2013 ANNUA

Dear Reader.

Over the duration of this summer at The Friendly Confines, an activity-packed, fun-filled adventure has been had by all, and unfortunately for this year it has come to a close. It seemed like only yesterday when campers were rushing off the buses with excitement and ready to have a great time.

There have been so many memorable events this summer that will never be forgotten, including Green and White, British vs. American, socials and our competition with Kawaga.

I would like to give a big thank you to those individuals that have contributed to the Megaphone this year, whether it be writing articles or conducting interviews. A special mention goes out to BENJI FRIEDMAN, LEVI PASIKOV, DANIEL MALIS, SAM GOODMAN, ANDREW MILLER, JAKE GOODMAN, JAKE CZUPEK, JAMES POPLAWSKI, TYLER BORSTEIN and WALKER NELSON for being part of the Megaphone this summer, and putting a lot of time and effort into their stories. Another big thanks goes to WOODY, who cleaned out grammatical errors and mistakes to ensure the Megaphone this year was the best it could possibly be. I also appreciate the contributions from ZACH HOTT, JOSH STONE, SAM KOGEN and NOAH PODOLSKY, who spent their time helping out with our own radio station WMEN; conducting interviews and debating sporting events.

The Megaphone is a compilation of documented memories, and I hope campers, counselors and staff can look back on this 2013 annual to appreciate what a great summer it has been for everyone. It's been a blast being the editor of the Megaphone this year, and on behalf of the administration, we hope to see you again next year!

> Yours Sincerely Chinmay Javeri Megaphone Editor 2013

Welcome back campers!

Welcome back to the 86th summer here at Camp Menominee; and what a great one it will be! Expect fun-packed days and even better nights at the best camp in the Northwoods! STEVE, BARI and EVA along with the rest of the Menominee family welcome all faces, old and new, back to the friendly confines for another long-awaited summer of adventure. A big thank-you to all the staff who have been working hard to get the camp ready for you guys to enjoy. Menominee has been prepped up and is ready to go! There have been a lot of great changes around camp, of which the most obvious is the great new staff. When you see one of them, be sure to give

them a welcoming hello. Perhaps the best addition here is the brand new Tramp Ball court that will have you bouncing around this summer. Thanks to our year-round caretaker TOM FEDDERLEY, cabins 8, 9, 10 and 11 all have brand new roofs, new faucets AND new bathroom floors. Those of you down by the waterfront will notice that the pontoon boat has a new motor, meaning even more fun down at the lake. Celebrating a huge milestone, KOZ is here for his 40th year at Camp Menominee. STEVE will be participating in his 32nd year at camp, and WOODY will be starting his 23rd. With the Menominee family ready, this summer shaping up to be the best yet!

A new year, a new editor!

Hi guys, my name's CHINMAY JAVERI (you can call me CHIN) and I'm excited to be the new Megaphone editor this year. After waiting months I'm finally at Menominee all the way from London, England. I'm very excited to be involved with the Megaphone this summer. I'll be looking for lots of stories and contributions from campers and counselors alike! If you have any questions about the Megaphone, please ask me. Remember, there's no such thing as a bad question!

Fathers and Sons Weekend

These past few days have been dedicated to hosting our annual Fathers and Sons Weekend, a combination of competitive activities and a lot of fun! This year, 125 fathers and sons groups travelled to camp from all over the States! The highlight of the weekend was undoubtedly the Capture the Flag game between the GREENS and the WHITES. The GREENS were certainly the dominant team, but when the counselors joined in, the tide turned in favor of the WHITES. The final game had reached an impasse, with the WHITE team so close to getting their flag over, when a sneaky move by the GREENS allowed them to take the flag back to their side unnoticed. We also took a group picture of the fathers and sons, and staff to commemorate the entertaining weekend, with everyone smiling and shouting "MENOMINEE". On Saturday, the 'Egg Drop' and 'Steal The Bacon' took place, along with golf, softball, archery, riflery and arts & crafts. Everything we could do we did do. What a weekend!

All Settled In Fdition

Tuesday, 18th June 2013

Everyone's settled in!

After a busy two days hard at work getting everybody ready for camp, the campers are finally settled in. All cabins are as clean as a whistle and have been dusted from head to toe, and now look more like home! A special mention to JACOB SMITH, who rounded up his fellow campers after wake up and encouraged them to clean with him. Great job JACOB! Remember campers, as WOODY always says, use your initiative and camp will be a much better place!

All of the campers that arrived yesterday were greeted with an amazing welcome by all of the counselors and campers that arrived before. The welcome was full of jumping, chanting, singing and laughing as the campers scurried their way under the hand-bridge and onto Menominee soil. It was an awesome atmosphere, with everyone joining in on the fun. The whole team made the arrivals feel welcome in their home away from home, and back with the Camp Menominee family.

When everyone had moved in, it was onto the mammoth task of unpacking! Counselors and campers alike teamed up to get their stuff neat and tidy so it looks good for cabin inspection. Sports gear, clothing and all kinds of books had to be shelved and ordered. Great job to all cabins on this one, they're all looking good and definitely more camp-like. With all campers and staff set for this summer, its time to get the fun started!

A very happy birthday to JACOB 'BALLS' BARSTACK! Have a great 18th Birthday!

Candy Party!

Some say it was the highlight of the day, and it was most certainly the most memorable. There's a rule in the cabins that no food is allowed, as we don't want those nasty bugs lurking around when we're sleeping. The solution was that all of the cabins had brought their leftover food and candy to Wasserman Hall, where everything was shared in four minutes of madness. Before we started, TOM and PAM ADLER's trained sniffer dog LEON checked to see if anyone had hidden candy in their pockets, and found that TERRY JONES and JULIUS ONI both had candy stuffed in their pockets. Unlucky guys! At Menominee, we're into inclusion and not exclusion, and it was great to see all cabins sharing out their candy together. Nice work Menominee!

Getting Ready For Activities

By Chinmay Javeri

On Monday afternoon, the campers chose their 'Final Four' activities. This is a selection of four instructional activities that you campers will follow for the next few weeks. These activities are there to help you get better, and to teach you new things. The list to choose from was large and varied, and everyone was spoilt for choice this year. Archery and Riflery was a big favorite, along with Baseball and Softball. Climbing was also quite a popular choice, especially for you thrill-seekers that love zip-lining down from the wall. There's a lot to do here, so be sure to pick new sports next time!

Tramp Ball is here!

Tramp Ball has finally arrived, and the new courts are looking great thanks to the hard work from TOM FEDDERLEY and JOSHUA BULL. STEVE declared the new courts open by cutting a green ribbon, and explained the rules to everyone. The trampolines are for Tramp Ball only, no flipping! The new sport adds to the variety of sport and activities that are here at Menominee, so make sure to choose it for General and try something new!

Wakeboarding at the Waterfront!

By ANDY SCHOFIELD

Today at the waterfront, the activities were full of great fun and enjoyment, as well as a lot of amazing achievements! Veteran wakeboarder and skier ETHAN WAGMAN was sporting his skills like a professional, darting around the lake like nothing could stop him! An extra special mention goes out to both BRANDON PTASZNIK and JONAH JACOBS. Not only did they get up on two skis for the first time, but also went around the whole lake. Great job guys! I had the pleasure of accompanying the famous fisherman MAX WEINGARDT in the boat, hopefully he'll teach me a thing or two some day. I look forward to seeing many more awesome achievements like these all summer, and I'm really impressed by all the guys that joined us in the waterfront today. Go Menominee!

Tomorrow's Weather

Rain or shine, we still have fun!

Cabin Clean-up

For those of you who have been to Camp Menominee before, you'll know the importance of cabin clean-up. Every cabin is inspected by Nurse DAWN to make sure that everything is in great shape, and then marks it out of 100 based on separate categories. Cabins are marked on floors, beds, shelves, bathrooms and the grounds around the cabins. The cleanest cabin will get to take a trip to the wonderful Dairy Queen. What a treat! Make sure they're all clean if you want a trip to DQ! Congratulations to Cabin 13, scoring a massive 82 points today!

Shootin' Hoops

By BEN ELLINGSON

Today at Basketball there was some fierce competition out in the courts, but some really close games were played and everyone gave it their all. JONAH JACOBS was showing his skills in the match, displaying good lay-ups to the hoop and smashing those three pointers. TODD LAZARUS also had his head in the game. He played some excellent mid-range jump shots and looked out for his teammates with some very well placed passes. If a teammate missed the hoop, NOAH LAZARUS was there to set it straight, and got a lot of vital rebound shots in the game. If dribbling skills were to be mentioned, then NOAH PODOLSKY was on top of his game. He dribbled through players and made some great shots too. Everyone on the court showed sportsmanship, which is always the best way to end a game in all circumstances!

Campsite Crazy! By TYLER BORSTEIN

Yesterday, our cabin (Cabin 4), went out into the woods and went looking for a campsite. As we were searching, we kept finding camps that other cabins had made in the years before. CHARLIE RATTERMAN, DYLAN SCHWARTZ, WALKER NELSON, SAM GOODMAN, ETHAN HOTT and BENJI FRIEDMAN were with me, alongside our counselors.

We managed to find a campsite that was quite close to the road, even though it was Cabin 5's campsite from 2005. We didn't really want to destroy it, so we decided we would upgrade it to make it look really good. We all decided to make a fort in the middle of the site, to hide in incase anything was nearby. ELI BERNICK thought it would be a great idea to make the number '4' out of sticks, so people would know its our campsite. CHARLIE RATTERMAN, DAVID HULSTEDT and CONOR MURPHY worked the hardest out of all of us and managed to do the most work in the time we had. I discovered a stick that looked exactly like a historical machine gun, but DAVID said I ought to put it on top of the fort to cover the gaps.

Just as we were really getting into building the campsite, Woody called out all lifeguards to the waterfront so CONOR had to go back, and we followed. Our campsite is looking awesome so far, and is the best out of all cabins. I can't wait to finish it!

Twi-Light Returns!

By CHINMAY JAVERI

Wow, what a surprise this was! It started when we were all sitting in the Mess Hall eating dinner, and STEVE wanted everybody to head outside to the Tramp Ball courts to discuss some rules. Whilst STEVE was discussing the rules, counselor DAVID BLECHMAN turned roque and started shouting back, leading to the unveiling of the almighty Twi-Light League trophy!

Most campers and counselors alike were in shock, but the crowd cheered and roared once the news had finally sunk in. An amazing way to begin this year's sporting league. The leagues ahead are some of the most competitive and most fun sporting events that the camp has to offer, so be sure to get involved and join in on the excitement!

Tick troubles and riflery!

By LEVI PASIKOV

It was a really sunny day in the Michigan Final Four activity period, so ISAAC JARMAN, DAVID MIZOCK and our riflery group headed off to the woods, and it was like a mini field trip. We were only allowed in a small section of the woods and we couldn't go in too far. When we came back to the grounds, MIZ found a tick on his leg when showing us how to load a gun. He tried to flick it off but it wouldn't let go! He had to visit Nurse DAWN to get it off. That's the reason why we wear long pants and when we go into the woods! ARMAN DHANDA, KYLE MION-SPIESZ, WILLIAM ISAAC and I were all laughing. It was a great day!

The Final Four: Explained

By CHINMAY JAVERI

The Final Four is based on the NCAA basketball league, and is the collection of the last four teams that remain in a playoff tournament. This year, the teams are Louisville, Michigan, Syracuse and Wichita State, At Menominee, the Final Four has been present since 2008 as instructional activities.

Fishing Frenzy!

By JAKE GOODMAN

In the Wichita State activity period during the Final Four, TOM MARINE, REID KANTER and MAX WEINGARDT were out on the waterfront fishing on the pontoon boat. They had a lot of patience as the waves were quite rough, with MAX quoting "I just stood and waited", when being asked about his fishing techniques. The group had been fishing for only five minutes, and REID was already clueless. However, with MAX and TOM's long term fishing experience, everything was fine. TOM's wise words about fishing were "patience is key" and remember to "cast out far" (the fishing hook). CHASE WEIMAN was also down at the waterfront, training hard for the skiing competition against Kawaga. Even though it's probably too early for that, CHASE says that he's going to beat Kawaga, no matter what it takes!

The Twi-Light Highlights

The Junior Twi-Light league opener was a match not to be missed.

It all started on Diamond 4, with a game between Team GOODMAN and Team FARBMAN. Team GOODMAN got off to a huge lead in the 7th, with the difference increasing to 8 runs. However, Team FARBMAN weren't going to be beaten that easily. Fierce competitive hitting by COOPER SPECTOR, ILIAN FARBMAN and DYLAN SCHWARTZ managed to close the everincreasing gap down to only 3 runs! NOAH BEN-ISVY played tremendously with some solid defense work that really aided the team. (Lucky Canteen no. 127)

Despite all the effort put in by Team FARBMAN, Team GOODMAN came out on top, and the final score was 15-12. A very special mention goes to BRETT WEISS, who won Most Valuable Player honors for the match. He went 6 for 6, completing 4 home runs and 2 singles. He's now on a 3.0 slugging percentage. Nice work BRETT!

Although Team FARBMAN had lost the game, everyone that had participated had given a lot of effort. The display of sportsmanship will also not be forgotten, and it seems that this year, the Twi-Light league has got off on the right foot!

By TERRY 'TJ' JONES

In the Junior Twi-Light league, it was a Softball extravaganza! All the action took place on Diamond 4, where ILIAN FARBMAN's team faced off against NOAH PODOLSKY's team. The action was pretty intense, with team FARBMAN getting off to a very early lead. The score was 9-3 at the time, with the help of NOAH BEN-ISVY and JOSH GOODMAN. However, the game was not over, and ETHAN HOTT along with SAM GOODMAN would not let their team go down without a fight. PODOLSKY's team got within three runs of the opposition, but unluckily that's the furthest that they would get. Clutch hits by LEVI PASIKOV and COOPER SPECTOR widened their ever-increasing lead, and team

Basketball Bonanza

Basketball leagues got off to a great start on Wednesday, with both seniors and intermediates raring and eager to play. Firstly everyone started off with round robins to determine seedings for the upcoming tournaments. ETHAN WEISS led team Ronald McDonald to three victories. Nice work ETHAN! Next up, it was the intermediates turn. This time, BRETT WEISS and ZACH HOTT led team Vanessa Hudgens to a sting of victories over both team Hilary Duff and team Ashley Tisdale. Despite the hilarity of their team names, they all played a serious and competitive game. Some good overall play by JACK RATTERMAN helped the team win those vital games. In other basketball news, NOAH PODOLSKY pulled off the upset of the century, defeating counselor BEN ELLINGSON on an NBA-style three pointer, and earning himself a free canteen! "I really thought I had that game in the bag, but NOAH is just too good" commented ELLINGSON after his loss. "It's going to take me a while to get over this, I may never play basketball ever again". On a very rainy and windy day, in the Syracuse activity period, a tense game of Beach Nucomb was underway! The aim of the game is to throw the ball over the net, and the other team has to catch it before it hits the ground. You can only catch it for three seconds though! There are two teams, Team ANTS and Team HELI's. The final score is 18 - 13 to Team ANTS for the first game, and SAM GOODMAN, MAX BEERMANN along with DANIEL MALIS celebrate their victory in style. For the second game, MAX heads over to the Team HELI's to switch with DAVID ROSARIO to even out the game. With some really impressive shooting from MAX, the score of the second game is 11-3. The Thunderstorm: A First Hand Account

Yesterday morning's thunderstorms were quite something extraordinary. I was awoken by a screaming sound. Trying to figure out what had happened, I looked around at the windows. Outside the window, rain was pouring down hard. It all seemed really calm, and then suddenly....BOOM! I didn't catch the lightning, but it was still kind of scary. The other campers in my cabin seemed pretty scared too. The wind had blown one of the windows open and the wind was really strong. One thing that was weird was that every time the wind came through the cabin, it opened the spring door outside and made a "BAM!" sound when it slammed shut. Although it was quite a scary time, everyone in the cabin laughed afterwards. I'd say this was a funny experience to me.

Woodwork and the start of Cabin signs!

By ANDY PRATTENT

Today's General activity period consisted of some great and constructive arts and crafts work, and everybody involved was hard at work. The task on schedule was to make unique cabin signs out of woodwork. Working with wood is always a popular choice with the boys, and today was no exception. TODD LAZARUS was hard at work creating a sign for Cabin 6, whilst JAKE GOODMAN somehow managed to glue his hands together. The boys from Cabin 6 all teamed up and created a mini plaque, whilst JUAN GIRAULT relaxed comfortably whilst making his sign in the studio. Hopefully in the near future, the Arts and Crafts department will be able to start on some awesome projects, such as working on sketchbooks and even making their own prints.

Final Four Tennis Training

Today in the Final Four Tennis activity period of Wichita State, four campers were working away hard at their tennis skills to try and up their game.

An intense serving session held by TERRY JONES was underway in an effort to hit a perfect serve every time. NATHAN FRIEFIELD was found on the court at the time, and his serving success percentage had improved to 70% when considering the entire session. LEVI SCHULMAN and ALEX FORMAN were also found on the camp courts, and were making sure that their serves didn't pass the designated box.

As the famous saying goes, practice makes perfect! So keep up the hard work guys and you'll just keep getting better.

Speedball gets off to a flying start

It was raining, it was pouring, but of course there was no one snoring! After a thorough explanation by the legendary KOZ, the Seniors gathered on the near pitch whilst the Juniors flocked to the far pitch. The game itself is similar to a combination of soccer and basketball, along with a slight hint of American football.

The Juniors had the obstacle of long grass standing in their way on the playing field, which was a challenge to overcome. "Our strategy got thrown off a bit", TYLER BORSTEIN was heard saying. With some quick and smart plays by NOAH BEN-ISVY and ISAAC WEISS, the team

Hard decision-making at Primetime

bearing the pink wristbands took an early lead of 8-0. However, by the start of the second half, the nonwristband team had fought back, and their large lead had diminished to 12-6. With a six point game at stake, neither team could afford to slip up. Some points and steals by ETHAN HOTT and BRETT WEISS allowed the non-wristband team to surge back into the game, bringing the score to 14-10, a close 4 point gap. The pink wristbands then retaliated, and pulled away without looking back. With the final score being 20-12, the pink wristbands sealed the deal as the time expired.

Non-wristband team member TODD 'The Mighty' LAZARUS said; "My goal tending was backed by the effort of my teammates", and it really did reflect in the final score of the game. Great fun was had by all, so expect to see Speedball coming up once again very soon By DAVID 'MIZ' MIZOCK

Primetime craftsmanship

The best kind of day is a lazy Sunday, and Primetime is always really enjoyable. Sunday's primetime activity was Arts & Crafts, along with ANDY PRATTENT, CHINMAY JAVERI, ZACH SCHWARTZ, CHASE WEIMAN and JAKE GOODMAN.

We all had a lot of fun. ANDY was on a mission to get dried paint out of a tin can, that looked like it had been there for years, whilst CHIN was sitting and drawing some artwork. Once again, JAKE GOODMAN had managed to glue his hands together and ZACH was using hot glue to craft something out of nails. Whilst all this was going on, CHASE was too occupied with pushing a plunger to the ceiling, hoping it would stick.

Towards the end of primetime, CHIN painted a beautiful picture of a cat named 'Mr Cat'. You can find it hung up in the Arts & Crafts department, but please do not remove him! It was the most fun I've ever had in Arts & Crafts, and CHASE was dying with laughter when the extra paint from CHIN's picture made it look like 'Mr Cat' was crying!

Campsite Revival: Cabin 4's adventure

The best type of day is a lazy Sunday. There's no work to do, and the fun doesn't end. Cabin activities had led the family of Cabin 4 to work on our campsite.

