competition, ski show, Green
and White competition, and
competition with other camps
including Kawaga, Towering
Pines, Mohawk, and Deerhorn.

The MEGAPHONE still

articles for this year's
paper. We also need
artists. If you are
interested in helping
us out see Bob Kaplan
in cabin 6 or Mike
Miller in cabin 12.

CARNIVAL SUNDAY

On Sunday June 30, the annual Menominee-Marimeta carnival will be held.

The carnival, which changes location each summer, will be held here at Menominee.

Each cabin will be responsible for the production and running of its own booth.

Prizes will be given for the best booth. The judging will be done by originality, and successfulness.

CAMPERS TO GO TO MINOCQUA

This weekend, campers and counselors from cabins 13, 14, 7, and 8 will go to Minocqua, after attending the carnival. There, they will have a cook-out and then go to see the Min-Aqua Bats ski show. The remaining cabins will do the same in the following two week period.

Those cabins not going to Minocqua will have a cook-out at camp.

CAMPFIRE

On Monday night June 24 Don Sider held the first campfire of the year. This campfire was a sing-a-long designed to teach new campers the words to camp songs. Some of the songs sang were "Menominee Menominee", "Hail to Menominee", "Bright as a Sunburst", "Hail our Colors", and "Fill a Stein".

Jeff Crane announced to the camp that a team comprised of present and past Menominee counselors had won a softball league championship in a University of Illinois 16 inch softball league, and presented the game ball to camp. The ball will be put on display in the living room of Bob's cabin.

The final part of the campfire was a group composed of Bob Schmidt, Roger Schroeder, Bogie, Randy Stein, and Larry Houtz. The group sang and played "Take me Home Country Roads", and "Kumbaya".

WHO KNOWS WHAT EVIL LURKS IN THE HEARTS OF MEN?

From the secret annals of The Shadow—
as recorded by Michael Miller.

THE SHADOW

KNOWS! WHO IS THE SHADOW?

The Shadow is, in reality, Ken Allard, internationally famous aviator - but to few persons, if any, has this knowledge been given. For in his contacts with society, The Shadow takes on the disguise of Lamont Cranston, big-game hunter and explorer. There is a real Lamont Cranston, but he spends most of his time in far-flung places of the world. It is with his permission that The Shadow adopts his identity.

Thus, The Shadow goes out into the night to aid the forces of law and order. He is helped by his agents: the lovely Margo Lane; Burbank, through whom go all The Shadow's orders; Clyde Burke, reporter for the Classie; Moe Shrevnitz, taxi driver-chauffer for The Shadow; and Harry Vincent, who frequently goes undercover so that The Shadow's plans are not thwarted.

Criminals everywhere cringe at the sound of The Shadow's mocking laugh and at the words that he speaks: "No matter what the crime, no matter how diabolical the plan, justice will triumph. The weed of crime bears bitter fruit. Crime does not pay. The Shadow knows!"

THE SHADOW: CITY OF DEATH PART ONE: THE COUNCIL MEETS

Inside an old abandoned house in Holmwood, we find that some of the town's leading citizens are having a meeting.

"Gentlemen, I need not remind you that what we have discussed tonight would put us all in jail, if it ever became known to the authorities."

"Nonsense, Mayor Baker - in this town, we are the authorities!"

"Yes...except for that young D.A., John Peabody. He is out to smash our little set-up...and with the aid of Ken Thompson, he could do just that."

"Then I suppose we'll have to do something about that."

"Councilman Kelly, it is strange that you should say that, since you are supposed to be doing something about that - unless, of course you're not the real Kelly!"

A face mask came off of Councilman Kelly to reveal the face of D.A. John Peabody. "Right you are, Mayor. We arrested the real Kelly two hours ago - and now it's your turn."

"I wouldn't bet on that, John!"

"Why, Jim Harvey, my own hand-picked police commissioner. I thought surely I could count on you and the police department."

"You probably can count on the police - they're all pitifully honest men -except for me."

"It's men like you who make it so tough for the rest of us to do our jobs."

"You won't have to worry about that for long!"

TENNIS TOURNAMENTS

16-UNDER TENNIS

Camp Menominee has been invited by Kawaga to take part in a 16 and under Tennis Invitational to take place on July 6.

The tournament will be set-up the same way as was ours last year. Each camp will send two singles players and two doubles teams to Kawaga.

Each match will consist of an eight game pro set with a twelve point tie-breaker at 8-8. The finals of the tournament will be a 10 game pro set with the same twelve point tie breaker at 10-10.

The tournament will be single elimination, with one point being awarded each camp for every win there players pick-up, with the exception being two points awarded to the winners of the finals in both the singles and doubles. You must be sixteen or younger on the day of the competition in order to play.

(Staff)

12-UNDER TENNIS

Camp Menominee is planning to host a tennis tournament for campers 12 years and under, either round robin or straight elimination depending on the number of camps agreeing to participate.

The set-up of this tournament will be the same as that of the 12 and under tournament held here last summer. Each camp will have a team of six players, two singles and two doubles. Sets will be six game pro sets with a 12 point tie-breaker.

The tournament is scheduled to take place at 10AM on Friday July 26. The rain date is scheduled for the next day.

You must be 12 years or younger on the date of the tournament in order to be eligible to participate.

