled something out of their bag of tricks and scored for the win.

Welcome To Second Session

-The Editors-

Camp Menominee grows with the addition of our second session campers. We know that everyone who was here with us first session will agree that it was a blast. Boy, did it go by fast! It was a session for the memory books. How could we forget all the great things that happened from the Sun vs. Wind competition to our Battle in the British vs. American Competition ending with our Fourth of July festivities including our social with Camp Marimeta. Speaking of socials we also had that rock'n social with Agawak! And what about all of those amazing trips: Canoeing; Copper Falls; The Dells; Mall of America, and TOWN DAY! We also had a load of great stuff that happened in our everyday camp life; our Big Ten; the MCAA and Twilight League along with a ton of fun on our Climbing Wall, the Waterfront (complete with Iceberg!) and our amazing evening Campfires. We also had three competitions in the first session (Ojibwa, Timberlane and Kawaga) and there will be many to come this session as well. We know that this session will be fantastic!

Hello, and welcome to another fabulous session. We your editors, Phil & Chris- would like to take this opportunity to remind you of a few important things about the Megaphone. First of all, without you there is no Megaphone. From now on it will be filled with stories written by Campers, Counselors, and CIT's, if you want to see something in the Megaphone come by the office - behind the Canteen- and pick up a story sheet. Also, Make sure you keep a lookout for the Lucky Canteen Number hidden in every issue. If you find your Canteen Number in an issue bring it to the Czars at Canteen-time to collect your free canteen! Finally, if you have any questions (about anything) write your name, cabin, and question on a piece of paper and bring it on over and we will be happy to answer it in our 'Ask The Editors' section when there is space in an issue. Welcome to Camp Menominee everyone!

Welcome Second Session Campers!

-Eric "EZE" Jackson-

ANDREW BARNETT is a first year camper all the way from Michigan. He really enjoyed meeting new people and eating candy until he was full. Everyone who is staying the second session is awaiting Green and White. This will be something everyone will

Candy Party

At yesterday's candy party there was so much candy that it almost made some people throw up. It all started when Steve said to get all our candy. Then some of the people only got some of their candy. They did that because they thought that they wouldn't eat all of it or they wanted to save some of it. Steve said that he knew that some people still had candy left. So then some people got a little more of their Candy. The lucky canteen number is 230. Then we ate all the candy that was there. When we were done, Steve told us one last time to go get any candy

we had and after the final warning the crazy-candy-fun began. A perfect end to a perfect day!

TWILIGHT LEAGUE!

-Evan Ribot-

What was a normal Monday dinner quickly turned interesting as several counselors rushed into the Mess Hall with squirt bottles and 16 targets. When the chaos ended, 16 kids were squirted and brought up to the center of the Mess Hall, where they were announced as the Twilight League captains. The teams were announced and the Mess Hall cleared as everyone returned to their cabins to prepare to play. Despite the notable absence of the song "Put Me In Coach" due to the P.A system being down, people were still excited to get out and play. The leagues got off to a good start with a full slate of exciting games. On Diamond 2 PHIL MARGOLIN'S team took on ALEC ATLAS' team. Despite stellar pitching from JAKE HOCKMAN and solid defense in short center by DAVID MEYER, MARGOLIN'S team prevailed 8-1. They were led by solid hitting from DAVID MUNZER and 5 RBI's from JOSH SAWYER to go along with great defense from ALEX BLOCK. However, Senior Twilight league games from Monday will not count, as

the Senior league is being shifted from 4 teams of 12 or 13 players to 6 teams of 8 or 9 players. The two new Senior Twilight League captains will be JASON SCHWARTZ and ELLIOTT KATZ, but the other four captains will remain the same.

Campfire Sing-Song

-Chris Wilson-

Last night everyone piled into Wass' Hall for a good old sing song. After Woody had given everyone the words to the Menominee Medley all the counselors got up on stage and showed the new campers how it was done here at Menominee. Everyone went crazy when the Senior Cabin got on stage and performed some very loud, very energetic cheers! The lucky canteen number is 42. These cheers and songs are there to keep Menominee spirit up, so everyone try to memorize the great songs and cheers we sung!

Start of Leagues!

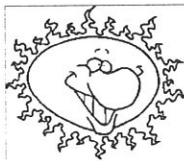

-John Kamel-

A wave of excitement swept camp as leagues began with a tremendous opening. Bear was the first session and Intermediate Football was a huge success. The best game was Thunderbird vs. F.C.150. With each team believing strongly that they could win, the game started off with two drives with each team unsuccessful. Thunderbird was the first to put points on the board with an amazing quarterback sneak by JEFF GOLDBERG followed by a touchdown pass from ALAN NAPADOV to ADAM CHICK. The score was 7-6 at half in favor of F.C.150 due to an extra point. During the second half there was an offensive explosion for F.C.150. ALAN NAPADOV and ADAM CHICK hooked up for another touchdown followed by a touchdown to JASON RUBINSTEIN. Although the Thunderbirds did come back with a touchdown to RYAN KATES, it was not enough to beat F.C.150. The final score was 22-12 to F.C. 150. Even though the Thunderbirds lost, they found out a lot about their players and playmakers. They will be trouble for any team in the future.

BIG TEN

-The Editors-

Yesterday was the beginning of Big 10 and it got off to a running start. The sun knew that everyone wanted to have a great time outside as it gave off its strongest rays so everyone could get stuck into the fun. Everyone was excited to start their activities which they had signed up for and we think it is fair to say that all the campers had an awesome time. They participated in all the activities available here at Camp Menominee such as soccer, basketball, photography, ultimate Frisbee and of course Megaphone!

Ritz-Mania sweeps Menominee

-Evan Ribot-

In his three years here at Menominee, ETHAN RITZ has always felt he was a regular part of the Menominee family. However, his popularity has risen this year to the point that he has his own chant. The man himself said: "I have no idea how it started, but it feels good". According to RITZ the Senior Cabin were the first to start the chant in session 1, but now the entire camp knows his name. He commented "It's gotten kind of annoying, but I know I will miss it if people stop". Luckily for Ritz it seems that the chants will go on and "Ritz-Mania" will continue to captivate the Friendly Confines.