DYLAN SCHWARTZ, TYLER BORSTEIN, BENJI FRIEDMAN, SAM GOODMAN, ETHAN HOTT, WALKER NELSON, CHARLIE RATTERMAN, CONOR MURPHY, ELI BERNICK and I all headed off towards the softball pitch and into the woods. Firstly, we all gathered wood for our campsite as we needed to light a fire later on for our hotdog cookout. However before we did that, I taught the cabin about fire safety, and expressed the dangers of playing with fire.

ILIAN FARBMAN and ALEX FORMAN enjoy their hotdogs!

Demonstrating the importance of this through personal experiences,

everybody gathered in and listened intensively. It's great to know our family pay attention to the most important details, and all the campers did a great job of understanding the situation. We made sure to clear the surrounding area of any debris before we lit the fire, just in case the fire spreads out.

To start the fire, we started off with a 'teepee', along with some paper as a wick so the fire would spread quicker. To build the fire, the campers carefully placed increasingly larger sticks around the area to maintain a large flame. By this time, the kindling was truly alight and the fire was burning bright. The cabin had a great time doing hotdog cookout, and sitting by the fire together as a family. I can't wait until next Sunday!

ETHAN HOTT beat me, the camp's own cripple (TOM MARINE), in style. The final score of that game was 2-0 to ETHAN, outscoring me 11-9 in the first game and 13-11 in the second. ETHAN also went on to beat DANIEL DRISCOLL 2-0, proving his ping pong skills. It was then JAKE GOODMAN's turn, with a game against ZACH. The match went into 3 games, however ZACH came out on top, winning the final game 11-7.

The final game of the session was a match in a 'HOTT' environment, as the two brothers faced off against each other in the championship match. Despite ZACH's age, ETHAN came out on top, edging the third game from his brother's hands. What a match to finish on!

The Waterfront's Finest

Today, during the Wichita State activity period, WALTER NELSON, ANDREW MILLER and JAMES POPLAWSKI decided to interview the waterfront director, KOZ.

It was very sunny outside, so the waterfront was packed with people having fun. KOZ said to us that this is his 40th year at Camp Menominee, and he's enjoyed every year! KOZ went on to say that even when he was 12 years old, he wanted to become a lifeguard, and here he is now, controlling the waterfront at camp. All those years ago, when KOZ first arrived, a lot of things were different. Many things had changed, such as

WALTER NELSON, JAMES POPLAWSKI and AN-DREW MILLER at the waterfront!

the facilities and the activities. Although there have been many changes at camp, KOZ says that many things have also remained the same. For example, wind surfing has been present at the waterfront for 20 years. KOZ said he loves bikes, and we have seen him on his scooter many times. His favorite bike is a Honda 450 Nighthawk, and we think it'll be really fast. We also asked KOZ about 'KOZ's HOUSE', and the history behind it, and he said that it was renamed 15 years ago. Before that, it was just called 'The Bathhouse'. When it comes to football, his favorite team is The Shipbuilders, which is a team that we have not heard of before. KOZ always talks about safety at the waterfront, and said how the Buddy Board system had started a year ago. However it wasn't a new invention, and something similar had been in place in previous years.

By WALTER NELSON, ANDREW MILLER and JAMES POPLAWSKI

The score's on the board

In the Major League Shuffleboard activity, a pair of heated matches was just about to take place. The first match was between JOSH KRAVITZ and ADAM SAGERMAN, and JOSH completely swept the floor with ADAM, winning the game 14-0. The next game was more promising, with ADAM scoring some points, however he kept overpowering his shots. JOSH won the series 2-0.

Next, it was a much closer series between TYLER KOEHLER DAVIS and DYLAN DRISCOLL. In the first match, TKD took a very early lead, scoring a solid 8 points, however his follow up shot was not so successful, getting him a whole 10 points knocked off his total. DYLAN looked pretty smug about the situation, until his next go. He also managed to get a negative 10, however this didn't bring him down. He continued on a high and managed to close the game with 14 points in total, making him the winner.

The second game of the series involved a very close score. DYLAN went first, getting 8 points, and TKD followed with the same score. In the next turn, the same phenomenon occurred again, and DYLAN's score of 7 points was imitated by TKD. Despite the level scores, TKD managed to edge the game by 1 point in the last go, bringing the series to 1-1.

The two counselors that were coaching the sport were DAVID RIBOT and COLE NEUMAN, and both seemed to be giving great advice to those wanting to improve their softball skills. When it came down to specifics, the group were working on throwing the softball from third base to first base. TODD LAZARUS was out there, eager and listening, and managed to throw a perfect ball from the third base. Great job TODD. TYLER BORSTEIN was up next, however his throw from third base to first had landed just short. Maybe next time TY!

The next player up was BENJI FRIEDMAN, who seemed to give it his all. His first throw proved troublesome, however, his next one was perfect. It landed exactly on first base!

CIT Trip Edition.

Friday, 28th June 2013

The CITS hit the Dells

On a fine Monday morning, the CITs along with BARI, STEVE, EVA and TONI set off to the Wisconsin Dells in the camp's white van. At this point, nobody knew what was planned, apart from the fact that we were heading to the Dells, the water-park capital of the world.

After a lot of good story-telling, sleeping and food stops, we arrived at Lake Delton. The familiar face of ANDREW BLECHMAN had intended to meet our group at the Dells, instead of travelling with us. True to his word, we found ANDREW at our lovely hotel, 'Mykonos Village Hotel'. BLECH was there, seen unloading his famous golf clubs from the Audi he travelled in. After getting settled in, we wasted no

time at all getting over to the Mt. Olympus theme park! They have a Greek theme in place across the whole park, which is always cool to see. Our favorite ride was easily 'Hades 360'. It features drops, loops, and even takes you underground. All of this at over 70 miles per hour!

To finish off a perfect day, we ate some snow cones and 'Uno Pizza', whilst watching the Chicago Blackhawks make history. After plenty of celebrating, we slept in and woke up to a generous breakfast from STEVE and BARI, which we all appreciated a lot. In hopes that the weather might hold out, we headed over to Noah's Ark water-park. Luckily it wasn't busy at all and we pretty much got to every single ride. NATHAN 'NATE' FRIEFIELD said he loved 'Black Anaconda', which is essentially a rollercoaster that rides on water. When we were there, we also met some interesting and friendly people, which is always nice to experience on a trip such as this. We met DOGA from Turkey, although we're not sure how to actually say his name, we just sort of repeated what he said. It's most definitely the wrong way of saying it. JUSTIN SCHOENEMAN got a real kick out of the giant wave pool at the park. Soon after a lot of fun, the day was over, and we hadn't even realized it. We didn't want to leave, but we had to head back to camp.

Overall, the CITs agree that this was an amazing bonding experience with STEVE and BARI. We also think that EVA is hilarious! Thank you STEVE and BARI for taking us on this fantastic trip. We all had a great time, with great laughs, great food and, most importantly, great memories.

The Social Surprise!

On an ordinary Wednesday afternoon, just after dinner in the Mess Hall, STEVE had called all cabins into Wasserman Hall. The general idea across camp was that it would be another meeting, or an announcement of some sort, but we were all so wrong! STEVE then announced that we were going to have a social with AGAWAK! The noise that erupted from the room was something that all new campers and counselors had never experienced before. It was truly amazing. The cheering and chanting went on for a few minutes and everyone was on their feet. It was great to see the camp together in high spirit.

ETHAN HOTT at the AGAWAK social

We were all sent down to KOZ's House by age group to get ready for the social, and the leaving time was set at 6:45. STEVE had set the theme of the social to 'mismatch', so we all had to dress in clothes that didn't look good together. Special mentions go out to COOPER SPECTOR and ANDY PRATTENT. You guys really made the effort and stood out from the crowd1 Soon enough, the time came round, and all of camp Menominee were set to go on a camp vehicle or the brand new hired school bus that we were lucky enough to get!

The bus ride to AGAWAK didn't drop the excitement levels. Camp chants and cheers swept the bus, with the team from Cabin 10 really getting into the sprit and initiating the chants. After the 45 minute drive past Minocqua, we had finally arrived to camp AGAWAK. We all got off the buses and walked up to the main hall, which was big enough to accommodate both camps! Friends were reunited and family members were conversing. Music was blaring out of their main hall, with the stage being a makeshift dance-floor. It was a really enjoyable time, with campers and counselors alike having a lot of fun. The counselors especially appreciated the song choice of Baauer's Harlem Shake, shaking the stage like nothing else!

The team at AGAWAK were also nice enough to provide snacks for the Menominee family, which was always a nice and thoughtful touch. When the social came to an end, it seemed like nobody wanted to leave. Despite the lapses in weather, everyone was seen to be having a great time. I'm sure I'm speaking on behalf of everyone when I say that we can't wait for the next social with them! By CHINMAY JAVERI

Football Clinic Gets Technical

Instead of Final Four, a combination of Primetime and sport specific clinics were in put in place, and proved to be very useful in terms of results.

TERRY JONES, JULIUS ONI, JONAH WEISS and myself decided to make the most of our first Al Lewis Day of 2013. Fourteen campers had showed up to the clinic, enough to make a perfect 7 on 7 Football match.

CHASE MCBRIDE and HARRISON COPOLOFF were the best duo of the day, completing many great passes. COPOLOFF managed to bag himself 3 touchdowns, and MCBRIDE assisted with 2 of them. REID KANTER had impressed the coaches too by showing off some skill. His pump-fakes and running abilities really put off the opposition. ETHAN COHEN was excellent when it came to defensive play, and caught many short yardage passes. (Lucky Canteen no. 7)

To conclude, the coaches were very impressed and happy with the ability and talent that the Menominee Football players had brought to the table. The coaches also saw a lot of D1 potential in a lot of the players that attended the clinic, so a great job to those guys that turned up on the day and gave it their all. We have a great set of Football players this year! We hope there can be more clinics like this in the future, to discover new talent.

Junior Twi-Light League: Match Commentary

Junior Twi-Light league has been one of the most competitive and enjoyable traditions at the camp, and this year is no different. It was just after we had dinner in the Mess Hall and the sun was beaming bright on the softball diamonds.

I (TYLER BORSTEIN) was standing at third base after being declared safe by the match official. We were on team HOTT. ZACH HOTT was up next, and his perfect hit sends the ball flying past the whole of the opposition. LEVI PASIKOV was the only person that had a chance of catching it, however he missed, and all runners making it back home. It

JAKE CZUPEK and the counselors enjoy the social

was a grand slam, and it felt awesome! Afterwards, everybody high-fived each other. We made such a great team! Next was BECKETT NELSON going up to hit. ZACH HOTT was positioned at third base, and I was the third base coach. BECKETT manages to hit it and get to first base, whilst ZACH makes his home run. ISAAC WEISS then takes to the spot, and the opposition start moving back a few steps. As planned, ISAAC smashes the ball, and makes it to second base. LEVI was inches away from getting ISAAC out, however the ball bounced off his mitt and fell to the ground. (The Lucky Canteen no. is the predicted temperature for tomorrow)

After JACK BEHAR had hit and ISAAC made it home, it was my turn. Unfortunately, I got out and that was our round over. It was great how we all stuck together as a team and encouraged each other on. I really look forward to more matches like this one. By TYLER BORSTEIN

Chippewa Social: The Recap

As the girls from Chippewa rolled in, I began to admire all of the freshly showered Menominee men, sporting their button-down shirts and jeans. Upon first glance at the girls, MAX BEERMANN looks to me and remarks "Easier than catching fish in a barrel". I began to take a back-seat approach as MAX 'BEERS' BEERMANN demonstrated the art of being a player. Amazed by the results of MAX going out and picking up a girl, I noticed the hypnotizing stature of BECKETT NELSON pulling off some dance moves. Watching this young man dance was enough to give a blind man the gift of sight.

The music was turned up high and the energy was through the roof of the Mess Hall. However, this all changed when BEN 'The Jack Rabbit' ELLINGSON began to play horrible music. The girls then proceeded to flock outside, where they were greeted by TODD 'The Mighty' LAZARUS. It was his birthday, so the girls were ready to give him a birthday kiss. As flag was blown, the Menominee men said goodbye to the Chippewa girls. Back in the cabins, MICAH SCHULMAN bragged about getting almost half of a girls phone number.

Senior Volleyball Face-off

On a cold and overcast day, spirits were high at the volleyball courts behind Cabin 3 and Cabin 4. DYLAN FRIEDMAN, DANIEL BEN-ISVY, NOAH LAZARUS, TAYLOR BEAUSINGER, ETHAN WEISS and JUSTIN SCHOENEMAN are present, all involved in a tough game. A fierce three versus three game was currently underway, with ROBBIE APPELBAUM sitting on the high chair as a referee.

The first team consisted of JUSTIN, TAYLOR and NOAH, a solid CIT heavy team. With a line-up like that, it would be hard to defeat such a team. However, ETHAN, DANIEL and DYLAN were also a force not to be reckoned with, and it really showed in the final result. The outcome of the match lead to ETHAN's team being victorious on the day, and coming out ahead of the

The greatest archery achievement

It was a very sunny day outside, and a perfect way to start the General activity period. I decided to take up archery, and walked over to the targets where a counselor was waiting. DAVID 'Tie Dye' HULSTEDT had lined up some soda cans and some tennis balls to start aiming at. These were a little too easy so we downsized. I was ready for a challenge. DAVE took off the tabs of the soda cans and hung them on the target. This was going to be difficult. The first arrow I shot missed the tab completely, but still hit the board. The second one, again, left us with no luck. We went to the board, retrieved the arrows and lined up the lucky third shot. I aimed, shot, and hit the soda tab directly! DAVE was cheering and so was I. It was an awesome feeling and I wish I could do it again sometime. By LEVI PASIKOV

Mike Dunleavy Ur. Makes The Bulls!

As a lot of you campers may or may not know, Mike Dunleavy Jr. was a former camper here at Menominee. Yesterday, the news broke that he had just left the Milwaukee Bucks and joined the Chicago Bulls! He's signed to the Bulls for two years, however with some good play, he'll surely be there for a while. Mike is always nice enough to come and visit every so often, and on the last time he visited, he even played some hoops. The Menominee family are proud of Mike for his achievement, and we hope to see him rise further up the ranks! By CHINMAY JAVERI

Sunsets and Campfires

Due to trip week now in full swing, there are only 18 remaining campers left in the friendly confines. Cabins 3, 4 and 5 were the lone soldiers in the Menominee camp grounds, however, this didn't mean we couldn't have fun. After flag had been lowered, all 18 of us headed down to the campfire by the waterfront, where we were eagerly awaiting a story from WOODY. To my luck, one of my personal favorite authors, Roald Dahl was on the cards. When WOODY had asked if anyone enjoyed his work, TYLER BORSTEIN immediately shot up his hand, and impressed the whole group with his detailed and informative knowledge of the famous author.

Just like all stories that WOODY has to tell us, this one was captivating and left the whole group on edge. The scenery behind us slowly turned from a pale blue to a dark navy, but nobody had really noticed, the story was almost cinematic! The log fires burned slowly, and was almost completely out when the short story had ceased. The silence of the group indicated the brilliance of Dahl's work.

We finished off the night with 'The Book of Thunks', a clever book of rhetoric that makes you question the true answer to the situation provided. It really did make some of our campers 'thunk'. There were a lot of confused faces!

Climbing Craftsmanship

On a wet and rainy day, TYLER BORSTEIN and I took a trip down to the climbing wall, where we were met by CONOR MURPHY and CHARLIE RATTERMAN.

CHARLIE had hurt his leg, so CONOR was showing him the different and necessary types of knot that he would need to learn for climbing. They all looked really difficult, but CHARLIE seemed quite good at it. One of the knots is called a figure-8 knot, and is exactly what it sounds like. The session seemed really informative and even TYLER and I learned a few things.

The Game of Gaga

Yesterday on July 2nd, just after dinner at the Mess Hall, we all gathered at the basketball courts outside Cabin 3 and 4 to play a game of 'Gaga'. It was a really fun game although I got out quite a lot. JACK BEHAR decided to sit on the bench next to the courts, whilst MICAH SCHULMAN read the Megaphone. It was a great way to pass time when you were called out.

We had to pay attention to the Jailbreaks though! BENJI FRIEDMAN got hurt, and SAM GOODMAN did too. BENJI fell on his knees and SAM somehow hurt his leg, but in the end it was alright and they didn't hurt themselves badly. After they read the Megaphone on the bench, they went back in and played some more. It was a really good effort by those guys as they didn't just quit!

British vs. Americans Kicks off

The British vs. American series started with all of the campers rushing out to the flag to find the Union Jack had been raised instead of the usual stars and stripes. The campers were livid, and the flag was soon lowered and replaced with the traditional American flag. It was the fourth of July after all!

Soon after that calamity, all campers rushed into Wasserman Hall, where the British vs. American teams were to be decided. To make it fair, the lucky dip method was put in place, just to ensure there was no bias. Each cabin took their turns to choose a colored chip from the hat, and BRETT DAVIDSON alongside DYLAN DRISCOLL were chosen as captains for

WOODY looking unpopular as he holds the Union Jack

the American and British teams respectively. When it came to the junior division, RYDER SPECTOR was chosen as the captain of team America, whilst TYLER BORSTEIN lead the way for the UK.

The first match was an all-out water balloon collision, where the two captains from each division had to collide on the shuffleboard court holding water balloons. The victor would be the one least wet, and it led to some entertaining results along with a lot of fun. TYLER and RYDER were up first, but neither captain wanted to actually run into each other, so both threw their balloons in an attempt that it would make contact with the other. At the end of the round, TYLER came out on top, leading his British side to an early advantage. Next up, DANIEL MALIS faced off against LEVI PASIKOV. Despite a close match, DANIEL just managed to seal the deal, and the Americans were now level with the British. After all but one camper and counselor match-ups, it was time for the overall British and American captains to take the final match. BRETT and DYLAN took to the court to go head-to-head. The Americans were ahead at this stage, so it was up to DYLAN to set things straight. However, BRETT was just too agile and won the first round for his team. Even though the British had lost, they congratulated the winning team. Cheers followed the game, and it was a great way to start the fourth of July celebrations.

Squirt Gun Fun

Straight after the American victory at the shuffleboard courts, we all put on our white Menominee tees and headed to the golf course for an all camp squirt gun fight. The Americans huddled around The Way and talked tactics, with JOSH STONE and DANIEL DRISCOLL being assigned as 'kamikazes', facing the opposition head on. Meanwhile on the other side, the British marched on in packs, using distraction techniques to catch the USA out. NATE FRIEFIELD used his speed and agility to take out some valuable American counselors, and JUAN GIRAULT unluckily and unintentionally got out when he got green dye on his t-shirt. In the end, the Americans cruised to another, consecutive victory, making the series score to 2-0. The game was a lot of fun and it was great to see everyone getting involved! By CHINMAY JAVERI

Cabin 5's Canoe Adventure

Trip week! All the kids were as excited as we were. We all piled into KOZ's car for a short drive to chain lake. When we were there, we unloaded the canoes, grabbed our snacks and set off down the lake! The atmosphere surrounding us was amazing, and we had a great scenic canoe trip through the lakes. Just as expected, we had a few nature breaks along the way. We were all lucky enough to see some bald eagles and a few herons too.

When we arrived at Stone Lake, we stopped for a midcanoe picnic! Although it didn't go too smoothly, as strong waves lead to MICAH SCHULMAN, LEVI PASIKOV and COLE NEUMAN being stuck in the long reeds. After rescuing the convoy, we were back on course. Disaster struck once again when ANDY PRATTENT had damaged his elbow, and couldn't continue with the rest of the trip. He had to be rescued from the journey and taken back to camp. He wasn't too happy as he had been really enjoying it.