From the secret annals of The Shadow,
as recorded by Michael Miller.

THE SHADOW

KNOWS!

THE SHADOW: CITY OF DEATH PART TWO: THE SHADOW ENTERS

At the home of Lamont Cranston, wealthy socialite, we find Cranston and his friend and companion, the lovely Margo Lane, reading the morning newspaper.

"Margo, look here. It says that that upstate D.A. - John Peabody - was killed in a hunting accident. Strange."

"Why, dear?"

"Well, tomorrow Ken Thompson gets out of prison. He qualified for parole as I'd expected. He was the assistant D.A. in Holmwood until he was nailed for taking bribes. Now they're paroling him in exchange for his turning state's evidence against some of the other officials in Holmwood."

"What's so strange?"

"Why would Peabody be out hunting just two days before breaking the biggest case in his life? Another thing - get me Clyde Burke at the Classic. Um, I see."

"Well, what is it?"

"John Peabody was a conservationist who was against the killing of wildlife. He just wouldn't be out on a hunting trip. This is a job for The Shadow."

"Is there anything I can do?"

"Yes. Call Burbank. Tell him to have Harry Vincent meet me at Holmwood. Also, have Shrevvy meet me outside in an hour. I'm going to Holmwood."

MONSTER NIGHT

On Wednesday night Robby Dann presented "Monster Night". Every cabin dressed-up one camper as a monster and prepared a short story about him. Monsters were judged on originality, ugliness, and presentation.

In the junior division the winners were cabins four and thirteen. Cabin thirteen won with Scott Stern as "The Abominable Julius Seaweed", while cabin four presented Randy Paset

as "The Boo Fairy", with Steve Schwartzberg as the announcer.

The senior winners were cabins nine and fifteen. Jeff Grant and David Jaffe announced as Mark Rosenberg played "The Purple People Eater", to win for cabin nine. Glenn Klein presented cabin fifteen's monster-Mike Isaac-"The Worlds Only Living Abortion".

All winning cabins received free canteens for their efforts, as did all the monsters.

SENIORS SEE PLAY

On Sunday night, campers and counselors from cabins 1,2,12, and 15 were joined by their Marimeta counterparts at the Nicolet College and Technical Institute in Rhinelander to see the play "The Fantasticks"

This play, subtitled "A Parable About Love", is the longest running American stage production in history - over fifteen years old. This version was done by the staff and students of Nicolet College.

The general opinion of those who saw the play was that considering the small size of the school, the play was well-done. Although not up to Broadway standards, it was an enjoyable break from the camp routine.

Afterwards, the cabins involved went out for a late-night snack before heading back to camp.

LUCKY CANTEEN NUMBER

This week's lucky canteen number is #67. If this is your number you may pick up your free canteen from Bob Kaplan.

LIMERICK NIGHT

On Friday night Larry Houtz presented the first annual Limerick night.

The camp was divided into two age groups. The 9, 10, & 11, & 12 year olds making up the younger division while the 13 year and older cabins made up the senior division.

In the Junior division the winners were cabins three and fourteen. Cabin three won with the limericks "We think that softball at CM is great, the coaches out there are first rate, but when Margie does spate, that a lap we should take, we think he belongs in the lake!" and "At camp there's a counselor named Houtz, who with great reservations and doubts, suggested a night, on which limericks we write, we think we should give him some clouts. Cabin three is made up of the following campers: Ricky Gordon, Frank Gurtz, Bob Jacobs, Phillip Kanter, Ron Jacobson, Charles Singer, and Lee Walzer.

The other winner in the junior division was cabin 14. Their limericks were: "In our cabin there is a strange dude, who is always eating strange food, artichokes with choc-

CLUB NIGHT - YES OR NO?

Due to the intense pressure of competition, I feel that team practices should be held later in the camp season than they are. This pressure is beginning too early for most campers' wishes.

I also believe that team practices should be held during the day. Two advantages to club days are that we have more time for free play and longer practices.

olate sauce, pickles with green moss, I wonder why he's in such a bad mood." and "At Kawaga they play a funny game, they never do anything the same, they throw and catch and kick and fetch, they don't know the rules- what a shame!". Their cabin is made up of Ron Diamond, Mike Dorfman, Jeff Faber, Matt Goldin, Ron Hirsh, Jeff Kirshner, Brad Martin, Steve Schaffer, Jeff Schwartz, and Mark Wiltchik.

The senior winners were cabins two and eleven. Cabin two, which consists of Mark Eiman, Larry Horwich, Jesh Leavitt, Bob Mikell, Steve Samuels, Steve Schaefer, Jordan Sternberg, and Henry Strub, presented the following limericks: "There once was a guy named Nate, whose ambition was truly great, he built the camp boys needed, no question he had succeeded, and Al's going at a pretty good rate." and "There once was a guy named Dick, who had this neat little trick, some records were trace metal, tapes were erased, now impeachment might make him sick."

The final winner was cabin eleven. Their limericks were: "There once was a Dick named Nixon, who was just about ready for fixin', He lived in the White House, belonged in the out-house, while covering up what he's mixin'." and "There once was a fish named Gefilte, that lived in a house Shmoa-vilte, he lived on chop liver, while drinking green river, and that really made him run-to the seder. This cabin consists of Ron Behm, Cal Bernstein, Larry Grandus, Jim Kirsh, Jon Koehler, Bob Leiben, Ken Lorant, Greg Martin, Mark Oshansky, and Mark Patinkin.