Commercial Night

-Tyler Boudart-

On Tuesday night we had a thrilling time at commercial night. Many cabins had well worked out skits. The action started with cabin 3 and ended with the Senior Cabin. Cabin 4 -with some excellent acting from REID KANTER and DYLAN DRISCOLL- won the grand prize of a pizza party with their commercial for magic deodorant. Cabin 16 won the intermediate age division with their advertisement for Bjorn, the cleaning guy played brilliantly by MATT ANDRE and had a great cheesy ending provided by LEE RATNER. Cabin 11 took home the victory for the Seniors. They advertised a compass that points to what you want most inspired by Pirates of the Caribbean. There were some other great skits too including commercials for flying monkeys, magic game boys and Menominee Action Figures. It was a hilarious night which won't be forgotten quickly. I'm sure everyone is eagerly awaiting the next skit night!

Picture day

-Ross Agrest-

Picture day started when Steve told everyone to go to the water front after flag ended. All the juniors ran down the hill. Woody started to get everyone in a line from shortest to tallest. All of the counselors were on the top and it only took them a couple of minutes to get up. First, all of the tall guys (mostly CIT's and senior's) got right below the counselors. It took a while for everyone to get in the picture but eventually everyone managed to get on to the stand. Everyone had to squeeze together so that we could fit everyone in the photo. After the whole camp photo was finished it was time for cabin photos and individual portraits. It was a great having everyone together in a photograph and the cabin photos and portraits are going to look awesome. We will be looking back at the group picture in the mess hall next year and I can't wait to see it.

Senior Twilight League, Block vs. J. Atlas

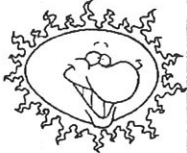

-Ross Agrest-

What a day it was in Senior Twilight League. There were a couple of thrilling games but by far the best was the game on Bob Bender. It was JEFF BLOCK'S team vs. JAKE ATLAS' team. Block's team started the season off well by scoring 4 runs in the 1st inning. BLOCK'S team kept the lead until the 4th inning. The bases were loaded when ROBBIE APPLEBAUM hit a grand slam. It was a close game until the last inning; the score was 11-8 when BLOCK'S team got a 2 run single. they managed to get the bases loaded with 2 outs, but BLOCK'S team couldn't get that last run needed to tie the game up and ATLAS' team prevailed 11-10.

Movie Review: Transformers

-Tyler Boudart-

The motion picture of the much loved Toys of the 80's was awesome! There were some really sick cars and the special effects were sweet. In the Movie the two main characters played by Shia LaBeouf (*Holes, Constantine*) and Megan Fox make friends with some Robots from out of space. Together they fight the evil robots (who are of course trying to take over the world). The lucky canteen number is 7. The evil robots are trying to use an ancient cube, known as All-Spark to help them in their quest for world domination. The good robots are trying to find the cube so they can destroy it which will kill the evil robots. This movie is great I give it 9 out of 10. So when you get a chance go and see it!

Social with Chippewa

-Eric "EZE" Jackson-

Last night the Ladies from Chippewa arrived at the Friendly Confines in a yellow school bus all set for a social with the Menominee men. The guys from Menominee rose to the occasion and put on their best clothes in an effort to show the girls from Chippewa that here at Menominee, we have style!

It turned out to be an interesting social. Some sharp moves from ANDY COHEN, CLEM UPTMOR and KOBY STERN were being pulled on the dance floor to some great tunes provided by Spinning Discs. JOEY BLOOM and RYLAN KRAMER both had a great time socializing with the girls from Chippewa and BRETT GROSSMAN even thought he had enough game to work on the older Chippewa ladies but was unsuccessful. The lucky canteen number is 44. After everyone had a great time dancing the night away the girls left and things returned to normal. It was an awesome night and we can't wait for the other socials. We hope all the girls had an enjoyable night here at Camp Menominee and will come back soon, because we loved hosting such a fantastic party!

MCAA Shuffleboard

-Woody-

Elliot Reibman is on fire in the MCAA Shuffleboard league. He came into this afternoon's games unbeaten in 3 and finished this afternoon winning 3 of 4. That gives him a 6-1 overall total and puts him top of the league. He is being pushed hard by JEFF GOLDBERG but I have to say he is looking unstoppable at the moment. ELLIOT confirmed the hot streak he is in by beating me 40-37 during general.

A Big Happy Birthday to ADAM CHICK and JOSH GREEN! Hope you both have an awesome day!

Intermediate Soccer

-Jon Kamel-

A game for the ages! When the players of Valencia and Athletica Madrid stepped onto the soccer pitch they had no idea that it would be the wildest game of their lives. The teams were evenly matched and the first half went by without major opportunities to score. With pep talks from JEREMY KOHLENBRENER and MAX FREED Valencia and A. Madrid came out of the half fighting. RYAN LOVETT had a great opportunity to score a goal for Valencia but his shot hit the post. TREVOR KNIAZ and JEFF HEISER attacked the Valencia defense but did not succeed due to outstanding defense by ALEX STRAUSS. With no score in regulation for either side the game went into overtime and a second overtime with the same result; neither team could pull ahead. Shoot-outs began with each team pulling five shooters and a goalie. Each side could only muster two goals with great saves by DAVID MILLAR and ZACH FISHMAN. The game then went to sudden death. TREVOR KNIAZ buried his shot into the back of the net, pressuring ALEX STRAUSS to make his too, he made it with ease. JEFF HEISER and RYAN LOVETT both made theirs again forcing two more shooters. MILES BEAUSINGEUR was next for A. Madrid. His shot hit ZACH FISHMAN'S glove and crossed the line before he could pick it up again. However, with a controversial call KOBY STERN said it was not a goal. The lucky canteen number is 161. After much deliberation the game went on with ZACH FISHMAN of Valencia making his shot to win the game. Everyone had to admit that this was a really exciting game, definitely one for the history books!

Last night we had an early night at Camp Menominee. Before taps were called everyone went into Wass' Hall where Woody sat us down and regaled us with a story from the Tour de France. He also told us what makes his day and invited the campers to tell everyone what makes their day. Among the campers who spoke out were GARRISON SANIPASS, DYLAN DRISCOLL, ANDREW BLECHMAN and DAVID BLECHMAN. Woody also mentioned Twilight League. Remember guys that Twilight League aside from being a fun activity. It won't be fun if you're not, being bad sports so let's see some good sportsmanship out on those softball fields!

Milk and Cookies:

Junior Baseball!

-Jesper Perik-

On a wonderful Thursday afternoon Team Milk played Team Cookies in Junior Baseball league. The first 3 innings, Team Cookies took the lead by a mile with a few monster hits by ZACH MANN. After 4 innings played the score was 10-2 in favor of Team Cookies. But in the bottom of the 5th inning all Hell broke loose. Team Milk batted around the order to create a massive comeback. With a few big hits (and some unlucky fielding by Cookies) team Milk leveled the score 10-10. In the top of the 6th (extra innings) Cookies could not score thanks to some great plays by Team Milk. In the second half of the inning team Cookies managed to get 2 outs straight away, but with one man on base CODY FLANZER got at the bat. He was 4 for 4 already, so Team Cookies knew he was a threat. The first pitch he saw from pitcher CLEM UPTMOR he crushed the ball over the center fielder for a 2-run homerun. With that the game was over and team Milk won it after the most astonishing comeback I have ever seen.