The campers marched on with the trip, and TOM ADLER stepped in and helped us closer to Dam Lake. We all canoed at a 45 degree angle (KOZ's orders) and passed a dam. After four hours of paddling, we arrived at our beautiful campsite, which even got DANIEL MALIS' approval. On our arrival, we found KOZ ready and waiting to cook us some burgers. Thank you very much KOZ! After our delicious dinner, KOZ headed off and we started our own fire to keep warm. As everyone must know, what's a campfire without s'mores! We finished our s'mores just as the sun setted and the stars lit up the sky. A great end to a great day. Lucky canteen no. 13

Soccer Spirit doesn't lapse at Menominee

The Timberlane competition got underway on Friday, and the guys who were playing soccer made their way out to the opposing camp. We sat down with our opposition and agreed to a few rules and regulations that the game would require, and then we were ready to start.

NOAH KROSNICK, TAYLOR BEAUSINGER, ANDREW BLECHMAN, DYLAN FRIEDMAN, ADAM SAGERMAN, JAKE CZUPEK, ETHAN WAGMAN and JACK MORAN started a heated soccer game. With the home turf advantage and their use of substitutions, Timberlane used their position to control the game. An early goal by them was declared

ZACH HOTT and coach WILL MULHERN prepare for

offside by the referee, but they were soon piling on the pressure. Despite some hard-fought defensive work, the score was very soon 2-0 to Timberlane. Not letting the score get to him, ANDREW rallied the team on with his fantastic save against the home team. The team's spirits were lifted further when some skillful and vital plays by NATE FRIEFIELD, TOMMY BLASBURG, JARED LEVINE, MAX COHEN and CHARLIE KANTER pushed the team's determination further . With the team now reunited, and spirits being higher than ever, Menominee fought back hard and the score was soon 2-1. Kudos goes out to CHARLIE and DYLAN, who constantly pushed at the Timberlane defense, causing them to make countless errors. For a while, the Green and Whites were looking to pull off an amazing comeback and it seemed like nothing could diminish their game. ANDREW once again made another shocking save, which had continued the high level of enthusiasm and perseverance throughout the match. However, unfortunately the train came to a halt, and Timberlane clawed a goal in to bring the score to 3-1. It was unexpected but the guys learned a lot from the match. Who would have thought ANDREW was a world class goalkeeper! I'm sure we can get them next time with our full squad line up. A great game all-round. Lucky Canteen no. 34 By CONOR MURPHY

Menominee Aim High For The Basket

The 16 and under Menominee basketball squad took to the 'court' at Timberlane, pumped up and ready to make a statement. After the first couple of possessions, we knew that it was time to ball.

ETHAN WEISS put the team on his back and scored twelve straight points to give the green and whites a big starting lead. ROSS FISHER was also a very valuable player, with his vital and important minutes off the bench to keep Menominee in the game. JUSTIN SCHOENEMAN and REID KANTER were hogs in the pressured zone defense. JOSH KRAVITZ and NOAH LAZARUS were amazing at pounding the boards, and CHARLIE KANTER alongside MAX COHEN showed great hustle throughout the duration of the game. We were ahead of Timberlane for the whole game. However, in the final thirty seconds, a few balls didn't bounce our way. The result was that Timberlane won a heartbreaking buzzer-beater.

Although we lost, I could not be more proud of our team's efforts, and I'm very excited for our team to compete some more this summer with other camps in the area. By JONAH WEISS

Timberlane Soccer Woes

It was a blistering hot day, and a match was about to be underway on the Menominee soccer pitch for the under 12's. The Timberlane team stepped off the bus eager and ready to play and a cracker of a match followed. As the first half got underway, the Menominee Indians advanced in spectacular fashion. JAMES POPLAWSKI and BECKETT NELSON displayed excellent ball control, and made some key plays in the match. Taking Timberlane by surprise, ALEX FORMAN scored two stunning goals, getting the Menominee family ahead 2-0 as the first half came to a close. However, even though the Green and Whites were ahead at this stage, the second half proved to be different. A certain purple-shirted Timberlaner came out at the second half with guns a-blazing, which took the home team by surprise. He scored a hat-trick, which brought the score from 2-0 ahead to 3-2 down. Menominee weren't going to be taken down that easily, and a give-and-go between the two FORMAN brothers, ALEX and JACK, led to another goal being scored. This left the match at all square. With two minutes to spare in time, the purple-shirted dynamo struck yet again, scoring a goal that left the score at 4-3 to Timberlane. Unfortunately, Menominee had little time to respond to the goal and full time was called, favoring Timberlane by a goal. We'll get 'em next time

Hilling on Away Grounds

It was on a trip to Timberlane that the softball pitch lit up with action when the Menominee boys came to visit. The sun was out and the boys were ready to claim victory once again. Team Green and White persevered to the Timberlane diamonds with their high-spirited chants and an important pre-match team-talk.

The first inning was about to take place, and ROSS FISHER managed to pull a 'Bill Buckner', but redeemed himself with the hidden ball trick that caught the Timberlaners completely off guard. The batting order was passed through two and a half times, and the team managed to score a total of five runs. To our advantage, we were lucky that the pitcher representing the opposition couldn't quite manage a consistent throw, which meant that all but three batters were able to walk to first base without a swing.

When it came to being on the field, CHASE McBRIDE was the star pitcher, and pitched some well paced balls to the person on strike. HARRISON COPOLOFF's efforts were also not to be overlooked, who was both third base and short step. During the second innings, NOAH LAZARUS tried his best when pitching, but the score was just short of a victory. The final score, 7-6 to Timberlane, but we'll definitely win next time!

By COREY REINER

The Menominee Big Hillers

The Menominee boys stepped onto the diamond of Al Lewis with a burning passion in their eyes. They were truly pumped up and ready, even when the Timberlane boys were getting off their bus. Menominee was eager and ready to play.

Getting the ball rolling was ETHAN HOTT, who led the team by showing off great vision at the plate. He also did a great job clearing the bases, with a grand slam at his second strike. BRETT WEISS displayed his pitching abilities, showing great enthusiasm and confidence at the mound. The whole team gave a great effort in the field and when taking to the bat. Taking one for the team was MAX 'BEERS' BEERMANN, who tanked a heater straight to his back. Good job of continuing with the game MAX, awesome team play.

All in all, both teams had shown outstanding effort, especially the Menominee boys. The team showed great sportsmanship, and gained a well deserved victory. The final score was 10-4 to Menominee, and the guys didn't leave without displaying their Menominee cheers at the end of the game.

Flag Football Triumphs over Timberlane

The word domination is one that's overused when it comes to sport, but that's the only word that comes to mind when looking at the game that Team Menominee played against Camp Timberlane. The other games that went on in Timberlane grounds didn't go in Menominee's favor, so the team were pumped to win the game, and it clearly showed! The game was a purely one-sided affair, and the Football team really shone through as being skillful and agile on the pitch.

Some key plays were in the hands of NATE FRIEFELD and ANDREW BLECHMAN, who's co-ordination and tactics really did pay off. CHASE

ALEX FORMAN looks at the target through his scope

McBRIDE and JACK MORAN really delivered in the game too, pushing through the Timberlane defense and making the job look easy. Our team were too fast and too organized for the Timberlane opposition, and the game was really good practice for the match against Kawaga that's happening in the second session. Everyone played their best, and hats off to everyone for not taking the game lightly and continuing the pressure. HARRISON COPOLOFF was another key player in the match, and constantly helped his teammates out with great teamwork. When it came to defense, none other than DYLAN FRIEDMAN was there to stop any Timberlaner in their tracks. His hard defensive work and great communication was one of the reasons why Menominee had prevailed throughout the game.

The final score of the game was 61-0 to the Menominee boys, and a well deserved victory it was. I applaud Timberlane for persevering in their efforts, and continuing on with the game without quitting. Although we gave the game our all, they also put their hearts into the match and tried their best. Due to the incredible teamwork that this team has, nothing extraordinary or substantial occurred in the game. It was purely a team effort and that's what Menominee is best at. By JULIUS ONI

A Shooting Start for Menominee

It was early on in the afternoon, and there was a lot of tension in the air. The Menominee and Timberlane junior riflery competition was about to get underway, and everyone had been practicing earlier on in the day as a warm-up for the main event. As a whole, the match went smoothly and both sides abided by the rules. A lot of "oohs" and "aahs" were heard from the crowd gathering, especially when the home team played excellently under pressure.

During the first round, Timberlane grabbed an early lead, and the score was left at 32-20 to the away team. Menominee then came back from being down and really hit them hard. Excellent shooting came from the likes of ALEX FORMAN and TODD LAZARUS, with TODD scoring 40 a round at one point in the match.

Efforts that are not to go unnoticed are those from the likes of WALKER NELSON and MAX BEERMANN, who both shot excellently, and really helped the Menominee team prevail over Timberlane. Solid scores from every team member allowed a gap to develop between the scores in the second round, and the

final score ended at 137-75 to Menominee. An awesome match and a great win!

H's The Shot That Counts

We got out of the van and headed into the heavily wooded area that was Camp Timberlane. We arrived at a long shooting range, and the five Menominee shooters grabbed their rifles to face off against the home team. The rules were direct and straightforward. Each camper participated in a 5v5 match, and each person was allocated two shots per round. Only one round was to be played, so the pressure was on to try and make every bullet count. In this game, the over-12 Menominee team delivered results with accurate shooting and big scores. The two standout players were GABE NEWMAN and BRETT DAVIDSON. The dynamic duo shot excellently, and racked up a substantial score in the round. JAKE ZWEIG had also brought along his best shot, scoring well and helping CM maintain a lead over Timberlane. Despite their scores, MAX SHAPIRO and JUSTIN OLSON both put their efforts in and contributed to the Menominee win of 172 to 155. A really close game, but it made the win feel even better. There were cheers all round at the end, and we look forward to the next game against them.

Rock Band Rocks Out!

After many weeks of preparation and a lot of hard work, the few campers that had participated in the Rock Band project had their time to shine. In a one night only event, the show contained great music from both staff and campers, and was a great experience for all.

To start the show off, THOMAS ADLER and KOZ's alter ego (Forest Lakes) strung together a duet using their guitars. The crowd were amazing, and incredibly supportive during the acts that were performing. If they knew the words they sang along, and if they didn't they just clapped. ETHAN WEISS spoke to me after the show and the

performances had ended, stating, "That was one of the best Rock Band performances that Menominee has ever had", which was a really nice compliment to hear. A star of the show came by the name of JUSTIN OLSEN, who sang his heart out in his rendition of Lynyrd Skynrd's Sweet Home Alabama and The Beatles' Let It Be. We also can't forget LEVI PASIKOV, who was jamming away on his electric quitar, and TYLER KOELHER DAVIS, who was playing a few mixes and melodies as a collection on the piano. After the guys finished their pieces, NATE FRIEFELD played his very own composition called Endless Frontier on the piano. After all of that action, the final piece played was hyped up to be a big one. The track choice was a famous one, and Walk The Line by Johnny Cash was to be played by all Rock Band members. Everyone performed amazingly together, and we all ended the show on a great note.

That was the end of this session's Rock Band project, and the next available time you can sign up for it is next session. So join if you want in on the fun, I can't wait to play with all of you.

A Day Out in Minocqua

On July 7th, a beautiful Sunday afternoon, the Menominee men headed into the town of Minocqua for a Town Day that they would never forget. After our arrival in the small town of Minocqua, the campers rushed off the buses and quickly began their shopping sprees. Each camper was allocated \$25 to spend, so budgeting here really was key. It was interesting to see where each age group went first, as the Juniors ran into the toy shops whilst the Seniors went straight to mini-golf. In the toy shops, BECKETT NELSON and JUAN GIRAULT were found testing out all types of toys and their functions such as the Chinese finger traps, whilst JAMES POPLAWSKI was too busy playing magnetic darts on the dartboard. Stores such as Toyland and Packerland were a massive hit with the Green and White boys, and COOPER SPECTOR was seen trying his luck on the spin-the-wheel game and earning himself some cards. JONAH WEISS had to surrender two free canteens for EVAN HESSEL and COOPER, as they both went against the odds and got a hole-in-one in mini golf. After the campers had finished shopping, they headed over to Island City Ice-cream to enjoy a blizzard on a hot summers day. At the end of the day, we all had to meet at Alexander's Pizzeria to get ready for the Min-Aqua boat and ski show that was underway. The Independence Social

On the 4th of July every year, Menominee has a planned social with Marimeta to celebrate the independence of America, and each year it's a lot of fun. The Menominee boys were quick to shower and get ready, then it was straight off to the camp vehicles and school bus to Camp Marimeta. When we arrived, we were greeted by DJ Kasper K, who spun some great tunes for us throughout the night. The boys took to the dance-floor, and it was great to see CM throwing down the moves. JOSH STONE took the floor by storm, with some intricate moves and perfect footwork. JAKE GOODMAN and CHASE WEIMAN were seen throwing some shapes to Baauer's Harlem Shake, and were really bringing up the level at Marimeta. MAX SHAPIRO was having a great time too, joining the counselors in jumping around to the beats! After the music ended, everyone headed to the waterfront to watch the Fourth of July fireworks, and what a spectacular sight it was. TYLER BORSTEIN was heard saying it was "amazing", and the rest of our camp felt the same way too. The night ended on a high with an all camp taps with the girls. By ANDY PRATTENT

The Cabin 3 \$ 4 Trip to Bond Falls!

After a week of waiting for their chance to experience a trip, The residents of Cabins 3 and 4 got their chance to go on a short break from camp. They patiently waited for their journey whilst the other cabins were on their respective trips, so on a fitting Tuesday morning, Bond Falls was on the cards. The boys were ecstatic in anticipation for what was in store at the falls, and only a 45 minute journey stood in their way.

We headed north out of Eagle River, crossed state lines and found ourselves in the town of Watersmeet, Michigan. Dubbed as 'The Home of The Nimrods'. As both cabins stepped out of the van, their minds were blown away by sight of the beautiful rapids that ran by the road, and just

along the river. JAMES POPLAWSKI thought it looked amazing, and we still hadn't even got to the main attraction yet!

After following the trail that continued around the falls for a couple of minutes, the men of Menominee weren't ready for the next sight they were about to experience. In front of their eyes amassed a giant 50 foot waterfall. Thanks to the trail path, the route took us right past the waterfall itself, and everyone had fun getting splashed by the fast-rushing water. Because the water was so fast high up on the river, it definitely wasn't suitable for anyone to swim in, so we headed on down to the pool at the bottom of the falls to take a dip.

BENJI FRIEDMAN and CHARLIE RATTERMAN were two campers that couldn't wait to get in and swim, and even got really close to the falls itself. The boys all enjoyed swimming in the chilly and fresh waters of Bond Falls, and JACK FORMAN alongside EVAN HESSEL even attempted to walk through to the other side of the pool at the end of the trip, but it was too deep. The trip on the whole was a great excursion, and one like none other many of these guys had experienced. Time at Bond Falls felt short lived and time flew by so quickly. Nobody wanted to leave, especially DYLAN SCHWARTZ, who was having an awesome time swimming at the foot of the falls. Lucky Canteen no. 103

Whilst walking back to the camp van and drying off, the campers couldn't help but admire the amazing scenery that surrounded them, and the formation of the falls to their left. The guys thought it was all over, but CALUM MAKIN dropped the bomb that everybody got to eat at McDonalds on the way back! Cheers erupted on the bus, and it was truly a perfect way to end the trip. On behalf of all campers and counselors that went, thank you STEVE and BARI for the trip to the wonderful Bond Falls!

Message To Garcia

In the post-modern era of electronic communication, we would think that there is a much simpler and quicker method of getting a message to Garcia rather than just running to him. However, in the spirit of 1776, there was no such method, and Message to Garcia had to be played.

After a brief explanation in Wasserman Hall, the hard decision of offense or defense was to be settled the traditional way of rock-paperscissors. The Americans won, and chose to be on defense. The Brits prepared their plans to cross Old Counselors Road and visit TOM ADLER in the form of Garcia. With an organized plan in place, 10-pointer ADAM SAGERMAN made it safely across with REID KANTER. CONOR MURPHY made it too, and HUGO FEATHER nearly did, only to be caught out by DAVID MIZOCK at the last second, MIZOCK was devastated that people had got past, after boasting that there was "no chance" that anyone could beat his defensive abilities. JAKE GOODMAN was seen hiding behind the cabins near the public toilets, playing the game tactically safe so he didn't get out.

The British defensive strategy seemed to work out well, as the Americans had a planned charge from KOZ's House that was completely crushed. The attack from the cabin compound area was also sniffed out by the British defense, and the Americans were completely held back. In the end, after a valiant effort from the Americans, the British won the revolution and took the British vs. American competition overall.

Commercial Night

By ANDY PRATTENT

The lead-up to skit night was an intense one. None other than COLE NEUMAN announced that skit night was taking place during lunch on Monday, and the topic was an open one. The skit had to be based as a commercial, but could not imitate a commercial that already exists. Campers and counselors went back to their cabins full of excitement and full of ideas. The cabins were split up into three divisions; Juniors, Intermediates and Seniors.

The winners in the Juniors division was Cabin 5, whose theme was a 'water over Gatorade' campaign, illustrated by the two main characters PARKER HEWES and JACOB 'BALLS' BARSTACK. MICAH SCHULMAN did an amazing job of playing the role of PARKER, whilst LEVI PASIKOV immersed himself into the character of BALLS. The result was hilarious and the win was well deserved. The winner of the Intermediate division was Cabin 8, who put on a commercial for the Illinois education system. WOODY was played by WILL MULHERN, and took place in a questionnaire-style game show, with representatives from other states being played by BEN ELLINGSON and TERRY JONES. The result was spot-on, and WILL had the impression of WOODY near-perfect. The CIT's took the final winning spot for the Seniors, with the representation of recent events by ANDREW BLECHMAN and TAYLOR BEAUSINGER. All-in-all it was one of the funniest events at camp. I can't wait for the next one!

Ribot's Riding Redemption

They say some things are as easy as riding a bike. Well that statement recently applied to me. For some bizarre reason, I grew up without actually learning how to ride a bicycle without training wheels. Finally, at the age of 18, I made my goal to learn how to ride by the end of the summer. It took many failed efforts in Wal-Mart with JONAH WEISS, BEN 'DAD' ELLINGSON and others, trying to guide me in and out of aisles on various nights off. However, it wasn't until I was on Menominee soil that I finally reached my goal. On a sunny day, in the open space of Diamond 3, I was finally able to conquer the task of being able to ride a bike. A special thanks goes out to PAM ADLER and TAYLOR BEAUSINGER for the heaps of encouragement and enthusiasm they gave me during my first ride! With good fortune, I hope to be competing in the Tour de France soon!

Twi-Light League ends with a bang!

After a hard fought first series, the two senior Twi-Light League captains agreed to have a 9 inning showdown on the Bob Bender Senior Diamond after dinner, and during traditional Twi-Light League time. Captains BRETT DAVIDSON and ETHAN WEISS had both led their teams to first series victories as the top 2 seeds from an outstanding season.