IMPRESSIONIST NIGHT

On Monday, June 1, Alan "Bogie" Boguslawski held his campfire - a night of impersonations and impressions. The camp was divided onto two age groups - the senior and the junior. Each cabin had 25 minutes to prepare a skit.

The winners in the junior age group were cabins three and six. Cabin three (see "Limerick" article) won with a skit about a boy trying to pass his final examination in Kung-Fu. Cabin six, which consists of Ron Bernstein, Brian Isroff, Steve Klein, Gary Lazar, Stuart Levey, Mike Loiben, Jack Richman, and Scott Samuals, did a variety show featuring Lily Tomlin's "Edith Ann" and a scene from the movie "Blazing Saddles".

The winners in the senior division were cabins one and fifteen. Cabin one (Mike Brotzman, Arnie Harris, Alan Lebowitz, Alan Levine, Jim Sanders, Scott Sandler, and Mark Stern) did several skits including one on "senior privilege", one on the President, and one on ping-pong. Cabin fifteen, which consists of Lee Blumenfeld, David Frisch, Alan Glick, Ken Grant, Mike Issac, Glenn Klein, Mike Levey, Neil Wyant, and Doug Weintraub, won with Ken and Lee portraying Alan "Wass" and Al Lewis.

After the campfire, British and American teams were chosen. Then, the winners of the campfire were announced, and the winning cabins received free canteen.

CARNIVAL AT MENOMINEE

On Sunday, June 30, the annual Menominee-Marimeta carnival was held. This year it was held at Menominee. Each camper was given ten dollars of fake money to spend on the booths that each cabin prepared, while the Marimeta campers were given \$20 of fake money.

There were many interesting booths including the ball roll, water balloon toss, telegraph booth, popcorn booth, and others. The booths were judged on originality, presentation and success.

The cabins that came out winners were cabins two, five, seven, thirteen, and fourteen. Cabin 2 did the casino; cabin 5 - the jail; cabin 7 - russian roulette (with a bucket of water); cabin 13 - penny toss; and cabin 14 - frissbee toss.

After the carnival cabins seven, eight, thirteen, and fourteen went to Minocqua to see the ski show. Later, the winning cabins received free canteen for their efforts.

AMERICANS WIN!

BRITISH AND AMERICAN COMPETITION

On Wednesday and Thursday, July 3 and 4, the annual Camp Menominee re-creation of the Revolutionary War was staged. The contest, known as British and American competition, involves splitting the camp into two teams. This year's competition included a new twist - the c.i.t.s acted as team captains.

On Wednesday, the track and field and swimming contests were held. The British won easily in track, winning sixteen events to The Americans' seven. However, The Americans came back to tie at swimming, with three wins apiece. Only the 9, 10, 11, and 12-year-olds competed in swimming because rain washed out the other divisions.

The remaining events were held on Thursday afternoon. First came the captains' duels. Each age group captain was given one or two water balloons to use against his counterpart on the other team. Whoever stayed the driest won. The Americans won here, winning in the 9 and 10, 11, and twelve in the 9 and 10, 11, and 12 year-old divisions and in the contest between the secretary of state and the queen. Final score: 4-2 American.

The last and most important event came next - Message to Garcia. Each team had thirty minutes to get across as many of their messages (team members) as possible. The value of each man ranged from one to ten points. The other team tried to prevent the "messages" from getting through. First, the Americans were on offense and The British were on defense. Then the teams changed positions. The Americans managed to get twenty points across, while The British only got twelve across. However, The Americans had four penalty points while The British only had one. Still, The Americans won 16-11.

The final tally showed The Americans winning two events, The British winning one, with one tie. Therefore, The Americans were declared the winners of British and American for this year.

After the fireworks tonight, both teams will receive free canteen.

This issue was prepared without the help or knowledge of Bob Kaplan.

THE MATCH GAME

On Wednesday, July 3, Steve Sider presented the Camp Menominee version of the popular TV show "Match Game '74".

The show starred Steve Sider as "Gene Sideburn" and Jerry Sider as his announcer "Don Wierdo". The panel consisted of Rick Shea, Alan Boguslawski, Dennis Koslawski, Bob Peters, Mike Cohen, and Jeff Crane as "Charley Weaver". The object of the game was to get more matches with the counselors on the panel than the other contestants from your age group. Each cabin sent up one contestant.

In the first game of the evening, cabin thirteen's Steve Kleinberg defeated Mike Dorfman of cabin fourteen one match to none. In the 11-year olds, there was a three way tie between Ron Jacobson (cabin 3), Steve Jacobs (4), and Gary Lazar (6). Cabin 5's Bob Litt also competed. Later in a run-off, Gary Lazar defeated his opponents two matches to one apiece.

In the twelve year-olds, Bob Perlmutter of cabin 7 won over Loren Blumenfeld of cabin 8 6-3. The thirteen year-old winner was Mitch Wallace of cabin ten who easily beat out Barry Handwerker of cabin 9 and Mark Olshansky of cabin 11.