Casino Night

-Chris Wilson-

On Saturday Camp Menominee was treated to Casino Night! Everyone was given chips and they gambled (not with money of course) the night away. The prize for the cabin with the most chips was the Menominee Holy Grail: A Pizza Party! The cabin who proved they had the best poker faces was cabin 14. Everyone 'chipped' into to win the grand prize but GARRISON SANIPASS and JOSH TOLMATSKY played especially well. They both started with 7 chips and through some nifty card playing they gained 25 chips and entry to the high rolled room where they easily multiplied their chip counts. By the end of the night they were both chip leaders and their efforts helped to win the sacred Pizza Party for the whole of Cabin 14, well done guys!

CIT Trips

-Eli Greenspan-

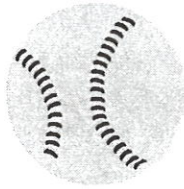

There is one tradition the CITs always look forward to unless you are like JAKE SHLOFROC (who enjoys filling up water bottles and building fires) it would be the CIT trips. Our first trip took us to the Wisconsin Dells where we hit up Mount Olympus and Noah's Ark. Although many of us were optimistic at the start of the trip knowing DANNY GUBIN, JAKE SHLOFROCK and SAM BLOCK were being separated the silence did not last. The three hour drive went by quickly. Thanks to AARON SCHENKOR and ERIC SILVERMAN we were there before we knew it, at the five star hotel: that is The Pleasant View. We then lubed ourselves up with sunscreen and hit the slides. Later that evening we went to the theme park, Mount Olympus. While some of us went straight for Hades others including ANDREW NISSEN hit the go-karts. The reason half of the CITs did not go on Hades, MATT ANDRE included, was because they rushed to the raging waters at Mount Olympus' Poseidon's Rage. This features seven to ten foot waves, or in MATT'S case it is because you have to be 16 to ride Hades and although he is very large he still has only just got his permit. So after a full day at Noah's Ark we were ready to hit the road.

A week later we were on our way to Minnesota for a Baseball game, Valley Fair and of course The Mall Of America. When we arrived at the hotel I was happy to see a free, high speed computer to update my website which just so happens to be the BEST sports blog. So we went to the Twins vs. Angles game an before we found our seats AARON SCHENKER, P.J. DAVIDSON, SAM BLOCK, JORDAN SILVER, DANNY GUBIN, JAKE SHLOFROCK, MATT ANDRE, VICTOR RUDO and Myself spread ourselves out in the first three rows. After we had celebrated a successful Twins victory back at the hotel and got some sleep we went to Valley Fair. The majority of the CIT's got on the large green roller coaster including ERIC SILVERMAN and ANDREW NISSEN. After dragging JAVIER CERVANTES and his camera out of the park we went straight to The Mall Of America. Everyone had a great time experiencing all the great stores and food the mall had to offer. ANDREW NISSEN said: "The Trip as a whole would not have been the same if we did not stop at Tiger Sushi." The next morning we went back to the Mall one last time and GRANT SPATHIS and SCOTT SYLVESTER took full advantage of the stop, not only did GRANT buy a Bob Marley T-Shirt but SCOTT was able to convince a store to give him a bag to store his wallet and phone. With our stomachs full we were able to hit the road once again. Although there was an unexpected pit stop for VICTOR RUDO, the drive with music blasting our ears, was very easy. We want to thank BARI and STEVE for two great trips, we all had a blast! The lucky cabin number is 10.

Cabin 1 Shines in 3 Days of Intense Softball

-Evan Ribot-

On Friday Cabin 1 scheduled a friendly softball game against Cabin 2 during morning General. Powered by a solo home run from DANNY SLUTSKY and 4 RBI's from JASON TEITELBAUM, Cabin 1 was victorious. They then set their sights on knocking off the Senior Cabin. On Saturday, Cabin 1 scored 4 runs in the first 2 innings to grab an early lead until a four-run 3rd inning from the Senior Cabin tied it at 4. The Senior Cabin had great pitching from JACOB HOCKMAN, and Cabin 1's MAX FORMAN helped out with several run saving catches in left field. After a long and intense battle, the game was forced to end in a 5-5 tie. The next day during Cabin activities Cabin 1 was back out on Bob Bender facing cabin 12. After Cabin 1 took a 5-3 lead, 2 runs scored in the bottom of the 6th tied the game. Hoping to avoid another tie, RYAN STERN knocked in a huge run in the top of the 7th to give Cabin 1 a 6-5 victory. After 3 days of great Softball, Cabin 1 sent a powerful message to the rest of the Camp. "We just wanted to prove who the best cabin in camp was", CHAD SILVER said. JORDAN LISS said, "There is a reason we're Cabin number 1!". Although they seem to be big talkers, Cabin 1 has played three great games in 3 days to back up every word.

BEAT KAWAGA!

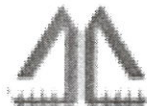

-The Editors-

Yesterday amidst the scorching weather Menominee was busy in the first rounds of Beat Kawaga team practices. Everyone was eager to begin preparing to BEAT KAWAGA! On Friday. Though the practices were certainly intense the Menominee men were treated to free play down at the waterfront afterwards. This was a real treat in the 90°F heat! Everyone had a great time playing on the Blob, the Iceberg or simply floating in the water to relax. These practices are very important if we want to show Kawaga just what we, here at Menominee are made of so this means putting 100% effort in, wearing the proper equipment and listening to our coaches. Also with the weather the way it is and practices being as intense as they are everyone needs to make sure to drink plenty of water. Get psyched everyone because this year belongs to Menominee, BEAT KAWAGA!

Camp camaraderie

-The Editors-

After flag last night STEVE talked about camaraderie between campers. It is important now more than ever in the days leading up to Kawaga that we work together and all reach for the same goals. There is no need to argue and bicker at each other. Camp Menominee is here for everyone to have fun not to tease one another and talk trash about each other. Remember that essentially we all want the same thing; victory and just as importantly a good time, so consider this saying: *"If you haven't got anything nice to say, don't say it at all!"*

TIIIIIMBER!