With Team WEISS being home, the pressure was on DAVIDSON's team to strike fast. They started the show with Web Gem winner LEVI SCHULMAN getting ahead with a single run, and REID KANTER doing the job of many. The team were in full swing when captain DAVIDSON hit a sacrifice fly-

DAVID RIBOT plays the umpire for the Seniors

ball, and very quickly made the game 2-0. Team WEISS looked eager to get on the scoreboard, but a catch that may have been the best catch of the season was made by none other than REID at 3rd base. The vital catch allowed BRETT's team to keep the opposition scoreless. By the end of the 4th inning, led by some solid effort from JAKE HERMAN, JACK MORAN and DANIEL BEN-ISVY, Team DAVIDSON were up 4-0 and looked to be pulling away. With a perfect game through four innings, captain BRETT DAVIDSON looked on pace to face the ideal number of 27 batters through 9 innings. However, due to a costly error that took place in the 5th inning, the perfect game and shutout was lost. The no-hitter remained intact through the end of the 5th inning, and up until the first batter of the sixth. All of a sudden, Team WEISS' batters sprang to life in the 6th inning.

There was a display of back-to-back hits by ETHAN WAGMAN and MAX ENGEL, followed by the same from ETHAN WEISS. ADAM SAGERMAN alongside JOSH KRAVITZ and HARRISON COPOLOFF made some great plays, and allowed Team WEISS to put together a 6 hit, 4 run inning to bring the score of the game to 6-5. BRETT had also scored, due to some key base-running by TAYLOR BEAUSINGER. DAVIDSON's team lashed back with a 2-run 4-hit 7th inning, increasing their lead to 8-5. WEISS's team weren't going to give up that easily. Despite not scoring in the bottom of the 7th inning, they put up a huge fight thanks to spectacular defending by NOAH LAZARUS, JOSH KRAVITZ and MVP ETHAN WEISS. This knocked down Team DAVIDSON and ended the top half of the inning at a very close game. MAX SHAPIRO then proceeded to get the lead back to Team WEISS, which involved a 3-run, 4-hit avalanche of an 8th inning, leaving the game at an 8-8 tie. After the outstanding comeback by Team WEISS, BRETT and his team had to pull out all the stops to win the game. In their turn to bat, REID KANTER hit a smasher that fell just short of MAX ENGEL's hands. He immediately started base-running, and turned a certain double into a much needed triple. It then took the efforts of RYAN BLUM, BRETT and JAKE HERMAN to get the leading run across the plate, and pushed the score up to 9-8. With the bottom of the order now facing the bat, Team WEISS gave it all they had. A slaw roller from MAX ENGEL was enough for REID KANTER to make the play to DANIEL BEN-ISVY and score the championship of the Twi-Light League. Final score, 9-8 to Team DAVIDSON.

Great pitching and catching combinations by CHARLIE KANTER, MAX WEINGARDT, BRETT DAVIDSON and ZACH SCHWARTZ kept it neck and neck during the second half of the game. REID was arguably MVP of the match due to his ratio of 4-5 during the game, with 4 runs. He also got a double and triple, as well as some good defense work. By DAVID MIZOCK

Things 'HOTT' up in TLL

Four fantastic games is how most fans would have described this series. From singles to home runs, a force out to a triple play and even a walk off win. It was a series that wasn't to be missed.

Each team split the first two games by winning in an elegant fashion, and performing some stunning plays. NOAH BEN-ISVY is clearly a Gold Glove winner at first-house after his performance in the series, doing the splits nearly every time to get the opposition out of play. At this point in the season though it was all about getting HOTT, and that's exactly what ZACH's team did over the past two games. Team HOTT went on to win and take a 2-1 series lead over Team FARBMAN, but it's the iconic nature of game 4 that will live on in the spectators minds for a substantial amount of time.

The game started off intensely, as FARBMAN jumped to an early lead thanks to the superior batting abilities of JOSH GOODMAN. It was a lead that HOTT's team would have to overcome in order to win. In the bottom of the 7th inning with 2 outs and a runner on second base, ISAAC WEISS steps onto the plate, hoping to send the game into extras. With a perfectly-timed swing of the bat, ISAAC smashed the ball into the opposite field and scored a home run.

With no winner at the current time, extra innings had to be played to determine a certain outcome. In the bottom of the 8th inning, Team HOTT had runners on first and second base, and were looking to make this one a victory with just a base hit. ALEX FORMAN had other ideas, and his actions led to a triple play and the continuation of innings. Team HOTT however was just too hot, and ended up winning the game and series in the bottom of the 9th on a walk-off single by JAKE BEHAR. Congrats Team HOTT!

TLL: Podolsky vs. Goodman

By BEN ELLINGSON

It was a beautiful July day at CM, and the conditions were great for the annual Junior TLL Championship. Round 1, Game 1 featured GOODMAN and PODOLSKY battle it out. Team GOODMAN seized the lead early and never looked back, amassing 23 runs to PODOLSKY's 7. Team GOODMAN carried the momentum into game 2, winning the match 9-5. In a decisive game 3, GOODMAN and his team were on fire, winning that game 12-6 to win the series. The win allowed the team to face off against HOTT next round.

The Lumberjack Olympics

On a sunny Tuesday afternoon down at the waterfront, 'The Great 8' and KOZ began the first ever lumberjack Olympics. The Olympics consisted of seven different events, of which all required a different skill set. The events included river vaulting, log saw, Jack stack, log roll, canoe portage, hammer throw and the horse shoe. Although it was the first time for these Olympics to take place, it went fantastically. There were 7 teams competing, and each one wanted to win the very first games. ADAM SAGERMAN's team started off very well in the Log Roll, and tied first place with DYLAN FRIEDMAN's team with a score of 6.5 out of 10. Disgruntled by their low score of 3, ETHAN WEISS's team made sure they won the next event, and scored 7 points in the Horse Shoe event, making them contenders for the title. Team FRIEDMAN had been scoring high for the past events, but the team really shone in the Canoe Portage, beating all other teams with the high score of 7. DYLAN DRISCOLL and his team placed very well in the Hammer Toss, despite the previous low scores in the events beforehand. Jack Stack is exactly like Jenga, but in the form of logs, and BRETT DAVIDSON showed off his skills by leading his team to victory in this event, followed closely by REID KANTER and his team. Next was the Log Saw, and ADAM strived to a victory by sawing logs quicker than any of the other participants. The final event was the River Vault, and DYLAN DRISCOLL stormed victory by vaulting further than any other team. TYLER KOELHER-DAVIS and his squad were trying their best in the games, however their communication hindered their efforts, placing them 5th overall. The overall victory was earned by Team FRIEDMAN, but everyone put in a valiant effort. The games were a lot of fun, and next year's should be worth looking forward to. By HUGO FEATHER

Second Session Begins!

The past few days have been home to a lot of new changes around Camp Menominee, and the main one is all the new campers! For the new guys around, the Friendly Confines welcomes you to an adventure you'll never forget. Whether you've been coming here for many years, or this is your first one, you're still guaranteed to have a lot of fun playing sports and making new friends.

The arrival of new campers is always spectacular, and in good-hearted Menominee fashion, chants and cheers were belted out when the buses came. Campers and counselors alike got together to welcome the

newcomers off the buses to their summer home. The loudest shouts seemed to be coming from the smallest campers, as COOPER and RYDER SPECTOR were singing along to the "M e n o m i n e e" chants as the buses pulled up. After all the campers had got off the bus, we headed into Wasserman Hall to get into the cabin prep rally. Everybody eagerly awaited their cabin announcements as one by one, cabins 3 to 18 were called out. After everyone was settled and made their space look like home, it was off to sign up for activities in Final Four and Leagues. With thanks to DAVID MIZOCK and DAVID RIBOT for the impeccable organization, the tasks were split into two separate sections, Final Four and League activities. There was a wide variety of activities to choose from, ranging from Golf to Hockey, Basketball to Riflery, and even being part of the Megaphone! For health and safety reasons, all campers had to take part in a health check up, and was conducted by our very own, NURSE DAWN along with a few counselors. Once everyone had been given the thumbs up, it was off to the lodge for letter writing, and everyone had a chance to write home explaining how their first day went. ASA SILVERMAN wrote about how he picked Football, Soccer and Baseball as his activities, a great choice! Before we knew it, it was time to eat. What a hectic day! Lucky canteen no.92

For the returning campers, this is probably the favorite part of moving in day, and I'm sure it is too for all the new arrivals now that you've experienced it. The famous Candy Party got underway last night, as all the campers brought in the candy from their cabins to share with everyone else. It's important to do this so we don't get any bugs crawling around; a nasty surprise when you're sleeping! All types of candy, chocolate, crackers and even cereal were brought to the party. As a routine check before the party started, our house sniffer dog, LEON, was brought around the room, to check if anyone was stashing candy away before the party started. Truth be told, there were two culprits by the names of TERRY JONES and JULIUS ONI who had tried to hide away some sweettreats for later. You can't fool LEON that easily! In a five minute rush of excitement, the party began, and it was great to see the 'inclusion not exclusion' principle in action. LEVI PASIKOV was generous enough to share all his gum, whilst MICKEY RACENSTEIN handed out his bag of candy that he'd brought with him. After the party had ended, all trash was to be thrown away, followed by the singing of Taps. **By ANDY PRATTENT**

Safety at the Waterfront

Let's face it, we all love having fun at the waterfront, but there's always a catch somewhere, and safety needs to be considered to make sure we are all ok. KOZ called all of us down to the waterfront after lunch to give the vital safety speech. It's important to note that you can only go to the waterfront when it is declared open..

The buddy board is another really important feature that we're proud of here at Menominee. The buddy board uses your canteen number, and each person has a circular disc on the board. If you'd like to go out into the water to swim, you need another person that's willing to go with you, and then you'll need to place both of your discs next to each other on the board. Being a lifeguard, it's really important that everybody follows the rules and we can all have a great time. KOZ demonstrated how to use the buddy board system with the help of MAX BEERMANN and LEVI PASIKOV, so if you have any further questions, ask one of the lifeguards or your counselor!

Twi-Light League is Back!

After a very successful first session, Twi-Light League returns for another installment of Softball matches and fun. As the seasoned Menominee veterans already know, Twi-Light League is an inter-team tournament that takes place aside from camp competitions. The winning team of the league receives the coveted TLL trophy, and individual smaller trophies to take home.

After our dinner on Monday, the Sun versus the Wind teams were introduced, with counselors DAVID BLECHMAN, DAVID RIBOT, ROBBIE APPELBAUM, JONAH WEISS and COLE NEUMAN all announcing their

Junior TLL gets underway

various pleas on how the Sun was better than the Wind or vice versa. After the pleas were made and teams were announced, it was off to the Bob Bender Senior Diamond for a match that was a great one to watch. PTASZNIK versus SHAPIRO. The game itself was a complete whitewash, and Team PTASZNIK worked well as a group and showed great co-ordination. Star pitched ANDREW BLECHMAN played incredibly well, catching whoever took the bat by surprise. Team captain BRANDON PTASZNIK also did his team proud. He made some great hits and some vital runs to ensure his team won the match. None other than NATE FRIEFELD was a huge factor to the PTASZNIK win. His speed and agility helped him around the bases quicker than ever, and Team SHAPIRO found it hard to get him out. BRANDON and his team earned the well deserved win over SHAPIRO, with the final score of 20-8.

Game 2 involved a match between Team TKD and Team LAZARUS. Unlike the PTASZNIK game, this one was a lot closer. The players that stood out the most were NOAH LAZARUS and TYLER ZWEIG, who both displayed amazing teamwork and individual skill to clench the game. Both teams played a solid game, and it reflected in the final score of 8-6 to Team TKD. An excellent way to start TLL! By ROBBIE APPELBAUM

Final Four and Leagues: Explained By CHINMAY JAVERI

A new session calls for a new beginning to the Final Four schedule and Leagues. For those of you that haven't been here in the first session, there are many differences between the two. Final Four is a group of activities that you signed up to do on your first day, and are instructional activities. Choosing activities for Final Four means that you would want to progress in your skill level in that specific area, and help you become better at it. There were four activities that you could choose from, each assigned to a different state. There are rarely any competitive matches in this part, but that's where Leagues come into play. Leagues are a collection of competitive match-ups where you can test your skills against other campers. Each League is comprised of a different activity, and each day the sports rotate to ensure that you campers get to play a variety of matches. My advice is to build skill in Final Four, and test it out by playing in the Leagues.

Final Four: Softball Training

During yesterday's first Final Four activity session of Louisville, the senior age group came down to play Softball. For being the first day of Final Four activities, the activity itself went very well, and a lot of familiar faces had returned to Softball after their break. Right from the beginning, you could tell that the likes of REID KANTER and ETHAN WEISS was extremely happy to be back on the Bob Bender Senior Diamond once again, after their roles in the previous Twi-Light League session. Due to the heat, we were all told that long pants was not a requirement, however we all agreed that Softball wasn't the same without them. Sliding is where all the fun is at! The campers split into two diamonds and picked up where most of them left off in terms of skill level.

There were many great displays of hitting and pitching, and I'm confident that this year's senior cabin will give Kawaga a run for their money! There was some great hitting and fielding practice going on from JARED LOIBEN, who showed some real promise out there on the field. At the end of practice, all campers felt like they gave it their all, which was a great sign, especially when the skill level at the moment is at quite a high point already. With some more practice in pitching, the team would be the one to beat when it comes to competitions! By ROBBIE APPELBAUM

Arrows fly at Archery

It was a scorching hot day outside on Tuesday morning, and campers lined up at the archery range alongside counselor BEN ELLINGSON. ALEX FORMAN, CHASE WEIMAN and BECKETT DOYLE were all waiting to take a shot at the target, and hopefully get a bulls-eye!

First, ALEX FORMAN stepped up to the bow. He usually doesn't disappoint, and this time was no different. He scored a great total of 30 points, a good amount to start with. The range was starting to heat up, especially with CHASE WEIMAN now approaching the bow and arrows. As anticipated, he also scored really well with a total of 47 points,

TKD gives the thumbs up at golf!

beating ALEX's previous score. BECKETT DOYLE was with BEN, learning how to shoot. Since he is a rookie to the sport, he was working on his shot to be a much better player. Lucky Canteen no. 77

A veteran to the riflery range, LEVI PASIKOV decided to take a slice of the action. He went head to head in a battle against ALEX FORMAN, and the game was really close. It was neck-and-neck for most of the match, and it showed in the result. The final score was 20-20, but ALEX and LEVI weren't satisfied at that. They decided to play sudden death, and each shot would count. It was a real nail-biter, but ALEX just edged the game by winning with 1 point. It was a great game to watch. By LEVI PASIKOV and SAM 'FISH' GOODMAN

On The Volley

Senior Volleyball matches are great to watch, and on this sunny day in the Wichita State activity period, a match including the CITs and seniors was going on. JUSTIN 'SHOENE' SHOENEMAN played an awesome serve to ETHAN WEISS, which JARED LOIBEN took full advantage of when ETHAN played the ball to him, and got a point. Another great play was when REID KANTER passed the ball to SHOENE, and TYLER KOELEHER-DAVIS on the opposition slammed the ball down just as the ball went over. NATE FRIEFELD and REID KANTER made some great teamwork play to earn their team some points, with alternate passing skills to win them points. The unlucky one of the game was MAX COHEN, who accidently dropped the ball after a power shot from the mighty hands of JUSTIN OLSON. Although this was a volleyball match, it was all in good fun, and both teams looked like they had a lot during the match. It's all really good practice for beating Kawaga! Cabin 13 Antics: The Losing Voice Episode

Usually bedtime involves the everyday routine of going to sleep, but this one was special. Our counselor, CORY REINER, pretended to lose his voice, which really made him sound like a girl! The kids of Cabin 13 were laughing really hard. BECKETT DOYLE couldn't contain his laughter, so he had to get up and walk around the cabin to walk it off. MAX BEERMANN was laying in his bed trying to contain his bursts of laughing, and MILES RACENSTEIN was waving his flashlight and turning it on and off, adding to the hilarity of the situation.

At first, we thought CORY had actually lost his voice, but we soon realized it was fake. CORY kept telling us all it was real, but we didn't believe him, and it turns out that he was putting it on. CORY really regretted starting the voice, as when he stopped, we all started imitating him. My voice was really convincing, as ELI BERNICK thought I really did loose my voice at one point.

After a while, people were getting annoyed and all wanted to go to sleep. Somehow throughout this whole episode, TYLER BORSTEIN managed to read his book quietly despite all of the distractions around him. None of Cabin 13 knows how he does it! Although we got to sleep a little later than normal, everyone found it really funny and entertaining.

Football Practice For Kawagal

On a sunny Thursday morning in the Wichita State activity period, some Football practice was taking place on the near soccer pitch. A star player on the field was BRETT WEISS, who made a quarter-back sneak at the first down, which was really hard considering the opposing team. BRETT then threw the ball to MICHAEL GLASSBERG, who held the ball and scored a touchdown! Way to go MICHAEL. JOSH GOODMAN wasn't a force to be reckoned with, stopping BRETT from getting a 1st down with style. ETHAN SAKS followed in JOSH's footsteps, and also stopped BRETT from getting a touchdown. MIKE also passed amazingly, getting BRETT a 25-yard gain!

Senior Football Training Brings Big Scores

It was a sunny Wednesday afternoon outside in the Final Four activity, and the Seniors had come out to improve their game. The greatest thing about Final Four is that it helps you bring your skill level up, rather than just an ordinary match between two teams. The heat was pounding down on the senior campers, but their perseverance meant that they weren't going to guit any time soon. In practice and warm up, there were a few stand-out characters that stood apart from the rest. ANDREW BLECHMAN was on his A-game, playing better than ever and testing his skills to the limit. It was important for the guys to understand that a no-huddle offense

Football Coach JULIUS ONI and ETHAN WAGMAN chill out by the waterfront

strategy was the key to success, and ANDREW helped demonstrate that very well. Two other well-deserved mentions are NATHAN FRIEFELD and ETHAN WEISS. Both of these guys displayed amazing talent at various positions in the field, and are ones to look out for when our inter-camp competitions get underway. The new defensive line-up our team has is 'the x-factor', and one of the greatest formations that I've seen. DYLAN FRIEDMAN plays that role excellently, and I personally would consider him as the team's safety net. This is the very same team that had destroyed Timberlane, so it's noteworthy that the 61-0 win had boosted the team both mentally and physically in training. JARED LOIBEN's defensive work is second to none, and his attributes make him a star player on the pitch, having great co-operative skills and a feel for the pitch that allows him to know where his teammates are. When it comes to players on the line, TYLER KOELHER-DAVIS provides the intimidating power that Menominee needs when facing up against any opposing team. Definitely not a force to be reckoned with! I'm really happy about the team we've got this year. It's a big improvement on last year's team, and the teamwork that the guys posses is incredible. We're not going to be happy with second place, we're in it to win!

Shooting To Win

An impressive number of boys signed up for MCAA League Riflery, and under the afternoon sun, they were covered by the shade of the firing range. Although the reliving shade of the range helped out the accuracy, the heat was soon rising and the pressure was on. Sharpshooter TODD LAZARUS was present, and the range is like a second home to him. As always, TODD shot solidly, and retained some impressive scores. BENJI GAU was another name to look out for, and his level of effort is definitely worth a mention. Lucky Canteen no. 61

GUS MANRIQUE, SHANE OLSON, ZACH ZELMAN and WILL FRIEDMAN were all aiming down the sights too, trying to beat TODD's solid scores and shots. Eager faces watched on awaiting their turn in the spotlight as they queued up to make every shot count. Instructed by counselor ANDY SCHOFIELD and I, the talent that's found in the Longhorn league period offers a riveting competition! By ISAAC JARMAN

We're Havin' A Heatwave!

As you all would have noticed, the sun's been out for the past few days, and its been incredibly strong too. The past 3 days have been well into the 90s, and it's only just begun to cool off. The weather predicts storms and thunder, however the predictions are rarely right as it's so unpredictable. Although we've experienced rain today, we'll never know what the next day holds. Hold on tight to that water bottle.