The senior winner was Bob Mikell of cabin 2, who had no trouble defeating Arnie Harris (cabin 1), Alan Glick (15), and Todd Rosenzweig (120).

It was a fun campfire, and everyone was kidded including Roger Schroeder, Linda, Mike and Al Lewis, Donny Sider, cabin 12, and the c.i.t.s.

After the campfire, the winners and their cabins received free canteen.

FIREWORKS TONIGHT

Since today is July 4, the anniversary of the signing of the Declaration of Independence, Alan "Wass" will present the traditional fireworks display tonight. The annual event will be held by the lake between 9:30 and 10:00 tonight. The fireworks display is always an interesting part of the Forth of July celebration here at Camp Menominee.

LUCKY CANTEN NUMBER

This week's lucky canteen number is #15. If this is your number you may pick up your canteen from Bob Kaplan.

COMPETITION SATURDAY

On Saturday, campers from Menominee will compete in two different competitions. Our top six tennis players (16 and under) will travel to Kawaga to take place in a tennis invitational along with several other camps. Meanwhile, the rest of the camp will engage in competition with Mohawk in tennis, hardball, softball, swimming, archery, and riflery. GOOD LUCK, MENOMINEE!

We then finished up with a victory in the freestyle relay. The final score was CM 44 and Mohawk 12.

Menominee also did well in the ball games. In 11-under softball Menominee won 27-4 in seven innings. 19 runs were scored in each of the first two innings, as the thirteen and under softball team went on to win 38-4 over Mohawk. In sixteen and under Hardball we did just as well scoring 12 runs in the first inning and going on to win 13-0 in a game shortened to three innings. While Menominee had only five hits Jerry Sider pitched a no-hit game for Menominee.

In swimming competition we also did very well by winning both the 13 and under and 16 and under events, while dropping the 11 and under to Mohawk by the score of 35-21.

Once again this year, the counselors from Camp Menominee fielded a team to play in this years Eagle River 16 inch slow pitch softball tournament.

Team Menominee, without stars Dave Niedleman and Steve Ehrlich felt very confident, as they were about to play Dick's Citgo of Eagle River.

The camp was in full force at the game, trying to give the counselors an added advantage. They had plenty to cheer about early when Menominee pushed across three quick runs to take an early lead.

Later, in the bottom half of the third, with no one on and two out, Lew Klein connected for his first of two homeruns.

In the top of the fourth Citgo scored two runs to make it a 4-2 ball game. Menominee went scoreless in their half of the inning.

In Citgo's half of the fifth, they scored three runs as the result of a leaky defense, a couple of walks, and a timely base hit. The score was then 5-4 Citgo.

The two teams went scoreless until the bottom half of the sixth, when Lew Klein led off with his second homer of the night.

Going into the seventh and last inning of regulation play the score remained tied. Robby Dann led off with a fly out to center. Steve Sider and Mike Cohen got back to back singles, putting men on first and second. Mike Lewis followed with a sacrifice fly to put runners on second and third.

Lew Klein came up next, but Citgo gave him an intentional pass. Thus the bases were loaded when Don Sider came up to bat. He worked the count to two and one and was obviously taking the next pitch, hoping for a ball which would give Menominee a victory. The next pitch looked as though it came in high, and Lew Klein, the runner at first, headed toward second, believing the pitch to be a ball. However, the home plate umpire called the pitch a strike, and called Lew out for leading off.

The game continued at 5-5 until the top of the tenth, when one of Citgo's players hit a solo homerun to take the lead. Menominee then had only one more chance to tie it up. Roger Schroeder led off with a line shot to the glove of the third baseman. Steve Greenfield followed with a pop out to short, Robby Dann the teams last hope dropped a single into center field, Randy Stein, pinch running for Robby advanced to second on Steve Sider's base hit. Then Mike Cohen came up to bat. The crowd was very tense as he hit a long fly ball into right center. The right fielder made a tremendous game saving catch, and the game was over. Final score: Citgo 6

19 TRIP WEEK 74 JDC

Last week, from Monday, July 8 to Friday, July 12, was trip week here at Camp Menominee. Every cabin went on a trip of at least one night to someplace outside of camp. Cabins 13 and 14 went to see Bonn Falls and Copper Falls. Cabins 3, 4, 5, and 6 went on two-day canoe trips, while cabins 7 and 8 went on three-day canoe trips. However, the major trips were taken by the senior cabins; cabins 9, 10, and 11 went to the Wisconsin Dells; cabins 1, 2, and 15 went to Mackinac; and cabin twelve went to Minnesota. On this and following pages are the stories surrounding these trips.

(Michael Miller)

MACKINAC TRIP

It all started as we left in Caravan for Sault Ste. Marie. Things were going well as we toured the Iron Mountain Iron Mine, which cooled us off to 43 degrees. After this we ate lunch and went swimming before continuing on our way. Then the caravan saved the day as one of the cars broke down, forcing those in that car to get into the other cars. We finally got there and just had time to swim and eat at A. & W.

MINNESOTA TRIP

At 6 A.M. on Monday, July 8 we of cabin 12, (David Barzon, Jim Miller, Gary Noskin, Todd Rosenzweig, Greg Prizant, Eric Scheiber, Cliff Seidner, Jim Lazar, and Mike Miller) along with counselor Mike Lewis set off on our trip to Minneapolis, Minnesota. We left early and ate breakfast on the road. Before arriving at the Holiday Inn in Bloomington at around noon. After arriving we unpacked and ate lunch in the hotel and at Bridgemans Ice Cream across the street. In the afternoon we went swimming and then to a shopping mall where we shopped, ate dinner, and saw a movie.