-The Editors-

On Monday, Menominee faced off against competitors from Timberlane in a number of events including Soccer, Riflery and Basketball. Some of the guys from Timberlane came to play here at Menominee and some of the Men-In-Green went to Timberlane to compete at their camp. Out of all the events the boys from Menominee did not lose a single game! We did especially well in Riflery which is considered to be a specialty at Timberlane. The sharp shooters from Menominee scored a huge amount of points. Our tremendous success in this competition against Timberlane has been a major help in our preparation for our competition against Kawaga on Friday, providing everyone with lots of confidence and determination! It was great fun playing Timberlane and everyone showed great sportsmanship. Hopefully, Timberlane enjoyed visiting us and having some of our guys over there. Six of the Men in Green stepped up against six shooters from Timberlane and when the cease fire was called it was obvious Menominee was on top, winning by 11 points! We had great shooting from all our boys especially JACK BARCH who shot way above his norm. Even BARCH'S shooting was nothing compared to that of ALEX LOIBEN, who shot an outstanding 90/100. We also had some awesome shooting from MICHAEL CASEY and an excellent 53 points from EVAN FAY. ERIC WEITZMAN held his own against the Timberlane squad and DAVID MIZOCK brought up the rest with a strong finish. Great job everyone; let's hope we shoot as well as we did on Monday against Kawaga on Friday!

Ask The Editors

David Munzer Cabin #2 asked:

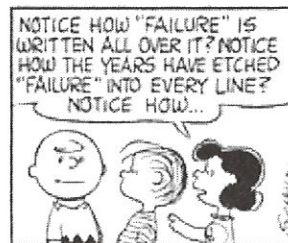

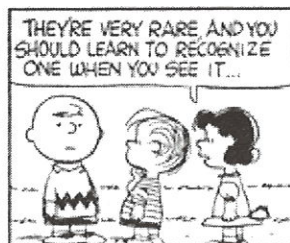

If everyone in the world jumped at the same time would the world shake?

Good question David and one that was not easy for us to answer! In order to find the answer we had to travel back in time to ask Albert Einstein if he knew unfortunately he only spoke German so no use there, we then tried Stephen Hawking but he didn't pick up the phone so we then did the next best thing, we Googled it. At a German music festival they tested this theory with 50,000 people to see the outcome. The lucky canteen number is 99. A seismometer measured four oscillations per second, while the earth moved only one-twentieth of a millimeter. Considering the world has a population of around 6 billion then it is entirely possible that a tremor could occur if everyone in the world jumped, however, in reality it would be so difficult to make sure everyone in the world jumped at the exact same time that it could never realistically happen. Thanks David!

BEAT KAWAGA!

-The Editors-

Unless you have been living under a rock this past week I'm sure you are well aware that tomorrow we face off against Kawaga for the last time this year! Everyone has

been working amazingly hard for this and we are confident that we win, but not if we aren't prepared.

Everyone is practicing really hard, but that is only part of the battle won. Everyone needs to stay hydrated tomorrow as well as ensure they have the proper equipment for the activities and most importantly we need to work well as a team. For those of you not participating in any events this is no time to be retiring to your cabins to read the latest installment of Harry Potter or to play on PSP's. You should be out there tomorrow on the side lines cheering your friends on, providing them with encouragement. We know that you guys can be really loud because we see you in the mess hall every day, so use those voices. It is incredibly exhilarating when you are playing out there to hear your cabin mates (and counselors) cheering you on. Your voices will give them extra determination and adrenalin! If everyone brings their A-Game, both on and off the fields then we are confident that this time tomorrow we will be in that lake! Come on guys, this year is Green and White; BEAT KAWAGA!

Sportsmanship: The Menominee Way

-The Editors-

Good sportsmanship is a major aspect of the Menominee way and one that we want to see displayed in all of tomorrow's events. If you are playing in an event then show respect to the other team. This means not purposely fouling them or talking trash at them whilst playing. It doesn't matter if you don't like each other or they do something which makes you mad; hold yourself with dignity and honor and you will prevail. Sportsmanship also plays a big part off the field too. If you are not playing then by all means cheer but DO NOT talk trash at the players on the other team or the other teams spectators and DO NOT use inappropriate cheers either as this shows disrespect and this is not the way we act here at Menominee.

"In the end, it's extra effort that separates a winner from second place. But winning takes a lot more than that, too. It starts with complete command of the fundamentals. Then it takes desire, determination, discipline, and self-sacrifice. And finally, it takes a great deal of love, fairness and respect for your fellow man. Put all these together, and even if you don't win, how can you lose?"

WE BEAT KAWAGA!

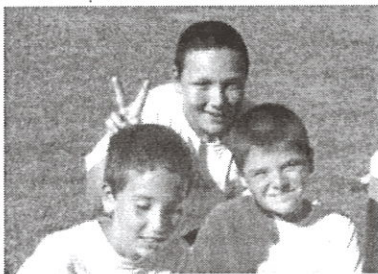

-The Editors-

Everyone's hard work and determination was rewarded yesterday as we BEAT KAWAGA! It was a the perfect day for the competition. With temperatures reaching the high 80's it was easy to get hot-headed, but Menominee kept their cool. We dominated the competition both over here and over there. We competed in Softball, Basketball, Archery & Riflery, Ultimate Frisbee and Soccer. We started off a little shakily with

Stampeding to the lake

the winnings being fairly evenly spread, but with news coming in from Kawaga that our under 13's were completely owning the competition over there we found are feet. We did amazingly in Archery and Riflery here at the friendly confines and also ruled the 16 and under basketball division. We experienced a couple of losses in the 11 and under Soccer and Basketball but nothing could stop us. By lunch-time the score was 12-7 to Menominee. We needed nine more wins to get the competition and our 13 and under age group were on fire over at Kawaga. Following a winning lunch of hot dogs, Chili and beef rolls we concentrated our efforts on Softball and Ultimate Frisbee. We lost some of these events but fortunately won a lot more. The competition was in the bag with a final score of 31-14! Following the 16A softball game everyone stampeded into the lake in a

state of wild celebration. We had won, and what a celebration it was! Water was flying everywhere and cheers were being sung all around and Even STEVE and BARI, WOODY, KOZ and TOM dove in to join in with the party. Everyone played their hardest and whilst it is true that we didn't win every event, we showed we had winning spirits that carried us all the way to victory! It was an amazing day which everybody enjoyed. Well done to the athletes, coaches and referees for working so hard and putting in 100%

and thanks for a fantastic day! Watch out for more detailed match reports in the next few issues of The Megaphone.