ILLIAN FARBMAN tries his luck at the climbing wall

It's All At The Wall

By LEVI 'VICE' PASIKOV & SAM 'SHARK' GOODMAN On an extremely sunny day in the Wichita State activity period, we headed off to the Climbing Wall to try and witness some people reach the top. When we got there, we saw JEREMY SEGAL and DANIEL GOLDSCHMIT climbing the log side of the wall. The counselor present, CALUM MAKIN, made them an offer they couldn't resist. If they were able to make it to the top, they'd each receive a free canteen.

Both guys were displaying excellent teamwork, as JEREMY and DANIEL were both helping each other up if they were behind. JEREMY, being younger, was struggling to get DANIEL up, but they were making great progress. It was a struggle to get to the fourth log, but both of them showed great determination, and really did put in a lot of effort. Whilst trying to tackle the remaining six logs, the boys had a plan. When DANIEL reaches higher than JEREMY, he would wait and let JEREMY use his knee as a step, and vice versa when it was DANIEL's turn to step up. With a helping hand from JAKE ZWEIG, CONOR MURPHY and CALUM MAKIN, the guys reached the 7th log just as General was announced. Great job JEREMY and DANIEL! Next time you can aim for the 10th log!

Just Over The Net

There's always something interesting to watch in the MCAA Leagues, and today was no different. I was lucky enough to be holding the Junior and Intermediate Nucomb match between Team Brown and Team Rust. The sun was out and there was breeze blowing; the perfect setting for a great match. The match was extremely close, and Team Rust played very well to snatch the first game from Team Brown's hands. However, star players TODD LAZARUS and GAVIN BRAMWIT led the charge in the second game. Fueled by the loss of the first game, the duo carried Team Brown to a victory.

Team Rust were hit by the victory of the opposition, but their strong teamwork and willpower allowed them to pick themselves up from the loss. SAM GOODMAN and BENJI FRIEDMAN of Team Rust shone through the line-up, and demonstrated some excellent serves and returns. In the end, the third game went to the guys of Rust, and a well deserved win too. The boys of Team Brown came very close. However a few miscommunication errors cost them the match. Congrats Rust!

Skit Night: Menominee at the Movies

Skit night is a hilarious feature at Menominee, and for the second time this summer skit night was announced again! To the joy of all campers, skit night was to be held that very evening, and theme was Movie Imitation, that included Menominee in some form. Cabin 3 decided to take on the massive task of the Transformers series, and came up with the character ideas of MegaSteve and BumbleBari! The winners of the Juniors were Cabin 5, who came up with their imitation of Fight Club. It left the crowd bursting with laughter, and nearly all counselors were poked fun at. They went head-to-head against each other in Fight Club

Cabin 13 perform their skit at Skit Night

battles, and the funniest had to be when CADEN OLSON as CONOR MURPHY battled DANIEL MALIS as DAVID HULSTEDT. ROBBIE APPELBAUM and DAVID MIZOCK were also impersonated by LEVI 'LEVICE' PASIKOV and SAM KOGEN. The winners of the Senior age division was Cabin 11, who decided to do an amusing skit of The Hunger Games. JUSTIN OLSON played a hysterical version of JACOB 'BALLS' BARSTACK, and JONAH WEISS played the interview. Counselors and staff were mocked in good taste, and it's a huge contribution to why they won the senior age division. Even MIRO was featured in the skit, and was crowned winner of The Hunger Games. Cabin 18 performed a series of clips from different movies in a compilation type production, that was strung together in a spectacular fashion! The CITs had their shot at a skit, and decided to pick a great movie to base theirs on, 21 Jump Street. NATE FRIEFELD decided to take on the role of KOZ, and was granting people their wishes. TAYLOR BEAUSINGER was waiting for CHIN to get him some water for his medication, but had to wait for three hours and still didn't get his water! Cabin 8 won the intermediate division, with the help of counselors TOM MARINE and ROBBIE APPELBAUM. All in all, it was a very successful skit night, and each skit night so far has been progressively more funny!

Hit it or Quit it

It was a beautiful morning for Michigan Softball for Final Four. Everybody hustled out to the Bob Bender Senior Diamond to show off their skills.

CHASE McBRIDE and DANIEL DRISCOLL pitched great in the scrimmage, putting their match experience and skill into practice. ETHAN SAKS was positioned at first base, and had made a couple of extraordinary stops during the practice match that took place. MAX ZLATNIKOV was another player pushing the boundaries at the BBSD, both in terms of skill and literally. His hitting abilities shone through, when he made a home run by smashing the ball to right field. Base running is always key in Softball, and a promising talent is SAM MILLER, who showed both agility and great leadership skills. They say that one of the best attributes a player can hold is sportsmanship, and the players out on BBSD weren't short of that at all. JONATHAN LAZARUS and ROSS FISHER both played the field really well, and hit like no other. Third base player AIDEN BRAMWIT also played his best, and had a great game. In the true Menominee way, at the end of the game everybody huddled in for cheers. MAX RUSS finished cheers with "On the color green, Menominee"

Pursning Par at Golf

On a wonderful Saturday morning, with the breeze blowing and the sun shining, a few campers took to the golf course to practice their putting. It was a great day to be playing golf!

JAKE FISHBEIN, ADAM SAGERMAN, GABE NEWMAN and JONNY LISS were out on the course playing golf, trying to improve their skills. It wasn't a free game, there were 4 free canteens on the table for them if they did well. TOM ADLER was the first person to hit the ball on the green. However, ADAM SAGERMAN was next in line. He was second closest to the hole after the second hit, and wasn't too far off either. JAKE FISHBEIN hit his third shot, but unluckily it landed right next to the hole instead of inside it. He did manage to hit it in on his fourth go though. Trailing just behind, JONNY LISS hit the golf ball onto the putting green on his third try. On his fourth go, he got the ball in the hole. TOM ADLER was also experiencing the same luck as JONNY, and also made it on his fourth go.

The campers were having a great time and were enjoying themselves. Although nobody won a free canteen, everybody was happy with their performance.

Fun Down at the Waterfront

By BENJI FRIEDMAN

At the waterfront, I got on a paddleboard and decided to go boating. I was going out into the lake when suddenly it became very windy, and the water became choppy. I saw MAX BEERMANN close-by along with LEVI 'LEVICE' PASIKOV paddling on a raft board near the shore. Whilst trying to paddle towards me, MAX fell off of the raft, and LEVI and I were roaring with laughter. However, MAX wasn't too impressed, so he ended up shaking my paddleboard, to which I responded by a fake shove with my oar. He flinched and we both started laughing. It was a great laugh, and explains why the waterfront can be so popular!

Birch Knoll Social Edition.

Monday, 22nd July 2013

Menominee Welcomes Birch Knoll

It was a nice Friday evening for Camp Menominee when they realized that the ladies from Camp Birch Knoll were coming over for a social. The news was announced at lunchtime, and when Steve dropped the good news, the whole Mess Hall roared with cheers and chants. Everybody loves socials! TYLER BORSTEIN rolled out of Cabin 13 wearing his polo and ready to get some phone numbers. He then proceeded to walk onto the dancefloor, and began a display of the most mesmerizing dance moves that this world has ever seen. Crowds stopped and stared, astonished. From that point on, it seemed that every girl wanted to be around Tyler!

Meanwhile, BRIAN 'MIT' SHEN was making an impression on the counselors from Birch Knoll. The combination of his looks and his sunglasses proved too much for the girls. We may have a future celebrity on our hands! His confidence and swagger could only be matched by the likes of rapper Jay Z (speaking of which, BRIAN has recently been signed to Def Jam Records on a six-year contract). Lucky Canteen no. 131 On the other end of the dance-floor, ARI GOLDBERG and MILES RACENSTEIN were the life of the party. An audience of campers came to watch their dance moves and shapes. The two Camp Menominee warriors were full of energy and spirit, running around the campfire area like they had just overdosed on sugar.

The music was put on by none other than DJ PARKER HEWES, who aced the song choices and had everyone throwing shapes, accommodating everyone's taste in music. The social, overall, was a lot of fun, and even CHASE McBRIDE and ROSS FISHER were seen having a good time. It's now a waiting game until our next social comes about. By COLE NEUMAN

On Point For Kawaga

Yesterday, we witnessed the beginning of the Kawaga team trials for archery, and some real talents have been unearthed.

First up were the archers from the 11 and under age group, and LEVI PASIKOV along with TODD LAZARUS and NICK PUJOLAS were the stars of the age division. Their red and yellow target hits were all consistent throughout their fivearrow round, and none missed the target. Other names that stood out were GAVIN BRAMWIT and ALEX RUSS, who both also shot very well. Next up it was the Intermediates turn to land a spot on the team. RYAN BLUM, CHASE WEIMAN and GRAYSON FLOOD all did their best in the round. GRAYSON placed his arrows perfectly, hitting the yellow target twice in a five arrow round, with the rest of his score being in the close-red zone. A name not to be forgotten was BRETT WEISS, who used the Bandit bow to land a respectable score. Last, but not least, the 16 and under group had their chance to make the team. Star shooters NATE FRIEFELD and JAKE ZWEIG did not disappoint. They shot to ensure their spots on the team once again. JUSTIN SHOENEMAN was also a solid shot, racking up a fair amount of yellow and red hits to earn a place. JAKE FISHBEIN took well to the Cobra and Predator bows, and as a result, racked himself up a good amount of points. A lot of kudos goes out to everyone that tried their best on the range. It was great to see some people trying and loving archery for the first time. By HUGO FEATHER

Chips at the Ready: Casino Night

Casino night 2013 was an absolute blast! Everybody had a ton of fun. It all began when flag was called, and everyone was called to the flagpole.

After flag had been lowered, I gave a brief introduction to Casino Night, explaining what it was and the rules to the new campers. After that, everybody rushed to the Mess Hall in cabins. Each camper was given 16 chips each to use, and to make a return on. The games were so fun that even the counselors were getting involved.

There were a wide range of games taking place, ranging from Texas Hold'em to Rock Paper Scissors. Blackjack was a very popular favorite on the night, and JAKE FISHBEIN was a great example of that. Despite the C.I.T's leaving early for a meeting, he still managed to win 180 chips in high roller blackjack. There was some commotion at the roulette table, when MAX COHEN almost ran out of chips when JONAH GAGERMAN put in a bet of 25 chips and left with 125 in one round. Bandits of the high roller area were counselors TERRY JONES and ALEX SYKES, who both dominated the blackjack table completely.

The security guards placed around the premises didn't have to work too hard, as cheating wasn't too much of an issue. All of the 14 year olds had a great time running the make-shift casino in the Mess Hall, and as organizers, we hope that everyone else had a great time too!

A Waterfront Adventure: Part 2 By BENJI FRIEDMAN

Whilst in a General, me and a few friends from Cabin 13 went out on the waterfront. It was really funny when my paddleboard nearly got stuck under the dock. Then SAM KOGEN decided to pick us up along with MAX BEERMAN and LEVI PASIKOV on his paddleboard and give us a ride. Nearby, MICK RACENSTEIN was happily kayaking away in the water, until SAM KOGEN decided to jump on the kayak and almost tipped him over! It was hilarious to watch. MAX was being a nuisance, so I started hitting his paddleboard with my oar. It was all in good fun, and not malicious at all, and it was funny when SAM KOGEN started to pull my paddleboard around the water. I wasn't paying that much attention, and soon enough I fell in the water. Laughing it off, I got out of the waterfront and checked out on the buddy board. The waterfront always has something new in store every single day.

Kawaga Jersey Edition.

Go Menominee, Beat Kawagal

What a surprising encounter we had last night. After canteen, we thought that it would just be an ordinary flag lowering, but we were all so wrong. All campers know that Camp Menominee loves dishing out surprises, and this one was no different.

After the flag was lowered, we all took a seat on the near basketball court around Steve, who gave a talk on energy conservation and waste. He soon pointed out that the entire Senior cabin was nowhere in sight, the cue for the Seniors to rush out from the back of the Arts and Crafts department and rush the whole camp into the Mess Hall.

After some staple Menominee chants and cheers, it was time to hand out the brand new jerseys! Counselors and the Seniors made a hand-tunnel as a journey to their jersey, and cabin by cabin, each camper ran through and collected their brand new black Kawaga t-shirt. First up was Cabin 3, and RYDER and COOPER SPECTOR pelted through the tunnel like they were running a track event. COOPER was very happy with the 'COOPEK' found on the back of his jersey. CHASE WEIMAN was seen sporting his 'KIM CHI' jersey as soon as he got it, and ASA SILVERMAN seemed really proud of the 'ACE' on the back of his. MILES and MICKEY RACENSTEIN both added to their collection of their many 'RACENSTEIN' jerseys, of which the tally is now 6. One of the most memorable cabin tunnel-sprints had to be Cabin 11, who all went shirtless through the tunnel led by none other than JUSTIN OLSON. Lucky Canteen no. 47

It was a great sight to see the whole of CM in their black jerseys chanting along to the Menominee favorites, and the spirit of the camp was truly united. Thanks to Steve, our jerseys now hang proudly from the cabin rafters, and will see the light of day when we play our rivals, Kawaga. By CHINMAY JAVERI

The Climbing Wall Needs You!

Ah climbing. What a way to spend Generals. Ever thought of a really challenging task? Want to do something you can't do at home? Want to check out the best view at camp? If the answer to any of those questions is yes, then you're missing out on the best wall in Menominee. Fellow campers such as JUSTIN OLSON, JAKE ZWEIG and even JAKE CZUPEK have taken on the colossal challenge of the wall, and defeated it. The question is, can you? Climbing is one of the only activities that challenge your co-ordination and skill. It's not rushed or timed, and guaranteed that every time you go up, you will improve. Campers such as CAMIL MAROUN and JACOB BERLINGER had accepted the mammoth task of scaling the 50ft structure and are on their way to succeeding. Could you be the next CAMIL or JACOB? There's only one way to find out, and that's to try it. We have a lot of great equipment and a zip-line too. What more could you want? Be, a JUSTIN, JAKE or JAKE and come to the climbing wall for Generals today!

TODD LAZARUS tries out for Kawaga Hockey

Hockey Kawaga Practice

On a overcast, cool day with a lot of breeze, floor hockey was taking place down at the War Memorial Inline Hockey Arena.

Everyone did a fantastic job in the first official Kawaga practice, and I personally have a lot of faith in the teams we're going to put out. Although everyone did an excellent job, a few young men really stood out in the crowd at the arena.

One of those young men was TODD LAZARUS, who had an absolute cannon of a shot and displayed he has great on-ice vision. When it came to agility, RYDER SPECTOR was one of the best, and his level of ball control was second-to-none. The way he was able to maneuver the hockey stick to control ball direction was incredibly impressive, and deserves a spot in the team for it.

All hockey teams need a solid defense, and in practices, JACK FORMAN was the man to count on when his team's defense was under pressure. Whizzing past the opposition was none other than MAX BEERMANN. His speed in the practice session seemed like he had jets in his shoes, and was one of the fastest boys out there. When looking for a good all-round player, JAKE 'The Snake' HOODACK played well, and solidly in-between the pipes.

A lot of writers and journalists out there are making a lot of noise about this 11 and under potential floor hockey squad, and are eagerly awaiting the match that's taking place in a few days.

As a coach, I'm confident that these guys have what it takes to beat anything that comes in their way. Go Menominee, BEAT KAWAGA!

Let The Games Begin!

Yesterday was not a day to be forgotten. The night before we all went to sleep early for the extra rest, but was completely unaware of what was going to hit us tomorrow morning. At precisely 6:30 on competition morning, the humming sound of music started breaking into the dreams of campers. As the gentle and calm awakening was just setting in, the Senior Cabin stormed through all of the cabins, creating a racket! The chanting of DYLAN FRIEDMAN, JAKE ZWEIG and REID KANTER jolted the cabins with a startled awakening, and the worst part was that WOODY caught it all on cameral After shifting out of bed, Camp Menominee

Coach MIZ and the Football Squad

rushed into the Mess Hall for their pre-match meal. By this time, the crowd were pumped and ready to face the opposition. After we all ate our 'Beat Kawaga' breakfast, the under 11s and under 16s jumped on the school buses, whilst the Intermediate age group stayed back on home turf.

The spirit on the bus to Kawaga was higher than ever, and the Green and Whites were going to put up a great fight against the Kawaga boys. Shouting the loudest were ARI GOLDBERG and MAX BEERMANN, who were pumped and ready to beat the Blues. Sooner than we expected, we were there and ready to meet our match. It was straight off the school buses and into matches, with Newcomb and Football being first on the cards for the under 11s and under 16s respectively.

The day went incredibly well on the whole, and despite the boys from Camp Menominee losing the majority of the games, everybody still had a great time and enjoyed themselves. Although we are a competitive camp, it's important to note that the most important factor is to have fun! The Intermediates were on a spree back at Menominee, and won all but two of their games, so a lot of kudos goes out to them and their efforts. A big thanks to Kawaga for providing a great lunch and dinner, and most importantly to all participants, as you all demonstrated the Menominee way yesterday. We were so close this time round but we didn't get the win against the Braves. Don't worry CM, we'll get them next time!

A Close Call at 16C Football

Flag football is a sport that many people enjoy and find entertaining, so the match against Kawaga for the C team was more than ready to play. REID KANTER started the match off with some great snags in the centre of the field during the first half, allowing Menominee to block a Kawaga attack. JOSH KRAVITZ as quarter-back threw very well. However, the execution in the end-zone fell just short of scoring. ANDREW MERHOLTZ rushed extremely well, and broke free from the opposition very easily, and got himself a sack to start off the game. The wrath of JAKE FISHBEIN was too powerful for the blue-heads, and blocked the opposition like no other. Also, because of his aggressive play, no sacks were let through either. In the end it was all down to execution, and we just fell short of Kawaga's score. By PARKER HEWES

11A Soccer fights hard at Kawaga

Our 11A team were out on Kawaga's pitch on Thursday, and the result wasn't one we hoped for. The team tried their best and gave it their all. However, the Kawaga squad had more co-ordination than us between the defensive and midfield sections.

It wasn't all bad news though, as there were some real stars on the pitch for us. ADAM HIRSCH and JEREMY SEGAL worked together and ADAM managed to score a goal against the boys in blue, with JEREMY assisting the goal. GUS MANRIQUE was a massive help as a central midfielder, and played an excellent game. He had some great tackles, and precision when he was passing the ball. JACK FORMAN and OSCAR MANRIQUE were playing both left and right midfielders, trying to break free at every opportunity on the wing. PABLO GUEMEZ played great, and had a few shots on goal that were just wide or were deflected and saved by the keeper. At half time, the score rested at 4-1 to the Kawaga campers.

Fueled by the injustice of the scoreboard, Camp Menominee came out screaming and ADAM HIRSCH blasted a ball just wide of the post. A very close call ADAM, and Kawaga were startled by the response. Our goalkeeper, ADAM MASSELLO, made some excellent saves on the day. However, there were just some break-away goals that couldn't be stopped, and he couldn't save them. Even though the score was at a major gap, ADAM still continued to put in effort and persevere with the game, a tough task to face when your team is down.

In the end, the tiring Menominee squad settled for a 6-1 score with the Kawaga Braves. They played a hard-fought game until the final whistle, and hopefully the team took some pointers from their loss to make them better players next time around.

16A Softball: A Ref's Perspective

It was a windy and cold day out on Kawaga turf, and the 16A softball team lined up for one of the most important games of the competition. If only these players knew in hindsight that this would be one of the most on-edge games that the team had ever played.