We spent most of Tuesday with the girls from Marimeta. In the morning we had breakfast and then went to the beach with them. When we returned to the hotel we all went swimming in the indoor pool. That night we joined Marimeta for dinner, and a Minnesota Twins vs. Detroit Tigers baseball game. Following the game both groups went out for ice cream.

CONT P. 11

MACKINAC TRIP (CONT)

The next day we toured the Sault locks which connect Lake Superior to Lake Huron and also serve as the border between the U.S.A. and Canada. After that we crossed the bridge into Canada went go-karting and saw a movie. Some saw "Day of the Dolphin," while others went to see "West World".

Wednesday we got up early and drove to St. Ignace where we got on a ferry to Mackinac Island. There are no cars aloud on this island, so everyone rode bicycles, or horses around the island. The island consists of one short shopping strip, a college, and a few houses along with the world famous Grand Hotel. The rest of the island is all forests and beaches. After spending much of the day on the island we returned to shore and drove back into Canada. There we shopped and went bowling before returning to the U.S. and our hotel.

Thursday we left for Menominee and although one car got lost (temporarily) we were all safely back at camp by dinner.

(Josh Leavitt)

SOAP OPERA NIGHT

On Friday and Saturday nights, Mike Weiss held his camp fire Soap Opera Night. Each cabin presented a three minute skit which was judged on its originality and humor. In the 12 and under age group the winners were cabins 14 and 6.

Cabin 14 presented Ron Diamond as the doctor, Brad Martin as the pregnant woman and Ron Hirsch as the nurse in the skit about the delivering of a baby. Cabin 6 presented a skit about Alan Wasserman swallowing his whistle and Al Lewis not knowing what to do.

MINNESOTA TRIP (CONT)

Wednesday was a busy day as we spent the morning and early afternoon at the Nicolet Mall in downtown Minneapolis. We ate lunch there and then returned to the hotel for a swim. After dinner the cabin went to see World Team Tennis between The Boston Lobsters and the Minnesota Buckskins.

Thursday was mostly a day of swimming and resting. That evening we saw the movie "The Sting", and then went for dinner. This was followed by a round of miniature golf. The low score was turned in by Cliff Seidner with a 48. Afterwards we went had ice-cream and watched the first televised game of The World Football League.

Friday we left at 7:30 and ate breakfast on the road, as we headed back for camp. We stopped at Apple River where most of the cabin floated down the river in intertubes. Then we ate lunch at a near-by A & W. Seeing that we could not make it back to camp in time for dinner we stopped for dinner at Dina-Mia for pizza. We came back to camp after a most enjoyable trip to the Twin Cities.

(Michael J. Miller)

• Brian Isroff played the sick Al Wass, Scott Rabin played Al Wass in the mess hall, Ron Bernstein played Irene, Gary Lazar as the doctor, and the remainder of the cabin as the campers in the mess hall.

In the senior division cabin 1, won with Mark Stern as Compact contractor and Mike Brotzman as his side-kick Pee-Wee Sweeper. All cabins received free canteens for winning.

MENOMINEE-MARIMETA COMPETITION

Yesterday Menominee played Marimeta in archery, tennis, and swimming. The purpose of the competition was to prepare Marimeta for competition against other girls camps this summer. Our 11 and under played their 13 and under at Menominee while our 13 and under traveled to Marimeta to face their 16 and under team.

In archery our shooters in the younger age group were Stu Levey, Gary Lazar, Scott Stern, Jeff Kirshner, Steve Schaffer, and Randy Paset. They defeated Marimeta 329-174. In the older age group our shooters were Mike Kaplan, Mitch Wallace, Ken Lorant, Ken Grant, Jeff Meyerhoff, and Marc Sharfman. The final score was CM 534-Marimeta 213.

In tennis competition; the scores were as follows:

younger age group

Bob Jacobs	won	6-3
Ron Diamond	won	6-1
Stu Levey	won	4-3 (called)
Mike Kessner	won	6-5
Todd Nathan	lost	6-1

Mark Pinski		
Ron Bernstein	lost	6-2

Bob Litt	won	6-0
Bob Kaplan		

Scott Samuals	won	6-2
Gary Lazar		

Dennis Brickman	won	4-3

OLDER AGE GROUP

Larry Horwich	won	8-5
Greg Martin	won	8-4
Len Goodman	won	8-4

Duke Schwartz	won	6-1
Howard Cohn		

Steve Horwich	won	6-0
Jon Koehler		

Barry Handworker	won	6-0
Ron Behm		

In swimming, in the younger age group Marimeta beat Menominee 27-20. In the medly relay our team of Lazar, Paset, Gordon, and Jacobs defeated Marimeta. In the free style Menominee took a second with Steve Klein and a third with Kurt Gutheim. In the breast Randy Paset took first place for CM. In the backstroke Gary Lazar took a third. In the final event the free style relay Menominee lost to Marimeta.