BASKETBALL

13 & Under C

-Dustin Bernstein-

With a 13 C Basketball team that would have been the 13 B team 1st session, our boys in green were well prepared to beat Kawaga. Starting in the point, ERIC "EZE" JACKSON was a constant threat for Kawaga. EZE outrebounded and out hustled their entire team. Guarding on the wings were DANNY SLUTSKY and ZACK FISHMAN. SLUTSKY had some great defensive plays and FISHMAN was simply untouchable. Lets not forget the starting guards of ALLEN NAPADOV and CAMERON RUBIN. Running the court and leading the team, RUBIN and NAPADOV were phenomenal. NAPADOV finished the game strong as our leading scorer. ROSS KRANDEL and JOSH TEITELBAUM came off the bench giving our team solid defense and all around great team play. Hats off to ERIC WAGMAN for playing with a hurt ankle. The final score was 40-167.

13 & Under D Basketball

-Josh Green-

Some may say it was over before it started; others may say that it was simply just a team destined for greatness. As soon as the 13 and under D Hoop squad took to the court, you could tell Kawaga looked on in fear. Made up of big men GEOFF HEISER and JEFF GOLDBERG, Menominee started off early crashing the boards. The steely group of guards JACK LAZAR, JOSH ROSENBLAT and ERIC SLUTSKY kept Menominee in the game throughout the first three quarters. Then in the fourth quarter Menominee went lights out thanks to one man, JORDON GLENNON, who after hitting back to back 3 pointers ensure Menominee was in the lead. Menominee was ahead for good and never looked back. The Men in Green went on to take it home 25-20, putting in a small piece to what was a huge 31 piece puzzle.

16 and Under B Basketball

-Ivan Rodriguez-

Absolute domination! The 16 and under b Ballers had a goal in mind and they played the game to a tee.

Starting off the game on a 12-6 run, ERIC SILVERMAN provided the games first spark. By hitting his first two jump shots, ERIC quickly gave the team just what they needed. Following suite, GRANT SPATHIS and DANNY GUBIN added to the score. With a combination of solid defense and sturdy offense the Menominee boys battled hard in the second half and closed the game with a tremendous 15 point lead. Great job Guys!

13 & Under B

-Ross Feldgreber-

To Start the afternoon at Kawaga, the ferocious men in green took the floor for basketball, starting an afternoon to remember. CHAD SILVER (point guard) led the charge in the first quarter with help from ALEX STRAUSS and ROBBIE APPLEBAUM, taking a huge lead due to our fantastic diamond press. After the first quarter, the Menominee men were up 21-5 and never looked back. DANNY NOWAK and BLAKE GREEN also came through with great defense and rebounding, stretching our lead to 20 at the half. It was the same song with different notes. ISAAC KLEIN and JED STONE were great relievers. Amazing game for all who played with the final score being 59-33, Menominee!

SOCCER

13 & Under C Soccer

-Nate Clifton-

13 and under C Soccer started out the momentum for the whole competition. When the game started JOEY BAUER passed the ball to IAN BURNS, who booted it down field which then deflected off a Kawaga player who was out of bounds. ANDREW KRONCKE took control of the corner kick taking a tremendous shot on goal which was tipped in for a goal. Amazing defense was played by ISAAC KLEIN, JED STONE, JORDAN LISS and DANNY NOWACK helping JEREMY POTER do a great job in goal. Not one ball got through the wall created by the 13 and Under C defense. As the game continued a final goal was scored by BRAD SHULKEN to give us the lead, 2-0. Well done everyone!

16 & under B Soccer

-Ross Festenstein-

They may not have been the most skilled, but they were the biggest and best looking team in Menominee soccer history- not to mention they had SCOTT SYLVESTER. The 16 and under B-Bombers took the pitch by storm and the myth, the man, the legend himself, SCOTT SYLVESTER, knocked in the game's only goal with a scorching header over the reach of the keeper. AARON SCHENKER, PHIL MARGOLIN, ERIC SILVERMAN proved you only need two feet to play soccer and shared the MVP honors. JAKE SCHLOFROCK intimidated the ball out of the goal whilst COREY MARLAND helped DAVID WEITZMAN double team Kawaga's forwards. DENNIS IVANOV may not have been there physically but his spirit helped the Men in Green to Victory.

11 & Under B Soccer

-Zach Mann-

11 B Soccer was amazing. NOAH RAVEN scored the first goal with an outstanding header. The defense was unreal with myself in the middle and ADAM SLUTSKY and SCOTT SHARFMAN on the out-sides and ANDREW BLECHMAN in goal. ISIAH RUBIO scored the second goal of the match with a hard kick that the goal-keeper just couldn't get. RYLAN KRAMER played very well on the outside as did ELLIOT REIBMAN. MAX COOPER was incredible at getting back into position when needed and REID KANTER worked very hard especially at getting the kick off plays correct. Everyone did an awesome job and the final score was 2-1 to Menominee.

16 & Under A Soccer

-Sam Block-

16 A Soccer domination. After a morning full of victory the 16 A soccer team was confident they could take on the strong Kawaga team. However few could have predicted that the Menominee Men would dominate Kawaga the way they did last Friday. Stella defense by NAT ROSEN, ANDREW NISSEN and DANNY GIBIN limited Kawaga to on shot in the whole game. JORDAN SILVER scored a goal early on in the game. JCOB HOCKMAN also scored in the first half thanks to a beautiful header from DYLAN KRAMER. The midfield consisting of RYAN STERN, P.J.DAVIDSON and MATT ANDRE showed no signs of fatigue as the second half roared on. RYAN STERN put the finishing touch on the game as he scored a gorgeous goal that put the final score at 3-1 to Menominee Menominee's finest soccer players had more goals than Kawaga had shots, sounds like a good game to me!

13 & Under A Soccer

-Koby Stern-

CM took the field with a hunger for a win. Kawaga quickly took the lead, but CM equalized with a CHAD SILVER penalty kick following a hand-ball from Kawaga. ALEX STRAUSS played defense to keep the game tied. ALAN NAPADOV and GEOFF HEISER played great 1-2 passes up front with JARED WEISBERG making runs through the defense. GEOFF HEISER scored with one minute left to put CM 2-1 up. The game looked as though it was over but Kawaga scored a controversial goal to send the game into a penalty shootout. ROBBIE APPLEBAUM stopped 3 of the 5 balls and CHAD SILVER, ALAN NAPADOV and GEOFF HEISER scored to give CM a dramatic win. Great job everybody!