At the beginning of extra innings, the score was 7-7, with Menominee making a remarkable comeback down from 7-1. The boys had their pride and passion on the line, so it was at this point that the Green and Whites fought back. Staring at the face of defeat, the Menominee boys' bats came alive and stormed back into the game. JUSTIN SCHOENEMAN was a

player that hit well under pressure, and ripped a clutch two-out game tying triple. The Menominee crowd went wild, and the Blues went quiet after many innings of gloating. A lot of credit goes to the infielders ADAM SAGERMAN and ETHAN WEISS, who held Kawaga at bay for the rest of the game. Arch pitcher ANDREW BLECHMAN also played superbly, and caught people out whilst they were on strike, resulting in the game going into extra innings.

The score was 7-7, and Menominee had pulled back an outstanding game from the grasp of the Kawaga boys. With only one inning to go, the game was heating up. Kawaga and Menominee both went through rounds without scoring, and the game was really going down to the wire. With a base runner on second base, and two outs already, it was time for Kawaga's no.4 hitter to take strike. With a simple and clean shot to the left, the runner was able to score and make it home, breaking the hearts of fans and players alike.

ETHAN WEISS summed the game up the best, "It was a tough loss, but I will always remember playing in this historic camp game". Although we may have lost, this may have been one of the greatest comebacks ever seen in a competition, and the perseverance of the Green and Whites was an honorable effort

The Wall is a place where we publicly endorse these practices and more! You even get fitted into your own harness, be able to wear a funky helmet and be attached to a rope as thick as a McDonalds milkshake. Don't worry if you haven't climbed before. JAKE, JUSTIN and the rest of the team will keep you safe and sound so you can continue to climb in the best way possible. Even new climbers such as CAMIL have at least reached the half-way mark on the 50ft wall. However, our glorious editor CHINMAY 'CHIN' JAVERI only managed to scale the wall two meters before he fell off. Embarrassing really, so new climbers will have nothing to be ashamed of. 11C Football at Kawaga

Over at the grounds of Kawaga., the 11C football game was taking place, and it was one that will be remembered by all the participants there. Menominee didn't come off with the victory, but all players fought a very hard game, and put their blood, sweat and tears into the match.

The first few minutes of the match weren't looking so good, as the Menominee boys were on the back foot as Kawaga scored some points. A few offside calls later, the Green and Whites started to fight back and get into shape. The combined efforts of LEVI PASIKOV and CALEB SAKS allowed the team to start scoring points, despite the difference on the scoreboard. JEREMY ZELKEN also played well in the latter half of the match, and picked his form up to help his team out. In the last five minutes of the match, SAM LICHTMAN playing as quarterback threw a pass to JEREMY SEGAL. The pass then led on to a coast to coast run to give the Menominee Indians a score of 7. SAM KOGEN's role as center back was also compromised due to Kawaga's co-ordination, but that didn't stop his perseverance.

In the end, the final score wasn't enough to get Menominee to win, and they didn't have sufficient time to make a comeback. They fell short of the victory by four touchdowns.

11A Softball Brings the Win!

The sun was out for the 11A softball game, and SAM KOGEN was on fire. He pitched a nearly flawless game, and was cheered on by overwhelming support from his team. ADAM MASSELLO played like a star, imitating Brooks Robinson at third with his impressive score and legendary strong arm. There was some strong short-stop play by GUS MANRIQUE and some solid and consistent hitting by the arms of TODD LAZARUS, TYLER PHILLIPS and also OSCAR MANRIQUE. NICK PUJOLES hit like no other, and the team as a whole paved the way for an easy win against Kawaga.

The guys slammed the score-line, and the result was 14-3 to the Menominee Indians. A fantastic game to watch and be a part of.

The Canoe Trip pt. 1 By SAM KOGEN

It was on a Saturday at around 3PM when we departed for our cance trip. It took us about an hour and thirty minutes to arrive, and once we got there, KOZ started cooking us burgers. PARKER HEWES, DAVID DRANE and DARIEN FLOWER started setting up the tents, and GAVIN BRAMWIT and I were telling stories to one another. We were just about to start, when DANIEL MALIS came by and said the burgers were done. The cheeseburgers were really good, thank you KOZ! Once the burgers were finished, we prepared all of the tents for our group. We saw KOZ drive off and we were now just with the counselors. We were all happy when we saw the boxes of s'mores that awaited us.

16C Triumph at Softball

On a brilliant afternoon at Kawaga grounds, the softball team were pumped and ready to face their match. Their 'softball diamond' already seemed inferior to our Al-Lewis and Bob Bender diamonds, so the boys could easily flourish on this away soil.

In this particular match-up, it was a great day to be a Menominee Indian. Our 16 and under softball team absolutely dominated the opposition from the mound. Our team served up nasty pitch after nasty pitch, throwing the other team off guard. We even saw a couple of moon balls out there. The opposition didn't even come close.

ETHAN 'WAGS' WAGMAN had a stellar game, making huge plays in the field. He even walked a few bases, because the Kawaga pitcher knew that the WAGS hit hard. TAYLOR 'BEAU-BEAU' BEAUSINGER had a few smashers to the left field throughout the game, and clawed some runners home in the contest. TOM CAMERON was solid in the batting box, and played well behind the plate also.

Before we all knew the match was over, and manager ALEX SYKES led the C team on to a fantastic victory. The final score was an incredible 17-6, and was an awesome game at the swamp!

The Start of Green and White

By CHINMAY JAVERI

Just as the hype of the Kawaga competition died down, we're thrown into the amazing competition of Green and White. As we all know by now, the Administration at Menominee love giving us surprises, and last night was no different. After doing 'The Way' in Wasserman Hall due to the weather, all cabins got ready for bed and were prepared for taps. In an unlikely twist of events, STEVE spoke on the P.A system and announced there was an all-camp pizza party! An incredible surprise! The energy from Cabin 3 when they heard the announcement was enough to raise the roof, with COOPER and RYDER SPECTOR looking as surprised as the

counselors. Cabins rushed into the Mess Hall to find delicious pizza already on the tables. The best part about it was that the teams were written on the cardboard pizza bases, so everyone could prepare for the "Go Green, Go White" chants. JAKE FISHBEIN was ecstatic to find out he'll be representing the Green team, and ETHAN WAGMAN looked pretty happy to be on Team White. The team-sheets are as follows:

160 Basketball Stay Spirited

The 16C basketball team was ready to play their game from the moment they entered the Kawaga basketball 'courts'. With all eyes on them, they knew that they had to bring their Agame to the table.

With a slow and steady start to the first quarter, the boys were able to get on a run and close Kawaga's lead to just three points, and a score of 7-10. ANDREW MEHRHOLZ and JOSH LANSKY were the team's leading scorers, with five points a piece. TAYLOR 'Beau-Beau' BEAUSINGER, in his final basketball game against Kawaga, showed his heart and was a monster under the glass. He grabbed multiple rebounds in the duration of the match, helping out the Menominee Indians a great deal.

At the end of the game, the Menominee men were not able to close the gap to ensure a victory. The final score was 11-32 to Kawaga. Both teams played hard and the boys were shaking the hands of their rivals and showing good sportsmanship. I couldn't be more proud of my team.

16B Football Kick-Off

By ROBBIE APPELBAUM

The day started with Menominee rolling into Kawaga grounds on the buses. The 16-and-under age group had to play their game of Football first. The squad took to the Kawaga field, warming up on their grounds and aiming to get a great start.

The game started in favor of the Menominee Indians. The stellar defending of JOSH LANSKY and JARED LEVINE ensured the Kawaga attack couldn't pass. Unfortunately, however, this trait didn't last and the Kawaga offense soon broke through. This resulted in a strategy that the Menominee boys didn't have an answer to, and Kawaga continued with their strategy the entire game. The win went to Kawaga, and although we lost, the team can take away many traits to work on for future matches. A special mention goes out to TAYLOR BEAUSINGER, who played great in offense.

13 and Under Kawaga Tennis

At the Jim Buzz-Wyeth tennis courts, there was a clash of the titans as Menominee and Kawaga went head-to-head on the first day of competition. Menominee got off to a guick start as the number one and number two doubles pairs, TYLER ZWEIG and JOEY HARRIGAN alongside DANIEL DRISCOLL and ROSS FISHER dominated the boys in blue. Kawaga showed potential when they narrowed their lead; the result of a close win at the number 2 singles match. RYAN BLUM came up with a huge victory at the number one singles match against the #10 ranked player in the Midwest from Kawaga. Kawaga once again narrowed the lead as they won the number 5 singles face-off. MAX ZLATNIKOV clinched the victory for Menominee in his game with a flawless performance against his Kawaga rival. Soon after, JOSH GOODMAN and ISAAC WEISS defeated their opponents to ensure a victory for Menominee. The boys in Green and White played amazingly, and it set the tone for the rest of the events on the first day of competition. By TERRY JONES

16B Soccer: Valiant Efforts

By JOSH BULL

It was a very interesting game to watch, and as a coach of the game, I enjoyed every minute of it. My Menominee boys had played their hearts out, and their effort alone is commendable. I was extremely happy with GABE NEWMAN, who bit the bullet and played his first ever soccer game on Kawaga's turf. JARED LEVINE is also another favorable mention, turning the heat on Kawaga and scoring a goal against them. TAYLOR BEAUSINGER was the team captain and played great, using good communication skills. BRANDON PTASZNIK experienced his first ever soccer game as a goalkeeper, and played the role excellently. The score didn't reflect our efforts, and we'll win next year. Final score: 5-1 to Kawaga.

16U Tennis Triumph

The atmosphere was as electric as a US open final when the matches between Menominee and Kawaga began on the first day of competition.

In the singles match, the rock of the team JAKE FISHBEIN was competing, and his form was incredible. He was striking the ball like Roddick would. JAKE crushed his opponent 6-1 and being the rock that he is, it was almost impossible to get him off the court. The second win was reigned in by one of our C.I.Ts ANDREW BLECHMAN. After falling down to Kawaga opposition 0-3, the fantastic tennis coach COREY REINER pumped ANDREW up for the next game. He then went on to win 6

JOSH GOODMAN celebrates the tennis victor

straight games, forcing his opponent to use his weaker backhand. The win went to ANDREW, and Menominee were leading 2-0. We were just two matches away from setting the tone for the competition.

JOSH LANSKY was like a brick wall, and didn't let a ball get past him. He played a singles match against a Kawaga player that had been playing tennis for his high school. JOSH didn't let that statistic get to him, and played cleverly by making his opponent make the mistakes to bring in the win. He crushed the boy in blue 6-2, another Menominee win.

The final match was a doubles match, and ETHAN WEISS alongside JUSTIN SCHOENEMAN were ready to make the win a green one. The attitude on the other side of the net was very arrogant, so these guys were playing not only for their win but their pride too. In the end it was all just words, and ETHAN and JUSTIN stayed mentally strong. They came back from trailing 0-2 to winning the game overall 6-4, clinching the match from blue hands.

I couldn't have been happier coaching the boys on their journey to victory, and I'm very happy with the way they've played in the competition. They've done their Camp and their colors proud and I can't wait to have the opportunity to coach them again. By COREY REINER

16A Football's Game Against Camp Kawaga

The 16A football team took the field first thing Thursday morning, very confident and excited for their game against Camp Kawaga. The defense came out hot and had interceptions by DYLAN FRIEDMAN and JARED LOIBEN. The offensive attack led by quarter-back ANDREW BLECHMAN took a few drives to get going, but we were gaining yards on receptions by JUSTIN SCHOENEMAN and NATE FRIEFELD. Lucky Canteen no. 9

The score remained 0-0 until the final play of the first half when Kawaga scored on a deflected pass. TYLER KOEHLER-DAVIS played outstanding, blocking on offense and flag-pulling on defense. TOMMY BLASBURG gave the Kawaga quarter-back a lot of trouble by piling on the pressure in every phase of play. ETHAN WEISS caught an amazing touchdown pass, but it wasn't enough for the Green and Whites. In the end, Kawaga sailed to victory with an overall score of 27, whilst Menominee trailed far behind with only 6.

11A Newcomb is a Very Close Call

The 11A newcomb team stepped onto the sand of Camp Kawaga with a burning fire in their eyes. As soon as they stepped onto the court, the team heard the roars of support from the surrounding CM crowd that had gathered to watch the showdown. They were prepped and ready to compete.

The team had a rocky start to the game, with the first round being handed to Kawaga. However, with great serving from ADAM MASSELLO and NICK PUJOLES, the team was able to fight back for a second-game victory. TYLER PHILLIPS also provided great game-play with electrifying slams and quick hands up at the front line. The third game ultimately went to Kawaga, but the Menominee boys didn't make it easy. Both teams played a great game and the boys in Green and White showed great sportsmanship

16B Basketball is Filled With Spirit

As the 16B basketball team took the court that day, they were feeling a little concerned as they looked over at the Kawaga opposition and realized they were heavily outsized. However, that wasn't going to stop the team from winning, and JAKE FISHBEIN demonstrated how Camp Menominee do it.

He scored the first basket of the game and controlled the paint in the first quarter. After the quarter ended, the game was tied at 7 a piece. From this point on, something triggered the Kawaga defense, and they stepped up to play a remarkable game. JUSTIN 'SCHOENY' SCHOENEMAN did all he could to get the team back in the game.

In the end, Kawaga was just too much for our Menominee Indians, and the game was handed to Kawaga.

The 11C newcomb team stepped up to the tall order of being first to compete the event away from home on Kawaga grounds. We played with lots of spirit and determination, and although we didn't win the game, we all had a great time. OSCAR MANRIQUE made some really impressive serves, and DANIEL MALIS, DAVID FISHER and PABLO GUEMEZ also were really helpful to their team's score. We played well, but unfortunately lost. 13B Baskelball Win

13B basketball contributed to the 13-and-under basketball sweep of Kawaga by defeating their opponents by a score of 28-11. It was the aggressive defense of guards JONAH GAGERMAN, RYAN GENENDER and MATTHEW GOLD that led to baskets in transition and made life difficult for the Kawaga ball-handlers. After trailing at the end of the first quarter, Menominee's defense stepped up and shut out Kawaga in the second quarter to help them take control of the game. Some timely three-pointers from MATTHEW GOLD and RYAN GENENDER helped Menominee pull away late in the game. Solid free-throw shooting was down to the hands of ISAAC WEISS helped seal the game for the Menominee Indians. Not to go unnoticed was the rebounding skills of MAX ZLATNIKOV and JACOB BERLINGER, which helped Menominee heavily limit Kawaga's scoring opportunities.

11B Basketball Outsized by the competition By BEN ELLINGSON

Basketball is always a popular choice amongst the boys at CM, and each person had a chance to display their skills. Menominee played a very hard fought defensive battle against Kawaga. They held their own against a much taller team, and their players were very agile. TYLER PHILLIPS led the team in scoring, and tried his best in securing a victory. However, Kawaga grabbed the win, but the boys tried their best.

Volleyball Victory Against Kawaga

In the match against Kawaga, the 16-and-under volleyball B team were ready to show Kawaga what they were made of, and to rack up some wins for Menominee.

In the volleyball game it started well, but soon enough Kawaga were pushing ahead. At the end of game one the points lay in the hands of the Blues, but the Menominee team did not let this get to them. They put all this behind them to try and aim for the win in game two. Players that really stood out were JAKE FISHBEIN, JOSH KRAVITZ, VINCE BOFFA, REID KANTER, JOSH LANSKY, TAYLOR BEAUSINGER and DANIEL

BEN-ISVY, and their increased cohesion and co-operative skills helped them push the score-line in Menominee's favor. The guys battled hard and the score leveled out to 1-1. The next game was about to take place, and this one was the decider. The tension in this game was so thick that someone could have cut it with a knife. There were brilliant saves, dives, spikes, serves and aces that both teams performed, but at last it came to the final match point. The Menominee team were on edge, and only needed a single point to clinch the victory. The last serve was brilliant, and looked as if it was going to be an ace, but a Kawaga camper passed it back over to the Menominee side. JAKE FISHBEIN sealed the deal with an amazing slam over the net to spark the cheering from the Green and White crowd. The winners for this match were indeed Menominee, coming back from 1-0 down to winning 2-1 in the mini-series.

Newcomb 11D Players Hold Their Heads High

It was one of the opening events of the Kawaga competition, so the 11-and-under players were feeling the pressure as they stepped onto the sand courts.

BENJI GAU, MATTHEW GLASSBERG, SAM GOODMAN, COOPER SPECTOR, BRIAN SHEN, ASA SILVERMAN, RYAN FIRMIN, JEREMY SEGAL, BECKETT DOYLE, ELI SILVERMAN and CADEN OLSON trotted out to take part in one of the most competitive games of newcomb they'd ever played. The 11 young men were high-spirited, despite a late scramble by Kawaga to provide a team. Menominee put six players up for the first game, which were MATT, BENJI, JEREMY, SAM, RYAN and CADEN to try and bring a win for CM. Their opening plays were very strong. However, Kawaga's use of substitutes led the Menominee Indians to fall behind.

The Green and Whites proceeded to lose the first game. The second game was much more hopeful, as the young men battled to the final point, only for the victory to be taken from their hands by Kawaga. Although they lost the match, Menominee still stood strong. True spirit was shown when they gathered for cheers of "Alvivo" after the match, with their mentality unaffected by the result of the match. Lucky Canteen no. 10

Softball Win For The 13Cs

A long day of tough competition came to a close on Thursday when the men in black played their 13-and-under softball games. The $\mathcal C$ game was conducted on Old Al Lewis, where history was sure to be made.

The Menominee men jumped off to an early lead when RYAN MILLER hit a 3-run homer in the first inning. After that, Camp Kawaga weren't even close to coming back, thanks to some great defense by BENJIE SOREN, JACOB BERLINGER and JACKSON WEIL. Kawaga were also having a very hard time trying to adjust to the moon balls that were thrown by MAX RUSS. It was a great game, and Camp Menominee finished with a 8-0 shut-out.

Unfortunate Loss for 16A Soccer

The day was overcast and the boys from Camp Menominee were ready to demonstrate their soccer skills.

They started the game on a low-note, going down 2-0 in the first half of the game. There were some promising moments though, as ANDREW BLECHMAN made some stellar saves against the Blues, keeping his team in the game and ready for a comeback.

The team came out full-force in the second half, and a goal was scored straight from the feet of DYLAN FRIEDMAN, who was assisted by TOMMY BLASBERG. JARED LOIBEN, REID KANTER, TOM CAMERON and JAKE ZWEIG played some tenacious defense, but their efforts were just short. The boys of Kawaga then scored another to make the score 3-1 overall. Just as the team were going to show some promise of retaliation, the final whistle blew

The team put on a great fight for a team as good as the one Kawaga provided. Coach PARKER HEWES was very proud of his team and their efforts, even though the result of the match wasn't a favorable one.

As the campers from Kawaga arrived at Menominee, everybody hustled out to the near soccer pitch for the 13A soccer game, and the beginning of a day filled with competition. The teams took the field and began to play a game they would never forget. In the first half, possession was dominated by the boys in blue, but thanks to some brilliant defense from JOEY HARRIGAN and ILIAN FARBMAN, Menominee were able to hold them scoreless. The defensive struggle continued in the second half, until CHASE McBRIDE burst through the Kawaga defense and fired a rocket off his left foot for a goal to put Menominee ahead 1-0. 13A Football Gets Tough

The Menominee football match against Kawaga started off slowly in the 13A game, with the boys getting down to a score of 0-13 within the first four minutes. After the nerves started wearing off, the boys from Menominee began to turn up the heat.