In the older division, Menominee beat Marimeta by the score of 23-21. Menominee won both relays with the team of Sanders, Kaplan, Patinkin, and Fortunato winning the free relay, and the team of Elman, Lazar, Patinkin, and Olshansky taking the medley relay. In the individual strokes, Dean Fortunato took second in the free-style, Jim Sanders took first in the breast, and Mark Elman finished third in the back. It should be noted that Jim Sanders time of 14.8 is a new camp record; However, the lake at Marimeta has docks 3 yards shorter than those at Menominee, being only 22 yards long. Menominee won the meet, due to the disqualification of Marimeta in the final event, the medley relay.

DELLS TRIP

From Monday to Friday, we of cabin 9 (Orrin Edidin, Jeff Grant, Barry Handwerker, David Jaffe, Mark Lipkin, Jeff Meyerhoff, Mark Rosenberg, Duke Schwartz, and Jim Marks) along with counselors Mike Cohen and Ed Blaha went on a trip to the Wisconsin Dells. The trip was very interesting as we saw many new and different things.

The days were filled with many activities including swimming, go-karting, and riding mini-bikes. One of the things that we did was ride the "ducks". These are former army vehicles that travel on both land and water. We went on a tour on the ducks which showed us a great deal about the city. Also, we visited some of the many penny arcades that abound in the area.

Our nights were just as exciting. On Monday, we went to Familyland, an amusement park where all rides are covered by a single admission price. Some of the rides included go-karts, a ferris wheel, a haunted house, and small boats.

On Tuesday night, we went to see the Tommy Bartlett Water Ski Show. The first half consisted of exhibitions of water skiing including jumping, tricks, shoe skis, barefoot skiing, and slalom. The second half consisted of a polonesian band and the dancing waters. This is a beautiful fountain of water that seems to dance to the music that was played.

All in all, we had a great time in the Wisconsin Dells.
(Jim Marks)

UPCOMING COMPETITION

During the next week Menominee will be engaged in a number of competitions.

Tomorrow our 12 and under hardball team will travel to Eagle River to face the Nelson Rockets at 6 P.M. Meanwhile our 16 and under softball team will be playing host to Sayner in a game to be played with mits as in the counselors recent game in town.

Then on Wednesday, we will face Camp Towering Pines in tennis, archery, and riflery. The teams will be divided into 15 and under and 12 and under, with the 15 and under teams playing here and the 12 and under teams going to Towering Pines. Each camper will only be allowed to participate in one event.

In addition to these games Camp Menominee has also scheduled a rematch with the Nelson Rockets here on July 23, and a game with Spiess in Eagle River on the 26th.

WHO KNOWS WHAT EVIL LURKS IN THE HEARTS OF MEN?

From the secret annals of The Shadow
as recorded by Michael Miller.

THE SHADOW

KNOWS!

THE SHADOW: CITY OF DEATH PART THREE: A MESSAGE FROM THE SHADOW

Harry Vincent checked into the Holmwood Arms, where he resumed his role as a writer on vacation. He had stayed there before, so his appearance was not at all suspicious.

He had been sent to Holmwood by the mysterious person known as "The Shadow". His orders were to follow a man named Ken Thompson, who was to be released from prison in the morning. He was to report to The Shadow any suspicious moves that the man might make, especially if he went to see the mayor or other high officials of the town. Somehow, this was linked to the death of District Attorney John Peabody. His job was not to question, but just to follow orders.

Elsewhere, in a dark alley across town, we see a man running, chased by two younger, larger men. Running for his life.

"He's getting away. Stop him!"

"Don't worry, Mayor, he won't get far. Just leave it to us."

The man ran into another alley. A dead-end. Cornered. Who can say what fear will do to a man? Some will use it as a tool to triumph. Others - well, this man was one of the others.

"All right - all right! Go ahead and kill me! Get it over with!"

"Yeah, we're going to do just that but first we have to mark you up some more. Your body has to be a lesson to the other people who owe the mayor money...or else they'd all be welshing."

"But I didn't welsh! I borrowed three hundred dollars and paid back four hundred."

"You're forgetting the interest."

Then from out of the darkness came a laugh - a long, mocking laugh; a strange, unaccountable laugh; a laugh that would chill the heart of a man who had never known fear.

It was the laugh of The Shadow!

Dear J.J.:

My counselors are real "duds". They never seem to do anything with us. What should I do?

A.A.

Dear A.A.:

Try to talk to your counselors and explain to them that you would like to have more of their time. Ask them if you can have more cabin activities. I'm sure that if you show your counselors that you want more of their free time, they would be happy to spend it with you. If this does not work, perhaps you can talk to Al about it.

VOICE FROM THE BLEACHERS?
7/16/74

On Tuesday night, Camp Menominee's 16A softball team played Sayner in a game that was unusual because it was played with mits.

After Sayner went hitless in the top half of the first, Menominee's Al Levine led off with a single and Jimmy Miller reached first on an error. Several batters later, Jimmy Lazar tripled to drive in two runs. In the bottom half of the second with two out, Al Levine singled and Jimmy Miller doubled to put men on second and third. Then Glenn Klein was safe on an error which drove in two more runs to give Menominee the lead 4-0.

Sayner got on the scoreboard in the top of the third when one of their players hit a solo home run.