Sam Block and The Destruction of Hogwarts

-Sam Block, David Weitzman, Eric Silverman and Victor Rudo-

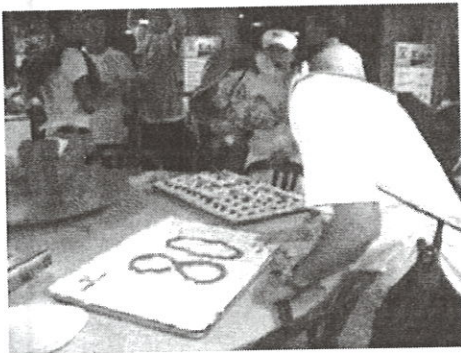

On a beautiful sunny day at the CIT beach party the four young wizards SAM BLOCK, VICTOR RUDO, DAVID 'WIZARDMAN' and ERIC SILVERMAN created a perfect rendition of Hogwarts School of Witchcraft and Wizardry out of sand as the witches of Marimeta stared in awe at these handsome young wizards laboring away. The highlights of this picture perfect replica included a full world cup sized Quiddich stadium by SILVERMAN and WEITZMAN, SAM BLOCKS Ravenclaw towers, Hufflepuff's dorm and RUDO Great hall. Just as the beautiful greenery was being added to the gargantuan castle, the wizards in training (WITS) saw in the corner of their eyes A.J. Voldermort growing increasingly jealous of the great structure. BLOCK sensed danger as his scar began to burn and prickle. RUDO shot a stupefy at Voldermort but it was to no avail with his Death eaters (JAKE SHLOFROCK and MATT ANDRE) looking on. Voldermort swooped in and destroyed the sand castle. As the WITS stared in shock they realized all they had worked on was gone. All was not well.

Happy Birthday Menominee!

-The Editors-

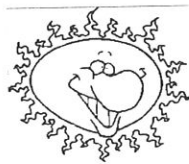

Last night after flag everyone in camp was invited to a surprise birthday party for our Dear Camp Menominee which is now 80 years old! It was a fantastic night with dancing, singing, pizza and best of all cake! Thanks STEVE and BARI for a great evening and Menominee. Here's to another eighty years!

Weather at camp

Thursday 2nd August:

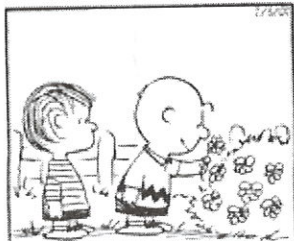

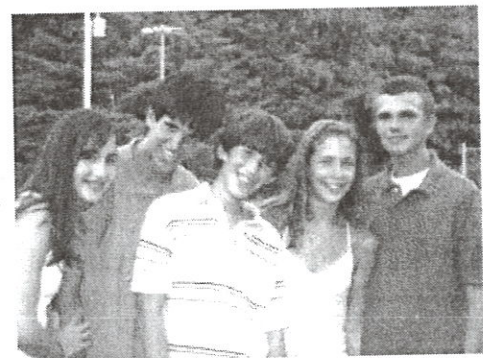

Partly cloudy with temperatures reaching 82°F.

Today's Useless fact:

An olive tree can live up to 1500 years

Last night everyone piled into four yellow school buses and drove to Marimeta for a spot of socializing! When we got there everyone split up into groups and we played a game of steal the bacon with the girls, naturally as we are gentlemen here at Menominee we allowed the ladies to win. After the bacon had been well and truly stolen the dancing began. Everyone pulled out there best moves to the pumping tunes provided by the one, the only Kasper K in a bid to impress the ladies of Marimeta. Everyone had a great night and enjoyed seeing the ladies from Marimeta for many of you guys this was the first time and I think we definitely want to go back again next year!

16 & Under A Softball -Jesper Perik-

On Friday afternoon everybody rushed to Bob Bender Senior Diamond to watch the 16 A Softball game. With starting pitcher SAM BLOCK throwing a strike on the first pitch the men in pin stripes (for the occasion) looked like they were on their way to victory. Unfortunately Kawaga had a couple of great hits and took the lead. With some good hits by ELI GREENSPAN, KEVIN DANN and JAKE SHLOFROCK and some amazing catches by DANNY GUBIN and DAVID WEITZMAN Menominee was looking for a comeback. In the end Kawaga's hitters were that little bit stronger. The final score was 12-5 in favor of Kawaga. Still, the team did great, tried hard and showed great sportsmanship.

13 & Under A Basketball -Justin Jaffe-

On this fierce afternoon the Menominee Men took the court willing to achieve their goal of victory. Menominee started off the game with a bucket by JARED WEISBERG, then a steal from the diamond press led to another quick score. After that early lead Menominee never looked back. After a time out ETHAN SCHMITDT, JORDAN LISS, JAKE SCHOLL, ADAM CHICK and JARED WEISBERG went on to perform valiantly in a victorious effort. All in all it was a great and exciting game to watch and I am glad I was a part of it.

13 & Under B Soccer -Koby Stern-

The men in green took the field looking to start off the day with a win. The game started off with great defense from ERIC 'EZE' JACKSON and NATE BLOCK. RYAN LOVETT dribbled through the Kawaga defense time after time only to come up unlucky. Kawaga took the lead after a throw in, but CM would not back down and equalized with a JON KAMEL goal from a RYAN LOVETT cross. The second half started with CM quickly dominating play in the mid field with NICK MEYER controlling the game. However Kawaga scored a late goal to take the lead. Although we may have lost we showed a great deal of spirit and had tons of fun.

A huge Happy Birthday to Eric 'EZE' Jackson who is 14 today, have a great day EZE!!

13 & under E Basketball

-Danny Chaimovitz-

13 E basketball...wait? This was more like a 13 A team! We took control of the game from the start. GARRISON SANIPASS was great at getting rebounds and LENNY BLOOM had some great shots. MILES BEAUSINGEUR exhibited some amazing ball control and SAM COHEN demonstrated great team work and spirit. The team's hard work paid off big time as we won 42-28. Great game guys you did Menominee proud.

11 & Under Ultimate Frisbee

-Adam Twito-

The 11 and under Ultimate Frisbee team had talent across the board. ELLIOT REIBMAN was one of our starting handlers. We started out the game ahead of Kawaga but as the game played on and the wind started to pick up it made it very hard for our guys to throw up wind. AUSTIN KATES was all over the field throwing and catching touchdowns. REID KANTER came into the game with intensity and was ready to play. He took it upon himself to run and guard which ever player from Kawaga caught the disc. Great defensive plays were made by ISIAH RUBIO with great speed and courage. He was ready for anything. We lost the game 6 to 5 in the last 30 seconds, but it was a great battle through and through.