JAKE JONES hit the Kawaga defenders with an array of juke moves to set up a TD catch performed by MATT GOLD. Kawaga and Menominee kept trading scores, although going into half time, Kawaga was up by 13. To start the second half, RYAN GENENDER caught a deep touchdown pass to keep Menominee in the game and close to Kawaga. However, penalties caused the score gap to increase and Kawaga pulled away. MAX ZLATNIKOV and CHASE McBRIDE connected for two touchdowns in the final minutes of the game, but too little too late as time was nearly up.

The Under-11 Hockey: Miracle on Foot

With an entire morning of pumping up, the 11-and-under hockey team rolled into Kawaga with a positive attitude, and were oozing confidence. During warm-ups, both teams looked good, and you could tell it was going to be a very close game.

The game started out as a stale-mate, as neither teams' offense could pass through the strong defense. At the end of the first period, the boys in green had a rough line change and Kawaga took advantage, going up 1-0 with the second period well in sight. When the second period began, the boys in green jumped right out of the gate when WILL

ROSS FISHER squares up the competition at

FRIEDMAN scored on a stick-side shot that got right past the goalie to tie the game at 1-a-piece. That got Camp Menominee started, and WILL struck once again with another brilliant goal. This time just past the Kawaga goalie to put Menominee up 2-1 to close out the second period. In the third period, Kawaga was able to get a shot in the goal off a rebound from goalie JAKE HOODACK, tying the game at 2-2. The rest of the period progressed with a solid effort on defense by CALEB SAKS, STEVEN LISS, BENJI FRIEDMAN and TODD 'The Mighty' LAZARUS. Some great shots were taken by ADAM HIRSCH, GUS MANRIQUE, MAX BEERMANN and REMMY DOYLE. With about 60 seconds left on the clock, it looked like we were going into extra minutes. However, an extraordinary turn of events occurred. OSCAR MANRIQUE was chucked onto the ground by an opposing player, but got back up, took the puck past two defenders to the net and laid it in the top shelf past the goalie. The score was a 3-2 Menominee lead.

That was just enough, and as the game ended, the boys in green stormed the court to celebrate the massive upset they had just caused. Amazing goalkeeping by JAKE 'The Wall' HOODACK and great coaching from JONAH WEISS. A great job by the 11-and-under hockey team for giving it their all.

11B Softball Bombers

The 11-and-under B bombers took the field versus Kawaga with a big challenge. Pitcher JACK FORMAN pitched a fantastic game to keep Camp Menominee in the game for the whole duration.

Great plays in the field by short-stop ADAM HIRSCH, short-centre JACK SACKS, first base-man JAKE HOODACK and third base-man SAM LICHMAN all set the tone for the game with some critical plays and positioning. Patience at the plate and Menominee base-running won the game for us too, as well as brilliant hitting by GAVIN BRAMWIT, RYAN ROSENFELD, BECKETT DOYLE, BEN ZELKEN and CALEB SAKS. After an exciting and entertaining back-and-forth game, the men in black prevailed against Kawaga and went on to an 8-5 victory.

It was a warm afternoon with a cool breeze when riflery started. JAKE ZWEIG was the first to step up to the firing line at archery and scored a great 44 points.

On the riflery side of things, MAX SHAPIRO scored a respectable 23 on his card, and beat his fellow shooter from the opposition. The senior age group had an excellent session, boosted by the efforts of NATE FRIEFELD. He scored an incredible 50 out of 50 when firing his bow and arrow, a perfect score!

Soon enough, it was the Juniors' turn, and in riflery MAX BEERMANN lined up his gun and fired some great rounds. All in all, archery and riflery were great events for us. We kept our cool and helped each other out. We missed the win but we played the right way, which is the Menominee way!

There was some clutch shooting from CHASE McBRIDE, and some solid defense by RYAN BLUM and JACKSON WEIL. Despite trailing by double digits at some point in the second half, Menominee fought hard and overcame Kawaga in overtime. The intense defense of RYAN MILLER helped shut down Kawaga's strong post players. A strong performance off the bulk from BRETT WEISS also contributed heavily to a Green and White win. Volleyball 160 Ends Unst Short of a Win

The sandy courts of Kawaga were home to a match between the rivals Kawaga and Menominee, both eager to take a win to add to their tally.

It was a very tight game all the way through, but in the end Kawaga just edged a victory. Kawaga had clawed the victory of the first game by winning 21-17, to the dismay of the Menominee Indians. The awkwardness of the Kawaga court meant that there was a tree blocking some of the ground, which was a disadvantage, but we all soldiered on. The Green and Whites weren't going to be beaten easily, and fought back hard in the next game, equalizing to 1-1.

Amazing play came from the hands of TYLER KOEHLER-DAVIS and DYLAN FRIEDMAN, who set up JACOB CHORCHES for a spike that took it to game three. Game three was only to 15 points, but unfortunately Kawaga got there first.

Unlucky team, and we'll see you for a rematch next year Kawaga!

However, the Kawaga bats soon started to heat up and Menominee went from leading to trailing behind. CHARLIE KANTER pitched a fantastic game for Menominee, and NATHAN FRIEFELD hit a hiss rod over the left fielder's head for a home run.

Under 16's Hockey: Great Showmanship of Heart

Just after CM had defeated Kawaga at tennis, the 16-and-under hockey match was taking place at the floor hockey court.

The Camp Menominee hockey team started the game in a tough stalemate. Goalkeeper ETHAN WEISS worked hard to keep the score neutral, making some great saves. With some solid defensive plays by ETHAN WAGMAN and JARED LOIBEN, the men kept the puck out of the zone and kept the shots to a minimum throughout the entire first period. It wasn't until there was two minutes left that Kawaga redirected a rebound to take a 1-0 lead. Sixty seconds later they got another one past WEISS to take a 2-0 lead at the end of the first period.

RYDER SPECTOR eyes up the competition

To start off the second period, Camp Menominee busted out of the gate by getting some quick shots off on net from NOAH LAZARUS and JOSH KRAVITZ, but the goalie from the swamp continued to make save after save. The Kawaga offense and depth took their toll on the men in Green, and soon after, they took a 4-O lead by the end of the second period. In the third period, Menominee was able to end the shut-out by having ADAM SAGERMAN put a shot into the back of the net to make the game 4-1. Unfortunately, the Kawaga defense was just too strong for Menominee, and, despite giving it their all, they just couldn't make the comeback happen. After regulation time was over, the final score was 5-1 to Kawaga. Great effort was displayed by all, including defenders BRIAN GOLDMAN and TOM CAMERON. The back-up goalie, JONNY LISS and co-coach ROBBIE APPELBAUM both displayed determination and tried their best in the game. Great job Greens for giving it your all and keeping the game intact for the entire time.

The Skiing Competition!

The day of the ski competition started very early in the morning. BRANDON PTASZNIK, GABE NEWMAN, JAKE CZUPEK and PAYTON ISBERNER loaded out equipment into the Toyota Land Cruiser and set off for Camp Kawaga at 8AM. We arrived at Kawaga and the competition started almost immediately.

Up first was the slalom ski competition, and BRANDON PTASZNIK and GABE NEWMAN stepped up to the challenge. Both guys showed amazing determination, putting in solid runs. After some really good sandwiches for lunch, it was soon time for the wakeboarding competition. JAKE CZUPEK and PAYTON ISBERNER were up for this one, and both guys performed extremely well by putting in personal bests. During the wakeboarding event, we received a phone call letting us know that ETHAN 'WAGS' WAGMAN was given the all clear to ski after undergoing an injury. Soon enough the knight in shining armor had arrived, and was hand-delivered to Kawaga by none other than TERRY JONES in the Forerunner. After some discussion, ETHAN was allowed to ski in the competition, and put on an amazing show on the slalom course. He also took part in the barefoot event, and had a solid performance. All in all, the whole team did a really good job. Menominee took fourth place overall, and I couldn't have been more proud of the guys.

11B Soccer's Downfall

It was an overcast day out on the Kawaga soccer pitch, and it was a day that the 11-andunder's had a chance to face-off against the Blues. It was a great game to watch, as both teams played very strong. Kawaga had the upper hand in the first half, and scored three very early goals to give them a substantial 3-0 lead. Menominee then picked themselves up and defended very well.

SHANE OLSON was a character that was amazing as a defender, and was a stone in Kawaga's shoe for the match. Menominee's offense then came into play with MAX BEERMANN making some vital passes and shots to keep the Green and Whites in the game.

In the second half after a brief team talk, Menominee came out stronger than ever and we had a lot of great chances that could have been goals. REMMY DOYLE played great during the second half and was a real attribute to his team. Unfortunately, we then conceded two more goals, bringing the score to 5-0.

The final whistle blew, and although the scoreboard didn't show our true efforts, I was very proud of every player on the pitch. We're coming for you next year Kawaga!

11A Hoops Fall to Kawaga

By JULIUS ONI

The Menominee 'soldiers' took to the Kawaga basketball courts to face up against their opposition. The Kawaga players outsized our guys, but that didn't stop them from trying their best. OSCAR MANRIQUE scored an excellent lay-up as he darted in and out of the Kawaga players like they were inanimate. GAVIN BRAMWIT also played a solid game, and had many close shots on hoop. Lucky Canteen no. 139

Other honorable mentions in the match would be ADAM MASSELLO and GUS MANRIQUE, who were both great at moving up the court. TODD 'The Mighty' LAZARUS played a great defensive game, and helped the team out despite the loss. The overall result, however, wasn't a favorable one, and Camp Menominee ended up losing to Kawaga by a substantial amount. With more teamwork and co-ordination, we can win next time

The OLSON brothers team up in socce

11C's Honorable Defeat

What a gripping soccer match it was. Undaunted by the results of the previous events, the team went up against the Kawaga Braves with a focused mindset and heaps of determination.

The first half was an equal game in terms of possession. Support from players such as DANIEL MALIS and SAM KOGEN meant that the defense was strong and Kawaga's offense were denied the chance of a goal in the first half. Unfortunately, something had to give way. As the Menominee Indians grew tired, Kawaga took their opportunity and mobilized their substitutions. We alternated CARTER WALSH and JAKE 'HODAG' HOODACK in goal to conserve energy on the field. However, the Braves had a virtually fresh team, on the pitch and then took the lead.

Menominee, however, weren't going to go down so easy. COOPER and RYDER SPECTOR, TYLER BORSTEIN and CALEB SAKS all contributed heavily to the defense of the team. There was a real sense of teamwork and sportsmanship, and when the final whistle blew we cheered and applauded.

We all congratulated the Blues on their victory and took our honorable defeat. Special thanks to DAVID DRANE, HUGO FEATHER and COREY REINER to their support, leadership and involvement within the team.

11-and-Under Tennis

By COREY REINER

The outcome of the 11-and-under tennis match was unfortunate, as the results didn't match the level of effort that the campers put in. GAVIN BRAMWIT, ADAM HIRSCH, BENJI FRIEDMAN, GRANT FISHER and MATT GLASBERG all did a great job, but it wasn't enough for the skill that Kawaga displayed. We were outmatched, but all players showed great determination

A Ridiculous Win for 13C Football

Football; an event that holds great significance to the Menominee men. After the lunch break, the well-rested Menominee team took to the field on full stomachs.

JAKE CZUPEK undertook an unrelenting pursuit of the under-matched opposing quarterback on the Menominee turf. DANIEL DRISCOLL led the charge against the Kawaga Braves with both arms and feet, amassing multiple touchdowns to add to the scoreboard. Some of his favorite targets including -KYLE GOLDMAN, ETHAN SAKS and JOEY HARRIGAN- were on the receiving end of several spirals that went for

scores. On the defense for CM was PEYTON ISBERNER, who was a stalwart in the backfield. His interception skills allowed him to intercept a pass and bring it back for a score. Finally, VINCENT DECARLO got in on the action, converting an extra point by taking a handoff and rushing to the goal. All in all, the boys played a perfect game, shutting out our rival Kawaga completely. The final score was an incredible 57-0 to Menominee, and everybody on the team contributed a great deal to the victory. By ELI BERNICK

16A Basketball Miss Out on the Win

Over at the swamp courts, our men dressed in black were about to play the best basketball team that Kawaga had to offer. The star player of the match was undoubtedly ETHAN WEISS, who made vital plays for the team and tried to keep the game on target. JOSH KRAVITZ did his part for the team too, and set up some fantastic opportunities. REID KANTER played very well on the break, using his agility to maneuver through Kawaga players.

It was unfortunate that on the court, three pointers weren't falling for us. Every time we tried one, the ball missed the hoop and the opposition regained the ball. TYLER KOEHLER-DAVIS played a solid match, but in the end it wasn't enough. The win went to the Kawaga Braves. I give kudos to all the members of the team for not giving up, and trying the whole way through. By JULIUS ONI

The 13B Softball Sweep

By JACOB BARSTACK

As the day of competition came to a close at Camp Menominee, the boys in black took to the field for what would be an extremely exciting 13B softball game.

The Green and Whites got out to a guick 2-1 lead thanks to the great pitching from the hands of DANIEL DRISCOLL. In the bottom of the third inning, Menominee was able to add some insurance runs, thanks to a 2-out grand slam from TYLER ZWEIG. Menominee then went on to add an incredible thirteen runs in the bottom of the fourth inning, courtesy of two home runs by ISAAC WEISS. Menominee finished the game in style, and ended up winning by a landslide. The final score of the match was 20-1, leaving our opposition Kawaga feeling very outclassed. The Lucky Canteen no. is the score that Menominee got in 11B newcomb in the 2nd game

Under 16's Hockey

It was a very hostile environment out in the swamp on a cold Wednesday afternoon. The boys from Menominee gathered their equipment and headed off to Kawaga, where they were greeted by the opposition. The boys were pumped and ready to bring a win home for Menominee, so their spirits were high before they came into the game.

ETHAN WEISS and JOHNNY LISS split their time between the pipes, and rotated their time at goal. On the defensive front, ETHAN 'WAGS' WAGMAN alongside TOM CAMERON held their own, trying to prevent the ball from travelling to the home side. ADAM SAGERMAN played very well, and scored Menominee's only goal of the match, smashing the ball straight past the Kawaga keeper. JUSTIN SCHOENEMAN and JARED LOIBEN were absolutely vital for the Green and White's offense, breaking through and confusing Kawaga's defensive strategy.

The guys showed unbelievable heart and determination on the 'ice' on Wednesday afternoon. The coaches and officials from Menominee couldn't have been more proud of the hockey team. Although the Menominee Indians couldn't scrape the win, it was still a great game to watch.

11B Newcomb Comes Close

By JOSH BULL

Out on Kawaga's sandy volleyball courts, an intense game of newcomb was about to take place. In the first game, Kawaga stole the thunder, but only just. ADAM HIRSCH and CALEB SAKS did a great job up front, and played a solid game. Despite their efforts, the final score resulted in a 15-10 loss to Kawaga. In the second game, the game-play heated up as Menominee turned on the afterburners. REMMY DOYLE's hands were as if they were covered in glue, and he caught almost all balls thrown at him. GAVIN BRAMWIT had some amazing serves, and placed the ball well on his throws to his teammates. It was a very hard fought game, but in the end, Menominee just lost out, losing the game 15-13. A lot of promise was seen in the team, with great passing and throwing skills. We'll beat them next year Menominee!

TOMORROW'S WEATHER 75 F CHANCE OF STORMS

11D Basketball

The game against Kawaga started out neck and neck, with both Camp Menominee and Camp Kawaga matching basket to basket.

MAX BEERMANN handled the ball very well, and was getting to the line throughout the game. MILES RACENSTEIN played big down low, snatching rebounds and putting a few balls in the net. ARI GOLDBERG helped out his team by playing some ferocious defense. He used his skills to trap opponents in corners, and came away with a few steals. He also made a very impressive 2-pointer towards the close of the game.

Whilst the team had great heart and attitude throughout the duration of the game, the size of the CK team was just too much for a smaller Menominee squad, and Kawaga came out on top with the victory.

13D Basketball Takeover

Over at Menominee on the home courts, a match between the 13D basketball teams was taking place against Kawaga.

DANIEL DRISCOLL led his team at point guard, feeding the big man PAYTON ISBERNER for easy buckets. AIDAN BRAMWIT came up with big steals and fed VINCENT DECARLO for some easy points. MAX PTASZNIK dominated the parameter with his strong defense skills and steals. JAKE CZUPEK controlled the inside, making it hard for Kawaga players to break out. Menominee strode to a 29-3 victory, and a well deserved one too. Great job guys!

The Wrestling Matches We'll Never Forget

After a long day of competition everyone from both camps merged together at the swamp for the final event. As I approached the wrestling mat I realized that Kawaga had no idea what they were getting into. We started with the 60-pound weight class and RYAN FIRMAN came out ready to represent the men in green. Although suffering a defeat he still exemplified all the traits of the Menominee way and had fun in doing so. Next it was JONNY BLOOM's turn to wrestle. He pinned the Kawaga camper without a problem.

The CM Wrestling team celebrate their win!

The next up to wrestle were RYAN GENENDER and ETHAN WAGMAN. Both boys wrestled for an overall time of 30 seconds, resulting in two huge Menominee pins. Then ADAM SAGERMAN and ROSS FISHER wrestled their hearts out but it wasn't enough, and Menominee suffered its second and third loss. Our next wrestler was JARED LEVINE, wrestling at 120LB. Using pure strength, he pinned the Kawaga kid with ease. ETHAN SAKS came out on the mat looking determined and ready; despite being younger than his opponent, he made the boy regret getting out of bed that morning.

Next was our most average wrestler, ANDREW MEHRHOLZ Despite his lack of experience, technique and overall athletic ability, he still managed to pin his opponent. NOAH LAZARUS, JAKE ZWEIG and JARED LOIBEN were both asked to step up and wrestle against Kawaga's most veteran wrestlers. Although they had both lost, they worked extremely hard not to give up any extra points. DYLAN FRIEDMAN and TOMMY BLASBERG displayed a wrestling clinic on the wrestlers from Kawaga by getting perfect pins.

We only had one C.I.T wrestle in the face-off. JUSTIN SHOENEMAN was reluctant to wrestle in the completion due to lack of experience but because of his amazing coaches, JONAH WEISS and yours truly, he reluctantly stepped onto the mat with one goal in mind, to win. JUSTIN started the match with a huge lift, a high crotch takedown. After 3 minutes the score was tied 9 all and we were going into overtime. JUSTIN got the first takedown then the last takedown to win the match.

The Decade Club By CHINMAY JAVERI

Loyalty and tradition are two big factors that come into play over here at Camp Menominee, and nothing says those two traits better than to spend your summers here at the friendly confines for ten years! Three new members of The Decade Club now exist this summer, with the additions of BARI KANEFSKY, DAVID MIZOCK and ROBBIE APPELBAUM. With their years of experience and exclusive t-shirts to match, their contributions to this camp are priceless and camp wouldn't be the same without them. Here are the members of the 10 year club for 2013:

Volleyball Victory for 13D

Tensions were high in the afternoon as the Menominee and Kawaga volleyball teams took to the sandy court by the beach. The wind coming from the lake that afternoon didn't affect and interfere with the game, and both teams displayed some quality games of volleyball.

Putting the team on their backs, DANIEL DRISCOLL and JUSTIN OLSON both consistently hammered the opposition with well placed serves. JOSH GOODMAN, JONAH GAGERMAN and VINCENT DeCARLO held the team together with controlled sets and spikes.

In the end, Menominee fought hard to win the match in just two games. The final scores, 21-18 and 21-17 to Menominee. Go green, Go white!