The next scoring took place in the bottom of the fifth when Mark Jacobs led off with a home-run. Jeff Glick then doubled and Dave Berzon hit a single, but Jeff was called out at the plate. Then Jeff Ruby walked and Jerry Sider doubled in two more runs. After this, Al Levine walked, Jimmy Miller singled in another run, and Glenn Klein doubled in Menominee's sixth and last run of the inning. At this point the score was Menominee 10, Sayner 1.

However, Menominee wasn't finished. In the bottom half of the sixth, Jimmy Lazar singled, Jeff Glick doubled, and Arnie Harris singled to score two more runs. Then Jeff Ruby and Jerry Sider made it to first on errors, with the second one scoring another run. Steve Samuels then also reached first on an error, and Glenn Klein singled in our fifth run of the inning.

Sayner went scoreless in their half of the seventh, so Menominee won. Final score: Menominee 15, Sayner 1.

PARENTS INVADE TOMORROW

It seems like just yesterday you were all getting off the buses here at camp. Well believe it or not camp is half over and tomorrow is the beginning of visiting weekend here at camp. Your parents will be able to take you out of camp at 3 P.M. and you can do anything you want with them until 10:00 when all campers are asked to be back in camp.

Then on Sunday gates will open at 10:00, and although you will not be aloud to leave camp with your parents that day there will be lots of things for you to do with your parents here in camp. There will be a general seim from 10:30-11:30, time to play tennis, golf, softball and time to just sit and talk to you parents before they have to leave camp at 1:00 on Sunday. We hope everybody has a nice visiting weekend with their parents.

DAFFYNITIONS

12 AND UNDER HARDBALL

On July 16, Menominee's 12 and under hardball team traveled to Eagle River to face the Eagle River News Review Rockets. The first two innings were very close, with both teams allowing only two base runners. In the Menominee third, Mike Kessner got the first clean hit of the night, but was left on base. Then, in the Rockets' half of the inning, they scored three unearned runs to give them a 3-0 lead.

Menominee retaliated with two runs in the fourth when Jeff Grant got a single, Howard Cohn doubled him in, and Alan Gordon hit a single which drove Howard Cohn (who had stolen third) in. The next runs came in the top of the fifth. Mike Kessner walked, Bob Loiben singled, and they both advanced a base to put men on second and third. Then, Jeff Grant hit a sacrifice to shortstop, driving Kessner in and Loiben to third. Then, when the pitcher was walking back to the mound and the catcher back to the plate, Loiben raced home to give Menominee the lead 4-3.

Unfortunately, Menominee's good fortune was not to last. Eagle River scored two runs in the fifth and held off a Menominee rally in the sixth, to win a squeaker, 5-4.

Our Lineup was:

M. Kessner	SS
B. Loiben	C

On Monday night, Jeff Crane presented Daffynitions night. Each cabin was to pick a word, either real or made-up and then give its definition by presenting it in a skit or by just telling it to the audience.

The camp was split up into two age groups, the 12 and under and the 13 and over. There was one winner from each of the age-groups and then an all camp winner for the best daffynition in camp.

In the junior division cabin 7 won with Larry Garland announcing for the word madhouse, while his cabin had a pillow fight, then Bob Spier hit the scene and stopped the madhouse with his kung-fu hits.

In the senior division cabin one, won with Mark Stern showing the proper way for dunkin Doughnuts and Scott Sandler as a master baiter (of fishing rods).

The overall camp winner was cabin 11 for the word bloop, a skit with Ron Behm and Mark Patinkin, and the troubles Mark went through trying to find out what a "bloop" was. Finally he is led to a creek, and throws a pebble into the water. When it landed and made a sound Ron told Mark that it made a "bloop". All winners received free canteens.

WHO KNOWS WHAT EVIL LURKS IN THE HEARTS OF MEN?

From the secret annals of The Shadow--
as recorded by Michael Miller.

THE SHADOW

KNOWS!

THE SHADOW: CITY OF DEATH
PART FOUR: A TRAP SPUN

In his secret lair, we find The Shadow interrogating Jim Harvey, the police commissioner of Holmwood. The Shadow caught Harvey trying to extort money from a citizen in a loan-shark operation run by the mayor.

"Gaze into my ring. Let the fiery depths enclose you. Your will is melting. You are powerless to resist me."

"Yes."

"Speak. Tell me about your evil organization."

"Baker started it several years ago...extortion...graft... loan-sharks."

"How does Thompson fit in?"

"Caught taking bribes...evidence hidden...blackmail...he made a deal with the prosecutor."

"Where does Baker operate from?"

"City Hall"

"Now, sleep. You will awaken in jail."

The next morning the police found Jim Harvey handcuffed to a lamppost. The news brought a sigh from Detective Joe Cardona when he was handed a signed confession from the ex-police commissioner.

"Boss?"

"Yes, Burbank."

"Harry just called. Thompson just entered City Hall."

"Tell Shrevvy. We're going to pay Mayor Baker a visit."

SPELLING BEE

On Wednesday night, July 17, Steve Griffenius held the annual Camp Menominee spelling bee. Each cabin held a contest to see who its two best spellers were. Then, the two contestants faced their counterparts from the other cabins in their age group. The camp was divided into three age groups: 11 and under, 12 and 13 year olds, and 14 and 15 year olds. In the junior age group, the winner was Stuart Levey, while Jim Marks won in the intermediate age group and Josh Leavitt defeated his challengers in the senior division. In a play-off to find the all-camp winner, Jim Marks defeated Josh Leavitt in a close match.