13 & Under B Softball

-Jeremy Kohlenbrener-

The 13 and under B Bomber softball team had one thing on their mind when they took the field at Kawaga: "We will win," and they did just that. LENNY BLOOM played like a flower in full bloom (i.e. really well), DANIEL "BEAUTIFUL SOUL" NOWAK played out of his mind as did ERIC "EZE" JACKSON, RYAN LOVETT and ERIC WAGMAN. Along with JOSH KOHLENBRENER and the rest of the team the runs just kept piling up. Eventually it was too much for Kawaga and the slaughter rule ended the game early. Way to go Green!

Cement Signing -The Editors-

Yesterday everybody was called from their activities to participate in a long standing Menominee tradition, signing the cement! Everyone took it in turns to put their names and number of years they have been coming here on their cabins assigned

piece of cement which had been laid by TOM and LUDEK earlier that morning. This has been an annual event for

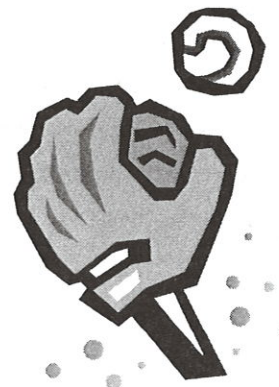

years now and if you walk around the camp you can see signings going back decades. Its exciting to know that we are part of

Menominee history and that our names will be here as long as Camp Menominee is here. We are sure that this will serve as a brilliant reminder for everyone next year about all the fun times we had this summer!

11 & Under B Softball -Nic Doherty-

11 and under B softball started with Menominee on the field. With some good pitching from AARON KAMEL Menominee stopped Kawaga scoring for the first 3 innings. MATT BERCOW and ADAM SLUTSKY got some great hits however. Kawaga never made a mistake and the score after the third inning was 0-0. The fourth and fifth innings followed suite with some great defense from AUSTIN RUBIO and JON HEISER. However, in the sixth inning Kawaga scored 6 runs taking the game out of reach for Menominee. The final score was 7-2 Kawaga.

16 & Under C Softball

-Ross Festenstein-

The Softball gods looked favorably upon the 16 and under C Squad as they took on the team from Kawaga. Perhaps it was the burnt offering before the game or BRANDON RUBIN'S blessing or even DYLAN KRAMER'S decision to go commando, but none-the-less the Men in green came out Firing and came out on top 15-5. VICTOR RUDO and GRANT SPATHIS led the way, SAM DUBBS and MATT COLE crushed the balls between the legs of the Kawagans, ERIC MANN and MAX FOREMAN creatively acquired the pop ups hit to them; COREY PASCAL and JEFF BLOCK used their Jedi mind tricks to frustrate the opposing coach and DYLAN KRAMER just looked very good pitching. JASON SCHWARTZ added great support from behind as catcher and ALEX LOIBEN destroyed second base. TYLER BOUDART sealed the deal after boosting the other teams self esteem and allowing a few walks. It was a game for the history books!

16 & Under C Soccer

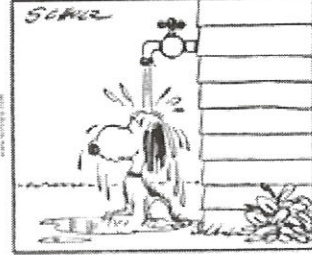

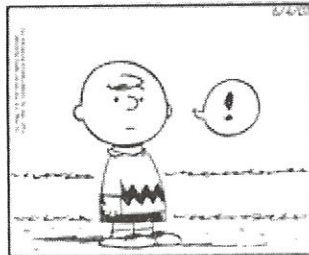

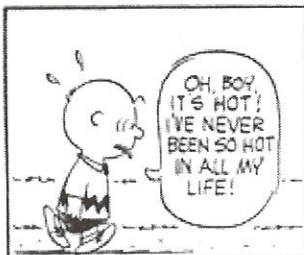

-Jordan Stone-

It was a hard fought battle on the far pitch as the 16 C Soccer team came up just short against the Braves. At first, Camp Menominee came on strong with a goal, but after a few good shots from Kawaga, Menominee was down 3-1. At that point, DAVID "MIZMESS" MIZOCK came in as goal-keeper and kept the Kawaga offense quiet for the rest of the game. On our side ALEX MUSICK and ROSS AGREST led the offense up field while BRANDON FRISCH and JEFF BLOCK commanded the mid field. KEVIN DANN JAVIER CERVANTES DELGADO and JACK "CLICKER" BARCH also played excellent defense throughout the game. Special shout outs go to MATT JAFEE, COREY PASCAL and JASON "THE JANDYMAN" SCHWARTZ for excellent play off the bench. The lucky can-teen number is 224. Excellent effort all around and I'm confident we will take them down next year.

Running for Glory

-Nick Holtzman-

Running, for some a punishment for others a chance a clarity. Running is something that everyone can do, but few choose to. For some it's a chance to compete, for others a chance to relax. For me, someone who has been competing for most of their life, running no longer becomes a sport or about time. It becomes a chance to clear one's mind. In a time when technology rules all and our health becomes secondary to our jobs, running gets put on the back shelf along with eating healthily. However, there are a few people left in this world who are striving to save themselves from the onslaught of physical decline. This number of people becomes fewer each year. Stories of old claim that 60 plus people used to run Doc's Run compared to today's 32. However, these few people have done what none have done before from running Doc's Run backwards, like JAKE HOCKMAN and ROSS AGREST, to JEFF GOLDBERG who came in second above a number of counselors or MILES BEAUSEIGNEUR who fought harder than I ever could at his age. Then there is JAKE FISHMAN and ANDREW MERHOLZ who show as much potential at their ages as the Great ALEX SYKES. So, maybe all is not lost, so long as a few strong willed exist in the world, hope is not lost. Maybe they will inspire us all as the once great STEVE PREFONTANE did. Maybe a new wave of self-worth will take over again and a new storm of fitness will encourage us to be better than we already are. Until then I look to the younger generations in hope to see a glimmer of tomorrow.

Menominee Masters

-Ross Feldgreber-

The sea was angry that day my friends, like an old man trying to bring back soup in a deli. Like brave soldiers, the three finalists DANNY GUBIN, ELI BERNICK, and DAVID RIBOT took the course prepared to fight for the final goal of receiving the Green Jacket. The first couple of holes were neck and neck until DANNY GUBIN made a huge birdie chip on the par 3, following it up with 2 pars. Going into the final hole (9th) GUBIN had a five stroke lead on BERNICK. The hole was a long par 5 up hill. Once finally reaching the green, BERNICK was behind only one stroke. GUBIN then hit a clutch putt to hold his lead and just barely pull off a victory. All the players had great rounds and it was a well fought battle.