Soccer 13B Wins in Extra-Time

The Menominee Men took to the pitch on Thursday with one goal in mind; victory.

With JUSTIN OLSON in goal playing strong and JONATHON LAZARUS along with ISAAC WEISS as defenders, Menominee had a strong defensive strategy in hand. On the offensive aspect of the team, ETHAN SAKS, the left foot of MICHAEL GLASBERG, KYLE GOLDMAN, JONAH GAGERMAN and DANIEL DRISCOLL led the charge against the Kawaga defense. After a frustratingly high number of missed opportunities on goal, the regulation time ended and the score was still 0-0.

Extra time was about to start, and despite strong efforts from both teams, the score-sheet remained goalless. It was now down to penalties, and the aforementioned golden foot of MICHAEL GLASBERG proved to be just enough to put the boys from Menominee 1-0 up.

After a grueling hour of high intensity and competition, the match was over and the boys from Menominee had come away with the win. Great job guys!

11A Softball Domination

Having not won an event since the day before, the 11-and-under age group began their softball games with a point to prove. On the 11A softball field, it was evident that the boys were unaffected by the previous results of the day.

A lead-off single by WILL FRIEDMAN eventually led to a 1-0 lead by the end of the first inning. Coming into the second inning, CM got on base with a lead-off double and scored on a double hit by REMMY DOYLE to put CM up 2-0 to end the top of the second inning. Stellar defense by GUS MANRIQUE and MATHEW GLASSBERG kept Kawaga scoreless through the bottom of the second inning. At the top of the third inning, Menominee's bats once again struck early as TYLER PHILLIPS hit a double to start the inning and scored on a single by GUS MANRIQUE two batters later. A walk down by TODD 'The Mighty' LAZARUS brought home ADAM MASSELLO to put Camp Menominee up 4-0.

In the bottom of the third inning with two outs already on the board, SAM KOGEN gave up his first hit. Little did the Menominee men know that this was the start of the action in an unbelievable game.

In the fourth inning the boys in black brought in another run, holding Kawaga to '3-up 3-down' and bringing the lead to 5-0.

In the fifth inning, the CM bats were on fire. ADAM MASSELLO started it off with a single, and the bats kept going with hits by OSCAR MANRIQUE, NICK PUJOLAS and TYLER PHILLIPS. On top of this, it was capped by a grand slam to right-centre by ADAM to bring him into a 4-4. A three run, three RBI day. By the end of the slugfest, where Camp Menominee had batted around the order throughout the inning, nine more runs had crossed the plate. CM were now at a 14-0 lead.

Kawaga had a small comeback in the bottom of the fifth inning, with their first three batters getting hits. They accumulated a total of two runs in the inning, bringing the score to 14-2.

After a scoreless sixth inning, the Kawaga coaches threw in the white flag. Led by SAM KOGEN's 5-hit pitching performance and MATTHEW GLASSBERG and ADAM MASSELLO's combined seven RBI's, the Menominee victory against Kawaga was achieved. The final score was 14-2 to Menominee. Great job guys for putting a clinic on out there!

Five Years Strong at Menominee

By CHINMAY JAVERI

Today we are celebrating those individuals who have pledged their time and loyalty to The Friendly Confines. These people have dedicated many summers to Camp Menominee, and it's always a pleasure to see them back here for another year. Over the five or more years they've resided here at their home away from home, they've built friendships that will last a lifetime, gained skills that they wouldn't gain elsewhere and have also had the most fun playing what they love best; sports. Five years is a substantial amount of time to devote to a camp you love, and we know that camp has benefitted from the time these guys have spent here. With open arms, the Menominee Indians would like to welcome the following people to the exclusive Five Year Club.

16A Softball: A True Demonstration of Heart

Weary from a long day, the men of the 16A softball team watched the remainder of the 16B softball game, pumped and ready for action. As the first pitch drew closer, the men knew that they had to give the game their all. They were ready.

As the game started, Kawaga was able to force three outs through three batters and struck early by scoring 1 in the bottom of the first to take an early lead of 1-0. The second inning came and went with no damage done to either team, with the score still staying at 1-0. Despite back-toback hits by ANDREW BLECHMAN and REID KANTER, Kawaga still

Key Player: JUSTIN SCHOENEMAN on the diamond

managed to end the top of the third with nothing crossing the plate for Menominee.

In the bottom of the third, with runners on first and second, a line drive got past JARED LOIBEN to clear the bases and bring the score to a solid lead of 4-0 to Kawaga. In the fourth inning, Kawaga again retired the side '3-up 3-down' and knocked in two runs in the bottom of the inning, taking the lead even higher to 6-0 when going into the fifth inning. In the fifth inning, the Camp Menominee boys made it a game. Following the first two batters getting out, JARED LOIBEN drew a walk that started what became a seven-run two-out rally. Singles by ADAM SAGERMAN, ANDREW BLECHMAN and REID KANTER loaded the bases whilst also driving in JARED. A base-clearing double by ETHAN WEISS made the score 6-4.

Consecutive walks by NOAH LAZARUS and JAKE ZWEIG loaded the bases again for JUSTIN SCHOENEMAN, who hit the gap at right centre to clear the bases and put the men in green tied at 7-7 with his triple. Kawaga then responded again by hitting a lead-off single and tallying a run in the bottom of the fifth inning to go up in the game with a score of 8-7. After both teams put up solid defense to have an unscathed sixth inning, REID KANTER was able to score on a single by JAKE ZWEIG to put Menominee back in the game, and tied 8-8.

Kawaga was knocked down 1,2,3 including a strike-out in the bottom of the seventh inning to force extras at 8-8. Despite solid contact by TYLER KOEHLER-DAVIS and BRANDON PTASZNIK in the top of the eighth inning, Kawaga made some impressive plays to knock the Menominee boys 1,2,3. In the bottom of the 8th, the Kawaga batters got two outs and hit a double to put a runner in scoring position. The following batter then had the best hit of the game for Kawaga to knock in the game winning run, clinching victory. The final score was 9-8 to Kawaga in eight innings.

ANDREW BLECHMAN pitched one of the best games of all time. The 16A team of REID KANTER, ETHAN WEISS, NOAH LAZARUS, JAKE ZWEIG, JUSTIN SCHOENEMAN, TYLER KOEHLER-DAVIS, BRANDON PTASZNIK, JARED LOIBEN, ADAM SAGERMAN and ANDREW BLECHMAN is one of the best line-ups Camp Menominee has seen to this day. Despite the outcome, ROBBIE APPELBAUM and myself couldn't be more proud of this team and how hard they played in the game. They demonstrated ala principles of the Menominee Way, but primarily 'Heart'. Gentlemen, there's nothing to be disappointed about; hold your heads high for playing the best softball game this camp has seen in years! By DAVID 'MIZ' MIZOCK

Our Counselors Fight Off Kawagal

It was a chilly night outside, and the whole camp was allowed to stay up late and watch the basketball game against Kawaga on Thursday. The team were pumped and ready, with the home court advantage on their side. The Kawaga buses pulled up, and many of their campers had turned up to watch the game.

The lights were on and the game began. The team got off to a quick start, with BEN ELLINGSON getting the first bucket of the game. Menominee soon took a quick 6-0 lead against the Kawaga Braves, using excellent teamwork and not making any mistakes. Kawaga kept up with Menominee throughout the game, and the score was neck-and-neck for most of the match, with neither team being able to get a substantial lead. WILL MULHERN had a big game, leading the team in points and rebounds. ROBBIE APPELBAUM was another player that was key in the Menominee team, helping out players on offensive and defensive grounds.

A big threat against Kawaga was ALEX SYKES, who's offensive strategy got him many of the assists in the game. JULIUS ONI was a big oncourt presence, and an intimidator for the boys in black. TERRY JONES played as a tenacious defender in the game, holding back the Kawaga offense and blocking many opportunities for them. PARKER HEWES and DARIEN FLOWER were also brilliant lock-down defenders, and stuck onto their targets like glue. PARKER's speed and agility helped him stick onto a breakaway player for Kawaga, in turn preventing a lot of shots to be taken.

It was a great game to watch, and in the end Menominee were victorious over Kawaga. The final score was 39-36. Of course, this all wouldn't have been possible without the help of our head basketball coach, TOM ADLER!

Special mentions go out to JACK FORMAN and GAVIN BRAMWIT, who both ran the 4.5 miles despite their young age. GAVIN did very well in the run, and placed ahead of nearly all the runners, finishing second! After a two year long retirement, ALEX SYKES decided to return and win his fourth Doc's Run event at Menominee. Also a big thanks to Dr. Kenny Miller for coming back to The Friendly Confines once again and being part of his very own run. In the Doc's words, "you don't even have to run, you can walk the course". The run was a great success and a lot of fun. We hope to see everyone running next year!

Awards Night 2013

On a cold Wednesday night after flag, all campers rushed down to the waterfront to sit around the campfire for awards night. The awards were hand made by each activity head, and ranged from the usual 'MVP' award to even awards based on effort.

When it came to the waterfront, BRANDON PTASZNIK picked up the kayaking award, and RYAN BLUM got the skiing award. JONNY BLOOM came home with an amazing wrestling belt when he won the award for World Heavyweight Champion, and ETHAN WAGMAN got the 'Stick of Heart' for his performance in wrestling this year. When it came to golf, ANDREW BLECHMAN came out on top with the MVP award; a well

deserved plaque. Amongst tennis awards, JAKE FISHBEIN managed to score himself player of the year, and overall champion went to JONATHAN ROSENFELD.

In the climbing activity, a special award had been given to the best climber of the group, codenamed 'Mt. Everest Award. The winner of the award went to JAKE ZWEIG, and he got a very special Mt. Everest replica made with rocks. Sharpshooter TODD LAZARUS got an award for his riflery skills, and his name now hangs in the Mess Hall. NATE FRIEFELD and LEVI PASIKOV scored 'Archer of the Year' awards for their archery skills. In Football award hand-outs, ETHAN SAKS came away with the award for best player, and NICK PUJOLES grabbed best guarterback. JAKE JONES was named the best passer in basketball, and JACKSON WEIL was honored as best defensive player. Team TKD came out victorious in softball for the second round of Twi-Light League, and won their trophy, alongside Team KOGEN for the juniors! It's been an incredible summer for sports, and the amount of awards given out on Wednesday By CHINMAY JAVERI night demonstrates the true sporting ability that Camp Menominee holds.

Climb Onl

Everyone loves a challenge. It doesn't matter what context it's in, whether its playing a game on a PS3 or facing off in a softball competition at college level, competition is in human nature. So when Camp Timberlane invited the boys from Menominee to a climbing regatta, it would be silly of us to decline. JACK FORMAN, JONAH GAGERMAN and MAX WEINGARDT formed the Menominee team and competed not only against Timberlane, but our neighbors Camp Chippewa. Three events were to take place. A traverse (boulder) climb, a designated hold climb and a speed climb. These three climbs were followed by a brief awards ceremony, in which JONAH GAGERMAN won an award for the fastest traverse climb on the difficult wall. MAX amazed everyone when he not only climbed and competed well against other camps, but tried out for two different events that he placed well in. Timberlane have an award for the highest standing climbing wall in North America. It was a great privilege for Timberlane to let us use their wall. We hope that with the huge success that this event was, we can continue competing against Timberlane in the near future in climbing related events.

120 Timberlane Baseball

The boys in green stepped off the Menominee vans after the lengthy service road leading to Camp Timberlane. Excitement was in the air as the boys were warming up for some baseball action.

With a defense that could arguably be the best in the Northwoods, the Camp Menominee team took confidence straight into the game. Using and utilizing planned strategy to get the first runner across the plate, JOEY HARRIGAN's single to the left field allowed WILL FRIEDMAN to make it home. When pitching, ETHAN SAKS made a few mistakes in the game. However, he ended up getting all 3 outs on strikeouts, 2 swinging and 1 looking. "I just had all my stuff working out there for me today" he told reporters after the game.

Team CM were very close with a scoring chance in the 2nd, but couldn't deliver with the bases loaded. Then, in the bottom of the 2nd inning, a hard hit line drive got caught by a diving split move from gold glove owner WILL FRIEDMAN. Arguably one of the best catches that I've seen this summer.

Despite some solid pitching from MATTHEW GLASBURG and SAM LICHTMAN, the Timberlaners pulled away with a five run rally in the bottom of the 3rd to win the shortened game 5-1. Honorable mentions go out to JONOTHAN LAZARUS, who did a fantastic job of catching throughout, and kept his team in the game.

Timberlane 120 Riflery

The boys from Camp Menominee have historically had a rough time to start with against Timberlane, and often the outcome isn't in our favor. However, today was a different matter in the under 12 riflery shoot-out. The competition was tough, but our boys played better. Lucky Canteen no. 133

Possibly the sharpest shooter at camp, TODD 'The Mighty' LAZARUS, scored a ridiculously high 46 out of 50 to begin the showdown. Following TODD's success were solid rounds from GUILLERMO GUEMEZ with a score of 38, ALEX RUSS with a score of 31, and a personal best of 36 by CALEB SAKS. The Menominee boys were keeping up with Timberlane! With both teams both scraping the score from their first rounds, it was down to Menominee's last two shooters. The pressure was on for JOSH GOODMAN and MAX BEERMANN, and they didn't fail. Both shot well, and scored a 39 and 28 respectively to end the hard-fought competition and bring home the win.

The final score was 218/300 - 215/300 to Menominee, a very close score! The CM boys took home the win in one of the best shoot-offs I have ever witnessed.

Green & White

After a few relaxed days following the Kawaga competition, the campers were right back at it with the start of Green & White, and the whole camp was called in for a pizza party when it was announced. As tradition would have it, the first event was all-camp Vroom. A brief history lesson; Vroom was first brought into The Friendly Confines by Matt Vroomin in 1997, and was revamped in 2001 by the C.I.Ts. Throughout the duration of the game, everyone was on the look-out for Black Deaths MAX SHAPIRO and NOAH LAZARUS. JAKE ZWEIG proved why his captainship was well deserved by capturing two flags. JONAH WEISS, Green & White czar number 3, proclaimed that the Green team's flag would never be found, but it was later discovered. In the end, the Greens got on the board first, narrowly edging a victory.

The following morning, it was time for DAVE 'The Biz' MIZ's improved version of Infection. This years' revamp ran much more smoothly than last years, and it even took more than five minutes! Once again, the Greens came out on top, adding to their lead.

With momentum in their favor, the Green Team was confident leading into the Shoe Scramble. Campers sought to gain any advantage they could, such as ANDREW MEHRHOLZ using his Sperry's so he could easily find them. After the dust settled and the shoes were recovered, the Greens once again came away with the victory. Later that afternoon, it was time for the Rug Pile, a game of strategy and wit. Finally the White Team prevailed, cramming their smallest members onto the tiny rug to take their first event of the series.

Our next event took us out to the soccer pitch, with both teams attempting to Creatively Acquire the Energy Source. Voices from both sides, including MAX WEINGARDTs, were yelling "Call my number!" as they all waited for a chance to run home with the energy source. After a very tight match-up that continued until the third game, the Green team came out on top. As many thought the Green & White events were over, Dress up Night was still to come. Both captains put a lot of thought into their themes, with the Greens chasing the life of Will Ferrell through movies. The Whites on the other hand were impersonating the Avengers Chronicles. After outstanding performances from dressers COOPER SPECTOR, WILL FRIEDMAN and TYLER PHILLIPS among others, the judges had a difficult choice to make. With a narrow victory, the White team took the win to be an inch closer on the scoreboard.

The next morning the competition continued, with Capture the Flag in the gully. Much like creatively acquire the energy source, it took 3 games to decide a winner. Captain TYLER KOEHLER-DAVIS was seen trying to set free team members across the line to get them out of jail. In the decisive third and final game, the White team successfully brought the flag back to their side, winning capture the flag and beginning their comeback.

Next up was the Counselor Hunt, and the quest to find KOZ and WOODY for the first time in camp history failed yet again. Green and White czar JONAH WEISS hid in the softball shed at Bob Bender and was caught within the first 5 minutes of the game. MAX ZLATNIKOV was in search of counselors down Old Counselors Road with a group of his team members. In the end, the Greens were better at finding counselors than the Whites, building their on their growing lead. As a new addition to Green & White, all camp Knockout took place on the Mike Dunleavy Courts. Each camper represented himself and his team. After the Senior round ended in a White victory, BENJI SOREN locked it up for the Whites with his stellar 3-point shooting in the intermediate round. With two out of three rounds awarded to the Whites, the White team took the knockout to keep level with the Greens.

The following morning brought back a blast from the past, a tribute to 1995 and 2006. The game was D-Day, first started by Victor Rudo in honor of the Allied Forces storming Normandy during WWII. With some improvements by DAVID MIZOCK, this year's game was higher scoring than last year's. BRANDON PTASZNIK successfully made it across the line without colored dye and scoring a point for his team. Once the points were tallied up, the Whites came out on top, catching up with the score of the Greens.

After splitting Bari's Biffs and Menominee Monopoly, the second major event of the competition 'Field Day' rolled around. Battling the weather all day, both teams fought hard for the victory. 16-and-under softball were down to the final inning of a defensive battle with ANDREW BLECHMAN and CHARLIE KANTER pitching their best. The Greens would go on to take the softball game, as well as the event, but that didn't deter the Whites, who were still determined to get an overall victory.

On Monday night, it was time for the Sing, an event for which both teams had tirelessly prepared for. The boys were looking their best on stage, singing their hearts out to traditional camp songs and their team fight song. Both Green and White were very evenly matched, and it important that team captains REID KANTER, TKD, JOSH KRAVITZ and JAKE ZWEIG had pushed their teams to be the best they could. Although all were in unison throughout the Sing, it was the White team who remained smiling in the end, with a close win of 3-2.

As is often the case, Green and White 2013 would come down to the all camp relay. A 3-hour epic throughout camp that includes all activities. Once the rifle fired, the campers set off from the flagpole. The teams were neck-and-neck for a while until the Greens began to pull ahead. However, after some miscommunication, the Whites pulled even once again. "The relay is by far the best event at camp!" says JACKSON WEIL, following the sock after shooting his free throws. Expressing similar enthusiasm was C.I.T JACOB CHORCHES, who lamented the fact that he was no longer able to participate and instead could only watch. As the relay got close to the end and the Green canoe returned from Sand Lake, fire builders MAX SHAPIRO and ANDREW MEHRHOLZ lit their fire to boil their water. Fierce winds forced the fire away, but a united Green team flapped their hands to push the fire back under the tin bucket, whilst also chanting 'Burn Baby Burn'. Shortly after, the White teams came back, and ETHAN WAGMAN alongside REID KANTER lit the fire they had put so much effort into. With tension rising, both tins of water had yet to boil, and the fire builders sent their teammates to gather some more sticks. The Green water tin was the first to boil, and the team gathered for the last event, the water balloon relay. However, the awkwardly large balloons proved to be too much for the mighty Greens, who struggled to move the balloon up the hill. During this time, the White team made a huge comeback, and their fire eventually boiled the water. They then ran to the flagpole where the balloon race was on. Like the Greens, the White team initially struggled with the balloons and not knowing what technique would be best to use. During this struggle, the Greens were looking very promising, but eventually their worn out balloon popped and they had to start over again from the bottom From then on, the White team seized their opportunity for victory, smoothly passing the balloon from one person to the next. Alas, it made it's way up the hill and nex

In a tremendous display of sportsmanship, REID KANTER came back to help the Greens send their balloon up the hill, cheering every person on and showing him proper balloon-catching form. The White team win in the relay proved to be enough to win Green and White 2013. Congratulations to captains TKD and REID and the White team for their great accomplishment.