TENNIS TOURNAMENT

On Friday, Camp Menominee will play host to teams from Deerhorn, Mehawk, Towering Pines, Ojibwa, and Kawaga for a twelve and under tennis invitational tournament.

Each camp will send six players consisting of two singles players and two doubles teams to participate in the round robin tournament. The set-up will be close to the one held here last summer.

The tournament will begin at approximately 9:00 a.m., with the rain date on Saturday. GOOD LUCK MENOMINEE !!!

Dear J.J.:

I have a complaint. Last year you answered questions in the way that you felt you were supposed to. I would like you to answer questions in the way that you would like to answer them. Can and will you do this ?

Mike Issac

Dear Mike:

We answer questions to what we feel is the best of our ability. We believe that they should sound as professional as possible. We feel that not doing this would be unfair to a majority of our readers.

CABIN SING

The annual Camp Menominee Cabin Sing was held on Monday night, July 22.

Each cabin was informed of this on Sunday afternoon, and had to present an original song about the camp as a whole or their own cabin.

In the junior age group, the winner was cabin 6, which presented two songs: "Super, Slick Cabin Six" ("Bad, Bad Leroy Brown") and "Take Me Home, Central Bus" ("Take Me Home, Country Roads"). Their entire cabin went on stage to sing these songs.

The senior winner was cabin 1 with their song "Menominee Jones" ("Basketball Jones"). Their act featured Mark Stern in the lead with the rest of the cabin backing him up.

Afterwards, the whole camp was treated to free canteen by Alan Wass, and the winning cabins received pizza on the following night.

COMIC BOOK NIGHT

On Friday night, Rick Shea presented his campfire, Comic Book Night. Each cabin was to present a skit based on a comic book here, either original or taken from a comic book.

In the junior division, the winner was cabin five, which had Bob Litt and Mark Pinski as Fearless Flusher and Dr. Drano as they saved Howie Rein from the peril of being stuck on a toilet.

The senior winner was cabin two. Henry Strub starred as "Super Sexton" and Josh Leavitt played the fiend as Henry foiled his plans.

After the campfire, the winning cabins received free canteen.

GOLF TOURNAMENT BEGINS

The annual Camp Menominee Golf Tournament officially began Tuesday when the sign-up sheet was posted in the mess hall. The tournament, organized jointly this year by golf instructors Bobby Kirsh and myself, John Levy, will last through the seventh week.

This year's tournament will be similar to the past few years. The competition will be head-to-head stroke play with the players responsible for their own matches. As in past years, the finals from all age groups will be played in Eagle River.

We are very excited about this year's players. The caliber of competition as well as the enthusiasm and spirit is very high. Both Bob and I are looking forward to excellent matches and the tournament should be a great highlight of the 1974 camp season.

MYSTERIOUS HAPPENING
HITS CAMP MENOMINEE

Would you believe trees sprouting overnight? Well, that is what happened on Sunday night, as the camp woke up Monday morning to see dozens of trees in the usually quiet swimming area. There was no explanation for this strange event, but theories ranged from a green and white stunt to possible visitors from alien worlds. Who knows? To make things even more mysterious, the trees vanished the next night. Many people are wondering if more strange occurrences will follow. Only time will tell.

WHO KNOWS WHAT EVIL LURKS IN THE HEARTS OF MEN?

From the secret annals of The Shadow,
as recorded by Michael Miller.

THE SHADOW

KNOWS!

THE SHADOW: CITY OF DEATH PART FIVE: BAKER SEES A SHADOW

Inside the Holmwood City Hall, Ken Thompson has an appointment with Mayor Baker. Thompson had just been paroled on a bribery case in exchange for turning state's evidence against Baker and his friends. However, the prosecutor with whom he made the deal, John Peabody, died in a mysterious hunting accident.

"You've got to help me, Mayor. I'm afraid. Get me out of the country and I'll keep quiet."

"Don't worry, Ken. We'll put you on a ship for South America - you can stay there as long as you like."

The pair entered Baker's limosine. "Richard, let's go to the pier. We're very concerned about Ken - aren't we?"

"Sure are, boss."

"After all, we can't let the district attorneys get hold of you - your evidence could put us all in jail for a long time." The car pulled up at the pier. "We've arrived at your final destination."

"But where is the ship?"

"You won't need one where your going." Baker pulled out a revolver.

"Please...I'll do anything."

The trunk of the limosine opened, but Baker did not see this - neither did Thompson. A shadow fell on the street next to the car. A strange shadow - long and narrow - almost like the shadow of a human being. Had there been a sound one of the men might have noticed - but shadows are noiseless.

"Put down that gun, Baker."

"Who said that? No!"

Silently and swiftly moved The Shadow toward Baker and his accomplice.

"NO -I won't go!" Baker shot himself in the heart before The Shadow could act.

All was silent for a moment. Then from out of the gloom came a laugh. A laugh no louder than a whisper - yet one that echoed through the fog.

"The weed of crime bears bitter fruit. Crime does not pay. The Shadow knows."

And The Shadow never fails!