5 Year Celebration

-The Editors-

Today we are celebrating the fact that over 60 people here at Camp Menominee have devoted significant amounts of their lives to the place so many of us call a home away from home. It is a huge commitment to dedicate this amount of time to something and we are glad that so many have chosen to do so. With a total of 66 members this year it proves that Menominee is more popular now than ever!

Menominee Five Year Song

Here's to Camp Menominee,
 May she live forever.
 May we always faithful be,
 And our bonds ne'er sever.
 Though our trouble may be nigh, boys,
 With our standards raised on high, boys,
 We'll be loyal to Menominee.
 Ever loyal to our Camp,
 Menominee.

Happy Birthday to Matt Cole, we hope you have a fantastic day!

Let's make a deal -The Editors-

On Saturday evening everyone dressed up crazily and piled into Wass' Hall for Let's Make a Deal!

There were some awesome prizes up for grabs including, Free Canteens, Pizza Parties, Macdonald's breakfasts and good old fashion-

ioned money. There were also the usual load of booby prizes which included a log, an old life jacket and an empty soda can.

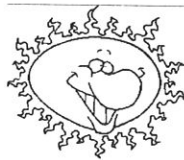

ELI GREENSPAN,
DANNY GUBIN,
DAVID WEITZMAN,
SAM BLOCK,
VICTOR RUDO and
JORDAN SILVER
were STEVE'S lovely assistants for the night and they did a fantastic job of handing out the prizes. KEVIN DANN won a pizza party for Cabin 6 and DAVID BLECHMAN won \$10 to spend in town the next day. It was a great night and everyone had a lot of fun. Even if they didn't get to make a deal they got to dress up like idiots which is always worth a laugh!

Town Day -Josh Tolmatsky-

Town day this year was a blast. It was a beautiful day to head to town with clear skies and a fresh breeze. The boys from Camp Menominee arrived in town around 3 o'clock and for the first couple of hours everyone went around sampling the delights that Minocqua had to offer. Some popular stores were: Toyland, Book World, Pakerland, Glicks, Happy Daze, Dan's Fudge and many more exciting places. People bought everything from fudge and pop corn to hats and shirts and even other more unusual things like Floam. Now if you walk around camp you can see numerous people wearing hats from Pakerland including ADAM CHICK who bought a KU Hat. NATE BLOCK bought some chocolate fudge (which he did not bring back to camp of course!). After a few hours in town everyone made their way to the lakefront to watch The Minocqua Bats perform in a water ski show. Unfortunately we had to leave half way through to get back to camp. It was a great day out which everyone enjoyed, Thanks BARI and STEVE!

THE GREEN TEAM WINS!!

Yesterday saw the conclusion of the monumental Green and White Competition! After about a week and more than a dozen challenges the 2007 Green and White Competition came down to the All-Camp from running, gets, and even active partici- team's sock, the climbing camp making and hitting three activi- their canoes and return to

Relay. The Relay's events included everything to rowing, climbing, building fires, shooting tar- carrying tomatoes on spoons. All the while the pants had to of course, maintain a hold on their this being more difficult in activities such as wall and wakeboarding. Campers juttet about beds, changing clothes, collecting firewood, softballs. In the end it really came down to ties. Two members of each team had to board row across Sand Lake to the bridge and back our beach before the other team. After this

was finished each team had a great challenge ahead of them: boil a coffee can of water that was hanging above a fire pit. MATT COLE and ADAM SLUTSKY built a fantastic fire boiling their water in record time. When the fires were ready to be put out it all came down to the Water Balloon Challenge. Both teams took their posi- tions from the waterfront up the hill to the flag pole and had to carefully drop the massive water balloon into the next person's hands. The Water Balloon Race was neck and neck as both balloons come over the hori- zon of the hill. Although the race was close the entire

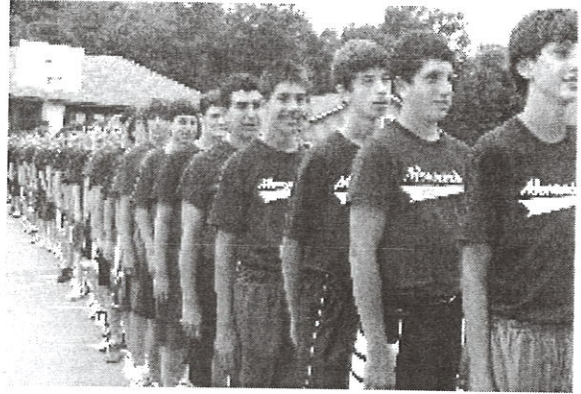

time, the Green Team managed to get their balloon to the flag pole first, winning the All-Camp Relay. This win left the Greens not only as the winners of the Relay but the entire Green and White Competition. Of course the Green Team ran down the hill, cheering and roaring, as they followed their captains TYLER BOUDART and JAKE HOCKMAN into the lake. White captains, MATT COLE and SAM "DUBBS" WEINSTEIN cheered their team on until the very end, and after bursting their balloon headed to the lake themselves!

ALL CAMP SING

After many rest periods being sacrificed for practicing, both teams were ready for the All Camp Sing. Wass' Hall was silent as the Green Team took their seats. The Whites marched onto the stage and sang their hearts out. After finishing they marched proudly back out to the basketball court. The teams then switched places, Whites sitting respectfully and attentively and the Greens lining up on stage. The Greens sang with determination in their eyes. When the scores were totaled the Greens got what they deserved, all their practice and discipline had been worth it. Congratulations to both teams for an awesome sing, way to go Greens!

Food of Champions

-The Editors-

Today has been full of great food! We woke up early this morning so everyone could get stuck into Twilight League Championships, so we skipped breakfast and instead had a huge fest known as Brunch! With bagels, locks, eggs and many other things it was a great change for the last day of camp. But the fantastic food doesn't stop there, because tonight we are having the much loved last night banquet which will be full of great food including the renowned Menominee Baked Alaska. Lucky we're having so much fun exercising today because with all this amazing food we could be going to bed a few pounds heavier than when we woke up this morning!

FIELD DAY

Field day 2007 was a complete success! Both teams gave it their all competing in Soccer, Softball, & Basketball. At lunch the score was in favor

of the Whites, the Greens had to win all the remaining events to win. Unfortunately for the Greens they didn't manage it and the Whites pulled out ahead. This gave the Whites 2 points in the Green and White competition making this years Green and White extremely intense. Everyone competed well and had a fantastic time, great job everyone!

Weather at camp

Thursday 9th August:

Thunderstorms in the morning with temperatures reaching 82°F.
