| Session II, Rookie II | Saturday July 17th | flying into O'Hare (ORD) as it is closer to the testing |

****If your son is traveling alone (i.e. not with you or with a friend's family) please email us ASAP and we will discuss the best flight to book****

Other Details

1. Please take the earliest flight in if possible so you can make it to the COVID-19 testing site by early afternoon. Location TBD but will be somewhere in the Chicago suburbs (about 20-30 min from O'hare)
2. When you are booking your stay for the night before camp starts, know the buses will depart for camp on the first day of the session in the morning (~8:30am) from Staples in Highland Park, IL (1931 Skokie Valley Rd, Highland Park, IL 60035). We would recommend staying in the area to avoid any delays or traffic issues the morning of the bus.
